Certificate of Need Application
Kidney Disease Treatment Facilities

Certificate of Need applications must be submitted with a fee in accordance with Washington Administrative Code [\(WAC\) 246-310-990](#).

Application is made for a Certificate of Need in accordance with provisions in Revised Code of Washington [\(RCW\) 70.38](#) and [WAC 246-310](#), rules and regulations adopted by the Washington State Department of Health. I attest that the statements made in this application are correct to the best of my knowledge and belief.

Identify the Planning Area for this project as defined in [WAC 246-310-800\(15\)](#).

King Ten Dialysis Planning Area

Project Description:
Pursuant to Washington Administrative Code ("WAC") 246-310-806, for Nonspecial Circumstance Cycle 2, RCG is requesting a certificate of need to develop a new kidney dialysis center, d.b.a Fresenius Kidney Care Green River ("FKC Green River"). FKC Green River will be a new 11-station dialysis station facility and will also include an additional one (1) isolation station.

Applicant Description

1. Provide the legal name(s) and address(es) of the applicant(s)

Note: The term “applicant” for this purpose includes any person or individual with a ten percent or greater financial interest in the partnership or corporation or other comparable legal entity.

The legal name of the applicant is Renal Care Group Northwest, Inc. (“RCG”), parent company – Fresenius Medical Care Holdings, Inc (“Fresenius”). The name of the proposed facility related to the project is Fresenius Kidney Care Green River (“FKC Green River”).

The address of the applicant is:

20900 SW 115th Ave. Suite 190
Tualatin, OR 97062

2. Identify the legal structure of the applicant (LLC, PLLC, etc.) and provide the UBI number.

RCG and its parent company, Fresenius, are for-profit corporations (Inc.). RCG’s UBI number is 602096155.

3. Provide the name, title, address, telephone number, and email address of the contact person for this application.

Casey Stowell
Regional Vice President – Pacific Northwest
Fresenius Medical Care
20900 SW 115th Ave. Suite 190
Tualatin, OR 97062
503-506-9066

5. Provide an organizational chart that clearly identifies the business structure of the applicant(s).

RCG is a subsidiary of Fresenius. Exhibit 1 contains a copy of the organizational chart depicting its relationship with RCG and FKC Green River.

6. Identify all healthcare facilities owned, operated by, or managed by the applicant. This should include all facilities in Washington State as well as out-of-state facilities, and should identify the license/accreditation status of each facility.

Fresenius owns and operates facilities throughout the country. Information on these facilities and contact information for the State agencies are included in Exhibits 2 and 3, respectively.

Project Description

1. Provide the name and address of the existing facility.

This question is not applicable. This project requests approval of a new facility.

2. Provide the name and address of the proposed facility. If an address is not yet assigned, provide the county parcel number and the approximate timeline for assignment of the address.

The name of the proposed facility related to the project is Fresenius Kidney Care Green River (“FKC Green River”).

The address of the proposed facility, FKC Green River, is:

13020 SE Kent-Kangley Rd
Kent, WA 98030

3. Provide a detailed project description of the proposed project.

Pursuant to Washington Administrative Code (“WAC”) 246-310-806, for Nonspecial Circumstance Cycle 2, RCG is requesting CN approval to develop a new CN-approved twelve¹ (12) station facility, FKC Green River in the King Ten Dialysis Planning Area.

4. Identify any affiliates for this project, as defined in [WAC 246-310-800\(1\)](#).

This question is not applicable.

5. With the understanding that the review of a Certificate of Need application typically takes 6-9 months, provide an estimated timeline for project implementation, below:

Event	Anticipated Date
Design Complete	November 2020
Construction Commenced	January 2021
Construction Completed	July 2021
Facility Prepared for Survey	October 2021

6. Identify the date the facility is expected to be operational as defined in [WAC 246-310-800\(12\)](#).

The proposed facility is expected to be operational by October 2021.

¹ 11 in-center stations and 1 isolation station.

- 7. Provide a detailed description of the services represented by this project. For existing facilities, this should include a discussion of existing services and how these would or would not change as a result of the project. Services can include but are not limited to: in-center hemodialysis, home hemodialysis training, peritoneal dialysis training, a late shift (after 5:00 pm), etc.**

FKC Green River will serve patients with end-stage renal disease. FKC Green River will offer in-center hemodialysis, home hemodialysis and peritoneal dialysis training and support for dialysis patients, a dedicated isolation area, and a dedicated bed station. FKC Green River will also offer an evening shift, beginning after 5 pm, for dialysis patients.

- 8. Provide a general description of the types of patients to be served by the facility at project completion.**

This project requests development of a new dialysis facility in the King Ten Dialysis Planning Area. FKC Green River will provide services described above in response #7.

- 9. Provide a copy of the letter of intent that was already submitted according to [WAC 246-310-080](#).**

A copy of the letter of intent is included in Exhibit 4.

- 10. Provide single-line drawings (approximately to scale) of the facility, both before and after project completion. Reference [WAC 246-310-800\(11\)](#) for the definition of maximum treatment area square footage. Ensure that stations are clearly labeled with their square footage identified, and specifically identify future expansion stations (if applicable)**

A single line drawing and associated square footage tables are provided in Exhibit 5.

- 11. Provide the gross and net square feet of this facility. Treatment area and non-treatment area should be identified separately (see explanation above re: maximum treatment area square footage).**

Please see Exhibit 5 for single line drawing, including the relevant square footage tables. The square footage for the facility is 9,205 gross square feet and 8,920 net square feet.

- 12. Confirm that the facility will be certified by Medicare and Medicaid. If this application proposes the expansion of an existing facility, provide the existing facility's Medicare and Medicaid numbers.**

Confirmed, FKC Green River will be certified by Medicare and Medicaid.

Certificate of Need Review Criteria

A. Need (WAC 246-310-210)

[WAC 246-310-210](#) provides general criteria for an applicant to demonstrate need for healthcare facilities or services. [WAC 246-310-800 through WAC 246-310-833](#) provide specific criteria for kidney disease treatment center applications. Documentation provided in this section must demonstrate that the proposed facility will be needed, available, and accessible to the community it proposes to serve. Some of the questions below only apply to existing facilities proposing to expand. If this does not apply to your project, so state.

1. List all other dialysis facilities currently operating in the planning area, as defined in [WAC 246-310-800\(15\)](#).

Please see Table 1 below that presents the dialysis facilities with certificate of need approved stations in the King Ten Dialysis Planning Area.

Table 1. King Ten Dialysis Planning Area Providers

NAME	Station Count
NKC Kent	27
DVA Kent	21

*Station count excludes 1 isolation station

2. Provide utilization data for the facilities listed above, according to the most recent Northwest Renal Network modality report. Based on the standards in [WAC 246-310-812\(5\) and \(6\)](#), demonstrate that all facilities in the planning area either:
 - a) have met the utilization standard for the planning area;
 - b) have been in operation for three or more years; or
 - c) have not met the timeline represented in their Certificate of Need application.

Table 2 below presents the utilization reported by King Ten Dialysis Planning Area providers according to the applicable Northwest Renal Network (“NWRN”) modality report (June 30, 2019).

Source: Northwest Renal Network Modality Reports, 06/30/19

Please see comments below for each facilities’ accordance to the standards in WAC 246-310-812(5) and (6):

- DVA Kent: as demonstrated in Table 2, it is above the 4.5 occupancy standard.
- NKC Kent: as demonstrated in Table 2, it is above the 4.5 occupancy standard.

3. Complete the methodology outlined in [WAC 246-310-812](#). For reference, copies of the [ESRD Methodology](#) for every planning area are available on our website. Please note, under [WAC 246-310-812\(1\)](#), applications for new stations may only address projected station need in the planning area where the facility is to be located, unless there is no existing facility in an adjacent planning area. If this application includes an adjacent planning area, station need projections for each planning area must be calculated separately.

In-center dialysis station need was determined by applying the five-step methodology set forth in WAC 246-310-812. The specific methodology applied to the King Ten Dialysis Planning Area is detailed below:

Step (a)
Determine the Type of Regression Analysis to be Used

Determine the type of regression analysis to be used to project resident in-center station need by calculating the annual growth rate in the planning area using the end-of-year number of resident in-center patients for each of the previous six consecutive years, concluding with the base year.

(i) If the planning area has experienced less than six percent growth in any of the previous five annual changes calculations, use linear regression to project station need; or

(ii) If the planning area has experienced six percent or greater growth in each of the previous five annual changes, use nonlinear (exponential) regression to project station need.

Table 3 details the year-end number of in-center hemodialysis patients in the King Ten Dialysis Planning Area. As Table 3 demonstrates, growth between previous years 2014 and 2018 was less than 6%. As such, a linear regression is to be used to project station need.

Table 3. King Ten Dialysis Planning Area Year-End Resident In-Center Hemodialysis Patients and Annual Rate of Change from Prior Year 2013-2018.

Year	2013	2014	2015	2016	2017	2018
Number of Patients	167	166	180	195	207	214
Rate of Change from Prior Year	--	0.60%	8.43%	8.33%	6.15%	3.38%

Source: Northwest Renal Network Modality Reports. Please see also <https://www.doh.wa.gov/portals/1/Documents/pubs/KDKing10.pdf>

Step (b)
Project the Number of Resident In-Center Patients

Project the number of resident in-center patients in the projection year using the regression type determined in (a) of this subsection. When performing the regression analysis use the previous five consecutive years of end-of-year data concluding with the base year.

Per WAC, the projection year for dialysis station need is defined as the fifth year after the base year. The base year is defined as the most recent calendar year for which December 31 data is

available as of the first day of the application submission period from the *Northwest Renal Network's Modality Report*. In this case, the base year is 2018 and the projection year is 2023. Accordingly, Table 4 details the number of projected in-center patients in the King Ten Dialysis Planning Area in the years 2019 – 2023 using a linear regression.

Table 4. King Ten Dialysis Planning Area Projected Year-End Resident In-Center Hemodialysis Patients. Linear Projection.

Year	2019	2020	2021	2022	2023
Number of Patients	229	242	254	266	279

Source: Applicant. Please see also <https://www.doh.wa.gov/portals/1/Documents/pubs/KDKing10.pdf>

**Step (c)
Determine the Number of Dialysis Stations Needed**

Determine the number of dialysis stations needed to serve resident in-center patients in the planning area in the projection year by dividing the result of (b) of this subsection by the appropriate resident in-center patient per station number from subsection (3) of this section. In order to assure access, fractional numbers are rounded up to the nearest whole number.

As noted above, the projection year is 2023. For the King Ten Dialysis Planning Area, the appropriate resident in-center patient per station number is 4.8. Assuming 279 patients in 2023 (step b), dividing by 4.8 and rounding up yields fifty-nine (59) total stations needed in 2023.

**Step (d)
Determine Net Station Need**

To determine the net station need for a planning area, subtract the number calculated in (c) of this subsection from the total number of certificate of need approved stations located in the planning area. This number does not include the one department recognized exempt isolation station defined in WAC 246-310-800(9). For example, a kidney dialysis facility that is certificate of need approved and certified for eleven stations would subtract the one exempt isolation station and use ten stations for the methodology calculations.

Subtracting existing stations from 2023 need identifies a net station need of four (4) stations.

- 4. For existing facilities, provide the facility’s historical utilization for the last three full calendar years.**

- 5. For existing facilities proposing to add one or two stations under [WAC 246-310-818](#), provide the facility’s historical utilization data for the most recent six months preceding the letter of intent period. This data should be acquired from the Northwest Renal Network.**

This project is not requesting approval for Special Circumstance +1/2 expansion. Therefore, this question is not applicable.

- 6. Provide projected utilization of the proposed facility for the first three full years of operation. For existing facilities, also provide the intervening years between historical and projected. Include all assumptions used to make these projections.**

Table 7 below presents the projected utilization at FKC Green River. Given the new facility is anticipated to become operational by October 2021, the first full year of operation will be CY2022.

Table 7. FKC Green River Utilization Forecast, 2021 - 2024

	4Q2021	Full Year 1 (2022)	Full Year 2 (2023)	Full Year 3 (2024)
Total in-center stations	11	11	11	11
Total in-center patients	24	39	53	56
Total in-center treatments	864	5,616	7,632	8,064
Total home patients	4	7	9	10
Total home treatments	144	1,008	1,296	1,440

*Station count excludes 1 isolation station. Any patients included in table above requiring medically necessary isolation will have access to FKC Green River’s one isolation room.

Utilization Forecast Methodology

Please see below a description of the methodology used to construct the in-center and home patient projections. It is assumed the number of treatments per patient is 144 treatments per year.

In-Center Patients

In-center patients are projected based on the net station need projections from step (d) of the Department’s need methodology. Net station need is multiplied by 4.8 and rounded up to calculate the projected number of in-center patient. Please note that the operational timeline required extending net need projections out to 2024 where there is net station need for 13 stations.

However, FKC Green River is assumed to only capture part of the incremental patient demand growth in 2024.

Home Patients

The three closest clinics to the proposed FKC Green River project are FKC Mt Rainier, FKC Tacoma East, and FKC Puyallup. Of these three facilities, only FKC Mt. Rainier reported home patients in the 2Q2019 NWRN modality report. Of FKC Mt. Rainier's 130 total reported patients, 111 were in-center and 21 were home patients. Therefore, FKC Mt. Rainier's home patients were 17.1% of its in-center patient count. The 17.1% home percentage was applied to FKC Green River's projected in-center patient projections discussed above to forecast home patients.

7. For existing facilities, provide patient origin zip code data for the most recent full calendar year of operation.

Table 8. FKC Green River Patient Origin

This table is not applicable, as FKC Green River is not an existing facility.

8. Identify any factors in the planning area that could restrict patient access to dialysis services. [WAC 246-310-210\(1\), \(2\)](#).

Patient access is critical to improving the health and quality of life of our patients. But patient access is multi-faceted and not simply represented by the aggregate number of stations available. Patients require access to the specific treatment modality and convenient hours of operation that meet their individual clinical and personal needs.

Patients with limited financial means also face additional barriers to care due to the financial burden of out-of-pocket expenses. However, RCG strives to address this issue for our patients when needed by providing charity in our Washington facilities. A copy of our charity care policy is contained in Exhibit 6.

9. Identify how this project will be available and accessible to low-income persons, racial and ethnic minorities, women, mentally handicapped persons, and other under-served groups. [WAC 246-310-210\(2\)](#)

All individuals identified as needing dialysis services will have access to FKC Green River. FKC Green River's admission policies prohibits discrimination on the basis of race, income, ethnicity, sex or handicap. A copy of the admission policy is contained in Exhibit 7.

A copy of our charity care policy is contained in Exhibit 6.

10. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the limitations of the current site consistent with [WAC 246-310-210\(2\)](#).

This project does not entail either a partial or full relocation. Therefore, this question is not applicable.

11. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the benefits associated with relocation consistent with [WAC 246-310-210\(2\)](#).

This project does not entail either a partial or full relocation. Therefore, this question is not applicable.

12. Provide a copy of the following policies:

- **Admissions policy**
- **Charity care or financial assistance policy**
- **Patient Rights and Responsibilities policy**
- **Non-discrimination policy**
- **Any other policies directly associated with patient access (example, involuntary discharge)**

Please find attached as exhibits the following documents:

- Exhibit 6. Charity Care/Indigence Policy
- Exhibit 7A. Patient Admission Policy
- Exhibit 7B. Patient Rights and Responsibilities Policy
- Exhibit 7C. Patient Rights and Responsibilities List
- Exhibit 7D. Patient Acknowledgement of Receipt of Rights and Responsibilities

B. Financial Feasibility ([WAC 246-310-220](#))

Financial feasibility of a dialysis project is based on the criteria in [WAC 246-310-220](#) and [WAC 246-310-815](#).

- **Provide documentation that demonstrates the immediate and long-range capital and operating costs of the project can be met. This should include but is not limited to:**
 - **Utilization projections. These should be consistent with the projections provided under the Need section. Include all assumptions.**
 - **Pro Forma financial projections for at least the first three full calendar years of operation. Include all assumptions.**
 - **For existing facilities proposing a station addition, provide historical revenue and expense statements, including the current year. Ensure these are in the same format as the pro forma projections. For incomplete years, identify whether the data is annualized.**

Exhibit 8 includes the required pro forma financial statements. Exhibit 8 also provides key financial pro forma assumptions and sources of information used to prepare the projections, including staffing and salaries, wages, and benefits assumptions. Unless otherwise specified, the financial projections are based on Fresenius' three closest clinics' 2018 actuals. The three closest clinics include FKC Mt. Rainier, FKC Tacoma East, and FKC Puyallup.

Utilization projections, including the assumptions used to derive the forecasts, are presented and discussed in Table 7 above and surrounding text.

1. Provide the following agreements/contracts:

- **Management agreement.**
- **Operating agreement**
- **Medical director agreement**
- **Development agreement**
- **Joint Venture agreement**

Note, all agreements above must be valid through at least the first three full years following completion or have a clause with automatic renewals. Any agreements in draft form must include a document signed by both entities committing to execute the agreement as submitted following CN approval.

A medical director agreement is included in Exhibit 9. All other agreements listed above are not applicable to the current request.

- ### **2. Provide documentation of site control. This could include either a deed to the site or a lease agreement for the site. If a lease agreement is provided, the terms must be for at least five years following project completion.**

Included in Exhibit 10A is a lease agreement between Lakha Kent Properties, LLC (LANDLORD) and Renal Care Group Northwest, Inc. (TENANT). Exhibit 10B contains 2019 property tax statement from King County indicating Lakha Kent Properties, LLC (LANDLORD) is the owner of the property.

3. **Provide county assessor information and zoning information for the site. If zoning information for the site is unclear, provide documentation or letter from the municipal authorities showing the proposed project is allowable at the identified site.**

Please see Exhibit 10C for zoning information related to the planned site.

4. **Complete the table below with the estimated capital expenditure associated with this project. Capital expenditure for the purposes of dialysis applications is defined under [WAC 246-310-800\(3\)](#). If you have other line items not listed below, include the definition of the line item. Include all assumptions used to create the capital expenditure estimate.**

- 5. Identify the entity responsible for the estimated capital costs identified above. If more than one entity is responsible, provide breakdown of percentages and amounts for all.**

Fresenius is the sole applicant and entity responsible for the estimated capital costs identified above.

- 6. Provide a non-binding contractor's estimate for the construction costs for the project.**

Please see Exhibit 11.

- 7. Provide a detailed narrative regarding how the project would or would not impact costs and charges for services. [WAC 246-310-220](#).**

This project has no impact on either charges or payment, as reimbursement for kidney dialysis services is based on a prospective composite per diem rate. In the case of government payers, reimbursement is based on CMS (Center for Medicaid and Medicare) fee schedules which have nothing to do with capital expenditures by providers such as Fresenius. In the case of private sector payers, Fresenius negotiates national, state, and regional contracts with payers. These negotiated agreements include consideration/negotiation over a number of variables, including number of covered lives being negotiated; the provider's accessibility, including hours of operation; quality of care; the provider's patient education and outreach; its performance measures such as morbidity and/or mortality rates; and increasingly, consideration of more broad performance/quality measures, such as the CMS Quality Incentive Program ("QIP") Total Performance Score ("TPS").²

Fresenius does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Green River facility would have no impact on payer negotiations or levels of reimbursement. In this regard, facility-level activities, such as number of FTEs, operating expenses or capital expenditures have no effect on negotiated rates, since such negotiations do not consider facility-level operations. As such, the proposed FKC Green River facility will have no effect on rates Fresenius would receive in the King Ten Dialysis Planning Area.

- 8. Provide documentation that the costs of the project, including any construction costs, will not result in an unreasonable impact on the costs and charges for health services in the planning area. [WAC 246-310-220](#).**

See our response above for an explanation of the basis for Fresenius reimbursement. As described above, Fresenius does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Green River facility will have no impact on payer negotiations or levels of reimbursement.

As a follow-up to this question regarding impacts on costs, charges and reimbursement, and what elements make up reimbursement, which is what the question focuses on, it should be noted that CMS has implemented QIP with the express purpose of linking payment for care directly to

² Please see: <http://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/ESRDQIP/>

providers' performance on quality of care measures.³ Over time, all payers will adapt some or all of these same standards, and will increasingly tie reimbursement to TPS measures.

- 9. Provide the projected payer mix by revenue and by patients using the example table below. If “other” is a category, define what is included in “other.”**

Table 10. FKC Green River Dialysis Center, Projected Payer Mix, by Revenue and by Patient

Payor Class	Mix Based on Treatments	Mix based on Revenue
Medicare	64.5%	39.9%
Commercial	8.6%	42.3%

- 10.If this project proposes the addition of stations to an existing facility, provide the historical payer mix by revenue and patients for the existing facility. The table format should be consistent with the table shown above.**

This question is not applicable.

- 11.Provide a listing of all new equipment proposed for this project. The list should include estimated costs for the equipment. If no new equipment is required, explain.**

Please see Exhibit 12 for a list of new equipment.

³ As stated on the CMS website, referenced above, the ESRD QIP will reduce payments to ESRD facilities that do not meet or exceed certain performance standards. The maximum payment reduction CMS can apply to any facility is two percent. This reduction will apply to all payments for services performed by the facility receiving the reduction during the applicable payment year (PY). Payment reductions result when a facility's overall score on applicable measures does not meet established standards. CMS publicly reports facility ESRD QIP scores; these scores are available online on [Dialysis Facility Compare](#).

12. Identify the source(s) of financing (loan, grant, gifts, etc.) and provide supporting documentation from the source. Examples of supporting documentation include: a letter from the applicant's CFO committing to pay for the project or draft terms from a financial institution.

If this project will be debt financed through a financial institution, provide a repayment schedule showing interest and principal amount for each year over which the debt will be amortized. [WAC 246-310-220](#)

RCG will use existing reserves from its parent company, Fresenius, to fund this project. Exhibit 13 includes a letter from Mr. Mark Fawcett, Senior Vice President and Treasurer, attesting to the availability of funds and a commitment to this project

13. Provide the applicant's audited financial statements covering at least the most recent three years. [WAC 246-310-220](#)

Audited financial statements for Fresenius, the parent company, are included in Exhibit 14.

C. Structure and Process (Quality) of Care ([WAC 246-310-230](#))

- 1. Provide a table that shows FTEs [full time equivalents] by category for the proposed facility. If the facility is currently in operation, include at least the last three full years of operation, the current year, and the first three full years of operation following project completion. There should be no gaps in years. All staff categories should be defined.**

Projected FTE staffing, by position and clinical setting, is provided below in Table 11.

- 2. Provide the assumptions used to project the number and types of FTEs identified for this project.**

Information and assumptions used to prepare Table 11 include:

- The wage and salary figures are based on 2018 data from the three closest facilities, including FKC Mt. Rainier, FKC Tacoma East, and FKC Puyallup. They are held constant over the forecast period.
- It is assumed a FTE (“full time equivalent”) employee works 2,080 hours per year.
- Non-productive hours are estimated at 10% of productive hours, based on FMC experience.
- Benefits are calculated at 33.8% of wages and salaries based on the three closest facilities’ 2018 data.
- The staff to patient ratio matrix below was used to construct minimum FTE counts for the projection years based on future patient counts presented in Table 7.

	Staff to Patient Ratios (FTE Staff)
PCT (1)	1:8
RN (2)	1:20
Equipment Technician (3)	1:125
Social Worker (3)	1:125
Dietician (3)	1:125
Secretary (3)	1:125
Nurse Manager (4)	1
Home RN (2)	1:20

- (1) A PCT works two shifts of patients each day, with 4 patients per shift.
- (2) A RN works two shifts of patients per day, with 10 patients per shift.
- (3) These FTEs are staffed based on staff-to-patient ratios identified in the table.
- (4) The Center for Medicare and Medicaid (“CMS”) requires that a dialysis facility be staffed with one FTE manager, irrespective of size of the facility or number of patients.

3. Identify the salaries, wages, and employee benefits for each FTE category.

Salary and benefit information, by FTE category and clinical setting, is contained in the pro forma financials (Exhibit 8).

4. Provide the name and professional license number of the current or proposed medical director. If not already disclosed under 210(1) identify if the medical director is an employee or under contract.

FKC Green River will contract with Seth Thaler, M.D. for medical director services. Dr. Thaler’s professional license number is MD00036388. A copy of the Medical Director agreement is included in Exhibit 9.

5. Identify key staff, if known. (nurse manager, clinical director, etc.)

FKC Green River is not an existing facility. Therefore, its key staff are not yet known.

6. For existing facilities, provide names and professional license numbers for current credentialed staff.

Please see Table 12 below.

Table 12. Names and License Numbers of Current Staff

This table is not applicable, as FKC Green River is not an existing facility.

7. Describe your methods for staff recruitment and retention. If any barriers to staff recruitment exist in the planning area, provide a detailed description of your plan to staff this project.

By virtue of the proposed geographic location, we anticipate recruiting staff from King County as well as from neighboring counties. To be effective in staff recruitment and retention, RCG offers competitive wage and benefit packages. Further, to ensure that we have adequate staff across all our facilities in Washington, we have built a local float pool of WA Licensed Patient Care Techs and RN's to ensure we have coverage for patient care. Fresenius also has an internal staffing agency, Fresenius Travel, in which we can request assistance. We also have the capability of using outside staffing agencies to fill critical needs.

8. Provide a listing of proposed ancillary and support agreements for the facility. For existing facilities, provide a listing of the vendors.

Please see Table 13 below for a list of anticipated vendors.

9. For existing facilities, provide a listing of ancillary and support service vendors already in place.

FKC Green River is not an existing facility. Therefore, this question is not applicable.

10. For new facilities, provide a listing of ancillary and support services that will be established.

Please see our response above for a list of anticipated ancillary and support service agreements.

11. Provide a listing of ancillary and support services that would be provided on site and those provided through a parent corporation off site.

All patient care and support services except senior management, financial, legal, planning, marketing, architectural/construction and research and development are provided on-site at each clinic.

12. Identify whether any of the existing ancillary or support agreements are expected to change as a result of this project.

FKC Green River is not an existing facility. Therefore, this question is not applicable.

13. If the dialysis center is currently operating, provide a listing of healthcare facilities with which the dialysis center has working relationships.

FKC Green River is not an existing facility. Therefore, this question is not applicable.

14. For new a new facility, provide a listing of healthcare facilities that the dialysis center would establish working relationships.

Please see Table 13 above.

15. Provide a copy of the existing or proposed transfer agreement with a local hospital.

See Exhibit 15 for FKC Green River's transfer agreement with Valley Medical Center.

16. Clarify whether any of the existing working relationships would change as a result of this project.

FKC Green River is not an existing facility. Therefore, this question is not applicable.

17. Fully describe any history of the applicant concerning the actions noted in Certificate of Need rules and regulations [WAC 246-310-230\(5\)\(a\)](#). If there is such history, provide documentation that the proposed project will be operated in a manner that ensures safe and adequate care to the public to be served and in conformance with applicable federal and state requirements. This could include a corporate integrity agreement or plan of correction.

Fresenius is committed to conduct its business activities in compliance with applicable law. The company has long maintained a corporate compliance program which includes a Code of Ethics and Business Conduct, ongoing compliance related education and training for employees, a Compliance Department to support the company and its employees with compliance concerns, including a compliance line for anonymous reporting, and monitoring and auditing of business activities.

Fresenius, as one of the largest dialysis providers in the country, is routinely involved in claims, lawsuits, regulatory matters and investigations in the ordinary course of business. As for matters responsive to the application questions, Fresenius has no history of criminal convictions relating to the ownership or operation of a health care facility within the United States within the past 10 years. Fresenius also has no history of license revocations or decertifications for facilities in Washington State. In the past 10 years, a dialysis facility located in New York (Lindenhurst Dialysis Center), for which Fresenius provided management services, and a Fresenius facility located in San Francisco (RAI – Cesar Chavez), were decertified

18. Provide documentation that the proposed project will promote continuity in the provision of health care services in the planning area, and not result in an unwarranted fragmentation of services. [WAC 246-310-230](#)

The establishment of a new facility in the King Ten Dialysis Planning Area in Kent, owned and operated by RCG, will not only ensure timely access to dialysis services, but it will also realize efficiency, coordination and continuity of care through shared System-level staff, administration and other functions.

Further, there is net need in the planning area that requires an increase in capacity to be able to accommodate planning area demand and prevent unnecessary and burdensome out-migration. Therefore, the development of the FKC Green River will not lead to fragmentation of care, but rather prevent it by reducing out-migration and ensure care is accessible in the community.

19. Provide documentation that the proposed project will have an appropriate relationship to the service area's existing health care system as required in [WAC 246-310-230](#).

FKC Green River will establish relationships with area transit providers, nursing homes, and local hospitals. See Exhibit 15 for transfer agreement with Valley Medical Center.

20. Provide documentation to verify that the facility would be operated in compliance with applicable state and federal standards. The assessment of the conformance of a project to this criterion shall include, but not be limited to, consideration as to whether:

- a. The applicant or licensee has no history, in this state or elsewhere, of a criminal conviction which is reasonably related to the applicant's competency to exercise responsibility for the ownership or operation of a health care facility, a denial or revocation of a license to operate a health care facility, a revocation of a license to practice a health profession, or a decertification as a provider of services in the Medicare or Medicaid program because of failure to comply with applicable federal conditions of participation; or**

Please see the response to question 17.

- b. If the applicant or licensee has such a history, whether the applicant has affirmatively established to the department's satisfaction by clear, cogent and convincing evidence that the applicant can and will operate the proposed project for which the certificate of need is sought in a manner that ensures safe and adequate care to the public to be served and conforms to applicable federal and state requirements.**

This question is not applicable. Both RCG and Fresenius have demonstrated experience in complying with applicable state and federal rules and regulations.

D. Cost Containment ([WAC 246-310-240](#))

1. Identify all alternatives considered prior to submitting this project.

The following two options were evaluated in the alternatives analysis:

- Option One: Establish new 12⁴-station facility—The Project
- Option Two: Postponing the request—Do Nothing

RCG does not have any existing facilities within the King Ten dialysis planning area. Therefore, alternative options such as expanding an existing facility or partial expansion in addition to a new facility were not applicable.

2. Provide a comparison of the project with alternatives rejected by the applicant. Include the rationale for considering this project to be superior to the rejected alternatives. Factors to consider can include, but are not limited to: patient access to healthcare services, capital cost, legal restrictions, staffing impacts, quality of care, and cost or operation efficiency.

Please see Tables 14-17, respectively. They provide a summary of advantages and disadvantages of each of the two options based on the following evaluative criteria: Promoting availability, or access to healthcare services; Promoting Quality of Care; Promoting Cost and Operating Efficiency; and Legal Restrictions.

Table 14. Alternatives Analysis: Promoting Access to Healthcare Services.

Option:	Advantages/Disadvantages:
Option One Establish new 12-station facility—The Project	<ul style="list-style-type: none"> • Adds additional dialysis stations to the Planning Area, as warranted by WAC 246-310-812. (Advantage (“A”)) • Residents of the Planning Area will be better able to access needed facility dialysis services and would not be forced to out-migrate to other facilities outside the planning area--improves access. (A)
Option Two Do nothing	<ul style="list-style-type: none"> • Would do nothing to improve access (Disadvantage (“D”)). • Outmigration would increase (D).

Table 15. Alternatives Analysis: Promoting Quality of Care.

Option:	Advantages/Disadvantages:
Option One Establish new 12-station facility—The Project	<ul style="list-style-type: none"> • Adds additional dialysis station capacity as warranted by WAC 246-310-812. This promotes access, reduces fragmentation, thus, promotes quality (A). • Residents of the Planning Area would have increased dialysis station capacity--this improves quality of care inasmuch as it improves continuity of care (A).
Option Two Do nothing	<ul style="list-style-type: none"> • Planning Area residents will need to out-migrate to receive care and do so in increasing numbers without added capacity. As such, patient care will be fragmented, which harms access and quality of care (D)

⁴ 11 in-center stations and 1 isolation station

Table 16. Alternatives Analysis: Promoting Cost and Operating Efficiency.

Option:	Advantages/Disadvantages:
Option One Establish new 12-station facility—The Project	<ul style="list-style-type: none"> By increasing access, preventing out-migration, this option will be efficient and less costly for planning area residents. (A)
Option Two Do nothing	<ul style="list-style-type: none"> Capital and operating costs would be least under this option, since there would be none (A). Suffers from significant disadvantages by not promoting access and continuity of care. Forces patients to continue to out-migrate, which is inefficient and costly for planning area residents (D).

Table 17. Alternatives Analysis: Legal Restrictions.

Option:	Advantages/Disadvantages:
Option One Establish new 12-station facility—The Project	<ul style="list-style-type: none"> This option requires certificate-of-need approval.
Option Two Do nothing	<ul style="list-style-type: none"> There are no legal implications with this option.

3. For existing facilities, identify your closest two facilities as required in [WAC 246-310-827\(3\)\(a\)](#).

This question is not applicable as FKC Green River will be a new facility.

4. For new facilities, identify your closest three facilities as required in [WAC 246-310-827\(3\)\(b\)](#).

The three closest facilities include:

FKC Mt. Rainier
 1717 S J St
 Tacoma, WA 98405

FKC Tacoma East
 1415 E 72nd St. Ste E
 Tacoma, WA 98404

FKC Puyallup
 702 S Hill Park Dr. Ste 105
 Puyallup, WA 98373

5. Do any other applications you submitted under this concurrent review cycle rely on the same facilities listed in response to questions 3 or 4? If yes, identify the applications. [WAC 246-310-827\(3\)\(c\)](#). (Note: a maximum of two applications can rely on the same three facilities.)

No, Fresenius does not rely on the same three facilities for multiple application this cycle.

6. Identify whether any aspects of the facility's design could lead to operational efficiency. This could include but is not limited to: LEED building, water filtration, or the methods for construction, etc. [WAC 246-310-240\(2\) and \(3\)](#).

FKC Green River will meet RCG and Fresenius internal standards which have been engineered and tested to ensure that they support our high quality, efficient and patient-focused standards. Our standards also meet and or exceed all applicable state and local codes, including compliance with the State Energy Code, latest edition.

Re: Letter of Intent: Establishment of FKC Green River Dialysis Facility in King Ten ESRD Planning Area

Dear Ms. Tyson:

Pursuant to Washington Administrative Code ("WAC") 246-310-806, for Nonspecial Circumstance Cycle 2, Renal Care Group Northwest, Inc. intends to file a certificate of need to establish a new kidney dialysis center, d.b.a Fresenius Kidney Care Green River ("FKC Green River"). In accordance with WAC 246-310-080, the following information is provided:

1. Description of the services proposed:

Establishment of a new 11-station dialysis station facility, d.b.a. FKC Green River in the King Ten ESRD Dialysis Planning Area. FKC Green River will also include an additional one (1) isolation station.

2. Estimated Cost of the Proposed Project:

The total estimated capital expenditures are \$2,889,395.

3. Description of the Service Area:

The service area is the King Ten ESRD Dialysis Planning Area.

Please feel free to contact me if there are any questions on this letter of intent. I can be reached at 503.507.4967 or Casey.Stowell@fmc-na.com.

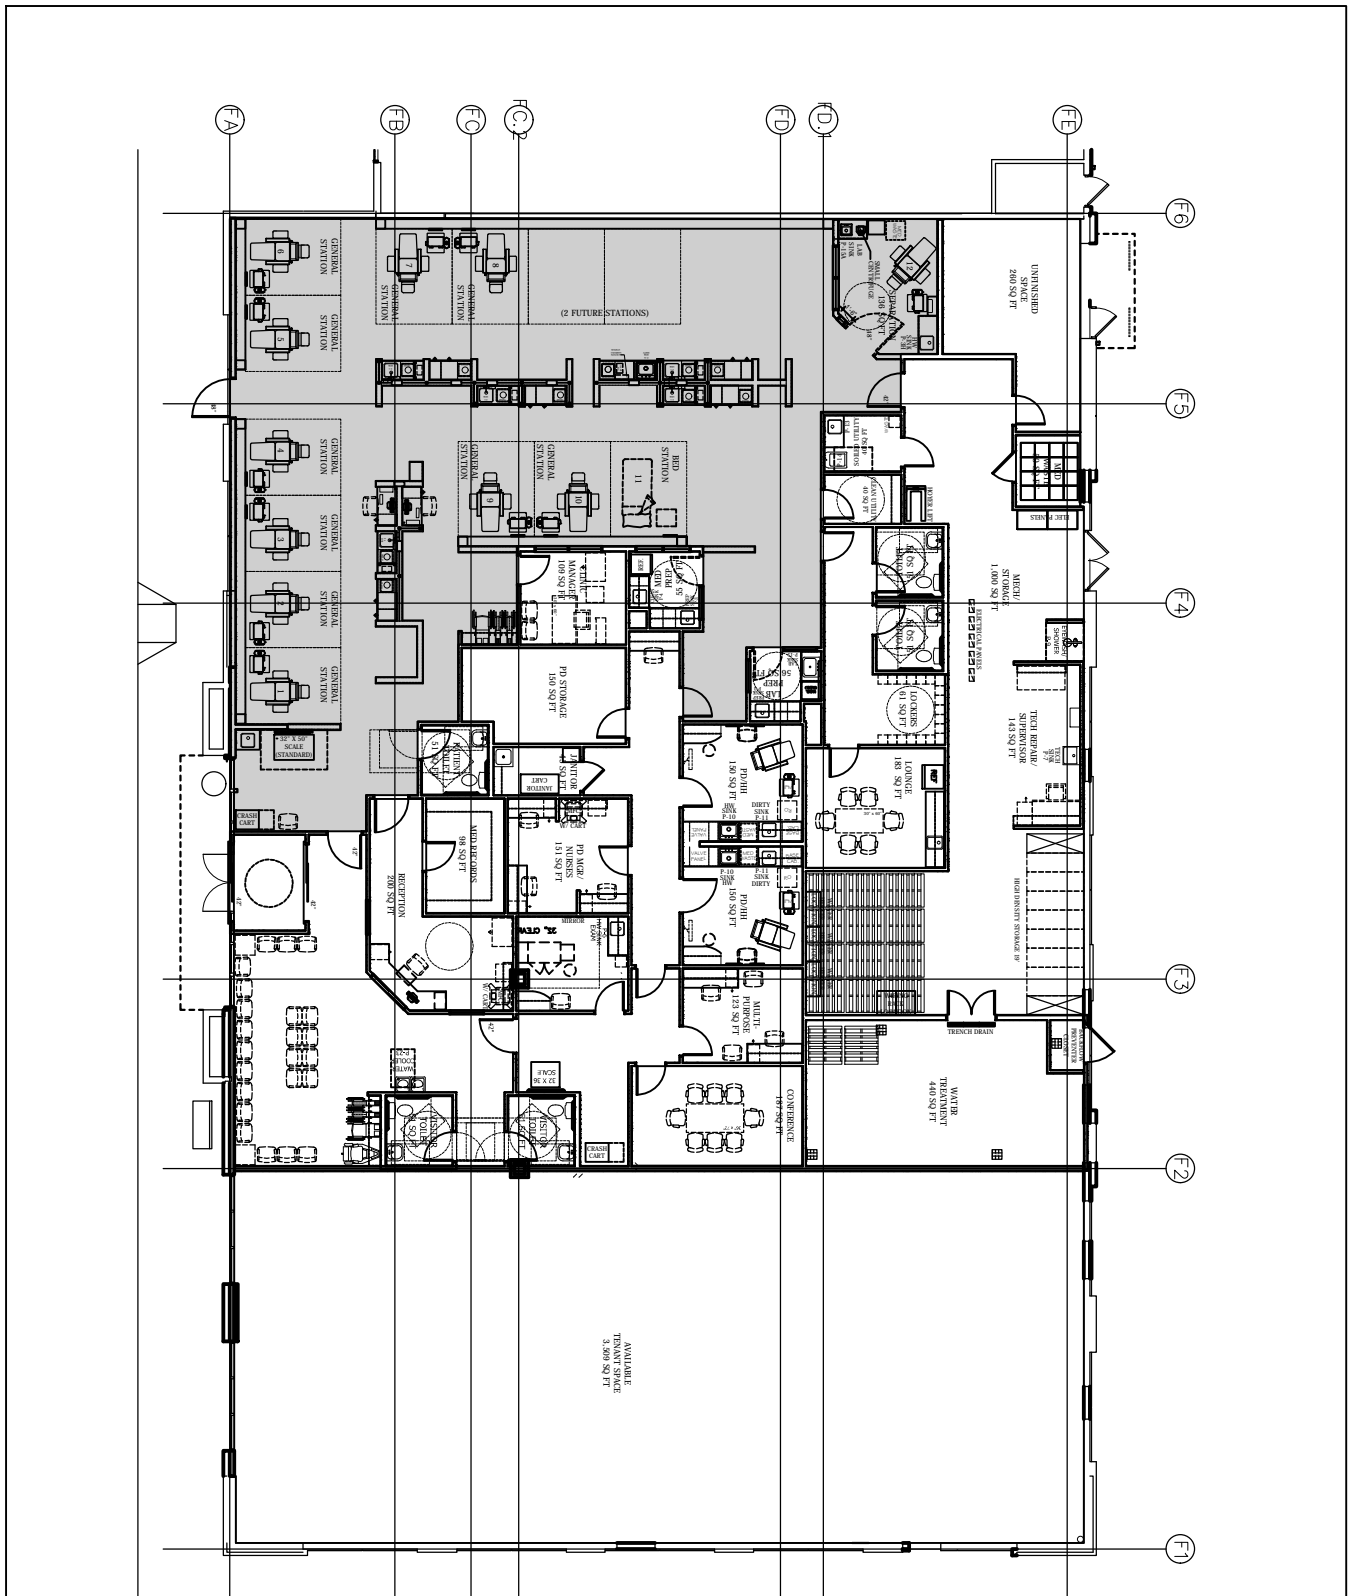

Sincerely,

Casey Stowell

Indigent Waiver Program

Key Points

1. The Indigent Waiver Program assists eligible patients who:
 - Are unable to obtain insurance coverage
 - Lack the financial resources to pay for medical services

Note: FreseniusRx operates a different Indigent Waiver Program for qualified low-income Medicare Part D Extra help patients. *

2. The Indigent Waiver Program applies only to charges the patient is personally liable for.

3. The Indigent Waiver Program is a “last resort” when there are no other payment options for the patient.

4. Patients may qualify for full or partial waivers based on a sliding scale schedule.

5. The Indigent Waiver Program cannot be advertised to patients, prospective patients or referral sources.

6. Indigent waivers are valid for one (1) year from date of approval.

* See the *Financial Assistance Program: Compliance Requirements Policy* for additional information.

Definition:
Indigent Waiver An Indigent Waiver excuses all or part of a patient’s financial obligation to pay for items or services provided by FMCNA.

Definition:
Family “Family” is defined as the patient and immediate family members residing with the patient or who are legally financially responsible for the patient.

Qualifications The Patient applying for the waiver program must meet eligibility criteria for both:

1. Annual Income
2. Net Worth (Assets)

When appropriate, patients may qualify for partial indigent waivers based upon a Sliding Fee Scale Matrix, as determined by the FMCNA Business.

	Eligibility Criteria
Annual Income Limit	The annual income limit will be determined by each FMCNA business based on industry research conducted, and documented, by the business.
Net Worth	Must have a family net worth less than [amount determined by the business] at the time of application.

Retroactive Waivers

- Patients may be eligible for retroactive waivers if they meet the business specific criteria for annual income and net worth for the entire period requested.
- Retroactive waivers > than six (6) months require approval of a VP level manager or above.

Patient Admission Policy

Patient Admission Policy

Purpose To guide facility management on the admission process for all patients being admitted to an FKC dialysis facility.

Responsibility Medical Director, Clinical Manager or Registered Nurse, Master’s Social Worker, Registered Dietitian and Facility Secretary as defined in this policy, Patient Admission Services and Central Verification

General Policy This policy applies to In-Center, Home, Permanent Transfer, Transient and Seasonal Patients.

When medically appropriate and consistent with this policy, facilities shall admit and treat patients needing dialysis.

Each patient admitted will be followed by an attending physician on the facility's medical staff or physician who has been granted temporary privileges at the facility.

All services offered by FKC facilities are available to all patients provided:

- They are medically suitable based on the clinical assessment of the physician,
 - and the willingness of the responsible party to pay for such services.
-

Consent The patient must sign the treatment consent documentation (located in the Admissions Packet) prior to their first hemodialysis or peritoneal dialysis treatment. Patients consenting to HD/PD treatment validate that they have spoken with a physician(s) and consented to all the risks and benefits of dialysis treatment (hemodialysis or peritoneal dialysis).

If the patient is incompetent or incapable of making healthcare decisions, refer to the block titled “Patient Appears Unable to Sign for Treatment” in the the Informed Consent Policy by navigating to: **Home >Clinical Services**

The patient /or family (if patient has been deemed incompetent by a physician, the patient’s representative) shall designate a person to be notified in case of emergency.

Types of Admissions: Definitions

New Patient: Permanent admission of a patient who is new to dialysis who are primarily referred by physician or hospital.

Transfer: A patient who is scheduled to receive ongoing and continued treatment at a dialysis facility (permanent or seasonal). A patient may be referred by his/her physician, a hospital, another dialysis facility, or as a self-referral.

Transient: A patient who is scheduled for only 1 to 14 treatments.

Transient or Seasonal Admission Requirements

The accepting physician will medically clear the patient prior to admission. (See block on medical clearance). The attending physician or physician extenders will make all the medical, laboratory and pharmaceutical decisions for the patient while under the physician's care in accordance with the standard rules and procedures of the facility.

Dialyzers and/or supplies brought by a transient or seasonal patient will only be used in the rarest of circumstances. Use of a patient-provided item, such as a specialized dialyzer or medication, must be approved by the Medical Director and the P and T Committee **PRIOR** to the patient arriving for treatment at the facility.

- If approved for a specific dialyzer or medication, a seasonal/transient patient’s home facility must ship the item to the transient facility following proper storage and shipment procedures.

Patient Admission Policy

Admission Process All admissions must be processed through Patient Admission Services (PAS). Patient Admission Services (PAS) will receive patient information and medical records from referral sources. The PAS will disseminate this information to the appropriate departments responsible for medically and financially clearing the patients. Upon receipt of the referral for admission, the facility will be notified of the pending admission by PAS to confirm placement.

Patient Admission Services will obtain medical records and collaborate with the verification office to financially clear the patient.

Patient Transfer to another FKC Facility The Clinical Manager or his/her designee must contact Patient Admission Services when the patient transfers to a different FKC facility. Patient Admission Services will initiate the transfer.

Medical Clearance A patient shall be medically cleared for treatment when dialysis treatment is deemed indicated and appropriate according to the clinical judgment of the patient's attending physician. In the case where the Medical Director determines the patient is too acutely ill or not appropriate for outpatient dialysis care, then the decision for admission to the facility shall be made by the Governing Body.

Special Circumstances Admission Requests Requests to admit a patient with an external device such as left ventricular assist device (LVAD), continuous medication infusion, or LifeVest Defibrillator or other non-routine request requires approval from the corporate Medical Office.

Staff must review the *Admission, Handling and Safe Movement of the Morbidly Obese Patient Policy* before admission to the facility to ensure the facility can safely care for a morbidly obese patient. The Governing Body

Emergency Admission/Transfer

Patients may need to be transferred emergently in situations related to unplanned emergencies caused by severe weather, fire or other serious facility operating problems such as water treatment failure or other unexpected problems leading to facility closure. An emergency transfer is not expected to extend beyond 30 days and patients are expected to return to their “home” facility to continue their treatments when operations are able to resume. The emergency data entry process may be used for emergency transfers.

Non-emergent situations such as a planned closure or an individual treatment at another facility after a missed a treatment, or unplanned after hours admissions must be handled according to the current process of admitting a patient.

Medical Record Requirements

Patient Admission Services will collect the required information needed to admit a patient. The Medical Director and the CM/designee will review records, including Hepatitis B status prior to admission.

At a minimum, the required documents to admit a patient include:

- History and Physical or nephrology consult note or discharge summary or the most recent physician progress note
- Hepatitis B panel (HBsAg, anti-HBs, anti-HBc)
 - If unable to obtain full panel:
 - For patients new to dialysis: at a minimum a Hepatitis B surface antigen (HBsAg) result obtained within 30 days prior to the admission date

Patient Admission Policy

- For transient or transfer patients: All patients must have a documented hepatitis B antigen (HBsAg) **or** antibody (HBsAb) result prior to admission to the facility. HBsAg results must have been reported within 30 days of admission. If the patient has hepatitis antibodies (HBsAb), the results must have been reported within the past 12 months. Any discrepancies or questions related to admitting a patient and/or a patient’s hepatitis results should be reported by the Clinical Manager to their Corporate Clinical Quality Manager.
 - Current medication list and allergies
 - Dialysis orders or the last treatment sheet
 - For transients/travelers only: A PPD test or Chest X-ray within 1 year

NOTE: On occasion, admitting facilities request additional medical information over the minimum required documents listed above. Patient Admission Services will attempt to get this information. However, inability to provide this information by the referring facility will not affect the admission of the patient.

**Patients with
Prior
Behavioral
Issues**

A referred patient who has exhibited behavioral issues in the hospital, at another FKC or non-FKC facility or during the admission process, and could be a threat to the health and safety of patients or staff may be denied admission to the dialysis facility.

The decision to admit a patient who has exhibited behavioral issues shall be made by the facility management in collaboration with the patient’s attending physician and the Medical Director.

**Who is
authorized to
Sign**

Patients must have the mental capacity/competency to consent to treatment and sign admission forms in order for treatment to be given in the facility, except as described below. The facility staff cannot make determinations

Admission Documents? regarding mental capacity and competency and must presume competence unless a physician has declared the patient incompetent.

If a patient has been deemed by a physician to lack the mental capacity/competency to consent to treatment, a Legally Authorized Person may consent to the patient’s treatment and may sign the admission forms.

NOTE: State laws vary on who may consent to treatment on the patient’s behalf if the patient lacks capacity or competency to consent.

In some states, family members or persons permitted by state law may consent to the patient’s treatment and sign the admission forms even if such persons do not hold a power of attorney for healthcare or healthcare proxy as the Law Department will determine.

For purposes of this Policy, a ‘Legally Authorized Person’ is as follows:

- a) The patient’s legal guardian or someone who holds a valid power of attorney for healthcare/healthcare proxy or who may sign on behalf of the patient under state law as determined by the Law Department.
- b) A parent or legal guardian if the patient is a minor.

NOTE: If there is any doubt the person is authorized to sign admission forms, contact the Law Department.

Patient Appears Unable to Consent for Treatment

If a patient comes for his or her first treatment and does not appear to have the mental capacity/competency to sign the admitting documents, the nurse:

- must notify the patient’s attending physician of the patient’s perceived incapacity to understand and his/her inability to consent, and
- Should seek confirmation whether a medical determination of incompetency or lack of capacity has been made in the medical record consistent with state law.
- If the patient is deemed incompetent by the physician, the staff should attempt to contact any emergency contacts listed on the patient’s admission paperwork in an attempt to find a family member who can

- Provide proof of guardianship/power of attorney for healthcare or healthcare proxy (which must be provided at the time of admission, prior to treatment being provided), or
 - Assist in providing valid consent to treatment, if permitted under state law, or who can obtain legal authority/guardianship to represent the patient.
 - The patient cannot be dialyzed if:
 - The patient has been deemed by a physician to be incompetent or to lack mental capacity consistent with state law, and
 - The patient does not have an appropriate legal guardian or an agent with a valid healthcare power of attorney or healthcare proxy, and
 - The law department determines that state law does not permit family members to give consent.
-

Required Documents That Must Be Signed Prior to First Dialysis Treatment

The Clinical Manager or designee will conduct an admission interview with all new patients.

The following documents must be reviewed with and signed by the patient and/or the patient's Legally Authorized Person before or at the patient's first scheduled dialysis treatment:

- Admission Agreement
- Assignment of Benefits
- Consent for Dialysis
- Medicare Secondary Payor Questionnaire (MSPQ)
- Fresenius Rx Agent Designation form
- Consent to Receive, Use and Disclose Health Information for Treatment, Payment and Health Care Operations form
- Spectra form
- Notice of Privacy Practices\Acknowledgment of Notice of Privacy Practices

**Approved
Forms of
Identification**

Patient Admission Services will request the referring facility to provide 1 photo ID for the referral. Upon placement at the facility, staff will request 2 forms of identification. . The two forms of ID must be provided within 6 treatments.

The two forms of identification can be:

A driver’s license, a state issued identification card, a passport, insurance cards or a birth certificate. (These documents will be copied and maintained in a separate folder for each patient. When the patient is discharged they will be placed in the closed medical record.)

- Failure to produce the required identification may result in discharge from the facility.
 - If the patient does not bring in the required documents within 6 treatments, the Clinical Manager or Director of Operations must notify the RVP. Continuing to provide dialysis treatments will be dependent on regulatory review, reimbursement review, and Regional Vice President approval.
-

Patient Rights and Responsibilities Policy

Patient Rights and Responsibilities

Purpose To comply with Federal Regulations that require dialysis facilities to:
 Educate staff regarding the rights of dialysis patients.
 Inform and educate all dialysis patients about their rights and responsibilities as a patient at the dialysis facility.
 Ensure that patients’ rights are respected and protected by the facility.

Responsibility The FMCNA Patient Rights and Responsibilities patient brochures may be distributed to patients by any FMS staff. Additional information or discussion must be provided by the Nurse or Social Worker.

All facility staff are responsible for ensuring that patients’ rights are respected and protected by the facility.

