Re: BB #22-01 Alternate Use Bed Banking

Dear Soon Burnam:

This letter is a follow up to our December 17, 2021 letter approving the alternate use bed banking under Revised Code of Washington (RCW) 70.38 111(9) for 11 beds at Bainbridge Island Health and Rehabilitation Center.

The Certificate of Need Program received a copy of the revised nursing home license from Department of Social and Health Services. The revised license identifies that the 11 beds were removed from the nursing home license on December 1, 2021. As a result, Bainbridge Island Health and Rehabilitation Center is currently licensed for 58 beds and has 11 beds banked.

As stated in the department's December 17, 2021 letter, the 11 beds are banked for a total of four years; the bed banking on these 11 beds will expire on December 1, 2025.

If you have any questions concerning bed banking, please call me at (360) 236-2955.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Hernandez".
