Washington State does not require licensing or accreditation for outpatient dialysis facilities. Each of our active facilities, however, is certified by CMS based on the applicable state guidelines, which sometimes includes accreditation through the National Dialysis Accreditation Commission ("NDAC"). In Washington State, the Department of Health Facility and Licensing Division maintains responsibility for CMS certification, and to date, the Department has certified all of FMCNA's dialysis facilities for Medicare in Washington State.

¹ Fresenius Medical Care Holdings, Inc. d/b/a Fresenius Medical Care North America, the parent company of the applicant, is also the parent company to numerous other subsidiary companies which offer a range of health care services and products in North America. For the purpose of responding to question 6, the applicant is responding to such questions with respect to dialysis clinics owned, operated or managed by Fresenius Medical Care Holdings, Inc. and its subsidiaries.

Project Description

1. Provide the name and address of the existing facility, if applicable.

This question is not applicable. This project requests development of a new facility.

2. Provide the name and address of the proposed facility. If an address is not yet assigned, provide the county parcel number and the approximate timeline for assignment of the address.

The address of the proposed FKC Cascade Peak is:

1300 SW 7th St.
Renton, WA

3. Provide a detailed description of the proposed project.

Pursuant to Washington Administrative Code (“WAC”) 246-310-806, for Nonspecial Circumstance Cycle 1, RCG is requesting CN approval to develop a new CN-approved kidney dialysis facility, FKC Cascade Peak, increasing the number of stations in the King 9 Dialysis Planning Area by six (6) and one (1) isolation stations.

4. Identify any affiliates for this project, as defined in [WAC 246-310-800\(1\)](#).

This question is not applicable.

5. With the understanding that the review of a Certificate of Need application typically takes 6-9 months, provide an estimated timeline for project implementation, below:

Event	Anticipated Month, Day, and Year
Assumed Completion of CN Review	January 1, 2023
Design Complete	June 16, 2023
Construction Commenced	November 16, 2023
Construction Completed	June 26, 2024
Facility Prepared for Survey	November 1, 2024

6. Identify the Month/Day/Year the facility is expected to be operational as defined in [WAC246-310-800\(12\)](#).

Assuming uncontested CN-approval on January 1, 2023, the stations are expected to be operational by the November 1, 2024.

- 7. Provide a detailed description of the services represented by this project. For existing facilities, this should include a discussion of existing services and how these would or would not change as a result of the project. Services can include but are not limited to: in-center hemodialysis, home hemodialysis training, peritoneal dialysis training, a late shift (after 5:00 pm), etc.**

FKC Cascade Peak will serve patients with end-stage renal disease. FKC Cascade Peak will offer in-center hemodialysis, home hemodialysis and peritoneal dialysis training and support for dialysis patients, and a dedicated isolation area.² FKC Cascade Peak will also offer an evening shift, beginning after 5 pm, for dialysis patients.

- 8. Fill out the table below identifying the current (if applicable) and proposed configuration of dialysis stations. Note – an exempt isolation station defined under WAC 246-310-800(9) would not be counted in the methodology, but would be included in the total count of certified in-center stations.**

Isolation Station	0	0	0	0
Total Stations	0	0	7	6

- 9. Provide a general description of the types of patients to be served by the facility at project completion.**

This project requests development of a new dialysis facility in the King 9 Dialysis Planning Area. FKC Cascade Peak will provide services described above in response #7.

- 10. Provide a copy of the letter of intent that was already submitted according to [WAC246-310-080](#).**

A copy of the letter of intent is included in Exhibit 4.

² Patients will also have access to a bed station upon request.

11. Provide single-line drawings (approximately to scale) of the facility, both before and after project completion. Reference [WAC 246-310-800\(11\)](#) for the definition of maximum treatment area square footage. Ensure that stations are clearly labeled with their square footage identified, and specifically identify future expansion stations (if applicable)

Please see Exhibit 5 for the single line drawing and corresponding square footage tables.

12. Provide the gross and net square feet of this facility. Treatment area and non- treatment area should be identified separately (see explanation above re: maximum treatment area square footage).

Please see Exhibit 5 for the single line drawing and corresponding square footage tables. The square footage for the facility is 9,772 gross square feet and 8,008 net square feet.

13. Confirm that the facility will be certified by Medicare and Medicaid. If this application proposes the expansion of an existing facility, provide the existing facility's Medicare and Medicaid numbers.

Confirmed, FKC Cascade Peak will be certified by Medicare and Medicaid.

Certificate of Need Review Criteria

A. Need (WAC 246-310-210)

[WAC 246-310-210](#) provides general criteria for an applicant to demonstrate need for healthcare facilities or services. [WAC 246-310-800 through WAC 246-310-833](#) provide specific criteria for kidney disease treatment center applications. Documentation provided in this section must demonstrate that the proposed facility will be needed, available, and accessible to the community it proposes to serve. Some of the questions below only apply to existing facilities proposing to expand. If this does not apply to your project, so state.

1. List all other dialysis facilities currently operating in the planning area, as defined in [WAC 246-310-800\(15\)](#).

Please see Table 1 that lists certificate of need approved stations in the King 9 Dialysis Planning Area.

2. Provide utilization data for the facilities listed above, according to the most recent Northwest Renal Network / Comagine ESRD Network 16 modality report. Based on the standards in [WAC 246-310-812\(5\)](#) and [\(6\)](#), demonstrate that all facilities in the planning area either:
 - a) have met the utilization standard for the planning area;
 - b) have been in operation for three or more years; or
 - c) have not met the timeline represented in their Certificate of Need application.

Table 2 below presents the utilization reported by King 9 Dialysis Planning Area provider(s) according to the applicable Northwest Renal Network (“NWRN”) modality report (March 31, 2022).

Source: Northwest Renal Network Modality Reports

A description of planning area providers’ conformance to standards under WAC 246-310-812(5) is provided below:

- NKC Renton is over the 4.5 patient per station standard.

- DVA Renton has been operational for more than three years. As stated in the Department’s August 2019 evaluation of CN Application 19-35, DVA Renton’s first treatment date was September 16, 2016.³

3. Complete the methodology outlined in [WAC 246-310-812](#). For reference, copies of the [ESRD Methodology](#) for every planning area are available on our website. Please note, under [WAC 246-310-812\(1\)](#), applications for new stations may only address projected station need in the planning area where the facility is to be located, unless there is no existing facility in an adjacent planning area. If this application includes an adjacent planning area, station need projections for each planning area must be calculated separately.

In-center dialysis station need was determined by applying the five-step methodology set forth in WAC 246-310-812. The specific methodology applied to the King 9 Dialysis Planning Area is detailed below:

**Step (a)
Determine the Type of Regression Analysis to be Used**

Determine the type of regression analysis to be used to project resident in-center station need by calculating the annual growth rate in the planning area using the end-of-year number of resident in-center patients for each of the previous six consecutive years, concluding with the base year.

(i) If the planning area has experienced less than six percent growth in any of the previous five annual changes calculations, use linear regression to project station need; or

(ii) If the planning area has experienced six percent or greater growth in each of the previous five annual changes, use nonlinear (exponential) regression to project station need.

Table 3 details the year-end number of in-center hemodialysis patients in the King 9 Dialysis Planning Area. As Table 3 demonstrates, growth in years 2017, 2019, 2020, and 2021 were less than 6%. As such, a linear regression is to be used to project station need.

Table 3. King 9 Dialysis Planning Area Year-End Resident In-Center Hemodialysis Patients and Annual Rate of Change from Prior Year.

Year	2016	2017	2018	2019	2020	2021
Number of Patients	206	210	231	222	220	219
Rate of Change from Prior Year	--	2%	10%	-4%	-1%	0%

Source: Northwest Renal Network Modality Reports. Please see also <https://doh.wa.gov/sites/default/files/2022-04/KDKing9Revised.pdf>

**Step (b)
Project the Number of Resident In-Center Patients**

Project the number of resident in-center patients in the projection year using the regression type

³ Department’s August 21, 2019 Evaluation of CN Application 19-35. P. 10.

determined in (a) of this subsection. When performing the regression analysis use the previous five consecutive years of end-of-year data concluding with the base year.

Per WAC, the projection year for dialysis station need is defined as the fifth year after the base year. The base year is defined as the most recent calendar year for which December 31 data is available as of the first day of the application submission period from the *Northwest Renal Network's Modality Report*. In this case, the base year is 2021 and the projection year is 2026. Accordingly, Table 4 details the number of projected in-center patients in the King 9 Dialysis Planning Area in the years 2022 – 2026 using a linear regression.

Table 4. King 9 Dialysis Planning Area Projected Year-End Resident In-Center Hemodialysis Patients. Linear Projection.

Year	2022	2023	2024	2025	2026
Number of Patients	223	223	224	225	225

Source: Applicant. Please see also <https://doh.wa.gov/sites/default/files/2022-04/KDKing9Revised.pdf>

**Step (c)
Determine the Number of Dialysis Stations Needed**

Determine the number of dialysis stations needed to serve resident in-center patients in the planning area in the projection year by dividing the result of (b) of this subsection by the appropriate resident in-center patient per station number from subsection (3) of this section. In order to assure access, fractional numbers are rounded up to the nearest whole number.

As noted above, the projection year is 2026. For the King 9 Dialysis Planning Area, the appropriate resident in-center patient per station number is 4.8. Assuming 225 patients in 2026 (step b), dividing by 4.8 and rounding up yields forty-seven (47) total stations needed in 2026.

**Step (d)
Determine Net Station Need**

To determine the net station need for a planning area, subtract the number calculated in (c) of this subsection from the total number of certificate of need approved stations located in the planning area. This number does not include the one department recognized exempt isolation station defined in WAC 246-310-800(9). For example, a kidney dialysis facility that is certificate of need approved and certified for eleven stations would subtract the one exempt isolation station and use ten stations for the methodology calculations.

Subtracting existing stations from 2026 need identifies a net station need of six (6) stations.

*Station count excludes 1 isolation station. Any patients included in table above requiring medically necessary isolation will have access to FKC Cascade Peak’s one isolation room.

Table 7 presents the projected utilization at FKC Cascade Peak. Given the stations are anticipated to become operational by November 2024, the first full year of operation will be 2025.

Utilization Forecast Methodology

Please see below a description of the methodology used to construct the in-center and home patient projections.

In-Center Patients

In-center patients are projected based on the assumption that FKC Cascade Peak will capture part of the cumulative incremental patient demand projections from step (b) of the Department’s need methodology but with modest ramp rate applied. It is assumed the number of treatments per patient is 140.5 treatments per year.

Home Patients

The three closest clinics to the proposed FKC Cascade Peak project are Gig Harbor, Mt. Rainier,

and Tacoma East. Of these three facilities, Gig Harbor and Mt. Rainier reported home patients in the 1Q2022 NWRN modality report---representing a 26.2% ratio with those facilities' in-center patient census. Mt. Rainier specifically has 32% home percentage. Because FKC Cascade Peak is anticipated to have a comprehensive home program, and given its relatively small in-center size, a home percentage of 40% [relative to in-center] was applied to FKC Cascade Peak's projected in-center patient projections discussed above to forecast home patients.⁴ In the third full year of operation, this leads to an estimated twelve home patients for FKC Cascade Peak. For perspective, when examining 1Q2022 NWRN modality report utilization of dialysis clinics reporting home patients (i.e. home above 0), the average count is 19.8 home patients per clinic. It is assumed the number of treatments per patient is 173.9 treatments per year.

6. For existing facilities, provide patient origin zip code data for the most recent full calendar year of operation.

Table 8. FKC Cascade Peak Patient Origin, 2021

This table is not applicable, as FKC Cascade Peak is not an existing facility.

7. Identify any factors in the planning area that could restrict patient access to dialysis services. [WAC 246-310-210\(1\), \(2\)](#).

Patient access is critical to improving the health and quality of life of our patients. But patient access is multi-faceted and not simply represented by the aggregate number of stations available. Patients require access to the specific treatment modality and convenient hours of operation that meet their individual clinical and personal needs. Further, continuity of care with the same physician and dialysis care team is often integral to addressing patients' care need.

Patients with limited financial means also face additional barriers to care due to the financial burden of out-of-pocket expenses. However, RCG strives to address this issue for our patients when needed by providing charity. A copy of our charity care policy is contained in Exhibit 6.

8. Identify how this project will be available and accessible to low-income persons, racial and ethnic minorities, women, mentally handicapped persons, and other under-served groups. [WAC 246-310-210\(2\)](#)

All individuals identified as needing dialysis services will have access to FKC Cascade Peak. FKC Cascade Peak's admission policy prohibits discrimination on the basis of race, income, ethnicity, sex or handicap. A copy of the admission policy is contained in Exhibit 7.

A copy of our charity care policy is contained in Exhibit 6.

9. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the limitations of the current site consistent with [WAC 246-310-210\(2\)](#).

⁴ Final home patient forecast calculation includes rounding.

This project does not entail either a partial or full relocation. Therefore, this question is not applicable.

10. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the benefits associated with relocation consistent with [WAC 246-310-210\(2\)](#).

This project does not entail either a partial or full relocation. Therefore, this question is not applicable.

11. Provide a copy of the following policies:

- **Admissions policy**
- **Charity care or financial assistance policy**
- **Patient Rights and Responsibilities policy**
- **Non-discrimination policy**
- **Any other policies directly associated with patient access (example, involuntary discharge)**

Attached, please find the following exhibits applicable to the FKC Cascade Peak clinic:

- Exhibit 6. Charity Care/Indigence Policy
- Exhibit 7A. Patient Admission Policy
- Exhibit 7B. Patient Rights and Responsibilities Policy
- Exhibit 7C. Patient Rights and Responsibilities List
- Exhibit 7D. Patient Acknowledgement of Receipt of Rights and Responsibilities
- Exhibit 7E. Patient Nondiscrimination

B. Financial Feasibility ([WAC 246-310-220](#))

Financial feasibility of a dialysis project is based on the criteria in [WAC 246-310-220](#) and [WAC 246-310-815](#).