Conditions for Coverage: Patients’ Rights The Conditions for Coverage, §494.70 Condition: Patients’ Rights require dialysis facilities to inform patients or their representatives of their rights (including their privacy rights) and responsibilities when they begin their treatment and must protect and provide for the exercise of those rights. Patients’ rights as stated in the Conditions for Coverage:

- The patient has the right to –
1. Respect, dignity, and recognition of his or her individuality and personal needs, and sensitivity to his or her psychological needs and ability to cope with ESRD;
 2. Receive all information in a way that he or she can understand;
 3. Privacy and confidentiality in all aspects of treatment;
 4. Privacy and confidentiality in personal medical records;
 5. Be informed about and participate if desired, in all aspects of his or her care, and be informed of the right to refuse treatment, to discontinue treatment, and to refuse to participate in experimental research;
 6. Be informed about his or her right to execute advance directives, and the facility’s policies regarding advance directives;
 7. Be informed about all treatment modalities and settings, including but not limited to transplantation, home dialysis modalities (home

- hemodialysis, intermittent peritoneal dialysis, continuous ambulatory peritoneal dialysis, continuous cycling peritoneal dialysis), and in-facility hemodialysis. The patient has the right to receive resource information for dialysis modalities not offered by the facility, including information about alternative scheduling options for working patients;
8. Be informed of facility policies regarding patient care, including, but not limited to isolation patients;
 9. Be informed of facility policies regarding the reuse of dialysis supplies, including hemodialyzers;
 10. Be informed by the physician, nurse practitioner, clinical nurse specialist, or physician's assistant treating the patient for ESRD of his or her own medical status as documented in the patient's medical record, unless the medical record contains a documented contraindication;
 11. Be informed of services available in the facility and charges for services not covered under Medicare;
 12. Receive the necessary services outlined in the patient plan of care;
 13. Be informed of the rules and expectations of the facility regarding patient conduct and responsibilities;
 14. Be informed of the facility's internal grievance process;
 15. Be informed of external grievance mechanisms and processes, including how to contact the ESRD Network and the State survey agency;
 16. Be informed of his or her right to file internal grievances or external grievances, without reprisal or denial of services; and
 17. Be informed that he or she may file internal grievances or external grievances personally, anonymously or through a representative of the patient's choosing.
 18. Be informed of the facility's policies for transfer, routine or involuntary discharge, and discontinuation of services to patients;
 19. Receive written notice 30 days in advance of an involuntary discharge, if discharge is justified and not due to an immediate threat to the health and safety of others.

Patient Rights and Responsibilities

Policy All patients and/or their representatives will be informed of their rights (including privacy rights) and responsibilities.

Patient rights and the ability to exercise these rights must be protected by the facility.

The FMCNA Patient Rights and Responsibilities brochure explains the rights patients can expect to have while receiving treatment at this facility. The brochure also provides guidance as to certain responsibilities that are expected of the patient.

Each patient will be informed of their rights and given a copy of the FMCNA Patient Rights and Responsibilities within the first six (6) treatments in the facility. More in-depth discussions with patients about their rights and responsibilities are expected. These discussions may occur over a longer period of time.

Facilities should ensure that this information is provided to patients in a manner they can understand. For example, providing the FMCNA Patient Rights and Responsibilities brochure in the patient’s primary language or having it interpreted based on assessment of the patient’s language and reading preferences, or enlisting the aid of communication aids or interpreters for patients who are blind or have low vision, or are deaf or hard of hearing.

Dialysis facilities must prominently display a copy of the patient’s rights in a visible and accessible area in the facility and must include contact information for the State survey agency and ESRD Network.

The FMCNA Patient Rights and Responsibilities brochures are available in English and Spanish. They may be purchased from the FMS Marketing Online Ordering Center. Audio versions in English and Spanish may also be ordered through the FMS Marketing Online Ordering Center.

Patient Rights and Responsibilities

Policy: Patients have the right to privately discuss their condition and treatment.
Privacy Rights There should be ready access to a room in the facility where patient and/or family meetings may be held in private.

Patients have the right to privacy during activities that may require the exposure of private body parts while in the dialysis facility. Privacy screens or curtains may be used to provide privacy. Blankets may also be used as long as staff are able to observe the patient’s vascular access, bloodline connections, and face at all times.

Patients or their representatives must be provided unbiased education about transplantation and all dialysis treatment options regardless of whether these options are available in the current facility.

Failure to Protect Patients’ Rights Evidence of failure to treat patients with respect and dignity, provide an opportunity for private communication, or prevent exposure of private body areas resulting in emotional discomfort for the patient, and evidence that cognizant patients/designees are not aware of their options for treatment or available grievance mechanisms could result in the facility receiving a Condition level citation.

Patient Rights and Responsibilities List

FMCNA Patient Rights

YOU HAVE THE RIGHT TO:

- **Information that is Easy to Understand**
- **Care that is Respectful**
- **Help Make Decisions about Your Care**
- **Privacy and Confidentiality**
- **Clear Information about Facility Policies**
- **Make a Complaint, and Receive a Response**

What rights do you have?

The Fresenius Medical Care staff is committed to working with you and your family to meet your health care needs. Our goal is for you to have the same care and attention we would want for ourselves.

This list of rights explains some of the basics about how you can expect to be treated in our facility.

You have the right to:

Information that is easy to understand

- Receive information about dialysis in a way that is easy to understand.
- Assistance in helping you choose healthy behaviors that will improve your health and well-being.
- Receive clear answers to your questions.
- Have an interpreter if you can't hear or understand your care team.

Care that is respectful

- Be protected from discrimination and or harassment based on race, color, national origin, sexual orientation, gender identity, disability, age, sex and religion.
- Be treated with dignity, consideration, respect and full recognition of your individuality and personal needs. This includes sensitivity to your psychological needs and ability to cope with ESRD.
- Say “no” and report staff that ask you to engage in personal or financial relationships, without fear of retaliation.

Help make decisions about your care

- Be informed about your care and have the opportunity to participate in all aspects of your care, if you wish.
- Involve family members in making decisions about your care, if you desire.
- Be informed about the treatment options available to you and the right to change your treatment option after discussion with your physician.
- Be informed about dialysis treatment options or schedules not provided by this facility. Ask your Clinic Manager or Social Worker about scheduling options for working patients.
- Decide if you want to be part of any available research studies.
- Accept, refuse or stop any treatment that is prescribed for you.
- Be informed about your medical status by the physician, nurse practitioner, clinical nurse specialist or physician’s assistant treating you, unless there is a documented reason for not giving this information.
- Receive all services as decided by you and the healthcare team in your plan of care.

- Know that Fresenius Medical Care does not reuse dialysis supplies, including hemodialyzers.
- Be told about and receive information about advance directives, and how the facility will carry out your wishes regarding your advance directives.

Privacy and confidentiality

- Privacy and confidentiality in all aspects of treatment. This includes
 - the right to privately discuss your condition
 - the right to privacy during activities that may require the exposure of body parts while in the dialysis facility. Privacy screens, curtains, or blankets that do not cover your face or access, may be used to provide privacy.
- Privacy and confidentiality in your personal medical records. These rights and FMCNA's privacy practices are more fully explained in our Notice of Privacy practices. A copy of the Notice of Privacy Practices is given to patients upon admission, is posted in this facility, and is available upon request at any time.

Clear information about facility policies

- Be told what services are available in the facility.
- Be given information about charges that may be billed to you if they are not covered by insurance or Medicare.
- Be informed of facility policies regarding patient care, including policies about visitors, eating and restroom use during treatment, isolation of patients with infectious disease, and conditions for transfer or discharge from the facility.
- Be informed that a two week notice is expected when requesting discharge from the facility to give staff an opportunity to:
 - Ensure continuity of care for transfer.

- Resolve any issues before a final decision to transfer from the facility is made
- If you do not agree to a two week notice, the staff will assist you to transfer at your requested time frame.
- You may not be discharged from the facility unless:
 - you or your insurer no longer reimburses the facility for the ordered services, your insurer materially reduces the amount of reimbursement originally agreed upon with the facility, or if the facility is unable to confirm with your insurer, before you are admitted, what the actual payment for services provided to you will be and, your insurer then reimburses facility at an insufficient rate relative to historical commercial insurer payment rates for the ordered services.
 - the facility ceases to operate.
 - transfer is necessary for your welfare or because the facility can no longer meet your medical needs, or
 - your behavior is disruptive and abusive such that it affects the safety and welfare of others.
- Be given a 30-day notice of discharge, unless there is an immediate threat to the health and safety of others and discharge must be made sooner.

Make a complaint, and receive a response

- Be informed about how to make a complaint through the facility, the ESRD Network or State Survey Agency.
- Make a complaint, verbally or in writing.
- Make a complaint yourself, anonymously or through a representative of your choice, through the Grievance Procedure without fear or concern that services will be affected.

FMCNA PATIENT RESPONSIBILITIES

You Have the Responsibility to:

- **Speak Up to Help Us Protect Your Health and Safety**
- **Actively Participate in Your Care Plan**
- **Choose Healthy Behaviors**
- **Get Your Full Dialysis Treatment**
- **Be Considerate of Other Patients and Staff**
- **Provide Updated Information to Staff**
-

What Responsibilities Do You Have?

You are the most important person on your health care team. This is because a lot of what determines how well you feel and the quality of your life depends on the daily decisions that you make.

You have the responsibility to:

Speak Up to Help Us Protect Your Health & Safety

- Tell the staff if you don't understand your treatment plan or any instructions.
- Tell the staff if something doesn't feel or look safe, or right.
- Involve your family or significant others in your care, when needed.
- Inform the staff if you have had health problems since your last treatment.
- Actively participate in your plan of care.

Choose Healthy Behaviors

- Take charge of your healthcare, to the best of your ability.
- Learn as much as you can about your healthcare needs.
- Cooperate, to the best of your ability, with your diet, medication, and dialysis treatment plans.
- Take care of, protect, and learn about your dialysis access - it's your lifeline!
- For your safety, make sure your face and dialysis access are uncovered and visible to staff at all times during your treatment.
- **Call the Fresenius Medical Care Disaster Line (1-800-626-1297)** if a disaster occurs and you cannot reach your facility.

Get Your Full Dialysis Treatment

- Tell the staff if your treatments are so uncomfortable that you will be unable to complete or attend your treatments. They will try to help.
- Arrive on time for your treatments or clinic visits.
- Let the staff know as early as possible if you are going to be late or miss a treatment or appointment and reschedule.
- Arrange transportation to and from treatment. Inform staff right away if your transportation needs change.
- Make sure you have a backup transportation plan in case you need it.
- For your safety, arrange to have someone with you when you come to dialysis, if you need help getting into or out of your vehicle or in and out of the facility. Staff are strongly discouraged from leaving the facility to assist an arriving or departing patient. Leaving the facility to assist a patient outside could result in a health or safety risk to the employee, the patient being assisted and/or other patients in the treatment area.

Be Considerate of Other Patients and Staff

- Respect the personal rights and property of other patients & staff.
- Maintain the confidentiality of any information you witness or hear while in the facility. This includes:
 - Not recording, writing down or discussing the personal health information or other confidential information of other patients.
 - Not using any form of photography, video or audio recordings of any kind anywhere within the facility.
 - Follow the rules of the facility that have been developed to provide protection, safety, and quality care to all patients.
 - Behave appropriately. This means not acting in a way that makes other people in the clinic uncomfortable or afraid for their safety, such as threatening, cursing, yelling, using sexually suggestive words, or inappropriate touching.
 - Understand that patients and/or visitors may not solicit or distribute for any purpose on FKC premises (including FKC clinics and the waiting area of such clinics), unless approved, in advance, by the FKC Compliance Officer and/or FMCNA human resources.
 - Understand that weapons of any kind are not allowed in the facility. This means not bringing any items that can be used as a weapon. Bringing weapons to the facility or making threats against others or the facility may be grounds for immediate dismissal from the facility.
 - Understand that alcoholic beverages or illicit (street) drugs are not allowed in the facility. Patients who come to dialysis under the influence of these substances put themselves at a health risk and may require hospitalization or police involvement.
 - Make sure your visitors follow the same rules as patients.

Provide Updated Information to Staff

- Notify the facility if you have a new address or contact information.
- Inform the facility right away if you obtain new insurance coverage or there are any changes in insurance.
- Inform the facility if you decide to receive dialysis at another facility or stop dialysis.

Remember: By taking advantage of your rights and fulfilling your responsibilities, you may be able to improve your health and the quality of your life.

Pro Forma Assumptions

Patient Volumes

Utilization projections, including the assumptions used to derive the forecasts, are presented within the main text of the application

It is assumed the number of treatments per patient is 144/year. There is an adjustment in 2021 to reflect only partial year of operations during the forecast time period.

Revenues

In-center revenues are based on three closest clinics' (Mt. Rainier, Tacoma East, Puyallup) CY2018 experience ("actuals"). Payer mix statistics have also been obtained from actuals for the most recent calendar year. Revenues are calculated by payer and treatment. Bad debt and charity care are subtracted from revenues to yield net revenue figures.

Charity Care

Calculated at 0.88% of revenue based on the experience of Fresenius' facilities in Washington State.

Bad Debt

Calculated on a per treatment basis from actuals.

Expenses

Unless otherwise noted, expenses have been calculated on a per treatment basis based actuals.

Personnel expenses are based on identified patient to staff ratios and incorporates a 10% non-productive factor. Wage figures have been compiled from actuals at the three closest clinics

Depreciation is straight-line; assumes 10 years on leaseholds and 8 years on equipment.

Rent Expense: rates for Lease Years 1-5 presented in Section 3.1 of the lease. Please note that in 2021 \$80K in tenant improvement allowance are included as rent credits beginning at rent commencement. Exhibit C mentions landlord will reimburse tenant \$80K in TIA. However, this is included as rent credits/reimbursement at operations, not start-up, because Lease Exhibit C specifies condition for landlord reimbursement of TIA is contingent on "Tenant shall be open for business in the Leased Premises". Because partial year 2021 is only three months at \$68K total in base rent, and with \$14K in holding fee rebate remaining (see Other Expense (Startup) below), there is a remaining \$26K in the TIA remaining and applied to 2022 base rent.

Other Property Exp includes common area maintenance ("CAM"), allocated taxes, and insurance costs. Estimated at 16.8% of base *Rent Expense* based on 2018 experience of three closest clinics

Physician Compensation: see Section 3.1 of the MDA

Other Expense (Startup): primarily from (1) six months of lease payments (and other property expenses) prior to operations, as lease commencement is anticipated to be mid-September 2020 and (2) 12 months of holding fees (\$12,500 per month per section 29.27 of Lease). \$136,000 of the \$150,000 holding fees are rebated to lease payments. However, the remaining \$14,000 is rebated to base rent in 4Q2021.

Exhibit 9.
Medical Director Agreement

Medical Director Agreement

RVS, PLLC

This Medical Director Agreement ("**Agreement**") dated as of the last date of signature by a party hereto ("**Effective Date**"), is between Renal Care Group Northwest, Inc., a Delaware corporation ("**Company**"), RVS, PLLC, a resident of or business entity organized in Washington ("**Consultant**"), and for the limited purposes stated herein, Member Physicians who become parties hereto from time to time. This Agreement memorializes the terms on which Consultant has agreed to provide Medical Director Services to certain Dialysis Operations of Company.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be bound hereby, the parties hereto agree as follows:

Capitalized terms used herein and not otherwise defined shall have the meanings set forth on **Exhibit A**.

1. **ENGAGEMENT.** Company hereby engages Consultant to provide Medical Director Services to the Dialysis Operations, and Consultant agrees to provide such Medical Director Services on the terms and conditions set forth herein.

2. **TERM.** The term of this Agreement shall begin on the Effective Date, and shall continue for five (5) years from the Commencement Date unless sooner terminated as provided herein.

3. **COMPENSATION.**

3.1 **Fee.** During the term of, and subject to, this Agreement and commencing as of the date on which the first patient of the Dialysis Operations is treated or trained, whichever occurs first (the "**Commencement Date**"), Company shall pay Consultant based on the rates ("**Fee**") as set forth below. Any rates described as an annual rate shall be prorated for partial years and shall be payable in equal monthly installments. All Fees shall be payable in arrears on or before the last day of each month.

Facility/Program Information		
Facility/Program ID	Facility/Program Name	Annual Compensation

	Green River	\$65,000.00

3.2 Adjustments.

3.2.1 Upon any Partial Termination, the Fee shall be reduced by the Fee amount specifically allocated to the Dialysis Operation to which the Partial Termination applies, or if no such specific allocation is provided herein, by an amount that reflects the reduction in workload of Consultant due to the Partial Termination as agreed by the parties. Upon any Temporary Suspension, the Fee may be reduced as agreed by the parties to reflect the reduction in workload and subject to a maximum reduction equal to the Fee amount specifically allocated to the Dialysis Operation to which the Temporary Suspension applies. If, as of the first Fee payment due date after a Partial Termination or Temporary Suspension, the parties are required hereunder to reach agreement on the Fee reduction but have not agreed, Company may reduce the Fee by an amount determined by it and such amount shall be held as cash reserves until such time as the parties agree. Company may make adjustments to the payments due to Consultant hereunder at any time to true up any adjustments in the Fee permitted hereunder.

3.2.2 In addition, the obligation to pay the Fee or a portion thereof related to the applicable Dialysis Operation may be temporarily suspended and not paid or accrued for any period of time during which a substitute Medical Director is required to be designated and approved hereunder but is not actually designated or approved and providing services.

3.3 General. The parties agree that the Fee payable hereunder shall be in consideration for all services to be provided hereunder and all covenants herein including, but not limited to, the restrictive covenants set forth in **Section 6**. The parties represent that, as of the date this Agreement is signed, the Fee is fair market value for services rendered based upon arm's length bargaining and is consistent with the value of similar services. Furthermore, the parties represent that the Fee is not and has not been determined in a manner that takes into account the volume or value of any referrals or business otherwise generated between the parties for which payment may be made in whole or in part under any other public healthcare program. Upon receipt by Company from Consultant of W-9 (available at www.irs.gov) and wire transfer instructions (form available in Medical Director Handbook), Company shall pay the Fee by wire transfer pursuant to such instructions. To the extent otherwise unpaid and overdue, Company may deduct from the Fee the fair market value of Company space, facilities, supplies, equipment, staff time or any other item or service actually utilized by Consultant or any of its affiliated physicians for any purpose not reasonably related to the performance of Medical Director Services hereunder. Consultant represents and warrants to Company that its affiliated physicians, if any, are not compensated by Consultant based on the volume or value of their referrals to any Dialysis Operation. Consultant

also represents and warrants to Company that Consultant has not been formed for the sole purpose of entering into this Agreement.

4. OBLIGATIONS OF CONSULTANT.

4.1 Initial Designation and Qualifications of Medical Directors

4.1.1 *Designation.* Consultant shall designate a physician at each Dialysis Operation who shall perform the Medical Director Services on behalf of Consultant at such Dialysis Operation and who shall be deemed the Medical Director for such Dialysis Operation; provided, however if Consultant party to this Agreement is an individual, such individual shall be the Medical Director. Consultant acknowledges and agrees that if a Facility has different designated Medical Directors for the in-center and home dialysis programs operated at or administered by same Facility, the Medical Director of the home dialysis program shall report to the Medical Director of the in-center dialysis program from which the home dialysis program is administered and that the Medical Director of the in-center program shall be accountable for all Medical Director Services rendered for such Facility and shall be deemed the Medical Director of such Facility for regulatory purposes. At all times, each physician designated as a Medical Director, and each physician providing coverage for a Medical Director in accordance herewith, (a) shall at all times meet the requirements of this **Section 4** when providing services hereunder, (b) shall be designated in writing in advance and (c) shall be subject to Company's prior written approval. Company hereby approves the initial Medical Director designations set forth on **Exhibit B**. Consultant agrees that no single physician shall serve as Medical Director at more than two (2) Facilities at any given time unless an exception is approved in advance, in writing, by the Chief Medical Officer (or his designee) of Fresenius Kidney Care.

4.1.2 *Coverage.* If unavailable, the Medical Director shall arrange for coverage by a physician who meets the requirements hereunder and shall provide the Director of Operations/Area Manager and the Clinical or Facility Manager with prior notice as to the physician providing such coverage and the duration of such coverage. A Medical Director shall not be required to devote the entire working day to duties hereunder (with the exception of on-call responsibilities), but will continue the practice of medicine independently of Company.

4.1.3 *Qualifications.* Each Medical Director and any physician providing coverage for a Medical Director shall at all times meet of the following requirements unless waived in writing by Company:

- a. Remain licensed as a physician in the state in which the Dialysis Operation is located.
- b. Remain board certified in nephrology, internal medicine, pediatrics or pediatric nephrology (or to the extent that board certification procedures are suspended as a general matter, remain involved in a board recertification process), have completed a board-approved training program in nephrology and have at least twelve (12) months of experience providing care to patients receiving dialysis.

c. Remain a member in good standing of the Medical Staff of the Facilities at which physician is providing Medical Director Services.

d. Remain a member in good standing of the Medical Staff of, and maintain privileges (at a minimum, courtesy/guest privileges) at, the hospital at which Company operates any Inpatient Services Programs.

e. Maintain a current registration with the Drug Enforcement Administration and a current state controlled substances registration (or equivalent), as applicable.

f. Maintain malpractice insurance required hereby.

g. Not be excluded, suspended, sanctioned or otherwise restricted from participating in any public healthcare program.

h. Satisfy Legal Requirements regarding the qualifications of a medical director and remain otherwise qualified to act as a medical director of a Dialysis Operation that is certified to participate in public healthcare programs.

i. Be a party to this Agreement as a Member Physician pursuant to a written instrument substantially in the form attached hereto as (the "**Joinder Requirement**").

j. Comply with the Company's medical director training requirements and any additional requirements applicable to physicians as may be required for the Dialysis Operation to maintain required state licensure, certification or its equivalent.

k. Maintain any additional requirements as a physician as may be required for any Inpatient Services Programs so that the program operates consistently with the accreditation and other standards of The Joint Commission or other accrediting body.

4.2 Substitute Medical Director.

4.2.1 If a Medical Director (a) is indicted for any felony or any violation of a federal or state health care law; (b) fails to meet any of the requirements set forth in this **Section 4**; or (c) ceases to have Member Physician status, Consultant shall immediately notify Company and, whether or not such notice is provided, Company may immediately terminate such physician's designation as Medical Director by written notice. Consultant shall, as of the date of such termination, designate a new Medical Director who meets the requirements set forth in this Agreement.

4.2.2 If a Medical Director is unavailable to serve as Medical Director for a period greater than one (1) month, or such shorter time as Company in its reasonable discretion determines may affect the quality of care provided at a Dialysis Operation, then Company may terminate such physician's designation as Medical Director upon five (5) business days' prior notice to Consultant, and Consultant, within that same five (5) business day period, shall designate a new Medical Director who meets the requirements set forth in this Agreement. The provisions of this paragraph do not modify or relieve Medical Director of obligations under Section 4.3.2, and

Medical Director is obligated to provide coverage in accordance with this Agreement during periods of absence.

4.2.3 With Company's prior written approval, Consultant may designate a temporary Medical Director ("**Temporary Medical Director**") for a Dialysis Operation to serve in the role on such terms as agreed by Company. A Temporary Medical Director shall be considered a Medical Director and a Member Physician for all purposes under this Agreement, except as otherwise expressly set forth herein. Each Temporary Medical Director shall at all times meet the requirements set forth in this **Section 4** when providing Medical Director Services and all services provided by a Temporary Medical Director shall be in accordance with this Agreement.

4.3 Medical Director Services.

Medical Director shall provide the Medical Director Services for the Dialysis Operations for which he or she is appointed Medical Director in accordance with this Agreement. Consultant and Medical Directors shall devote best efforts, skill and sufficient time to carry out the requirements of this Agreement and to promote continuous improvement and high quality professional care within the Dialysis Operations. Medical Director Services include those duties and responsibilities set forth in and in conformity with the provisions of (a) this Agreement, (b) Legal Requirements, (c) Policies and (d) Governing Body resolutions. In addition, a Medical Director shall:

4.3.1 Coordinate the provision of Medical Director Services with FMCNA's Medical Office and shall communicate regularly with its applicable Chief Medical Officer and the members of Medical Advisory Boards. The coordination of services and communication may include, without limitation, participation in conference calls, medical director training sessions and meetings subject to expense reimbursement by FMCNA in accordance with the Policies.

4.3.2 Be available during all hours of operation of the Dialysis Operations for visits to and consultation regarding the Dialysis Operations and be on-call and working such additional time at or away from the Dialysis Operations as necessary to fulfill Medical Director's responsibilities under this Agreement, it being understood that a Medical Director needs to be available by phone and in person, as needed, at all times. Consultant shall provide to Company an updated e-mail address, mobile phone number and other relevant information so that, at all times, Company has accurate contact information for each Medical Director. Consultant shall ensure that each Medical Director checks e-mail regularly.

4.3.3 Complete initial compliance and privacy training (if not already completed prior to the execution of this Agreement), within the timeframe established in the Company's compliance program and complete supplemental compliance training during each subsequent year of the term of this Agreement. If any Medical Director fails to complete the compliance training, Company may retain the Fee until such time as every Medical Director providing services hereunder completes the required training. Once every Medical Director has completed the required training, Company shall pay Consultant the retained Fee with the next payment of Consultant's regular installment of the Fee.

4.3.4 Cooperate and, in a timely manner, provide information regarding Dialysis Operations and the Medical Director Services as Company may request: (a) in connection with administration of the Dialysis Operations, (b) in connection with implementation of this Agreement and confirmation of the compliance by Consultant and Member Physicians with their obligations hereunder, and/or (c) for Company's use in submissions to Authorities, including without limitation cost reports to CMS. Consultant and Medical Directors represent and warrant that all such information and/or disclosures shall be truthful and accurate to the best of their knowledge. If Consultant or any Medical Director fails to provide in a timely manner all information required under this paragraph, Company may retain the Fee due Consultant hereunder until such time as the information is provided. Once the information is provided, Company shall pay Consultant the retained portion of the Fee with the next payment of Consultant's regular installment of the Fee.

4.3.5 Neither Consultant nor any Medical Director nor any Member Physician shall participate in, directly or indirectly, or permit others to conduct, any clinical research study ("Study") at a Dialysis Operation without first obtaining the prior express written approval of Company. Any Study conducted with respect to any Inpatient Services Program must also be approved by the applicable hospital and conducted consistent with such hospital's policies. If Company approves such Study, which approval shall be at Company's sole and absolute discretion, Consultant, Medical Directors and/or Member Physicians shall conduct such approved Study in accordance with all Legal Requirements, Policies, the Study protocol (which shall also be subject to Company's prior review and approval), and Good Clinical Practice (in accordance with the Guidance for Industry E6 Good Clinical Practice: Consolidated Guidance by the U.S. Department of Health and Human Services, Food and Drug Administration, April 1996 (ICH).

4.3.6 If an Authority finds deficiencies at a Dialysis Operation caused by a Medical Director's failure to satisfy the requirements of a Medical Director pursuant to any Legal Requirement, and such Authority requires the appointment of a physician monitor to assist the Dialysis Operation in achieving compliance with applicable law, Consultant shall pay for the cost of such monitor until the Authority has determined that all such deficiencies are cured.

4.3.7 Consultant hereby represents and warrants to Company that **Exhibit C** hereto sets forth a complete and accurate list of the full names and, as applicable, the National Provider Identifiers ("NPI"), of all of (i) Consultant's and any affiliated medical practice's physician owners, and the immediate family members thereof (i.e., husband or wife; birth or adoptive parent, child, or sibling; stepparent, stepchild, stepbrother, or stepsister; father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law; grandparent or grandchild; and spouse of a grandparent or grandchild) who are a source of patient referrals to Company or FMCNA, a purchaser of items or services from FMCNA that are reimbursable by a federal or state healthcare program, or a seller or lessor to Company or FMCNA of items, including real property, or services for which Company or FMCNA makes claims for reimbursement under any federal or state healthcare program; and (ii) physicians assigned by Consultant to provide Medical Director Services pursuant to this Agreement, and the immediate family members thereof who are a source of patient referrals to Company or FMCNA, a purchaser of items or services from FMCNA that are reimbursable by a federal or state healthcare program, or a seller or lessor to Company or FMCNA of items, including real property, or services for which Company or FMCNA makes claims for reimbursement under any federal or state healthcare program.

Consultant agrees to notify Company, in writing, of additions or deletions to **Exhibit C** within thirty (30) days of such change.

5. OBLIGATIONS OF COMPANY. Except as specifically delegated by this Agreement to Consultant, Company shall retain all management prerogatives and responsibilities as owner of the Dialysis Operations. Without limiting the foregoing, Company agrees (a) to operate the Dialysis Operations in compliance with Legal Requirements, (b) to provide all necessary equipment, personnel, supplies and services (other than medical services) required for the operation of the Dialysis Operations, (c) with Medical Director's assistance as required hereunder, to establish, and implement Policies concerning the administration of the Dialysis Operations, and (d) to provide Consultant with the use of one office at each Facility for the sole purpose of providing Medical Director Services.

6. COVENANTS PROTECTING BUSINESS INTERESTS OF COMPANY.

6.1 Covenant Not to Compete. In consideration of the compensation payable hereunder and in recognition of Company's proprietary interest in its Business, Consultant, Medical Directors and Member Physicians covenant and agree that they shall not, during the Restricted Period, directly or indirectly through Affiliates or otherwise, alone or in association with any person or entity:

a. engage, directly or indirectly, as a principal, owner, co-owner, agent, independent contractor, consultant, advisor, manager, medical manager, landlord, director, officer or employee of or participate in the Control of or otherwise assist or obtain any Financial Benefit from; or

b. take any action in preparation or anticipation of doing any of the foregoing with regard to, any operation, person or entity (other than with Company or any of its Affiliates) that engages or proposes to engage, in the Business in the Restricted Territory. Notwithstanding the foregoing, this Section 6.1 (i) shall not limit Consultant, Medical Directors or Member Physicians from engaging in the practice of medicine and charging fees for administering such professional medical services to patients, (ii) shall not require Consultant, Medical Directors or Member Physicians to admit individuals to, or refer any other business to, any Dialysis Operation, Company or its Affiliates, (iii) shall not require Consultant, Medical Directors or Member Physicians to prescribe, utilize or purchase any items or services from any Dialysis Operation or Company or its Affiliates, and (iv) shall not restrict Consultant, Medical Directors or Member Physicians from admitting individuals to any other facility, program, or entity.

Consultant, Medical Directors and Member Physicians hereby represent, covenant and agree that they do not, and following the Commencement Date of this Agreement shall not, employ, contract, retain, engage, partner or joint venture with any person or entity that receives a Financial Benefit from any person or entity (other than Company and its Affiliates) which engages in the Business anywhere in the Restricted Territory, and that no such person or entity holds, or during the Restricted Period shall hold, a direct or indirect ownership interest in Consultant.

6.2 Covenant Regarding Confidential Information. Consultant and each Member Physician acknowledge that in the course of performing the duties contemplated by this

Agreement, Consultant and each Member Physician will become privy to and/or have access to Confidential Information. Throughout the term of this Agreement and at any time thereafter, Consultant and each Member Physician shall not, and their employees and agents shall not, (a) disclose to any person, firm, corporation or entity any Confidential Information of Company or its Affiliates without the prior written consent of Company, except as may be required by law or legal process or (b) use any Confidential Information except in furtherance of the performance of their obligations owed to Company hereunder. If Consultant or any Member Physician is required by law to disclose any Confidential Information such person shall provide sufficient notice to Company to enable Company to seek a protective order or other appropriate legal or equitable remedy to prevent such disclosure. The provisions of this paragraph shall not prohibit any disclosure of information to the extent (i) such information is or becomes publicly available or obtainable from independent, nonconfidential sources and not in breach of any party's obligations hereunder or any third person's obligations owed to Company or its Affiliate, (ii) such information is required to be disclosed by law or by Authorities having jurisdiction over the disclosing party, (iii) such information was known by a disclosing party prior to any disclosure by Company hereunder and without any breach of an obligation owed to any person, or (iv) disclosure is necessary for a disclosing party to enforce any or all of its rights under this Agreement.

6.3 Improvements to Company's Services and Products. Consultant and each Medical Director and Member Physician hereby assign to Company or its designated Affiliate all rights, title and interest to any improvements or inventions related to Company's procedures, documents, products or services that it/he/she authors, discovers, designs, or perfects in the course of their work under this Agreement and hereby agree to execute such other documentation as Company or its designated Affiliate may reasonably require to confirm such assignment.

6.4 Nonsolicitation Covenant. During the Restricted Period, Consultant and each Medical Director and Member Physician agree not to, directly or indirectly, by or for themselves, as agent of another, or through others as their agent, (a) interfere with Company's relationship with any patient, employee, independent contractor, referral or reimbursement source, supplier, insurer or other payor (a "Constituent"), (b) induce any Constituent to terminate, reduce or otherwise modify its relationship with Company or its Affiliates or (c) solicit any Constituent for any such purpose; provided however, to the extent any Member Physician practices medicine, nothing herein shall restrict the clinical medical advice provided by any Member Physician to patients, nothing herein shall restrict any Member Physician from meeting ethical obligations owed to patients with regard to continuation of care, and each Member Physician is expressly permitted to fulfill such ethical obligations. Each Member Physician acknowledges that patients treated by Company are patients of Company and that Company has a legitimate and enforceable interest in retaining the goodwill of its business through the retention of its patients to the extent that their clinical needs can be fully met through Company resources.

6.5 Joinder Requirement for Member Physicians. Consultant shall cause each Member Physician upon the execution of this Agreement or on the date that such physician becomes a Member Physician, whichever is later, to execute this Agreement as a Member Physician or to execute a Joinder Agreement substantially in the form attached hereto as **Exhibit D** (the "**Joinder Requirement**"). Notwithstanding the foregoing restriction, Consultant shall not be precluded from engaging the services of a locum tenens physician or other similar physician on a periodic and infrequent basis so long as such physician does not provide services for or on behalf of

Consultant under this Agreement. The parties hereby acknowledge Company does not in any way encourage or support Consultant's placing limitations or restrictions (in employment agreements or otherwise) on providers or entities to whom Consultant's employed or affiliated physicians may refer patients or other business.

6.6 Former Member Physicians. Any Member Physician who ceases to be a Member Physician during the Restricted Period shall be deemed a "**Former Member Physician.**" Each Member Physician agrees that, if he or she becomes a Former Member Physician, the provisions of **Section 6** shall still apply to such physician as if he or she were still a Member Physician. Notwithstanding the foregoing, the parties agree that, if a Member Physician becomes a Former Member Physician, then so long as no more than one Member Physician has become a Former Member Physician within the previous year, **Sections 6.1** and **6.4** of the Agreement shall only apply to such physician until the earlier of (a) expiration of the Restricted Period under the Agreement, or (b) two (2) years after the date on which such physician becomes a Former Member Physician. Company and each Member Physician agree that if such physician violates the covenants contained in this **Section 6** while he or she is a Former Member Physician, the Restricted Period applicable to the Former Member Physician shall be extended automatically for an additional period equal to the period from the date on which such violation commenced (x) until the date on which the Former Member Physician ceases such violation, or (y) through and including the date of the final determination of a court that Former Member Physician did violate such restrictions. Such extension of the term of the Restricted Period shall be in addition to, and not in lieu of, any other remedies available to Company.

6.7 Notice Obligations. If, during the term of this Agreement, Consultant (which term for purposes of this **Section 6.7** includes Consultant's Affiliated Medical Practice if Consultant has an Affiliated Medical Practice) or any of its owners desires to (a) effect a Change of Control or (b) be a participating provider or otherwise contract as a clinical provider to provide physician services within or to a Provider Network that services a patient population that is likely to include patients within the Restricted Territory, Consultant shall give Company written notice prior to engaging in any third party negotiations regarding such arrangement.

6.8 Nondisparagement. During the Restricted Period, Consultant and each Member Physician agree to take no action which is intended, or would reasonably be expected, to harm Company or its Affiliates or their reputations or which would reasonably be expected to lead to unwanted or unfavorable publicity to Company or its Affiliates; provided, however, that nothing herein shall restrict any communications between physicians and their patients regarding their clinical care.

6.9 Remedies; Survival. Consultant and each Member Physician have carefully considered the nature and extent of the restrictive covenants as described in this **Section 6** (collectively, "**Restrictive Covenants**"). Consultant and each Member Physician hereby acknowledge and agree that the Restrictive Covenants (a) are reasonable with respect to time, scope and territory, (b) are reasonable and necessary for the protection of the legitimate business interests of Company and its Affiliates and (c) are designed to eliminate competition which otherwise would be unfair to Company and its Affiliates, (d) will not prevent Consultant or each Member Physician from practicing medicine or nephrology in the community where they currently

practice, (e) do not confer a benefit upon Company and its Affiliates disproportionate to the detriment to Consultant or Member Physician and (f) are not designed or intended in any manner to influence or impact the referral of healthcare business to Company or its Affiliates. Consultant and each Member Physician acknowledge and agree that (x) irreparable injury will result to Company and its Affiliates if Consultant or Member Physician breaches any of the terms of the Restrictive Covenants, and (y) upon any actual or threatened breach of any Restrictive Covenant, Company and its Affiliates will have no adequate remedy at law and they shall be entitled to injunctive and other equitable relief, without bond and without the necessity of showing actual monetary damages, including without limitation, immediate temporary injunctive relief. Nothing contained herein shall be construed as prohibiting Company and its Affiliates from pursuing other remedies available to them for such breach or threatened breach, including, but not limited to, the recovery of monetary damages. If a court of competent jurisdiction determines that any portion of the Restrictive Covenants are unreasonable, then restrictions contained in the Restrictive Covenants shall be reduced and any other modifications shall be made by the court to the extent necessary for this **Section 6** to be enforced by the court. The provisions of this **Section 6** shall survive the expiration or termination of this Agreement.

6.10 Code of Conduct. Consultant and each Member Physician acknowledge having received a copy of FMCNA's Code of Conduct and understand that the Code of Conduct as amended is applicable to Consultant, each Member Physician, Medical Directors and the provision of Medical Director Services hereunder. Each Medical Director and each Member Physician shall complete promptly any reasonable certification regarding the Code of Conduct as requested by Company or Company.

6.11 Anti-Corruption Representations. Consultant also represents, warrants, and covenants that in connection with the performance of Consultant's obligations under this Agreement:

a. Consultant has complied with and will comply with all applicable laws and applicable industry codes of practice, including, but not limited to, all applicable laws related to anti-corruption.

b. No payment or gift of money, goods, services, or anything of value has been made, offered or promised or will be made, offered or promised, directly by Consultant or indirectly through any third parties, to any individual for favorable treatment in obtaining, retaining, or directing business for, or to obtain any special concession on behalf of, Consultant or Company or its Affiliate(s) (collectively or individually, depending on the context, "**Fresenius Medical Care**"). This includes, but is not limited to, a prohibition on any facilitation payments to any government official to expedite a routine government action, whereas the term "government official" ("**Government Official**") shall be read broadly and includes not only (i) individuals acting on behalf of governments on a national, regional and local level (such as elected officials, customs officials, tax officials, etc.), but also: (ii) individuals acting on behalf of government-owned or government-controlled enterprises (such as doctors and staff of public hospitals and universities, etc.), and (iii) individuals acting for political parties or as or on behalf of candidates for public office.

c. Neither Consultant nor any person or entity acting on Consultant's behalf has (to the best of Consultant's knowledge after conducting a reasonable inquiry) accepted, received or agreed to accept or receive or will accept, receive or agree to accept or receive, directly or indirectly, any payment or gift of money, goods, services, or anything of value from any individual for favorable treatment in obtaining, retaining, or directing business for, or to obtain any special concession on behalf of, Consultant or Fresenius Medical Care.

d. Consultant represents that Consultant is not and no person acting on Consultant's behalf is a Government Official and agrees that if, at any time during the term of this Agreement, Consultant or any person acting on Consultant's behalf becomes a Government Official, Consultant: (a) will not use that position to influence the award of business or regulatory approvals or any special concession to or for the benefit of Fresenius Medical Care, (b) will notify Company in writing within three (3) business days, and (c) will recuse him/herself from any government decision relating to Fresenius Medical Care or its operations.

e. Consultant represents that, in connection with any simultaneous engagement on behalf of any third party, Consultant provided any necessary notifications and secured any necessary approvals from such third party regarding the services Consultant will perform for Company, and to the extent available has documented these to Company or otherwise has attached them hereto.

f. Consultant represents that Consultant is not in a position of conflict of interest or incompatibility of his/her engagement (or in a position that could result in a conflict of interest or incompatibility of his/her engagement) with Fresenius Medical Care. Consultant agrees that if, at any time during the term of this Agreement, a conflict of interest or incompatibility presents itself, Consultant will notify Company in writing within three (3) business days and agrees to promptly recuse himself/herself from the situation, so as not to create even the appearance of impropriety.

g. Consultant represents that Consultant undertakes, at all times, to refrain from any action or inaction that may constitute, directly or indirectly, a patient referral or other business opportunity towards Fresenius Medical Care, with the expectation of obtaining anything of value in return.

h. Consultant agrees to abide by and comply with all applicable guidelines (e.g. Fresenius Medical Care's Code of Conduct) as amended from time to time, and all other binding rules or provisions during the term of this Agreement to business ethics and principles, as such have been or will be brought to his knowledge by Company. In particular, Consultant represents that Consultant has received the following internet link to Fresenius Medical Care Business Ethics & Principles for Business Parties ("**Anti-Corruption Principles**") (see <http://www.fmc-ag.com/5292.htm>) and agrees to abide by them. The Anti-Corruption Principles may be amended from time to time, in Fresenius Medical Care's sole discretion, and will be posted to its website.

i. Consultant agrees that if Consultant becomes aware, or has reason to suspect, that any person or entity acting on Consultant and/or Fresenius Medical Care's behalf has directly or indirectly, (a) provided, or offered to provide, anything of value to any individual, or

(b) accepted, received or agreed to accept or receive, anything of value from any individual, in the hope or expectation of receiving favorable treatment in obtaining, retaining, or directing business for, or to obtain any special concessions on behalf of Fresenius Medical Care, Consultant will immediately report such knowledge or suspicion to the Fresenius Medical Care Compliance Department.

j. Consultant agrees to cooperate in any compliance investigation or audit that may be conducted by Fresenius Medical Care, its counsel, or its internal or external auditors related to this Agreement. Upon notice of an intended compliance investigation or audit, Consultant will, in a reasonable time, unless prohibited by law, make available to Fresenius Medical Care or a third party retained by Fresenius Medical Care (i) persons within the control of Consultant who Fresenius Medical Care or the third party wants to interview, and (ii) documents and data relating to the issue(s) under review related to the engagement with Company.

k. As stated in the Fresenius Medical Care Code of Ethics and Business Conduct, Company upholds the values of quality, honesty and integrity, innovation and improvement, respect and dignity, as well as lawful conduct, especially with regard to anti-bribery and anti-corruption. FMCNA upholds these values in its own operations, as well as in its relationships with business partners. Company's continued success and reputation depends on a common commitment to act accordingly. Together with Company, Consultant is committed to uphold these fundamental values by adherence to applicable laws and regulations.

7. EVENTS OF DEFAULT and REMEDIES.

7.1 Consultant Events of Default. Any one or more of the following shall constitute an "Event of Default" by Consultant hereunder:

a. A material breach hereunder by Consultant or any Member Physician which, as to any breach which is capable of cure and which is not specifically described in other paragraphs of this **Section 7.1**, is not cured within thirty (30) days of receipt of notice from Company describing such breach.

b. Indictment of Consultant, any Medical Director or any Member Physician for any felony or any violation of a federal or state health care law.

c. Exclusion or suspension of Consultant, any Medical Director or any Member Physician from participating in any public health care program.

d. A physician ceases to serve as Medical Director for any reason, and Consultant fails within a reasonable time (as determined in Company's sole discretion) to find a physician reasonably satisfactory to Company to serve as the new Medical Director for the relevant Dialysis Operation.

e. Consultant (or its Affiliated Medical Practice, if Consultant is not a medical practice) experiences a Change of Control without the prior written consent of Company, which consent Company may give in its sole discretion.

f. Consultant (or its Affiliated Medical Practice, if Consultant is not a medical practice) experiences a material change in its operations, ownership, physician staffing or organizational structure or fails to plan appropriately for succession planning which change Company determines is reasonably likely to impair Consultant's ability to staff the Medical Director positions appropriately or otherwise perform its obligations hereunder.

g. One or more of the following occurs based, in whole or in part, on the acts or omissions of Consultant hereunder: A Dialysis Operation's performance under quality standards established by FMCNA, the industry or a payor is so poor that there is a reduction in available reimbursement or the performance outcomes are in the lowest quartile of measurement; or a Dialysis Operation is determined by the Company to pose imminent threat to property, person or the extent of reimbursement for which such Dialysis Operation may be eligible.

h. Consultant fails to remove and replace a Medical Director immediately from providing services hereunder if:

i. the Medical Director fails to meet the requirements of **Section 4**;

ii. the Medical Director engages in misconduct of a personal or professional nature which, in Company's reasonable opinion: (a) interferes with the Medical Director's ability to fulfill the obligations hereunder; (b) interferes with the normal conduct of the operations of a Dialysis Operation in accordance with the Policies; or (c) endangers patient care;

iii. the Medical Director suffers or has a disability that renders the Medical Director, in the reasonable opinion of Company, unable to perform duties satisfactorily as contemplated herein with reasonable accommodation. Consultant shall notify Company at the onset of any such disability of the Medical Director; or

iv. Company is dissatisfied with the Medical Director's performance hereunder, in which case Consultant shall have ten (10) days after written notice from Company to Consultant to remove and replace such Medical Director.

7.2 Remedies upon Consultant Event of Default. Upon the occurrence of an Event of Default by Consultant hereunder, Company may exercise (in addition to any and all other legal and equitable remedies) one or more of the following remedies:

a. For each Event of Default that exists beyond a thirty (30) day period, Company may reduce the Fee hereunder by ten percent (10%) as of the 31st day and until such Event of Default ceases to exist,

b. For each Event of Default that exists beyond a ninety (90) day period, Company may reduce the Fee hereunder by thirty percent (30%) as of the 91st day and until such Event of Default ceases to exist,

c. For each Event of Default that exists beyond a 180-day period, Company may reduce the Fee hereunder by fifty percent (50%) as of the 181st day and until such Event of Default ceases to exist,

d. Require Medical Directors to complete additional training and to participate in mentoring by others,

e. Require Consultant to replace one or more Medical Directors, and/or

f. Terminate this Agreement effective upon written notice to Consultant or at such later date as Company may specify.

7.3 General Termination. This Agreement shall terminate upon mutual agreement of Consultant and Company. In addition, this Agreement shall terminate: (a) at the expiration of the period provided in **Section 2** or any Addenda, (b) upon Company's being adjudged a bankrupt, (c) upon closure of all Dialysis Operations, or (d) upon thirty (30) days prior notice at Company's election upon its decision to sell all Dialysis Operations.

7.4 Partial Termination. Company may terminate this Agreement (in addition to its pursuit of any and all other legal and equitable remedies) as to one or more, but not all, Dialysis Operations (a "**Partial Termination**") with respect to which (a) an Event of Default has occurred, (b) upon thirty (30) days prior notice at Company's election upon its decision to sell a Dialysis Operation, or (c) upon closure of a Dialysis Operation.

7.5 Temporary Suspension. Company may suspend the requirement and payment for Medical Services with respect to any Dialysis Operation that is temporarily shut down (a "**Temporary Suspension**"). Company shall give notice to Consultant at least ten (10) days prior to any Temporary Suspension and shall provide Consultant, upon request, with updates regarding the period of Temporary Suspension. Company shall notify Consultant at least thirty (30) days prior to the end of any Temporary Suspension.

7.6 Termination by Consultant. Consultant may terminate this Agreement (a) during a material breach of this Agreement by Company which is not cured by Company within thirty (30) days of receipt of notice from Consultant describing such breach, (b) upon conviction of a felony by Company, or (c) upon exclusion or suspension of Company from participating in public healthcare programs.

8. INSURANCE AND LEGAL COMPLIANCE.

8.1 Insurance.

a. Consultant shall maintain, for itself, each Member Physician and any physician providing coverage for any Medical Director, malpractice liability insurance coverage of not less than \$1,000,000 combined single limit per occurrence and \$3,000,000 annual aggregate covering the provision of services other than the Medical Director Services hereunder throughout the term of this Agreement, and if such coverage is on a claims-made basis, for a period of not less

than three (3) years following termination of this Agreement. Consultant shall provide Company with a certificate of insurance upon request.

b. Company shall maintain, for Member Physicians and any physician providing coverage for any Medical Director in accordance with this Agreement, professional liability insurance or self-insurance purchased or maintained by Company in an amount not less than \$1,000,000 combined single limit per occurrence for bodily injury and property damage and \$3,000,000 annual aggregate, covering bodily injury and property damage claims (including the cost of defense) arising out of errors and omissions caused or alleged to be caused by Consultant, Member Physicians or any physician providing coverage for any Medical Director in accordance with and within the scope of this Agreement, but not for errors or omissions caused or alleged to be caused by Consultant, Member Physicians or any physician providing coverage for any Medical Director providing services as treating physicians. The insurance or self-insurance required to be maintained by Company hereunder shall be subject to and limited by the terms and conditions of insurance policies, primary, excess or otherwise, maintained by Company. Company shall provide Consultant with a certificate of insurance annually upon request.

8.2 Compliance. This Agreement shall be construed in a manner consistent with any and all applicable federal and state laws, including, without limitation, Medicare, Medicaid, the Health Insurance Portability and Accountability Act of 1996 and other federal and state statutes and regulations and the principles and interpretations related thereto. The parties intend to comply with the applicable provisions of 42 U.S.C. 1395nn(a)(1) and 42 U.S.C. 1320a-7b(b), as such provisions may be amended from time to time. The parties intend that this Agreement meet the requirements of (i) the personal services and management contract safe harbor to the federal anti-kickback statute as set forth in 42 C.F.R. Part 1001.952(d); and (ii) the personal services arrangement exception to the legislation as set forth in 42 U.S.C. 1395nn(e)(3) and the corresponding regulations.

8.3 Limited Renegotiation.

8.3.1 Notwithstanding anything to the contrary in this Agreement, if the terms of this Agreement (a) become unlawful or unenforceable, (b) materially and adversely affect a party's or its Affiliate's licensure, accreditation, certification, or ability to refer, accept any referral, bill, present a bill or claim, or receive payment from any payor or (c) subjects a party to a substantial risk of prosecution or civil monetary penalty, then (i) the unaffected provisions of this Agreement shall continue in full force and effect and (ii) either party, upon written notice ("**Renegotiation Notice**") to the other party may initiate renegotiation of the affected terms of this Agreement to restore, if possible, the intent and purpose of the affected provisions in the Agreement and to modify the Agreement as necessary so that such Agreement does not cause such adverse result.

8.3.2 If the parties are unable in good faith to come to a mutually satisfactory resolution regarding the affected terms of the Agreement and have failed to amend the Agreement (or enter into a new Agreement) within ninety (90) days from the date the Renegotiation Notice was received, then, unless the parties mutually agree otherwise in writing, the parties shall utilize binding arbitration in accordance with this **Section 8** to modify the Agreement as necessary so that such Agreement does not cause an adverse event.

8.3.3 The above referenced arbitration shall be triggered by one party's providing the other party written notice of the arbitration required under this Section 8. Upon a party's receipt of such written notice, both parties shall promptly appoint an arbitrator from a list of arbitrators recognized by the American Health Lawyers Association (AHLA) Alternative Dispute Resolution Services. In accordance with the rules of the AHLA Alternative Dispute Resolution Service then in effect, such appointed arbitrators will appoint a third arbitrator from the list and the three arbitrators shall hear the parties and make the determination as to necessary modifications to the Agreement to remedy the adverse event. If AHLA or the AHLA Alternative Dispute Resolution Service is no longer in effect, then such arbitrators shall be chosen from a list provided by the American Arbitration Association in the same manner as set forth above, and such arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect. The parties shall irrevocably grant the arbitrators the authority to determine the modifications necessary to the Agreement to remedy the adverse result. Arbitration shall be binding for settlement of the modifications necessary to the Agreement as stated in the foregoing sentence. The parties agree to execute any agreement immediately to memorialize such modifications to the Agreement. The parties shall share the costs of such arbitrators equally between them. Each party shall bear its own expenses of preparation for arbitration.

9. GENERAL.

9.1 Independent Contractor. The parties agree Consultant and Medical Directors have not been, and will not be chosen as an inducement or reward for any past, current or future Company business transaction, opportunity, or government approval or concession, and that the selection process has not been, and will not be based on the volume or value of referrals provided by, or anticipated from, Consultant, any Medical Director or any affiliated person or entity. Consultant is acting and performing services hereunder as an independent contractor, and each Medical Director is acting and performing the Medical Director Services on behalf of and as an employee or independent contractor of Consultant. No Medical Director shall be considered an employee for purposes of any Company employment policy or employment benefit plan, and will not be entitled to any benefits under any such policy or benefit plan. Except as expressly set forth herein or as may be required by applicable law, Company shall neither have nor exercise any control or direction over the methods by which Consultant shall perform the duties hereunder, and Company shall not control how Medical Director Services are accomplished hereunder, as long as such duties are performed as required by this Agreement. Consultant shall be solely responsible for, and shall indemnify and hold Company harmless for payment of, all taxes due on all amounts paid to Consultant hereunder and for all employment taxes for all employees of Consultant. The parties shall cooperate if any taxing Authority asserts that Consultant or any Medical Director is not an independent contractor under this Agreement.

9.2 Assignment. This Agreement shall be binding on the successors and permitted assigns of the parties. Consultant and Member Physicians shall not assign or subcontract this Agreement or assign or subcontract any of their rights hereunder without Company's prior written consent, which may be withheld in Company's sole discretion. Company may assign this Agreement to any of Company's Affiliates or to any successor in interest to the assets and operations of Company without the consent of any other party hereto. This Agreement shall be

enforceable by or against any permitted assigns hereunder. Any attempted assignment of this Agreement in violation of the provisions of this **Section 9.2** is void.

9.3 **Merger, Modification and Waiver.** This Agreement contains the entire agreement of the parties with respect to its subject matter and as of the date this Agreement is fully executed, supersedes all previous and contemporaneous agreements and understandings, expressed or implied, oral or written, between the parties with respect to the subject matter hereof. The failure of the parties to insist on strict performance of the provisions of this Agreement shall not be construed as a waiver of such provision or of any other default of the same or similar nature. No waiver, modification or change of any of its provisions shall be valid unless in writing and signed by the parties. One party's waiver of any default by the other party of any provision of this Agreement is not a waiver of any other default and shall not affect the right of that party to require performance of the defaulted provision at any future time. All representations herein survive the execution and delivery of this Agreement.

9.4 **Severability.** If any term of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be given effect to the fullest extent permitted by law; provided however, if the severed provision materially deprives a party of the benefits of this Agreement, including without limitation the benefits of Section 6, then such party may terminate this Agreement by notice to the other party.

