**Washington State Death with Dignity (DWD) Act**

\*Pursuant to the DWD Act, RCW 70.245.190, individual providers and facilities may choose whether or not to participate in the DWD Act. "Participate" means to perform the duties of the attending qualified medical provider, the consulting qualified medical provider, or the counseling function under the DWD Act.

- Allows providers to participate in the Death with Dignity Act at the hospital\*
- Regardless of whether or not a hospital participates in the DWD Act, the hospital supports providers to:
- Certify that a patient has a terminal disease and provide the patient information about the medical prognosis pursuant to documentation required under the DWD Act.
  - Give information about the DWD Act to a patient upon request, including information about what relevant resources are available and how to access them.
  - Document a patient's first written request for medication that the patient may self-administer to end their life in a humane and dignified manner in the patient's medical record per the DWD Act
  - Refer or transfer care of a patient to another attending or consulting qualified medical provider.
- Provides death with dignity educational materials
- Hospital pharmacies are permitted to dispense prescriptions in accordance with the purposes of the DWD Act.
- Permits patients to self-administer DWD medication at the hospital

**Comments; limitations on services; other services:**

MultiCare Health System, including all adult acute-care hospitals acknowledge the rights and responsibilities under the Washington Death with Dignity Act (" Act" ) also known as Initiative 1000. Policy language includes:

A. MHS Qualified Medical Providers and other Clinical Staff are expected to respond to questions about Death with Dignity with respect and compassion. No Patient will be denied other medical care or treatment because of the Patient' s participation under the Act.

B. Qualified Patients, as defined in the Act, may not ingest Life Ending Medications at any MHS hospital, medical center, or facility.

C. MHS pharmacies will not fill prescriptions for Life Ending Medications prescribed under the Act.

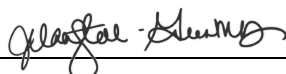

D. Members of the Medical Staffs of any MHS hospital and other Qualified Medical Providers employed by MHS may counsel their Patients about the Act.

E. Members of the Medical Staffs of any MHS hospital or hospice, and any other Qualified Medical Provider employed by MHS, may serve in the role of Attending or Consulting Qualified Medical provider as defined by and in accordance with the Act, provided they do not facilitate delivery or ingestion of Life Ending Medications within any MHS hospital or facility.

F. MHS Employees and Qualified Medical Providers are allowed to make their own individual decisions regarding their level of participation in working directly with Qualified Patients who choose to participate in the Act. Those that choose to participate should know and understand the requirements of the Act.

G. All Qualified Medical Providers employed by MHS who choose to participate in activities under the Act should be familiar with the reporting and documentation obligations under the Act.