- 1. Provide documentation that demonstrates the immediate and long-range capital and operating costs of the project can be met. This should include but is not limited to:**
 - **Utilization projections.** These should be consistent with the projections provided under the Need section. Include all assumptions.
 - **Pro Forma financial projections for at least the first three full calendar years of operation.** Include all assumptions.
 - **For existing facilities proposing a station addition, provide historical revenue and expense statements, including the current year. Ensure these are in the same format as the pro forma projections. For incomplete years, identify whether the data is annualized.**

Exhibit 8 includes the required pro forma financial statements. Exhibit 8 also provides key financial pro forma assumptions and sources of information used to prepare the projections, including staffing and salaries, wages, and benefits assumptions. Unless otherwise specified, the financial projections are based on FMCNA's three closest clinics' 2021 actuals. The three closest clinics include FKC Gig Harbor, FKC Mt. Rainier, and FKC Tacoma East.

Utilization projections, including the assumptions used to derive the forecasts, are presented and discussed in Table 7 above and surrounding text.

- 2. Provide the following agreements/contracts:**
 - **Management agreement.**
 - **Operating agreement**
 - **Medical director agreement**
 - **Development agreement**
 - **Joint Venture agreement**

Note, all agreements above must be valid through at least the first three full years following completion or have a clause with automatic renewals. Any agreements in draft form must include a document signed by both entities committing to execute the agreement as submitted following CN approval.

The medical director agreement is included in Exhibit 9. All other agreements listed above are not applicable to the current request.

3. **Provide documentation of site control. This could include either a deed to the site or a lease agreement for the site. If a lease agreement is provided, the terms must be for at least five years following project completion.**

Included in Exhibit 10A is a copy of the lease agreement for FKC Cascade Peak between RCG (TENANT) and CFGI Oakesdale LLC (LANDLORD), dated April 10, 2020. Exhibit 10B contains property information from the King County Assessor's Office indicating CFGI Oakesdale LLC (LANDLORD) was the owner of the site at the time of executing the lease (April 10, 2020), and that ownership has since transferred from CFGI Oakesdale Holdings LLC to B33 OAKESDALE II LLC as of March 3, 2021. Per the terms of the lease agreement, it has remained in effect after assignment.

The Expiration Date of the lease is April 30, 2032.

4. **Provide county assessor information and zoning information for the site. If zoning information for the site is unclear, provide documentation or letter from the municipal authorities showing the proposed project is allowable at the identified site.**

Zoning documentation will be provided in screening.

5. **Complete the table below with the estimated capital expenditure associated with this project. Capital expenditure for the purposes of dialysis applications is defined under [WAC 246-310-800\(3\)](#). If you have other line items not listed below, include the definition of the line item. Include all assumptions used to create the capital expenditure estimate.**

6. Identify the entity responsible for the estimated capital costs identified above. If more than one entity is responsible, provide breakdown of percentages and amounts for all.

The applicant is the sole entity responsible for the capital costs identified above.

7. Provide a non-binding contractor’s estimate for the construction costs for the project.

A non-binding contractor estimate for the construction costs is included in Exhibit 11.

8. Provide a detailed narrative regarding how the project would or would not impact costs and charges for services. [WAC 246-310-220](#).

This project has no impact on either charges or payment, as reimbursement for kidney dialysis services is based on a prospective composite per diem rate. In the case of government payers, reimbursement is based on CMS (Center for Medicaid and Medicare) fee schedules which have nothing to do with capital expenditures by providers such as FMCNA. In the case of private sector payers, FMCNA negotiates national, state, and regional contracts with payers. These negotiated agreements include consideration/negotiation over a number of variables, including number of covered lives being negotiated; the provider’s accessibility, including hours of operation; quality of care; the provider’s patient education and outreach; its performance measures such as morbidity and/or mortality rates; and increasingly, consideration of more broad performance/quality measures, such as the CMS Quality Incentive Program (“QIP”) Total Performance Score (“TPS”).⁵

FMCNA does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Cascade Peak project would have no impact on payer negotiations or levels of reimbursement. In this regard, facility-level activities, such as number of FTEs, operating expenses or capital expenditures have no effect on negotiated rates, since such negotiations do not consider facility-level operations. As such, the proposed FKC Cascade Peak project will have no effect on rates FMCNA would receive in the King 9 Dialysis Planning Area.

9. Provide documentation that the costs of the project, including any construction costs, will not result in an unreasonable impact on the costs and charges for healthservices in the planning area. [WAC 246-310-220](#).

See our response above for an explanation of the basis for FMCNA reimbursement. As described above, FMCNA does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Cascade Peak project will have no impact on payer negotiations or levels of reimbursement.

As a follow-up to this question regarding impacts on costs, charges and reimbursement, and what elements make up reimbursement, which is what the question focuses on, it should be noted that CMS has implemented QIP with the express purpose of linking payment for care directly to providers' performance on quality of care measures.⁶ Over time, all payers will adapt some or all of these same standards, and will increasingly tie reimbursement to TPS measures.

10. Provide the historical and projected payer mix by revenue and by patients using the example table below. If “other” is a category, define what is included in “other.”

Table 10. FKC Cascade Peak Dialysis Center, Payer Mix, by Revenue and by Patient

Payor Class	Mix Based on Treatments	Mix based on Revenue
Medicare	52.8%	35.4%
Commercial	11.9%	35.0%
Medicaid	5.6%	2.8%
Medicare Adv	21.3%	18.7%
Medicaid Risk	5.1%	3.4%
Misc. Ins	2.7%	2.4%
Self Pay	0.5%	2.3%
TOTAL	100%	100%

*Based on the three closest clinics' CY2021 actuals.

**Projected is assumed to be based on historical.

11. If this project anticipates changes in payer mix percentages from historical to project, provide a brief explanation of why the changes are anticipated and any underlying assumptions.

The project's projected payer mix is based on the three closest clinics' CY2021 actuals.

12. Provide a listing of all new equipment proposed for this project. The list should include estimated costs for the equipment. If no new equipment is required, explain.

Please see Exhibit 12 for a list of new equipment.

⁶ As stated on the CMS website, referenced above, the ESRD QIP will reduce payments to ESRD facilities that do not meet or exceed certain performance standards. The maximum payment reduction CMS can apply to any facility is two percent. This reduction will apply to all payments for services performed by the facility receiving the reduction during the applicable payment year (PY). Payment reductions result when a facility's overall score on applicable measures does not meet established standards. CMS publicly reports facility ESRD QIP scores; these scores are available online on [Dialysis Facility Compare](#).

13. Identify the source(s) of financing (loan, grant, gifts, etc.) and provide supporting documentation from the source. Examples of supporting documentation include: a letter from the applicant's CFO committing to pay for the project or draft terms from a financial institution.

RCG will use existing reserves from its parent company, FMCNA, to fund this project. Exhibit 13 includes a letter from Mr. Mark Fawcett, Senior Vice President and Treasurer, attesting to the availability of funds and a commitment to this project

14. If this project will be debt financed through a financial institution, provide a repayment schedule showing interest and principal amount for each year over which the debt will be amortized. [WAC 246-310-220](#)

This is not applicable to the proposed project.

15. Provide the applicant's audited financial statements covering at least the most recent three years. [WAC 246-310-220](#)

Audited financial statements are included in Exhibit 14.

C. Structure and Process (Quality) of Care ([WAC 246-310-230](#))

- 1. Provide a table that shows FTEs [full time equivalents] by category for the proposed facility. If the facility is currently in operation, include at least the last three full years of operation, the current year, and the first three full years of operation following project completion. There should be no gaps in years. All staff categories should be defined.**

Projected FTE staffing, by position and clinical setting, is provided below in Table 11. FKC Cascade Peak is not an existing facility. Consequently, it does not have historical staffing.

Table 11. FKC Cascade Peak, Historical and Proposed Staffing, by FTE and Position

- 2. Provide the assumptions used to project the number and types of FTEs identified for this project.**

Information and assumptions used to prepare Table 11 include:

- The wage and salary figures are based on the three closest clinics' 2021 actuals. They are held constant over the forecast period.
- It is assumed a FTE ("full time equivalent") employee works 2,080 hours per year.
- Non-productive hours are estimated at 10% of productive hours, based on FMCNA experience.
- Benefits are calculated at 31.0% of wages and salaries based on the three closest clinics' 2021 actuals.
- The staff to patient ratio matrix below was used to construct minimum FTE counts for the projection years based on future patient counts presented in Table 7.⁷

	Staff to Patient Ratios (FTE Staff)
PCT (1)	1:8
RN (2)	1:20

⁷ For a new clinic, it has been assumed that there is a 1 FTE minimum for management / administration, outpatient RN, and PCTs; and 0.2 FTE minimum for equipment technician, social worker, dietitian, secretary, and home RN.

Equipment Technician (3)	1:125
Social Worker (3)	1:125
Dietician (3)	1:125
Secretary (3)	1:125
Nurse Manager (4)	1

- (1) A PCT works two shifts of patients each day, with 4 patients per shift.
- (2) A RN works two shifts of patients per day, with 10 patients per shift.
- (3) These FTEs are staffed based on staff-to-patient ratios identified in the table.
- (4) The Center for Medicare and Medicaid (“CMS”) requires that a dialysis facility be staffed with one FTE manager, irrespective of size of the facility or number of patients.

3. Identify the salaries, wages, and employee benefits for each FTE category.

Salary and benefit information, by FTE category and clinical setting, is contained in the pro forma financials (Exhibit 8).

4. Provide the name and professional license number of the current or proposed medical director. If not already disclosed under 210(1) identify if the medical director is an employee or under contract.

FKC Cascade Peak will contract with Dr. Seth Thaler for medical director services. Dr. Thaler’s professional license number is MD00036388. A copy of the Medical Director agreement is included in Exhibit 9.

5. Identify key staff, if known. (nurse manager, clinical director, etc.)

FKC Cascade Peak is not an existing facility. Therefore, its key staff are not yet known.

6. For existing facilities, provide names and professional license numbers for current credentialed staff.

Please see Table 12 below.

Table 12. Names and License Numbers of Current Staff at FKC Cascade Peak

This table is not applicable, as FKC Cascade Peak is not an existing facility.
--

7. Describe your methods for staff recruitment and retention. If any barriers to staff recruitment exist in the planning area, provide a detailed description of your plan to staff this project.

By virtue of our geographic location, any additional staff would be expected to principally come from King County as well as from neighboring counties in the region. To be effective in staff

recruitment and retention, RCG offers competitive wage and benefit packages. Further, to ensure that we have adequate staff across all our facilities in Washington, we have built a local float pool of WA Licensed Patient Care Techs and RN's to ensure we have coverage for patient care. FMCNA also has an internal staffing agency, Fresenius Travel, in which we can request assistance. We also have the capability of using outside staffing agencies to fill critical needs.

8. Provide a listing of proposed ancillary and support agreements for the facility. For existing facilities, provide a listing of the vendors.

Please see Table 13 below for a list of anticipated vendors (based on FKC Mt. Rainier).

Table 13. List of ancillary and support agreements for FKC Cascade Peak

Staples	Coffee / Keurig
Fed Ex	Spectra Labs
Staples	Linen, Gowns Etc.
Sedgwick Claims	Benefits Services
Staples	Office Supplies
UPS	Carrier Service

9. For existing facilities, provide a listing of ancillary and support service vendors already in place.

FKC Cascade Peak is not an existing facility. Therefore, this question is not applicable.

10. For new facilities, provide a listing of ancillary and support services that will be established.

Please see our response above for a list of anticipated ancillary and support services.

11. Provide a listing of ancillary and support services that would be provided on site and those provided through a parent corporation off site.

All patient care and support services except senior management, financial, legal, planning, marketing, architectural/construction and research and development are provided on-site at each clinic.

12. Identify whether any of the existing ancillary or support agreements are expected to change as a result of this project.

FKC Cascade Peak is not an existing facility. Therefore, this question is not applicable.

13. If the dialysis center is currently operating, provide a listing of healthcare facilities with which the dialysis center has working relationships.

FKC Cascade Peak is not an existing facility. Therefore, this question is not applicable.

14. For new a new facility, provide a listing of healthcare facilities that the dialysis center would establish working relationships.

FKC Cascade Peak will establish a working relationship with a local hospital (e.g. Valley Medical Center) and other local facilities such as skilled nursing facilities (e.g. Arcadia Healthcare - Talbot, Arcadia Healthcare - Renton, Mission Healthcare at Renton) and assisted living facilities (e.g. Brookdale Renton, The Cottages of Renton, The Lodge at Eagle Ridge) .

15. Provide a copy of the existing or proposed transfer agreement with a local hospital.

See Exhibit 15 for a draft transfer agreement with Valley Medical Center. FMCNA will accept a condition requiring that it provide a copy of the executed agreement with a local hospital prior to operation if this project was approved.

16. Clarify whether any of the existing working relationships would change as a result of this project.

FKC Cascade Peak is not an existing facility. Therefore, this question is not applicable.

17. Fully describe any history in the last three calendar years of the applicant concerning the actions noted in Certificate of Need rules and regulations [WAC246-310-230\(5\)\(a\)](#). If there is such history, provide documentation that the proposed project will be operated in a manner that ensures safe and adequate care to the public to be served and in conformance with applicable federal and state requirements. This could include a corporate integrity agreement or plan of correction.

FMCNA is committed to conducting its business activities in compliance with applicable law. The company has long maintained a corporate compliance program which includes a Code of Ethics and Business Conduct, ongoing compliance related education and training for employees, a Compliance Department to support the company and its employees with compliance concerns, including a compliance line for anonymous reporting, and monitoring and auditing of business activities.

FMCNA, as one of the largest dialysis providers in the country, is routinely involved in claims,

lawsuits, regulatory matters and investigations in the ordinary course of business. As for matters responsive to the application questions, FMCNA has no history of criminal convictions relating to the ownership or operation of a health care facility within the United States within the last three (3) calendar years.⁸ FMCNA also has no history of license revocations or decertifications for facilities in Washington State. In the past three (3) years, a dialysis facility located in Coeur D Alene, Idaho (Fresenius Kidney Care North Idaho) was decertified on November 22, 2019, and a dialysis facility in San Francisco did not receive a license on October 21, 2021 as part of an initial survey (Fresenius Kidney Care South San Francisco) but that license was ultimately granted after additional consultation and review.