9.5 **Applicable Law.** This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Washington.

9.6 **Books and Records.** If required by Section 952 of the Omnibus Reconciliation Act of 1980 (Section 1861(v)(1)(I) of the Social Security Act), as amended, and the regulations promulgated thereunder, the books and records of Consultant necessary to certify the nature and extent of costs associated with Consultant's performance of services under this Agreement shall be preserved by Consultant for such period of time as provided by law so as to be available for and subject to inspection by appropriate agencies of the United States. In addition, if and to the extent that Consultant uses the services of a related organization to provide services hereunder, Consultant will require such related organization to preserve and make available its books and records to the same extent Consultant is so required. If this Agreement is not subject to the provisions of Section 952 or regulations promulgated thereunder, this **Section 9.6** shall be null and void. The provisions of this **Section 9.6** shall survive the expiration or termination of this Agreement.

9.7 **Notices.** All notices pursuant to this Agreement shall be in writing and shall be deemed duly given and properly served: (a) when delivered personally (with written confirmation of receipt), (b) two (2) business days after being mailed to the addressee by registered or certified mail, postage prepaid, return receipt requested, or (c) when received by the addressee if sent by a recognized express delivery service, in each case, to a party at the address as set forth below or at such other address as may be furnished by such party in accordance with these notice requirements:

9.8 Third Party Beneficiary. Company's present and future Affiliates are intended third party beneficiaries of this Agreement and shall independently have the right to enforce this Agreement.

9.9 Indemnification.

a. Consultant shall indemnify and hold harmless Company and its Affiliates from any and all liability, claims, damages, and expenses (including but not limited to reasonable attorneys' fees) which it may incur as a result of the negligence or willful misconduct of Consultant, a Medical Director and/or a Member Physician, or any of their Affiliates, agents or employees, or the breach by Consultant, a Medical Director or a Member Physician of a representation or covenant in this Agreement. The provisions of this Section shall survive the expiration or termination of this Agreement.

b. Company shall indemnify, defend and hold harmless Consultant, Medical Directors and Member Physicians from any and all liability, claims, damages, and expenses (including but not limited to reasonable attorneys' fees) which it may incur as a result of the negligence or willful misconduct of Company, or its Affiliates or employees, or the breach by Company of a representation or covenant in this Agreement. The provisions of this Section shall survive the expiration or termination of this Agreement.

9.10 No Conflicts. Consultant and each Member Physician represent and warrant to Company that the execution, delivery and performance of this Agreement by Consultant and each Member Physician does not conflict with or result in a breach (or any event which with notice or lapse of time or both, would result in a breach) of any other obligation of Consultant or any Member Physician.

9.11 Joint Effort: Headings. The preparation of this Agreement has been the joint effort of the parties, and the resulting document shall not be construed more severely against one of the parties than the other. The headings of sections in this Agreement are for convenience only and shall not affect or limit the interpretation of its provisions.

9.12 Attachments: Priority of Documents. All Addenda and attachments (including but not limited to Exhibits) to this Agreement are incorporated herein by reference and made a part of

this Agreement. To the extent that any provision of any Addendum conflicts with or is contrary to other provisions in this Agreement, then the provisions of any Addendum first shall govern and then the provisions of this Agreement shall govern.

9.13 Authorized Signature. This Agreement shall not be deemed accepted by Company unless and until signed by an authorized officer or manager of Company. No other act or writing by an agent of Company shall cause this Agreement to be a binding contract on Company.

9.14 Force Majeure. No party shall be in default for any delay or failure to perform any of its obligations under this Agreement resulting directly or indirectly from any acts of God, civil or military authority, terrorism, war, civil disobedience, accidents, fires, explosions, failure of transportation, machinery or supplies, vandalism, work interruptions by its employees or independent contractors or any similar cause beyond its reasonable control. Notwithstanding the foregoing, each party shall, at all times, use commercially reasonable efforts to perform its obligations under this Agreement.

9.15 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts with the same effect as if all the parties had signed the same document. Such executions may be transmitted by facsimile, e-signature, email or other electronic transmission and are to be deemed for all purposes to have been executed and delivered by that party to the other party.

9.16 Addenda. The following Addenda are included herein:

Fee Reopener Addendum

Upon written notice provided by either party no later than 60 days prior to the second anniversary of the Commencement Date (a "**New Fee Notice**"), the parties agree to negotiate, in good faith, a new Fee ("**New Fee**") which represents fair market value for the services to be provided by Consultant for the period commencing as early as the second anniversary of the Commencement Date. Such New Fee shall be payable to Consultant for the period beginning on the later of the second anniversary of the Commencement Date or the first day of the month after the amendment reflecting the New Fee has been executed by the parties hereto. If, within 60 (sixty) days of the commencement of negotiations, the parties are unable to agree upon a New Fee, then each party shall appoint an arbitrator from a list of arbitrators recognized by the American Health Lawyers Association (AHLA) Alternative Dispute Resolution Services and such appointed arbitrators shall appoint a third arbitrator from the list and that single arbitrator will be retained to determine the New Fee in accordance with the rules of the AHLA Alternative Dispute Resolution Service then in effect. If the AHLA Alternative Dispute Resolution Service is no longer available, then arbitrators shall be chosen from a list provided by the American Arbitration Association and such arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect. The parties shall irrevocably grant the arbitrator the authority to determine the New Fee based on any and all data and information available to the arbitrator. Arbitration shall be binding for settlement of the determination of the New Fee. The parties shall share the costs of arbitrator equally. Each party shall bear its own expenses of

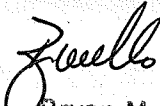

preparation for arbitration. The New Fee, as determined during the arbitration, shall be payable as of the date of the arbitration decision. At the request of any party, the parties shall prepare and execute an amendment reflecting the New Fee. If neither party sends a New Fee Notice by 60 days prior to the second anniversary of the Commencement Date, Company shall continue to pay Consultant the Fee then in effect.

Exhibit D

Form of Joinder Agreement

This Joinder Agreement (the "**Joinder Agreement**") is entered into as of _____, by and among Renal Care Group Northwest, Inc. and an affiliate of Fresenius Medical Care Holdings, Inc., a New York corporation d/b/a Fresenius Medical Care North America ("**FMCNA**"), RVS, PLLC ("**Consultant**"), and _____, in his/her individual capacity ("**Physician**").

WHEREAS, Company and Consultant are parties to that Medical Director Agreement, as amended, a copy of which is attached hereto as **Exhibit A** and incorporated herein by this reference (the "**Medical Director Agreement**"), pursuant to which Consultant provides medical director services to the Dialysis Operations as identified in the Medical Director Agreement (Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Medical Director Agreement); and

WHEREAS, Physician is hereby deemed a "Member Physician" as defined in the Medical Director Agreement; and

WHEREAS, Physician will become privy to and/or have access to certain proprietary and confidential information concerning Company, including, but not limited to, various trade secrets and competitive information; and

WHEREAS, Consultant and Physician understand, acknowledge and agree that any specific Medical Director Services under the Medical Director Agreement to be performed by Physician on Consultant's behalf shall be agreed by Physician and Consultant; and

WHEREAS, the parties acknowledge that, in accordance with the Medical Director Agreement, Company is compensating Consultant and Member Physicians for the provision of Medical Director Services through payments made to Consultant, although the specific compensation arrangement for the provision of any Medical Director Services by Physician on Consultant's behalf are solely between Consultant and Physician, which Consultant and Physician represent and warrant shall be in full compliance with law;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and intending to be bound hereby, the parties agree as follows:

1. Acknowledging Medical Director Obligations in the Medical Director Agreement.
 - A. Physician hereby acknowledges the nature of the Medical Director Services to be provided to the Dialysis Operations in the Medical Director Agreement. Physician agrees that any medical director duties to be performed by Physician, as Physician and Consultant may agree, shall be performed in compliance with this Joinder Agreement and the Medical Director Agreement.

- B. Each reference to Member Physician, as utilized in Medical Director Agreement shall, for purposes of this Joinder Agreement, include Physician and shall bind Physician to the extent applicable.
- C. The parties understand and agree that Consultant is ultimately responsible for ensuring that all Medical Director Services are performed in compliance with the Medical Director Agreement.

2. Covenants Protecting Business Interests of Company.

- A. Physician hereby acknowledges and agrees to be bound by the Covenants Protecting Business Interests of Company set forth in Section 6 of the Medical Director Agreement, which includes, but is not limited to, a covenant not to disclose confidential information, covenant not to solicit employees and covenant not to compete.
- B. This Section 2 and the covenants of Section 6 of the Medical Director Agreement shall survive termination or expiration of this Joinder Agreement.
- C. If Physician ceases to qualify as a Member Physician, then the Physician shall be subject to the covenants not to compete and not to solicit employees for the period set forth in the Medical Director Agreement as applicable to a Former Member Physician.
- D. Notwithstanding anything to the contrary in the foregoing, the covenant not to disclose confidential information as set forth in Section 6 of the Medical Director Agreement survives expiration or termination of this Joinder Agreement and the Medical Director Agreement.

3. Compliance Training.

Pursuant to Company's Compliance Program and this Joinder Agreement, Physician, if providing Medical Director Services, agrees to complete initial compliance and privacy training (if not already completed prior to the execution of this Agreement) within the timeframe established in the Company's compliance program and complete supplemental compliance training during each year of the term of this Agreement.

Physician acknowledges having received a copy of Company's Code of Conduct and understands that the Code of Conduct, and any revisions to it, is applicable to the position of Medical Director of the Dialysis Operations and the provision of services hereunder. Physician hereby agrees to complete promptly any reasonable certification regarding the Code of Conduct as reasonably requested by Company or FMCNA.

4. Exclusive Use of Facility Resources. Physician acknowledges that the Facilities and the supplies, equipment and employees of the Dialysis Operations shall be utilized exclusively (a) for the provision of dialysis services to patients of the Facilities, and (b) for the provision of services under this Joinder Agreement and the Medical Director Agreement. No portion of any physical clinic space, assets, supplies, equipment, employees or other resources of the Dialysis Operations shall at any time be utilized by Physician for his/her private medical practice or for any other

purpose not expressly set forth in this Joinder Agreement or the Medical Director Agreement except pursuant to a written agreement with Company on fair market value terms.

5. Term. The term of this Joinder Agreement shall be the term as set forth in the Medical Director Agreement. The parties acknowledge and agree that the terms and conditions of the Medical Director Agreement intended to survive termination or expiration of the Medical Director Agreement shall so apply to this Joinder Agreement, except as set forth in Section 2 hereof.

6. Miscellaneous. *Assignability*. Physician shall not assign this Joinder Agreement or assign any of his or her rights hereunder without Company's prior written consent, which may be withheld in Company's sole discretion. *Entire Agreement*. Except with respect to the Medical Director Agreement and the Third Party Beneficiary provision herein, this Joinder Agreement contains the entire agreement of the parties with respect to its subject matter and as of the date this Joinder Agreement is fully executed, supersedes all previous and contemporaneous agreements and understandings, inducements or conditions, expressed or implied, oral or written, between the parties with respect to the subject matter hereof. *Waiver of Breach*. The failure of the parties to insist on strict performance of the provisions of this Joinder Agreement shall not be construed as a waiver of such provision or of any other default of the same or similar nature. No waiver, modification or change of any of the provisions hereof shall be valid unless in writing and signed by the parties against whom such claimed waiver, modification or change is sought to be enforced. One party's waiver of any default by the other party of any provision of this Joinder Agreement is not a waiver of any other default and shall not affect the right of that party to require performance of the defaulted provision at any future time. *Severability; Headings*. If any term or provision of this Joinder Agreement or its application to any person or circumstance shall to any extent be declared invalid or unenforceable, the remainder of this Joinder Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected and each term and provision of this Joinder Agreement shall be valid and enforceable to the fullest extent permitted by law. The headings of sections in this Joinder Agreement are for convenience only and shall not affect or limit the interpretation of its provisions. *Applicable Law*. This Agreement shall be governed by and construed and enforced in accordance with the laws applicable to the Medical Director Agreement. *Third Party Beneficiary*. Company's present and future parent corporations, including but not limited to National Medical Care, Inc. and Fresenius Medical Care Holdings, Inc., are intended third party beneficiaries of this Joinder Agreement and shall independently have the right to enforce each of the provisions of this Joinder Agreement, including, but not limited to, the restrictive covenants contained in Section 2 of this Joinder Agreement and in the Medical Director Agreement. *Authorized Signature*. This Joinder Agreement shall not be deemed accepted by Company unless and until an authorized officer of Company has signed this Joinder Agreement. No other act or writing by an agent, officer or manager of Company shall cause this Joinder Agreement to be a valid, effective or binding contract on Company. This Joinder Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument. Such execution may be transmitted by facsimile, e-signature, email or other electronic transmission and are to be deemed for all purposes to have been executed and delivered by that party to the other party. *Notices*. All notices pursuant to this Joinder Agreement shall be in writing and shall be deemed duly given and properly served when: (a) delivered personally (with written confirmation of receipt), (b) received by the addressee if sent by registered or certified

mail, postage prepaid, return receipt requested, or (c) received by the addressee if sent by a recognized express delivery service, in each case, to the parties at the addresses as set forth below or at such other addresses as may be furnished to the other parties in writing:

DATED: June 28, 2019.

LEASE AGREEMENT

THIS LEASE AGREEMENT (this "Lease") is made as of this ____ day of _____, 2019 ("Lease Effective Date") by and between Lakha Kent Properties, LLC, a Washington limited liability company ("Landlord"), and Renal Care Group Northwest, Inc., a Delaware corporation, d/b/a Fresenius Kidney Care Green River ("Tenant").

ARTICLE 1 - PROPERTY, CENTER, PREMISES

1.1. *Lease of Premises.* Landlord hereby leases to Tenant and Tenant hereby leases from Landlord the premises containing approximately 8,000 rentable square feet (the "Premises") which square footage is subject to change following re-measurement to current BOMA standards for retail use after Landlord's delivery of the Premises to Tenant in following with the terms of this Lease, in a building with other tenants ("Building"), in a shopping center containing approximately 167,356 rentable square feet, which square footage is subject to change from time to time per the terms of the Lease (the "Center") located at 13020 SE Kent Kangley Road, Kent, WA 98030 (the "Property"), subject to Premises re-measurement set forth in Section 1.4. The Property, Premises, Building and Center are more particularly described and approximately shown on Exhibits A and A-1 attached hereto and made a part hereof.

1.2. *Right to Use Common Areas.* Tenant shall at all times have the right to the non-exclusive use of Common Areas of the Center. The Common Areas shall include, without limitation, all areas within the exterior boundaries of the Center (exclusive of building pad and/or footprint sites reserved for future buildings and the like included within the Center, if any, after the commencement of construction of leasehold improvements thereon), which are now or hereafter made available for general use, convenience and benefit of Landlord, Tenant, and other tenants and persons entitled to occupy space in the Center, including, but not limited to, parking areas, driveways, trash collection and dumpster areas, open or enclosed malls, sidewalks, landscaped and planted areas, monument and pylon signs and roofs (collectively, "Common Areas"). The Common Areas shall be subject to the Center's rules and regulations attached hereto as Exhibit B (the "Rules and Regulations"). Landlord shall enforce the Rules and Regulations in a consistent and nondiscriminatory manner among and between all tenants of the Center, including their respective officers, agents, employees, independent contractors, and invitees. Common Areas shall at all times be subject to the exclusive control, custody and management of Landlord and parts thereof may be closed at such time or times as may be reasonably determined advisable by Landlord. Except as expressly permitted by Landlord in writing, Tenant shall not place tables, chairs, merchandise, goods or other articles, equipment or property in the Common Areas except for purposes of ingress, egress or access across the Common Areas. So long as Landlord does not materially interfere with Tenant's use of the Premises, Landlord reserves the right to make changes in the Common Areas and in the site plan of the Center from time to time, including but not limited to changes, additions or deletions with respect to the shape, size and location of buildings and other improvements, parking areas and layout, roads, drives and walkways, landscaped areas, the directory sign and other equipment and improvements situated in the Common Areas. Landlord reserves the right (i) to erect promotional and other displays within the Common Areas as Landlord may from time to time deem desirable; (ii) to allow the sale of

merchandise (including, without limitation, Christmas tree sales) from the Common Areas; (iii) to use the roof of the building of which the Premises are a part, and the air space above such building; and (iv) to use any portion of the parking area in the Center, so long as Landlord does not materially interfere with Tenant's use of the Premises,.

1.3. Delivery Date, Premises Utility Commencement Date; Condition of Premises; Landlord and Tenant Work. Within one hundred twenty (120) days following Landlord's receipt of Tenant's Notice (as defined in Section 29.27 of the Lease) (the "Delivery Date"), Landlord shall substantially complete ("Substantially Complete") all work described and detailed on Exhibit C to this Lease ("Landlord Work") to Tenant's commercially reasonable satisfaction. Upon completion of all Landlord Work, Landlord shall deliver possession of the Premises to Tenant. Except as to latent defects, the Premises shall be accepted by Tenant in its "as is" condition and configuration without any representations or warranties by Landlord except as provided elsewhere in this Lease. Tenant's obligation for Premises utilities commences on the Delivery Date.

1.4. Re-measurement & Adjustment of Rent. The parties hereby agree that within ten (10) days following Landlord's delivery of possession of the Premises to Tenant, the Premises shall be re-measured and certified by Landlord's registered architect, at Landlord's sole cost and expense, pursuant to the current Building Owners and Managers Association ("BOMA") Standards for retail space. The results of such re-measurement shall be binding on the parties and the new rentable square footage of the Premises shall be documented in the Commencement Date Certificate attached hereto as Exhibit D. In the event that the rentable square footage of the Premises is different than the square footage stated in Paragraph 1.1 of this Lease, Base Rent (as defined in Section 3.1) and Tenant's Proportionate Share (as defined in Section 4.1) shall be recalculated in accordance with that final determination.

1.5. Material Inducement. Landlord hereby recognizes and acknowledges that its obligation hereunder to Substantially Complete construction of Landlord's Work on or before the Delivery Date constitutes a material inducement to Tenant to enter into this Lease. As such, in the event that (i) Landlord fails to timely complete all of Landlord's Work as required under this Article 1 within one hundred eighty (180) days following Landlord's receipt of Tenant's Notice (as defined in Section 29.27 of the Lease) and (ii) if such failure is not caused by the acts contemplated under Article 25 of this Lease, Tenant shall have the option to exercise any and all of the following remedies:

- (i) Collect liquidated damages from Landlord in the amount of Five Hundred Dollars (\$500.00) per day beginning on the date identified in this section 1.5 and continuing until Landlord's Work is Substantially Complete, which amount shall be deducted from Tenant's payment of Base Rent (as defined in Section 3.1 of this Lease);
- (ii) Terminate the Lease in the event the Premises is not delivered within 210 days following Landlord's receipt of Tenant's Notice (as defined in Section 29.27 of the Lease) by providing Landlord with not less than thirty (30) days advance written notice, which notice shall be null and void should Landlord Substantially Complete all of Landlord's Work prior to the expiration of such notice period.

ARTICLE 2 - LEASE TERM

2.1. Lease Term. The term of this Lease shall be for approximately ten (10) years ("Initial Term") commencing on the date Landlord delivers possession of the Premises to Tenant with Landlord's work substantially complete (the "Commencement Date" or "Lease Commencement Date" or "Term Commencement Date"), and terminating on the last full calendar month of the Initial Term. The parties shall execute and deliver the Commencement Date Certificate in the form set forth in Exhibit D attached to this Lease, in order to confirm and memorialize the Commencement Date.

2.2. Options to Extend Term. Landlord hereby grants to Tenant three (3) consecutive options to extend the term of this Lease (each a "Renewal Option") each for a period of five (5) years (each an "Option Term"). The lease of the Premises for each Option Term shall be on the same terms and conditions contained in this Lease except that the Base Rent for each Option Term shall be determined pursuant to the terms and conditions of Section 3.2 of this Lease. Each Renewal Option may be exercised only by written notice delivered by Tenant to Landlord no later than one hundred eighty (180) days prior to the expiration of the then current term. Time is of the essence of the foregoing notice requirement. A notice delivered after the deadline hereinabove stated, or a notice that does not unconditionally express Tenant's intention to extend, shall be of no force or effect and shall not extend the Lease Term, and, in such event, or if Tenant is in default at the time such notice is provided and such default is not cured within the time for cure provided for under the Lease, then in either event, Landlord shall have the right to re-let the Premises for a term commencing immediately after the expiration of the Lease Term. A notice of intent to extend, once given in accordance with the provisions of this Lease, shall be irrevocable by Tenant, and Landlord shall have the right to rely thereon. All other terms and conditions of the Lease as then in effect, including any amendments that have been adopted in accordance with the Lease, shall remain in full force and effect during each extended term unless amended by Landlord and Tenant in accordance with this Lease. The Initial Term and all Option Terms are hereby referred to collectively as the "Lease Term".

ARTICLE 3 - BASE RENT

3.1. Base Rent; Pro-ration for Partial Months. Commencing on the Rent Commencement Date and during the Initial Term, Tenant shall pay to Landlord annual Base Rent as follows:

Years	\$ PSF/YR	Rentable SF	Monthly Base Rent	Annual Base Rent
1 - 5	\$34.00	8,000*	\$22,666.67	\$272,000.00
6 - 10	\$38.25	8,000*	\$25,500.00	\$306,000.00

* Rentable Square Footage is to be determined in following with the provisions of this Lease and is subject to change.

in advance to be received by Landlord on or before the first day of every calendar month, without any demand, setoff or deduction except as provided elsewhere in this Lease. Payment shall be made to Landlord at the address specified in Section 29.15 of this Lease, or at such other place that Landlord may from time to time designate in writing. Additional Rent (as defined in Section 5.1) shall be due and payable at the same time and manner as Base Rent. Base Rent and Additional Rent are hereinafter referred to collectively as "Rent." The Rent for the first full calendar month of the Initial Term shall be paid on or before the Commencement Date. If any payment of Rent is for a period shorter than one full calendar month, Rent for that fractional calendar month shall accrue on a daily basis at a rate equal to 1/365 of the annual Rent.

Base Rent and Additional Rent charges commencement one hundred fifty (150) days following Landlord's Delivery Date ("Rent Commencement Date").

3.1.1. *Free Base Rent.* Commencing after the Rent Commencement Date and provided Tenant is open for business and accepting patients from the Premises, Tenant shall receive Free Base Rent in the amount of Eighty Thousand and No/100 Dollars (\$80,000.00), which shall be applied to Tenant's account as a credit against Base Rent. Tenant shall remain responsible for payment of Tenant's share of Additional Rent charges in following with the terms of the Lease.

3.2. *Base Rent for Option Terms.* Base Rent for each Option Term shall be equal to an amount that is the Base Rent paid in the last month of the immediately preceding the applicable Option Term increased by an amount proportionate to the increase in the Consumer Price Index for All Urban Consumers, United States City Average, All Items (base years 1982-1984 = 100) ("Index") published by the United States Department of Labor, Bureau of Labor Statistics, as compared to the same Consumer Price Index of the 5-year period immediately preceding the commencement of the applicable Option Term. Notwithstanding the foregoing, annual increases in the Index used to calculate the Base Rent for an Option Term shall not exceed two- and one-half percent (2.50%).

3.3. *Late Fee; NSF Charge.* In addition to all other remedies provided herein, and not in place thereof, if Landlord does not receive any portion of any payment of Rent or amount due hereunder from Tenant to Landlord on the date it, is due, a late fee shall be charged in an amount equal to ten percent (10%) of the amount then due. If Rent is not paid when due for consecutive months, said late charge shall apply on the accumulated amount then due and remaining unpaid on the first of each month. Failure to pay the late charge, with or without demand therefor, shall constitute a Default under this Lease. Any waiver of this late charge or any failure by Landlord to insist upon payment of the late charge, shall not constitute a modification of this Lease or a waiver of Landlord's rights to receive the late charge in the event of any other late payment under this Lease. In the event Tenant delivers a check to Landlord for any amount due from Tenant hereunder, and such check is dishonored by Tenant's bank for insufficient funds or any other reason, including checks returned marked "NSF", in addition to the late charge, which may apply if the amount represented by such check becomes past due as a result of such dishonor, Tenant shall also be required to pay to Landlord an NSF fee of Twenty-Five Dollars (\$25.00) for each such dishonored or returned check. The imposition by Landlord and/or the payment by Tenant of any late charges or NSF charges shall not waive or cure

Tenant's default herein arising from any other failure by Tenant to pay or perform in following with the terms of this Lease.

ARTICLE 4 - TENANT'S PROPORTIONATE SHARE

4.1. *Tenant's Proportionate Share.* The gross rentable square footage of the Premises divided by the gross rentable area of the Center. Subject to the re-measurement of the rentable square footage of the Premises pursuant to Section 1.4 of this Lease. Landlord shall reasonably determine Tenant's Proportionate Share of the various costs included in Additional Rent (as defined in Section 5.1 below) using Contribution Pools as defined herein. Contribution Pools for the various costs that consist of Additional Rent include one or more tenants and a tenant's inclusion depends upon whether or not a certain portion of the Center benefits said tenant or tenants exclusive, or, if any tenant or tenants in the Center have obtained written approval from Landlord to pay their taxes directly, to carry their own insurance, to provide their own garbage collection, to have separately metered water and sewer, or to have any of the other expenses in connection with the Center billed separately to them and paid by them. For the most part, Tenant's Proportionate Share of certain items included in Additional Rent such as landscaping shall be the gross rentable square footage of the Premises divided by the gross rentable area of the Center. However, in the event a cost of Additional Rent does not benefit a certain tenant or a tenant pays such cost directly, then the square footage of the space leased or rented by such tenant or tenants shall not be deemed part of the gross rentable area of the Center for purposes of calculating Tenants Proportionate Share with respect to such cost. By way of example, attached hereto as Exhibit B-1 is a sample of the various Contribution Pools Landlord may use and Landlord's determination of Tenant's Proportionate Share with respect to such pools. If either the Premises and/or the Center is expanded or reduced, Tenant's Proportionate Share shall be appropriately adjusted. Tenant's Proportionate Share for the calendar year in which such a change occurs shall be determined on the basis of the number of days in which each Tenant's Proportionate Share was in effect.

ARTICLE 5 - ADDITIONAL RENT

5.1. *Additional Rent.* In addition to paying the Base Rent specified in Article 3, Tenant shall pay Tenant's Proportionate Share of the annual Operating Expenses and Tax Expenses (as such terms are defined in Sections 5.2, 5.3, and 5.4 below) (Operating Expenses and Tax Expenses are hereby referred to collectively hereafter as "Additional Rent"). All amounts due under this Article 5 as Additional Rent are payable for the same periods and in the same manner, time, and place as the Base Rent. Tenant acknowledges that the Additional Rent represent only charges pertinent to the common areas of the Center. Tenant shall be responsible for all utilities and services required for Tenant's business operations, whether such charges shall be billed directly to Tenant by the service provider or billed to Tenant by Landlord.

Landlord may cause any or all of said services to be provided by an unaffiliated independent contractor or contractors.

5.2. *Operating Expenses.* The term Operating Expenses means all expenses, costs, and amounts relating to or incurred in connection with the Common Areas that Landlord expended during any calendar year of the Lease Term because of or in connection with upkeep, improvement, management, operation, maintenance, or repair of the Common Areas, which is the Landlord's

responsibility under this Lease. Operating Expenses includes, but not limited to, any amounts expended for:

- (a) Supplying utilities to the Common Areas ;
- (b) Maintenance and repair (but not replacement) of the roof and all roof water divergent systems, including, but not limited to, patching, resurfacing and preventative maintenance;
- (c) Operating, maintaining and repairing the Center's utility, mechanical, sanitary, storm drainage, escalator, and elevator systems, if any, as well as any cost incurred in obtaining and maintaining supplies, tools and equipment used in the maintenance of such systems;
- (d) Obtaining or maintaining any licenses, certificates, permits necessary for the continuous operation of the Center;
- (e) Insurance costs (provided, however, in no event shall Tenant's Proportionate Share of any deductible exceed \$10,000) incurred by Landlord to procure and maintain policies covering the Property, the Center and/or the Building or any portions thereof, for those purposes deemed in Landlord's judgment to be necessary and prudent to be insured pursuant to Article 14, with limits of coverage in amounts reasonably determined by Landlord;
- (f) General maintenance and repairs, maintenance and repairs of sidewalks, tiles, curbing, Center lighting and other utilities, painting repainting or renovation of the exterior portion of all or any part of the buildings and improvements constructed in the Center, maintenance and repair of any fire protection systems, lighting systems, storm drainage systems and any other utility systems, repair or installation of equipment for energy or safety purposes, the cost of security guards or security services and costs and expenses pertaining to a security alarm system for the tenants and/or the Center;
- (g) Property Management fees paid by Landlord for property management not to exceed 15% of the Operating Expenses for the then current calendar year; reasonable legal counsel charges relating to the Center as a whole (and not relating to any specific tenant lease or space); personal property taxes on the improvements located in the Common Areas ;
- (h) Parking area maintenance, repair, and restoration, including expenditures for resurfacing, patching, painting and repainting, re-stripping, sweeping and cleaning and all parking lot signage;
- (i) Wages, salaries, and other compensation and benefits of all persons, up to the level of Center manager, engaged in the operation, maintenance, or security of the Center including employer's Social Security taxes, unemployment taxes, insurance, and any other taxes imposed on Landlord that may be levied on those wages, salaries, and other compensation and benefits provided, however, that if any of Landlord's employees provide services for more than one Center of Landlord, only the prorated portion of those employees' wages, salaries, other compensation and benefits, and taxes reflecting the percentage of their working time devoted to the Property shall be included in Operating Expenses;
- (j) Subject to the provisions of Section 5.3.1 of this Lease, the amortized cost of capital improvements for the operation of the Center;
- (k) Depreciation and amortization, determined in accordance with generally accepted accounting principles, on materials, tools, supplies, and vendor-type equipment purchased by Landlord to enable Landlord to supply services that Landlord might otherwise contract for with a third party;

- (l) Costs of gardening and landscaping, irrigation and/or sprinkling systems, plants, tree maintenance and removal/replacement; traffic control; sanitary and drainage control; cleaning of the Common Areas including the removal of snow and ice and repairs/maintenance resulting from severe weather events, trash, and rubbish removal from the common areas, walkways and parking areas; trash storage and removal, recycling; and the cost of operating, maintaining, and repairing all directories, directional signs, markers, bumpers and common area signage located throughout the Property and/or the Center.

Landlord shall not be obligated to provide security guards, security patrols, private police or any other type of security services (collectively, "Security Services") for the Premises or in the Shopping Center. Tenant hereby acknowledges that Landlord shall not be so obligated. Tenant hereby waives any and all claims for damages to persons or property sustained by Tenant, or by any other person or entity, arising from, out of or in connection with, or alleged to arise from, out of or in connection with, Landlord's not providing Security Services for the Premises or in the Shopping Center. In addition, Tenant assumes the responsibility to provide, at Tenant's sole cost and expenses, any such Security Services as Tenant may require in connection with Tenant's use of the Premises, and Tenant assumes all risk in connection with any failure to provide or lack of such Security Services in the Premises. Notwithstanding anything in this paragraph to the contrary, Landlord in Landlord's sole and absolute discretion may elect to provide Security Services in the Common Area.

5.3. Exclusions from Operating Expenses. Notwithstanding the foregoing, Operating Expenses shall not include:

- (a) Expenses paid for or reimbursed to Landlord directly by Tenant, other tenants, and/or third parties, including insurers;
- (b) Expenses incurred in connection with the financing, sale or acquisition of the Center including points, fees and other costs imposed on Landlord by Landlord's lender, closing costs, and depreciation, interest, or amortization of mortgages or ground lease payments;
- (c) Except as provided in Section 9.3 of this Lease, expenses incurred in procuring other tenants including, without limitation, the costs of obtaining any permits and licenses (including building permits) for such other tenants, leasing and/or real estate brokers' commissions, advertising expenses for leasing, attorneys' fees not pertinent to the operation of the Common Areas, and the costs of renovating, improving, altering, decorating and painting other tenant's premises;
- (d) Legal expenses and other professional fees incurred in defending Landlord's title to the Center or in negotiating, enforcing, or resolving disputes with other tenants or, except as provided for in Section 29.11 of this Lease, Tenant;
- (e) Interest or penalties resulting from Landlord's late payment of any Operating Expenses or Tax Expenses;
- (f) Expenses incurred by Landlord that are associated with the operation of Landlord's business, including the costs of partnership or corporate accounting and legal matters; defending or prosecuting any lawsuit with any mortgagee, lender, ground landlord, broker, tenant, occupant, or prospective tenant or occupant; the sale or syndication of any portion of

Landlord's interest in the Property; and any legal expenses incurred as a result of any dispute between Landlord and Landlord's property manager;

- (g) Except as otherwise permitted in this Lease, Landlord's general corporate or partnership overhead and general administrative expenses, including wages, salaries and other compensation paid to management personnel or any employee of Landlord above the grade of Center manager who are not primarily engaged in the operation, maintenance, and repair of the Center;
- (h) Fines, penalties and interest incurred by Landlord due to a violation of any valid and applicable building code, regulation or law (including but not limited to sprinkler installation or requirements under the Americans with Disabilities Act of 1990 (42 USC §§12101-12213) unless such fines, penalties and interest are due to Tenant's negligence, misconduct or failure of Tenant to comply with such valid and applicable building codes, regulations and/or laws;
- (i) Expenses, including legal fees, resulting from the treatment, removal or remediation of Hazardous Materials (as defined in Section 11.1 of this Lease), pursuant to the terms of Article 11 of this Lease, that were not placed on the Property by Tenant;
- (j) Expenses incurred for repairs or replacements covered by warranties;
- (k) Expenses incurred due to the gross negligence or willful misconduct of Landlord or Landlord's employees, agents, or contractors;
- (l) Net income, franchise, capital stock, estate or inheritance taxes or taxes which are the personal obligation of Landlord or another tenant;
- (m) Landlord's charitable or political contributions;
- (n) Payments to subsidiaries and affiliates of Landlord for services, supplies or other materials that exceed the cost that Landlord would have paid had the services, supplies or materials been provided by unaffiliated parties on a competitive basis;
- (o) Advertising and promotional expenditures for any purpose, except as otherwise permitted in this Lease;
- (p) Expenses incurred for the initial construction of the Center, and any modification, alteration, or repair of any portion of the Center due to faulty construction or latent defects in that construction; and
- (q) Expenses incurred by Landlord for use of any portion of the Property or the Center to accommodate special events such as shows, promotions, filming, displays, photography, private events, or parties, ceremonies, and advertising.

5.3.1. Capital Expenditures. Expenses incurred by Landlord that are considered to be capital improvements or capital replacements under generally accepted accounting and management practices shall not be included in Operating Expenses. All capital improvements or capital replacement expenditures included in Operating Expenses shall be amortized over Landlord's commercially reasonable determination of the useful life of that capital improvement or replacement in accordance with Generally Accepted Accounting Principles.

5.4 Tax Expenses. "Tax Expenses" means all federal, state, county, or local government or municipal taxes, fees, charges, or other impositions of every kind (whether general, special, ordinary, or extraordinary) that are paid or incurred by Landlord during any calendar year (without regard to any different fiscal year used by any government or municipal authority) because of or in connection with the ownership, leasing, and/or operation of the Property or the

Center. Tax Expenses shall include, but shall not be limited to, taxes, fees, and charges such as real property taxes, general and special assessments, transit taxes, leasehold taxes, and taxes based on the receipt of rent (including gross receipts or sales taxes applicable to the receipt of rent, unless required to be paid by Tenant). Tenant and Landlord acknowledge that assessments, taxes, fees, levies, and charges may be imposed by government agencies for services such as fire protection, utility improvements, street, sidewalk, and road maintenance or improvements, conservation, refuse removal, and other governmental services or similar charges or assessments that are levied upon and/or assessed against the Premises or the Center and the reasonable costs of professional consultants and/or counsel to analyze tax bills and prosecute any protests, refunds, and appeals; provided that all such payments shall be paid on a cash basis without regard to whether such taxes apply to a period before or after the Lease Term without regard to whether the Tenant was in possession of the Premises during the time covered by the particular tax statement. Tax Expenses shall also include any government or private assessments (or the Center's contribution toward a government or private cost-sharing agreement) for the purpose of augmenting or improving the quality of services and amenities normally provided by government agencies. Tenant and Landlord intend that all new and increased assessments, taxes, fees, levies, and charges and all similar assessments, taxes, fees, levies, and charges be included within the definition of "Tax Expenses" for purposes of this Lease.

5.4.1. Excluded Taxes. Notwithstanding the provisions of Section 5.4, all excess profits taxes, franchise taxes, gift taxes, capital stock taxes, inheritance and succession taxes, estate taxes, federal and state income taxes, and other taxes applied or measured by Landlord's gross or net income shall not be included in Tax Expenses.

5.4.2. Adjustment of Taxes. Tenant shall pay Tenant's Proportionate Share of any supplemental or additional assessment, not included in Landlord's Estimated Statement, received by Landlord within thirty (30) days of the date that Landlord provides Tenant with written notice of the same and a copy of all documentation reasonably evidencing such supplemental or additional assessment. This provision shall survive the expiration or earlier termination of this Lease.

5.5. Payment of Estimated Operating Expenses and Tax Expenses. On or before December 31st of each calendar year during the Lease Term, Landlord shall provide Tenant with a statement detailing Landlord's reasonable estimate of the Operating Expenses, Insurance Costs and Tax Expenses for the upcoming calendar year (the "Estimated Statement") and a calculation showing the Landlord's estimate of Tenant's Proportionate Share of such expenses. Tenant shall pay to Landlord, one-twelfth (1/12) of Tenant's Proportionate Share of Landlord's estimate of Operating Expenses, Insurance Costs and Tax Expenses each month together with Tenant's payment of Base Rent. Calendar Year Administration (or "Lease Year"): The period from January 1 through December 31 of each year in which this Lease is in effect. The first Lease Year shall be the calendar year in which the Lease Commencement Date occurs, and the final or last Lease Year shall be the calendar year in which the expiration of the Lease Term occurs (or in which the Lease is terminated if that occurs prior to the stated expiration of the Lease Term).

5.6. Annual Reconciliation of Operating Expenses and Tax Expenses. On or before April 15th of each year, Landlord shall provide Tenant with a statement showing the actual Operating Expenses and Tax Expenses for the previous calendar year (the "Actual Expenses Statement"). If the total amount of Additional Rent billed to Tenant during said immediately preceding

Calendar Year is less than Tenant's actual Proportionate Share for such Additional Rent, then Tenant shall pay the difference in a lump sum not later than thirty (30) days from the date of delivery of the Actual Expenses Statement to Tenant. If the Actual Expenses Statement of actual Additional Rent shows that the amount of Additional Rent billed to Tenant during the immediately preceding Calendar Year exceeds Tenant's Proportionate Share of the actual amounts incurred, then Tenant shall be entitled to a credit in the amount of said difference, which credit shall be applied in a lump sum to Tenant's account immediately following the date the statement is delivered to Tenant. If the Lease is terminated prior to the end of a Calendar Year, the determination of actual amounts paid and payment of additional amounts by Tenant or reimbursement to Tenant of excess amounts, shall take place on or about March 31 of the following Calendar Year as herein provided. Any amount overpaid by Tenant shall be reimbursed by Landlord to Tenant by direct payment made within a reasonable period of time following the date of delivery of the statement to Tenant, less any amounts then remaining owing by Tenant to Landlord. Any additional amount owing by Tenant to Landlord shall be billed to Tenant and paid by Tenant to Landlord within thirty (30) days of the date of Tenant's receipt of a statement therefor.

5.7. Landlord's Books and Records; Tenant's Audit Rights. Upon not less than sixty (60) days advance written notice to Landlord, Tenant and/or its authorized representatives may examine, inspect, audit, and copy the records of Landlord actual Operating Expenses and Tax Expenses for the most recent Annual Expenses Statement delivered by Landlord to Tenant at Landlord's office during normal business hours. Such audit shall be limited only to the calendar year pertaining to the most recent Annual Expenses Statement. Should Tenant fail to elect such audit within the time frame required by this Lease, Tenant's right to audit such period shall dissolve and all right to audit a prior period shall be null and void. Such review or audit shall be conducted by a certified public accountant or Tenant's internal accounting personnel (it being understood that in no event shall Tenant hire any such auditor to conduct any such audit on a contingency fee basis). If Tenant's audit reveals that Landlord overstated the actual Operating Expenses and/or Tax Expenses for any calendar year, Tenant shall submit a written claim to Landlord ("Tenant's Audit Claim") that shall describe in detail how the Operating Expenses and/or Tax Expenses have been overstated and Landlord shall have a period of thirty (30) days to review and dispute the audit findings in good faith. Landlord and Tenant agree to work together in good faith using commercially reasonable efforts to reach an amicable resolution to any audit dispute. Until the parties have agreed upon the audit results, and so long as Landlord is acting in good faith, Tenant shall not reduce or withhold payments of charges due, and Tenant shall continue to pay amounts as billed. If Tenant's audit reveals that the Operating Expenses and Tax Expenses were overstated by at least five percent (5%), Landlord shall pay for Tenant's actual out-of-pocket costs of the audit. Otherwise, Tenant shall pay its own costs.

5.7.1. Confidentiality. Tenant shall keep any information gained from the inspection of Landlord's records, books, and general ledger confidential and shall not disclose any information contained therein to any other party, except as required by law. If requested by Landlord, Tenant shall require those employees or agents inspecting Landlord's records, books, and general ledger to sign a confidentiality agreement prior to their inspection and review of the same.

5.8. Time Limitation to Bill Tenant for Operating Expenses and Tax Expenses. In no event shall Tenant be required to pay Tenant's Proportionate Share of any Operating Expenses that Landlord failed to bill Tenant for and that accrued more than three (3) years prior to the date that Tenant is

notified by Landlord of such expenses. In addition, Landlord may not seek reimbursement from Tenant due to an adjustment in Operating Expenses more than three (3) years after furnishing an Actual Expenses Statement to Tenant. Notwithstanding the above, there shall be no time limitation on any Operating Expenses that are outside Landlord's reasonable control, such as, but not limited to, Real Estate Taxes, Insurance Costs, Utilities or expenses billed by any jurisdictional agency having the right to invoice Landlord.

ARTICLE 6 - USE AND COMPLIANCE WITH LAWS

6.1. Permitted Use. Tenant shall use and occupy the Premises for the purpose of an outpatient dialysis facility and related office uses ("Permitted Use"). Tenant shall not use or occupy the Premises for any other purpose without Landlord's prior written consent, which shall not be unreasonably withheld or delayed. Tenant acknowledges that it shall not expand upon the Permitted Use or make use of the Premises for any other use or purpose without Landlord's express written, advance consent. Tenant shall not violate the exclusive uses of other occupants in the Center or the restricted uses of the Center as detailed in the Exhibit E attached hereto (which Landlord may update from time to time to represent other leasing activity in the Center). Tenant shall not commit or suffer any waste of the Premises or the improvements and will not conduct any activity in the Premises that are excessively noisy or offensive, or in a manner that violates federal, state, county, city, or government agency laws, statutes, ordinances, standards, rules, requirements, or orders now in force or hereafter enacted, promulgated, or issued (collectively, "Laws") or the Center rules and regulations attached hereto as Exhibit B. Tenant may operate on the Premises, at Tenant's option, on a three hundred sixty-five (365) days a year, seven (7) days a week, twenty-four (24) hours-a-day basis, subject, however, to zoning and other regulatory requirements. Tenant agrees that any additional expenses incurred by Landlord as a result of Tenant's extended hours of operation, such as, but not limited to, late night lighting, shall be billed back to Tenant as Additional Rent. .

Tenant shall not, without Landlord's prior written consent, keep anything within the Premises or use the Premises or common areas for any purpose which increases the insurance premium cost or invalidates any insurance policy carried on the Premises or on other parts of the Center. Subject to the terms of the Lease, all property kept, stored, or maintained within the Premises or the Center by Tenant or Tenant's employees, contractors, agents, guests or invitees shall be at Tenant's sole risk. Neither Landlord nor Landlord's agent makes any representation or warranty that Tenant's intended use of the Premises complies with applicable jurisdictional requirements.

6.2. Condition of Premises; Repairs and Replacements. Tenant shall keep the Premises in a neat and orderly fashion during the Lease Term. Tenant, at Tenant's sole expense, shall promptly make all repairs, replacements, alterations, or improvements to the Premises including its Tenant Improvements (as defined in Article 7), Alterations (as defined in Article 8), fixtures, and furnishings, in order to comply with all Laws to the extent that such Laws relate to or are triggered by Tenant's particular use of the Premises. Tenant shall be responsible to keep itself informed as to all such laws and regulations and the lack of notice or knowledge thereof shall not excuse Tenant's non-compliance therewith. Tenant shall indemnify, defend and hold harmless Landlord and Landlord's officers, agents, members, employees, assigns, successors and mortgagees from all claims, demands, actions, fines, judgments, assessments, attorney's fees, costs and losses of

any nature and kind arising from Tenant's breach of this provision. Notwithstanding the foregoing, Tenant shall not be obligated to make any structural changes to the Premises. Landlord, at Landlord's sole expense, shall promptly make all repairs, replacements, alterations, or improvements, retrofitting, or remediation needed to comply with all Laws to the extent that such Laws apply to the Center structural components as a whole.

6.3. *Compliance with Center Rules and Regulations.* Tenant shall comply with the Center's Rules and Regulations attached to this Lease as Exhibit B and any reasonable amendments or additions promulgated by Landlord during the Lease Term for the safety, care, and cleanliness of the Center, and Property or for the preservation of good order. No amendment or addition to the Center's Rules and Regulations shall be binding on Tenant until the tenth (10th) business day after Tenant receives written notice of the change, and in no event shall the Center's Rules and Regulations take precedence over the specific terms and conditions of this Lease. Landlord shall enforce the Center's Rules and Regulations in a nondiscriminatory manner and, whenever necessary, shall use its authority under leases with other tenants to ensure that such other tenants of the Center also comply with the Center's Rules and Regulations.

Tenant shall keep the Premises open for business and cause Tenant's business to be conducted in the Premises continuously during the term of this Lease during those days and hours as is customary for businesses of like character, except to the extent that the use of the Premises is interrupted or prevented by causes beyond Tenant's reasonable control.

ARTICLE 7 -TENANT IMPROVEMENTS

7.1. *Tenant Improvements.* Tenant shall submit plans and specifications for its initial improvements ("Tenant Improvements") to Landlord for approval, which shall not be unreasonably withheld or delayed, and which shall be deemed granted if Landlord does not respond within fifteen (15) business days of Landlord's receipt of Tenant's submission. Landlord hereby grants Tenant and its contractors, agents, equipment and materials suppliers, and subcontractors a license to access the Property, the Center and the Premises for purposes of delivering supplies and constructing the Tenant Improvements, provided such activity does not unreasonably impair or impede the business activities of other tenants in the Center or the operation of the Common Areas. Landlord's prior written consent is required for all construction staging areas and in any event, all Tenant's construction activities should be restricted to the back of the Building as much as possible. During the construction of the Tenant Improvements, Tenant shall submit all changes to its plans and specifications to Landlord for approval, which shall not be unreasonably withheld or delayed, and which shall be deemed granted if Landlord does not respond within ten (10) business days of Landlord's receipt of such changes. Tenant's access to and/or installation of any and all equipment on the roof of the Building requires Landlord's specific prior review and written consent. Landlord shall have the right to authorize Landlord's roofer to complete no fewer than two (2) inspections of Tenant's roof work: initially when the work commences (which may involve removal of existing equipment or completion of new roof penetrations or replacement of existing equipment, for example), and again when the roof work and equipment installation is complete. Landlord's roofer may perform other interim inspections depending on the scope of work and schedule for completion. Landlord's roofer may provide reasonable comments, suggestions and recommendations for additional work or modifications to Tenant's plans or work performed to assure compliance with any roofing

warranties and/or to comply with Landlord's management practices with regard to the roof structure, membrane or other roof systems; and Tenant agrees to reasonably comply with such suggestions and recommendations. The reasonable cost of Landlord's roofing inspections related to any installations on or access to the roof by Tenant shall be borne by Tenant.

7.1.1. Flooring. Landlord hereby recognizes that Tenant plans to install flooring within the Premises as part of the Tenant Improvements, that such flooring is critical to the proper day to day operation of Tenant's business, and that proper functioning of such flooring requires that vapor emissions from the concrete floor slab cannot exceed three (3) pounds per one thousand (1,000) square feet every twenty-four (24) hours (the "Flooring Threshold"). Landlord hereby grants Tenant permission to test for such vapors, at Tenant's sole cost and expense. If Tenant's testing reveals that the vapor emissions of the slab exceeds the Flooring Threshold, Tenant shall, at its sole cost and expense, have thirty (30) days to seal or otherwise prepare the floor so that the concrete floor slab meets the requirements of the Flooring Threshold.

7.2. Construction Requirements. Tenant shall obtain all building and other permits or licenses required for Tenant's work. The Tenant Improvements shall be constructed in a good and workmanlike manner using quality materials, and using licensed and insured contractors. During construction of the Tenant Improvements, Tenant shall use reasonable efforts not to disturb other tenants in the Center. Promptly after completion of the Tenant Improvements, Tenant shall procure a certificate of occupancy for the Premises from the applicable authorities. Copies of each such permit, license and certificate obtained by Tenant pursuant to this Section 7.2 shall be delivered to Landlord. Subject to the terms of Article 10 of this Lease, Tenant covenants not to suffer any mechanic's liens to be filed against the Property, Center or Premises by reason of any work, labor, services or materials performed at or furnished to the Premises by Tenant, or by anyone acting through or on behalf of Tenant related to the construction of the Tenant Improvements. Notification to Landlord of any preliminary notice, stop work notice or notice of lien due to Tenant's work, or other similar notification related to Tenant's Work, shall be communicated to Tenant.

ARTICLE 8 - ALTERATIONS

8.1. General. Tenant may remodel the Premises during the Lease Term in accordance with the terms and conditions of Section 8.2 of this Lease. In addition, without the necessity of obtaining Landlord's consent, excepting any electrical, mechanical, plumbing improvements or where such Tenant remodel may require permit issuance, in which event Landlord's prior review and consent is required, Tenant may install such counters, partitions, walls, shelving, fixtures, fittings, machinery and equipment in the Premises as Tenant deems necessary to conduct its business. Tenant may also install a television or satellite antenna on the roof of the Premises, flues and wall or roof penetrations, subject to the conditions in 7.1, and an emergency generator in a location to be approved by Landlord in advance of any such installation. Tenant shall cooperate with Landlord with respect to the location and method of installation of such equipment.

8.2. Prohibited Alterations; Landlord's Consent Required. Notwithstanding anything contained in Section 8.1, Tenant shall not be permitted to make any alteration or modification to the

Premises after the Commencement Date which either (a) costs more than Fifty Thousand Dollars (\$50,000.00) in each instance or (b) affects the structural, electrical, mechanical, plumbing or life safety systems of the Center, without Landlord's prior written consent, which consent shall not be unreasonably withheld or delayed. .

8.2.1. Consent Procedure. Tenant shall request Landlord's consent by submitting the plans and specifications for its proposed Alterations to Landlord, and Landlord shall have ten (10) business days thereafter to review such plans and specifications. If Landlord fails to give or withhold its consent in writing to Tenant within such ten (10) business day period, except as provided in article 7.1 herein, Landlord shall be deemed to have given its consent to Tenant's proposed Alterations.

8.3. Compliance with Laws and Insurance Requirements. Tenant shall ensure that its construction of all Alterations complies with all Laws and any applicable requirements. Tenant shall obtain all permits that may be required by any governmental entity having jurisdiction over the Premises.

8.4. Manner of Construction and Payment. Tenant shall have the right to use contractors and subcontractors of its choosing, but which shall be properly licensed and registered as required by law. All work relating to any Alterations shall be done in a good and workmanlike manner, using materials equivalent in quality to those used in the construction of the Tenant Improvements. The construction of Alterations by Tenant shall be diligently prosecuted to completion, and Tenant shall ensure that all work is performed in a manner that does not obstruct access to or through the Center or the Common Areas, impair or impede the operation of other tenants in the Center or block access to or visibility of other occupants or with any other work being undertaken by Landlord in the Center.

8.5. Payment for Alterations. Tenant shall promptly pay all charges and costs incurred in connection with its construction of all Alterations. Subject to the terms of Article 7.2 and 10 of this Lease, Tenant covenants not to suffer any mechanic's liens to be filed against the Property, Center or Premises by reason of any work, labor, services or materials performed at or furnished to the Premises by Tenant, or by anyone acting through or on behalf of Tenant related to the construction of any Alteration.

ARTICLE 9 - REPAIRS AND MAINTENANCE

9.1. Tenant's Repair and Maintenance Obligations. During the Lease Term, Tenant shall at its sole cost and expense keep and maintain the non-structural portions of the interior of the Premises, including all Tenant Improvements and Alterations, in good order and repair and free of refuse and rubbish including, without limitation, interior walls, flooring, ceiling, windows and framing (including glass, doors, all framing and hardware therefore), the electrical and plumbing systems inside the Premises. Tenant shall provide necessary janitorial services inside the Premises.

9.2. Landlord's Repair and Maintenance Obligations. During the Lease Term, Landlord shall, without expense to Tenant, except as otherwise provided in Section 5.2, maintain and make all necessary repairs and/or replacements to the Common Areas, structural portions of the Center and structural portions of the Premises and Building, including, without limitation: floor slab

(excepting any work performed by Tenant), foundations, structure, load bearing walls, exterior structural walls, the roof structure, structural columns and footings.

