

Escuelas con tasas de vacunación de más del 95%, ciclo escolar 2016–17

¡SORPRENDENTE! Los estudiantes de Kínder en las siguientes 291 escuelas están completamente vacunados y protegidos en contra de muchas enfermedades graves. Por lo menos un 95% de los estudiantes de kínder en cada una de las escuelas que aparecen en esta lista han sido completamente vacunados, y el Departamento de Salud del estado de Washington reconoce su esfuerzo de formar parte de una “Comunidad Inmune” para un Washington más saludable.