18. Identify whether any facility or practitioner associated with this application has a history of the actions listed below. If so, provide evidence that the proposed or existing facility can and will be operated in a manner that ensures safe and adequate care to the public and conforms to applicable federal and state requirements. WAC 246-310-230(3) and (5).

- **A criminal conviction which is reasonably related to the applicant's competency to exercise responsibility for the ownership or operation of a healthcare facility; or**
- **A revocation of a license to operate a healthcare facility; or**
- **A revocation of a license to practice as a health professional; or**
- **Decertification as a provider of services in the Medicare or Medicaid program because of a failure to comply with applicable federal conditions of participation.**

Please see response to question 17. Additionally, FMCNA performs background checks on all newly hired employees. FMCNA validates the professional licenses and/or certifications of certain employee categories as required by federal, state or local laws and regulations. FMCNA screens current and new employees, potential new employees, Medical Directors, attending physicians, physician extenders (e.g., NP's, PA's), independent contractors, and vendors against the Office of Inspector General's List of Excluded Individuals/Entities and the General Services Administration's List of Parties Excluded from Federal Programs, as well as state specific exclusion lists, OFAC, etc. FMCNA will not engage a person or company that is excluded from participating in federally funded health care programs such as Medicare.

Individuals or entities may be excluded for committing healthcare fraud or committing other crimes with impact on the federal government. Individuals may also be excluded for things like defaulting on federal school loans. In some situations, an individual may be reinstated from their exclusion. However, while the individual or entity is on the exclusion list, FMCNA will not hire or allow them to perform work for the company.

⁸ Fresenius Medical Care Holdings, Inc. d/b/a Fresenius Medical Care North America, the parent company of the applicant, is also the parent company to numerous other subsidiary companies which offer a range of health care services and products in North America. For the purpose of responding to questions 18 and 19, the applicant is responding to such questions with respect to dialysis clinics owned, operated or managed by Fresenius Medical Care Holdings, Inc. and its subsidiaries.

As of the date of this application, to the best of the applicant's knowledge, no practitioner associated with this application has a history of the actions listed above.

19. Provide documentation that the proposed project will promote continuity in the provision of health care services in the planning area, and not result in an unwarranted fragmentation of services. [WAC 246-310-230](#)

The establishment of a new facility in the King 9 Dialysis Planning Area, owned and operated by RCG, will not only ensure timely access to dialysis services, but it will also realize efficiency, coordination and continuity of care through shared System-level staff, administration and other functions.

Further, there is net need in the planning area that requires an increase in capacity to be able to accommodate planning area demand and prevent unnecessary and burdensome out-migration. Therefore, the development of the FKC Cascade Peak will not lead to fragmentation of care, but rather prevent it by reducing out-migration and ensure care is accessible in the community.

20. Provide documentation that the proposed project will have an appropriate relationship to the service area's existing health care system as required in [WAC 246-310-230](#).

FMCNA has been a dialysis provider in Washington for several years and has a history of establishing relationships within the region. FKC Cascade Peak will establish relationships with area transit providers, nursing homes, and local hospitals.

D. Cost Containment ([WAC 246-310-240](#))

1. Identify all alternatives considered prior to submitting this project.

The following options evaluated in the alternatives analysis for the current nonspecial cycle include:

- Option One: Establish new 6-station and one-isolation facility—The Project
- Option Two: Postponing the request—Do Nothing

2. Provide a comparison of the project with alternatives rejected by the applicant. Include the rationale for considering this project to be superior to the rejected alternatives. Factors to consider can include, but are not limited to: patient access to healthcare services, capital cost, legal restrictions, staffing impacts, quality of care, and cost or operation efficiency.

Please see Tables 14-17, respectively. They provide a summary of advantages and disadvantages of each of the options based on the following evaluative criteria: Promoting availability, or access to healthcare services; Promoting Quality of Care; Promoting Cost and Operating Efficiency; and Legal Restrictions.

Table 14. Alternatives Analysis: Promoting Access to Healthcare Services.

Option:	Advantages/Disadvantages:
Option One Establish new 6-station and one-isolation facility— The Project	<ul style="list-style-type: none">• Adds additional dialysis stations to the Planning Area, as warranted by WAC 246-310-812. (Advantage (“A”))• Residents of the Planning Area will be better able to access needed facility dialysis services--improves access. (A)
Option Two Do nothing	<ul style="list-style-type: none">• Would do nothing to improve access (Disadvantage (“D”)).

Table 15. Alternatives Analysis: Promoting Quality of Care.

Option:	Advantages/Disadvantages:
Option One Establish new 6-station and one-isolation facility— The Project	<ul style="list-style-type: none"> • Adds additional dialysis station capacity. This promotes access, reduces fragmentation, thus, promotes quality (A). • Residents of the Planning Area would have increased dialysis station capacity--this improves quality of care inasmuch as it improves continuity of care (A).
Option Two Do nothing	<ul style="list-style-type: none"> • Planning Area residents will need to out-migrate to receive care and do so in increasing numbers without added capacity. As such, patient care will be fragmented, which harms access and quality of care (D)

Table 16. Alternatives Analysis: Promoting Cost and Operating Efficiency.

Option:	Advantages/Disadvantages:
Option One Establish new 6-station and one-isolation facility— The Project	<ul style="list-style-type: none"> • By increasing access, preventing out-migration, this option will be efficient and less costly for planning area residents. (A)
Option Two Do nothing	<ul style="list-style-type: none"> • Capital and operating costs would be least under this option, since there would be none (A). • Suffers from significant disadvantages by not promoting access. Forces patients to continue to out-migrate, which is inefficient and costly for planning area residents (D).

Table 17. Alternatives Analysis: Legal Restrictions.

Option:	Advantages/Disadvantages:
Option One Establish new 6-station and one-isolation facility— The Project	<ul style="list-style-type: none"> • This option requires certificate-of-need approval.
Option Two Do nothing	<ul style="list-style-type: none"> • There are no legal implications with this option.

3. For existing facilities, identify your closest two facilities as required in [WAC 246-310-827\(3\)\(a\)](#).

FKC Cascade Peak is not an existing facility. Therefore, this question is not applicable.

4. For new facilities, identify your closest three facilities as required in [WAC 246-310-827\(3\)\(b\)](#).

The closest facilities to FKC Cascade Peak include:

FKC Gig Harbor

4700 Point Fosdick Dr NW, Ste 101
Gig Harbor, WA 98335

FKC Mt. Rainier

1717 S J St
Tacoma, WA 98405

FKC Tacoma East

1415 E 72nd St, Ste E
Tacoma, WA 98404

5. Do any other applications you submitted under this concurrent review cycle rely on the same facilities listed in response to questions 3 or 4? If yes, identify the applications. [WAC 246-310-827\(3\)\(c\)](#). (Note: A maximum of two applications can rely on the same three facilities.)

No, the applicant does not rely on the same three facilities for multiple applications this cycle.

6. Identify whether any aspects of the facility's design could lead to operational efficiency. This could include but is not limited to: LEED building, water filtration, or the methods for construction, etc. [WAC 246-310-240\(2\) and \(3\)](#).

Any proposed changes would meet RCG and FMCNA internal standards which have been engineered and tested to ensure that they support our high quality, efficient and patient-focused standards. Our standards also meet and or exceed all applicable state and local codes, including compliance with the State Energy Code, latest edition.

Charity Care/Indigence Policy

Indigent Waiver Program

Key Points

1. The Indigent Waiver Program assists eligible patients who:
 - Are unable to obtain insurance coverage
 - Lack the financial resources to pay for medical services

Note: FreseniusRx operates a different Indigent Waiver Program for qualified low-income Medicare Part D Extra help patients. *

2. The Indigent Waiver Program applies only to charges the patient is personally liable for.

3. The Indigent Waiver Program is a “last resort” when there are no other payment options for the patient.

4. Patients may qualify for full or partial waivers based on a sliding scale schedule.

5. The Indigent Waiver Program cannot be advertised to patients, prospective patients or referral sources.

6. Indigent waivers are valid for one (1) year from date of approval.

* See the *Financial Assistance Program: Compliance Requirements Policy* for additional information.

facility can safely care for a morbidly obese patient. The Governing Body will make the determination to accept or deny the patient based on special considerations outlined in the policy.

Emergency Admission - Transfer

Patients may need to be transferred emergently in situations related to unplanned emergencies caused by severe weather, fire or other serious facility operating problems such as water treatment failure or other unexpected problems leading to facility closure. An emergency transfer is not expected to extend beyond 30 days and patients are expected to return to their “home” facility to continue their treatments when operations are able to resume. The emergency data entry process may be used for emergency transfers.

Non-emergent situations such as a planned closure or an individual treatment at another facility after a missed a treatment, or unplanned after-hours admissions must be handled according to the current process of admitting a patient.

 - For transient or transfer patients: All patients must have a documented hepatitis B antigen (HBsAg) **or** antibody (HBsAb) result prior to admission to the facility. HBsAg results must have been reported within 30 days of admission. If the patient has hepatitis antibodies (HBsAb), the results must have been reported within the past 12 months. Patient Admission

The decision to admit a patient who has exhibited behavioral issues shall be made by the facility management in collaboration with the patient’s attending physician and the Medical Director.

**Who is
Authorized to
Sign
Admission
Documents?**

Patients must have the mental capacity/competency to consent to treatment and sign admission forms for treatment to be given in the facility, except as described below. The facility staff cannot make determinations regarding mental capacity and competency and must presume competence unless a physician has declared the patient incompetent.

If a patient has been deemed by a physician to lack the mental capacity/competency to consent to treatment, a Legally Authorized Person may consent to the patient’s treatment and may sign the admission forms. In the rare instance that the legally authorized person is unavailable to sign the consent in person, the documents may be mailed, emailed, or faxed to the Legally Authorized Person for signature. The patient cannot be admitted and treated until the clinic receives the signed documents. The original signed documents must be faxed or mailed back to the facility to maintain in the patient’s medical record.

In the unusual instance when in person or fax options cannot be accomplished, the facility should reach out to their Division Legal Counsel or Compliance for additional guidance.

NOTE: State laws vary on who may consent to treatment on the patient’s behalf if the patient lacks capacity or competency to consent. In some states, family members or persons permitted by state law may consent to the patient’s treatment and sign the admission forms even if such persons do not hold a power of attorney for healthcare or healthcare proxy as the Law Department will determine.

Patient Admission

For purposes of this Policy, a ‘Legally Authorized Person’ is as follows:

- a) The patient’s legal guardian or someone who holds a valid power of attorney for healthcare/healthcare proxy or who may sign on behalf of the patient under state law as determined by the Law Department.
- b) A parent or legal guardian if the patient is a minor.

NOTE: If there is any doubt the person is authorized to sign admission forms, contact the Law Department.

**Patient
Appears
Unable to
Consent for
Treatment**

If a patient comes for his or her first treatment and does not appear to have the mental capacity/competency to sign the admitting documents, the nurse:

- must notify the patient’s attending physician of the patient’s perceived incapacity to understand and his/her inability to consent, and
- should seek confirmation whether a medical determination of incompetency or lack of capacity has been made in the medical record consistent with state law.
- If the patient is deemed incompetent by the physician, the staff should attempt to contact any emergency contacts listed on the patient’s admission paperwork in an attempt to find a family member who can
 - Provide proof of guardianship/power of attorney for healthcare or healthcare proxy (which must be provided at the time of admission, prior to treatment being provided), or
 - Assist in providing valid consent to treatment, if permitted under state law, or who can obtain legal authority/guardianship to represent the patient.
- The patient cannot be dialyzed if:
 - The patient has been deemed by a physician to be incompetent or to lack mental capacity consistent with state law, and
 - The patient does not have an appropriate legal guardian or an agent with a valid healthcare power of attorney or healthcare proxy, and

A copy of the “FKC Notice of Privacy Practices (NPP)” must be given to each patient that is receiving direct care from an FKC provider prior to the patient’s first treatment (see Privacy Notice Procedure COR-COMP-PS-0-001-001C1).

Patient Rights and Responsibilities

Policy All patients and/or their representatives will be informed of their rights (including privacy rights) and responsibilities.

Patient rights and the ability to exercise these rights must be protected by the facility.

The FMCNA Patient Rights and Responsibilities brochure explains the rights patients can expect to have while receiving treatment at this facility. The brochure also provides guidance as to certain responsibilities that are expected of the patient.

Each patient will be informed of their rights and given a copy of the FMCNA Patient Rights and Responsibilities within the first six (6) treatments in the facility. More in-depth discussions with patients about their rights and responsibilities are expected. These discussions may occur over a longer period of time.

Facilities should ensure that this information is provided to patients in a manner they can understand. For example, providing the FMCNA Patient Rights and Responsibilities brochure in the patient’s primary language or having it interpreted based on assessment of the patient’s language and reading preferences, or enlisting the aid of communication aids or interpreters for patients who are blind or have low vision, or are deaf or hard of hearing.

Dialysis facilities must prominently display a copy of the patient’s rights in a visible and accessible area in the facility and must include contact information for the State survey agency and ESRD Network.

The FMCNA Patient Rights and Responsibilities brochures are available in English and Spanish. They may be purchased from the FMS Marketing Online Ordering Center. Audio versions in English and Spanish may also be ordered through the FMS Marketing Online Ordering Center.

Patient Rights and Responsibilities

**Policy:
Privacy Rights**

Patients have the right to privately discuss their condition and treatment. There should be ready access to a room in the facility where patient and/or family meetings may be held in private.

Patients have the right to privacy during activities that may require the exposure of private body parts while in the dialysis facility. Privacy screens or curtains may be used to provide privacy. Blankets may also be used as long as staff are able to observe the patient’s vascular access, bloodline connections, and face at all times.

Patients or their representatives must be provided unbiased education about transplantation and all dialysis treatment options regardless of whether these options are available in the current facility.

**Failure to
Protect
Patients’ Rights**

Evidence of failure to treat patients with respect and dignity, provide an opportunity for private communication, or prevent exposure of private body areas resulting in emotional discomfort for the patient, and evidence that cognizant patients/designees are not aware of their options for treatment or available grievance mechanisms could result in the facility receiving a Condition level citation.