9.3. Limitations on Repair and Maintenance Obligations and Defaults. All of the foregoing in this Article 9 notwithstanding, neither Landlord nor Tenant shall be obligated to perform any maintenance, repair or replacement necessitated by the negligence or willful misconduct of the other party, or of the other's employees, contractors, or agents. The party whose negligence or willful misconduct caused the need for such maintenance, repair or replacement shall be responsible for same, at its sole cost. Neither party shall be in default of its repair and maintenance obligations under this Article 9 if Landlord or Tenant, as the case may be, begins performing repairs and maintenance and, due to the nature of the particular repair or maintenance obligation, more than thirty (30) days are reasonably required to complete such work and the responsible party is diligently prosecuting such work to completion. Notwithstanding anything to the contrary contained in the Lease, repair work to any portion of the Center outside of the Premises shall not be commenced without Landlord's prior written consent, and Landlord, at its option, reserves the right to make or contract for the necessary repairs thereto for damages caused by Tenant or persons for whom Tenant is responsible, without waiving Landlord's right to reimbursement for all such costs from Tenant. Any repair work to the Premises by Tenant shall be treated the same as alterations and improvements and undertaken in accordance with this Lease.

ARTICLE 10 - COVENANT AGAINST LIENS

10.1. Covenant Against Liens. Tenant shall not permit mechanics' or other liens to be placed upon the Property, Center, or Premises or Tenant's leasehold interest therein. Landlord shall have the right to post and record notices of non-responsibility in the Premises during Tenant's construction of the Tenant Improvements or any Alteration. Within thirty (30) days of written notice from Landlord, Tenant shall fully discharge any lien by settlement, bonding, or insuring over the lien in the manner prescribed by the applicable lien Law. Nothing contained in this Section 10.1 shall restrict or prohibit Tenant from initiating a legal action or defending itself in an existing legal proceeding to determine the validity of any lien or attachment. In all such cases, Tenant shall indemnify, protect, defend, and hold Landlord harmless from and against all claims, demands, causes of action loss, damage, liability, costs, and expenses (including attorney's fees and court costs) relating to such liens and attachments. In no event shall Tenant be in default under the terms of this Lease so long as Tenant has bonded or insured over the lien, provided Landlord with satisfactory evidence of such placement and Tenant is diligently pursuing the full discharge of any lien placed upon the Property, Center or Premises, as the case may be.

ARTICLE 11 - ENTRY BY LANDLORD

11.1. Landlord's Access to Premises. Tenant shall permit Landlord or its agent to enter the Premises upon reasonable prior notice to (a) inspect the Premises, (b) make such alterations, maintenance, or repairs therein as may be required under this Lease or pursuant to any Law, (c) show the Premises to prospective purchasers or mortgagees or to ground or underlying landlords, or (d) serve or post all notices required by law or permitted by this Lease. In addition to the foregoing, during the last ninety (90) days of the Lease Term, Tenant shall permit Landlord to show the Premises to prospective tenants at reasonable times, and to place notices on the front of

the Premises or on any part thereof offering the Premises for lease. Landlord shall exercise its rights under this Article 11 at such times and in such a manner as to minimize the impact of any interference with Tenant's business in and occupancy of the Premises.

11.1.1. Emergency Entries. Landlord and Landlord's agents may enter the Premises without any advance notice when necessary to address emergency situations. For purposes of this Section 11.1.1, an emergency situation is one that poses a threat of imminent bodily harm or property damage. If Landlord makes an emergency entry into the Premises when no authorized representative of Tenant is present, Landlord shall provide notice to Tenant as soon as reasonably possible after that entry and shall take reasonable steps to secure the Premises until a representative of Tenant arrives at the Premises.

11.2. HIPAA Compliance Provision. Landlord acknowledges that Tenant is subject to the provisions of the Health Insurance Portability and Accountability Act of 1996 and related regulations ("HIPAA"), and that HIPAA requires Tenant to ensure the safety and confidentiality of patient medical records. Landlord further acknowledges that, in order for Tenant to comply with HIPAA, Tenant must restrict access to the portions of the Premises where patient medical records are kept or stored. Landlord hereby agrees that, notwithstanding the rights granted to Landlord pursuant to this Article 11, except for an emergency entry into the Premises taken pursuant to Section 11.1.1 of this Lease or when accompanied by an authorized representative of Tenant, neither Landlord nor its employees, agents, representatives or contractors shall be permitted to enter those areas of the Premises designated by Tenant as locations where patient medical records are kept and/or stored.

11.3. Method of Entry. In an emergency situation, Landlord shall have the right to use any means that Landlord considers proper to open the doors in and to the Premises. Any such entry into the Premises by Landlord shall not be considered a forcible or unlawful entry into the Premises or an actual or constructive eviction of Tenant from any portion of the Premises.

ARTICLE 12 - HVAC, UTILITIES AND SERVICES

12.1. HVAC. As part of Landlord's Work, Landlord shall provide heating and air conditioning equipment as required by Exhibit C of the Lease to serve the Premises ("HVAC"). Landlord agrees to assign to Tenant warranties in Landlord's possession for the HVAC equipment, if any. Tenant shall be responsible for the maintenance and repair of the HVAC including all equipment, connections and utilities including but not limited to the rooftop unit(s), ducting, venting, thermostats, wiring and fire safety systems installed as part of the HVAC equipment, electrical and gas utilities. Provided Tenant has delivered to Landlord the contract for HVAC maintenance and the quarterly technician reports, Landlord shall be responsible for the replacement of the HVAC, the cost of which shall be amortized over its useful life in accordance with GAAP. Tenant shall contract with a licensed, bonded HVAC technician to provide routine maintenance and repairs for the HVAC providing for no fewer than quarterly service and will provide Landlord with a copy of the contract and copies of the quarterly technician reports as the work is performed.

12.2. Utilities and Services. Landlord shall represent that hot and cold water, electricity, gas, sewer, and other standard utility services are available to the Center and are provided to the Premises on all days during the Lease Term on a 24-hour-a-day, 7-day-a-week basis. Tenant's Premises shall be separately metered for electricity and gas service. Water and sewer, as well as

other utilities such as, but not limited to fire water line and fire alarm monitoring are provided in combination with others and will be billed to Tenant by Landlord in following with the terms of this Lease. Notwithstanding the above, Tenant will install a water/sewer sub-meter that will measure Tenant's consumption. Tenant shall pay monthly an estimated water/sewer expense and Landlord will reconcile the actual charges based on Tenant's consumption in conjunction with the delivery of the Actual Expenses Statement pursuant to Article 5. *Provided*, if any such services or utilities are billed to Landlord and/or are not separately metered to the Premises, the amount thereof shall be pro-rated and Tenant shall pay to Landlord upon demand an amount equal to that proportion of the total charges therefor which the number of square feet of gross floor area of the Premises bears to the total number of square feet of gross floor area leased and occupied in the area covered by such combined charges. *Further provided*, if Landlord determines based upon a good faith review of uses that Tenant's use of any of said utilities or services is materially in excess of that normally used by the other tenants and/or occupants of the area covered by such utilities or services, then Tenant shall pay that proportion of such charges in a weighted ratio that more fairly and accurately represents the amount of Tenant's actual use thereof.

Tenant, at its sole cost and expense, shall be responsible for bringing telephone service and cable or satellite television service to the Premises.

12.3. *Payment of Utility Charges.* Tenant shall pay or cause the payment of all charges for gas, electrical, telephone and other utility services supplied to the Premises during the Lease Term whether such charges are billed directly to Tenant by the service provider or billed to Tenant by Landlord. Tenant shall receive all savings, credits, allowances, rebates or other incentives granted or awarded by any third party as a result of any of Tenant's utility specifications in the Premises. Should Landlord elect to supply any or all of such utilities, Tenant agrees to purchase and pay for the same that the rate charged by Landlord to Tenant shall not exceed the rate charged Landlord by any supplying utility plus any expenses incurred by Landlord in connection with billing and supplying such utility service to Tenant.

12.4. *Interruption of Utility Services.* In no event shall Landlord be liable for any interruption or failure in the supply of any utility to the Premises unless such interruption was caused by the gross negligence or willful misconduct of Landlord or any person or entity acting on behalf of Landlord. In such event, provided Tenant is unable to conduct business from the Premises during such interruption or failure, Tenant shall be entitled to an abatement of Base Rent and Additional Rent for the period of such interruption if Landlord does not make repairs and restore all interrupted services to the Premises within two (2) business days.

ARTICLE 13 - TAXES

13.1. *Payment of Tax Expenses.* Landlord shall pay before due all Tax Expenses assessed against the Property.

13.2. *Payment of Personal Property Taxes.* Tenant shall pay before due all taxes levied or assessed against its personal property, furniture, or fixtures placed within the Premises. If any taxes for which Tenant is liable are levied or assessed against Landlord or Landlord's property and Landlord elects to pay the same, or if the assessed value of Landlord's property is increased

by the inclusion of Tenant's personal property, furniture or fixtures, then Tenant shall pay to Landlord the portion of such taxes for which Tenant is primarily liable hereunder.

ARTICLE 14 – INSURANCE

14.1. Tenant's Insurance. Tenant covenants and agrees that throughout the Lease Term it will keep in full force and effect the following insurance policies, which shall name Landlord and Landlord's Property Manager as additional insureds, and insure Tenant from all claims, demands or actions arising out of Tenant's use and occupancy of the Premises:

- (a) "All risk" property insurance, including fire and extended coverage, vandalism, malicious mischief, sprinkler leakage and water damage, demolition and debris removal and flood insurance (if the Center is located in a flood hazard area) insuring, on a 100% full replacement value basis, the Tenant Improvements and Alterations, stock of goods, trade fixtures and all other contents that Tenant is responsible for.
- (b) Comprehensive general liability and/or public liability insurance with limits not less than \$2,000,000 combined single limit, including coverage for bodily injury and property damage to third parties.
- (c) Insurance agreed to in this Section 14.1 may be provided in a combination of self-insured retention, primary insurance and /or excess / umbrella insurance. Policies shall be placed with companies holding an A.M. Best's rating of B+ or better. Tenant shall provide the Landlord with a certificate of insurance evidencing the existence and amounts of such insurance required herein
- (d) Landlord and its property management company (or manager) shall be named as additional insureds and shall be furnished with a certificate evidencing Tenant's required coverage. Landlord shall have the right to deny Tenant access to the Premises until the foregoing conditions have been satisfied, but the same shall not delay or postpone the Lease Commencement Date or the Rent Commencement Date hereunder.
- (e) Tenant shall be responsible to maintain all insurance required for the conduct of Tenant's business and for the protection, repairs and/or replacement of Tenant's property and Tenant's interest in the Premises including, without limitation, business interruption insurance, fire and extended coverage, theft, liability, plate glass breakage.

14.2. Landlord's Insurance. Landlord shall carry such commercially reasonable amounts of insurance for the Shopping Center as is typical of other landlords for similar type shopping centers, subject to reimbursement of the costs therefor as provided herein.

14.3. Waivers. Landlord and Tenant hereby mutually waive their respective rights of recovery against each other for any loss insured by the "all risk" property insurance policies existing for the benefit of the respective parties. Each party shall obtain any special endorsements, if required by their insurer to evidence compliance with the aforementioned waiver.

ARTICLE 15 - HAZARDOUS MATERIALS; MEDICAL WASTE

15.1. Definition of Hazardous Materials. Hazardous Materials shall mean any hazardous or toxic substance, material, or waste in any concentration that is or becomes regulated by the United States of America, the state in which the Property is located, or any local governmental authority having jurisdiction over the Building, and shall include:

- (a) Any "hazardous substance," as that term is defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 United States Code sections 9601-9675);
- (b) "Hazardous waste," as that term is defined in the Resource Conservation and Recovery Act of 1976 (42 United States Code sections 6901-6992k);
- (c) Any pollutant, contaminant, or hazardous, dangerous, or toxic chemical, material, or substance, within the meaning of any other applicable federal, state, or local law, regulation, ordinance, or requirement;
- (d) Petroleum products, asbestos containing materials ("ACM's") in any form or condition, and polychlorinated biphenyls ("PCB's") and substances or compounds containing ACM's or PCB's; and
- (e) Radioactive material, including any source, special nuclear, or byproduct material as defined in 42 United States Code sections 2011-2297g-4;

15.2. Representations and Warranties of Landlord. Landlord hereby represents and warrants that to the best of Landlord's knowledge, that (a) as of the date of this Lease it has no knowledge of any Hazardous Materials located in, on, or under the Building or the Premises, and (b) Landlord has not received any notices or other notifications from any governmental entity that the Property, the Building or the Premises is in violation of any environmental law. In the event that a Hazardous Material of whatever kind or nature and wherever located, including, but not limited to, soil, water, building components, above ground or below ground storage containers is found to be present at the Premises, the Building, or the Property, then so long as the presence of such Hazardous Material is not the fault of Tenant, or Tenant's employees, agents, contractors, vendors or invitees, Landlord will assume full responsibility and liability for treatment of same in accordance with all applicable Laws.

15.3. Tenant's Use of Hazardous Materials. Except as may be required in Tenant's ordinary course of business and as provided by law, Tenant shall not cause any Hazardous Materials to be generated, brought onto, used, stored, or disposed of in or about the Property, the Building, or the Premises. Tenant shall comply at all times during the Lease Term with all Laws governing the use, storage, and disposal of Hazardous Materials, including those Laws cited in Section 15.1 of this Lease.

15.4. Notification to Other Party. During the Lease Term, if Tenant becomes aware of (a) any release of any Hazardous Material on, under, or about the Premises, the Building, or the Property or (b) any investigation, proceeding, or claim by any governmental agency regarding the presence of Hazardous Material on, under, or about the Premises or the Building Tenant shall give Landlord written notice of the release or investigation within three (3) days after learning of it and shall simultaneously furnish to the Landlord copies of any claims, notices of violation, reports, or other writings received providing notice that concern the release or investigation.

15.5. Remediation Obligations. If the presence of any Hazardous Material brought onto the Property, the Building, or the Premises by either Landlord or Tenant, including Tenant's Medical Waste detailed in article 15.7 below, or by Landlord's or Tenant's employees, agents, contractors, or invitees results in contamination of the Property, the Building or the Premises, that party shall promptly take all necessary actions, at its sole cost and expense, to return the Property, the Building, or the Premises, as the case may be, to the condition that existed before the introduction of such Hazardous Material. The costs of any Hazardous Material cleanup or remediation undertaken by Landlord during the Lease Term not caused by Tenant, Tenant's employees, agents, contractors or invitees, shall be borne solely by Landlord and shall not be included in Operating Expenses. The costs of any Hazardous Material cleanup or remediation due to Tenant's occupancy or use shall be borne solely by Tenant. If Landlord undertakes any cleanup, remediation, detoxification, or similar action pursuant to this Section 15.5 as a result of the presence, release, or disposal in or about the Property, the Building, or the Premises of any Hazardous Material, and that action requires that Tenant be denied access or use of the Premises to conduct its business on the Premises for a period of greater than one (1) business day, Base Rent and Additional Rent payable under this Lease shall be abated for the period that Tenant is unable to conduct its business in the Premises.

15.6. Indemnifications. Landlord and Tenant shall, at that party's sole expense and with counsel reasonably acceptable to the other party, indemnify, defend, and hold harmless the other party and the other party's shareholders, directors, officers, employees, partners, affiliates, agents, and successors with respect to all losses arising out of or resulting from the release of any Hazardous Material in, on, under or about the Property, the Premises or the Building, or the violation of any environmental law, by that party or that party's agents, assignees, subtenants, contractors, or invitees. This indemnification includes all losses, costs of characterization, costs of removal, remedial actions, repairs, liabilities, obligations, penalties, fines, claims, actions (including remedial or enforcement actions of any kind and administrative or judicial proceedings, orders, or judgments), damages (including consequential and punitive damages), and costs (including attorney, consultant, and expert fees and expenses) resulting from the release or violation. This indemnification shall survive the expiration or earlier termination of this Lease.

15.7. Medical Waste. For purposes of this Lease, "Medical Waste" shall include (i) medical devices, instruments, or paraphernalia such as, but not limited to, syringes, sutures, swabs or wraps of any sort that are intended to come into contact with any part of the body, and (ii) biological wastes and other waste materials that results from the administration of medical care to a patient by Tenant. During the Lease Term, Tenant shall provide containment of such Medical Waste inside Tenant's secured Premises at all times until proper disposal of such Medical Waste is performed. Tenant agrees to not dispose of any Medical Waste in any receptacles located on the outside of the Property, Building, or Premises. Notwithstanding anything to the contrary contained in this Lease or any exhibit to this Lease, Tenant shall at all times during the Term have the right, in a manner consistent with generally accepted medical practices and all applicable laws, codes and regulations of any agency having the right to supervise and/or control such practices, to (a) determine the kind of container in which to store Medical Waste inside the Premises prior to its disposal, and/or (b) retain the services of a licensed independent contractor to dispose of the Medical Waste generated in the Premises.

ARTICLE 16 - INDEMNIFICATIONS

16.1. Indemnification by Tenant. Tenant agrees to indemnify and hold Landlord harmless against all claims, demands, costs and expenses, including reasonable attorney's fees for the defense thereof, arising from Tenant's conduct, management of Tenant's business, use and occupancy of the Premises, construction of Tenant Improvements and Alterations, breach of any of the terms and conditions of this Lease, or the negligence or willful misconduct of Tenant, its agents, servants, contractors or employees or invitees. Notwithstanding anything to the contrary contained herein, the foregoing provision shall not be construed to hold Tenant responsible for any loss, damage, liability or expense resulting from injuries caused by any negligence or intentional misconduct of Landlord, its agents, servants, contractors or employees. In case of any action or proceeding brought against Landlord by reason of such claim as is described in the initial sentence of this paragraph, Tenant, upon written notice from Landlord, covenants to defend such action or proceeding by counsel reasonably acceptable to Landlord.

16.2. Indemnification by Landlord. Landlord agrees to indemnify and hold Tenant harmless against all claims, demands, costs and expenses, including reasonable attorney's fees for the defense thereof, arising from Landlord's conduct, management of Landlord's business, construction of improvements by Landlord including Landlord's Work, breach of any of the terms and conditions of this Lease, or the negligence or willful misconduct of Landlord, its agents, servants, contractors or employees or invitees. Notwithstanding anything to the contrary contained herein, the foregoing provision shall not be construed to hold Landlord responsible for any loss, damage, liability or expense resulting from injuries caused by any negligence or intentional misconduct of Tenant, its agents, servants, contractors or employees. In case of any action or proceeding brought against Tenant by reason of such claim as is described in the initial sentence of this paragraph, Landlord, upon written notice from Tenant, covenants to defend such action or proceeding by counsel reasonably acceptable to Tenant.

ARTICLE 17 - DAMAGE AND DESTRUCTION

17.1. Damage or Destruction of Premises. If the Premises or the Center shall be partially damaged by fire or other cause covered by insurance maintained by Landlord, and if Section 17.2 below does not apply, Landlord shall proceed promptly to have the same repaired and/or replaced, to the extent of insurance proceeds available to do so, and this Lease shall remain in full force and effect during the period required for such repairs and replacements, except that the Rent, until such repair and/or replacement work has been substantially completed, shall be reduced by an amount proportionate to the loss of unusable square footage for Tenant's Permitted Use. *Provided*, if the damage is due to the fault or neglect of Tenant or any employee, agent, contractor, vendor or invitee of Tenant or of any subtenant of Tenant, there shall be no reduction or abatement of Base Rent or other amounts due from Tenant hereunder. Tenant shall be responsible, at its sole cost and with whatever insurance proceeds as may be available to Tenant through its own insurance, to repair or replace any of Tenant's fixtures, equipment, inventory, supplies, furnishings, personal property and leasehold improvements as may be damaged or destroyed as a result of such occurrence. Notwithstanding anything to the contrary contained herein, Tenant shall have the right to terminate the Lease by providing Landlord with not less than thirty (30) days advance written notice in the event the Premises is not repaired or restored within 270 days from the date of such damage or destruction.

17.2. Complete Damage or Destruction. If the Premises or the Center are damaged to the extent of greater than thirty-five percent (35%) of their replacement cost by any cause, Landlord may elect to terminate this Lease as of the date of damage or destruction by notice given to Tenant in writing not more than forty-five (45) days following the date of damage. In such event, all rights and obligations of the parties shall cease as of the date of termination. In the absence of an election to terminate, Landlord shall proceed, to the extent that insurance proceeds are made available to Landlord, to restore the Premises and/or the Center to substantially the same form as prior to the damage or destruction, so as to provide Tenant usable space reasonably equivalent in quantity and character to that before the damage or destruction. Work shall be commenced as soon as reasonably possible, and thereafter proceed without interruption, except for work stoppages on account of matters beyond the reasonable control of Landlord. In no event shall Landlord be responsible for Tenant's loss of fixtures, equipment or potential profits. Notwithstanding anything to the contrary contained herein, Tenant shall have the right to terminate the Lease by providing Landlord with not less than thirty (30) days advance written notice in the event the Premises is not repaired or restored within 270 days from the date of such damage or destruction.

17.3. Damage Near End of Term. Notwithstanding any other provision of this Article 17 to the contrary, if any portion of the Premises is destroyed or damaged by a casualty during the last twelve (12) months of the Lease Term, Landlord and Tenant shall each have the option to terminate this Lease by giving thirty (30) days' written notice to the other party within thirty (30) days of the date of the casualty.

17.4. Effective Date of Termination; Rent Apportionment. If Landlord or Tenant elects to terminate this under this Article 17 in connection with a casualty, Tenant shall pay Rent properly apportioned up to the date of the Lease termination as if the accelerated termination date was the natural Lease expiration date. After the effective date of the termination, Landlord and Tenant shall be discharged of all future obligations under this Lease, except for those provisions that, by their terms, survive the expiration or earlier termination of the Lease.

ARTICLE 18 - CONDEMNATION

18.1. Condemnation. If any material portion of the Premises is taken or condemned by any competent authority having the right to do so for any public or quasi-public use or purpose or is sold to the condemning authority in lieu of condemnation, and such condemnation renders the Premises inaccessible or unusable for Tenant's Permitted Use, Landlord and Tenant shall each have the right to terminate this Lease upon thirty (30) days written notice to the other party as if such accelerated termination date was the natural Lease expiration date. If a portion of the Premises is taken or condemned and the remainder of the Premises is accessible and usable for Tenant's Permitted Use, Landlord shall proceed as soon as reasonably possible to make such repairs and alterations to the Premises as are necessary to restore the remainder of the Premises to a condition as comparative as reasonably practical to that existing prior to the condemnation. Tenant shall have the right to make such claims directly to the condemning authority as may be available to Tenant under applicable law, provided such claims do not reduce the amount of condemnation proceeds available to Landlord.

18.2. Apportionment of Rent. If this Lease is terminated under this Article 18, Tenant shall only be obligated to pay Rent for the period up to, but not including, the termination date of this Lease. Landlord shall return to Tenant any prepaid Rent allocable to any period on or after the Termination Date.

ARTICLE 19 - ASSIGNMENT AND SUBLEASING

19.1. Restricted Transfers. Except as provided in Section 19.2 of this Lease, Tenant shall not assign, sublease or otherwise encumber any part of its interest in this Lease or in the Premises without Landlord's prior written consent, which shall not be unreasonably withheld or delayed. Concurrent with Tenant's written request for Landlord's consent to a transfer, Tenant shall provide Landlord with (a) information regarding the proposed transferee, including their name, address, and ownership profile, (b) the nature of the proposed transferee's business and anticipated use of the Premises; (c) current audited financial statements of the proposed transferee, and (d) all material terms of the proposed transfer, including the base rent to be paid by the proposed transferee for the term of the proposed assignment or sublease, the portion of the Premises to be transferred, a general description of any planned alterations or improvements to be made by the proposed transferee to the Premises, the proposed effective date of the transfer, and copies of other relevant documentation reasonably requested by Landlord in order to review Tenant's request .

19.1.1. Standard of Landlord's Reasonableness. It shall not be deemed unreasonable for Landlord to withhold consent to subletting or assignment by Tenant under this Lease if Landlord in its sole judgment determines that the proposed transferee (a) is of a character or is engaged in a business which is not in keeping with Landlord's standards for the Center, as determined solely by Landlord; (b) has a use which conflicts with the general character of the Center or any provision in another tenant's lease with Landlord; (c) does not meet the then current commercially reasonable financial standards required by Landlord; or (d) is unacceptable because Tenant is in default under this Lease at the time of the request for Landlord's consent; or (e) the proposed use violate or create any potential violation of any laws; or (f) managerial and operational skills of the proposed subtenant/assignee are not at least equal to those of the existing Tenant, or for other reasons determined in Landlord's sole discretion. Consent given by Landlord to any such assignment or subletting shall not operate as a waiver of the necessity for a consent to any subsequent assignment or subletting.

Prior to the taking of occupancy of the Leased Premises or any portion thereof by such assignee or sublessee (or within not more than ten days after receipt of Landlord's statement therefor, if such statement is not provided prior to such taking of occupancy), Tenant shall pay to Landlord the amount equal to the amount of all costs incurred by Landlord to investigate and determine whether to consent to any such proposed assignment or sublease, including, but not limited to, the costs incurred by Landlord for credit investigation, review of financial information pertaining to said proposed assignee or sublessee, review and/or preparation of documents necessary to such assignment or sublease or consent thereto, and any such other costs incurred by Landlord in response to Tenant's request for consent to assignment or sublease. Tenant shall be obligated to reimburse Landlord for all costs so incurred irrespective of whether Landlord consents to such

proposed assignment or sublease. *Provided*, Tenant's obligation to reimburse Landlord for such costs shall not exceed \$1,500.00.

19.2. Permitted Transfers. Notwithstanding Section 19.1, Tenant may assign this Lease or sublease the Premises in whole or in part, upon not less than thirty (30) days advance written notice to Landlord, but without the consent of Landlord to:

- (a) any entity into which or with which Tenant has merged or consolidated;
- (b) any parent, subsidiary, successor, or wholly-owned affiliated entity of Tenant;
- (c) any entity which acquires all or substantially all of the assets or issued and outstanding shares of capital stock of Tenant;
- (d) any partnership, limited liability company or other entity, the majority interest of which shall be owned by Tenant or a parent, subsidiary, successor or wholly-owned affiliate entity of Tenant;
- (e) any purchaser of substantially all of Tenant's assets, provided that any such assignee or successor shall agree in writing to assume and perform all of the terms and conditions of this Lease on Tenant's part to be performed from and after the effective date of such assignment or subletting; or
- (f) [sublease only] any doctor or medical director associated with Tenant, provided that no more than ten percent (10%) of the Premises are transferred pursuant to this Section 19.2(f).

19.2.1. No Release of Tenant. Neither Tenant nor any guarantor of this Lease shall be released from liability accruing under this Lease after the date of any Permitted Transfer.

19.3. Right to Collect Base Rent. If this Lease is assigned, Landlord shall collect Rent directly from the assignee. If all or part of the Premises is subleased and Tenant defaults, Landlord shall have the right to collect the Rent payable by the sublessee to Tenant directly from the sublessee provided that Landlord shall apply all amounts collected to Tenant's monetary obligations under this Lease.

19.4 Assignment of Landlord's Interest. Landlord shall have the right to assign or transfer, in whole or in part, all of Landlord's rights and obligations under this Lease and in the Premises, subject to this Lease. The completion of the sale, assignment, conveyance or transfer by Landlord of Landlord's ownership or interest in the Center shall be deemed to be an automatic assignment and transfer of all of Landlord's right, title and obligations under this Lease, except to the extent as may be set forth in a writing between Landlord and its transferee. Tenant hereby agrees that, upon Tenant's receipt of written notification from Landlord of Landlord's sale, assignment or transfer of the Center, Tenant shall attorn to and recognize, as Tenant's landlord under this Lease for the unexpired balance (and any extensions and renewals) of the term of this Lease, the person or entity to whom Landlord has sold, assigned, transferred and/or conveyed Landlord's interest in the Center, and Landlord shall have no further duties, obligations or liabilities to Tenant under this Lease (except as may be set forth in any writing between Landlord and such transferee, purchase, assignee or successor).

ARTICLE 20 - DEFAULTS AND REMEDIES

20.1. Default by Tenant. The occurrence of any of the following shall constitute a default by Tenant under this Lease:

- (a) Tenant's failure to pay when due any Base Rent, Additional Rent, or any other monetary obligation required to be paid under this Lease, or failure of Tenant to obtain Tenant's insurance as required by this Lease and if the failure continues for five (5) days after Landlord's delivery of written notice of its failure ;
- (b) Tenant's failure to perform any other obligation under this Lease if the failure continues for thirty (30) days after Landlord's delivery of written notice of its failure. If the required cure of the noticed default cannot be completed within thirty (30) days, Tenant's failure to perform shall not constitute a default under this Lease if Tenant has taken steps to cure the failure and is diligently and continuously attempting to complete the cure as soon as reasonably possible, provided however, said non-monetary default shall not extend past one hundred twenty (120) days without Landlord's prior written consent;
- (c) The entry of an order for relief with respect to Tenant or any guarantor of this Lease under any chapter of the Federal Bankruptcy Code, as amended, or similar statute, the dissolution, insolvency or liquidation of Tenant or any guarantor of this Lease, the appointment of a trustee or receiver to take possession of all or substantially all of Tenant's or any guarantor's assets or Tenant's interest under this Lease that is not discharged within thirty (30) days, or Tenant making any transfer in fraud of creditors; or
- (d) The execution by Tenant or any guarantor of this Lease of an assignment for the benefit of creditors; or
- (e) Assignment without Approval. Tenant assigning, conveying, transferring or subletting all or any interest under this Lease or in the Premises without Landlord's prior written consent; or
- (f) Failure to operate; Abandonment of the Leased Premises. Tenant's failure to operate, abandonment or termination of occupancy of the Premises by Tenant for a period of thirty (30) consecutive days or more without Landlord's consent.

20.2. Landlord's Remedies on Tenant's Default. In the event of any such default or breach by Tenant, Landlord may at any time after any applicable cure period, with or without notice or demand and without limiting Landlord in the exercise of a right or remedy which Landlord may have by reason of such default or breach, upon the occurrence of any event of default by Tenant, Landlord shall have the following rights and remedies, each of which shall be cumulative and nonexclusive:

- (a) Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord and, if Tenant fails to do so, Landlord may without prejudice to any other remedy which it may have for possession or arrearages under this Lease enter upon and take possession of the Premises and expel or remove Tenant from the Premises or any part thereof, without being liable for prosecution or any claim or damages therefor;
 - (i) Recover the following sums from Tenant:
 - (a) any unpaid Rent and other sums and charges due and coming due hereunder, the expenses of re-letting the Premises, including leasing commissions paid, and all necessary repair, renovation and alteration of

- the Premises, reasonable attorneys' fees, and all other sums which has been earned at the time of such termination plus accrued interest thereon at the rate twelve percent (12%) per annum; plus
- (b) the net present value, using a discount rate of twelve percent (12%) , of the unpaid rent for the balance of the Lease Term less any rental loss that Tenant proves could have been reasonably avoided; plus
 - (c) any amounts reasonably expended by Landlord to restore and/or repair the Premises to a leasable condition, in Landlord's sole determination;
- (b) *Continue the Lease.* Maintain Tenant's right to possession, in which case this Lease shall continue in effect whether or not Tenant has vacated or abandoned the Premises. Landlord may cure any default by Tenant by making any payment required to be made by Tenant (other than payments of Rent) or performing any of Tenant's other obligations under this Lease. Tenant shall repay any sums expended by Landlord pursuant to this Section within ten (10) days of Landlord's submission to Tenant of invoices and proof of payment. In the event that Tenant fails to reimburse Landlord hereunder, interest shall accrue on such sums at the rate of eighteen percent (18%) per annum unless such interest rate violates applicable usury laws, in which case interest shall accrue at the maximum allowable legal rate. No such payment or expenditure by Landlord shall be deemed a waiver of Tenant's default nor shall it affect any other remedy of Landlord by reason of such default; and
- (c) Accept any payments made by Tenant without waiving any rights under this Lease, including any rights that Landlord has to fully address and seek remedy for Tenant's default;
- (d) Landlord may sue periodically to recover damages as they accrue throughout the term of this Lease and no action for accrued damages shall be a bar to a later action for damages subsequently accruing. To avoid a multiplicity of actions, Landlord may obtain a decree requiring Tenant to pay the damages recoverable by Landlord as they accrue. Alternatively, Landlord may elect any one action to recover accrued damages plus damages attributable to the remaining term of this Lease equal to the difference between the rental under this Lease and the reasonable rental value of the Premises for the remainder of the term;
- (e) *Re-letting.* Landlord may re-let the Premises or any part thereof for such term or terms (which may be greater or less than the period which would otherwise have constituted the balance of the term of this Lease) and on such conditions (which may include concessions or free rent and alterations of the Premises) as Landlord, in its reasonable discretion, may determine and may collect and receive the rents therefor. Landlord shall in no way be responsible or liable for any failure to re-let the Premises or any part thereof, or for any failure to collect any rent due upon any such re-letting. Landlord may alter, refurbish or otherwise change the character or use of the Premises in connection with such re-letting. No such re-letting by Landlord following an event of default by Tenant shall be construed as an acceptance of the surrender of the Premises. If rent received upon such re-letting exceeds the rent received under this Lease, Tenant shall have no claim to the excess;
- (f) **Other Remedies.** Landlord may pursue any other remedy now or hereafter available to Landlord under the laws or judicial decisions of the State of Washington. Landlord shall be entitled to recover from Tenant all direct, indirect, incidental or consequential damages incurred by Landlord by reason of Tenant's default including, but not limited to, the cost of recovering possession of the Premises, costs and expenses of re-letting or attempting to re-

let, including renovation and alteration of the Premises to get the Premises into the condition which existed as of the Commencement Date, reasonable attorneys' fees;

- (g) **Cumulative Remedies.** Landlord's remedies hereunder are cumulative and Landlord's exercise of any right or remedy due to a default or breach by Tenant shall not be deemed a waiver of, or to alter, affect or prejudice any right or remedy which Landlord may have under this Lease or by law. Neither the acceptance of rent, nor any other act or omission of Landlord at any time or times after the happening of any event authorizing the termination or forfeiture of this Lease, shall operate as a waiver of any past or future violation, breach or failure to keep or perform any covenant, agreement, term or condition hereof or to deprive Landlord of its right to terminate or forfeit this Lease, upon the written notice provided for herein, at any time that cause for termination or forfeiture may exist, or be construed so as at any time to stop Landlord from promptly exercising any other option, right or remedy that it may have under any term or provision of this Lease, at law or in equity. In addition to the other remedies in this Lease provided, Landlord shall be entitled to restrain by injunction the violation or attempted violation of any of the covenants, agreement or conditions of this Lease. In no event shall any election by Landlord hereunder, including but not limited to the forfeiture of the security deposit, if any, or any entry by Landlord, with or without notice, be deemed to terminate this Lease or to relieve Tenant of its duties and obligations arising under the terms, covenants, agreements or conditions of this Lease, unless Landlord specifically elects to relieve Tenant.

20.3. Default by Landlord. Landlord's failure to perform any its obligations under this Lease shall constitute a default by Landlord under the Lease if the failure continues for thirty (30) days after written notice of the failure from Tenant to Landlord, describing in reasonable detail the nature of such Landlord default and, if warranted, delivery of reasonable proof of such Landlord default. If the required cure of the noticed default cannot be completed within thirty (30) days, Landlord's failure to perform shall not constitute a default under this Lease if Landlord has taken steps to cure the failure within thirty (30) days and is diligently and continuously attempting to complete the cure as soon as reasonably possible. Tenant further agrees not to invoke any of its remedies under this Lease until the applicable notice and cure period has elapsed. Landlord shall not be liable for any incidental or consequential damages arising from any such breach.

Landlord hereby acknowledges that the infiltration of water into the Premises represents a health and safety hazard to Tenant, its employees, and its patients. Therefore, notwithstanding anything to the contrary contained in this Section 20.3, Tenant shall have the right to exercise its rights pursuant to Section 20.4 of this Lease in the event that Tenant provides Landlord with written notice of a roof leak or other water infiltration into the Premises, not caused by Tenant, Tenant's use of the Premises, Tenant's vendors, contractors, agents, employees or invitees, and Landlord fails to fully repair the same within five (5) business days. Any water infiltration into the Premises found to be caused by Tenant or by Tenant's vendors, contractors, agents, employees or invitees or Tenant's failure to properly or adequately repair and maintain the Premises, Tenant shall rescind the notice of Landlord's default, and all repair expenses incurred shall be an expense billed back to Tenant by Landlord for actual out-of-pocket expenses.

20.4. Tenant's Right of Self Help. In the event of a default of this Lease by Landlord, where such default is deemed to be an immediate life safety hazard (defined as a life safety hazard

preventing Tenant's business operations), Tenant shall have the right, without waiving any claim of damages for breach of this Lease, to immediately cure such default for the account of Landlord. In exercising its self help rights pursuant to this Section 20.4, Tenant shall have the right to use contractors of its choosing, excepting for any roof work, which, due to existing warranties in place, Tenant will be required to use Landlord's roofing contractor. Any reasonable amount paid by Tenant for curing the immediate life safety hazard, following Tenant's delivery to Landlord of a copy of the contract for services, paid invoices for work performed to cure, and an unconditional lien release from all contractors and material providers, or any other reasonable request by Landlord, deduct the costs thereof (including reasonable attorneys' fees, if any) from the installments of Rent next falling due.

ARTICLE 21 - HOLDING OVER

21.1. Holdover Rent. If Tenant remains in possession of the Premises after the expiration or earlier termination of this Lease, Tenant's occupancy shall be deemed a month-to-month tenancy upon the same terms and conditions of this Lease except that (a) Base Rent shall be equal to One Hundred Twenty-Five percent (125%) of the Base Rent paid by Tenant to Landlord for the month in which this Lease expired or was otherwise terminated, Tenant remaining obligated to pay Tenant's share of Additional Rent pursuant to the Lease, and (b) Tenant shall not have any right to extend the Lease Term.

21.2. No Right of Holdover. Nothing in this Section shall be construed to give Tenant the right to hold over after the expiration or earlier termination of this Lease, and Landlord may exercise any and all remedies at law or in equity to recover possession of the Premises and hold Tenant liable for direct damages and expenses incurred by Landlord as a result of Tenant's holdover.

ARTICLE 22 - SURRENDER OF PREMISES

22.1. Surrender of Premises. Upon the expiration or earlier termination of this Lease, Tenant shall deliver within twenty-four (24) hours of the termination date, all keys to Landlord, and Tenant shall, at its sole cost and expense, shall remove all debris and rubbish and all Tenants personal property, movable fixtures, furniture and equipment from the Premises. Tenant shall quit the Premises and surrender possession thereof to Landlord in broom clean condition, with all façade signs removed, except for reasonable wear and tear.

22.2. Removal of Tenant's Trade Fixture and Personal Property. Tenant shall remove from the Premises all movable trade fixtures and personal property of Tenant including furniture, equipment, freestanding cabinetwork, and other articles of personal property owned by Tenant. Tenant's water treatment equipment and process piping shall be considered one of Tenant's trade fixtures for purposes of this Lease. Tenant shall repair all damage to the Premises and the Center resulting from such removal. If Tenant fails to remove any of its trade fixtures or personal property on or before the expiration or earlier termination of this Lease, Landlord, at Tenant's sole cost and expense, shall have the right to remove and liquidate and/or store Tenant's trade fixtures and personal property in an off-site storage facility, in Landlord's sole discretion. Landlord shall not be liable for any damage caused as a result of such removal, and Tenant shall pay Landlord for its removal, liquidation and/or and storage expenses within ten (10) days of Landlord's written demand for reimbursement of such expenses.

22.3. Removal of Tenant Improvements and Alterations. Tenant shall have the right, but not the obligation, to remove Tenant Improvements and Alterations installed on or in the Premises by Tenant during the Lease Term pursuant to Articles 7 and 8 of this Lease. In the event that Tenant removes any Tenant Improvements and/or Alterations pursuant to this Section 22.3, Tenant shall, at Tenant's expense, repair all damage to the Premises and the Center resulting from such removal.

ARTICLE 23 - ESTOPPEL CERTIFICATES

23.1. Obligation to Provide Estoppel Certificates. Within twenty (20) days after receipt of a written request by Landlord, Tenant shall execute and deliver a commercially reasonable estoppel certificate or other form requested by Landlord. Tenant shall be permitted to indicate in the estoppel certificate any Lease exceptions to the statements contained therein that may exist at the time Tenant executes the certificate. Tenant's failure to deliver said statement within the aforesaid twenty (20) days of request shall constitute Tenant's Default. Tenant shall also execute and deliver such other documents or instruments may be reasonably required for the purpose of supporting Landlord's underlying transaction.

ARTICLE 24 - SUBORDINATION, NONDISTURBANCE, AND ATTORNMEN T

24.1. Automatic Subordination of this Lease. This Lease shall at all times be subject and subordinate to the lien of any mortgages, deeds of trust, ground leases, or other encumbrances recorded now or subsequently against the Premises, the Center or the Property and all renewals, modifications, re-financings and extensions thereof (collectively, "Encumbrances"). This clause shall be self-operative, but within twenty (20) days after the receipt of a written request from Landlord or any Encumbrance holder, Tenant shall execute a commercially reasonable subordination agreement typically required by Landlord's lender or mortgagee, together with any customary additional documents evidencing the priority of the Encumbrance and the subordination of this Lease with respect to such Encumbrance. Notwithstanding the foregoing, Tenant shall not be required to execute any agreement or other documentation that materially increases Tenant's obligations during the remainder of the Lease Term or adversely alters or negates any of Tenant's rights and remedies granted under this Lease or applicable law. Tenant's failure or refusal to deliver said document within the time frame required shall constitute a Tenant Default.

24.2. Non-Disturbance and Attornment. Provided that the terms and conditions of this Lease are honored by the transferee of Landlord's interest in the Property, Tenant covenants and agrees to attorn to the transferee of Landlord's interest in the Property by foreclosure, deed in lieu of foreclosure, exercise of any remedy provided in any Encumbrance or underlying lease, or operation of law, and to recognize such transferee as the new landlord under this Lease. In the event any Encumbrance holder notifies Tenant of such a transfer of Landlord's interest in the Property, Landlord agrees that Tenant shall not be in a condition of Lease Default for making payments of Base Rent, Additional Rent, and any other sums due pursuant the terms of this Lease directly to the transferee.

ARTICLE 25 - FORCE MAJEURE

25.1. *Force Majeure.* Except for the payment of any monies due by one party to the other under the terms and conditions of this Lease, whenever a period of time is prescribed herein for the taking of an action by Landlord or Tenant, such party shall not be liable or responsible for, and there shall be excluded from the computation of any such period of time, any delays due to strikes, acts of God, shortages of labor or materials, war, terrorist acts, civil disturbances and other causes beyond the reasonable control of the performing party.

ARTICLE 26 - SIGNS

26.1. *Center Name; Landlord's Signage Rights and Obligations.* Subject to Tenant's signage rights under this Article 26, Landlord may at any time change the name of the Center and install, affix, and maintain all signs on the exterior of the Center as Landlord may, in Landlord's sole discretion, desire. Tenant may use the name of the Center or pictures or illustrations of the Center in its advertising or other publicity during the Lease Term.

26.2. *Tenant's Signage Rights.* Tenant shall have the right, at its sole cost and expense, to install or affix Tenant's approved signs on the façade of the Premises, or display such signs or sign advertising its business as Tenant may consider necessary or desirable on the interior walls, doors, or windows of the Premises. All exterior signs installed by Tenant pursuant to this Section 26.2 shall be subject to Landlord's prior written consent, which shall not be unreasonably withheld or delayed, provided, however Tenant shall have the right to put its signage on two (2) sides of the exterior of Tenant's Premises. No trailer, sandwich boards, banners, posters, balloons or portable signs of any nature are allowed except with Landlord's specific advance written consent, which may be withheld at Landlord's sole discretion.

26.3 *Compliance with Laws.* Notwithstanding anything contained in this Article 26 to the contrary, Tenant's signage shall be subject to all governmental and quasi-governmental consents, approvals and permits and the Center Signage Criteria attached to this Lease as Exhibit F, as may be necessary in order for Tenant to erect its signage. Landlord agrees to cooperate with Tenant, at no cost to Landlord, in the filing any required applications for governmental approvals for signage.

26.4. *Removal of Tenant's Signs Upon Lease Termination.* Tenant shall promptly and permanently remove all of its signs installed pursuant to Section 26.2 of this Lease upon the termination or earlier expiration of this Lease and repair any damage caused by such removal.

ARTICLE 27 - PARKING

27.1. *Grant of Parking Rights.* Landlord, at no cost to Tenant, shall provide Tenant with parking on a non-exclusive basis in common with others, for Tenant's employees and patients. Such parking shall be provided in accordance with all applicable federal, state and local laws, ordinances and regulations. All vehicles owned or used by Tenant or Tenant's employees must be currently licensed and operable and shall not display any advertising or "for sale" signage when parked within the common areas.

ARTICLE 28 - BROKERS

28.1. *Brokers.* Landlord and Tenant each represents and warrants to the other that it has had no dealings with any real estate broker or agent in connection with the negotiation of this Lease, except for West Coast Commercial Realty representing Landlord and Layton Lane, Inc. and CBRE, Inc. representing Tenant ("Brokers"), whose fees shall be paid by Landlord in following with a separate agreement. Landlord and Tenant hereby represent to each other that they know of no other real estate broker or agent who is entitled to a commission or finder's fee in connection with this Lease. Each party shall indemnify, protect, defend, and hold harmless the other party against all claims, demands, losses, liabilities, lawsuits, judgments, and costs and expenses (including reasonable attorney fees) for any leasing commission, finder's fee, or equivalent compensation alleged to be owing on account of the indemnifying party's dealings with any real estate broker or agent other than Brokers. The terms of this Article 28 shall survive the expiration or earlier termination of this Lease.

ARTICLE 29 - MISCELLANEOUS PROVISIONS

29.1. *Quiet Enjoyment.* Provided that Tenant performs all of its obligations under this Lease, Tenant shall peaceably and quietly hold and enjoy the Premises for the Lease Term, without hindrance from Landlord or any party claiming by, through, or under Landlord.

29.2. *Minimization of Interference.* Landlord shall exercise its rights and perform its obligations under this Lease in such a way as to minimize any resulting material interference with Tenant's use of the Premises. Tenant shall exercise its rights and perform its obligations under this Lease in such a way as to reasonably minimize any resulting material interference with the operation of the Property and the Center.

29.3. *Application of Payments; No Accord and Satisfaction.* All payments received by either party under the terms of this Lease shall be applied to the oldest payment obligation then owed by the payor. No designation contained in a separate writing or on a check or money order shall (a) modify this clause or have any force or effect without the written consent of the other party or (b) constitute an accord and satisfaction. Each party may accept checks or payments without prejudice to its right to recover all other amounts due under this Lease and to pursue all other remedies provided for in this Lease and applicable law. In no event shall the provisions of this Section 29.3 limit, hinder or otherwise prevent either party from exercising any of their rights pursuant to the terms of this Lease.

29.4. *No Waivers.* No waiver of any provision of this Lease shall be implied by any failure of either party to enforce any remedy for the violation of that provision, even if that violation continues or is repeated. Any waiver by a party of any provision of this Lease must be in writing, and such written waiver shall affect only the provision(s) specified and only for the time and in the manner stated in the writing.

29.5. *Captions.* The captions of articles and sections of this Lease are for convenience only and shall have no effect on the interpretation of the provisions of this Lease.

29.6. *Time of the Essence.* Time is of the essence of this Lease and each of its provisions.

29.7. *Recording—Memorandum of Lease.* This Lease shall not be recorded.

29.8. Authority. Landlord and Tenant each warrant and represent to each other that the individuals executing this Lease are duly authorized to execute and deliver this Lease and, once fully executed and delivered, this Lease constitutes a valid, legal and binding obligation enforceable in accordance with the terms and conditions contained herein.

29.9. Binding Effect. This Lease shall bind and benefit the parties to this Lease and their legal representatives and successors in interest.

29.10. Governing Law; Venue. This Lease shall be construed and enforced in accordance with the laws of the state in which the Property is located without regard to the conflict of law principles thereof. Any action or proceeding in respect of any claim arising out of or related to this Lease, whether in tort or contract or at law or in equity, shall be filed in the state or federal court of competent jurisdiction located geographically closest to the Premises.

29.11. Attorney Fees and Costs. If either party undertakes litigation against the other party arising out of or in connection with this Lease, the prevailing party shall be entitled to recover from the other party reasonable attorney fees and all incurred court costs.

29.12. Interpretation of Lease Provisions. Landlord and Tenant hereby acknowledge that the terms and conditions of this Lease were reached after an arms length negotiation, that both parties participated in the drafting and preparation of this Lease, and that both parties had the opportunity to seek the advice of counsel prior to the execution and delivery of this Lease. As such, Landlord and Tenant hereby agree that the rule of construction that a document be construed most strictly against the party that prepared the document shall not be applied.

29.13. Severability. If a court of competent jurisdiction holds any provision of this Lease invalid or unenforceable in whole or in part for any reason, the validity and enforceability of the remaining clauses shall not be affected.

29.14. Exhibits; Entire Agreement; Amendments. The Exhibits attached to this Lease are a part of this Lease and incorporated into this Lease by reference. This Lease and all exhibits thereto constitute the final, complete, and exclusive statement of the terms of the agreement between Landlord and Tenant pertaining to Tenant's lease of the Premises and supersedes all prior and contemporaneous understandings or agreements of the parties. Neither party has been induced to enter into this Lease by, and neither party is relying on, any representation or warranty outside those expressly set forth in this Lease. This Lease may be amended only by an agreement in writing signed by Landlord and Tenant.

29.15. Notices. All notices (including requests, demands, approvals, or other communications) under this Lease shall be made in writing and sent by prepaid certified mail with return receipt requested or by a nationally recognized overnight delivery service (e.g. Federal Express, DHL, United Parcel Service) with charges prepaid or charged to the sender's account and sent to the following addresses:

If to Landlord: Lakha Kent Properties, LLC

All notices shall be effective on delivery if delivery is confirmed by the delivery service, or if sent by Certified Mail or Registered Mail, then three (3) business days following deposit into the U.S. Mail. Any correctly addressed notice that is refused, unclaimed, or undeliverable because of an act or omission of the party to be notified shall be considered to be effective as of the first date that the notice was refused, unclaimed, or considered undeliverable by the postal authorities or overnight delivery service. Either party may change its address by giving the other party notice of the change in any manner permitted by this Section 29.15.

29.16. *Consents*. Unless a different standard is specifically stated in the applicable section of this Lease, whenever the consent of either party is required, such consent shall not be unreasonably withheld, conditioned, or delayed.

29.17. Intentionally deleted.

29.18. *Conditions, Covenants and Restrictions Affecting Title*. To the best of Landlord's knowledge, except as set forth on Exhibit E, there are no conditions, covenants and/or restrictions that (i) conflict with any of the terms or conditions contained in this Lease or (ii) prohibit Tenant's permitted use of the Premises pursuant to Section 6.1 of this Lease.

29.19. Intentionally omitted..

29.20. *W-9*. In connection with Tenant's payment of Base Rent, Landlord shall provide the applicable information and sign the W-9 Form attached hereto as Exhibit G

29.21. With respect to terminology in this Lease, each number (singular or plural) shall include all numbers, and each gender (male, female or neuter) shall include all genders.

29.22. *Landlord Renovations*. Landlord may, but shall not be obligated to (other than as specifically set forth herein), during the Lease Term renovate, improve, alter, or modify the Center, including without limitation the Common Areas.

29.23. *Guaranty of Lease*. This lease is subject to and conditioned upon Tenant's delivery to Landlord, concurrently with Tenant's execution and delivery of this Lease, of a Guaranty of Lease in the form and substance of Exhibit H attached hereto, executed by Fresenius Medical Care Holdings, Inc.

29.24. *Confidentiality*. Landlord and Tenant expressly acknowledge and agree that the terms and conditions of this transaction, together with any discussions, negotiations, and or agreements arising therefrom, or any such discussions held, shall be deemed confidential information ("Confidential Information") and shall not be disclosed by either party to any of its agents, employees or consultants, without the express prior written consent of the other party. Without limiting the generality of the foregoing, each party agrees to hold the Confidential Information in strict confidence and not to disclose such Confidential Information to any third party, except as specifically authorized by the other party in writing, and to use all reasonable precautions to prevent the unauthorized use or disclosure of the Confidential Information. Landlord and Tenant specifically agree that this information will not be shared or disseminated to others not having a right to this material, including but not limited to other tenants, brokers, media, appraisers, family or friends not directly related to the operation of the business at the Premises, and the parties acknowledge that release of such information may result in damages to the other party which would be difficult to measure and ascertain. As such, each party reserves all rights and remedies in the Lease and in the Laws of the State of Washington to pursue the other party's violation of this confidentiality agreement.

29.25. *Counterparts*. This agreement may be signed in any number of counterparts and by different parties in separate counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

29.26. *Shared Values*. As stated in the Fresenius Medical Care Code of Ethics and Business Conduct, Tenant upholds the values of quality, honesty and integrity, innovation and improvement, respect and dignity, as well as lawful conduct, especially with regard to anti-bribery and anti-corruption. Tenant upholds these values in its own operations, as well as in its relationships with business partners. Tenant's continued success and reputation depends on a common commitment to act accordingly. Together with Tenant, Landlord is committed to uphold these fundamental values by adherence to applicable federal and state laws and regulations as they relate to real estate leasing arrangements.

29.27. *CON Contingency*. Landlord and Tenant understand and agree that the establishment of any chronic outpatient dialysis facility in the State of Washington is subject to Tenant obtaining a Certificate of Need ("CON") from the Washington State Department of Health ("Department"). Tenant must have a fully executed lease agreement in place as one of the conditions of the application for a CON. Tenant agrees to submit an application for a CON immediately following mutual execution of the Lease and to prosecute using its commercially reasonable efforts to obtain the CON from the Department. Tenant further agrees to notify Landlord of its receipt of the CON within ten (10) days following Tenant's receipt of the CON. Should Tenant fail to secure the CON or fail to waive the CON contingency prior to the expiration of twelve (12) months following mutual lease execution, either Landlord or Tenant shall have the right to terminate this Lease by providing written notice to the other ("Lease Termination Notice").

Notwithstanding anything to the contrary contained in the Lease, commencing upon the first day of the of the first calendar month following the full execution of this Lease ("Fee Commencement Date"), Tenant shall pay a monthly fee to Landlord in the amount of \$12,500.00 ("Fee"). Upon either Tenant's delivery of notice to Landlord of Tenant's receipt of the CON or

Tenant's decision to waive the CON contingency set forth herein ("Tenant Notice"), Tenant shall cease paying the Fee and all rights for Tenant to terminate the Lease for failure to obtain the CON shall be null and void. Any Fee amounts paid by Tenant prior to Landlord's receipt of Tenant's Notice shall be applied towards Tenant's Base Rent payments under the Lease after the Rent Commencement Date.

