** There are no WIC clinics located in the district.

This report is based on the location of the WIC clinic where clients were seen and where the WIC checks were issued.

Total Participating Women, Infants and Children Served – The number of clients participating in WIC during FFY2023. A client is counted only once per agency in the district where they received services, even if they were in multiple categories during FFY2023. Due to factors such as client relocation during FFY2023, approximately 4.6% clients are likely counted as participating in more than one agency.

Total Food Dollars Redeemed – This includes all food purchased with WIC checks during FFY2023, including fresh fruits and vegetables. This does not include WIC Farmers Market Nutrition Program (FMNP) dollars, which is a separate grant.

Total Food Dollars for Fresh Fruits and Vegetables only – Fresh fruit and vegetable dollars are a subset of Total Food Dollars Redeemed during FFY2023. Neither include FMNP dollars.

Disclaimer – Please note this report does not include incomplete and missing data. We did not analyze the level of incomplete or missing data. Data errors may occur when staff do not enter complete and accurate information.