- Tell the staff if you don't understand your treatment plan or any instructions.
- Tell the staff if something doesn't feel or look safe, or right.
- Involve your family or significant others in your care, when needed.
- Inform the staff if you have had health problems since your last treatment.
- Actively participate in your plan of care.

- Arrive on time for your treatments or clinic visits.
- Let the staff know as early as possible if you are going to be late or miss a treatment or appointment and reschedule.
- Arrange transportation to and from treatment. Inform staff right away if your transportation needs change.

- Notify the facility if you have a new address or contact information.
- Inform the facility right away if you obtain new insurance coverage or there are any changes in insurance.

FKC Cascade Peak
Pro Forma Assumptions

Patient Volumes

Utilization projections, including the assumptions used to derive the forecasts, are presented in the application text.

It is assumed the number of treatments per patient is 140.5/year for in-center and 173.9/year for home based on the three closest facilities 2021 full year utilization. There is an adjustment in 2024 to reflect only partial year utilization

Revenues

Revenues and payer mix are based on CY2021 data from the three closest facilities ("actuals"). Revenues are calculated by payer and treatment. Bad debt and charity care are subtracted from revenues to yield net revenue figures.

Charity Care

Calculated at 0.88% of revenue based on the experience of Fresenius' facilities in Washington State.

Bad Debt

Calculated on a per treatment basis from actuals.

Expenses

Unless otherwise noted, expenses have been calculated based on CY2021 per treatment actuals from three closest facilities multiplied by projected number of treatments

Personnel expenses are based on identified patient to staff ratios and incorporates a 10% non-productive factor. Wage figures have been compiled from actuals.

(New) Rent Expense: see page 1 of the lease agreement for monthly base rent. Rent commence was on May 2020.

Other Property: other property expenses is based on \$9,004.94 per month operating expense used in lease year 1 and increases proportionate to base rent increases through forecast period.

Other Interest: calculated on a per treatment basis based on actuals. The net interest figure can be positive or negative any given year depending on whether interest revenues or interest expenses are higher. For example, if interest revenue is greater than interest expense, net interest will be expressed as a negative expense. Because WAC 246-310-815(1)(c)(iii) requires other expenses for new facilities to be based on the applicant's three comparable facilities, Fresenius based FKC Cascade Peak's net interest on the average net interest per treatment value of its three closest facilities. This average interest per treatment figure happened to be a negative expense in 2021 based on actual data from the three comparable facilities. Therefore, FKC Cascade Peak's "other expense" related to net interest is also expected to be negative expense because it is using the negative interest expense actual multiplied by FKC Cascade Peak's treatment projections.

Project-related Depreciation is straight-line; assumes 15 years on leaseholds and 10 years on equipment.

Physician Compensation: commencement is anticipated to be at 1st patient treated (Nov 2024), consistent with MDA Section 3.01.1. Annual compensation initially is \$50,000 (Section 3.01.1).

Exhibit 9.
Medical Director Agreement

Medical Director Agreement

RVS, PLLC

This Medical Director Agreement (“**Agreement**”) dated as of the last date of signature by a party hereto (“**Effective Date**”), is between Renal Care Group Northwest, Inc., a Delaware corporation (“**Company**”), RVS, PLLC, a resident of or business entity organized in Washington (“**Consultant**”), and for the limited purposes stated herein, Member Physicians who become parties hereto from time to time. This Agreement memorializes the terms on which Consultant has agreed to provide Medical Director Services to certain Dialysis Operations of Company.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be bound hereby, the parties hereto agree as follows:

Capitalized terms used herein and not otherwise defined shall have the meanings set forth on **Exhibit A**.

1. ENGAGEMENT. Company hereby engages Consultant to provide Medical Director Services to the Dialysis Operations, and Consultant agrees to provide such Medical Director Services on the terms and conditions set forth herein.

2. TERM. The term of this Agreement shall begin on the Effective Date, and shall continue for five (5) years from the Commencement Date unless sooner terminated as provided herein.

3. COMPENSATION.

3.1 Fee. During the term of, and subject to, this Agreement and commencing as of the date on which the first patient of the Dialysis Operations is treated or trained, whichever occurs first (the “**Commencement Date**”), Company shall pay Consultant based on the rates (“**Fee**”) as set forth below. Any rates described as an annual rate shall be prorated for partial years and shall be payable in equal monthly installments. All Fees shall be payable in arrears on or before the last day of each month.

3.2 Adjustments.

3.2.1 Upon any Partial Termination, the Fee shall be reduced by the Fee amount specifically allocated to the Dialysis Operation to which the Partial Termination applies, or if no such specific allocation is provided herein, by an amount that reflects the reduction in workload of Consultant due to the Partial Termination as agreed by the parties. Upon any Temporary Suspension, the Fee may be reduced as agreed by the parties to reflect the reduction in workload and subject to a maximum reduction equal to the Fee amount specifically allocated to the Dialysis Operation to which the Temporary Suspension applies. If, as of the first Fee payment due date after a Partial Termination or Temporary Suspension, the parties are required hereunder to reach agreement on the Fee reduction but have not agreed, Company may reduce the Fee by an amount determined by it and such amount shall be held as cash reserves until such time as the parties agree. Company may make adjustments to the payments due to Consultant hereunder at any time to true up any adjustments in the Fee permitted hereunder.

3.2.2 In addition, the obligation to pay the Fee or a portion thereof related to the applicable Dialysis Operation may be temporarily suspended and not paid or accrued for any period of time during which a substitute Medical Director is required to be designated and approved hereunder but is not actually designated or approved and providing services.

3.3 General. The parties agree that the Fee payable hereunder shall be in consideration for all services to be provided hereunder and all covenants herein including, but not limited to, the restrictive covenants set forth in **Section 6**. The parties represent that, as of the date this Agreement is signed, the Fee is fair market value for services rendered based upon arm's length bargaining and is consistent with the value of similar services. Furthermore, the parties represent that the Fee is not and has not been determined in a manner that takes into account the volume or value of any referrals or business otherwise generated between the parties for which payment may be made in whole or in part under any other public healthcare program. Upon receipt by Company from Consultant of W-9 (available at www.irs.gov) and wire transfer instructions (form available in Medical Director Handbook), Company shall pay the Fee by wire transfer pursuant to such instructions. To the extent otherwise unpaid and overdue, Company may deduct from the Fee the fair market value of Company space, facilities, supplies, equipment, staff time or any other item or service actually utilized by Consultant or any of its affiliated physicians for any purpose not reasonably related to the performance of Medical Director Services hereunder. Consultant represents and warrants to Company that its affiliated physicians, if any, are not compensated by Consultant based on the volume or value of their referrals to any Dialysis Operation. Consultant also represents and warrants to Company that Consultant has not been formed for the sole purpose of entering into this Agreement.

4. OBLIGATIONS OF CONSULTANT.

4.1 Initial Designation and Qualifications of Medical Directors

4.1.1 *Designation.* Consultant shall designate a physician at each Dialysis Operation who shall perform the Medical Director Services on behalf of Consultant at such Dialysis Operation and who shall be deemed the Medical Director for such Dialysis Operation; provided, however if Consultant party to this Agreement is an individual, such individual shall be the Medical Director. Consultant acknowledges and agrees that if a Facility has different designated Medical Directors for the in-center and home dialysis programs operated at or administered by same Facility, the Medical Director of the home dialysis program shall report to the Medical Director of the in-center dialysis program from which the home dialysis program is administered and that the Medical Director of the in-center program shall be accountable for all Medical Director Services rendered for such Facility and shall be deemed the Medical Director of such Facility for regulatory purposes. At all times, each physician designated as a Medical Director, and each physician providing coverage for a Medical Director in accordance herewith, (a) shall at all times meet the requirements of this **Section 4** when providing services hereunder, (b) shall be designated in writing in advance and (c) shall be subject to Company's prior written approval. Company hereby approves the initial Medical Director designations set forth on **Exhibit B**. i. Be a party to this Agreement as a Member Physician pursuant to a written instrument substantially in the form attached hereto as (the “**Joinder Requirement**”).

j. Comply with the Company’s medical director training requirements and any additional requirements applicable to physicians as may be required for the Dialysis Operation to maintain required state licensure, certification or its equivalent.

k. Maintain any additional requirements as a physician as may be required for any Inpatient Services Programs so that the program operates consistently with the accreditation and other standards of The Joint Commission or other accrediting body.

4.2 Substitute Medical Director.

4.2.1 If a Medical Director (a) is indicted for any felony or any violation of a federal or state health care law; (b) fails to meet any of the requirements set forth in this **Section 4**; or (c) ceases to have Member Physician status, Consultant shall immediately notify Company and, whether or not such notice is provided, Company may immediately terminate such physician’s designation as Medical Director by written notice. Consultant shall, as of the date of such termination, designate a new Medical Director who meets the requirements set forth in this Agreement.

4.2.2 If a Medical Director is unavailable to serve as Medical Director for a period greater than one (1) month, or such shorter time as Company in its reasonable discretion determines may affect the quality of care provided at a Dialysis Operation, then Company may terminate such physician’s designation as Medical Director upon five (5) business days’ prior notice to Consultant, and Consultant, within that same five (5) business day period, shall designate a new Medical Director who meets the requirements set forth in this Agreement. The provisions of this paragraph do not modify or relieve Medical Director of obligations under Section 4.3.2, and Medical Director is obligated to provide coverage in accordance with this Agreement during periods of absence.

4.2.3 With Company’s prior written approval, Consultant may designate a temporary Medical Director (“**Temporary Medical Director**”) for a Dialysis Operation to serve in the role on such terms as agreed by Company. A Temporary Medical Director shall be considered a Medical Director and a Member Physician for all purposes under this Agreement,

except as otherwise expressly set forth herein. Each Temporary Medical Director shall at all times meet the requirements set forth in this **Section 4** when providing Medical Director Services and all services provided by a Temporary Medical Director shall be in accordance with this Agreement.

4.3 Medical Director Services.

Medical Director shall provide the Medical Director Services for the Dialysis Operations for which he or she is appointed Medical Director in accordance with this Agreement. Consultant and Medical Directors shall devote best efforts, skill and sufficient time to carry out the requirements of this Agreement and to promote continuous improvement and high quality professional care within the Dialysis Operations. Medical Director Services include those duties and responsibilities set forth in and in conformity with the provisions of (a) this Agreement, (b) Legal Requirements, (c) Policies and (d) Governing Body resolutions. In addition, a Medical Director shall:

4.3.2 Be available during all hours of operation of the Dialysis Operations for visits to and consultation regarding the Dialysis Operations and be on-call and working such additional time at or away from the Dialysis Operations as necessary to fulfill Medical Director's responsibilities under this Agreement, it being understood that a Medical Director needs to be available by phone and in person, as needed, at all times. Consultant shall provide to Company an updated e-mail address, mobile phone number and other relevant information so that, at all times, Company has accurate contact information for each Medical Director. Consultant shall ensure that each Medical Director checks e-mail regularly.

4.3.3 Complete initial compliance and privacy training (if not already completed prior to the execution of this Agreement), within the timeframe established in the Company's compliance program and complete supplemental compliance training during each subsequent year of the term of this Agreement. If any Medical Director fails to complete the compliance training, Company may retain the Fee until such time as every Medical Director providing services hereunder completes the required training. Once every Medical Director has completed the required training, Company shall pay Consultant the retained Fee with the next payment of Consultant's regular installment of the Fee.

4.3.4 Cooperate and, in a timely manner, provide information regarding Dialysis Operations and the Medical Director Services as Company may request: (a) in connection with administration of the Dialysis Operations, (b) in connection with implementation of this Agreement and confirmation of the compliance by Consultant and Member Physicians with their obligations hereunder, and/or (c) for Company's use in submissions to Authorities, including without limitation cost reports to CMS. Consultant and Medical Directors represent and warrant that all such information and/or disclosures shall be truthful and accurate to the best of their knowledge. If Consultant or any Medical Director fails to provide in a timely manner all

information required under this paragraph, Company may retain the Fee due Consultant hereunder until such time as the information is provided. Once the information is provided, Company shall pay Consultant the retained portion of the Fee with the next payment of Consultant's regular installment of the Fee.

4.3.5 Neither Consultant nor any Medical Director nor any Member Physician shall participate in, directly or indirectly, or permit others to conduct, any clinical research study ("Study") at a Dialysis Operation without first obtaining the prior express written approval of Company. Any Study conducted with respect to any Inpatient Services Program must also be approved by the applicable hospital and conducted consistent with such hospital's policies. If Company approves such Study, which approval shall be at Company's sole and absolute discretion, Consultant, Medical Directors and/or Member Physicians shall conduct such approved Study in accordance with all Legal Requirements, Policies, the Study protocol (which shall also be subject to Company's prior review and approval), and Good Clinical Practice (in accordance with the Guidance for Industry E6 Good Clinical Practice: Consolidated Guidance by the U.S. Department of Health and Human Services, Food and Drug Administration, April 1996 (ICH).

4.3.6 If an Authority finds deficiencies at a Dialysis Operation caused by a Medical Director's failure to satisfy the requirements of a Medical Director pursuant to any Legal Requirement, and such Authority requires the appointment of a physician monitor to assist the Dialysis Operation in achieving compliance with applicable law, Consultant shall pay for the cost of such monitor until the Authority has determined that all such deficiencies are cured.

4.3.7 Consultant hereby represents and warrants to Company that **Exhibit C** hereto sets forth a complete and accurate list of the full names and, as applicable, the National Provider Identifiers ("NPI"), of all of (i) Consultant's and any affiliated medical practice's physician owners, and the immediate family members thereof (i.e., husband or wife; birth or adoptive parent, child, or sibling; stepparent, stepchild, stepbrother, or stepsister; father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law; grandparent or grandchild; and spouse of a grandparent or grandchild) who are a source of patient referrals to Company or FMCNA, a purchaser of items or services from FMCNA that are reimbursable by a federal or state healthcare program, or a seller or lessor to Company or FMCNA of items, including real property, or services for which Company or FMCNA makes claims for reimbursement under any federal or state healthcare program; and (ii) physicians assigned by Consultant to provide Medical Director Services pursuant to this Agreement, and the immediate family members thereof who are a source of patient referrals to Company or FMCNA, a purchaser of items or services from FMCNA that are reimbursable by a federal or state healthcare program, or a seller or lessor to Company or FMCNA of items, including real property, or services for which Company or FMCNA makes claims for reimbursement under any federal or state healthcare program. Consultant agrees to notify Company, in writing, of additions or deletions to **Exhibit C** within thirty (30) days of such change.