In the event that Tenant fails to provide the Tenant Notice within the 12-month period following the full execution of this Lease, all Fees shall be forfeited to Landlord. Landlord shall have the right to retain any and all Fee amounts paid prior to either party's receipt of the Lease Termination Notice, and Landlord shall not be obligated to refund any party for all or any portions of such Fee amounts.

29.28. Third Party Consents. The Lease will be specifically conditioned upon Landlord's receipt of consents from Bartell Drugs and Trader Joe's regarding the square footage to be occupied by Tenant at the Premises. Landlord shall secure such consents within ninety (90) days following the full execution of this Lease.

CENTER RULES AND REGULATIONS

Tenant shall faithfully observe and comply with the rules and regulations that Landlord shall from time to time promulgate and/or modify. The rules and regulations shall be binding upon the Tenant upon delivery of a copy of them to Tenant. So long as Landlord uses commercially reasonable efforts to enforce such rules and regulations, Landlord shall not be responsible to Tenant for the nonperformance of any of said rules and regulations by any other tenants or occupants.

The Tenant, in the use of said common and parking areas, agrees to comply with such reasonable rules, regulations for parking as the Landlord may adopt from time to time and provided to Tenant in writing for the orderly and proper operation of said common and parking areas. Such rules may include but shall not be limited to the restricting of employee parking to a limited, designated area or areas. The following rules and regulations are now in effect:

1. The restricting of employee parking to a limited designated area or areas.
2. All loading and unloading of goods shall be done only at such times, in the areas, and through the entrance reasonably designated for such purposes by Landlord.
3. The delivery or shipping of merchandise, supplies and fixtures to and from the Leased Premises shall be subject to such rules and regulations as in the reasonable judgment of Landlord are necessary for the proper operation of the Leased Premises or Shopping Center.
4. All garbage and refuse shall be kept in the kind of container specified by Landlord and shall be placed outside of Lease Premises prepared for collection in the manner and at the times and places specified by Landlord. If Landlord shall provide or designate a service for picking up refuse and garbage, Tenant shall use same at Tenant's cost. Tenant shall pay the cost of removal of any of Tenant's refuse or rubbish.
5. No radio or television or other similar device shall be installed without first obtaining in each instance Landlord's consent in writing. No aerial shall be erected on the roof or exterior walls of the Leases Premises or on the grounds, without in each instance, the written consent of Landlord. Any aerial so installed without such written consent shall be subject to removal without notice at any time.
6. No loud speakers, televisions, phonographs, radios, or other devices shall be used in a manner so as to be heard or seen outside of the Leased Premises without prior written consent of Landlord.
7. If the Leased Premises are equipped with heating facilities separate from those in the remainder of the Shopping Center, Tenant shall keep the Leases Premises at a temperature sufficiently high to prevent freezing of water in pipes and fixtures.
8. The exterior areas immediately adjoining the Leased Premises shall be kept clean and free from, dirt, and rubbish by Tenant to the satisfaction of Landlord, and Tenant shall not place or permit any obstruction of merchandise in such areas.
9. The plumbing facilities shall not be used for any other purpose than that for which they are constructed, and no foreign substance of any kind shall be thrown therein, and the expense of any breakage, stoppage, or damage resulting from a violation of this provision shall be borne by the tenant who shall, or whose employees, agents or invitees shall have caused it.
10. Tenant shall use at Tenant's cost such pest extermination contractor as Landlord may reasonably direct and at such intervals as Landlord may reasonably require.
11. Tenant shall not burn any trash or garbage of any kind in or about the Leased Premises or the Shopping Center.
12. Tenant shall not make noise, cause disturbances, or create odors, which may be offensive to other tenants of the Shopping Center or their officers, employees, agents, servants, customers or invitees.

13. Tenant shall not allow for the care of small children within the premises except as required for Tenant's permitted use.

14. In the event of a conflict between the Center Rules and Regulations and the terms of the Lease, the terms of the Lease shall control.

LANDLORD'S WORK

A. Landlord's Work. Tenant accepts the leased premises in an as-is, where-is condition including all furniture, fixtures or equipment presently located in the Leased Premises except as detailed herein below. Landlord makes no representation as to the current condition of any furniture, fixtures and equipment or the applicability for Tenant's intended use. Wherever Landlord's Work requires Tenant's plans or Tenant's direction, Tenant agrees to provide Landlord with such plans or direction within ten (10) days of receipt of Landlord's request therefore. Should Landlord not receive Tenant's plans or directions by the deadline, or should such plans or direction be received after the deadline, Landlord shall have the right to make a reasonable determination based on Tenant's intended use of the Leased Premises.

The build-out allowance assumes the following items will be part of the demised shell, at Landlord's expense:

1. Demised premises in a shell condition, which shall mean that the building is completely enclosed with permanent ingress and egress doors, windows, and roof installed and all utilities, have been brought to the Premises (per existing except as detailed herein).
2. Electrical service (800-amp/208-volt, 3-phase) and separately metered,
3. The presence of gas service – Per Existing;
4. The presence of sewer service– Per Existing;
5. The presence of water service – Per Existing; Tenant will install a water sub-meter to measure Tenant's consumption on which charges will be billed to Tenant in following with the terms of this Lease;
6. A sewer invert level– Per Existing;
7. Building fully serviced by automatic fire suppression system – Per Existing;
8. A double man door or other similar exterior accessway on the side of the building for deliveries into the Premises;
9. Landlord shall deliver existing roof top HVAC units servicing the Leased Premises in good working condition as of the date Landlord delivers possession of the Premises to Tenant with Landlord's work substantially complete. Tenant will distribute duct work.

~~Should Tenant fail to satisfy the conditions detailed above, or should Tenant fail to request release of the Tenant Improvement Allowance within three hundred sixty five (365) days following the Rent Commencement Date ("Request Period"), Landlord's obligation for payment/credit of the Tenant Improvement Allowance shall be of no further force and effect.~~**B. Tenant's Work.** Tenant shall make such improvements to the Leased Premises, subject to and in accordance with the provisions of the Lease, including, but not limited to, Article 7 and Article 8 and Article 9, and in accordance with all applicable laws, as necessary to the Permitted Use.

Tenant shall have the right, at Tenant's sole cost and expense, to install an emergency generator to service the Leased Premises in a location to be mutually agreed upon between Landlord and Tenant.

Should Tenant require any roof work or installation of any roof mounted equipment, Tenant shall provide Landlord with **advance written notice of any such work or installation**. ALL work to be done on the roof of the building requires Landlord's prior review and specific consent, irrespective of any other consent or approvals detailed in this Lease, in order to avoid any potential for invalidation of Landlord's roof warranty. Tenant shall submit to Landlord all plans and specifications for any work or equipment to be completed on or any access required to the roof of the building. There are to be no holes drilled in the roof. The cable from any dish or other roof top equipment into the building is to be fed through the building structure, using existing conduit, unless the Landlord's specific prior written consent is secured for any new roof penetrations. Any antennas must be thoroughly tested and found to be compliant with the most stringent codes for the State of Washington along with any other City or governmental jurisdiction permits that must be required.

At the termination of the lease, or sooner, the Tenant will retain full responsibility for the removal and restoration of the roof to its original condition prior to the installation, and Tenant will absorb all the costs and expenses therefore. Installation of any satellite dish, antenna or other roof mounted equipment requires the prior written approval of the Landlord before any installation is completed.

Landlord's roofer and/or Landlord's engineers shall complete two (2) inspections of any Tenant roof work. The first inspection shall be completed prior to any installation. The second inspection shall be performed upon completion of the Tenant's installation. Tenant agrees to comply with any suggestions or recommendations of Landlord's roofer/engineer with regard to Tenant's roofing work. Tenant agrees to reimburse Landlord the cost of Landlord's two roofing inspection charges.

This exclusive does not apply to existing tenants as of the lease commencement date. This exclusive does not apply to tenants where such use is ancillary or a part of a normal varied menu.

Elements Massage	<p>Provided Tenant is not in a condition of default of the Lease, beyond any applicable period of notice and cure, Landlord agrees not to lease space in the shopping center to another tenant whose primary use is that of a massage studio providing various massage services. This exclusive shall not apply to existing occupants of the shopping center as of the Lease Commencement Date. This exclusive shall also not apply where such use may be ancillary to an occupant's primary use. Ancillary use is defined as having not more than ten percent (10%) of total square footage used for massage services. This exclusive shall also not apply where a change in use does not require Landlord's prior consent or where massage services are part of a normal varied menu of services for a full service salon</p>
CityMD	<p>Provided Tenant is not in any condition of uncured default of the Lease beyond applicable notice and cure periods, Landlord agrees that Landlord shall not (i) lease any other space in the Shopping Center to a tenant or allow any occupant or party of the Shopping Center to operate as an urgent care center or offer urgent care services or (ii) lease any other space in the Shopping Center to a tenant or allow any occupant or party of the Shopping Center to operate any medical business operating under the following trade names – "Go Health Urgent Care", "Pro Health Urgent Care", "Med Express", "Cure Urgent Care", "ZoomCare", "Immediate Care", "MultiCare", "Convenient Care", "Urgent Care", "Swedish", "Virginia Mason", "University of Washington," or "Providence" (each a "Prohibited Tenant"). This exclusive shall not apply to any existing occupants of the Shopping Center as of the Lease Commencement Date, provided that this exclusive shall apply to existing occupants if Landlord has approval rights over the use of such existing occupants. This exclusive shall also not apply where Landlord's consent is not required for a change in use. This exclusive shall also not apply where such sales or services are provided solely as an ancillary service or product to an occupant's primary use. Tenant agrees Tenant will not operate a pharmacy, will not have a pharmacist on duty, and will not fill prescriptions from the Leased Premises.</p>

ATI Physical Therapy	Landlord agrees not to lease space, regardless of company affiliation, including temporary vendors, to engage in physical therapy, work conditioning or hand therapy office. Shall not apply to existing tenants in the center as of 11/2/16, or where landlord has no control of approval of assignments or subletting or where consent to a change in use is not required. (Waiver received from 24 Hr. Fitness)
Tropical Smoothies Café	Provided Tenant is not in any condition of uncured default of the Lease and further provided Tenant is open for business from the Leased Premises, Landlord agrees that Landlord will not lease any portion of the Shopping Center including all inline and outlet spaces, existing and future development, to any Tenant, regardless of retail or restaurant designation, including temporary vendors, who derives its primary gross sales ("primary" being defined as not to exceed twenty percent (20%) of gross sales) from smoothies (pre-made or made to order) and fresh-squeezed juice drinks, for consumption on and/or off the premises. Landlord will not lease to any tenant doing business as: Smoothie King, Jamba Juice, Planet Smoothie, Smoothie Factory, Roebuck's, Freshens, Freshii, Maui Wowi, Juice It Up, I Love Juice Bar, or Nekter Juice Bar. This exclusive shall not apply to any occupants of the Shopping Center as of the Lease Commencement Date. This exclusive shall not apply to any food market, convenience store, grocery or other similar food sales use. This exclusive shall also not apply where such sales are ancillary to any occupants' primary use (where such sales shall not exceed twenty percent (20%) of such occupants' gross sales), or where Landlord's consent to a change in use is not required

Great Clips	Landlord agrees that during the term of this Lease, Landlord shall not lease space in the Shopping Center owned by Landlord to another tenant whose use is the operation of a barber shop style hair cutting service. This exclusive shall not apply to existing tenants in the Shopping Center as of the Lease Effective Date. This exclusive shall also not apply to any higher end, appointment driven full service salon or spa. This exclusive shall also not apply where a change in use does not require Landlord's prior consent; or where such use is ancillary (defined as no more than 10% of gross sales); provided, however, that Landlord agrees and acknowledges that it will withhold its consent to any assignment or subletting of another tenant's lease if (i) the use of the proposed assignee or sublessee of such tenant's lease would be in violation of Tenant's exclusive use, and (ii) Landlord has the right to withhold its consent to any assignment or subletting in such tenant's lease.
Jersey Mikes	Landlord agrees not to allow any other tenant in the shopping center to sell submarine sandwiches for either on site or off site consumption, not to include existing Tenant's prior to Lease Effective Date. This exclusive shall not apply to existing occupants in the shopping center as of the Lease Commencement Date or to any grocery store or food market concept or where such sales are ancillary to an occupant's primary use. This exclusive shall also not apply where a change in use does not require Landlord's prior consent. Landlord shall not lease space to any other party in the Shopping Center to violate the terms of this exclusivity agreement.
Weight Watchers	None - however there are restricted uses: Landlord agrees not to lease any portion of the shopping center within 100 feet of tenant's premises to another occupant for the purposes of a weight management center, liquor store, amusement arcade, funeral home, shooting gallery, gun or ammunition store, a massage parlor (excepting a national/regional service provider similar to Massage Envy for which there shall be no restriction), or an adult book store.
The Pie Lab	Provided tenant is open for business from the premises and further provided that tenant is not in any condition of uncured default, landlord agrees not to lease any other space in the center to another tenant whose primary business use will be for a bakery (defined as a place for baking or selling of baked goods, such as pies, bread and cakes). This exclusive does not apply to existing tenants in the center as of the lease commencement date, where such sales are ancillary, where a change in use does not require landlord's prior consent, nor to any grocery store, food market or similar concept.

<p>Trader Joe's</p>	<p>Exclusive. Landlord agrees that it shall not lease, sell or otherwise permit any portion of the Shopping Center (other than the Premises) to be used for the sale of grocery items or alcoholic beverages for off-premises consumption (the "Exclusive"). The Exclusive shall not be applicable to the Existing Tenants as of the date of the execution of the Letter of Intent (October 24, 2013), but only if such Existing Tenant's lease (i) permits the sale of grocery items or alcoholic beverages for off-premises consumption (provided, however, such exclusion shall only apply to the specific permitted item) or (ii) gives such Existing Tenant the right to change its use without the Landlord's consent, which Existing Tenants are listed on Exhibit "F" ("Existing Tenants Not Subject to Exclusive") and only for so long as such Existing Tenant's current lease remains in effect as that lease may be extended or renewed or assigned; in no event shall Landlord permit or consent to the change of a permitted use by any such Existing Tenant or its successors or assigns to a use which violates the Exclusive if Landlord has the right, pursuant to the provisions of the existing lease or otherwise, to withhold such permission or consent. Incidental sales of grocery items and alcoholic beverages for off-premises consumption by another tenant of the Shopping Center shall be permitted; "incidental sales" shall be defined as the use of the lesser of five percent (5%) of the Floor Area of such tenant's premises or five hundred (500) square feet of Floor Area for the sale and/or display of such items.</p>
----------------------------	---

<p>Trader Joe's</p>	<p>Prohibited Uses. Except for tenants currently in occupancy as of the execution of the Letter of Intent (October 24, 2013), Landlord agrees that none of the Shopping Center retail space shall be occupied by any of the following uses without Tenant's prior written consent which shall not be unreasonably withheld, conditioned or delayed: offices (except for office uses such as credit unions, banks, mortgage companies, or real estate, insurance or medical offices each containing not more than 2,500 square feet of Floor Area or as an incidental use to a permitted retail or commercial business); entertainment or recreational facility, including, but not limited to, a restaurant (except that sit-down restaurants existing as of the date of the execution of the Letter of Intent (October 24, 2013) shall be permitted, and this restriction shall not be applicable to the pad buildings identified on Exhibit "B" as Pad F, Pad G, Pad H and Pad I), bar, pub, nightclub, music hall, disco, banquet hall, auditorium, bowling alley, skating rink, theater, billiard room, exercise studio, karate studio, pilates studio, yoga studio, gymnasium, massage parlor or tanning parlor (except that nationally or regionally recognized establishments such as, but not limited to, Seattle Sun Tan and Massage Envy shall be permitted), amusement arcade (except as ancillary to a permitted occupant's primary use), children's play gym facility (including those similar to "My Gym" or "Gymboree"), establishment catering to birthday parties (such as a "Chuck E. Cheese" or "Sandy Deck's") or other place of public amusement; training facility or educational facility (except for a tutoring or educational use having not more than 2,500 square feet of Floor Area shall be permitted), including, but not limited to, a beauty school, barber college, reading room, place of instruction, or any other operation catering primarily to students or trainees rather than to customers; place of worship, or a community gathering place (collectively, "Prohibited Uses"). Notwithstanding the foregoing, uses existing for other tenants or occupants of the Shopping Center as of the date of the execution of the Letter of Intent, which tenants are listed on Exhibit "K" hereto (the "Existing Tenants"), can continue to be utilized by such Existing Tenants or their beneficiaries or assigns.. The term "restaurant" shall not apply to a fast or quick food operation, bagel shop, juice shop, yogurt ice cream or smoothie store, sandwich shop, coffee shop (such as, a Starbuck's or a Peet's) or other similar specialty type of food or beverage store, so long as such uses do not exceed Two Thousand Five Hundred (2,500) square feet of Floor Area each.</p>
----------------------------	---

Reber Ranch	<p>Provided Tenant is open for business from the Leased Premises and further provided that Tenant is not in any condition of uncured default of the Lease, Landlord agrees that Landlord shall not lease any other space in the shopping center to any other tenants whose use will be for the retail sale of pet supplies, pet accessories, sale of pets and for grooming/pet services of any kind. This exclusive shall not apply to veterinary care or to any existing tenants in the center (or their assigns) as of the Lease Commencement Date. This exclusive shall also not apply where such sales are ancillary to any tenant's primary use (defined as being not more than ten percent (10%) of gross sales). This exclusive shall also not apply where a change in use does not require Landlord's prior consent</p>
JP's Taproom	<p>Provided tenant is not in any condition of uncured default, landlord agrees not to lease any other space in the shopping center to a tenant that provides brewing of their own beer. Exclusive shall not apply to any existing occupants of the center as of the lease commencement date, where landlord's consent is not required for a change in use, or where such sales or services are provided as an ancillary service or product to the occupants primary use and not applicable to any grocery or food market concept.</p>
GoWireless/Verizon	<p>Provided tenant is not in any condition of uncured default of the lease & provided tenant is open for business, landlord agrees not to lease any other space in the center to a tenant whose primary business is for the sale of wireless telephones, wireless communication devices, telephone utility service related to offering Verizon products and all related accessories. This exclusive does not apply to existing occupants of the center as of the lease commencement date or where such sales and service may be incidental to any occupants primary use (incidental being defined as less than 10% of revenue). The exclusive does not apply to occupants of 10,000 SF or more or where landlord's consent to a change in use is not required</p>

<p>Cafe Rio</p>	<p>Exclusive Use: After the Effective Date, provided Tenant is not in any condition of uncured default of the Lease, and provided Tenant is open for business from the Leased Premises (subject to periods of closure due to fire, casualty, force majeure or periodic remodeling), Landlord agrees that Landlord shall not lease space in the Shopping Center owned by Landlord to any user whose primary business use is the operation of a food establishment that serves Mexican or Tex-Mex style dishes.</p> <p>This exclusive shall not apply to existing occupants in the Shopping Center as of the Lease Effective Date. This exclusive shall also not apply where Landlord's consent to a change in use is not required for anchor tenants occupying 5,000 square feet or more. This exclusive shall also not apply to any market or grocery type of operation in excess of 5,000 square feet. This exclusive shall also not apply where the sale of such items is ancillary to any occupant's primary use, or where such sale is offered as a "chef's" or "daily" special or other similar designation. "Ancillary" items for purposes of this lease may never exceed more than 10% gross sales for any tenant during any calendar month.</p>
------------------------	--

Prohibited Uses

5.8 Prohibited Uses. Landlord shall not use, or permit any portion of the Center, to be used as a billiard room, game arcade or amusement center, gambling establishment, night club, dance hall, bar or tavern (except if incidental to the operation of a restaurant or delicatessen and specifically excepting J&S Sports Bar presently existing in the center, or their assigns), pawn shop, second hand store, "adult" book or video store, massage parlor except for a regionally or nationally recognized massage provider (by way of example and not by limitation, Massage Envy), "training or education facility" (except for the Knowledge Points Learning Center), beauty school or barber college, reading room, place of instruction or any other operation catering primarily to students or trainees rather than to customers, or for auctions or for the sale or display of motor vehicles, boats, trailers, or motor homes.

MARKETPLACE AT LAKE MERIDIAN SIGN PROGRAM

A**INTRODUCTION**

The intent of this sign criteria is to provide the guidance necessary to achieve a visually coordinated, balanced and appealing sign environment. Consistent with the architecture of the project while maintaining provisions for individual graphic expression.

Performance of the sign criteria shall be rigorously enforced and any nonconforming sign shall be removed by the tenant or the sign contractor at their expense, upon demand by the landlord.

Exceptions to these standards shall not be permitted without approval from the Landlord and will require approval of a modification to the sign program application by the OCS.

Accordingly, the landlord will retain full rights of approval for any sign used in the center.

No sign shall be installed without the written Landlord approval and the required City permits.

B**LANDLORD/TENANT REQUIREMENTS**

1. Each Tenant shall submit to Landlord for written approval two (2) copies of the detailed shop drawings of the proposed sign, indicating concerns with the sign criteria herein outlined.
2. The Landlord shall determine and approve the suitability and position of a tenant name on any sign.
3. The Tenant shall pay for all signs, related materials and installation fees including final inspection costs.
4. The Tenant shall obtain all necessary permits at tenant sole cost & expense.
5. The Tenant shall be responsible for fulfillment of all requirements of the sign criteria.
6. It is the responsibility of the Tenant's sign company to verify all conduct and transformer loadings and make access prior to fabrication.
7. Should a sign be removed, it is the Tenant's responsibility to patch all holes, paint surface to match the existing color and restore surface to original condition.

GENERAL SIGN CONSTRUCTION REQUIREMENTS:

1. All signs and their installation shall comply with all local building and electrical codes.
2. All electrical signs will be fabricated by a U.S. approved sign company, according to U.S. specifications and bear U.S. Label.
3. Sign company to be fully licensed with the City and State and shall have full Workman's Compensation and general liability insurance.
4. All penetrations of building exterior surfaces are to be sealed waterproof in color and finish to match existing exterior.
5. External illumination to be LED, brushed and labeled in accordance with the National Board of Fire Underwriting Specifications.
6. Illuminated surfaces to have a satin finish. Only paints containing acrylic polyurethane products may be used.
7. Logo and letter height shall be as specified and shall be determined by measuring the normal capital letter of a type from website, of samples, ascenders, and descenders.
8. All sign fabrication work shall be of excellent quality. All logo images and type-styles shall be accurately reproduced, retaining the appropriate type-styles will not be acceptable. The Licensed reserves the right to reject any fabrication work deemed to be below standard.
9. All lighting must retain the exact specification of the approved working drawings. No exposed conduits or raceways will be allowed.

10. Signs must be made of aluminum and/or durable non-reflecting materials that are appropriate and complementary to the building.

11. Color catalogs shall exactly match the colors specified on the approved plans.

12. Lettering of graphic (logos, symbols) shall be finished in way as to be unrecognizable. Visible welds shall be continuous and ground smooth. Rivets, screws, and other fasteners that extend to visible surfaces shall be flush, filed, and finished so as to be unrecognizable.

13. Finished surfaces of metal shall be free from oil, carrying, and warping. All sign hardware shall be free from dirt, orange peel, dings, and rust and shall have a uniform surface conforming to the highest standards of the industry.

14. In no case shall any manufacturer's label be visible from the street from normal viewing angles.

15. Exposed hardware is not permitted unless they are incorporated into the overall sign design and must be approved by the licensor in advance of any fabrication and installation.

16. Exposed junction boxes, conduits, tubing or neon, enclosures of any type are not permitted.

TENANT SIGNAGE SPECIFICATIONS

The intent of this criteria is to encourage creativity to ensure the individuality of each tenant sign as opposed to similar sign design construction, and other repeated throughout the project. Signs must be architecturally compatible with the entire center.

STANDARD SIGNAGE

The following types of construction will be allowed:

- Acrylic face, channel letters
- Through face and tube channel letters
- Recessed panel channel letters
- Shadow neon behind the cut out sign and letters
- Open face channel letters. Only in an artistic letter style/font.
- Flush thin letters and logos in aluminum, logo shapes
- Metal screen mesh signs
- Fluor. Orlite

The idea of using dimensional materials and creating signs with varying colors, types, and textures will create an exciting and appealing retail environment.

In order to allow creativity and artistic design, ascending and descending signs will be allowed to extend up to 20% beyond the envelope limits provided that the overall horizontal square footage is not exceeded. In other words, these signs shall be calculated individually and added to the "board" area for the main sign body. (See diagram below)

Form W-9 (Rev. January 2003) Department of the Treasury Internal Revenue Service	Request for Taxpayer Identification Number and Certification	Give form to the requester. Do not send to the IRS.
Check or type one specific instruction on page 3	Name Lakha Kent Properties, LLC	
	Business name, if different from above dba Lakha Meridian Marketplace	
	Check appropriate box: <input type="checkbox"/> Individual Sole proprietor <input type="checkbox"/> Corporation <input type="checkbox"/> Partnership <input checked="" type="checkbox"/> Other LLC <input type="checkbox"/> Exempt from backup withholding	
	Address (number, street, and apt. or suite no.) c/o Meridian Centers Management, P.O. Box 52668 Requestor's name and address (optional) City, state, and ZIP code Bellevue, WA 98015 List account number(s) here (optional)	
Part I Taxpayer Identification Number (TIN)		
Enter your TIN in the appropriate box. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see how to get a TIN on page 3.		Social security number _____ or Employer identification number 931 1916 4240
Part II Certification		
Under penalties of perjury, I certify that:		
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and		
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and		
3. I am a U.S. person (including a U.S. resident alien).		
Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign this Certification, but you must provide your correct TIN. (See the instructions on page 4.)		
Sign Here	Signature of U.S. person <i>[Signature]</i>	Date 5/26/05
Purpose of Form		
A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.		
U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien) to provide your correct TIN to the person requesting it (the requester) and, when appropriate, to:		
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),		
2. Certify that you are not subject to backup withholding, or		
3. Claim exemption from backup withholding if you are a U.S. exempt payee.		
Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.		
Foreign person. If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).		
Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.		
If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:		
1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.		
2. The treaty article addressing the income.		
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.		
4. The type and amount of income that qualifies for the exemption from tax.		
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.		

EXHIBIT H
GUARANTY OF LEASE

The undersigned ("**Guarantor**"), as a material inducement to and in consideration of the execution by Lakha Kent Properties, LLC ("**Landlord**") of that certain Shopping Center Lease (the "**Lease**") of even date herewith between Landlord and Renal Care Group Northwest, Inc. a Delaware corporation ("**Tenant**"), relating to premises in that certain shopping center known as Marketplace at Lake Meridian:

1. Guarantor and its assignee(s) hereby unconditionally guarantees the performance of, and unconditionally promises to perform, all of the obligations of Tenant under the Lease and any and all extensions and modifications thereof, including, but not limited to, the obligation to pay rent thereunder

2. In a manner, upon such terms and at such times as Landlord shall deem best, and with not less than twenty (20) days' notice of any material modifications, but without the requirements for consent of Guarantor, Landlord may alter, compromise, extend or change the time or manner for the performance of any obligation hereby guaranteed, substitute or add any one or more guarantors, accept additional or substitute security for the performance of any such obligation, or release or subordinate any security therefor, any and all of which may be accomplished without any effect on the obligations of Guarantor hereunder. No exercise or non-exercise by Landlord of any right hereby given, no dealing by Landlord with Tenant, any other guarantor or other person, and no change, impairment or suspension of any right or remedy of Landlord shall in any way affect any of the obligations of Guarantor hereunder or any security furnished by Guarantor or give Guarantor any recourse against Landlord. If the obligations of Tenant under the Lease are discharged or modified pursuant to any bankruptcy or similar proceedings (including, without limitation, by reason of the disaffirmance or rejection of the Lease), Guarantor's obligations hereunder will continue in full force and effect as if Tenant's obligations had not been so discharged or modified. The liability of Guarantor hereunder shall in no way be affected by (i) the release or discharge of Tenant or any other guarantor of the Lease, (ii) the assignment or transfer of the Lease by Tenant or (iii) any disability of Tenant. Landlord and Tenant, may without notice to or consent by Guarantor, at any time, or from time to time, enter into such modifications, extensions, amendments, or other covenants respecting the Lease as they may deem appropriate, and Guarantor shall be not released thereby, but shall continue to be fully liable for the payment and performance of all liabilities, obligations and duties of Tenant under the Lease as so modified, extended, or amended.

3. Guarantor and its assignee(s) hereby waive and agree not to assert or take advantage of the following:

(a) Any right to require Landlord to proceed against Tenant or any other person or to proceed or exhaust any security held by Landlord at any time or to pursue any other remedy in Landlord's power before proceeding against Guarantor and its assignee(s);

(b) Reserved;

(c) Any defense that may arise by reason of the incapacity, lack of authority, bankruptcy, death or disability of any other person or persons or the failure of Landlord to file or

enforce a claim against the estate (in administration, bankruptcy or any other proceeding) of any other person or persons;

(d) Any right to receive demands, protests and notices of any kind including, but not limited to, notice of the existence, creation or incurring of any new or additional obligation or of any action or non-action on the part of Tenant, Landlord or any other person;

(e) Any defense based on an election of remedies including, but not limited to, any action by Landlord which shall destroy or otherwise impair any subrogation right of Guarantor or the right of Guarantor to proceed against Tenant for reimbursement, or both;

(f) Any duty on the part of Landlord to disclose to Guarantor any facts Landlord may now or hereafter know about Tenant, regardless of whether Landlord has reason to believe that such facts materially increase the risk beyond that which Guarantor intends to assume or has reason to believe that such facts are unknown to Guarantor or has a reasonable opportunity to communicate such facts to Guarantor, it being understood and agreed that Guarantor and its assignee(s) is fully responsible for being and keeping informed of the financial condition of Tenant and of all circumstances bearing on the risk of nonperformance of any obligation hereby guaranteed;

(g) Any right to receive notice of or to consent to any amendments that may hereafter be made to the Lease;

(h) Any defense based on the fact that Guarantor's and its assignee(s) obligations hereunder are larger or more burdensome than that of Tenant's under the Lease; and

(i) Any other rights and defenses that are or may become available to Guarantor and its assignee(s).

4. Until all obligations hereby guaranteed shall have been fully performed, Guarantor and its assignee(s) shall have no right of subrogation and waives any right to enforce any remedy which Landlord now has or may hereafter have against Tenant and any benefit of, and any right to participate in, any security now or hereafter held by Landlord. Guarantor and its assignee(s) agree that nothing contained herein shall prevent Landlord from suing on the Lease or from exercising any rights available to Landlord thereunder and that the exercise of any of the aforesaid rights shall not constitute a legal or equitable discharge of Guarantor. Guarantor and its assignee(s) agree that Landlord (and not Tenant) shall have the right to designate the portion of Tenant's obligations under the Lease that is satisfied by a partial payment by Tenant.

5. All existing and future obligations of Tenant to Guarantor, or any person owned in whole or in part by Guarantor, and the right of Guarantor to cause or permit itself or such person to withdraw any capital invested in Tenant are hereby subordinated to all obligations hereby guaranteed, and, without the prior written consent of Landlord, such obligations to Guarantor shall not be performed, and such capital shall not be withdrawn, in whole or in part, while Tenant is in default under the Lease.

6. All rights, powers and remedies of Landlord hereunder and under any other agreement now or at any time hereafter in force between Landlord and Guarantor and its assignee(s) shall be cumulative and not alternative, and such rights, powers and remedies shall be in addition to all

rights, powers and remedies given to Landlord at law or in equity. This Guaranty of Lease is in addition to and exclusive of the guarantee of any other guarantor of any obligation of Tenant to Landlord.

7. The obligations of Guarantor and its assignee(s) hereunder are independent of the obligations of Tenant under the Lease, and, in the event of any default hereunder or under the Lease, a separate action or actions may be brought and prosecuted against Guarantor, whether or not Tenant is joined therein or a separate action or actions are brought against Tenant. Landlord may maintain successive actions for other defaults. Landlord's rights hereunder shall not be exhausted by its exercise of any of its rights or remedies or by any such action or by any number of successive actions until and unless all obligations hereby guaranteed shall have been fully performed.

8. Should any one or more provisions of this Guaranty of Lease be determined to be illegal or unenforceable, all other provisions shall nevertheless be effective.

9. This Guaranty of Lease shall inure to the benefit of Landlord and its successors and assigns, and shall bind the heirs, executors, administrators, successors and assigns of Guarantor. This Guaranty of Lease may be assigned by Landlord concurrently with the transfer of title to property covered by the Lease, and, when so assigned, Guarantor and its assignee(s) shall be liable to the assignees without in any manner affecting the liability of Guarantor hereunder.

10. Upon full performance of all obligations hereby guaranteed, this Guaranty of Lease shall be of no further force or effect.

11. No provision of this Guaranty of Lease or right of Landlord hereunder can be waived or modified, nor can Guarantor be released from Guarantor's obligations hereunder, except by a writing duly executed by Landlord.

12. When the context and construction so require, all words used in the singular herein shall be deemed to have been used in the plural and the masculine shall include the feminine and neuter and vice versa. The word "person" as used herein shall include any individual, company, firm, association, partnership, corporation, trust or other legal entity of any kind whatsoever.

13. If two (2) or more persons or entities are signing this Guaranty of Lease as Guarantor, then all such entities shall be jointly and severally liable for the obligations of Guarantor hereunder.

14. This Guaranty of Lease shall be governed by and construed in accordance with the laws of the State of Washington. In any action brought under or arising out of this Guaranty of Lease, Guarantor hereby consents to the jurisdiction of any competent court within the State of Washington and hereby consents to service of process by any means authorized by Washington law. This Guaranty of Lease shall constitute the entire agreement of Guarantor and its assignee(s) with respect to the subject matter hereof, and no representation, understanding, promise or condition concerning the subject matter hereof shall be binding upon Landlord unless expressed herein.

15. If Guarantor is an entity, each individual executing this Guaranty on behalf of Guarantor hereby represents and warrants that Guarantor is a duly formed and existing entity and that Guarantor has full right and authority to execute and deliver this Guaranty and that each person signing on behalf of Guarantor is authorized to do so.

1. Zoning District: CC- Community Commercial

The purpose of the CC district is to provide areas for limited commercial activities that serve several residential neighborhoods. This district shall only apply to such commercial districts as designated in the city comprehensive plan. It is also the purpose of this district to provide opportunities for mixed use development within the designated mixed use overlay boundary, as designated by the comprehensive plan.

a. Overlay District: No

2. Adjacent property zoning designation:

North: MR- T12; Multifamily Residential Townhouse District and SR-8;
Single-Family Residential District

South: Kent Kangley and CC; Community Commercial District

East: CC; Community Commercial District

West: CC; Community Commercial District/ MR-T12; Multifamily Residential
Townhouse District

3. Proposed Use: Medical Tenant/ Dialysis Facility

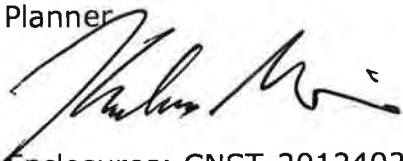

a. Principally permitted use?

Yes. Medical Facilities are allowed in CC per 15.04.090 using the designation "Professional services: medical, clinics, and other health care-related services"

- 4. Off-Street parking and loading requirements:** (Kent City Code 15.05) Kent City Code 15.05 establishes a parking requirement per use. Medical and dental offices have a parking requirement identified in the chart except when located in a shopping center. This development is a shopping center, so parking is established at a flat rate for any allowed use. No additional parking is required to locate a medical use in this shopping center.
- 5. Zoning development standards:** (vary by zoning district):
KCC 15.04.190 - Commercial & Industrial Zone Development Standards KCC
- 6. Site Plan:**
 - a. Approved site plan available and attached.** Yes: Planning staff was able to locate two site plan documents. Both are enclosed. One was listed as a master site plan without a permit number and the other was listed as 2012402.
- 7. Certificate of Occupancy is not enclosed.** Planning staff could not locate a certificate of occupancy during review.
- 8. Disclaimer:** Although an exhaustive review to determine compliance with current zoning regulations has not been conducted for this site, in accordance with Kent City Code Section 15.08.100, if damaged or destroyed by fire or other natural disaster, the buildings could be reconstructed, restored, and used as before; provided that the work is vested by permit application within one year. As evidenced by a Certificate of Occupancy (if available), the existing improvements were constructed in accordance with the standards and codes that were in effect at that time.

Please note this letter refers to zoning only and does not address compliance with the International Building Code, the International Fire Code or other federal, state or local regulations. Transfer Agreement

TRANSFER AGREEMENT

This TRANSFER AGREEMENT, effective as of the later of the dates indicated by the parties below (“Effective Date”), is between Public Hospital District No. 1 of King County, a non-profit Washington municipal Corporation d/b/a **Valley Medical Center** (“Hospital”) and **Renal Care Group Northwest, Inc.** d/b/a Fresenius Kidney Care Green River (“Company”).

WHEREAS, Company desires to assure the availability of the Hospital’s facilities for its patients who need inpatient treatment at a hospital and those residing in the hospital’s distinct/part/skilled intermediate care unit, in compliance with 42 C.F.R. Part 494.180(g), and the Hospital is equipped and qualified to provide hospital care on an inpatient basis for such patients; and

WHEREAS, Hospital and Company desire to enter into this Agreement in order to specify the rights and duties of each of the parties and to specify the procedure for ensuring the timely transfer of patients, as such is medically necessary, between the Hospital and the Center;

1. The hospital agrees to make the facilities and personnel of its routine emergency service available for the treatment of acute life-threatening emergencies, which may occur to any of Company’s patients. If, in the opinion of a member of Company’s medical staff, any patient requires emergency hospitalization, the hospital agrees that it will provide a bed for such a patient (or in the event a bed is not available at the Hospital, to arrange for the transfer of the patient to an affiliated hospital) and furnish all necessary medical services at its facility for such patient at the patient’s expense. In the event of an emergency at Company, the responsible physician shall notify the patient’s physician of record, as indicated in Company’s files, and shall promptly notify the Emergency Room physician of the particular emergency. Company shall be responsible for arranging to have the patient transported to the Hospital and shall send appropriate interim medical records. There will be an interchange, within one working day, of medical and other information necessary or useful in the care and treatment of patients referred to the Hospital from Company, or in determining whether such patients can be adequately cared for otherwise than in either of the facilities. Admission to Hospital, and the continued treatment by Hospital, shall be provided regardless of the patient’s race, color, creed, sex, age, disability, or national origin.
2. In the event the patient must be transferred directly from Company to the Hospital, Company shall provide for the security of, and be accountable for, the patient’s personal effects during the transfer.
3. Company shall keep medical records of all treatments rendered to patients by Company. These medical records shall conform to applicable standards of professional practice. If requested by the Hospital, Company shall provide complete copies of all medical records

of a patient treated by Company who is, at the time of the request, an inpatient at the Hospital.

4. The Hospital shall accept any patient of Company referred to the Hospital for elective reasons, subject to the availability of appropriate facilities, after the Company attending physician has arranged for inpatient hospital physician coverage,
5. In the event the Hospital accepts transfer of a patient, the Hospital shall make the following services available:
 - a. Availability of a surgeon capable of vascular access insertion and long-term maintenance;
 - b. Inpatient care for any patient who develops complications or renal disease-related conditions that require hospital admission;
 - c. Kidney transplantation services, where appropriate, including tissue typing and cross matching, surgical transplant capability, availability of surgeons qualified in the management of pre- and post-transplant patients; and
 - d. Blood Bank services to be performed by the Hospital.
6. Company shall have no responsibility for any inpatient care rendered by the hospital. Once a patient has been referred by Company to the Hospital, Hospital agrees to indemnify Company against, and hold it harmless from any claims, expenses, or liability based upon or arising from anything done or omitted, or allegedly done or omitted, by the Hospital, its agents, or employees, in relation to the treatment or medical care rendered at the Hospital.
7. With respect to all work, duties, and obligations hereunder, it is mutually understood and agreed that the parties shall own and operate their individual facilities wholly independent of each other. All patients treated at the facilities of Hospital or Company shall be patients of that facility. Each party shall have the sole responsibility for the treatment and medical care administered to patients in their respective facilities.
8. Company and Hospital shall each maintain in full force and effect throughout the term of this Agreement, at its own expense, a policy of comprehensive general liability insurance and professional liability insurance covering it and Company's Staff and Hospital staff and physicians, respectively, each having a combined single limit of not less than \$1,000,000 per occurrence, \$3,000,000 annual aggregate for bodily injury and property damage to insure against any loss, damage or claim arising out of the performance of each party's respective obligations under this Agreement. Each will provide the other with certificates evidencing said insurance, if and as requested. Company and Hospital further agree to maintain, for a period of not less than three (3) years following the

termination of this Agreement, any insurance required hereunder if underwritten on a claims-made basis. Either party may provide for the insurance coverage set forth in this Section through self-insurance.

9. Each party agrees to indemnify and hold harmless the other, their officers, directors, shareholders, agents and employees against all liability, claims, damages, suits, demands, expenses and costs (including but not limited to, court costs and reasonable attorneys' fees) of every kind arising out of or in consequence of the party's breach of this Agreement, and of the negligent errors and omissions or willful misconduct of the indemnifying party, its agents, servants, employees and independent contractors (excluding the other party) in the performance of or conduct related to this Agreement.
10. The Parties expressly agree to comply with all applicable patient information privacy and security regulations set for in the Health Insurance Portability and Accountability Act ("HIPAA") final regulations for Privacy of Individually Identifiable Health Information by the federal due date for compliance, as amended from time to time.
11. Whenever under the terms of this Agreement, written notice is required or permitted to be given by one party to the other, such notice shall be deemed to have been sufficiently given if delivered in hand or by registered or certified mail, return receipt requested, postage prepaid, to such party at the following address:

12. If any provisions of this agreement shall, at any time, conflict with any applicable state or federal law, or shall conflict with any regulation or regulatory agency having jurisdiction with respect thereto, this Agreement shall be modified in writing by the parties hereto to conform to such regulation, law, guideline, or standard established by such regulatory agency.

13. As stated in the Fresenius Medical Care Code of Ethics and Business Conduct, Company upholds the values of quality, honesty and integrity, innovation and improvement, respect and dignity, as well as lawful conduct, especially with regard to anti-bribery and anticorruption. Fresenius Medical Care North America (“FMCNA”) upholds these values in its own operations, as well as in its relationships with business partners. Company’s continued success and reputation depends on a common commitment to act accordingly. Together with Company, Hospital is committed to uphold these fundamental values by adherence to applicable laws and regulations.

The Parties confirm that the selection of Hospital is based on Hospital’s medical expertise, knowledge, and professional qualifications, and that the signing of this Agreement is not implicitly or explicitly linked to any past, present or future agreement to purchase, lease, recommend, prescribe, use, supply or procure Company’s products or services or being used to reward past purchases, uses, orders recommendations, or referrals, and that there is no such expectation thereof. Furthermore, Hospital represents that she/he/it has no relationship to any third parties that would constitute a conflict of interest or that would otherwise prevent Hospital from concluding this Agreement except to the extent disclosed to and approved by Company in writing prior to the date hereof.

Hospital represents that she/he/it shall be in compliance with all applicable laws and regulations, professional codes, industry standards, and applicable company policies, when performing the services under this Agreement, as well as any tax requirements in connection with the remuneration and/or reimbursement of costs under this Agreement. Hospital agrees that it will not undertake any activities which will result in a violation of any applicable laws such as the U.S. Foreign Corrupt Practices Act (“Prohibited Conduct”) in connection with the provision of services by Hospital to Company for or on Company’s behalf.

Hospital agrees to take all appropriate steps to ensure full adherence to all applicable transparency and disclosure requirements with respect to the signing of this Agreement, fully disclosing the purpose and scope of the interaction as required to any employer, professional body, institution, government agency, or otherwise locally designated competent authority. Furthermore, Hospital shall, to the extent required by applicable disclosure obligations, disclose that the services under this Agreement are performed for Company in any written materials and verbal presentations.

Hospital agrees that if it becomes aware or has reason to suspect that any person or legal entity acting on Hospital’s and/or Company’s behalf has engaged directly or indirectly in any Prohibited Conduct related to the Agreement, then, subject to the internal policies of Hospital, Hospital will immediately report such knowledge or suspicion to the FMCNA Compliance Department through the following weblink, www.compliance-helplinefmcna.com, or by calling (800) 362-6990.

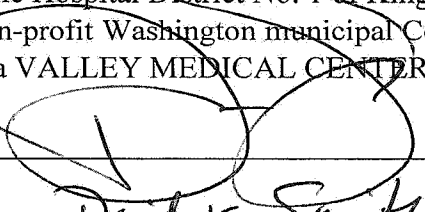

Notwithstanding anything else in this Agreement or any other right Company may have, a breach of any of the provisions included in this section by Hospital shall give Company the right to immediately terminate this Agreement for cause.

14. This Agreement contains the entire understanding of the parties with respect to the subject matter hereof and supersedes all negotiations, prior discussions, agreements or understandings, whether written or oral, with respect to the subject matter hereof, as of the Effective Date. This Agreement shall bind and benefit the parties, their respective successors and assigns.
15. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State where Company is located, without respect to its conflicts of law rules.
16. The term of this Agreement is for one (1) year, beginning on the Effective Date, and will automatically renew for successive one year periods unless either party gives the other notice prior to an expiration date. Either party may terminate this Agreement, at any time, with or without cause, upon thirty (30) days written notice to the non-terminating party.
17. The parties agree to cooperate with each other in the fulfillment of their respective obligations under the terms of this Agreement and to comply with the requirements of the law and with all applicable ordinances, statutes, regulations, directives, orders, or other lawful enactments or pronouncements of any federal, state, municipal, local or other lawful authority.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed and delivered by their respective officers thereunto duly authorized as of the date above written.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Unless otherwise noted, numbers are stated in thousands, except share data.

1. THE COMPANY, BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The Company

Fresenius Medical Care AG & Co. KGaA (FMC AG & CO. KGAA or the Company), a German partnership limited by shares (Kommanditgesellschaft auf Aktien) registered in the commercial registry of Hof an der Saale under HRB 4019, with its business address at Else-Kröner-Str. 1, 61352 Bad Homburg v.d. Höhe, is the world's largest kidney dialysis company, based on publicly reported sales and number of patients treated. The Company provides dialysis treatment and related dialysis care services to persons who suffer from end-stage renal disease (ESRD), as well as other health care services. The Company also develops and manufactures a wide variety of health care products, which includes dialysis and non-dialysis products. The Company's dialysis products include hemodialysis machines, peritoneal cyclers, dialyzers, peritoneal solutions, hemodialysis concentrates, solutions and granulates, bloodlines, renal pharmaceuticals and systems for water treatment. The Company's non-dialysis products include acute cardiopulmonary and apheresis products. The Company supplies dialysis clinics it owns, operates or manages with a broad range of products and also sells dialysis products to other dialysis service providers. The Company describes certain of its other health care services as "Care Coordination". Care Coordination currently includes, but is not limited to, the coordinated delivery of pharmacy services, vascular, cardiovascular and endovascular specialty services as well as ambulatory surgery center services, non-dialysis laboratory testing services (until December 2017), physician nephrology and cardiology services, health plan services, urgent care services and ambulant treatment services. Care Coordination also includes the coordinated delivery of emergency, intensivist and hospitalist physician services as well as transitional care which the Company refers to as "hospital related physician services." All of these Care Coordination services together with dialysis care and related services represent the Company's health care services.

In these notes, "FMC AG & CO. KGAA", or the "Company" refers to the Company or the Company and its subsidiaries on a consolidated basis, as the context requires. "Fresenius SE" and "Fresenius SE & Co. KGaA" refer to Fresenius SE & Co. KGaA, a German partnership limited by shares resulting from the change of legal form of Fresenius SE (effective as of January 2011), a European Company (Societas Europaea) previously called Fresenius AG, a German stock corporation. "Management AG" and the "General Partner" refer to Fresenius Medical Care Management AG which is FMC AG & CO. KGAA's general partner and is wholly owned by Fresenius SE. "Management Board" refers to the members of the management board of Management AG and, except as otherwise specified, "Supervisory Board" refers to the supervisory board of FMC AG & CO. KGAA. The term "North America Segment" refers to the North America operating segment; the term "EMEA Segment" refers to the Europe, Middle East and Africa operating segment, the term "Asia-Pacific Segment" refers to the Asia-Pacific operating segment, and the term "Latin America Segment" refers to the Latin America operating segment. For further discussion of the Company's operating segments, see note 26.

Basis of presentation

The FMC AG & CO. KGAA as a stock exchange listed company in a member state of the European Union (EU) fulfills its obligation to prepare and publish the consolidated financial statements in accordance with the International Financial Reporting Standards (IFRS), as adopted in the EU, applying section 315 e of the German Commercial Code (HGB).

The consolidated financial statements of FMC AG & CO. KGAA at December 31, 2017 have been prepared and are published in accordance with the standards valid on the balance sheet date issued by the International Accounting Standards Board (IASB) and the mandatory Interpretations of the International Financial Reporting Interpretations Committee (IFRIC), which are binding to be applied in the EU.

Furthermore, the Company prepares consolidated financial statements in accordance with IFRS as issued by the IASB which is filed on Form 20-F with the Securities and Exchange Commission (SEC). At December 31, 2017, there were IFRS or IFRIC interpretations as endorsed by the EU relevant for reporting that differed from IFRS as issued by the IASB.

Moreover, the notes include information required by HGB according to Section 315 e (1) HGB. In addition to the IFRS consolidated financial statements, a Group Management Report must be prepared according to section 315 e HGB in conjunction with section 315 HGB.

The Company is included in the IFRS consolidated financial statements of Fresenius SE & Co. KGaA, Bad Homburg v.d. Höhe, pursuant to Section 315 e of the German Commercial Code (HGB), published in the Federal Gazette and drawn up for the smallest circle of companies. The consolidated financial statements for the largest circle of companies are drawn up by Fresenius Management SE, Bad Homburg v.d. Höhe, and also published in the Federal Gazette.

The preparation of consolidated financial statements in conformity with IFRS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Such financial statements reflect all adjustments that, in the opinion of management, are necessary for a fair presentation of the results of the periods presented. All such adjustments are of a normal recurring nature. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in all future periods affected.

In order to improve clarity of presentation, various items are aggregated in the consolidated balance sheets and consolidated statements of income. These items are analyzed separately in the notes where this provides useful information to the users of the consolidated financial statements.

The consolidated balance sheets contain all information required to be disclosed by IAS 1 (Presentation of Financial Statements) and are in accordance with Accounting Interpretation 1 (AIC 1, Balance Sheet Classification according to current/non-current distinction in compliance with IAS 1) classified on the basis of the liquidity of assets and liabilities following the consolidated balance sheets. The consolidated statements of income are classified using the cost-of-sales accounting format.

Cost report receivables from Medicare and Medicaid and amounts due from managed locations in the amount of €120,155 and €27,105, respectively, in the prior years' comparative consolidated financial statements have been reclassified from other current assets [see note 9](#) to trade accounts receivable [see note 7](#) to conform to the current year's presentation.

At February 26, 2018, the Management Board authorized the consolidated financial statements for issue and passed it through to the Supervisory Board for review and authorization.

Significant accounting policies

a) Principles of consolidation and composition of the group

The financial statements of consolidated entities have been prepared using uniform accounting methods in accordance with IFRS 10 (Consolidated Financial Statements). The acquisitions of companies are accounted for under the purchase method.

Besides FMC AG & CO. KGAA, the consolidated financial statements include all material subsidiaries according to IFRS 10 and IFRS 11, over which the Company has control. FMC AG & CO. KGAA controls an entity if it has power over the entity through existing rights that give the Company the current ability to direct the activities that significantly affect the Company's return. In addition, the Company is exposed to, or has rights to, variable returns from the involvement with the entity and the Company has the ability to use its power over the entity to affect the amount of the Company's return.

The equity method is applied in accordance with IAS 28 (Investments in Associates and Joint Ventures). Generally, equity method investees are entities in which FMC AG & CO. KGAA, directly or indirectly, holds 50% or less of the voting power and can exercise significant influence over their financial and operating policies.

Since 2010, the disclosure of business acquisitions is performed according to IFRS 3 (2008) (Business Combinations) by offsetting investments in subsidiaries against the underlying revaluated equity at the date of acquisition. The identifiable assets and liabilities of subsidiaries as well as the noncontrolling interests are recognized at their fair values. Any remaining debit balance is recognized as goodwill and is tested at least once a year for impairment. Any excess of the net fair value of identifiable assets and liabilities over cost still existing after reassessing the purchase price allocation is recognized immediately in profit or loss.

All significant intercompany revenues, expenses, income, receivables and payables are eliminated. Profits and losses on items of property, plant and equipment and inventory acquired from other group entities are also eliminated.

Deferred tax assets and liabilities are recognized on temporary differences resulting from consolidation procedures.

Noncontrolling interest is the portion of equity in a subsidiary not attributable, directly or indirectly, to a parent and is recognized at its fair value at date of first consolidation. Profits and losses attributable to the noncontrolling interests are separately disclosed in the consolidated statements of income.

As far as the Company, as option writer on behalf of existing put options, can be obliged to purchase noncontrolling interests held by third parties, the potential purchase price liability is recorded in other current provisions and other current liabilities and other non-current provisions and other non-current liabilities at fair value at the balance sheet date. According to the present access method, noncontrolling interests are further recorded in equity as "noncontrolling interests". The initial recognition of the purchase price liability, as well as valuation differences, are recorded neutral to profit or loss by reclassification from equity [see note 1g](#).

The consolidated financial statements for 2017 include FMC AG & CO. KGAA as well as 2,180 companies. In 2017, 50 companies were accounted for by the equity method. Since beginning of 2017, 185 companies were first-time consolidations and 40 companies were deconsolidated.

The complete list of investments of FMC AG & CO. KGAA will be submitted to the electronic Federal Gazette and the electronic companies register.

