Yes No If Yes, explain:

Purpose: WAC 246-817-230, Dental Retired Active. The Dental Quality Assurance Commission (commission) adopted amendments to WAC 246-817-230 to incorporate requirements from WAC 246-817-440, dentist continuing education, and to update reference of chapter 246-12 WAC, Part 5 to specific WAC citations.

In 2019, WAC 246-817-440 was changed from 21 continuing education hours annually to 63 continuing education hours every three years. WAC 246-817-230 currently references 21 continuing education hours annually. The adopted amendment is necessary to meet current standard of 63 continuing education hours every three years. Additionally, the adopted amendment is necessary to list specific rules rather than general reference of chapter 246-12 WAC, Part 5.

The commission is mandated under RCW 18.32.002 to regulate the competency and quality of professional health care providers, including but not limited to continuing education. RCW 18.32.0357 authorizes the commission to establish continuing dental education requirements. RCW 18.130.250 allows the commission to set continuing education requirements for renewal. Amending WAC 246-817-230 to incorporate reference of WAC 246-817-440 is the best approach to ensure dentists with retired active status have clear continuing education requirements. RCW 18.32.002 states in relevant part "The legislature further finds that requiring continuing dental education for all licensed dentists in the state is an important component of providing high quality dentistry for the people of this state."