5. OBLIGATIONS OF COMPANY. Except as specifically delegated by this Agreement to Consultant, Company shall retain all management prerogatives and responsibilities as owner of the Dialysis Operations. Without limiting the foregoing, Company agrees (a) to operate the Dialysis Operations in compliance with Legal Requirements, (b) to provide all necessary equipment, personnel, supplies and services (other than medical services) required for the

operation of the Dialysis Operations, (c) with Medical Director's assistance as required hereunder, to establish, and implement Policies concerning the administration of the Dialysis Operations, and (d) to provide Consultant with the use of one office at each Facility for the sole purpose of providing Medical Director Services.

6. COVENANTS PROTECTING BUSINESS INTERESTS OF COMPANY.

6.1 Covenant Not to Compete. In consideration of the compensation payable hereunder and in recognition of Company's proprietary interest in its Business, Consultant, Medical Directors and Member Physicians covenant and agree that they shall not, during the Restricted Period, directly or indirectly through Affiliates or otherwise, alone or in association with any person or entity:

a. engage, directly or indirectly, as a principal, owner, co-owner, agent, independent contractor, consultant, advisor, manager, medical manager, landlord, director, officer or employee of or participate in the Control of or otherwise assist or obtain any Financial Benefit from; or

b. take any action in preparation or anticipation of doing any of the foregoing with regard to, any operation, person or entity (other than with Company or any of its Affiliates) that engages or proposes to engage, in the Business in the Restricted Territory. Notwithstanding the foregoing, this **Section 6.1** (i) shall not limit Consultant, Medical Directors or Member Physicians from engaging in the practice of medicine and charging fees for administering such professional medical services to patients, (ii) shall not require Consultant, Medical Directors or Member Physicians to admit individuals to, or refer any other business to, any Dialysis Operation, Company or its Affiliates, (iii) shall not require Consultant, Medical Directors or Member Physicians to prescribe, utilize or purchase any items or services from any Dialysis Operation or Company or its Affiliates, and (iv) shall not restrict Consultant, Medical Directors or Member Physicians from admitting individuals to any other facility, program, or entity.

Consultant, Medical Directors and Member Physicians hereby represent, covenant and agree that they do not, and following the Commencement Date of this Agreement shall not, employ, contract, retain, engage, partner or joint venture with any person or entity that receives a Financial Benefit from any person or entity (other than Company and its Affiliates) which engages in the Business anywhere in the Restricted Territory, and that no such person or entity holds, or during the Restricted Period shall hold, a direct or indirect ownership interest in Consultant.

6.2 Covenant Regarding Confidential Information. Consultant and each Member Physician acknowledge that in the course of performing the duties contemplated by this Agreement, Consultant and each Member Physician will become privy to and/or have access to Confidential Information. Throughout the term of this Agreement and at any time thereafter, Consultant and each Member Physician shall not, and their employees and agents shall not, (a) disclose to any person, firm, corporation or entity any Confidential Information of Company or its Affiliates without the prior written consent of Company, except as may be required by law or legal process or (b) use any Confidential Information except in furtherance of the performance of their obligations owed to Company hereunder. If Consultant or any Member Physician is required by law to disclose any Confidential Information such person shall provide sufficient notice to

Company to enable Company to seek a protective order or other appropriate legal or equitable remedy to prevent such disclosure. The provisions of this paragraph shall not prohibit any disclosure of information to the extent (i) such information is or becomes publicly available or obtainable from independent, nonconfidential sources and not in breach of any party's obligations hereunder or any third person's obligations owed to Company or its Affiliate, (ii) such information is required to be disclosed by law or by Authorities having jurisdiction over the disclosing party, (iii) such information was known by a disclosing party prior to any disclosure by Company hereunder and without any breach of an obligation owed to any person, or (iv) disclosure is necessary for a disclosing party to enforce any or all of its rights under this Agreement.

6.3 Improvements to Company's Services and Products. Consultant and each Medical Director and Member Physician hereby assign to Company or its designated Affiliate all rights, title and interest to any improvements or inventions related to Company's procedures, documents, products or services that it/he/she authors, discovers, designs, or perfects in the course of their work under this Agreement and hereby agree to execute such other documentation as Company or its designated Affiliate may reasonably require to confirm such assignment.

6.4 Nonsolicitation Covenant. During the Restricted Period, Consultant and each Medical Director and Member Physician agree not to, directly or indirectly, by or for themselves, as agent of another, or through others as their agent, (a) interfere with Company's relationship with any patient, employee, independent contractor, referral or reimbursement source, supplier, insurer or other payor (a "Constituent"), (b) induce any Constituent to terminate, reduce or otherwise modify its relationship with Company or its Affiliates or (c) solicit any Constituent for any such purpose; provided however, to the extent any Member Physician practices medicine, nothing herein shall restrict the clinical medical advice provided by any Member Physician to patients, nothing herein shall restrict any Member Physician from meeting ethical obligations owed to patients with regard to continuation of care, and each Member Physician is expressly permitted to fulfill such ethical obligations. Each Member Physician acknowledges that patients treated by Company are patients of Company and that Company has a legitimate and enforceable interest in retaining the goodwill of its business through the retention of its patients to the extent that their clinical needs can be fully met through Company resources.

6.5 Joinder Requirement for Member Physicians. Consultant shall cause each Member Physician upon the execution of this Agreement or on the date that such physician becomes a Member Physician, whichever is later, to execute this Agreement as a Member Physician or to execute a Joinder Agreement substantially in the form attached hereto as **Exhibit D** (the "**Joinder Requirement**"). Notwithstanding the foregoing restriction, Consultant shall not be precluded from engaging the services of a locum tenens physician or other similar physician on a periodic and infrequent basis so long as such physician does not provide services for or on behalf of Consultant under this Agreement. The parties hereby acknowledge Company does not in any way encourage or support Consultant's placing limitations or restrictions (in employment agreements or otherwise) on providers or entities to whom Consultant's employed or affiliated physicians may refer patients or other business.

6.6 Former Member Physicians. Any Member Physician who ceases to be a Member Physician during the Restricted Period shall be deemed a "**Former Member Physician.**" Each Member Physician agrees that, if he or she becomes a Former Member Physician, the provisions

of **Section 6** shall still apply to such physician as if he or she were still a Member Physician. Notwithstanding the foregoing, the parties agree that, if a Member Physician becomes a Former Member Physician, then so long as no more than one Member Physician has become a Former Member Physician within the previous year, **Sections 6.1** and **6.4** of the Agreement shall only apply to such physician until the earlier of (a) expiration of the Restricted Period under the Agreement, or (b) two (2) years after the date on which such physician becomes a Former Member Physician. Company and each Member Physician agree that if such physician violates the covenants contained in this **Section 6** while he or she is a Former Member Physician, the Restricted Period applicable to the Former Member Physician shall be extended automatically for an additional period equal to the period from the date on which such violation commenced (x) until the date on which the Former Member Physician ceases such violation, or (y) through and including the date of the final determination of a court that Former Member Physician did violate such restrictions. Such extension of the term of the Restricted Period shall be in addition to, and not in lieu of, any other remedies available to Company.

6.7 Notice Obligations. If, during the term of this Agreement, Consultant (which term for purposes of this **Section 6.7** includes Consultant's Affiliated Medical Practice if Consultant has an Affiliated Medical Practice) or any of its owners desires to (a) effect a Change of Control or (b) be a participating provider or otherwise contract as a clinical provider to provide physician services within or to a Provider Network that services a patient population that is likely to include patients within the Restricted Territory, Consultant shall give Company written notice prior to engaging in any third party negotiations regarding such arrangement.

6.8 Nondisparagement. During the Restricted Period, Consultant and each Member Physician agree to take no action which is intended, or would reasonably be expected, to harm Company or its Affiliates or their reputations or which would reasonably be expected to lead to unwanted or unfavorable publicity to Company or its Affiliates; provided, however, that nothing herein shall restrict any communications between physicians and their patients regarding their clinical care.

6.9 Remedies; Survival. Consultant and each Member Physician have carefully considered the nature and extent of the restrictive covenants as described in this **Section 6** (collectively, "**Restrictive Covenants**"). Consultant and each Member Physician hereby acknowledge and agree that the Restrictive Covenants (a) are reasonable with respect to time, scope and territory, (b) are reasonable and necessary for the protection of the legitimate business interests of Company and its Affiliates and (c) are designed to eliminate competition which otherwise would be unfair to Company and its Affiliates, (d) will not prevent Consultant or each Member Physician from practicing medicine or nephrology in the community where they currently practice, (e) do not confer a benefit upon Company and its Affiliates disproportionate to the detriment to Consultant or Member Physician and (f) are not designed or intended in any manner to influence or impact the referral of healthcare business to Company or its Affiliates. Consultant and each Member Physician acknowledge and agree that (x) irreparable injury will result to Company and its Affiliates if Consultant or Member Physician breaches any of the terms of the Restrictive Covenants, and (y) upon any actual or threatened breach of any Restrictive Covenant, Company and its Affiliates will have no adequate remedy at law and they shall be entitled to injunctive and other equitable relief, without bond and without the necessity of showing actual

monetary damages, including without limitation, immediate temporary injunctive relief. Nothing contained herein shall be construed as prohibiting Company and its Affiliates from pursuing other remedies available to them for such breach or threatened breach, including, but not limited to, the recovery of monetary damages. If a court of competent jurisdiction determines that any portion of the Restrictive Covenants are unreasonable, then restrictions contained in the Restrictive Covenants shall be reduced and any other modifications shall be made by the court to the extent necessary for this **Section 6** to be enforced by the court. The provisions of this **Section 6** shall survive the expiration or termination of this Agreement.

6.10 Code of Conduct. Consultant and each Member Physician acknowledge having received a copy of FMCNA's Code of Conduct and understand that the Code of Conduct as amended is applicable to Consultant, each Member Physician, Medical Directors and the provision of Medical Director Services hereunder. Each Medical Director and each Member Physician shall complete promptly any reasonable certification regarding the Code of Conduct as requested by Company or Company.

6.11 Anti-Corruption Representations. Consultant also represents, warrants, and covenants that in connection with the performance of Consultant's obligations under this Agreement:

a. Consultant has complied with and will comply with all applicable laws and applicable industry codes of practice, including, but not limited to, all applicable laws related to anti-corruption.

b. No payment or gift of money, goods, services, or anything of value has been made, offered or promised or will be made, offered or promised, directly by Consultant or indirectly through any third parties, to any individual for favorable treatment in obtaining, retaining, or directing business for, or to obtain any special concession on behalf of, Consultant or Company or its Affiliate(s) (collectively or individually, depending on the context, "**Fresenius Medical Care**"). This includes, but is not limited to, a prohibition on any facilitation payments to any government official to expedite a routine government action, whereas the term "government official" ("**Government Official**") shall be read broadly and includes not only (i) individuals acting on behalf of governments on a national, regional and local level (such as elected officials, customs officials, tax officials, etc.), but also: (ii) individuals acting on behalf of government-owned or government-controlled enterprises (such as doctors and staff of public hospitals and universities, etc.), and (iii) individuals acting for political parties or as or on behalf of candidates for public office.

c. Neither Consultant nor any person or entity acting on Consultant's behalf has (to the best of Consultant's knowledge after conducting a reasonable inquiry) accepted, received or agreed to accept or receive or will accept, receive or agree to accept or receive, directly or indirectly, any payment or gift of money, goods, services, or anything of value from any individual for favorable treatment in obtaining, retaining, or directing business for, or to obtain any special concession on behalf of, Consultant or Fresenius Medical Care.

d. Consultant represents that Consultant is not and no person acting on Consultant's behalf is a Government Official and agrees that if, at any time during the term of this

Agreement, Consultant or any person acting on Consultant's behalf becomes a Government Official, Consultant: (a) will not use that position to influence the award of business or regulatory approvals or any special concession to or for the benefit of Fresenius Medical Care, (b) will notify Company in writing within three (3) business days, and (c) will recuse him/herself from any government decision relating to Fresenius Medical Care or its operations.

e. Consultant represents that, in connection with any simultaneous engagement on behalf of any third party, Consultant provided any necessary notifications and secured any necessary approvals from such third party regarding the services Consultant will perform for Company, and to the extent available has documented these to Company or otherwise has attached them hereto.

f. Consultant represents that Consultant is not in a position of conflict of interest or incompatibility of his/her engagement (or in a position that could result in a conflict of interest or incompatibility of his/her engagement) with Fresenius Medical Care. Consultant agrees that if, at any time during the term of this Agreement, a conflict of interest or incompatibility presents itself, Consultant will notify Company in writing within three (3) business days and agrees to promptly recuse himself/herself from the situation, so as not to create even the appearance of impropriety.

g. Consultant represents that Consultant undertakes, at all times, to refrain from any action or inaction that may constitute, directly or indirectly, a patient referral or other business opportunity towards Fresenius Medical Care, with the expectation of obtaining anything of value in return.

h. Consultant agrees to abide by and comply with all applicable guidelines (e.g. Fresenius Medical Care's Code of Conduct) as amended from time to time, and all other binding rules or provisions during the term of this Agreement to business ethics and principles, as such have been or will be brought to his knowledge by Company. In particular, Consultant represents that Consultant has received the following internet link to Fresenius Medical Care Business Ethics & Principles for Business Parties ("**Anti-Corruption Principles**") (see <http://www.fmc-ag.com/5292.htm>) and agrees to abide by them. The Anti-Corruption Principles may be amended from time to time, in Fresenius Medical Care's sole discretion, and will be posted to its website.

i. Consultant agrees that if Consultant becomes aware, or has reason to suspect, that any person or entity acting on Consultant and/or Fresenius Medical Care's behalf has directly or indirectly, (a) provided, or offered to provide, anything of value to any individual, or (b) accepted, received or agreed to accept or receive, anything of value from any individual, in the hope or expectation of receiving favorable treatment in obtaining, retaining, or directing business for, or to obtain any special concessions on behalf of Fresenius Medical Care, Consultant will immediately report such knowledge or suspicion to the Fresenius Medical Care Compliance Department.

j. Consultant agrees to cooperate in any compliance investigation or audit that may be conducted by Fresenius Medical Care, its counsel, or its internal or external auditors related to this Agreement. Upon notice of an intended compliance investigation or audit, Consultant will,

in a reasonable time, unless prohibited by law, make available to Fresenius Medical Care or a third party retained by Fresenius Medical Care (i) persons within the control of Consultant who Fresenius Medical Care or the third party wants to interview, and (ii) documents and data relating to the issue(s) under review related to the engagement with Company.

k. As stated in the Fresenius Medical Care Code of Ethics and Business Conduct, Company upholds the values of quality, honesty and integrity, innovation and improvement, respect and dignity, as well as lawful conduct, especially with regard to anti-bribery and anti-corruption. FMCNA upholds these values in its own operations, as well as in its relationships with business partners. Company's continued success and reputation depends on a common commitment to act accordingly. Together with Company, Consultant is committed to uphold these fundamental values by adherence to applicable laws and regulations.