For 2017, the following fully consolidated German subsidiaries of the Company will apply the exemption provided in Section 264 (3) or Section 264 b of the HGB and therefore will be exempt from applying certain legal requirements to prepare notes to the statutory standalone financial statements and a management report as well as the requirements of an independent audit and public disclosure.

b) Cash and cash equivalents

Cash and cash equivalents comprise cash funds and all short-term investments with original maturities of up to three months. Short-term investments are highly liquid and readily convertible into known amounts of cash. The risk of changes in value is insignificant.

c) Trade accounts receivables

Trade accounts receivables are posted at the nominal value less individual allowances for doubtful accounts. For information regarding allowance for doubtful accounts [see note 2c](#).

d) Inventories

Inventories are stated at the lower of cost (determined by using the average or first-in, first-out method) or net realizable value [see note 8](#). Costs included in inventories are based on invoiced costs and/or production costs as applicable. Included in production costs are material, direct labor and production overhead, including depreciation charges.

e) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation [see note 10](#). Maintenance and repair costs (day-to-day servicing) are expensed as incurred. The Company recognizes in the carrying amount of an item of property, plant and equipment the cost of replacing parts and major inspections if it is probable that the future economic benefits associated with the item will flow to the Company and the cost can be measured reliably. Property and equipment under capital leases are stated at the present value of future minimum lease payments at the inception of the lease, less accumulated depreciation. Depreciation on property, plant and equipment is calculated using the straight-line method over the estimated useful lives of the assets ranging from 4 to 50 years for buildings and improvements with a weighted average life of 14 years and 3 to 19 years for machinery and equipment with a

weighted average life of 11 years. Equipment held under capital leases and leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the asset. Internal use platform software that is integral to the computer equipment it supports is included in property, plant and equipment.

f) Intangible assets and goodwill

Intangible assets such as non-compete agreements, technology, distribution rights, patents, licenses to treat, licenses to manufacture, distribute and sell pharmaceutical drugs, exclusive contracts and exclusive licenses, trade names, management contracts, application software, acute care agreements, customer relationships and lease agreements are recognized and reported apart from goodwill [see note 11](#). Patient relationships however are not reported as separate intangible assets due to the missing contractual basis but are part of goodwill.

Goodwill and identifiable intangibles with indefinite useful lives are not amortized but tested for impairment annually or when an event becomes known that could trigger an impairment. The Company identified trade names and certain qualified management contracts as intangible assets with indefinite useful lives because, there is no foreseeable limit to the period over which those assets are expected to generate net cash inflows for the Company.

Intangible assets with finite useful lives are amortized over their respective useful lives to their residual values. The Company amortizes non-compete agreements over their useful life which on average is 8 years. Technology is amortized over its useful life of 15 years. Internally developed intangibles are amortized on a straight-line basis over a useful life of 9 years. Licenses to manufacture distribute and sell pharmaceutical drugs, exclusive contracts and exclusive licenses are amortized over their useful life which on average is 11 years. Customer relationships are amortized over their useful life of 9 years. All other intangible assets are amortized over their weighted average useful lives of 6 years. The weighted average useful life of all amortizable intangible assets is 9 years. Intangible assets with finite useful lives are evaluated for impairment when events have occurred that may give rise to an impairment [see note 1m](#).

To perform the annual impairment test of goodwill, the Company identified its groups of cash generating units (CGUs) and determined their carrying value by assigning the assets and liabilities, including the existing goodwill and intangible assets, to those CGUs. CGUs reflect the lowest level on which goodwill is monitored for internal management purposes.

One CGU was identified in the North America Segment, in the EMEA Segment, in the Asia-Pacific Segment and in the Latin America Segment. For the purpose of goodwill impairment testing, all corporate assets and liabilities are allocated to the CGUs. At least once a year, the Company compares the recoverable amount of each CGU to the CGU's carrying amount. The recoverable amount (value in use) of a CGU is determined using a discounted cash flow approach based upon the cash flow expected to be generated by the CGU. In case that the value in use of the CGU is less than its carrying amount, the difference is at first recorded as an impairment of the carrying amount of the goodwill.

To evaluate the recoverability of intangible assets with indefinite useful lives, the Company compares the fair values of intangible assets with their carrying values. An intangible asset's fair value is determined using a discounted cash flow approach or other methods, if appropriate.

For further information [see note 2a](#).

g) Financial instruments

The following categories according to IAS 39 (Financial Instruments: Recognition and Measurement) are relevant for the Company: loans and receivables, financial liabilities measured at amortized cost, available for sale financial assets as well as financial assets/liabilities measured at fair value through profit or loss. All other categories are immaterial or not existing. No financial instruments were reclassified during the reporting period.

The Company classifies its financial instruments into the following classes according to their character: cash and cash equivalents, assets recognized at carrying amount, liabilities recognized at carrying amount, assets recognized at fair value, liabilities recognized at fair value, noncontrolling interests subject to put provisions, derivatives designated as hedging instruments and derivatives not designated as hedging instruments.

[Note 23](#) provides an overview about the relationship between classes and categories as well as the reconciliation to the balance sheet line items.

Purchases and sales of financial assets are accounted for on the trading day. The Company does not make use of the fair value option, which allows financial assets or financial liabilities to be classified at fair value through profit or loss upon initial recognition.

Investments in equity instruments, debt instruments and fund shares are classified as available for sale financial assets and measured at fair value. The Company regularly reviews if objective substantial evidence occurs that would indicate an impairment of a financial asset or a portfolio of financial assets. After testing the recoverability of these assets, a possible impairment loss is recorded in the consolidated statement of income. Gains and losses of available for sale financial assets are recognized in accumulated other comprehensive income (loss) (AOCI) in shareholders' equity until the financial asset is disposed of or if it is considered to be impaired. In these cases the accumulated net loss recorded in AOCI is transferred to the income statement.

The Company, as option writer on behalf of existing put options, can be obligated to purchase the noncontrolling interests held by third parties. The obligations are in the form of put provisions and are exercisable at the third-party owners' discretion within specified periods as outlined in each specific put provision. If these put provisions were exercised, the Company would be required to purchase all or part of third-party owners' noncontrolling interests at the appraised fair value at the time of exercise. The methodology the Company uses to estimate the fair values of the noncontrolling interest subject to put provisions assumes the greater of net book value or a multiple of earnings, based on historical earnings, development stage of the underlying business and other factors. Additionally, there are put provisions that are valued by an external valuation firm. The external valuation estimates the fair values using a combination of discounted cash flows and a multiple of earnings and/or revenue. When applicable, the obligations are discounted at a pre-tax discount rate. The estimated fair values of the noncontrolling interests subject to these put provisions can also fluctuate, the discounted cash flows and the implicit multiple of earnings and/or revenue at which these noncontrolling interest obligations may ultimately be settled could vary significantly from the Company's current estimates depending upon market conditions.

At December 31, 2017, 2016 and 2015 the Company's potential obligations under these put provisions, which are recorded in other current liabilities and other non-current liabilities, were €830,773, €1,007,733 and €791,075, respectively. At December 31, 2017, 2016 and 2015, put provisions with an aggregate purchase obligation of €324,814, €287,953 and €215,201, respectively, were exercisable. In the last three fiscal years ending December 31, 2017, 33 such put provisions have been exercised for a total consideration of €120,023.

Derivative financial instruments which primarily include foreign currency forward contracts and interest rate swaps are recognized as assets or liabilities at fair value in the balance sheet [see note 23](#). From time to time, the Company may enter into other types of derivative instruments which are dealt with on a transaction by transaction basis. Changes in the fair value of derivative financial instruments classified as fair value hedges and in the corresponding underlying assets and liabilities are recognized periodically in earnings, while the effective portion of changes in fair value of derivative financial instruments classified as cash flow hedges is recognized in AOCI in shareholders' equity. The ineffective portion is recognized in current net earnings. The change in fair value of derivatives that do not qualify for hedge accounting is recorded in the income statement and usually offsets the changes in value recorded in the income statement for the underlying asset or liability.

Derivatives embedded in host contracts are accounted for as separate derivatives if their economic characteristics and risks are not closely related to those of the host contracts and the host contracts are not designated as available for sale financial asset or designated at fair value through profit or loss. These embedded derivatives are measured at fair value with changes in fair value recognized in the income statement.

h) Foreign currency translation

For purposes of these consolidated financial statements, the euro is the reporting currency. The requirement to report in euro arises from Section 315 e and Section 244 HGB. Substantially all assets and liabilities of foreign subsidiaries, that use a functional currency other than the euro, are translated at year-end exchange rates, while revenues and expenses are translated at average exchange rates. Adjustments for foreign currency translation fluctuations are excluded from net earnings and are reported in AOCI. In addition, the translation adjustments of certain intercompany borrowings, which are of a long-term nature, are reported in AOCI.

The exchange rates of the u.s. dollar affecting foreign currency translation developed as follows:

5.7 EXCHANGE RATES

1 US\$ in €

	<i>spot exchange rate Dec. 31</i>	<i>average exchange rate</i>
2017	0.83382	0.88519
2016	0.94868	0.90342
2015		0.90131

i) Revenue recognition

Health care service revenues, other than the hospitalist revenues discussed below, are recognized on the date the patient receives treatment and includes amounts related to certain services, products and supplies utilized in providing such treatment. The patient is obligated to pay for health care services at amounts estimated to be receivable based upon the Company's standard rates or at rates determined under reimbursement arrangements. In the u.s., these arrangements are generally with third party payors, such as Medicare, Medicaid or commercial insurers. Outside the u.s., the reimbursement is usually made through national or local government programs with reimbursement rates established by statute or regulation.

Health care product revenues are recognized upon transfer of title to the customer, either at the time of shipment, upon receipt or upon any other terms that clearly define passage of title. Health care product revenues are normally based upon pre-determined rates that are established by contractual arrangement.

For both health care service revenues and health care product revenues, patients, third party payors and customers are billed at our standard rates net of contractual allowances, discounts or rebates to reflect the estimated amounts to be receivable from these payors.

In the u.s., hospitalist revenues are reported at the estimated net realizable amount from third-party payors, client hospitals, and others at the time services are provided. Third-party payors include federal and state agencies (under the Medicare and Medicaid programs), managed care health plans, and commercial insurance companies. Inpatient acute care services rendered to Medicare and Medicaid program beneficiaries are paid according to a fee-for-service schedule. These rates vary according to a patient classification system that is based on clinical, diagnostic and other factors. Inpatient acute care services generated through payment arrangements with managed care health plans and commercial insurance companies are recorded on an accrual basis in the period in which services are provided at established rates.

A portion of health care product revenues outside the North America Segment is generated from arrangements which give the customer, typically a health care provider, the right to use dialysis machines. In the same contract the customer agrees to purchase the related treatment disposables at a price marked up from the standard price list. If the right to use the machine is conveyed through an operating lease, FMC AG & CO. KGAA does not recognize revenue upon delivery of the dialysis machine but recognizes revenue on the sale of disposables with revenue for the use of dialysis machines recognized over the term of the lease contract. If the lease of the machines is a sales type lease, ownership of the dialysis machine is transferred to the user upon installation of the dialysis machine at the customer site. In this type of contract, revenue is recognized in accordance with the accounting principles for sales type leases.

Any tax assessed by a governmental authority that is incurred as a result of a revenue transaction (e. g. sales tax) is excluded from revenues and the related revenue is reported on a net basis.

j) Capitalized interest

The Company includes capitalized interest as part of the cost of the asset if it is directly attributable to the acquisition, construction or manufacture of qualifying assets. For the fiscal years 2017, 2016 and 2015, interest of €4,758, €4,475 and €5,482, based on an average interest rate of 4.19%, 4.64% and 4.48%, respectively, was recognized as a component of the cost of assets.

k) Research and development expenses

Research is the original and planned investigation undertaken with the prospect of gaining new scientific or technical knowledge. Development is the technical and commercial implementation of research results and takes place before the start of commercial production or use. Research costs are expensed as incurred. Development costs that fully meet the criteria for the recognition of an intangible asset set out in IAS 38 (Intangible Assets) are capitalized as intangible asset.

l) Income taxes

Current taxes are calculated based on the profit (loss) of the fiscal year and in accordance with local tax rules of the respective tax jurisdictions. Expected and executed additional tax payments and tax refunds for prior years are also taken into account.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the single entity's financial statement carrying amounts of existing assets and liabilities and their respective tax basis, tax credits and tax loss carryforwards which are probable to be utilized. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantially enacted by the end of the reporting period. A change in tax rate for the calculation of deferred tax assets and liabilities is recognized in the period the new laws are enacted or substantively enacted. The effects of the adjustment are generally recognized in the income statement. The effects of the adjustment are recognized in equity, if the temporary differences are related to items directly recognized in equity.

Deferred tax liabilities are not recognized if they arise from the initial recognition of goodwill. In addition, deferred tax assets and liabilities are not recognized if they arise from the initial recognition of an asset or a liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit or loss.

The carrying amount of a deferred tax asset is reviewed at each balance sheet date. A deferred tax asset is recognized to the extent that the utilization of parts or all of it is probable because sufficient taxable profit will be available [see note 4f](#). The determination of future taxable income is based on assumptions on future market conditions and future profits of FMC AG & CO. KGAA and considers all currently available information as well as the level of historical taxable income. In addition, the determination of the recoverable amount of deferred tax assets considers implemented tax strategies.

The Company recognizes assets and liabilities for uncertain tax treatments to the extent it is probable the tax will be recovered or that the tax will be payable, respectively. The Company recognizes interest and penalties related to its income tax positions as income tax expense.

m) Impairment

The Company reviews the carrying amount of its property, plant and equipment, its intangible assets with definite useful lives as well as other non-current assets for impairment whenever events or changes in circumstances indicate that the carrying amount is higher than the asset's net realizable value or its value in use in accordance with IAS 36 (Impairment of Assets). The net realizable value of an asset is defined as its fair value less costs to sell. The value in use is the present value of future cash flows expected to be derived from the relevant asset. If it is not possible to estimate the future cash flows from the individual assets, impairment is tested on the basis of the future cash flows of the corresponding CGUs.

Impairment losses, except impairment losses recognized on goodwill, are reversed up to the amount of the amortised acquisition cost, as soon as the reasons for impairment no longer exist.

Long-lived assets to be disposed of by sale are reported at the lower of carrying value or fair value less cost to sell and depreciation is ceased. Long-lived assets to be disposed of other than by sale are considered to be held and used until disposal.

n) Debt issuance costs

Debt issuance costs related to a recognized debt liability are presented on the balance sheet as a direct deduction from the carrying amount of that debt liability. These costs are amortized over the term of the related obligation [see note 14](#).

o) Self-insurance programs

See note 2d.

p) Concentration of risk

The Company is engaged in the manufacture and sale of products for all forms of kidney dialysis, principally to health care providers throughout the world, and in providing kidney dialysis treatment. The Company also provides additional health care services under Care Coordination. The Company performs ongoing evaluations of its customers' financial condition and, generally, requires no collateral.

Revenues which were earned and subject to regulations under Medicare and Medicaid, governmental health care programs administered by the United States government, were approximately 34%, 33%, and 33% of the Company's worldwide revenues in 2017, 2016 and 2015, respectively.

See note 2c for concentration risks of debtors or group of debtors as well as note 8 for discussion of suppliers with long-term purchase commitments.

q) Legal contingencies

See note 2b.

r) Other provisions

In accordance with IAS 12 (Income Taxes) and IAS 37 (Provisions, Contingent Liabilities and Contingent Assets), accruals for taxes and other obligations are recognized when there is a present obligation to a third party arising from past events, it is probable that the obligation will be settled in the future and the required amount can be reliably estimated. Provisions by their nature are more uncertain than most other items in the statement of financial position.

Tax accruals include obligations for the current year and for prior periods.

Non-current provisions with a remaining period of more than one year are discounted to the present value of the expenditures expected to settle the obligation.

s) Earnings per share

Basic earnings per share is calculated in accordance with IAS 33 (Earnings per Share). Basic earnings per share is calculated by dividing net income attributable to shareholders by the weighted average number of shares outstanding during the year. Diluted earnings per share include the effect of all potentially dilutive instruments on shares that would have been outstanding during the years presented had the dilutive instruments been issued.

Equity-settled awards granted under the Company's stock incentive plans see note 20, are potentially dilutive equity instruments.

t) Treasury stock

The Company may, from time to time, acquire its own shares (Treasury Stock) as approved by its shareholders. The acquisition, sale or retirement of its Treasury Stock is recorded separately in equity. For the calculation of basic earnings per share, treasury stock is not considered outstanding and is therefore deducted from the number of shares outstanding with the value of such Treasury Stock shown as a reduction of the Company's equity.

u) Employee benefit plans

Pension obligations for post-employment benefits are measured in accordance with IAS 19 (revised 2011) (Employee Benefits) using the projected unit credit method, taking into account future salary and trends for pension increase.

The Company uses December 31 as the measurement date when measuring the funded status of all plans.

For the Company's funded benefit plans the defined benefit obligation is offset against the fair value of plan assets (funded status). A pension liability is recognized in the consolidated balance sheet if the defined benefit obligation exceeds the fair value of plan assets. A pension asset is recognized (and reported under "Other non-current assets" in the consolidated balance sheet) if the fair value of plan assets exceeds the defined benefit obligation and if the Company has a right of reimbursement against the fund or a right to reduce future payments to the fund.

Net interest costs are calculated by multiplying the benefit obligation (fair value of plan assets) at beginning of the year with the discount rate utilized in determining the benefit obligation.

Remeasurements include actuarial gains and losses resulting from the evaluation of the defined benefit obligation as well as from the difference between actual and expected return on plan assets. In the event of a surplus for a defined benefit pension plan remeasurements can also contain the effect from asset ceiling, as far as this effect is not included in net interest costs.

Remeasurements are recognized in AOCI completely. It is not allowed to reclassify the remeasurements in subsequent periods. Components of net periodic benefit cost are recognized in profit and loss of the period.

v) Share-based plans

The grant date fair value of stock options and convertible equity instruments that are settled by delivering equity-instruments granted to the Management Board and executive employees of the Group entities by FMC AG & CO. KGAA is measured in accordance with IFRS 2 (share-based payments) using the binominal option pricing model and recognized as expense over the vesting period of the stock option plans. For certain exceptions a shorter vesting period may apply after which the stock options will not forfeit in any way. In such cases the vesting period is shortened accordingly.

The balance sheet date fair value of cash-settled phantom stocks granted to the Management Board and executive employees of the Company is calculated in accordance with IFRS 2 using the binominal option pricing model. The corresponding liability based on the balance sheet date fair value is accrued over the vesting period of the phantom stock plans. For certain exceptions a shorter vesting period may apply after which the phantom stocks will not forfeit in any way. In such cases the vesting period is shortened accordingly.

The balance sheet date fair value of cash-settled performance shares granted to the Management Board and executive employees of the Company is calculated using the Monte Carlo pricing model in accordance with IFRS 2. The corresponding liability based on the balance sheet date fair value is accrued over the vesting period of the performance share plan. For certain exceptions a shorter vesting period may apply after which the performance shares will not forfeit in any way. In such cases the vesting period is shortened accordingly.

Two of the Company's subsidiaries are authorized to issue Incentive Units [see note 20](#). The balance sheet date fair value of the awards under the subsidiary stock incentive plans, whereby Incentive Units are issued by certain of the Company's subsidiaries, is calculated in accordance with IFRS 2 using the Monte Carlo pricing model. The corresponding liability is accrued over the vesting period of the Incentive Units.

w) Recent pronouncements

Recently implemented accounting pronouncements

The Company has prepared its consolidated financial statements at December 31, 2017 in conformity with IFRS that have to be applied for fiscal years beginning on January 1, 2017. In 2017, the Company applied the following new standard relevant for its business for the first time: Amendments to IAS 7, Statement of Cash Flows.

In January 2016, the IASB issued amendments to IAS 7, Statement of Cash Flows. The amendments are intended to improve the information related to the change in a company's debt by providing additional annual disclosures. The standard is effective for fiscal years beginning on or after January 1, 2017. The Company initially presents the amendments to IAS 7 in the Consolidated Financial Statements as of December 31, 2017.

Recent accounting pronouncements not yet adopted

The IASB issued the following new standards which are relevant for the Company:

- ▶ IFRS 15, Revenue from Contracts with Customers
- ▶ IFRS 9, Financial Instruments
- ▶ IFRS 16, Leases
- ▶ IFRS 17, Insurance Contracts

In May 2014, the IASB issued IFRS 15, Revenue from Contracts with Customers. This new standard specifies how and when companies reporting under IFRS will recognize revenue as well as providing users of financial statements with more informative and relevant disclosures. IFRS 15 supersedes IAS 18, Revenue, IAS 11, Construction Contracts and a number of revenue-related interpretations. While this standard applies to nearly all contracts with customers, the main exceptions are leases, financial instruments and insurance contracts. In September 2015, the IASB issued the amendment "Effective Date of IFRS 15", which defers the effective date of IFRS 15 by one year to fiscal years beginning on or after January 1, 2018. Earlier adoption is permitted. The Company did not adopt IFRS 15 early and evaluated the impact of IFRS 15, in conjunction with all amendments to the standard, on its Consolidated Financial Statements.

Based on findings the Company obtained so far, it expects differences from the current accounting mainly in the calculation of the transaction price for health care services provided. IFRS 15 requires the consideration of implicit price concessions when determining the transaction price. This will lead to a corresponding decrease of revenue from health care services and thus, the implicit price concessions will no longer be included in selling, general and administrative expenses as an allowance for doubtful accounts. This issue showed a decrease of revenue by 2.7% or €486,140 for 2017, without any effect on net income. There are no material contract assets or contract liabilities resulting from the implementation of IFRS 15. Revenue from lease contracts will be disclosed separately from IFRS 15 revenue in the notes to the consolidated financial statements in the future. The Company expects to implement IFRS 15 using the cumulative effect method and is continuing to evaluate accounting policy options. The Company intends to apply IFRS 15 only to open contracts as of January 1, 2018.

In July 2014, the IASB issued a new version of IFRS 9, Financial Instruments. This IFRS 9 version is considered the final and complete version, thus, mainly replacing IAS 39 as soon IFRS 9 is applied. It includes all prior guidance on the classification and measurement of financial assets and financial liabilities as well as hedge accounting and introduces requirements for impairment of financial instruments as well as modified requirements for the measurement categories of financial assets. The impairment provisions reflect a model that relies on expected losses (expected loss model). This model comprises a three stage approach. Upon recognition an entity shall recognize losses that are expected within the next 12 months. If credit risk deteriorates significantly, from that point in time, impairment losses shall amount to lifetime expected losses. In case of objective evidence of impairment there is an assignment to stage 3. The provisions for classification and measurement are amended by introducing an additional third measurement category for certain debt instruments. Such instruments shall be measured at fair value with changes recognized in other comprehensive income (fair value through other comprehensive income). The standard is accompanied by additional disclosure requirements and is effective for fiscal years beginning on or after January 1, 2018. Earlier adoption is permitted. The Company did not adopt IFRS 9 early. In accordance with IAS 39, the majority of the non-derivative financial assets are measured at amortized costs. The analysis on the business model and the contractual cash flow characteristics of each instrument is complete. The impact on the measurement of non-derivative financial assets under IFRS 9 will not be significant. For individual equity instruments, in the amount of approximately €27,000, the Company will use the option and present changes in fair value in other comprehensive income. The requirements for the classification and measurement of non-derivative financial liabilities have not changed significantly. Thus, the Company expects a limited impact on its Consolidated Financial Statements. Derivatives not designated as hedging instruments will continue to be classified and measured at fair value through profit and loss.

150

The Company will implement the simplified method to determine the provisions for risks from trade accounts receivable, receivables from lease contracts and contract assets according to IFRS 15. Starting point of the new impairment model is an analysis of trade accounts receivable based on individual maturity. For the determination of impairment losses in addition to historical loss rates also present and future information is included, to take foreseeable changes in the customer-specific or macroeconomic environment into account. The effect from the implementation of this simplified method will amount to approximately €10,000 and will be recorded as a debit to the respective assets and a credit to retained earnings. Based on currently available information, derivative financial instruments presently designated as hedging instruments are also qualified for hedge accounting according to the requirements of IFRS 9. Hedging instruments will be designated on a spot basis. The Company will use the option to recognize the forward element in other comprehensive income. The Company expects to implement IFRS 9 using the modified retrospective method.

In January 2016, the IASB issued IFRS 16, Leases, which supersedes the current standard on lease-accounting, IAS 17, as well as the interpretations IFRIC 4, SIC-15 and SIC-27. IFRS 16 significantly improves lessee accounting. For all leases, a lessee is required to recognize a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments. Depreciation of the right-of-use asset and interest on the lease liability must be recognized in the income statement for every lease contract. Therefore, straight-line rental expenses will no longer be shown. The lessor accounting requirements in IAS 17 are substantially carried forward. The standard is effective for fiscal years beginning on or after January 1, 2019. Earlier application is permitted for entities that have also adopted IFRS 15, Revenue from Contracts with Customers. The Company

decided that IFRS 16 will not be adopted early. The Company expects a balance sheet extension due to the on balance sheet recognition of right of use assets and liabilities for agreed lease payment obligations, currently classified as operating leases, resulting in particular from leased clinics and buildings. Based on a first impact analysis as of December 31, 2015 using certain assumptions and simplifications, the Company expects a financial debt increase of approximately €4,000,000. Referring to the consolidated statement of income, the Company expects an operating income improvement due to the split of rent expenses in depreciation and interest expenses, by having unchanged cash outflows. The Company also expects that its net leverage ratio (net debt as compared to Earnings before Interest, Taxes, Depreciation and Amortization, EBITDA), adjusted for acquisitions and divestitures made during the year with a purchase price above a €50,000 threshold as defined in the Amended 2012 Credit Agreement and non-cash charges) will increase by about 0.5. The impact on the Company will depend on the contract portfolio at the effective date, as well as the transition method. Based on a first impact analysis, the Company decided to apply the modified retrospective method. Currently, the Company is evaluating the accounting policy options of IFRS 16.

In May 2017, the IASB issued IFRS 17, Insurance Contracts. IFRS 17 establishes principles for the recognition, measurement, presentation and disclosure related to the issuance of insurance contracts. IFRS 17 replaces IFRS 4, Insurance Contracts, which was brought in as an interim Standard in 2004. IFRS 4 permitted the use of national accounting standards for the accounting of insurance contracts under IFRS. As a result of the varied application for insurance contracts there was a lack of comparability among peer groups. IFRS 17 eliminates this diversity in practice by requiring all insurance contracts to be accounted for using current values. The frequent updates to the insurance values are expected to provide more useful information to users of financial statements. IFRS 17 is effective for fiscal years beginning on or after January 1, 2021. Earlier adoption is permitted for entities that have also adopted IFRS 9 Financial Instruments and IFRS 15 Revenue from Contracts with Customers. The Company is evaluating the impact of IFRS 17 on the Consolidated Financial Statements.

The EU Commission's endorsement of IFRS 17 is still outstanding.

In the Company's view, all other pronouncements issued by the IASB do not have a material impact on the consolidated financial statements, as expected.

2. DISCRETIONARY DECISIONS AND SOURCES OF ESTIMATION UNCERTAINTIES

The Company's reported results of operations, financial position and net assets are sensitive to discretionary decisions, assumptions and estimates that are the basis for its financial statements. The critical accounting policies, the judgments made in the creation and application of these policies and the sensitivities of reported results to changes in accounting policies, discretionary decisions and estimates are factors to be considered along with the Company's financial statements. In the opinion of the Management of the Company, the following accounting policies, discretionary decisions and sources of estimation uncertainties are critical for the consolidated financial statements in the present economic environment.

a) Recoverability of goodwill and intangible assets

The growth of the business through acquisitions has created a significant amount of intangible assets, including goodwill, trade names, management contracts, non-compete agreements and customer relationships. At December 31, 2017, the carrying amount of goodwill and non-amortizable intangible assets amounted to €12,281,648 (€13,157,584 at December 31, 2016) representing approximately 51% and 52% of the Company's total assets at December 31, 2017 and 2016, respectively.

In accordance with IAS 36 (Impairment of Assets), the Company performs an impairment test of goodwill and non-amortizable intangible assets at least once a year for each reporting unit or more frequently if the Company becomes aware of events that occur or if circumstances change that would indicate the carrying value may not be recoverable [see also note 1f](#).

To comply with IFRS to determine possible impairments of these assets, the value in use of the CGU is first compared to the CGU's carrying amount.

The value in use of each CGU is determined using estimated future cash flows for the unit discounted by a weighted average cost of capital (WACC) specific to that CGU. Estimating the future cash flows involves significant assumptions, especially regarding future reimbursement rates and sales prices, number of treatments, sales volumes and costs. In determining discounted cash flows, the Company utilizes for every CGU its three-year budget, projections for years four to ten and a representative growth rate for all remaining years. Projections for up to ten years are possible due to the non-discretionary nature of the health care services the Company provides, the need for health care products utilized to provide such services and the availability of government reimbursement for a substantial portion of its services.

The CGU's average revenue growth for the ten year planning period is within a mid-single-digit range for the North America Segment, EMEA Segment and the Latin America Segment, whereas for the Asia-Pacific Segment the average revenue growth is in the high single-digits.

A substantial portion of the Company's profit is generated in North America. The Company expects a stable operating income margin with a higher margin in dialysis business compensating a lower margin in Care Coordination.

The CGU's expected growth rates for the period beyond ten years are: North America 1.0%, EMEA 0%, Asia-Pacific 4.0% and Latin America 3.45%. The discount factor is determined by the WACC of the respective CGU. The Company's WACC consists of a basic rate adjusted by a weighted average country risk rate and, if appropriate, by a factor to reflect higher risks associated with the cash flows from recent material acquisitions within each CGU, until they are appropriately integrated. In 2017 the pre-tax WACC, for the respective CGU is 7.25% (2016: 7.54%) for North America, 9.43% (2016: 8.64%) for EMEA, 7.35% (2016: 6.40%) for Asia Pacific and 17.93% (2016: 18.18%) for Latin America. An overview of the carrying amounts of goodwill and intangibles with the indefinite useful life for each CGU is shown in [note 11](#).

To evaluate the recoverability of intangible assets with indefinite useful lives, the Company compares the fair values of intangible assets with their carrying values and intangible asset's fair value is determined using a discounted cash flow approach or other methods, if appropriate.

A prolonged downturn in the health care industry with lower than expected increases in reimbursement rates and/or higher than expected costs for providing health care services and for procuring and selling health care products could adversely affect the Company's estimated future cash flows. Future adverse changes in a reporting unit's economic environment of a CGU could affect the country specific risk rate and therefore the discount rate. Equally an increase of the general interest rate level could affect the base rate and therefore the discount rate. A decrease in the estimated future cash flows and/or a decline in the reporting units economic environment could result in impairment charges to goodwill and other intangible assets which could materially and adversely affect the Company's future financial position and operating results.

Sensitivity analysis showed that a rise in the respective WACC by one percentage point, that could be caused by an increase in the Company's beta factor or an increase in interest rates, would not lead to an impairment of any of its cash-generating units.

b) Legal contingencies

From time to time, during the ordinary course of operations, the Company is party to litigation and arbitration and is subject to investigations relating to various aspects of its business [see note 22](#). The Company regularly analyzes current information about such claims for probable losses and provides accruals for such matters, including the estimated legal expenses and consulting services in connection with these matters, as appropriate. The Company utilizes its internal legal department as well as external resources for these assessments. In making the decision regarding the need for loss accrual, the Company considers the degree of probability of an unfavorable outcome and its ability to make a reasonable estimate of the amount of loss.

The filing of a suit or formal assertion of a claim or assessment, or the disclosure of any such suit or assertion, does not necessarily indicate that accrual of a loss is appropriate.

The outcome of these matters may have a material effect on the results of operations, financial position and net assets of the Company.

c) Trade accounts receivable and allowance for doubtful accounts

Trade accounts receivable are a substantial asset of the Company and the allowance for doubtful accounts is based upon a significant estimate made by management. Trade accounts receivable were €3,330,990 and €3,491,079 at December 31, 2017 and 2016, respectively, net of allowances for doubtful accounts of €474,891 at December 31, 2017 and €482,461 at December 31, 2016.

The Company sells health care products directly or through distributors in around 150 countries and provide health care services in around 50 countries. Most payors are government institutions or government-sponsored programs with significant variations between the countries and even between payors within one country in local payment and collection practices.

Receivables resulting from health care services are recognized and billed at amounts estimated to be collectable under government reimbursement programs and reimbursement arrangements with third party payors. U.S. Medicare and Medicaid government programs are billed at pre-determined net realizable rates per treatment that are established by statute or regulation. Revenues for non-governmental payors with which the Company has contracts or letters of agreement in place are recognized at the prevailing contract rates. The remaining non-governmental payors are billed at the Company's standard rates for services and, in the Company's North America Segment, a contractual adjustment is recorded to recognize revenues based on historic reimbursement. The contractual adjustment and the allowance for doubtful accounts are reviewed quarterly for their adequacy. No material changes in estimates were recorded for the contractual allowance in the periods presented. The collectability of accounts receivable is reviewed locally on a regular basis, generally monthly.

In the Company's North America Segment operations, the collection process is usually initiated 30 days after service is provided or upon the expiration of the time provided by contract. For Medicare and Medicaid, once the services are approved for payment, the collection process begins upon the expiration of a period of time based upon experience with Medicare and Medicaid. In all cases where co-payment is required the collection process usually begins within 30 days after service has been provided. In those cases where claims are approved for amounts less than anticipated or if claims are denied, the collection process usually begins upon notice of approval of the lesser amounts or upon denial of the claim. The collection process can be confined to internal efforts, including the accounting and sales staffs and, where appropriate, local management staff. If appropriate, external collection agencies may be engaged.

Public health institutions in a number of countries outside the U.S. require a significant amount of time until payment is made because a substantial number of payors are government entities whose payments are often determined by local laws and regulations and budget constraints. Depending on local facts and circumstances, the period of time to collect can be quite lengthy. In those instances where there are commercial payors, the same type of collection process is initiated as in the North America Segment.

Due to the number of subsidiaries and different countries that the Company operates in, the Company's policy of determining when a valuation allowance is required considers the appropriate individual local facts and circumstances that apply to an account. While payment and collection practices vary significantly between countries and even agencies within one country, government payors usually represent low to moderate credit risks. It is the Company's policy to determine when receivables should be classified as bad debt on a local basis taking into account local payment practices and local collection experience. A valuation allowance is calculated locally if specific circumstances indicate that amounts will not be collectible.

In the Company's EMEA Segment, Asia-Pacific Segment, Latin America Segment and North America Segment product division, for receivables overdue by more than one year, an additional valuation allowance is recorded based on an individual country risk, since the Company believes that the length of time to collect does indicate an increased credit risk.

When all efforts to collect a receivable, including the use of outside sources where required and allowed, have been exhausted, and after appropriate management review, a receivable deemed to be uncollectible is considered a bad debt and written off.

Write offs are taken on a claim-by-claim basis. Due to the fact that a large portion of its reimbursement is provided by public health care organizations and private insurers, the Company expects that most of its accounts receivables will be collectible, albeit potentially more slowly outside the North America Segment. A significant change in the Company's collection experience, deterioration in the aging of receivables and collection difficulties could require that the Company increases its estimate of the allowance for doubtful accounts. Any such additional bad debt charges could materially and adversely affect the Company's future operating results.

If, in addition to the Company's existing allowances, 1% of the gross amount of the Company's trade accounts receivable as of December 31, 2017 were uncollectible through either a change in the Company's estimated contractual adjustment or revised estimate of the collectability, the Company's operating income for 2017 would have been reduced by approximately 1.5%.

The following table shows the portion of major debtors or debtor groups of trade accounts receivable as at December 31, 2017 and 2016. No single debtor, other than u.s. Medicare and Medicaid, accounted for more than 5% of total trade accounts receivable in any of these years. Amounts pending approval from third party payors represented less than 3% of the accounts receivable at December 31, 2017.

5.8 COMPOSITION OF TRADE ACCOUNTS RECEIVABLE

December 31

	2017	2016
U.S. Government health care programs	28%	30%
U.S. commercial payors	15%	16%
U.S. hospitals	11%	8%
Self-pay of U.S. patients	1%	2%
Other North America Segment payors	2%	2%
Product customers and health care payors outside the North America Segment	43%	42%
► TOTAL	100%	100%

d) Self-insurance programs

Under the Company's insurance programs for professional, product and general liability, auto liability, worker's compensation and medical malpractice claims, the Company's largest subsidiary which is located in the u.s. is partially self-insured for professional liability claims. For all other coverages, the Company assumes responsibility for incurred claims up to predetermined amounts above which third party insurance applies. Reported liabilities for the year represent estimated future payments of the anticipated expense for claims incurred (both reported and incurred but not reported) based on historical experience and existing claim activity. This experience includes both the rate of claims incidence (number) and claim severity (cost) and is combined with individual claim expectations to estimate the reported amounts.

e) Noncontrolling interests subject to put provisions

The noncontrolling interests subject to put provisions are recognized at their fair value. For further information related to the estimation of these fair values, [see notes 1g and 23](#).

f) Variable payments outstanding for acquisitions

Variable payments outstanding for acquisitions are recognized at their fair value. For further information related to the estimation of these fair values [see note 23](#).

g) Income taxes

The Company is subject to ongoing and future tax audits in the u.s., Germany and other jurisdictions. Different interpretations of tax laws may lead to potential additional tax payments or tax refunds for prior years. To consider income tax provisions or income tax receivables of uncertain tax assessments management's estimations are based on local tax rules of the respective tax jurisdiction and the interpretation of such. Estimates are revised in the period in which there is sufficient evidence to revise the assumption. For further information to estimates related to the recoverability of deferred taxes [see note 11](#).

3. ACQUISITIONS, INVESTMENTS, PURCHASES OF INTANGIBLE ASSETS AND DIVESTITURES

The Company completed acquisitions, investments and the purchase of intangible assets in the amount of €682,676, €774,277 and €385,081 in 2017, 2016 and 2015, respectively. In 2017, €565,694 was paid in cash and €116,982 were assumed obligations and non-cash consideration. In 2016, €521,800 was paid in cash and €252,477 were assumed obligations and non-cash consideration. In 2015, €285,543 was paid in cash and €99,538 were assumed obligations and non-cash consideration.

Acquisitions

The Company made acquisitions of €638,307, €632,342 and €162,392 in 2017, 2016 and 2015, respectively in order to expand the scope of its services and to increase its market shares in the respective countries. In 2017, €521,325 was paid in cash and €116,982 were assumed obligations and non-cash consideration. In 2016, €379,865 was paid in cash and €252,477 were assumed obligations and non-cash consideration. In 2015, €90,267 was paid in cash and €72,125 were assumed obligations and non-cash consideration.

The Company's acquisition spending was driven primarily by the purchase of dialysis clinics in the normal course of its operations in 2017, 2016 and 2015 as well as the acquisition of an operator of day hospitals in Australia in 2017, the purchase of a medical technology company focusing on the treatment of lung and cardiac failure in 2016 and the purchase of a distributor in the Asia-Pacific Segment in 2015.

Impacts on consolidated financial statements from acquisitions

The assets and liabilities of all acquisitions were recorded at their estimated fair value at the date of the acquisition and are included in the Company's financial statements and operating results from the effective date of acquisition. The previous year's acquisitions did not have a significant impact on the consolidated financial statements in 2017.

The excess of the total acquisition costs over the fair value of the net assets acquired resulted in goodwill of €651,491 and €586,520 at December 31, 2017 and 2016, respectively.

The purchase price allocations for all collectively and individually non-material acquisitions for 2017 are not yet finalized. The Company is in the process of obtaining and evaluating the information necessary for the purchase price allocations, primarily related to property, plant and equipment, intangible assets, accounts receivable and other liabilities. In 2017, based on preliminary purchase price allocations, the Company recorded €651,491 of goodwill and €39,352 of intangible assets, which represent the share of both controlling and noncontrolling interests. Goodwill arose principally due to the fair value of the established streams of future cash flows for these acquisitions versus building similar franchises.

Business combinations during 2017 increased the Company's net income (net income attributable to shareholders of FMC AG & CO. KGAA) by €2,198, excluding the costs of the acquisitions, and revenue increased by €256,045. Total assets increased €758,720 due to business combinations.

Investments and purchases of intangible assets

Investments and purchases of intangible assets were €44,369, €141,935 and €222,689 in 2017, 2016 and 2015, respectively. These amounts were primarily driven by purchases of intangible assets and an investment in available for sale financial assets in 2017, an investment in available for sale financial assets and notes receivables related to an equity method investee in 2016 and an investment in available for sale financial assets and notes receivables related to an equity method investee as well as contributions to an equity method investee in 2015. Of this amount €44,369 and €141,935 were paid in cash in 2017 and 2016, respectively. In 2015, €195,276 was paid in cash and €27,413 were non-cash components.

Divestitures

Proceeds from divestitures were €437,031, €193,893 and €252,764 in 2017, 2016 and 2015, respectively. These amounts mainly related to the sale of a provider of non-dialysis laboratory testing services and a provider of outsourced clinical services in the North America Segment as well as divestitures of available for sale financial assets in 2017, a divestment of available for sale financial assets and the repayment of notes receivables related to an equity method investee in 2016 as well as the repayment of an investment-type loan granted to a middle-market dialysis provider, the divestiture of the dialysis service business in Venezuela and the transfer of marketing rights to an equity method investee in 2015. In 2017, €415,388 was received in cash and €21,643 were non-cash components. In 2016, €190,247 was received in cash and €3,646 were non-cash components. In 2015, €226,823 was received in cash and €25,941 were non-cash components.

4. NOTES TO THE CONSOLIDATED STATEMENTS OF INCOME

a) Selling, general and administrative expenses

Selling, general and administrative expenses are generated in the administrative, logistic and selling functions which are not attributable to research and development or production. In addition, general and administrative expenses included realized and unrealized foreign exchange gains and losses. In 2017, general and administrative expenses included a Foreign Corrupt Practices Act (FCPA) related charge of €200,000 [see note 22](#), a net gain from the sale of fixed assets of €31,959 and from the sale of investments of €84,665. In 2016, general and administrative expenses included a net loss from the sale of fixed assets of €11,074 and a net gain from the sale of investments of €16,455. In 2015, general and administrative expenses included a net loss from the sale of fixed assets of €6,380 and a net gain from the sale of investments of €11,189. In addition in 2015, general and administrative expenses included a net amount of \$60,000 (€54,078) in relation to the NaturaLyte® and GranuFlo® agreement in principle. For further information [see note 22](#).

b) Research and development expenses

Research and development expenses of €130,704 (2016: €146,511 and 2015: €128,128) included research and non-capitalizable development costs as well as depreciation and amortization expenses related to capitalized development costs of €432 (2016: €724 and 2015: €1,673).

c) Cost of materials

The cost of materials for the year ended December 31, 2017, 2016 and 2015 consisted of the following:

5.9 COST OF MATERIALS

in € THOUS

	2017	2016	2015
Cost of raw materials, supplies and purchased components	4,305,683	3,696,528	3,601,588

Interest expenses resulted mainly from the Company's financial liabilities which are not accounted for at fair value through profit and loss [see note 13 and note 14](#). In 2017, interest income was mainly attributable to the valuation of the Share Options, interest on overdue receivables and lease receivables. In 2016, a large part of interest income was attributable to the valuation of the derivatives embedded in the Convertible Bonds. In 2015, interest income was mainly attributable to the valuation of the Share Options which the Company purchased in connection with the issuance of the Convertible Bonds as well as interest-bearing notes receivables [see note 23](#).

► TOTAL	351,541

Included in the balance of net operating loss carryforwards at December 31, 2017 are €166,036 not expected to be absorbed. Deferred tax assets regarding this portion are not recognized.

In assessing the realizability of deferred tax assets, management considers to which extent it is probable that the deferred tax asset will be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences and tax loss carryforwards become deductible. Management considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. Based upon the level of historical taxable income and projections for future taxable income over the periods in which the deferred tax assets are deductible, management believes it is probable the Company will realize the benefits of these deferred tax assets at December 31, 2017.

The Company provides for income taxes and foreign withholding taxes on the cumulative earnings of foreign subsidiaries and foreign subsidiaries in which the Company has ownership of less than 100% that will not be reinvested. At December 31, 2017, the Company provided for €11,744 (2016: €11,619) of deferred tax liabilities associated with earnings that are likely to be distributed in 2018 and the following years. Provision has not been made for additional taxes on €5,978,278 (2016: €7,037,959) undistributed earnings of foreign subsidiaries as these earnings are considered indefinitely reinvested. The earnings could become subject to additional tax if remitted or deemed remitted as dividends; however calculation of such additional tax is not practicable. These taxes would predominantly comprise foreign withholding tax on dividends of foreign subsidiaries, and German income tax; however, those dividends and capital gains would generally be 95% tax free for German tax purposes.

In the u.s., the tax reform was enacted by signature of the president of the Tax Cuts and Jobs Act on December 22, 2017. The Act reduces the u.s. corporate income tax rate from 35% to 21% effective from January 1, 2018. Deferred tax assets and liabilities expected to reverse in 2018 and beyond, have been remeasured using the corporate income tax rate that was enacted by the balance sheet date and will apply for future financial years. For the year ended December 31, 2017, the remeasurement of deferred tax assets and liabilities resulted in a deferred tax benefit of €235,692 which was recognized in tax expense affecting profit and loss and included in the balance of €238,130 in the reconciling item "tax rate changes" in the table "reconciliation of income taxes" above.

5. RELATED PARTY TRANSACTIONS

Fresenius SE is the Company's largest shareholder and owns 30.80% of the Company's outstanding shares, excluding treasury shares held by the Company, at December 31, 2017. The Company has entered into certain arrangements for services, leases and products with Fresenius SE or its subsidiaries and with certain of the Company's equity method investees as described in item a) below. The Company's terms related to the receivables or payables for these services, leases and products are generally consistent with the normal terms of the Company's ordinary course of business transactions with unrelated parties. Financing arrangements as described in item b) below have agreed upon terms which are determined at the time such financing transactions occur and reflect market rates at the time of the transaction. The relationship between the Company and its key management personnel who are considered to be related parties is described in item c) below. Our related party transactions are settled through Fresenius SE's cash management system where appropriate.

a) Service agreements, lease agreements and products

The Company is party to service agreements with Fresenius SE and certain of its affiliates (collectively the Fresenius SE companies) to receive services, including, but not limited to: administrative services, management information services, employee benefit administration, insurance, information technology services, tax services and treasury management services. The Company also provides central purchasing services to the Fresenius SE companies. These related party agreements generally have a duration of 1 to 5 years and are renegotiated on an as needed basis when the agreement comes due. The Company provides administrative services to one of its equity method investees. In 2015, the Company also performed marketing and distribution services for certain of its equity method investees.

The Company is a party to real estate operating lease agreements with the Fresenius SE companies, which mainly include leases for the Company's corporate headquarters in Bad Homburg, Germany and production sites in Schweinfurt and St. Wendel, Germany. The majority of the leases expire at the end of 2026. As of December 31, 2017 and 2016, future minimum rental payments under non-cancelable operating leases with Fresenius SE were €53,374 and €17,097 as well as €118,962 and €121,844 with other Fresenius SE affiliates, respectively. These minimum rental payments are included within the amounts disclosed in [note 21](#).

In addition to the above mentioned service and lease agreements, the Company sold products to the Fresenius SE companies and made purchases from the Fresenius SE companies and equity method investees. In addition, Fresenius Medical Care Holdings, Inc. (FMCH) purchases heparin supplied by Fresenius Kabi USA, Inc. (Kabi USA), through an independent group purchasing organization (GPO). Kabi USA is an indirect, wholly-owned subsidiary of Fresenius SE. The Company has no direct supply agreement with Kabi USA and does not submit purchase orders directly to Kabi USA. FMCH acquires heparin from Kabi USA, through the GPO contract, which was negotiated by the GPO at arm's length on behalf of all members of the GPO.

The Company entered into an agreement with a Fresenius SE company for the manufacturing of plasma collection devices. The Company agreed to produce 3,500 units which can be further increased to a maximum of 4,550 units, over the length of the five year contract. On January 1, 2015, this manufacturing business was sold to Kabi USA for \$9,327 (€8,567 at December 31, 2015) for which a fairness opinion was obtained from a reputable global accounting firm. The disposal was accounted for as a transaction between parties under common control at the carrying amounts without the generation of profits.

In December 2010, the Company formed the renal pharmaceutical company Vifor Fresenius Medical Care Renal Pharma Ltd., (VFMCRP), an equity method investee of which the Company owns 45%, with Galenica Ltd. (now known as Vifor Pharma Ltd). The Company has entered into exclusive supply agreements to purchase certain pharmaceuticals from VFMCRP.

Below is a summary, including the Company's receivables from and payables to the indicated parties resulting from the above described transactions with related parties.

b) Financing

162

The Company receives short-term financing from and provides short-term financing to Fresenius SE. The Company also utilizes Fresenius SE's cash management system for the settlement of certain intercompany receivables and payables with its subsidiaries and other related parties. As of December 31, 2017 and December 31, 2016, the Company had accounts receivable from Fresenius SE related to short-term financing in the amount of €91,026 and €197,883, respectively. As of December 31, 2017 and December 31, 2016, the Company had accounts payable to Fresenius SE related to short-term financing in the amount of €76,159 and €186,350, respectively. The interest rates for these cash management arrangements are set on a daily basis and are based on the then-prevailing overnight reference rate, with a floor of zero, for the respective currencies.

On August 19, 2009, the Company borrowed €1,500 from the General Partner on an unsecured basis at 1.335%. The loan repayment has been extended periodically and is currently due August 22, 2018 with an interest rate of 1.100%. On November 28, 2013, the Company borrowed an additional €1,500 with an interest rate of 1.875% from the General Partner. The loan repayment has been extended periodically and is currently due on November 23, 2018 with an interest rate of 1.100%.

On June 12, 2014, the Company provided a one-year unsecured term loan to one of its equity method investees in the amount of \$22,500 at an interest rate of 2.5366%. This loan was repaid in full on June 12, 2015.

The Company provided unsecured term loans to one of its equity method investees during 2015 and 2016 in the amount of CHF 78,416 (€71,928 based upon the average exchange rate for the twelve months ended December 31, 2016). These loans were repaid in full during the first half of 2016. The loans were entered into in order to fund the 2015 sale of European marketing rights for certain renal pharmaceuticals to the same equity method investee as well as to finance the investee's payments for license and distribution agreements. These marketing rights were sold to this equity method investee in 2015 which resulted in a gain of approximately €10,058, after tax.

On December 31, 2017 and December 31, 2016, a subsidiary of Fresenius SE held unsecured bonds issued by the Company in the amount of €6,000 and €8,300, respectively. The bonds were issued in 2011 and 2012, mature in 2021 and 2019, respectively, and each has a coupon rate of 5.25% with interest payable semiannually. For further information on these bonds see note 14.

On December 31, 2017 the Company borrowed from Fresenius SE in the amount of €6,000 at an interest rate of 0.825%. For further information on this loan agreement see note 13. On December 31, 2016 the Company provided a cash advance to Fresenius SE in the amount of €36,245 on an unsecured basis at an interest rate of 0.771%.

c) Key management personnel

Due to the Company's legal form of a German partnership limited by shares, the General Partner holds a key management position within the Company. In addition, as key management personnel, members of the Management Board and the Supervisory Board, as well as their close relatives, are considered related parties.

The Company's Articles of Association provide that the General Partner shall be reimbursed for any and all expenses in connection with management of the Company's business, including remuneration of the members of the General Partner's supervisory board and the members of the Management Board. The aggregate amount reimbursed to the General Partner was €25,995, €18,153 and €15,199, respectively, for its management services during 2017, 2016 and 2015 and included an annual fee of €120 as compensation for assuming liability as general partner. The annual fee is set at 4% of the amount of the General Partner's share capital (€3,000 as of December 31, 2017). As of December 31, 2017 and December 31, 2016, the Company had accounts receivable from the General Partner in the amount of €246 and €174, respectively. As of December 31, 2017 and December 31, 2016, the Company had accounts payable to the General Partner in the amount of €23,020 and €14,696, respectively.

Dr. Gerd Krick is the Chairman of the Company's Supervisory Board, the supervisory board of Fresenius SE and of the general partner of Fresenius SE. He is also a member of the supervisory board of the Company's General Partner.

Dr. Dieter Schenk is the Vice Chairman of the Company's Supervisory Board, the supervisory board of the general partner of Fresenius SE as well as the supervisory board of the Company's General Partner. He is also Chairman of the Advisory Board of a charitable foundation that is the sole shareholder of the general partner of Fresenius SE. He was also a partner in a law firm which provided services to the Company and certain of its subsidiaries until December 31, 2017. The Company incurred expenses in the amount of €2,337, €1,258, and €863 for these services during 2017, 2016 and 2015, respectively. Four of the six members of the Company's Supervisory Board, including the Chairman and Vice Chairman, are also members of the supervisory board of the Company's General Partner.

The Chairman of the supervisory board of the Company's General Partner, Stephan Sturm, is also the Chairman of the management board of the general partner of Fresenius SE. Rachel Empey is a member of the supervisory board of the Company's General Partner as well as a member of the management board of the general partner of Fresenius SE. Additionally, the Chairman and Chief Executive Officer of the Management Board of the Company's General Partner, Rice Powell, is a member of the Management Board of the general partner of Fresenius SE.

For information regarding compensation of the Management Board and the Supervisory Board of the Company see note 28.

The amortization of intangible assets amounted to €112,773, €107,517 and €101,104 for the years ended December 31, 2017, 2016, and 2015, respectively. These expenses are allocated within costs of revenue, selling, general and administrative and research and development expenses depending upon the area in which the asset is used.

Goodwill and intangible assets with indefinite useful lives

The reduction in the carrying amount of goodwill is mainly a result of the impact of foreign currency translations, partially offset by acquisitions. The Company's acquisitions consisted primarily of the purchase of clinics in the normal course of operations in 2017 and 2016 as well as the acquisition of an operator of day hospitals in Australia in 2017 and the purchase of a medical technology company focusing on the treatment of lung and cardiac failure in 2016.

The carrying amount of goodwill and intangibles with indefinite useful life is allocated to the cgus at December 31, 2017 and 2016 as follows:

See note 2d.

