

KEEP THEM UP TO DATE SCHEDULE A WELL-CHILD CHECKUP TODAY

Staying home keeps you and your children safe, but kids should still come in for important well-child checkups and immunizations.

Insured children in Washington can get a **free** health check-up every year!

If you need help finding a clinic or scheduling a visit, call your insurance company. If you need help finding insurance go to [wahealthplanfinder.org](https://www.wahealthplanfinder.org).

A well checkup is valuable for **growth, development, and early detection.**

It also helps kids with **learning success and behavioral support.**