7. EVENTS OF DEFAULT and REMEDIES.

7.1 Consultant Events of Default. Any one or more of the following shall constitute an "Event of Default" by Consultant hereunder:

a. A material breach hereunder by Consultant or any Member Physician which, as to any breach which is capable of cure and which is not specifically described in other paragraphs of this **Section 7.1**, is not cured within thirty (30) days of receipt of notice from Company describing such breach.

b. Indictment of Consultant, any Medical Director or any Member Physician for any felony or any violation of a federal or state health care law.

c. Exclusion or suspension of Consultant, any Medical Director or any Member Physician from participating in any public health care program.

d. A physician ceases to serve as Medical Director for any reason, and Consultant fails within a reasonable time (as determined in Company's sole discretion) to find a physician reasonably satisfactory to Company to serve as the new Medical Director for the relevant Dialysis Operation.

e. Consultant (or its Affiliated Medical Practice, if Consultant is not a medical practice) experiences a Change of Control without the prior written consent of Company, which consent Company may give in its sole discretion.

f. Consultant (or its Affiliated Medical Practice, if Consultant is not a medical practice) experiences a material change in its operations, ownership, physician staffing or organizational structure or fails to plan appropriately for succession planning which change Company determines is reasonably likely to impair Consultant's ability to staff the Medical Director positions appropriately or otherwise perform its obligations hereunder.

g. One or more of the following occurs based, in whole or in part, on the acts or omissions of Consultant hereunder: A Dialysis Operation's performance under quality standards

established by FMCNA, the industry or a payor is so poor that there is a reduction in available reimbursement or the performance outcomes are in the lowest quartile of measurement; or a Dialysis Operation is determined by the Company to pose imminent threat to property, person or the extent of reimbursement for which such Dialysis Operation may be eligible.

h. Consultant fails to remove and replace a Medical Director immediately from providing services hereunder if:

- i. the Medical Director fails to meet the requirements of **Section 4**;
- ii. the Medical Director engages in misconduct of a personal or professional nature which, in Company's reasonable opinion: (a) interferes with the Medical Director's ability to fulfill the obligations hereunder; (b) interferes with the normal conduct of the operations of a Dialysis Operation in accordance with the Policies; or (c) endangers patient care;
- iii. the Medical Director suffers or has a disability that renders the Medical Director, in the reasonable opinion of Company, unable to perform duties satisfactorily as contemplated herein with reasonable accommodation. Consultant shall notify Company at the onset of any such disability of the Medical Director; or

8.2 Compliance. This Agreement shall be construed in a manner consistent with any and all applicable federal and state laws, including, without limitation, Medicare, Medicaid, the Health Insurance Portability and Accountability Act of 1996 and other federal and state statutes and regulations and the principles and interpretations related thereto. The parties intend to comply with the applicable provisions of 42 U.S.C. 1395nn(a)(1) and 42 U.S.C. 1320a-7b(b), as such provisions may be amended from time to time. The parties intend that this Agreement meet the requirements of (i) the personal services and management contract safe harbor to the federal anti-kickback statute as set forth in 42 C.F.R. Part 1001.952(d); and (ii) the personal services arrangement exception to the legislation as set forth in 42 U.S.C. 1395nn(e)(3) and the corresponding regulations.

8.3 Limited Renegotiation.

8.3.1 Notwithstanding anything to the contrary in this Agreement, if the terms of this Agreement (a) become unlawful or unenforceable, (b) materially and adversely affect a party's or its Affiliate's licensure, accreditation, certification, or ability to refer, accept any referral, bill, present a bill or claim, or receive payment from any payor or (c) subjects a party to a substantial risk of prosecution or civil monetary penalty, then (i) the unaffected provisions of this Agreement shall continue in full force and effect and (ii) either party, upon written notice ("**Renegotiation Notice**") to the other party may initiate renegotiation of the affected terms of this Agreement to restore, if possible, the intent and purpose of the affected provisions in the Agreement and to modify the Agreement as necessary so that such Agreement does not cause such adverse result.

8.3.2 If the parties are unable in good faith to come to a mutually satisfactory resolution regarding the affected terms of the Agreement and have failed to amend the Agreement (or enter into a new Agreement) within ninety (90) days from the date the Renegotiation Notice was received, then, unless the parties mutually agree otherwise in writing, the parties shall utilize binding arbitration in accordance with this **Section 8** to modify the Agreement as necessary so that such Agreement does not cause an adverse event.

8.3.3 The above referenced arbitration shall be triggered by one party's providing the other party written notice of the arbitration required under this **Section 8**. Upon a party's receipt of such written notice, both parties shall promptly appoint an arbitrator from a list of arbitrators recognized by the American Health Lawyers Association (AHLA) Alternative Dispute Resolution Services. In accordance with the rules of the AHLA Alternative Dispute Resolution Service then in effect, such appointed arbitrators will appoint a third arbitrator from the list and the three arbitrators shall hear the parties and make the determination as to necessary modifications to the Agreement to remedy the adverse event. If AHLA or the AHLA Alternative Dispute Resolution Service is no longer in effect, then such arbitrators shall be chosen from a list provided by the American Arbitration Association in the same manner as set forth above, and such arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect. The parties shall irrevocably grant the arbitrators the authority to determine the modifications necessary to the Agreement to remedy the adverse result.

Arbitration shall be binding for settlement of the modifications necessary to the Agreement as stated in the foregoing sentence. The parties agree to execute any agreement immediately to memorialize such modifications to the Agreement. The parties shall share the costs of such arbitrators equally between them. Each party shall bear its own expenses of preparation for arbitration.

9. GENERAL.

9.1 Independent Contractor. The parties agree Consultant and Medical Directors have not been, and will not be chosen as an inducement or reward for any past, current or future Company business transaction, opportunity, or government approval or concession, and that the selection process has not been, and will not be based on the volume or value of referrals provided by, or anticipated from, Consultant, any Medical Director or any affiliated person or entity. Consultant is acting and performing services hereunder as an independent contractor, and each Medical Director is acting and performing the Medical Director Services on behalf of and as an employee or independent contractor of Consultant. No Medical Director shall be considered an employee for purposes of any Company employment policy or employment benefit plan, and will not be entitled to any benefits under any such policy or benefit plan. Except as expressly set forth herein or as may be required by applicable law, Company shall neither have nor exercise any control or direction over the methods by which Consultant shall perform the duties hereunder, and Company shall not control how Medical Director Services are accomplished hereunder, as long as such duties are performed as required by this Agreement. Consultant shall be solely responsible for, and shall indemnify and hold Company harmless for payment of, all taxes due on all amounts paid to Consultant hereunder and for all employment taxes for all employees of Consultant. The parties shall cooperate if any taxing Authority asserts that Consultant or any Medical Director is not an independent contractor under this Agreement.

9.2 Assignment. This Agreement shall be binding on the successors and permitted assigns of the parties. Consultant and Member Physicians shall not assign or subcontract this Agreement or assign or subcontract any of their rights hereunder without Company's prior written consent, which may be withheld in Company's sole discretion. Company may assign this Agreement to any of Company's Affiliates or to any successor in interest to the assets and operations of Company without the consent of any other party hereto. This Agreement shall be enforceable by or against any permitted assigns hereunder. Any attempted assignment of this Agreement in violation of the provisions of this **Section 9.2** is void.

9.3 Merger, Modification and Waiver. This Agreement contains the entire agreement of the parties with respect to its subject matter and as of the date this Agreement is fully executed, supersedes all previous and contemporaneous agreements and understandings, expressed or implied, oral or written, between the parties with respect to the subject matter hereof. The failure of the parties to insist on strict performance of the provisions of this Agreement shall not be construed as a waiver of such provision or of any other default of the same or similar nature. No waiver, modification or change of any of its provisions shall be valid unless in writing and signed by the parties. One party's waiver of any default by the other party of any provision of this Agreement is not a waiver of any other default and shall not affect the right of that party to require performance of the defaulted provision at any future time. All representations herein survive the execution and delivery of this Agreement.

9.4 Severability. If any term of this Agreement is determined to be invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be given effect to the fullest extent permitted by law; provided however, if the severed provision materially deprives a party of the benefits of this Agreement, including without limitation the benefits of Section 6, then such party may terminate this Agreement by notice to the other party.

9.5 Applicable Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Washington.

9.6 Books and Records. If required by Section 952 of the Omnibus Reconciliation Act of 1980 (Section 1861(v)(1)(I) of the Social Security Act), as amended, and the regulations promulgated thereunder, the books and records of Consultant necessary to certify the nature and extent of costs associated with Consultant's performance of services under this Agreement shall be preserved by Consultant for such period of time as provided by law so as to be available for and subject to inspection by appropriate agencies of the United States. In addition, if and to the extent that Consultant uses the services of a related organization to provide services hereunder, Consultant will require such related organization to preserve and make available its books and records to the same extent Consultant is so required. If this Agreement is not subject to the provisions of Section 952 or regulations promulgated thereunder, this **Section 9.6** shall be null and void. The provisions of this **Section 9.6** shall survive the expiration or termination of this Agreement.

9.7 Notices. All notices pursuant to this Agreement shall be in writing and shall be deemed duly given and properly served: (a) when delivered personally (with written confirmation of receipt), (b) two (2) business days after being mailed to the addressee by registered or certified mail, postage prepaid, return receipt requested, or (c) when received by the addressee if sent by a recognized express delivery service, in each case, to a party at the address as set forth below or at such other address as may be furnished by such party in accordance with these notice requirements:

9.9 Indemnification.

a. Consultant shall indemnify and hold harmless Company and its Affiliates from any and all liability, claims, damages, and expenses (including but not limited to reasonable attorneys' fees) which it may incur as a result of the negligence or willful misconduct of Consultant, a Medical Director and/or a Member Physician, or any of their Affiliates, agents or employees, or the breach by Consultant, a Medical Director or a Member Physician of a representation or covenant in this Agreement. 9.10 No Conflicts. Consultant and each Member Physician represent and warrant to Company that the execution, delivery and performance of this Agreement by Consultant and each Member Physician does not conflict with or result in a breach (or any event which with notice or lapse of time or both, would result in a breach) of any other obligation of Consultant or any Member Physician.

9.11 Joint Effort; Headings. The preparation of this Agreement has been the joint effort of the parties, and the resulting document shall not be construed more severely against one of the parties than the other. The headings of sections in this Agreement are for convenience only and shall not affect or limit the interpretation of its provisions.

9.12 Attachments; Priority of Documents. All Addenda and attachments (including but not limited to Exhibits) to this Agreement are incorporated herein by reference and made a part of this Agreement. To the extent that any provision of any Addendum conflicts with or is contrary to other provisions in this Agreement, then the provisions of any Addendum first shall govern and then the provisions of this Agreement shall govern.

9.13 Authorized Signature. This Agreement shall not be deemed accepted by Company unless and until signed by an authorized officer or manager of Company. No other act or writing by an agent of Company shall cause this Agreement to be a binding contract on Company.

9.14 Force Majeure. No party shall be in default for any delay or failure to perform any of its obligations under this Agreement resulting directly or indirectly from any acts of God, civil or military authority, terrorism, war, civil disobedience, accidents, fires, explosions, failure of transportation, machinery or supplies, vandalism, work interruptions by its employees or independent contractors or any similar cause beyond its reasonable control. Notwithstanding the

foregoing, each party shall, at all times, use commercially reasonable efforts to perform its obligations under this Agreement.

9.15 Counterparts; Electronic Execution. This Agreement may be executed in any number of counterparts with the same effect as if all the parties had signed the same document. Such executions may be transmitted by facsimile, e-signature, email or other electronic transmission and are to be deemed for all purposes to have been executed and delivered by that party to the other party.

9.16 Addenda. The following Addenda are included herein:

Fee Reopener Addendum

Upon written notice provided by either party no later than 60 days prior to the second anniversary of the Commencement Date (a “**New Fee Notice**”), the parties agree to negotiate, in good faith, a new Fee (“**New Fee**”) which represents fair market value for the services to be provided by Consultant for the period commencing as early as the second anniversary of the Commencement Date. Such New Fee shall be payable to Consultant for the period beginning on the later of the second anniversary of the Commencement Date or the first day of the month after the amendment reflecting the New Fee has been executed by the parties hereto. If, within 60 (sixty) days of the commencement of negotiations, the parties are unable to agree upon a New Fee, then each party shall appoint an arbitrator from a list of arbitrators recognized by the American Health Lawyers Association (AHLA) Alternative Dispute Resolution Services and such appointed arbitrators shall appoint a third arbitrator from the list and that single arbitrator will be retained to determine the New Fee in accordance with the rules of the AHLA Alternative Dispute Resolution Service then in effect. If the AHLA Alternative Dispute Resolution Service is no longer available, then arbitrators shall be chosen from a list provided by the American Arbitration Association and such arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association then in effect. The parties shall irrevocably grant the arbitrator the authority to determine the New Fee based on any and all data and information available to the arbitrator. Arbitration shall be binding for settlement of the determination of the New Fee. The parties shall share the costs of arbitrator equally. Each party shall bear its own expenses of preparation for arbitration. The New Fee, as determined during the arbitration, shall be payable as of the date of the arbitration decision. At the request of any party, the parties shall prepare and execute an amendment reflecting the New Fee. If neither party sends a New Fee Notice by 60 days prior to the second anniversary of the Commencement Date, Company shall continue to pay Consultant the Fee then in effect.