FCPA related charge

The Company recorded a provision of €200,000 related to FCPA investigations. The provision is based on the ongoing settlement negotiations that would avoid litigation between the Company and the SEC and the U.S. Department of Justice (government agencies) and represents an estimate from the range of potential outcomes estimated from current discussions. The FCPA related charge encompasses government agencies' claims for profit disgorgement, as well as accruals for fines and penalties, certain legal expenses and other related costs for asset impairments. For further information on these investigations see note 22.

Personnel expenses

Personnel expenses mainly refer to jubilee payments, the current portion of the provisions for accrued severance payments, contribution of partial retirement and share-based plans. As at December 31, 2017 and 2016 the provisions for share-based plans amounted to €6,845 and €2,760 respectively [see note 20](#).

Settlement

The item "Settlement" included accruals related to our NaturaLyte® and GranuFlo® agreement in principle, which was partially offset by insurance recoveries recorded in other current assets [see note 9](#). For further information on the funding and consummation of the settlement by the Company and its insurers [see note 22](#).

Other current provisions

The item "Other current provisions" in the table above includes provisions for warranties, physician compensation and return of goods.

Other current liabilities

As at December 31, 2017 and 2016 other current liabilities consisted of the following:

Commercial paper program

The Company maintains a commercial paper program under which short-term notes of up to €1,000,000 can be issued. At December 31, 2017 and 2016, the outstanding commercial paper amounted to €680,000 and €476,000, respectively.

Borrowings under lines of credit and further availabilities

Borrowings under lines of credit in the amount of €79,313 and €89,451 at December 31, 2017 and 2016, respectively, represented amounts borrowed by the Company's subsidiaries under lines of credit with commercial banks. The average interest rates on these borrowings at December 31, 2017 and 2016 were 6.72% and 6.46%, respectively.

Excluding amounts available under the Amended 2012 Credit Agreement [see note 14](#), at December 31, 2017 and 2016, the Company had €258,066 and €229,966 available under other commercial bank agreements. In some instances, lines of credit are secured by assets of the Company's subsidiary that is party to the agreement or may require the Company's guarantee. In certain circumstances, the subsidiary may be required to meet certain covenants.

The Company and certain consolidated entities operate a multi-currency notional pooling cash management system. The Company met the conditions to offset balances within this cash pool for reporting purposes. At December 31, 2017 and 2016, cash and borrowings under lines of credit in the amount of €318,654 and €325,485 were offset under this cash management system.

Other

At December 31, 2017 and 2016, the Company had €1,080 and €6,644 of other debt outstanding related to fixed payments outstanding for acquisitions.

Short-term debt from related parties

The Company is party to an unsecured loan agreement with Fresenius SE under which the Company or FMCH may request and receive one or more short-term advances up to an aggregate amount of \$400,000 until maturity on July 31, 2022. For further information on short-term debt from related parties [see note 5b](#).

The Company's long-term debt as of December 31, 2017, all of which ranks equally in rights of payment, are described as follows:

Amended 2012 credit agreement

The Company originally entered into a syndicated credit facility of \$3,850,000 and a 5 year tenor (the 2012 Credit Agreement) on October 30, 2012. On November 26, 2014, the 2012 Credit Agreement was amended to increase the total credit facility to approximately \$4,400,000 and extend the term for an additional two years until October 30, 2019 (Amended 2012 Credit Agreement). On July 11, 2017, the Company further amended and extended the Amended 2012 Credit Agreement resulting in a total credit facility of approximately \$3,900,000 with maturities in 2020 and 2022. Consistent with the investment grade rating of the Company, the Amended 2012 Credit Agreement is now unsecured and has lower tiered pricing.

As of December 31, 2017, the Amended 2012 Credit Agreement now consists of:

- ▶ Revolving credit facilities of \$900,000 and €600,000 which will be due and payable on July 31, 2022.
- ▶ A term loan of \$1,470,000, also scheduled to mature on July 31, 2022. Quarterly repayments of \$30,000 began on October 31, 2017 with the remaining balance outstanding due on the maturity date.
- ▶ A term loan of €343,000 scheduled to mature on July 31, 2022. Quarterly repayments of €7,000 began on October 31, 2017 with the remaining balance outstanding due on the maturity date.
- ▶ A non-amortizing term loan of €400,000 which is scheduled to mature on July 30, 2020.

Interest on the credit facilities is floating at a rate equal to EURIBOR/LIBOR (as applicable) plus an applicable margin. The applicable margin is variable and depends on the Company's consolidated leverage ratio which is a ratio of its consolidated funded debt less cash and cash equivalents to consolidated EBITDA (as these terms are defined in the Amended 2012 Credit Agreement). At December 31, 2017 and 2016, the dollar-denominated tranches outstanding under the Amended 2012 Credit Agreement had a weighted average interest rate of 2.48% and 2.15%, respectively. At December 31, 2017 and 2016, the euro-denominated tranches had a weighted average interest rate of 0.81% and 1.25%, respectively.

The Amended 2012 Credit Agreement contains affirmative and negative covenants with respect to the Company and its subsidiaries. Under certain circumstances these covenants limit indebtedness and restrict the creation of liens. Under the Amended 2012 Credit Agreement the Company is required to comply with a maximum consolidated leverage ratio (ratio of consolidated funded debt less cash and cash equivalents to consolidated EBITDA).

The following table shows the available and outstanding amounts under the Amended 2012 Credit Agreement at December 31, 2017 and 2016:

All bonds are guaranteed by the Company and by FMCH. The issuers may redeem the bonds at any time at 100% of principal plus accrued interest and a premium calculated pursuant to the terms of the indenture. The holders have the right to request that the issuers repurchase the bonds at 101% of principal plus accrued interest upon the occurrence of a change of control of the Company followed by a decline in the ratings of the respective bonds.

The Company has agreed to a number of covenants to provide protection to the holders which, under certain circumstances, limit the ability of the Company and its subsidiaries to, among other things, incur debt, incur liens, engage in sale-leaseback transactions and merge or consolidate with other companies or sell assets. Some of these restrictions were suspended automatically as the rating of the respective bonds reached investment grade status. At December 31, 2017, the Company was in compliance with all of its covenants under the bonds.

Convertible bonds

On September 19, 2014, the Company issued €400,000 principal amount of equity-neutral convertible bonds (the Convertible Bonds) which have a coupon of 1.125% and are due on January 31, 2020. The bonds were issued at par. The current conversion price is €73.4408. Since November 2017, bond holders can exercise the conversion rights embedded in the bonds at certain dates. In order to fully offset the economic exposure from the conversion feature, the Company purchased call options on its shares (Share Options). Any increase of the Company's share price above the conversion price would be offset by a corresponding value increase of the Share Options. The Company amortizes the remaining cost of these options and various other offering costs over the life of these bonds in the amount of €13,016, effectively increasing the total interest rate to 2.611%. The Convertible Bonds are guaranteed by FMCH.

Accounts Receivable Facility

The Company refinanced the Accounts Receivable Facility on December 6, 2016 for a term expiring on December 6, 2019 with the available borrowings of \$800,000.

The following table shows the available and outstanding amounts under the Accounts Receivable Facility at December 31, 2017 and December 31, 2016.

¹ Subject to availability of sufficient accounts receivable meeting funding criteria.

² Amounts shown are excluding debt issuance costs.

The Company also had letters of credit outstanding under the Accounts Receivable Facility in the amount of \$71,244 at December 31, 2017 and \$15,647 at December 31, 2016 (€59,404 and €14,844). These letters of credit are not included above as part of the balance outstanding at December 31, 2017 and 2016; however, they reduce available borrowings under the Accounts Receivable Facility.

Under the Accounts Receivable Facility, certain receivables are sold to nmc Funding Corporation (nmc Funding), a wholly-owned subsidiary. nmc Funding then assigns percentage ownership interests in the accounts receivable to certain bank investors. Under the terms of the Accounts Receivable Facility, nmc Funding retains the right, at any time, to recall all the then outstanding transferred interests in the accounts receivable. Consequently, the receivables remain on the Company's consolidated balance sheet and the proceeds from the transfer of percentage ownership interests are recorded as long-term debt.

nmc Funding pays interest to the bank investors calculated based on the commercial paper rates for the particular tranches selected. At December 31, 2017 and 2016, the interest rate was 1.40% and 1.00%, respectively. Refinancing fees, which include legal costs and bank fees, are amortized over the term of the facility.

Other

At December 31, 2017 and 2016, in conjunction with certain acquisitions and investments, the Company had fixed payments outstanding for acquisitions totaling approximately €14,199 and €24,566, respectively, of which €4,453 and €15,248, respectively, were classified as the current portion of long-term debt.

15. NON-CURRENT PROVISIONS AND OTHER NON-CURRENT LIABILITIES

Of the total amount of non-current provisions and other non-current liabilities amounting to €975,645 at December 31, 2017 (2016: €1,027,983), €626,658 (2016: €393,940) are due in between more than one and three years, €195,490 (2016: €335,026) are due in between three to five years and €153,497 (2016: €299,017) are due after five years.

The item "Other non-current liabilities" in the amount of €821,838 at December 31, 2017 (2016: €917,384) includes, among others, noncontrolling interests subject to put provisions of €361,224 (2016: €478,327), variable payments outstanding for acquisitions of €191,080 (2016: €145,182) and derivatives of €103,461 (2016: €96,272).

The following table shows the development of non-current provisions in the fiscal year:

► TOTAL	110,599	284	2,517	(2,778)	(386)	49,085	(5,514)	153,807

Personnel expenses mainly refer to provisions for severance payments, contribution of partial retirement and provisions for share-based plans. As at December 31, 2017, the provisions for share-based plans amounted to €87,967 (2016: €47,944) [see note 20](#).

The item "Other non-current provisions" in the table above includes provisions for asset retirement obligations.

The increase during the period in the discounted amount arising from the passage over time and the effect of any change in the discount rate is not material.

16. EMPLOYEE BENEFIT PLANS

General

FMC AG & CO. KGAA recognizes pension costs and related pension liabilities for current and future benefits to qualified current and former employees of the Company. The Company's pension plans are structured in accordance with the differing legal, economic and fiscal circumstances in each country. The Company currently has two types of plans, defined benefit and defined contribution plans. In general, plan benefits in defined benefit plans are based on all or a portion of the employees' years of services and final salary. Plan benefits in defined contribution plans are determined by the amount of contribution by the employee and the employer, both of which may be limited by legislation, and the returns earned on the investment of those contributions.

Upon retirement under defined benefit plans, the Company is required to pay defined benefits to former employees when the defined benefits become due. Defined benefit plans may be funded or unfunded. The Company has five major defined benefit plans, one funded plan in the U.S. and one in France as well as one unfunded plan in Germany and two in France.

Starting 2016, the defined benefit plans in France were transferred from "Benefit plans offered by other subsidiaries" to the detailed reconciliations of the funded status and the plan assets, retrospectively for 2015.

Actuarial assumptions generally determine benefit obligations under defined benefit plans. The actuarial calculations require the use of estimates. The main factors used in the actuarial calculations affecting the level of the benefit obligations are: assumptions on life expectancy, the discount rate and future salary and benefit levels. Under the Company's funded plans, assets are set aside to meet future payment obligations. An estimated return on the plan assets is recognized as income in the respective period. Actuarial gains and losses are generated when there are variations in the actuarial assumptions and by differences between the actual and the estimated projected benefit obligations and the return on plan assets for that year. The Company's pension liability is impacted by these actuarial gains or losses.

Under defined contribution plans, the Company pays defined contributions to an independent third party as directed by the employee during the employee's service life, which satisfies all obligations of the Company to the employee. The employee retains all rights to the contributions made by the employee and to the vested portion of the Company paid contributions upon leaving the Company. The Company has a defined contribution plan in the U.S.

Defined benefit pension plans

During the first quarter of 2002 FMCH, the Company's U.S. subsidiary, curtailed its defined benefit and supplemental executive retirement plans. Under the curtailment amendment for substantially all employees eligible to participate in the plan, benefits have been frozen as of the curtailment date and no additional defined benefits for future services will be earned. The Company has retained all employee benefit obligations as of the curtailment date. Each year FMCH contributes at least the minimum amount required by the Employee Retirement Income Security Act of 1974, as amended. In 2017, FMCH did not have a minimum funding requirement. The Company voluntarily provided €1,107 to the defined benefit plan. Expected funding for 2018 is €1,026.

The benefit obligation for all defined benefit plans at December 31, 2017, was €792,739 (2016: €811,935) which consists of the gross benefit obligation of €394,677 (2016: €415,743) for the U.S. plan and of €3,995 (2016: €4,015) for the French plan, which are funded by plan assets, and the benefit obligation of €385,835 (2016: €384,003) for the German unfunded plan and the benefit obligation of €8,232 (2016: €8,174) for the two French unfunded plans.

Related to defined benefit plans the Company is exposed to certain risks. Besides general actuarial risks, e.g. the longevity risk and the interest rate risk, the Company is exposed to market risk as well as to investment risk.

The following table shows the changes in benefit obligations, the changes in plan assets and the funded status of the pension plans. Benefits paid as shown in the changes in benefit obligations represent payments made from both the funded and unfunded plans while the benefits paid as shown in the changes in plan assets include only benefit payments from the Company's funded benefit plan.

For the years 2017 and 2016, there were no effects from the asset ceiling.

At December 31, 2017, the weighted average duration of the defined benefit obligation was 18 years (2016: 19 years).

The net pension liability as of December 31, 2017 and 2016 is calculated as follows:

5.47 NET PENSION LIABILITY

in € THOUS

	2017	2016
Funded status at end of year	501,483	485,272
Benefit plans offered by other subsidiaries	36,304	33,725
► NET PENSION LIABILITY	537,787	518,997

Benefit plans offered by the u.s., Germany and France contain a pension liability of €501,483 and €485,272 at December 31, 2017 and 2016, respectively. The pension liability consists of a current portion of €4,695 (2016: €4,483) which is recorded in the line item "Current provisions and other current liabilities" in the consolidated balance sheets. The non-current portion of €496,788 (2016: €480,789) is recorded in non-current liabilities as "Pension liabilities" in the consolidated balance sheets.

As of December 31, 2017, €103,519 related to the u.s. pension plan, €385,835 related to the German plan and €12,129 related to the French plans. At December 31, 2016, €89,177 related to the u.s. pension plan, €384,003 related to the German plan and €12,092 related to the French plans. Approximately 72% of the beneficiaries are located in the u.s. and 6% in France with the majority of the remaining 22% located in Germany.

Benefit plans offered by other subsidiaries outside of the u.s., Germany and France contain separate benefit obligations. The total net pension liability for these other plans was €36,304 and €33,725 at December 31, 2017 and 2016 and consists of a current pension liability of €2,533 (2016: €1,975), which is recognized in the line item "Current provisions and other current liabilities". The non-current pension liability of €33,771 (2016: €31,750) for these plans is recorded in non-current liabilities as "Pension liabilities" in the consolidated balance sheets.

The discount rates for all plans are based upon yields of portfolios of highly rated debt instruments with maturities that mirror each plan's benefit obligation. The Company's discount rates at December 31, 2017 and 2016 are the weighted average of these plans based upon their benefit obligations.

The following weighted-average assumptions were utilized in determining benefit obligations at December 31, 2017 and 2016:

Sensitivity analysis

Increases and decreases in principal actuarial assumptions by 0.5 percentage points would affect the pension liability at December 31, 2017 as follows:

5.49 SENSITIVITY ANALYSIS

in € THOUS

	0.5% increase	0.5% decrease
Discount rate	(67,330)	77,338
Rate of compensation increase	11,063	(10,880)
Rate of pension increase	29,078	(26,339)

The sensitivity analysis was calculated based on the average duration of the pension obligations determined at December 31, 2017. The calculations were performed isolated for each significant actuarial parameter, in order to show the effect on the fair value of the pension liability separately.

The sensitivity analysis for compensation increases and for pension increases excludes the u.s. pension plan because it is frozen and therefore is not affected by changes from these two actuarial assumptions.

The defined benefit pension plans' net periodic benefit costs are comprised of the following components for the years ended December 31, 2017, 2016 and 2015:

5.50 COMPONENTS OF NET PERIODIC BENEFIT COST

² This category comprises fixed income investments by the U.S. government and government sponsored entities.

³ This category primarily represents investment grade bonds of U.S. issuers from diverse industries.

⁴ This category comprises private placement bonds as well as collateralized mortgage obligations.

⁵ This category represents funds that invest in U.S. treasury obligations directly or in U.S. treasury backed obligations.

⁶ This category represents cash, money market funds as well as mutual funds comprised of high grade corporate bonds.

The methods and inputs used to measure the fair value of plan assets are as follows:

- ▶ Common stocks are valued at their market prices at the balance sheet date.
- ▶ Index funds are valued based on market quotes.
- ▶ Government bonds are valued based on both market prices and market quotes.
- ▶ Corporate bonds and other bonds are valued based on market quotes at the balance sheet date.
- ▶ Cash is stated at nominal value which equals the fair value.
- ▶ U.S. Treasury money market funds as well as other money market and mutual funds are valued at their market price.

Plan investment policy and strategy in the U.S.

The Company periodically reviews the assumption for long-term expected return on pension plan assets. As part of the assumptions review, a range of reasonable expected investment returns for the pension plan as a whole was determined based on an analysis of expected future returns for each asset class weighted by the allocation of the assets. The range of returns developed relies both on forecasts, which include the actuarial firm's expected long-term rates of return for each significant asset class or economic indicator, and on broad-market historical benchmarks for expected return, correlation, and volatility for each asset class.

The Company's overall investment strategy is to achieve a mix of approximately 98% of investments for long-term growth and income and 2% in cash or cash equivalents. Investment income and cash or cash equivalents are used for near-term benefit payments. Investments are governed by the plan investment policy and include well diversified index funds or funds targeting index performance.

The plan investment policy, utilizing a revised target investment allocation in a range around 30% equity and 70% long-term u.s. corporate bonds, considers that there will be a time horizon for invested funds of more than 5 years. The total portfolio will be measured against a custom index that reflects the asset class benchmarks and the target asset allocation. The plan investment policy does not allow investments in securities of the Company or other related party securities. The performance benchmarks for the separate asset classes include: S&P 500 Index, S&P 400 Mid-Cap Index, Russell 2000 Index, MSCI EAFE Index, MSCI Emerging Markets Index and Barclays Capital Long-Corporate Bond Index.

Defined contribution plans

Most FMCH employees are eligible to join a 401(k) savings plan. Employees can deposit up to 75% of their pay up to a maximum of \$18 if under 50 years old (\$24 if 50 or over) under this savings plan. The Company will match 50% of the employee deposit up to a maximum Company contribution of 3% of the employee's pay. The Company's total expense under this defined contribution plan for the years ended December 31, 2017, 2016, and 2015, was €48,746, €43,778 and €41,701 respectively.

Additionally, the Company contributed for the years ended December 31, 2017, 2016, and 2015 €24,329, €20,938 and €19,751 to state pension plans.

17. SHAREHOLDERS' EQUITY

Capital stock

At December 31, 2017, the Company's share capital consists of 308,111,000 bearer shares without par value (Stückaktien) and a nominal value of €1.00 each. The Company's share capital has been fully paid in.

The General Partner has no equity interest in the Company and, therefore, does not participate in either the assets or the profits and losses of the Company. However, the General Partner is compensated for all outlays in connection with conducting the Company's business, including the remuneration of members of its Management Board and its Supervisory Board [see note 5c](#).

Pursuant to Sections 33 and 34 of the German Securities Trading Act (WpHG) (Sections 21 and 22 WpHG old version), any party subject to the notification requirement shall notify the Company when certain mandatory reportable thresholds for voting rights, also by taking account the attribution provisions, are reached, exceeded or fallen below. Section 38 WpHG also stipulates a notification requirement when certain thresholds are reached, exceeded or have fallen below through directly or indirectly held instruments and also, according to Section 39 WpHG when certain thresholds are reached, exceeded or have fallen below through the addition of voting rights according to Section 33 WpHG and instruments according to Section 38 WpHG. Notifications received by the Company subject to the notification requirements were published in accordance with the applicable legal provisions, including publication in the Investors section of the Company's website at www.freseniusmedicalcare.com.

In a notification dated February 8, 2011, Fresenius SE disclosed to the Company pursuant to Section 33 of the WpHG (under Section 21 WpHG at the date of notification) that it held at 35.74% of the voting rights in FMC AG & CO. KGAA. At December 31, 2017, Fresenius SE holds 30.63% of the Company's voting rights. Net of treasury shares held by FMC AG & CO. KGAA in accordance with Section 16 (2) sentence 2 of the German Stock Corporation Act (AktG), Fresenius SE holds 30.80% of the Company's voting rights. In addition, Fresenius SE is the sole stockholder of the General Partner.

On June 21, 2017, the Ministry of Finance on behalf of the Kingdom of Norway including attributed subsidiaries, disclosed by means of a notification pursuant to Section 33, 34 of the WpHG (under Sections 21 and 22 WpHG at the date of notification), that 2.86% of the voting rights of FMC AG & CO. KGAA and instruments relating to 0.04% of the voting rights of FMC AG & CO. KGAA were held as of June 16, 2017. Furthermore, on October 24, 2017, BlackRock, Inc., Wilmington, DE, U.S., including attributed subsidiaries disclosed pursuant to Section 33, 34 of the WpHG (Sections 21, 22 WpHG old version) that 6.28% of the voting rights of FMC AG & CO. KGAA and instruments relating to 0.16% of the voting rights of FMC AG & CO. KGAA were held as of October 19, 2017.

The general meeting of a partnership limited by shares may approve Authorized Capital (genehmigtes Kapital). The resolution creating Authorized Capital requires the affirmative vote of a majority of three quarters of the capital represented at the vote and may authorize the General Partner and its Management Board to issue new shares up to a stated amount for a period of up to five years. The nominal value of any proposed increase of the Authorized Capital may not exceed half of the issued capital stock at the time of the authorization.

In addition, the general meeting of a partnership limited by shares may create Conditional Capital (bedingtes Kapital) for the purpose of issuing (i) new shares to holders of convertible bonds or other securities which grant a right to shares, (ii) new shares as the consideration in a merger with another company, or (iii) new shares offered to management or employees. In each case, the authorizing resolution requires the affirmative vote of a majority of three quarters of the capital represented at the vote. The nominal value for any proposed increase of the Conditional Capital may not exceed half or, in the case of Conditional Capital created for the purpose of issuing shares to management and employees, 10% of the Company's issued capital at the time of the resolution.

All resolutions increasing the capital of a partnership limited by shares also require the consent of the General Partner in order for the resolutions to go into effect.

The subscribed capital comprised solely ordinary shares due to the conversion of all outstanding preference shares into ordinary shares (approved at FMC AG & CO. KGAA's Annual General Meeting and Preference Shareholder Meeting held on May 16, 2013) as well as the options associated with the preference shares on a 1:1 basis.

Authorized capital

By resolution of the Company's Annual General Meeting (AGM) on May 19, 2015, the General Partner was authorized, with the approval of the Supervisory Board, to increase, on one or more occasions, the Company's share capital until May 18, 2020 up to a total of €35,000 through issue of new bearer ordinary shares for cash contributions, "Authorized Capital 2015/I". Additionally, the newly issued shares may be taken up by a credit and/or financial institution or a consortium of such credit and/or financial institutions retained by the General Partner with the obligation to offer them to the shareholders of the Company. The General Partner is entitled, subject to the approval of the supervisory board, to exclude the pre-emption rights of the shareholders. However, such an exclusion of pre-emption rights will be permissible only for fractional amounts. No Authorized Capital 2015/I has been issued at December 31, 2017.

In addition, by resolution of the AGM of shareholders on May 19, 2015, the General Partner was authorized, with the approval of the Supervisory Board, to increase, on one or more occasions, the share capital of the Company until May 18, 2020 up to a total of €25,000 through the issue of new bearer ordinary shares for cash contributions or contributions in kind, "Authorized Capital 2015/II". The new shares can also be obtained by a credit and/or financial institution or a consortium of such credit and/or financial institutions retained by the General Partner with the obligation to offer the shares to the Company's shareholders for subscription. The General Partner is entitled, subject to the approval of the Supervisory Board, to exclude the pre-emption rights of the shareholders. However, such exclusion of pre-emption rights will be permissible only if (i) in case of a capital increase against cash contributions, the nominal value of the issued shares does not exceed 10% of the nominal share value of the Company's share capital and the issue price for the new shares is at the time of the determination by the General Partner not significantly lower than the stock price of the existing listed shares of the same class and with the same rights or, (ii) in case of a capital increase against contributions in kind, the purpose of such increase is to acquire an enterprise, parts of an enterprise or an interest in an enterprise. No Authorized Capital 2015/II has been issued at December 31, 2017.

Authorized Capital 2015/I and Authorized Capital 2015/II became effective upon registration with the commercial register of the local court in Hof an der Saale on June 10, 2015.

Conditional capital

By resolution of the Company's AGM on May 9, 2006, as amended by the resolution of the Company's AGM on May 15, 2007, resolving a three-for-one share split, the Company's share capital was conditionally increased by up to €15,000 corresponding to 15 M ordinary shares with no par value and a calculated proportionate value of €1.00 each, "Conditional Capital 2006/I" [see note 20](#). The Conditional Capital increase is only executed to the extent subscription rights were awarded under the Stock Option Plan 2006, the holders of the subscription rights exercise their right and the Company does not use Treasury Shares to fulfill the subscription rights with each stock option awarded exercisable for one ordinary share [see note 20](#). The Company has the right to deliver ordinary shares that it owns or purchases in the market in lieu of increasing capital by issuing new shares.

By resolution of the Company's AGM on May 12, 2011, the Company's share capital was conditionally increased with regards to the Stock Option Plan 2011 (2011 SOP) by up to €12,000 subject to the issue of up to 12 M no par value bearer ordinary shares with a calculated proportionate value of €1.00 each (Conditional Capital 2011/I) [see note 20](#). The Conditional Capital increase is only executed to the extent subscription rights were awarded under the 2011 SOP, the holders of the subscription rights exercise their right and the Company does not use Treasury Shares to fulfill the subscription rights with each stock option awarded exercisable for one ordinary share [see note 20](#). The Company has the right to deliver ordinary shares that it owns or purchases in the market in lieu of increasing capital by issuing new shares.

Through the Company's other employee participation programs, the Company has issued stock option/subscription rights (Bezugsrechte) to employees and the members of the Management Board of the General Partner and employees and members of management of affiliated companies that entitle these persons to receive shares. At December 31, 2017, 4,827,134 options remained outstanding with a remaining average term of five years under these programs. For the year ending December 31, 2017, 889,209 options had been exercised under these employee participation plans [see note 20](#).

Conditional capital at December 31, 2017 was €17,803 in total. Thereof, for all programs, €14,429 was available, which included €10,916 for the 2011 SOP and €3,513 for the 2006 Plan [see note 20](#).

A total of 889,209 shares (2016: 907,720 shares) were issued out of Conditional Capital 2006/I and Conditional Capital 2011/I during 2017, increasing the Company's capital stock by €889 (2016: €908).

Treasury stock

On the basis of the authorization granted by the Company's AGM on May 12, 2011 to conduct a share buy-back program, the Company repurchased 7,548,951 shares in 2013 for an average weighted stock price of €51 per share. The Company retired 6,549,000 of these repurchased shares on February 16, 2016 in order to decrease its share capital.

By resolution of the Company's AGM on May 12, 2016, the General Partner is authorized to purchase treasury shares up to a maximum amount of 10% of the registered share capital existing at the time of this resolution until May 11, 2021. The shares acquired, together with other treasury shares held by the Company or attributable to the Company pursuant to sections 71 a et seqq. AktG, must at no time exceed 10% of the registered share capital. The purchase will be made through the stock exchange, by way of a public tender offer, or a public invitation to shareholders to submit an offer for sale. This authorization is not applicable for the purpose of trading in treasury shares. The General Partner is authorized to use treasury shares purchased on the basis of this authorization or any other earlier authorization for any legally permissible purpose, in particular (i) to redeem shares without requiring any further resolution by the General Meeting, (ii) to sell treasury shares to third parties against contributions in kind, (iii) to award treasury shares, in lieu of the utilization of conditional capital of the Company, to employees of the Company and companies affiliated with the Company, including members of the management of affiliated companies, and use them to service options or obligations to purchase shares of the Company, and (iv) to use treasury shares to service bonds carrying warrant and/or conversion rights or conversion obligations issued by the Company or companies affiliated with the Company pursuant to section 17 AktG.

On the basis of the authorization granted by the Company's AGM on May 12, 2016 to conduct a share buy-back program, the Company repurchased 660,000 shares, between December 11, 2017, and December 21, 2017, for an average weighted stock price of €87.79.

As of December 31, 2017, the Company holds 1,659,951 treasury shares. These shares will be used solely to either reduce the registered share capital of the Company by cancellation of the acquired shares, or to fulfill employee participation programs of the Company.

The following tabular disclosure provides the number of shares acquired in the context of the share buy-back programs as well as the repurchased treasury stock:

¹ The value of shares repurchased in 2013 and 2017 is inclusive of fees (net of taxes) paid in the amount of approximately €81 and €12, respectively, for services rendered.

Additional paid-in capital

Additional paid-in capital is comprised of the premium paid on the issue of shares and stock options, the tax effects from stock options, the compensation expense from stock options, which is recognized according to IFRS 2 as well as changes in ownership interest in a subsidiary that does not result in a loss of control.

Retained earnings

Retained earnings is comprised of earnings generated by group entities in prior years to the extent that they have not been distributed as well as changes of the noncontrolling interests subject to put provisions.

Dividends

Under German law, the amount of dividends available for distribution to shareholders is based upon the unconsolidated retained earnings of the Company as reported in its balance sheet determined in accordance with the German Commercial Code (Handelsgesetzbuch).

Cash dividends of €293,973 for 2016 in the amount of €0.96 per share were paid on May 16, 2017.

Cash dividends of €244,251 for 2015 in the amount of €0.80 per share were paid on May 13, 2016.

Cash dividends of €236,773 for 2014 in the amount of €0.78 per share were paid on May 20, 2015.

Noncontrolling interests

Noncontrolling interests represent the proportion of the net assets of consolidated subsidiaries owned by minority shareholders. The Company has purchase obligations under options held by the holders of noncontrolling interests in certain of its subsidiaries. These obligations result from contractual put options and are exercisable by the owners of the noncontrolling interests. In addition to noncontrolling interests the potential obligations under these put options are recognized at fair value in other current or non-current liabilities by profit or loss neutral reclassification from equity.

18. SUPPLEMENTARY INFORMATION ON CAPITAL MANAGEMENT

The principle objectives of the Company's capital management strategy are to optimize the weighted average cost of capital and to achieve a balanced mix of total equity and debt. The dialysis industry, in which the Company has a strong market position in global, growing and largely non-cyclical markets, is characterized by stable cash flows. Due to the Company's payors' mostly high credit quality, it is able to generate high, stable, predictable and sustainable cash flows. These generated cash flows allow a reasonable proportion of debt, through the employment of an extensive mix of debt.

As of December 31, 2017 and December 31, 2016, total equity and debt were as follows:

5.55 TOTAL EQUITY, DEBT AND TOTAL ASSETS

in € THOUS

	2017	2016
Total equity including noncontrolling interests	10,828,186	11,051,132
Debt	7,447,686	8,132,114
Total assets	24,025,128	25,503,540
Debt in % of total assets	31.0%	31.9%
Total equity in % of total assets (equity ratio)	45.1%	43.3%

The Company is not subject to any capital requirements provided for in its Articles of Association. The Company has obligations to issue shares out of the conditional capital relating to the exercise of stock options on the basis of the existing 2011 SOP stock option plan [see note 20](#).

Assuring financial flexibility is a top priority in the Company's financing strategy. This flexibility is achieved through a wide range of financing instruments and a high degree of diversification of investors. The Company's maturity profile displays a broad spread of maturities with a high proportion of medium and long-term financings. In the choice of financing instruments market capacity, investor diversification, flexibility, credit conditions and the existing maturity profile are taken into account [see note 14](#).

A key financial performance indicator for the Company is the net leverage ratio, defined as the ratio of net debt/EBITDA. To determine the net leverage ratio, debt less cash and cash equivalents (net debt) is compared to EBITDA (adjusted for acquisitions and divestitures made during the year with a purchase price above a €50,000 threshold as defined in the Amended 2012 Credit Agreement, and non-cash charges). At December 31, 2017 and December 31, 2016, this ratio was 2.1 and 2.3, respectively.

The Company's financing structure and business model are reflected in the investment grade ratings. The Company is covered by the three leading rating agencies, Moody's, Standard & Poor's and Fitch.

5.56 RATING ¹

	Standard & Poor's	Moody's	Fitch
Corporate credit rating	BBB –	Baa3	BBB –
Outlook	positive	stable	stable

¹ A rating is not a recommendation to buy, sell or hold securities of the Company, and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

20. SHARE-BASED PLANS

The Company accounts for its share-based plans in accordance with IFRS 2 (Share-based payments).

FMC AG & CO. KGAA share-based plans

At December 31, 2017, the Company has various share-based compensation plans, which may either be equity- or cash-settled.

FMC AG & CO. KGAA long-term incentive plan 2016

As of May 11, 2016, the issuance of stock options and phantom stocks under the FMC AG & CO. KGAA Long-Term Incentive Program 2011 (LTIP 2011) is no longer possible. In order to continue to enable the members of the Management Board, the members of the management boards of affiliated companies and managerial staff members to adequately participate in the long-term, sustained success of the Company, the Management Board and the supervisory board of Management AG have approved and adopted the FMC AG & CO. KGAA Long-Term Incentive Plan 2016 (LTIP 2016) as a successor program effective January 1, 2016.

The LTIP 2016 is a variable compensation program with long-term incentive effects. Pursuant to the LTIP 2016, the plan participants may be granted so-called "Performance Shares" annually or semiannually during 2016 to 2018. Performance Shares are non-equity, cash-settled virtual compensation instruments which may entitle plan participants to receive a cash payment depending on the achievement of pre-defined performance targets further defined below as well as the Company's share price development.

For members of the Management Board, the Supervisory Board will, in due exercise of its discretion and taking into account the individual responsibility and performance of each Management Board member, determine an initial value for each grant for any awards to Management Board members. For plan participants other than the members of the Management Board, such determination will be made by the Management Board. The initial grant value is determined in the currency in which the respective participant receives their base salary at the time of the grant. In order to determine the number of Performance Shares each plan participant receives, their respective grant value will be divided by the value per Performance Share at the time of the grant, which is mainly determined based on the average price of the Company's shares over a period of thirty calendar days prior to the respective grant date.

The number of granted Performance Shares may change over the performance period of three years, depending on the level of achievement of the following: (i) revenue growth, (ii) growth in net income attributable to shareholders of FMC AG & CO. KGAA (net income growth) and (iii) return on invested capital (ROIC) improvement.

Revenue, net income and ROIC are determined according to IFRS in euro based on full year results. Revenue growth and net income growth, for the purpose of this plan, are determined at constant currency.

An annual target achievement level of 100% will be reached for the revenue growth performance target if revenue growth is 7% in each individual year of the three-year performance period; revenue growth of 0% will lead to a target achievement level of 0% and the maximum target achievement level of 200% will be reached in the case of revenue growth of at least 16%. If revenue growth ranges between these values, the degree of target achievement will be linearly interpolated between these values.

An annual target achievement level of 100% for the net income growth performance target will be reached if net income growth is 7% in each individual year of the three-year performance period. In the case of net income growth of 0%, the target achievement level will also be 0%; the maximum target achievement of 200% will be reached in the case of net income growth of at least 14%. Between these values, the degree of target achievement will be determined by means of linear interpolation.

With regard to ROIC improvement, an annual target achievement level of 100% will be reached if the target ROIC as defined for the respective year is reached. In 2016, the target ROIC was 7.3% and will increase by 0.2% each subsequent year until 2020. A target achievement level of 0% will be reached if the ROIC falls below the target ROIC for the respective year by 0.2 percentage points or more, whereas the maximum target achievement level of 200% will be reached if the target ROIC for the respective year is exceeded by 0.2 percentage points or more. The degree of target achievement will be determined by means of linear interpolation if the ROIC ranges between these values. In case the annual ROIC target achievement level in the third year of a performance period is equal or higher than the ROIC target achievement level in each of the two previous years of such performance period, the ROIC target achievement level of the third year is deemed to be achieved for all years of the respective performance period.

The achievement level for each of the three performance targets will be weighted annually at one-third to determine the yearly target achievement for each year of the three-year performance period. The level of overall target achievement over the three-year performance period will then be determined on the basis of the mean of these three average yearly target achievements. The overall target achievement can be in a range of 0 to 200%.

The number of Performance Shares granted to the plan participants at the beginning of the performance period will each be multiplied by the level of overall target achievement in order to determine the final number of Performance Shares.

The final number of Performance Shares is generally deemed earned four years after the day of a respective grant (the vesting period). The number of such vested Performance Shares is then multiplied by the average Company share price over a period of thirty days prior to the lapse of this four-year vesting period. The respective resulting amount will then be paid to the plan participants as cash compensation.

During 2017, the Company awarded 614,985 Performance Shares under the LTIP 2016 including 73,746 Performance Shares to the members of the Management Board at a measurement date weighted average fair value of €83.40 each and a total fair value of €51,290, which will be revalued if the fair value changes. The total fair value will be amortized over the four-year vesting period.

During 2016, the Company awarded 642,349 Performance Shares under the LTIP 2016, including 79,888 Performance Shares to the members of the Management Board at a measurement date weighted average fair value of €76.19 each and a total fair value of €48,941 which will be revalued if the fair value changes. The total fair value will be amortized over the four-year vesting period.

FMC AG & CO. KGAA long-term incentive program 2011

On May 12, 2011, the FMC AG & CO. KGAA Stock Option Plan 2011 (2011 SOP) was established by resolution of the Company's Annual General Meeting. The 2011 SOP, together with the Phantom Stock Plan 2011, which was established by resolution of the General Partner's Management and supervisory boards, forms the Company's LTIP 2011. Under the LTIP 2011, participants were granted awards, which consisted of a combination of stock options and phantom stocks. The final grant under the LTIP 2011 was made in December 2015. Awards under the LTIP 2011 are subject to a four-year vesting period. Vesting of the awards granted is subject to achievement of pre-defined performance targets. The 2011 SOP was established with a conditional capital increase up to €12,000 subject to the issue of up to 12 M non-par value bearer ordinary shares with a nominal value of €1.00, each of which can be exercised to obtain one ordinary share.

Stock options granted under the LTIP 2011 have an eight-year term and can be exercised for the first time after a four-year vesting period. The exercise price of stock options granted under the LTIP 2011 shall be the average stock exchange price on the Frankfurt Stock Exchange of the Company's shares during the 30 calendar days immediately prior to each grant date. Stock options granted under the LTIP 2011 to U.S. participants are non-qualified stock options under the United States Internal Revenue Code of 1986, as amended. Stock options under the LTIP 2011 are not transferable by a participant or a participant's heirs, and may not be transferred, pledged, assigned, or disposed of otherwise.

Phantom stock awards under the LTIP 2011 entitle the holders to receive payment in euro from the Company upon exercise of the phantom stock. The payment per phantom share in lieu of the issuance of such stock shall be based upon the share price on the Frankfurt Stock Exchange of one of the Company's shares on the exercise date. Phantom stock awards have a five-year term and can be exercised for the first time after a four-year vesting period. For participants who are U.S. tax payers, the phantom stock is deemed to be exercised in any event in the month of March following the end of the vesting period.

During 2015, under the LTIP 2011, the Company awarded 3,073,360 stock options, including 502,980 stock options granted to the Management Board, at a weighted average exercise price of €77.06, a weighted average fair value of €15.00 each and a total fair value of €46,088 which will be amortized over the four-year vesting period. The Company also awarded 607,828 shares of phantom stock, including 62,516 shares of phantom stock granted to members of the Management Board at a measurement date weighted average fair value of €73.81 each and a total fair value of €44,864, which will be revalued if the fair value changes, and amortized over the four-year vesting period.

New incentive bonus plan

In 2017, the Management Board was eligible for performance-related compensation that depended upon achievement of pre-defined targets. The targets are measured based on the operating income margin, net income growth and free cash flow (net cash provided by operating activities after capital expenditures before acquisitions and investments) in percentage of revenue, and are derived from the comparison of targeted and actually achieved current year figures. Targets are divided into Group level targets and those to be achieved in individual regions and areas of responsibility.

Performance-related bonuses for fiscal year 2017 consist proportionately of a cash component and a share-based component which will be paid in cash. Upon meeting the annual targets, the cash component for the year 2017 will be paid in the following year, after the consolidated financial statements for 2017 have been approved. The share-based component is subject to a three-year vesting period, although a shorter period may apply in special cases (e. g. occupational disability, retirement and employment contracts which were not extended by the Company). The amount of cash for the payment relating to the share-based component shall be based on the share price of Fresenius Medical Care AG & Co. KGaA ordinary shares upon exercise. For each of the members of the Management Board, the amount of the achievable pay component as well as of the allocation value of the cash-settled share-based compensation is capped.

Share-based compensation related to this plan for years ending 2017, 2016 and 2015 was €3,418, €3,281 and €801, respectively.

FMC AG & CO. KGAA Stock Option Plan 2006

The FMC AG & CO. KGAA Stock Option Plan 2006 (Amended 2006 Plan) was established with a conditional capital increase up to €12,800, subject to the issue of up to 5 M no par value bearer ordinary shares with a nominal value of €1.00, each of which can be exercised to obtain one ordinary share. In connection with the share split effected in 2007, the principal amount was adjusted to the same proportion as the share capital out of the capital increase up to €15,000 by the issue of up to 15 M new non-par value bearer ordinary shares. After December 2010, no further grants were issued under the Amended 2006 Plan. As at December 31, 2017 there are no further exercisable stock options under the plan 2006.

Options granted under the Amended 2006 Plan to U.S. participants are non-qualified stock options under the United States Internal Revenue Code of 1986, as amended. Options under the Amended 2006 Plan are not transferable by a participant or a participant's heirs, and may not be transferred, pledged, assigned, or otherwise disposed of.

Information on holdings under share-based plans

At December 31, 2017, the Management Board held 819,491 stock options and employees of the Company held 4,007,643 stock options under the various share-based compensation plans of the Company.

At December 31, 2017, the Management Board held 73,432 phantom shares and employees of the Company held 691,164 phantom shares under the 2011 Incentive Plan.

At December 31, 2017, the Management Board held 150,993 Performance Shares and employees of the Company held 1,042,923 Performance Shares under the LTIP 2016.

At December 31, 2017, there was €9,930 total unrecognized compensation costs related to non-vested options granted under all plans. These costs are expected to be recognized over a weighted average period of one year.

During the years ended December 31, 2017, 2016, and 2015, the Company received cash of €42,234, €39,438 and €68,745, respectively, from the exercise of stock options [see note 17](#). The intrinsic value of stock options exercised for the twelve-month periods ending December 31, 2017, 2016, and 2015 was €31,580, €31,410 and €66,594, respectively.

The compensation expenses related to equity-settled stock option programs are determined based upon the fair value on the grant date and the number of stock options granted which will be recognized over the four year vesting period. In connection with its equity-settled stock option programs, the Company incurred compensation expense of €11,736, €23,210 and €5,933 for the years ending December 31, 2017, 2016 and 2015, respectively.

The compensation expenses related to cash-settled share based payment transactions are determined based upon the fair value at the measurement date and the number of phantom shares or Performance Shares granted which will be recognized over the four-year vesting period. In connection with cash-settled share based payment transactions, the Company recognized compensation expense of €21,576, €15,509 and €10,755 related to phantom shares for the years ending December 31, 2017, 2016 and 2015, respectively, and €38,882 and €19,513, related to Performance Shares for the year ended December 31, 2017 and 2016.

Fair value information

The Company used a binomial option-pricing model in determining the fair value of the awards under the 2011 SOP and the Amended 2006 Plan. Option valuation models require the input of subjective assumptions including expected stock price volatility. The Company's assumptions are based upon its past experiences, market trends and the experience of other entities of the same size and in similar industries. Expected volatility is based on historical volatility of the Company's shares. To incorporate the effects of expected early exercise in the model, an early exercise of vested options was assumed as soon as the share price exceeds 155% of the exercise price. The Company's stock options have characteristics that vary significantly from traded options and changes in subjective assumptions can materially affect the fair value of the option. The assumptions used to determine the fair value of the 2015 grants are as follows:

5.60 WEIGHTED AVERAGE ASSUMPTIONS

	<i>2015</i>
Expected dividend yield	1.46 %
Risk-free interest rate	0.44 %
Expected volatility	22.32 %
Expected life of options	8 years
Weighted average Exercise price	77.06 €
Weighted average Share price at grant date	77.25 €

Subsidiary stock incentive plans

Subsidiary stock incentive plans were established during 2014 in conjunction with two acquisitions made by the Company. Under these plans, two of the Company's subsidiaries are authorized to issue a total of 116,103,806 Incentive Units. The Incentive Units have two types of vesting conditions: a service condition and a performance condition. Of the total Incentive Units granted, eighty percent vest ratably over a four year period and twenty percent vest upon the achievement of certain of the relevant subsidiary's performance targets over a six year vesting period (the Performance Units).

Fifty percent of the Performance Units will vest upon achievement of performance targets in 2017. The remaining 50%, plus any unvested Performance Units, will vest upon achievement of performance targets in 2019. All of the Performance Units will vest upon achievement of performance targets in 2020, if not previously vested. Additionally, for one of the subsidiaries, all Performance Units not previously vested will vest upon successful completion of an initial public offering.

As of December 31, 2017, 2016 and 2015, €2,041, €13,820 and €15,721, respectively, total unrecognized compensation expenses related to unvested Incentive Units under the plans. These costs are expected to be recognized over a weighted average period of 1.3 years.

The Company used the Monte Carlo pricing model in determining the fair value of the awards under this incentive plan. Option valuation models require the input of subjective assumptions including expected stock price volatility. The Company's assumptions are based upon its past experiences, market trends and the experiences of other entities of the same size and in similar industries.

21. OPERATING LEASES AND RENTAL PAYMENTS

The Company leases buildings and machinery and equipment under various lease agreements expiring on dates through 2063. Rental expense recorded for operating leases for the years ended December 31, 2017, 2016 and 2015 was €823,446, €756,393 and €690,830, respectively. For information regarding operating leases with related parties see note 5a.

Future minimum rental payments under non-cancelable operating leases for the five years succeeding December 31, 2017 and 2016 and thereafter are:

22. COMMITMENTS AND CONTINGENCIES

Legal and regulatory matters

The Company is routinely involved in claims, lawsuits, regulatory and tax audits, investigations and other legal matters arising, for the most part, in the ordinary course of its business of providing health care services and products. Legal matters that the Company currently deems to be material or noteworthy are described below. For the matters described below in which the Company believes a loss is both reasonably possible and estimable, an estimate of the loss or range of loss exposure is provided. For the other matters described below, the Company believes that the loss probability is remote and/or the loss or range of possible losses cannot be reasonably estimated at this time. The outcome of litigation and other legal matters is always difficult to predict accurately and outcomes that are not consistent with the Company's view of the merits can occur. The Company believes that it has valid defenses to the legal matters pending against it and is defending itself vigorously. Nevertheless, it is possible that the resolution of one or more of the legal matters currently pending or threatened could have a material adverse effect on its business, results of operations and financial condition.

On February 15, 2011, a whistleblower (relator) action under the False Claims Act against FMCH was unsealed by order of the United States District Court for the District of Massachusetts and served by the relator. United States ex rel. Chris Drennen v. Fresenius Medical Care Holdings, Inc., 2009 Civ. 10179 (D. Mass.). The relator's complaint, which was first filed under seal in February 2009, alleged that the Company sought and received reimbursement from government payors for serum ferritin and multiple forms of hepatitis B laboratory tests that were medically unnecessary or not properly ordered by a physician. Discovery on the relator's complaint closed in May 2015. Although the United States initially declined to intervene in the case, the government subsequently changed position. On April 3, 2017, the court allowed the government to intervene with respect only to certain hepatitis B surface antigen tests performed prior to 2011, when Medicare reimbursement rules for such tests changed. The court rejected the government's request to conduct new discovery, but is allowing FMCH to take discovery against the government as if the government had intervened at the outset.

Beginning in 2012, the Company received certain communications alleging conduct in countries outside the U.S. that might violate the FCPA or other anti-bribery laws. Since that time, the Company's Supervisory Board, through its Audit and Corporate Governance Committee, has conducted investigations with the assistance of independent counsel. In a continuing dialogue, the Company voluntarily advised the SEC and the DOJ about these investigations, while the SEC and DOJ (collectively the "government" or "government agencies") have conducted their own investigations, in which the Company has cooperated.

In the course of this dialogue, the Company has identified and reported to the government, and has taken remedial actions including employee disciplinary actions with respect to, conduct that might result in the government agencies' seeking monetary penalties or other sanctions against the Company under the FCPA or other anti-bribery laws and impact adversely the Company's ability to conduct business in certain jurisdictions. The Company has recorded in prior periods a non-material accrual for certain adverse impacts that were identified.

The Company has substantially concluded its investigations and undertaken discussions toward a possible settlement with the government agencies that would avoid litigation over government demands related to certain identified conduct. These discussions are continuing and have not yet achieved an agreement-in-principle; failure to reach agreement and consequent litigation with either or both government agencies remains possible. The discussions have revolved around possible bribery and corruption questions principally related to certain conduct in the Company's products business in a number of countries.

The Company has recorded a charge of €200,000 in the accompanying financial statements. The charge is based on ongoing settlement negotiations that would avoid litigation between the Company and the government agencies and represents an estimate from a range of potential outcomes estimated from current discussions. The charge encompasses government agencies claims for profit disgorgement, as well as accruals for fines or penalties, certain legal expenses and other related costs or asset impairments.

The Company continues to implement enhancements to its anti-corruption compliance program, including internal controls related to compliance with international anti-bribery laws. The Company continues to be fully committed to FCPA and other anti-bribery law compliance.

On April 5, 2013, the U.S. Judicial Panel on Multidistrict Litigation ordered that the numerous lawsuits pending in various federal courts alleging wrongful death and personal injury claims against FMCH and certain of its affiliates relating to FMCH's acid concentrate products NaturaLyte® and GranuFlo® be transferred and consolidated for pre-trial management purposes into a consolidated multidistrict litigation in the United States District Court for the District of Massachusetts. In Re: Fresenius GranuFlo/NaturaLyte Dialysate Products Liability Litigation, Case No. 2013-md-02428. The Massachusetts state courts and the St. Louis City (Missouri) court subsequently established similar consolidated litigation for their cases. In Re: Consolidated Fresenius Cases, Case No. MICV 2013-03400-0 (Massachusetts Superior Court, Middlesex County). Similar cases were filed in other state courts. The lawsuits alleged generally that inadequate labeling and warnings for these products caused harm to patients. On February 17, 2016, the Company reached with a committee of plaintiffs' counsel and reported to the courts an agreement in principle for settlement of potentially all cases. The agreement in principle called for the Company to pay \$250,000 into a settlement fund in exchange for releases of substantially all the plaintiffs' claims, subject to the Company's right to void the settlement under certain conditions.

On November 28, 2017, after the plaintiff committee and the Company determined that the condition of settlement related to minimum participation had been satisfied, the Company and its insurers funded and consummated the settlement on or about this date. The Company understands that fewer than fifty (50) plaintiffs with cases pending in the U.S. District Court for Massachusetts (Boston); Los Angeles, California county court; or Birmingham, Alabama county court declined to participate in the settlement and intend to continue litigation. These remaining cases represent less than 0.5% of the total cases filed. In some instances, the non-participating plaintiffs' counsel have moved to withdraw and no substitute counsel has been engaged.

The Company's affected insurers funded \$220,000 of the settlement fund, with a reservation of rights regarding certain coverage issues between and among the Company and its insurers. The Company accrued a net expense of \$60,000 for consummation of the settlement, including legal fees and other anticipated costs.

Following entry of the agreement in principle, the Company's insurers in the AIG group and the Company each initiated litigation against the other, in New York and Massachusetts state courts respectively, relating to the AIG group's coverage obligations under applicable policies. In the coverage litigation, the AIG group seeks to be indemnified by the Company for a portion of its \$220,000 outlay; the Company seeks to confirm the AIG group's \$220,000 funding obligation, to recover defense costs already incurred by the Company, and to compel the AIG group to honor defense and indemnification obligations, if any, required for resolution of cases not participating in the settlement.

Certain of the complaints in the GranuFlo®/NaturaLyte® litigation named combinations of FMC AG & CO. KGAA, Management AG, Fresenius SE and Fresenius Management SE as defendants, in addition to FMCH and its domestic United States affiliates. Plaintiffs participating in the settlement dismissed and released their claims encompassing the European defendants.

Four institutional plaintiffs filed complaints against FMCH or its affiliates under state deceptive practices statutes resting on certain background allegations common to the GranuFlo®/NaturaLyte® personal injury litigation, but seeking as remedy the repayment of sums paid to FMCH attributable to the GranuFlo®/NaturaLyte® products. These cases implicate different legal standards, theories of liability and forms of potential recovery from those in the personal injury litigation and their claims were not extinguished by the personal injury litigation settlement described above. The four plaintiffs are the Attorneys General for the States of Kentucky, Louisiana and Mississippi and the commercial insurance company Blue Cross Blue Shield of Louisiana in its private capacity. *State of Mississippi ex rel. Hood, v. Fresenius Medical Care Holdings, Inc.*, No. 14-cv-152 (Chancery Court, DeSoto County); *State of Louisiana ex re. Caldwell and Louisiana Health Service & Indemnity Company v. Fresenius Medical Care Airline*, 2016 Civ. 11035 (U.S.D.C. D. Mass.); *Commonwealth of Kentucky ex rel. Beshear v. Fresenius Medical Care Holdings, Inc. et al.*, No. 16-ci-00946 (Circuit Court, Franklin County).

In August 2014, FMCH received a subpoena from the United States Attorney for the District of Maryland inquiring into FMCH's contractual arrangements with hospitals and physicians involving contracts relating to the management of in-patient acute dialysis services. FMCH is cooperating in the investigation.

In July 2015, the Attorney General for Hawaii issued a civil complaint under the Hawaii False Claims Act alleging a conspiracy pursuant to which certain Liberty Dialysis subsidiaries of FMCH overbilled Hawaii Medicaid for Liberty's Epogen® administrations to Hawaii Medicaid patients during the period from 2006 through 2010, prior to the time of FMCH's acquisition of Liberty. *Hawaii v. Liberty Dialysis – Hawaii, LLC et al.*, Case No. 15-1-1357-07 (Hawaii 1st Circuit). The State alleges that Liberty acted unlawfully by relying on incorrect and unauthorized billing guidance provided to Liberty by Xerox State Healthcare LLC, which acted as Hawaii's contracted administrator for its Medicaid program reimbursement operations during the relevant period. The amount of the overpayment claimed by the State is approximately \$8,000, but the State seeks civil remedies, interest, fines, and penalties against Liberty and FMCH under the Hawaii False Claims Act substantially in excess of the overpayment. FMCH filed third-party claims for contribution and indemnification against Xerox. The State's False Claims Act complaint was filed after Liberty initiated an administrative action challenging the State's recoupment of alleged overpayments from sums currently owed to Liberty. The civil litigation and administrative action are proceeding in parallel. Trial in the civil litigation is scheduled for April 2019.

On August 31 and November 25, 2015, respectively, FMCH received subpoenas under the False Claims Act from the United States Attorneys for the District of Colorado and the Eastern District of New York inquiring into FMCH's participation in and management of dialysis facility joint ventures in which physicians are partners. On March 20, 2017, FMCH received a subpoena in the Western District of Tennessee inquiring into certain of the operations of dialysis facility joint ventures with the University of Tennessee Medical Group, including joint ventures in which FMCH's interests were divested to Satellite Dialysis in connection with FMCH's acquisition of Liberty Dialysis in 2012. FMCH is cooperating in these investigations.

On October 6, 2015, the Office of Inspector General of the United States Department of Health and Human Services (OIG) issued a subpoena under the False Claims Act to the Company seeking information about utilization and invoicing by Fresenius Vascular Care, now known as Azura Vascular Care, facilities as a whole for a period beginning after the Company's acquisition of American Access Care LLC in October 2011 (AAC). On August 24, 2017, an additional and more detailed subpoena on the same topics was issued by the United States Attorney for the Eastern District of New York (Brooklyn), which has managed the Azura investigation from its outset. The Company is cooperating in the government's inquiry. Allegations against AAC arising in districts in Connecticut, Florida and Rhode Island relating to utilization and invoicing were settled in 2015.

On June 30, 2016, FMCH received a subpoena from the United States Attorney for the Northern District of Texas (Dallas) seeking information under the False Claims Act about the use and management of pharmaceuticals including Velphoro® as well as FMCH's interactions with DaVita Healthcare Partners, Inc. The investigation encompasses DaVita, Amgen, Sanofi, and other pharmaceutical manufacturers and includes inquiries into whether certain compensation transfers between manufacturers and pharmacy vendors constituted unlawful kickbacks. The Company understands that this investigation is substantively independent of the \$63,700 settlement by Davita Rx announced on December 14, 2017 in the matter styled *United States ex rel. Gallian v. DaVita Rx*, 2016 Civ. 0943 (N.D. Tex.). FMCH is cooperating in the investigation.

On November 18, 2016, FMCH received a subpoena under the False Claims Act from the United States Attorney for the Eastern District of New York (Brooklyn) seeking documents and information relating to the operations of Shiel Medical Laboratory, Inc., which FMCH acquired in October 2013. In the course of cooperating in the investigation and preparing to respond to the subpoena, FMCH identified falsifications and misrepresentations in documents submitted by a Shiel salesperson that relate to the integrity of certain invoices submitted by Shiel for laboratory testing for patients in long term care facilities. On February 21, 2017, FMCH terminated the employee and notified the United States Attorney of the termination and its circumstances. The terminated employee's conduct may subject the Company to liability for overpayments and penalties under applicable laws.

On December 12, 2017, the Company sold to Quest Diagnostics certain Shiel operations that are the subject of this Brooklyn subpoena, including the misconduct reported to the United States Attorney. Under the sale agreement, the Company retains responsibility for the Brooklyn investigation and its outcome. The Company continues to cooperate in the ongoing investigation.

On December 14, 2016, the Center for Medicare & Medicaid Services (CMS), which administers the federal Medicare program, published an Interim Final Rule (IFR) titled "Medicare Program; Conditions for Coverage for End-Stage Renal Disease Facilities-Third Party Payment". The IFR would have amended the Conditions for Coverage for dialysis providers, like FMCH and would have effectively enabled insurers to reject premium payments made by or on behalf of patients who received grants for individual market coverage from the American Kidney Fund (AKF or the "Fund"). The IFR could thus have resulted in those patients losing individual insurance market coverage. The loss of coverage for these patients would have had a material and adverse impact on the operating results of FMCH.

On January 25, 2017, a federal district court in Texas responsible for litigation initiated by a patient advocacy group and dialysis providers including FMCH preliminarily enjoined CMS from implementing the IFR. Dialysis Patient Citizens v. Burwell, 2017 Civ. 0016 (E.D. Texas, Sherman Div.). The preliminary injunction was based on CMS' failure to follow appropriate notice-and-comment procedures in adopting the IFR. The injunction remains in place and the court retains jurisdiction over the dispute.

On June 22, 2017, CMS requested a stay of proceedings in the litigation pending further rulemaking concerning the IFR. CMS stated, in support of its request, that it expects to publish a Notice of Proposed Rulemaking in the Federal Register and otherwise pursue a notice-and-comment process. Plaintiffs in the litigation, including FMCH, consented to the stay, which was granted by the court on June 27, 2017.

The operation of charitable assistance programs like that of the AKF is also receiving increased attention by state insurance regulators. The result may be a regulatory framework that differs from state to state. Even in the absence of the IFR or similar administrative actions, insurers are likely to continue efforts to thwart charitable premium assistance to our patients for individual market plans and other insurance coverages. If successful, these efforts would have a material adverse impact on the Company's operating results.

On January 3, 2017, the Company received a subpoena from the United States Attorney for the District of Massachusetts under the False Claims Act inquiring into the Company's interactions and relationships with the AKF, including the Company's charitable contributions to the Fund and the Fund's financial assistance to patients for insurance premiums. FMCH is cooperating in the investigation, which the Company understands to be part of a broader investigation into charitable contributions in the medical industry.

In early May 2017, the United States Attorney for the Middle District of Tennessee (Nashville) issued identical subpoenas to FMCH and two subsidiaries under the False Claims Act concerning the Company's retail pharmaceutical business. The investigation is exploring allegations related to improper inducements to dialysis patients to fill oral prescriptions through FMCH's pharmacy service, improper billing for returned pharmacy products and other allegations similar to those underlying the \$63,700 settlement by DaVita Rx in Texas announced on December 14, 2017. United States ex rel. Gallian, 2016 Civ. 0943 (N.D. Tex.). FMCH is cooperating in the investigation.

In 2011, FMCH received a subpoena from the United States Attorney for the Eastern District of New York (Brooklyn) requesting information under the False Claims Act concerning an assay manufactured by Bayer Diagnostics. Bayer Diagnostics was later acquired by Siemens. The assay is used to test for the serum content of parathyroid hormone (PTH). The assay has been widely used by FMCH and others in the dialysis industry for assessment of bone mineral metabolism disorder, a common consequence of kidney failure. FMCH responded fully and cooperatively to the subpoena, but concluded that it was not the focus or target of the U.S. Attorney's investigation. On March 16, 2017, the U.S. Attorney elected not to intervene on a sealed relator (whistleblower) complaint first filed in January 2011 that underlay the investigation. After the U.S. Attorney declined intervention, the United States District Court for the Eastern District unsealed the complaint and ordered the relator to serve and otherwise proceed on his own. On August 14, 2017, FMCH was dismissed with prejudice from the litigation on relator's motion. The litigation continued against other defendants *Patriarca v. Bayer Diagnostics n/k/a Siemens et alia*, 2011 Civ. 00181 (E.D.N.Y.).

The Company received a subpoena dated December 11, 2017 from the United States Attorney for the Eastern District of California (Sacramento) requesting information under the False Claims Act concerning Spectra Laboratories, the Company's affiliate engaged in laboratory testing for dialysis patients. The inquiry relates to allegations that certain services or materials provided by Spectra to its outpatient dialysis facility customers constitute unlawful kickbacks. The Company understands that the allegations originate with an industry competitor and is cooperating in the investigation.

From time to time, the Company is a party to or may be threatened with other litigation or arbitration, claims or assessments arising in the ordinary course of its business. Management regularly analyzes current information including, as applicable, the Company's defenses and insurance coverage and, as necessary, provides accruals for probable liabilities for the eventual disposition of these matters.

The Company, like other health care providers, insurance plans and suppliers, conducts its operations under intense government regulation and scrutiny. It must comply with regulations which relate to or govern the safety and efficacy of medical products and supplies, the marketing and distribution of such products, the operation of manufacturing facilities, laboratories, dialysis clinics and other health care facilities, and environmental and occupational health and safety. With respect to its development, manufacture, marketing and distribution of medical products, if such compliance is not maintained, the Company could be subject to significant adverse regulatory actions by the U.S. Food and Drug Administration (FDA) and comparable regulatory authorities outside the U.S. These regulatory actions could include warning letters or other enforcement notices from the FDA, and/or comparable foreign regulatory authority which may require the Company to expend significant time and resources in order to implement appropriate corrective actions. If the Company does not address matters raised in warning letters or other enforcement notices to the satisfaction of the FDA and/or comparable regulatory authorities outside the U.S., these regulatory authorities could take additional actions, including product recalls, injunctions against the distribution of products or operation of manufacturing plants, civil penalties, seizures of the Company's products and/or criminal prosecution. FMCH is currently engaged in remediation efforts with respect to one pending FDA warning letter. The Company must also comply with the laws of the United States, including the federal Anti-Kickback Statute, the federal False Claims Act, the federal Stark Law, the federal Civil Monetary Penalties Law and the federal Foreign Corrupt Practices Act as well as other federal and state fraud and abuse laws. Applicable laws or regulations may be amended, or enforcement agencies or courts may make interpretations that differ from the Company's interpretations or the manner in which it conducts its business. Enforcement has become a high priority for the federal government and some states. In addition, the provisions of the False Claims Act authorizing payment of a portion of any recovery to the party bringing the suit encourage private plaintiffs to commence whistleblower actions. By virtue of this regulatory environment, the Company's business activities and practices are subject to extensive review by regulatory authorities and private parties, and continuing audits, subpoenas, other inquiries, claims and litigation relating to the Company's compliance with applicable laws and regulations. The Company may not always be aware that an inquiry or action has begun, particularly in the case of whistleblower actions, which are initially filed under court seal.

The Company operates many facilities and handles the personal data (PD) of its patients and beneficiaries throughout the United States and other parts of the world, and engages with other business associates to help it carry out its health care activities. In such a decentralized system, it is often difficult to maintain the desired level of oversight and control over the thousands of individuals employed by many affiliated companies and its business associates. On occasion, the Company or its business associates may experience a breach under the Health Insurance Portability and Accountability Act Privacy Rule and Security Rules, the EU's General Data Protection Regulation and or other similar laws (Data Protection Laws) when there has been impermissible use, access, or disclosure of unsecured PD or when the Company or its business associates neglect to implement the required administrative, technical and physical safeguards of its electronic systems and devices, or a data breach that results in impermissible use, access or disclosure of personal identifying information of its employees, patients and beneficiaries. On those occasions, the Company must comply with applicable breach notification requirements.

The Company relies upon its management structure, regulatory and legal resources, and the effective operation of its compliance program to direct, manage and monitor the activities of its employees. On occasion, the Company may identify instances where employees or other agents deliberately, recklessly or inadvertently contravene the Company's policies or violate applicable law. The actions of such persons may subject the Company and its subsidiaries to liability under the Anti-Kickback Statute, the Stark Law, the False Claims Act, Data Protection Laws, the Health Information Technology for Economic and Clinical Health Act and the Foreign Corrupt Practices Act, among other laws and comparable state laws or laws of other countries.

Physicians, hospitals and other participants in the health care industry are also subject to a large number of lawsuits alleging professional negligence, malpractice, product liability, worker's compensation or related claims, many of which involve large claims and significant defense costs. The Company has been and is currently subject to these suits due to the nature of its business and expects that those types of lawsuits may continue. Although the Company maintains insurance at a level which it believes to be prudent, it cannot assure that the coverage limits will be adequate or that insurance will cover all asserted claims. A successful claim against the Company or any of its subsidiaries in excess of insurance coverage could have a material adverse effect upon it and the results of its operations. Any claims, regardless of their merit or eventual outcome, could have a material adverse effect on the Company's reputation and business.

The Company has also had claims asserted against it and has had lawsuits filed against it relating to alleged patent infringements or businesses that it has acquired or divested. These claims and suits relate both to operation of the businesses and to the acquisition and divestiture transactions. The Company has, when appropriate, asserted its own claims, and claims for indemnification. A successful claim against the Company or any of its subsidiaries could have a material adverse effect upon its business, financial condition, and the results of its operations. Any claims, regardless of their merit or eventual outcome, could have a material adverse effect on the Company's reputation and business.

The Company is also subject to ongoing and future tax audits in the U.S., Germany and other jurisdictions. With respect to other potential adjustments and disallowances of tax matters currently under review, the Company does not anticipate that an unfavorable ruling could have a material impact on its results of operations. The Company is not currently able to determine the timing of these potential additional tax payments.

Other than those individual contingent liabilities mentioned above, as well as in [note 8 and 21](#), the current estimated amount of the Company's other known individual contingent liabilities is immaterial.

23. FINANCIAL INSTRUMENTS

The Company applies IFRS 7 (Financial Instruments: Disclosures). Thereby the following categories according to IAS 39 (Financial Instruments: Recognition and Measurement) are relevant: financial assets at fair value through profit or loss, loans and receivables, financial liabilities at fair value through profit or loss as well as financial liabilities recognized at amortized cost and available for sale financial assets.

The following table demonstrates the combination between categories and classes as well as the classes allocated to the balance sheet items:

¹ Not included are „Other current and non-current assets“ that do not qualify as financial instruments (December 31, 2017: €653,449 and December 31, 2016: €850,630).

² Not included are „Current and non-current provisions and other current and non-current liabilities“ that do not qualify as financial instruments (December 31, 2017: €1,221,209 and December 31, 2016: €1,190,462).

Derivative and non-derivative financial instruments that are measured at fair value are categorised in the following three-tier value hierarchy that reflects the significance of the inputs in making the measurements. Level 1 is defined as observable inputs, such as quoted prices in active markets. Level 2 is defined as inputs other than quoted prices in active markets that are directly or indirectly observable. Level 3 is defined as unobservable inputs for which little or no market data exists, therefore requiring the Company to develop its own assumptions.

The valuation of the Company's derivatives was determined using significant other observable inputs (Level 2).

Non-derivative financial instruments

The significant methods and assumptions used in estimating the fair values of non-derivative financial instruments are as follows:

Cash and cash equivalents are stated at nominal value which equals the fair value.

Short-term financial instruments such as trade accounts receivable, accounts receivable from related parties, accounts payable, accounts payable to related parties and short-term debt as well as certain other financial instruments are valued at their carrying amounts, which are reasonable estimates of the fair value due to the relatively short period to maturity of these instruments.

The fair value of available for sale financial assets quoted in an active market is based on price quotations at the period-end date (Level 1).

Long-term debt is recognized at its carrying amount. The fair values of major long-term debt are calculated on the basis of market information (Level 2). Liabilities for which market quotes are available are measured using these quotes. The fair values of the other long-term debt are calculated at the present value of the respective future cash flows. To determine these present values, the prevailing interest rates and credit spreads for the Company as of the balance sheet date are used.

Variable payments outstanding for acquisitions are recognized at their fair value. The estimation of the individual fair values is based on the key inputs of the arrangement that determine the future contingent payment as well as the Company's expectation of these factors (Level 3). The Company assesses the likelihood and timing of achieving the relevant objectives. The underlying assumptions are reviewed regularly.

Following is a roll forward of variable payments outstanding for acquisitions for the years ended 2017, 2016 and 2015:

► ENDING BALANCE AT DECEMBER 31	205,792	223,504	51,125

Noncontrolling interests subject to put provisions are recognized at their fair value. The methodology the Company uses to estimate the fair values assumes the greater of net book value or a multiple of earnings, based on historical earnings, development stage of the underlying business and other factors (Level 3). Additionally, there are put provisions that are valued by an external valuation firm. The external valuation estimates the fair values using a combination of discounted cash flows and a multiple of earnings and/or revenue (Level 3). When applicable, the obligations are discounted at a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the liability. The estimated fair values of the noncontrolling interests subject to these put provisions can also fluctuate, and the discounted cash flows as well as the implicit multiple of earnings and/or revenue at which these noncontrolling interest obligations may ultimately be settled could vary significantly from the Company's current estimates depending upon market conditions.

Credit risk resulting from a decrease in the value of the Company's financing receivables and allowances on credit losses of financing receivables are immaterial.

Derivative financial instruments

Market risk

The Company is exposed to effects related to foreign exchange fluctuations in connection with its international business activities that are denominated in various currencies. In order to finance its business operations, the Company issues bonds and enters mainly into long-term credit agreements with banks. Due to these financing activities, the Company is exposed to changes in the interest rate as well as to price risks of balance sheet items with a fixed interest rate.

In order to manage the risk of currency exchange rate and interest rate fluctuations, the Company enters into various hedging transactions by means of derivative instruments with highly rated financial institutions as authorized by the Company's General Partner. On a quarterly basis, the Company performs an assessment of its counterparty credit risk. The Company currently considers this risk to be low. The Company's policy, which has been consistently followed, is that financial derivatives be used only for the purpose of hedging foreign currency and interest rate exposure.

In certain instances, the Company enters into derivative contracts that do not qualify for hedge accounting but are utilized for economic purposes (economic hedges). The Company does not use financial instruments for trading purposes.

The Company established guidelines for risk assessment procedures and controls for the use of financial instruments. They include a clear segregation of duties with regard to execution on one side and administration, accounting and controlling on the other.

To reduce the credit risk arising from derivatives the Company entered into Master Netting Agreements with banks. Through such agreements, positive and negative fair values of the derivative contracts could be offset against one another if a partner becomes insolvent. This offsetting is valid for transactions where the aggregate amount of obligations owed to and receivable from are not equal. If insolvency occurs, the party which owes the larger amount is obliged to pay the other party the difference between the amounts owed in the form of one net payment.

These master netting agreements do not provide a basis for offsetting the fair values of derivative financial instruments in the statement of financial position as the offsetting criteria under IFRS are not satisfied.

At December 31, 2017 and December 31, 2016, the Company had €11,574 and €24,312 of derivative financial assets subject to netting arrangements and €12,730 and €26,751 of derivative financial liabilities subject to netting arrangements. Offsetting these derivative financial instruments would have resulted in net assets of €5,505 and €13,673 as well as net liabilities of €6,661 and €16,112 at December 31, 2017 and December 31, 2016, respectively.

The Company calculates benchmarks for individual exposures in order to quantify interest and foreign exchange risks. The benchmarks are derived from achievable and reasonable market rates. Depending on the individual benchmarks, hedging strategies are agreed on and implemented.

Earnings of the Company were not materially affected by hedge ineffectiveness in the reporting period since the critical terms of the interest and foreign exchange derivatives matched mainly the critical terms of the underlying exposures.

In connection with the issuance of the Convertible Bonds in September 2014, the Company purchased Share Options. Any change in the Company's share price above the conversion price would be offset by a corresponding value change in the Share Options.

Foreign exchange risk management

The Company conducts business on a global basis in various currencies, though a majority of its operations are in Germany and the United States. For financial reporting purposes in accordance with Section 315 e of the German Commercial Code (HGB) the Company has chosen the euro as its reporting currency [see note 1h](#). Therefore, changes in the rate of exchange between the euro and the local currencies in which the financial statements of the Company's international operations are maintained, affect its results of operations and financial position as reported in its consolidated financial statements.

Additionally, individual subsidiaries are exposed to transactional risks mainly resulting from intercompany purchases between production sites and other subsidiaries with different functional currencies. This exposes the subsidiaries to fluctuations in the rate of exchange between the invoicing currencies and the currency in which their local operations are conducted. For the purpose of hedging existing and foreseeable foreign exchange transaction exposures the Company enters into foreign exchange forward contracts and, on a small scale, foreign exchange options. At December 31, 2017 and December 31, 2016, the Company had no foreign exchange options.

Changes in the fair value of the effective portion of foreign exchange forward contracts designated and qualifying as cash flow hedges of forecasted product purchases and sales are reported in AOCI. Additionally, in connection with intercompany loans in foreign currency, the Company uses foreign exchange swaps to assure that no foreign exchange risks arise from those loans, which, if they qualify for cash flow hedge accounting, are also reported in AOCI. These amounts recorded in AOCI are subsequently reclassified into earnings as a component of cost of revenue for those contracts that hedge product purchases and sales or as an adjustment of interest income/expense for those contracts that hedge loans, in the same period in which the hedged transaction affects earnings. The notional

amounts of foreign exchange contracts in place that are designated and qualify as cash flow hedges totalled €91,068 and €103,358 at December 31, 2017 and December 31, 2016, respectively.

The Company also enters into derivative contracts for forecasted product purchases and sales and for intercompany loans in foreign currencies which do not qualify for hedge accounting but are utilized for economic hedges as defined above. In these two cases, the change in value of the economic hedge is recorded in the income statement and usually offsets the change in value recorded in the income statement for the underlying asset or liability. The notional amounts of economic hedges that do not qualify for hedge accounting totalled €665,108 and €1,407,611 at December 31, 2017 and December 31, 2016, respectively.

The Company uses a Cash-Flow-at-Risk (CFaR) model in order to estimate and quantify transaction risks from foreign currencies. The basis for the analysis of the currency risks are the foreign currency cash flows that are reasonably expected to arise within the following twelve months, less any hedges. Under the CFaR approach, the potential currency fluctuations of these net exposures are shown as probability distributions based on historical volatilities and correlations of the preceding 250 business days. The calculation is made assuming a confidence level of 95% and a holding period of up to one year. The aggregation of currency risks has risk-mitigating effects due to correlations between the transactions concerned, i. e. the overall portfolio's risk exposure is generally less than the sum total of the underlying individual risks. At December 31, 2017, the Company's CFaR amounts to €50,813, this means with a probability of 95% a potential loss in relation to the forecasted foreign exchange cash flows of the next twelve months will be not higher than €50,813.

Significant influence on the Company's foreign currency risk is exerted by the u.s. dollar, the Chinese Yuan Renminbi, the South Korea Won, the Russian Ruble and the Indian Rupee. The following table shows the Company's most significant net positions in foreign currencies at December 31, 2017:

Interest rate risk management

The Company's interest rate risks mainly arise from money market and capital market transactions of the group for financing its business activities.

The Company enters into derivatives, particularly interest rate swaps and to a certain extent, interest rate options, to protect against the risk of rising interest rates. These interest rate derivatives are designated as cash flow hedges and have been entered into in order to effectively convert payments based on variable interest rates into payments at a fixed interest rate. The euro-denominated interest rate swaps expire in 2019 and have a weighted average interest rate of 0.32%. Interest payable and receivable under the swap agreements is accrued and recorded as an adjustment to interest expense.

For purposes of analysing the impact of changes in the relevant reference interest rates on the Company's results of operations, the Company calculates the portion of financial debt which bears variable interest rate and which has not been hedged by means of interest rate swaps or options against rising interest rates. For this particular part of its liabilities, the Company assumes an increase in the reference rates of 0.5% compared to the actual rates as of the balance sheet date. The corresponding additional annual interest expense is then compared to the Company's net income. This analysis shows that an increase of 0.5% in the relevant reference rates would have an effect of less than 1% on the consolidated net income and the shareholder's equity of the Company.

The effective portion of gains and losses of derivatives designated as cash flow hedges is deferred in AOCI; the amount of gains and losses reclassified from AOCI are recorded in interest income and interest expenses.

At December 31, 2017 and December 31, 2016, the notional amount of the euro-denominated interest rate swaps in place was €228,000 and €252,000.

In addition, the Company also enters into interest rate hedges (pre-hedges) in anticipation of future long-term debt issuance. These pre-hedges are used to hedge interest rate exposures with regard to interest rates which are relevant for the future long-term debt issuance and which could rise until the respective debt is actually issued. These pre-hedges were settled at the issuance date of the corresponding long-term debt with the settlement amount recorded in AOCI amortized to interest expense over the life of the debt. At December 31, 2017 and December 31, 2016, the Company had €16,495 and €35,814, respectively, related to settlements of pre-hedges deferred in AOCI, net of tax.

¹ At December 31, 2017 and December 31, 2016, the valuation of the Company's derivatives was determined using significant other observable inputs (Level 2).

² Derivative instruments are marked to market each reporting period resulting in carrying amounts being equal to fair values at the reporting date.

The carrying amounts for the current portion of derivatives indicated as assets in the table above are included in Other current assets in the consolidated balance sheets while the current portion of those indicated as liabilities are included in current provisions and other current liabilities. The non-current portions indicated as assets or liabilities are included in the consolidated balance sheets in Other non-current assets or Non-current provisions and other non-current liabilities, respectively.

The significant methods and assumptions used in estimating the fair values of derivative financial instruments are as follows:

The fair value of interest rate swaps is calculated by discounting the future cash flows on the basis of the market interest rates applicable for the remaining term of the contract as of the balance sheet date. To determine the fair value of foreign exchange forward contracts, the contracted forward rate is compared to the current forward rate for the remaining term of the contract as of the balance sheet date. The result is then discounted on the basis of the market interest rates prevailing at the balance sheet date for the applicable currency. The fair value of the embedded derivative of the Convertible Bonds is calculated using the difference between the market value of the Convertible Bonds and the market value of an adequate straight bond discounted with the market interest rates as of the reporting date.

The Company's own credit risk is incorporated in the fair value estimation of derivatives that are liabilities. Counterparty credit risk adjustments are factored into the valuation of derivatives that are assets. The Company monitors and analyses the credit risk from derivative financial instruments on a regular basis. For the valuation of derivative financial instruments, the credit risk is considered in the fair value of every individual instrument. The default probability is based upon the credit default swap spreads of each counterparty appropriate for the duration. The calculation of the credit risk considered in the valuation is performed by multiplying the default probability appropriate for the duration with the expected discounted cash flows of the derivative financial instrument.

The effect of financial instruments on the consolidated statements of income

The effects of financial instruments recorded in the consolidated statements of income consist of interest income of €43,297 (2016: €42,139), interest expense of €397,187 (2016: €408,508) as well as allowances for doubtful accounts of €549,631 (2016: €430,974).

Interest income in 2017 primarily results from the valuation of the Share Options which the Company purchased in connection with the issuance of the Convertible Bonds, interest on overdue receivables and lease receivables. In 2016 a large part of interest income results from the valuation of the derivatives embedded in the Convertible Bonds.

The major part of interest expenses relates to financial liabilities of the Company which are not accounted for at fair value through profit or loss.

In the fiscal year 2017 net losses from foreign currency transactions amount to €36,159 (2016: net gains €5,688).

Credit risk

The Company is exposed to potential losses in the event of non-performance by counterparties. With respect to derivative financial instruments it is not expected that any counterparty fails to meet its obligations as the counterparties are highly rated financial institutions. The maximum credit exposure of derivatives is represented by the fair value of those contracts with a positive fair value at the balance sheet date. The maximum credit exposure of all derivatives amounted to €114,274 at December 31, 2017 (2016: €134,441). The maximum credit risk resulting from the use of non-derivative financial instruments is defined as the total amount of all receivables and cash and cash equivalents. In order to control this credit risk, the Management of the Company carries out an ageing analysis of trade accounts receivable. For details on the ageing analysis and on the allowance for doubtful accounts [see note 7](#).

Liquidity risk

The liquidity risk is defined as the risk that a company is potentially unable to meet its financial obligations. The Management of the Company manages the liquidity of the group by means of effective working capital and cash management as well as an anticipatory evaluation of refinancing alternatives. The Management of the Company believes that existing credit facilities, net cash provided by operating activities and additional short-term debt are sufficient to meet the Company's foreseeable demand for liquidity [see note 13](#).

26. SEGMENT AND CORPORATE INFORMATION

The Company's operating segments are the North America Segment, the EMEA Segment, the Asia-Pacific Segment and the Latin America Segment. The operating segments are determined based upon how the Company manages its businesses with geographical responsibilities. All segments are primarily engaged in providing health care services and the distribution of products and equipment for the treatment of ESRD and other extracorporeal therapies.

Management evaluates each segment using measures that reflect all of the segment's controllable revenues and expenses. With respect to the performance of business operations, management believes that the most appropriate measures are revenue, operating income and operating income margin. The Company does not include income taxes as it believes this is outside the segments' control. Financing is a corporate function, which the Company's segments do not control. Therefore, the Company does not include interest expense relating to financing as a segment measurement. Similarly, the Company does not allocate certain costs, which relate primarily to certain headquarters' overhead charges, including accounting and finance, because the Company believes that these costs are also not within the control of the individual segments. Production of products, production asset management, quality management and procurement related to production are centrally managed at Corporate. The Company's global research and development is also centrally managed at Corporate. These corporate activities do not fulfill the definition of a segment according to IFRS 8. Products are transferred to the segments at cost; therefore no internal profit is generated. The associated internal revenue for the product transfers and their elimination are recorded as corporate activities. Capital expenditures for production are based on the expected demand of the segments and consolidated profitability considerations. In addition, certain revenues, investments and intangible assets, as well as any related expenses, are not allocated to a segment but are accounted for as Corporate.

The key data used by the management board of the Company's General Partner to control the segments are based on IFRS figures. Until December 31, 2016 U.S. GAAP based figures were used to control the segments. Thus, the segment information was given in accordance with U.S. GAAP. To conform to the current year's presentation, the previous year's values are adjusted accordingly.

Information pertaining to the Company's segment and Corporate activities for the twelve-month periods ended December 31, 2017, 2016 and 2015 is set forth below:

28. COMPENSATION OF THE MANAGEMENT BOARD AND THE SUPERVISORY BOARD

I. Compensation of the Management Board of the General Partner

The total compensation of the members of the Management Board of Fresenius Medical Care Management AG for the fiscal year 2017 amounted to €23,302 (2016: €23,626) and consisted of non-performance-related compensation (including additional benefits) in the total amount of €5,768 (2016: €5,535), short-term performance-related compensation in the total amount of €8,640 (2016: €8,641) and components with long-term incentive effects (multi-year variable remuneration) in the total amount of €8,894 (2016: €9,450). Components with long-term incentive effects, which were granted in or for the 2017 fiscal year, include exclusively share-based compensation with cash settlement.

Under the Fresenius Medical Care Long-Term Incentive Plan 2016 (hereinafter: LTIP 2016), a total of 73,746 performance shares (in 2016: 79,888) were allocated to the members of the Management Board of Fresenius Medical Care Management AG, in the fiscal year 2017. The fair value of the performance shares granted in the fiscal year 2017 was €75.12 (in 2016: €76.80) each for grants denominated in euro and \$86.39 (in 2016: \$85.06) each for grants denominated in u.s. dollar on the grant date.

Due to the fact that the targets were met in the fiscal year 2017, in addition to the performance shares granted under the LTIP 2016, the Management Board members of Fresenius Medical Care Management AG were entitled to further share-based compensation with cash settlement in the amount of €3,418 (2016: €3,281).

At the end of fiscal year 2017, the members of the Management Board of Fresenius Medical Care Management AG held a total of 150,993 performance shares (2016: 79,888) and 73,432 phantom stock (2016: 81,019). In addition, they held a total of 819,491 stock options at the end of fiscal year 2017 (2016: 1,010,784 stock options).

As of December 31, 2017, aggregate pension obligations of €21,753 (December 31, 2016: €24,908) existed relating to existing pension commitments. In the fiscal year 2017, the appropriation to the pension reserves amounted to €212 (2016: €4,035).

In the fiscal year 2017, no loans or advance payments of future compensation components were made to members of the Management Board of Fresenius Medical Care Management AG.

To the extent permitted by law, Fresenius Medical Care Management AG undertook to indemnify the members of the Management Board from claims against them arising out of their work for the Company and its affiliates, if such claims exceed their liability under German law. To secure such obligations, the Company has concluded a Directors & Officers liability insurance with an excess in compliance with the specifications according

to German stock corporation law. The indemnity covers each member of the Management Board during their respective term on the Management Board and also for claims that arise in connection therewith after the respective termination of their term.

Mr. Dominik Wehner, who was a member of the Management Board until the end of December 31, 2017, receives all compensation components he is entitled to for the fiscal year. It was agreed with respect to the compensation components he is entitled to by contract for the period from January 1, 2018 to March 31, 2022 that Mr. Dominik Wehner will receive annual basic compensation of €425 and an annual bonus of 30% of his basic compensation and that he is entitled to fringe benefits such as the private use of his company car, contributions to financial planning, insurance benefits and contributions to pension and health insurance in a total amount of approximately €42 p. a. The compensation components granted to Mr. Dominik Wehner under the Fresenius Medical Care Long-Term Incentive Program 2011, the LTIP 2016 and the Share Based Award must be paid or can be exercised, as the case may be, by the relevant regular vesting date pursuant to the applicable conditions. Except for the Share Based Award for 2017, Mr. Dominik Wehner will no longer be granted any components with long-term incentive effects as of the fiscal year 2018 (including).

In the fiscal year, Mr. Ronald Kuerbitz, who was a member of the Management Board until February 17, 2017, received fixed compensation (in the amount of €109) and fringe benefits (in the amount of €43). For the fiscal year 2017, Mr. Ronald Kuerbitz was not granted any one-year or multi-year variable compensation components. The long-term compensation components in the amount of €977 granted and vested by February 17, 2017 pursuant to the applicable conditions were fully paid to him in the fiscal year 2017. All long-term compensation components granted and not vested by February 17, 2017 have been cancelled without substitution. As of February 17, 2017, Mr. Ronald Kuerbitz receives annual non-compete compensation of €538 for the post-employment non-compete obligation agreed. In addition, Mr. Ronald Kuerbitz received one-off compensation of €852 which had been agreed with him in the context of his resignation from the Management Board of the General Partner. The payment of this compensation is linked to the successful completion of various projects, part of which have not yet been completed as at the time of the agreement, and thus ensures that Mr. Ronald Kuerbitz's involvement even after his resignation from the Management Board. After the end of his service agreement, he acts as advisor to National Medical Care, Inc. as of August 14, 2017 until the end of August 13, 2018. The consideration to be granted for such services (including reimbursement of expenses) amounts to €55 for the fiscal year.

Mr. Roberto Fusté, who resigned the Management Board as of March 31, 2016, received pension payments in the amount of €239 (2016: €0) in the fiscal year. Additionally, Mr. Roberto Fusté received a compensation in connection with his post-contractual non-compete clause in the amount of €377 as well as an advisory fee in the amount of €377 as agreed in the agreement for his advisory to the Chairman of the Management Board concluded on the occasion of the termination of his service agreement with effect as of December 31, 2016.

To Prof. Emanuele Gatti, who was a member of the Management Board until March 31, 2014, pension payments were made in the fiscal year 2017 in a total amount of €338 (2016: €338) without any fringe benefits during the fiscal year (2016: €7). Prof. Emanuele Gatti was additionally granted and paid in the fiscal year 2017 a partial compensation in connection with his post-contractual non-compete clause in the amount of €163 (2016: €488).

Dr. Rainer Runte, who also resigned from office as a member of the Management Board effective from March 31, 2014, did not receive any annual non-compete compensation in the fiscal year for his post-contractual non-compete obligation, since it was not effective anymore in the fiscal year (2016: €486). A consulting agreement was entered into with Dr. Rainer Runte for the period beginning March 1, 2017 which term meanwhile has been extended until March 31, 2018. The annual consideration to be granted by Fresenius Medical Care Management AG for such services amounts to €165 for the fiscal year.

Fresenius Medical Care Management AG and Dr. Ben Lipps, the Chairman of the Management Board until December 31, 2012, entered into a consulting agreement, in lieu of a pension agreement, for the period January 1, 2013 to December 31, 2022; meanwhile, the term of this agreement has been reduced in the fiscal year 2017 to December 31, 2021. On the basis of this consulting agreement during the fiscal year a consulting compensation amounting to €580 (2016: €585) including the reimbursement of expenses were paid to Dr. Ben Lipps.

Other than that, the former members of the Management Board of Fresenius Medical Care Management AG did not receive any compensation in the fiscal year 2017. As of December 31, 2017 the pension obligations vis-à-vis these persons amounted to a total of €21,930 (December 31, 2016: €20,469).

A post-employment non-competition covenant was agreed upon with all members of the Management Board. If such covenant becomes applicable, the Management Board members receive a compensation for non-competition amounting to half of their respective annual fixed compensation for each year of the respective application of the non-competition covenant, up to a maximum of two years.

FMC AG & CO. KGAA publishes detailed and individualized information for each member of the Management Board of Fresenius Medical Care Management AG on the components of their compensation as well as on the shares owned by members of the Management Board in its Compensation Report, which is part of the management report and which can be accessed on Company's website under <http://www.freseniusmedicalcare.com/en/home/investors/corporate-governance/declaration-of-compliance/>.

II. Compensation of the supervisory board

In fiscal year 2017 the total compensation fees to all members of the Supervisory Board of FMC AG & CO. KGAA amounted to €876 (2016: €552). This includes a fixed compensation of €409 (2016: €366) as well as a compensation to all members of the Audit Committee of €185 (2016: €179). Additionally, for the previous year the entitlement to a payment of variable performance-related compensation of €282 (2016: €0) was generated. Furthermore, in fiscal year 2017 the members of the Supervisory Board which are also members of the Joint Committee of FMC AG & CO. KGAA, receive attendance fees of €0 (2016: €7) pursuant to Article 13 e para. 3 of the articles of association.

The compensation of the supervisory board of the Fresenius Medical Care Management AG and the compensation of its Committees was, in compliance with article 7 para. 3 of the Articles of Association of FMC AG & CO. KGAA, charged to FMC AG & CO. KGAA. In fiscal year 2017 the total compensation for the members of the supervisory board of the Fresenius Medical Care Management AG amounted to €1,039 (2016: €714). This includes fixed compensation components for the work in the supervisory board in the amount of €357 (2016: €330) and compensation components for the work in the Committees of €447 (2016: €384). Additionally, for the previous year the entitlement to a payment of variable performance-related compensation of €235 (2016: €0) was generated.

Audit fees are the aggregate fees billed by KPMG for the audit of the Company's consolidated financial statements and the statutory financial statements of FMC AG & CO. KGAA and certain of its subsidiaries, reviews of interim financial statements and attestation services that are provided in connection with statutory and regulatory filings or engagements. Fees related to the audit of internal control over financial reporting are included in audit fees. Audit-related fees are fees charged by KPMG for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported under audit fees. This category comprises fees billed for comfort letters, consultation on accounting issues, the audit of employee benefit plans and pension schemes, agreed-upon procedure engagements and other attestation services subject to regulatory requirements. Tax fees are fees for professional services rendered by KPMG for tax compliance, tax advice on implications for actual or contemplated transactions, tax consulting associated with international transfer prices, and expatriate employee tax services, as well as support services related to tax audits. Other fees include amounts related to supply chain consulting fees.

Fees billed by KPMG for non-audit services in Germany include fees for the services described above within the audit-related fees, tax fees and other fees.

30. CORPORATE GOVERNANCE

REPRODUCTION OF THE INDEPENDENT AUDITOR'S REPORT

Based on the results of our audit, we have issued the following unqualified audit opinion:

INDEPENDENT AUDITOR'S REPORT

To Fresenius Medical Care AG & Co. KGaA,
Hof an der Saale

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS AND OF THE GROUP MANAGEMENT REPORT

OPINIONS

We have audited the consolidated financial statements of Fresenius Medical Care AG & Co. KGaA and its subsidiaries (the Group), which comprise the consolidated statement of financial position as of December 31, 2017, and the consolidated statement of income, the consolidated statements of operations and comprehensive income or loss, consolidated statement of changes in equity and consolidated statement of cash flows for the financial year from January 1 to December 31, 2017, and notes to the consolidated financial statements, including a summary of significant accounting policies. In addition, we have audited the Group Management Report of Fresenius Medical Care AG & Co. KGaA for the financial year from January 1 to December 31, 2017.

In our opinion, on the basis of the knowledge obtained in the audit,

- ▶ the accompanying consolidated financial statements comply, in all material respects, with the IFRSS as adopted by the EU, and the additional requirements of German commercial law pursuant to Section 315e (1) HGB [Handelsgesetzbuch: German Commercial Code] and, in compliance with these requirements, give a true and fair view of the assets, liabilities, and financial position of the Group as of December 31, 2017, and of its financial performance for the financial year from January 1 to December 31, 2017, and
- ▶ the accompanying Group Management Report as a whole provides an appropriate view of the Group's position. In all material respects, this Group Management Report is consistent with the consolidated

financial statements, complies with German legal requirements and appropriately presents the opportunities and risks of future development.

Pursuant to Section 322 (3) sentence 1 HGB, we declare that our audit has not led to any reservations relating to the legal compliance of the consolidated financial statements and of the Group Management Report.

BASIS FOR THE OPINIONS

We conducted our audit of the consolidated financial statements and of the Group Management Report in accordance with Section 317 HGB and EU Audit Regulation No. 537/2014 (referred to subsequently as "EU Audit Regulation") and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW). Our responsibilities under those requirements and principles are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements and of the Group Management Report" section of our auditor's report. We are independent of the group entities in accordance with the requirements of European law and German commercial and professional law, and we have fulfilled our other German professional responsibilities in accordance with these requirements. In addition, in accordance with Article 10 (2) point (f) of the EU Audit Regulation, we declare that we have not provided non-audit services prohibited under Article 5 (1) of the EU Audit Regulation. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinions on the consolidated financial statements and on the Group Management Report.

KEY AUDIT MATTERS IN THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year from January 1 to December 31, 2017. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Impairment of goodwill

Please refer to [note 1f](#) to the consolidated financial statements for information on the accounting policies applied. Details on the assumptions used can be found under [note 2a](#) to the consolidated financial statements. Please see [note 11](#) to the consolidated financial statements for information on the amount of goodwill.

The financial statement risk

Goodwill recognized in the consolidated financial statements of Fresenius Medical Care AG & Co. KGaA as of December 31, 2017, amounts EUR 12.1 billion, representing approx. 50% of total assets and thus having a material effect on the Group's financial position.

Impairment testing of goodwill is complex and greatly dependent on Fresenius Medical Care's assessment of future business performance. Impairment testing is subject to a multitude of assumptions. These assumptions particularly incorporate future reimbursement rates and sales prices, the number of treatments, sales volumes and costs, as well as future growth rates of the respective cash-generating units. Furthermore, an interest rate must be determined to discount future cash flows. These assumptions are subject to uncertainty by their very nature.

Based on the impairment tests conducted, the Company did not identify any need to recognize impairment losses.

There is the risk for the consolidated financial statements that the need to recognize impairment losses is not realized. There is also the risk that the disclosures in the notes on impairment testing are not appropriate or are incomplete.

Our audit approach

To test impairment of goodwill, we verified the appropriateness of the key value-determining assumptions and parameters used for the budget. We assessed the controls established by the Company to ensure that the underlying assumptions and parameters (including the budget and projections) are up to date based on developments of the respective relevant markets and to ensure that the budget is approved by the supervisory board for their appropriateness and effectiveness. We reconciled the budgets used for discounted cash flow calculations to the budget approved by the supervisory board for 2018-2020 and to the medium-term planning for the subsequent years.

We also confirmed the accuracy of the Company's previous forecasts by comparing the budgets of previous financial years with actual earnings and by analyzing deviations.

We referred to market data and market analyses conducted by Fresenius Medical Care AG & Co. KGaA to assess the key value-determining assumptions and parameters used for determining the discount rate (WACC) and growth rates. To ensure the computational accuracy of impairment testing including the valuation model used, we verified the Company's calculations on the basis of selected risk-based elements. To this end, we also assessed whether the valuation methods are consistent with the applicable accounting policies. Particularly for CGUs where the recoverable amount only marginally exceeds the carrying amount, we conducted our own sensitivity analyses to simulate the effects of changes to individual assumptions and parameters.

Finally, we assessed whether the disclosures in the notes on impairment of goodwill are appropriate and complete.

Our observations

The valuation methods are consistent with the applicable accounting policies. The assumptions and parameters used for valuation are appropriate overall.

The required disclosures in the notes on impairment testing of goodwill are appropriate and complete.

Complete recognition and measurement of provisions for self-insurance programs

Please refer to [note 2d](#) to the consolidated financial statements for information on the accounting policies applied. Please see [note 12](#) to the consolidated financial statements for information on movements in provisions.

The financial statement risk

The Company has an insurance program through its largest subsidiary (based in North America) comprising professional, product and general liability, as well as for damage to cars, employee compensation claims and compensation claims for medical malpractice, and thereby bears risks itself to a certain extent. The provisions for self-insurance programs recognized in the consolidated financial statements of Fresenius Medical Care AG & Co. KGaA as of December 31, 2017, amount to EUR 223.5 million and cover the estimated future payments for reported claims and for incurred but not reported claims.

Recognition and measurement of provisions for self-insurance programs is complex and subject to judgment, as Fresenius Medical Care must refer to historical values (historical experience) to make estimates, particularly with respect to claims incidence (number) and claims severity (cost). These assumptions are subject to uncertainty by their very nature. To confirm the values that the Group determines itself, Fresenius Medical Care engages external actuaries for selected self-insurance programs. There is the risk for the consolidated financial statements that the provisions for self-insurance programs are not fully recognized or measured inappropriately.

Our audit approach

We assessed the controls established by the Group to ensure that the underlying items are recognized in full and that the underlying assumptions and parameters are appropriate and suitable, for their appropriateness and effectiveness.

To evaluate the assumptions as well as recognition and valuation methods applied, we involved our own actuaries in the audit team. With their help, we analyzed and evaluated the assumptions and parameters used by the Company (such as factors determining claims), also taking into account the values determined by the external actuaries engaged by Fresenius Medical Care. We evaluated the competence, professional skills and impartiality of the external actuaries. Furthermore, we determined a range based on our own expected value and assessed whether the provision amount determined by Fresenius Medical Care was within this range.

Our observations

The methods used for recognition and measurement are consistent with the applicable accounting policies. The underlying assumptions and parameters are appropriate.

Recognition and measurement of the provision relating to u.s. Foreign Corrupt Practices Act investigations

Please refer to [note 1r](#) to the consolidated financial statements for information on the accounting policies applied. Please refer to [note 12](#) for the provision recognized. Explanatory notes on the processes and current investigations can be found in [note 22](#) to the consolidated financial statements and in the Group Management Report in the section "Risks and opportunities – risk management".

The financial statement risk

Some aspects of the Company's business involve competing for contracts with customers that are directly or indirectly related to government. This type of business and the tender processes that typically accompany it entail risks of non-compliance with legal requirements. The Company also operates in a number of countries where it is normal business practice to deploy external sales representatives.

In 2012, the Company was made aware of practices in countries outside the USA that could constitute a violation of the u.s. Foreign Corrupt Practices Act (FCPA) or other anti-corruption legislation. Following this, the company's supervisory board conducted its own investigations through its Audit & Corporate Governance Committee, which also involved consulting external lawyers. The findings of the investigations were presented to the competent u.s. government authorities (Securities and Exchange Commission and the Department of Justice) on several occasions.

A violation of legal provisions in this context can lead to fines, penalty payments, prosecution, claims for damages and restrictions placed on future business operations, which could have a material effect on the

Company's financial performance. To avoid court proceedings, the Company is currently in discussions with the u.s. government authorities in respect of a potential settlement. These discussions are still ongoing; a legal dispute with one or both authorities is therefore possible in the event of failure of the negotiations.

On the basis of the ongoing settlement negotiations, the Company has formed a provision of €200.0M, which is assessed to be an estimate of the settlement amount. The provision takes account of claims by government authorities for the seizure of profits as well as provisions for fines and penalties, certain legal fees and other associated costs or impairment losses. Both recognition and measurement of this provision are based on estimates of Fresenius Medical Care AG & Co. KGaA that require judgment.

There is the risk for the consolidated financial statements that the provision recognized for this purpose is insufficient or excessive.

There is also the risk that the required disclosures in the notes are incomplete or not appropriate.

Our audit approach

We received regular updates on the findings of the internal investigations and on how the meetings with the u.s. government agencies were proceeding. For this purpose, we mainly consulted the client representatives of the Corporate Legal and Corporate Compliance departments and obtained information from the lawyers who had carried out the investigation for the Company. Moreover, the Company provided us with written confirmation of the current state of affairs.

We also held discussions with the Chairman of the Supervisory Board, the Chairman of the Audit & Corporate Governance Committee, members of the Management Board and contact persons from Corporate Accounting, Corporate Compliance and Corporate Legal. We assessed written correspondence with relevant authorities with the assistance of our internal lawyers and evaluated underlying documents and minutes.

On the basis of this information, we assessed the assumptions made by Fresenius Medical Care AG & Co. KGaA overall to determine the provision and reviewed the calculation of the provision for computational accuracy.

We also assessed the completeness and accuracy of the disclosures in the notes relating to the matter.

Our observations

Recognition of the provision for potential violations of the FCPA is appropriate. The provision amount has been accurately calculated and the assumptions of Fresenius Medical Care AG & Co. KGaA underlying this calculation are appropriate.

The notes include all required information relating to this matter.

OTHER INFORMATION

The parent company's management is responsible for the other information. The other information comprises the annual report, with the exception of the audited consolidated financial statements and Group Management Report and our auditor's report.

Our opinions on the consolidated financial statements and on the Group Management Report do not cover the other information, and consequently we do not express an opinion or any other form of assurance conclusion thereon.

In connection with our audit, our responsibility is to read the other information and, in doing so, consider whether the other information

- ▶ is materially inconsistent with the consolidated financial statements, with the Group Management Report or our knowledge obtained in the audit, or
- ▶ otherwise appears to be materially misstated.

In accordance with our engagement letter, we conducted a separate assurance engagement of the non-financial statement. Please refer to our assurance report dated February 26, 2018 for information on the nature, scope and findings of this assurance engagement.

RESPONSIBILITIES OF MANAGEMENT AND THE SUPERVISORY BOARD FOR THE CONSOLIDATED FINANCIAL STATEMENTS AND THE GROUP MANAGEMENT REPORT

Management is responsible for the preparation of the consolidated financial statements that comply, in all material respects, with IFRSs as adopted by the EU and the additional requirements of German commercial law pursuant to Section 315e (1) HGB and that the consolidated financial statements, in compliance with these requirements, give a true and fair view of the assets, liabilities, financial position, and financial performance of the Group. In addition, management is responsible for such internal control as they have determined necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern. They also have the responsibility for disclosing, as applicable, matters related to going concern. In addition, they are responsible for financial reporting based on the going concern basis of accounting unless there is an intention to liquidate the Group or to cease operations, or there is no realistic alternative but to do so.

Furthermore, management is responsible for the preparation of the Group Management Report that, as a whole, provides an appropriate view of the Group's position and is, in all material respects, consistent with the consolidated financial statements, complies with German legal requirements, and appropriately presents the opportunities and risks of future development. In addition, management is responsible for such arrangements and measures (systems) as they have considered necessary to enable the preparation of a Group Management Report that is in accordance with the applicable German legal requirements, and to be able to provide sufficient appropriate evidence for the assertions in the Group Management Report.

The supervisory board is responsible for overseeing the Group's financial reporting process for the preparation of the consolidated financial statements and of the Group Management Report.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS AND OF THE GROUP MANAGEMENT REPORT

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and whether the Group Management Report as a whole provides an appropriate view of the Group's position and, in all material respects, is consistent with the consolidated financial statements and the knowledge obtained in the audit, complies with the German legal requirements and appropriately presents the opportunities and risks of future development, as well as to issue an auditor's report that includes our opinions on the consolidated financial statements and on the Group Management Report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Section 317 HGB and the EU Audit Regulation and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer (IDW) will always detect a material misstatement. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements and this Group Management Report.

We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the consolidated financial statements and of the Group Management Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ▶ Obtain an understanding of internal control relevant to the audit of the consolidated financial statements and of arrangements and measures (systems) relevant to the audit of the Group Management Report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of these systems.
- ▶ Evaluate the appropriateness of accounting policies used by management and the reasonableness of estimates made by management and related disclosures.
- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements and in the Group Management Report or, if such disclosures are inadequate, to modify our respective opinions. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to be able to continue as a going concern.
- ▶ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements present the underlying transactions and events in a manner that the consolidated financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Group in compliance with IFRSS as adopted by the EU and the additional requirements of German commercial law pursuant to Section 315e (1) HGB.

- ▶ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express opinions on the consolidated financial statements and on the Group Management Report. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our opinions.
- ▶ Evaluate the consistency of the Group Management Report with the consolidated financial statements, its conformity with [German] law, and the view of the Group's position it provides.
- ▶ Perform audit procedures on the prospective information presented by management in the Group Management Report. On the basis of sufficient appropriate audit evidence we evaluate, in particular, the significant assumptions used by management as a basis for the prospective information, and evaluate the proper derivation of the prospective information from these assumptions. We do not express a separate opinion on the prospective information and on the assumptions used as a basis. There is a substantial unavoidable risk that future events will differ materially from the prospective information.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with the relevant independence requirements, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, the related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter.

OTHER LEGAL AND REGULATORY REQUIREMENTS

FURTHER INFORMATION PURSUANT TO ARTICLE 10 OF THE EU AUDIT REGULATION

We were elected as group auditor by the annual general meeting on May 11, 2017. We were engaged by the supervisory board on December 8, 2017. We have been the group auditor of Fresenius Medical Care AG & Co. KGaA without interruption since the initial public offering in 1996 of Fresenius Medical Care AG, which was the legal predecessor of Fresenius Medical Care AG & Co. KGaA.

We declare that the opinions expressed in this auditor's report are consistent with the additional report to the audit committee pursuant to Article 11 of the EU Audit Regulation (long-form audit report).

GERMAN PUBLIC AUDITOR RESPONSIBLE FOR THE ENGAGEMENT

The German Public Auditor responsible for the engagement is Alexander Bock.