No waiver, modification or change of any of the provisions hereof shall be valid unless in writing and signed by the parties against whom such claimed waiver, modification or change is sought to be enforced. One party's waiver of any default by the other party of any provision of this Joinder Agreement is not a waiver of any other default and shall not affect the right of that party to require performance of the defaulted provision at any future time. *Severability; Headings*. If any term or provision of this Joinder Agreement or its application to any person or circumstance shall to any extent be declared invalid or unenforceable, the remainder of this Joinder Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected and each term and provision of this Joinder Agreement shall be valid and enforceable to the fullest extent permitted by law. The headings of sections in this Joinder Agreement are for convenience only and shall not affect or limit the interpretation of its provisions. *Applicable Law*. This Joinder Agreement shall not be deemed accepted by Company unless and until an authorized officer of Company has signed this Joinder Agreement. No other act or writing by an agent, officer or manager of Company shall cause this Joinder Agreement to be a valid, effective or binding contract on Company. LEASE

1. Granting Clause: Lease Term.

(a) In consideration of the obligation of Tenant to pay rent as herein provided and in consideration of the other terms, covenants, and conditions hereof, Landlord leases to Tenant, and Tenant leases from Landlord, the Premises, to have and to hold for the Lease Term, subject to the terms, covenants and conditions of this Lease. The term of this Lease shall commence on the "Commencement Date" specified in or established above, and except as otherwise provided herein, shall continue in full force and effect through the number of months as provided above (the "Lease Term"); provided, however, that if the Commencement Date is a date other than the first day of a calendar month, the Lease Term shall consist of the remainder of the calendar month including and following the Commencement Date, plus said number of full calendar months. If this Lease is executed before the Premises become vacant or otherwise available or if any present tenant or occupant of the Premises holds over, and Landlord cannot acquire possession of the Premises in time to deliver them by the Commencement Date, or if any required repairs (if any) are not substantially completed by Landlord prior to the Commencement Date, this Lease shall not be deemed void or voidable nor shall Landlord be deemed to be in default hereunder, nor shall Landlord be liable for any loss or damage directly or indirectly arising out of such delay. Tenant agrees to accept possession of the Premises at such time as Landlord is able to tender the same, which date shall thenceforth be deemed the Commencement Date. After the Commencement Date, Tenant shall, upon demand, execute and deliver a letter of acceptance of delivery of the Premises specifying the Commencement Date. Landlord and Tenant agree that the rentable square footage of the Premises as set forth above and the Building as set forth above shall be conclusive and binding on the parties.

2. Acceptance of Premises. Tenant shall accept the Premises on the Commencement Date in its "as-is" condition, subject to all applicable laws, ordinances, regulations, covenants and restrictions, and Landlord shall have no obligation to perform or pay for any repair or other work therein, except as otherwise provided in the Lease. Landlord has made no representation or warranty as to the suitability of the Premises for the conduct of Tenant's business, and Tenant waives any implied warranty that the Premises are suitable for Tenant's intended purposes. Tenant acknowledges that (a) it has inspected and accepts the Premises in an "As-Is, Where-Is" condition, (b) the Building and improvements in the Premises are suitable for the purpose for which the Premises are leased and Landlord has made no warranty, representation, covenant, or agreement with respect to the merchantability or fitness for any particular purpose of the Premises, (c) the Premises are in good and satisfactory condition, (d) no representations as to the repair of the Premises, nor promises to alter, remodel or improve the Premises have been made by Landlord, and (e) there are no representations or warranties, expressed, implied or statutory, that extend beyond the description of the Premises. Except as provided in Section 10, in no event shall Landlord have any obligation for any defects in the Premises or any limitation on its use. The taking of possession of the Premises shall be conclusive evidence that Tenant accepts the Premises and that the Premises were in good condition at the time possession was taken except for items that are Landlord's responsibility under Section 10 and any punch list items agreed to in writing by Landlord and Tenant.

3. Use.

(a) Subject to Tenant's compliance with all zoning ordinances and Legal Requirements (as hereinafter defined), the Premises shall be used only for the Permitted Use. Tenant will use the Premises in a careful, safe and proper manner and will not commit waste, overload the floor or structure of the Premises or subject the Premises to use that would damage the Premises. Tenant shall not

permit any objectionable or unpleasant odors, smoke, dust, gas, noise, or vibrations to emanate from the Premises, or take any other action that would constitute a nuisance or would disturb, unreasonably interfere with, or endanger Landlord or any tenants of the Project. Outside storage is prohibited without Landlord's prior written consent.

(b) Tenant, at its sole expense, shall comply with each of the following, (collectively, "**Legal Requirements**"): all laws, including, without limitation, the Americans With Disabilities Act, orders, judgments, ordinances, regulations, codes, directives, permits, licenses, covenants and restrictions now or hereafter applicable to the Premises, except in no event shall Tenant be obligated to make structural changes to the Premises that are the obligation of Landlord under Section 10. The Premises shall not be used as a place of public accommodation under the Americans With Disabilities Act or similar state statutes or local ordinances or any regulations promulgated thereunder, all as may be amended from time to time. Tenant shall, at its expense and in accordance with Section 11, make any alterations or modifications, within or without the Premises, that are required by Legal Requirements related to Tenant's specific use or occupation of the Premises. Tenant will not use or permit the Premises to be used for any purpose or in any manner that would void Tenant's or Landlord's insurance, increase the insurance risk, or cause the disallowance of any sprinkler credits. If any increase in the cost of any insurance on the Premises or the Project is caused by Tenant's use or occupation of the Premises, or because Tenant vacates the Premises, then Tenant shall pay the amount of such increase to Landlord. Any entrance into or occupation of the Premises by Tenant prior to the Commencement Date shall be subject to all obligations of Tenant under this Lease. Tenant represents and warrants to Landlord that Tenant is currently in compliance with and shall at all times during the Lease Term (including any extension thereof) remain in compliance with the regulations of the Office of Foreign Assets Control ("**OFAC**") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) and any statute, executive order (including the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action relating thereto.

(c) Tenant and its employees and invitees shall have the non-exclusive right to use, in common with others, any areas designated by Landlord from time to time as common areas for the use and enjoyment of all tenants and occupants of the Project, subject to such reasonable rules and regulations as Landlord may promulgate from time to time and provided to Tenant in writing.

4. **Base Rent.** Tenant shall pay Base Rent in the amount set forth on the first page of this Lease. The initial monthly Base Rent, the Security Deposit, and the initial monthly installment of estimated Operating Expenses (as hereafter defined) shall be due and payable within fifteen (15) days following the Execution Date, and Tenant promises to pay to Landlord in advance, without demand, deduction or set-off, except as otherwise provided in the Lease, monthly installments of Base Rent on or before the first day of each calendar month succeeding the Commencement Date. Payments of Base Rent for any fractional calendar month shall be prorated. All payments required to be made by Tenant to Landlord hereunder shall be payable at such address as Landlord may specify from time to time by written notice delivered in accordance herewith, or, at Tenant's election, electronic fund transfer payment to Landlord's chosen financial institution. The obligation of Tenant to pay Base Rent and other sums to Landlord and the obligations of Landlord under this Lease are independent obligations and shall constitute rent. Tenant shall have no right at any time to abate, reduce, or set-off any rent due hereunder except where expressly provided in this Lease. Tenant acknowledges that late payment by Tenant to Landlord of any rent due hereunder will cause Landlord to incur costs not contemplated by this Lease, the exact amount of such costs being extremely difficult and impractical to determine. Therefore, if Tenant is delinquent in any monthly installment of Base Rent, estimated Operating Expenses or other sums due and payable hereunder for more than five (5) days, Tenant shall pay to Landlord on demand a late charge equal to five percent (5%) of such delinquent sum. The parties agree that such late charge represents a fair

and reasonable estimate of the costs that Landlord will incur by reason of such late payment by Tenant. The late charge shall be deemed to be rent, and the right to require it shall be in addition to all of Landlord's other rights and remedies for a payment failure of Tenant, including the right to charge interest on the past due amount.

5. **Security Deposit; Letter of Credit.**

(a) Security Deposit. Concurrently with the execution of this Lease, Tenant shall deposit with Landlord the Security Deposit in the amount set forth above and pursuant to Subsection 5(b) below. The Security Deposit shall be held by Landlord as security for the performance of Tenant's obligations under this Lease. The Security Deposit is not an advance rental deposit or a measure of Landlord's damages in case of Tenant's default. Upon each occurrence of an Event of Default (hereinafter defined), Landlord may use all or part of the Security Deposit to pay delinquent payments due under this Lease, and the cost of any damage, injury, expense or liability caused by such Event of Default, without prejudice to any other remedy provided herein or provided by law. Tenant shall pay Landlord on demand the amount that will restore the Security Deposit to its original amount. Landlord's obligation respecting the Security Deposit is that of a debtor, not a trustee; no interest shall accrue thereon. The Security Deposit shall be the property of Landlord, but shall be paid to Tenant when Tenant's obligations under this Lease have been completely fulfilled. Landlord shall be released from any obligation with respect to the Security Deposit upon transfer of this Lease and the Premises to a person or entity assuming Landlord's obligations under this Section 5. In the event of a sale or other disposition of the Premises, Landlord shall transfer the Security Deposit, or such portion thereof not used by, owed to or to which Landlord is entitled to under the terms of this Lease, to the new owner, and, thereafter, Landlord shall be released by Tenant from all responsibility for returning the Security Deposit, and Tenant shall look solely to the new owner for return of the Security Deposit. If Tenant assigns this Lease, Tenant's rights in the Security Deposit shall be deemed to be assigned to the assignee, such Security Deposit shall be held by Landlord as a Security Deposit made by the assignee and Landlord shall have no further responsibility for return of the Security Deposit to Tenant.

(b) Letter of Credit. As the Security Deposit, Tenant has delivered or shall deliver to Landlord an irrevocable and unconditional letter of credit (the "**Letter of Credit**") in the amount set forth on the second page of this Lease and issued by Commerz ("**Bank**"). Landlord shall have the right to draw upon the Letter of Credit or any renewal or extension thereof, in whole or in part, upon the occurrence of any one or more of the following events, each of which shall be deemed an Event of Default under this Lease:

- (1) The occurrence of any Event of Default under this Lease; or
- (2) Tenant's failure to deliver to Landlord, no less than 30 days prior to the expiration date of the Letter of Credit or any renewal or extension thereof, a renewal or extension of the Letter of Credit for a term of not less than one year;
- (3) Receipt of notice from the Bank that it will not be extending the terms of the Letter of Credit or otherwise intends to terminate the Letter of Credit prior to expiration of the Term of this Lease, unless Tenant provides a substitute Letter of Credit from another financial institution acceptable to Landlord in its sole discretion at least ten (10) business days prior to the termination of the existing Letter of Credit; or
- (4) Any action by Tenant or the Bank which, in Landlord's discretion, reasonably exercised, may jeopardize its rights to draw on the Letter of Credit.

(5) Proceeds of any draw upon the Letter of Credit may be applied by Landlord to the payment of accrued and unpaid rent, additional rent, interest, late charges, or any other obligation arising out of Tenant's obligations to Landlord under this Lease, in such manner as Landlord in its sole discretion, deems appropriate. Provided there is no default or condition which but for the furnishing of notice or the passage of time would constitute an Event of Default under this Lease, Landlord shall release its rights in the Letter of Credit and surrender the Letter of Credit to the Bank upon payment in full of all sums due under this Lease. Landlord shall have sole authority and discretion to draw under the Letter of Credit in accordance with the terms thereof. Within thirty (30) days after any such draw, Tenant shall reinstate the amount available under the Letter of Credit to the required amount as provided herein.

(6) Notwithstanding anything else to the contrary in this Lease, the amount of the Letter of Credit shall be canceled and no Letter of Credit shall be required to be provided by Tenant upon happening of all of the following:

(A) Tenant provides evidence to Landlord, the sufficiency of which shall be determined in Landlord's reasonable discretion, that Tenant has received a final non-appealable CON and that any challenges related to the CON have been dismissed; and

(B) Tenant enters and occupies the Premises.

6. **Operating Expense Payments.**

(a) During each month of the Lease Term, on the same date that Base Rent is due, Tenant shall pay Landlord an amount equal to 1/12th of the annual cost, as estimated by Landlord from time to time, of Tenant's Proportionate Share (hereinafter defined) of Operating Expenses for the Project. Payments thereof for any fractional calendar month shall be prorated. The provisions of this Section 6 shall survive the expiration or earlier termination of the Lease.

(b) The term "**Operating Expenses**" means all costs and expenses incurred by Landlord in connection with the ownership, maintenance, and/or operation of the Project including, but not limited to costs of: Common Area utilities; maintenance and repair of all portions of the Project, including without limitation, paving and parking areas, roads, roofs, roof membrane, alleys, and driveways; mowing, snow removal, landscaping, and exterior painting; the cost of maintaining utility lines, fire sprinklers and fire protection systems, exterior lighting and mechanical and building systems serving the Building or Project; amounts paid to contractors and subcontractors for work or services performed in connection with any of the foregoing; charges or assessments of any association to which the Project is subject; reasonable fees payable to tax consultants and attorneys for consultation and contesting taxes; environmental insurance, environmental management fees and environmental audits; the cost of any insurance deductibles for insurance maintained by Landlord (not to exceed \$25,000.00 per occurrence); property management fees payable to a property manager not to exceed 3% of total Operating Expenses, including any affiliate of Landlord, or if there is no property manager, an administration fee of fifteen percent (15%) of Operating Expenses payable to Landlord; security services, if any; trash collection, sweeping and removal; and additions or alterations made by Landlord to the Project or the Building in order to comply with Legal Requirements (other than those expressly required herein to be made by Tenant), or which reduce Operating Expenses of the Project (provided that Landlord shall provide Tenant with (i) an estimate of the amount of reduction in Operating Expenses anticipated as a result of that addition or alteration, (ii) an estimate of the cost of the addition or alteration and Tenant's Proportionate Share of the annual amortization charge of the alteration or addition, and (iii) reasonably sufficient information to support those estimates), provided that the cost of such additions or alterations

that are required to be capitalized for federal income tax purposes shall be amortized on a straight line basis over a period equal to the lesser of the useful life thereof for federal income tax purposes or ten (10) years and included in Operating Expenses only to the extent of the amortized amount for the respective calendar year. In addition, Operating Expenses shall include (1) Taxes (hereinafter defined) due and payable each calendar year during the Lease term, and (2) the cost of insurance maintained by Landlord for the Project for each calendar year during the Lease term.

(c) Notwithstanding the foregoing, Operating Expenses do not include (1) debt service under mortgages or ground rent under ground leases; (2) costs of restoration to the extent of net insurance proceeds received by Landlord with respect thereto; (3) leasing commissions or the costs of renovating space for tenants; or (4) any costs or legal fees incurred in connection with defending Landlord's title to the Property or in negotiating, enforcing, or resolving a dispute with any particular tenant; (5) expenses paid for or reimbursed directly by Tenant, other tenants, and/or third parties, including insurers; (6) expenses incurred in connection with the financing, sale or acquisition of the Property or the Building including points, fees and other costs imposed on Landlord by Landlord's lender, closing costs, and depreciation, interest, or amortization of mortgages or ground lease payments; (7) interest or penalties resulting from Landlord's late payment of any Operating Expenses or Taxes; (8) expenses incurred by Landlord that are associated with the operation of Landlord's business, including the costs of partnership or corporate accounting and legal matters; defending or prosecuting any lawsuit with any mortgagee, lender, ground landlord, broker, tenant, occupant, or prospective tenant or occupant; the sale or syndication of any portion of Landlord's interest in the Property; and expenses incurred as a result of any dispute between Landlord and Landlord's property manager (9) Landlord's general corporate or partnership overhead and general administrative expenses, including wages, salaries and other compensation paid to management personnel or any employee of Landlord above the grade of building manager who are not primarily engaged in the operation, maintenance, and repair of the Building; (10) Expenses, fines, penalties and interest, as well as the cost of repairs, replacements, alterations, or improvements incurred by Landlord due to a violation of any valid and applicable building code, regulation or law (including but not limited to sprinkler installation or requirements under the Americans with Disabilities Act of 1990 (42 USC §§12101-12213); (11) expenses, including legal fees, resulting from the treatment, removal or remediation of Hazardous Materials that were not placed on the Property by Tenant; (12) expenses incurred for repairs or replacements to the extend recovered under warranties; (13) Landlord's charitable or political contributions; (14) payments to subsidiaries and affiliates of Landlord for services, supplies or other materials that exceed the cost that Landlord would have paid had the services, supplies or materials been provided by unaffiliated parties on a competitive basis; (15) advertising and promotional expenditures for any purpose; (16) expenses incurred for the initial construction or reconstruction of the Building, and any modification, alteration, or repair of any portion of the Building due to faulty construction or latent defects in that construction; and (17) Expenses incurred by Landlord for use of any portion of the Property or the Building to accommodate special events such as shows, promotions, filming, displays, photography, private events, or parties, ceremonies, and advertising. Except as otherwise provided in subparagraph (b) above, the cost of any repairs or replacements which are classified as capital improvements under generally accepted accounting principles shall not be included in Operating Expenses.

(d) As soon as reasonably practical, Landlord shall provide Tenant with a statement showing the actual Operating Expenses for the previous calendar year (the "**Actual Statement**"). Landlord shall indicate on the Actual Statement whether there is a shortfall or overpayment by Tenant in its payment of Operating Expenses for the prior calendar year. If Tenant's total payments of Operating Expenses for any year are less than Tenant's Proportionate Share of actual Operating Expenses for such year, then Tenant shall pay the difference to Landlord within thirty (30) days after demand, and if more, then Landlord shall retain such excess and credit it against Tenant's next payments. For purposes of calculating Tenant's Proportionate Share of Operating Expenses, a year shall mean a calendar year except

the first year, which shall begin on the Commencement Date, and the last year, which shall end on the expiration of this Lease.

(e) With respect to Operating Expenses which Landlord allocates to the entire Project, Tenant's "**Proportionate Share**" shall be the percentage set forth on the first page of this Lease as Tenant's Proportionate Share of the Project as reasonably adjusted by Landlord in the future for changes in the physical size of the Premises or the Project; and, with respect to Operating Expenses which Landlord allocates only to the Building, Tenant's "Proportionate Share" shall be the percentage set forth on the first page of this Lease as Tenant's Proportionate Share of the Building as reasonably adjusted by Landlord in the future for changes in the physical size of the Premises or the Building. Landlord may equitably increase Tenant's Proportionate Share for any item of expense or cost reimbursable by Tenant that relates to a repair, replacement, or service that benefits only the Premises or only a portion of the Project or Building that includes the Premises or that varies with occupancy or use. The estimated Operating Expenses for the Premises set forth on the first page of this Lease are only estimates, and Landlord makes no guaranty or warranty that such estimates will be accurate.

(f) Provided Tenant is not then in default beyond any applicable cure period of its obligations to pay rent, or any other payments required to be made by it under this Lease and provided further that Tenant shall have the right, once each calendar year, to cause a Qualified Person (as defined below) to reasonably review supporting data for any portion of an Actual Statement of annual Operating Expenses (provided, however, Tenant may not have an audit right to all documentation relating to Building operations as this would far-exceed the relevant information necessary to properly document a pass-through billing statement, but real estate tax statements, and information on utilities, repairs, maintenance and insurance will be available), in accordance with the following procedure:

(1) Tenant shall, within thirty (30) days after any Actual Statement is delivered, deliver a written notice to Landlord specifying the portions of the Actual Statement that are claimed to be incorrect, and Tenant shall simultaneously pay to Landlord all amounts due from Tenant to Landlord as specified in the Actual Statement. In no event shall Tenant be entitled to withhold, deduct, or offset any monetary obligation of Tenant to Landlord under the Lease (including without limitation, Tenant's obligation to make all payments of rent and all payments of Tenant's Operating Expenses) pending the completion of and regardless of the results of any review of records under this Section. The right of Tenant under this Section may only be exercised once for any Actual Statement, and if Tenant fails to meet any of the above conditions as a prerequisite to the exercise of such right, the right of Tenant under this Section for a particular Actual Statement shall be deemed waived.

(2) Tenant acknowledges that Landlord maintains its records for the Project at Landlord's main office, and Tenant agrees that any review of records under this Section shall be at the sole expense of Tenant and shall be conducted by a Qualified Person. Tenant acknowledges and agrees that any records reviewed under this Section constitute confidential information of Landlord, which shall not be disclosed to anyone other than the Qualified Person performing the review, the principals of Tenant who receive the results of the review, and Tenant's accounting employees. The disclosure of such information to any other person, whether or not caused by the conduct of Tenant, shall constitute a material breach of this Lease.

(3) Any errors disclosed by the review shall be promptly corrected by Landlord, provided, however, that if Landlord disagrees with any such claimed errors, Landlord shall have the right to cause another review to be made by a Qualified Person. In the event of a disagreement between the two (2) reviews, the two (2) Qualified Persons who conducted Landlord's and Tenant's reviews shall jointly designate a third (3rd) Qualified Person, at Tenant's

sole cost and expense (except as otherwise indicated in this Lease), to conduct a review of Landlord's records. The review of such third (3rd) Qualified Person shall be deemed correct and binding upon the parties. In the event that the final results of such review of Landlord's records reveal that Tenant has overpaid obligations for the preceding period, the amount of such overpayment shall be credited against Tenant's subsequent installment obligations to pay the estimated Operating Expenses; provided, however, if Tenant has overpaid by more than ten percent (10%), Landlord shall pay the reasonable out-of-pocket cost of the review of Landlord's records by Tenant's Qualified Person and the reasonable out-of-pocket cost of the review of Landlord's records by the third (3rd) Qualified Person. If this Lease has expired, Landlord shall return the amount of such overpayment to Tenant within thirty (30) days after such reviews have been made. In the event that such results show that Tenant has underpaid its obligations for a preceding period, the amount of such underpayment shall be paid by Tenant to Landlord with the next succeeding installment obligation of estimated Operating Expenses. A "**Qualified Person**" means an accountant or other person experienced in accounting for income and expenses of industrial projects engaged solely by Tenant on terms which do not entail any compensation based or measured in any way upon any savings in rent or reduction in Operating Expenses achieved through the inspection process.

(g) In no event shall Tenant be required to pay Tenant's Proportionate Share of any Operating Expenses (other than taxes) that Landlord failed to bill Tenant for and that accrued more than two (2) years prior to the date that Tenant is notified by Landlord of such expenses. In addition, Landlord may not seek reimbursement from Tenant due to an adjustment in Operating Expenses (other than taxes) more than two (2) years after furnishing an Actual Statement to Tenant.

7. **Utilities.** Landlord shall ensure that hot and cold water, electricity, gas, sewer, and other standard utility services for a first class commercial building are provided to the Premises on all days during the Lease Term on a 24-hour-a-day, 7-day-a-week basis. Tenant shall timely pay for all water, gas, electricity, heat, light, power, telephone, internet, sewer, sprinkler services, refuse and trash collection, and other utilities and services used on the Premises, all maintenance charges for utilities, and any storm sewer charges or other similar charges for utilities imposed by any governmental entity or utility provider, together with any taxes, penalties, surcharges or the like pertaining to Tenant's use of the Premises. Landlord shall have no responsibilities whatsoever in connection with the foregoing. Landlord may cause at Tenant's expense any utilities to be separately metered or charged directly to Tenant by the provider. Tenant shall pay its share of all charges for jointly metered utilities based upon consumption, as reasonably determined by Landlord. Tenant agrees to limit use of water and sewer for normal restroom use. No interruption or failure of utilities shall result in the termination of this Lease or the abatement of rent, unless due to Landlord's gross negligence or willful misconduct.

8. **Taxes.** Landlord shall pay all taxes, assessments, special assessments, improvement districts, and governmental charges (collectively referred to as "**Taxes**") that accrue against the Project during the Lease Term. Taxes shall be included as part of the Operating Expenses charged to Tenant pursuant to Section 6 hereof during each year of the Lease Term, based upon Landlord's reasonable estimate of the amount of Taxes, and shall be subject to reconciliation and adjustment pursuant to Section 6 once the actual amount of Taxes is known. Taxes shall include, without limitation, any increase in any of the foregoing based upon construction of improvements on the Project or changes in ownership (as defined in applicable laws). Landlord may contest by appropriate legal proceedings the amount, validity, or application of any Taxes or liens thereof and any costs incurred in such contest may be included as part of Taxes. All capital levies or other taxes assessed or imposed on Landlord upon the rents payable to Landlord under this Lease and any franchise tax, any excise, transaction, sales, business and occupation or privilege tax, assessment, levy or charge measured by or based, in whole or in part, upon such rents from the Premises and/or the Project or any portion thereof shall be paid by Tenant to

Landlord monthly in estimated installments or upon demand, at the option of Landlord, as additional rent; provided, however, in no event shall Tenant be liable for any net income taxes imposed on Landlord unless such net income taxes are in substitution for any Taxes payable hereunder. Net income, franchise, capital stock, estate or inheritance taxes or taxes which are the personal obligation of Landlord or another tenant shall also not be included in Taxes. If any such tax or excise is levied or assessed directly against Tenant, then Tenant shall be responsible for and shall pay the same at such times and in such manner as the taxing authority shall require. Tenant shall be liable for all taxes levied or assessed against any personal property or fixtures placed in the Premises, whether levied or assessed against Landlord or Tenant, and if any such taxes are levied or assessed against Landlord or Landlord's property and (a) Landlord pays them or (b) the assessed value of Landlord's property is increased thereby and Landlord pays the increased taxes, then Tenant shall pay to Landlord such taxes within twenty-one (21) days after Tenant's receipt of Landlord's written request therefor.

9. **Insurance.**

(a) Landlord shall obtain and maintain the following: (1) all risk property insurance covering the full replacement cost of the Building (excluding foundations), less a commercially reasonable deductible if Landlord so chooses; and (2) commercial general liability insurance, which shall be in such amount as Landlord so determines and shall be in addition to, and not in lieu of, any insurance required to be maintained by Tenant. Landlord shall not be obligated to insure any furniture, equipment, trade fixtures, machinery, goods, or supplies which Tenant may keep or maintain in the Premises or any alteration, addition, or improvement which Tenant may make upon the Premises. In addition, Landlord may, but is not obligated to, maintain such other insurance and additional coverages as it may deem necessary, including, but not limited to, flood insurance and rent loss insurance. The premiums for all such insurance shall be included as part of the Operating Expenses charged to Tenant pursuant to Section 6 hereof. The Project or Building may be included in a blanket policy (in which case the cost of such insurance allocable to the Project or Building will be determined by Landlord based upon the insurer's cost calculations). Tenant shall also reimburse Landlord for any increased premiums or additional insurance that Landlord reasonably deems necessary as a result of Tenant's use of the Premises. Tenant shall not be named as an additional insured on any policy of liability insurance maintained by Landlord.

(b) Effective as of the earlier of: (1) the date Tenant enters or occupies the Premises; or (2) the Commencement Date, and continuing during the Lease Term, Tenant, at its expense, shall obtain and maintain in full force the following insurance coverage (subject to increases in coverage amounts and additional types of coverage, as reasonably determined by Landlord from time to time):

(A) all risk property insurance including theft, sprinkler leakage and boiler and machinery coverage (if applicable), covering the full replacement cost of all personal property contents, equipment, inventory and improvements (including the Tenant Improvements and Tenant-Made Alterations) installed or placed in the Premises by Tenant or for Tenant's benefit. Tenant shall use the proceeds from such insurance for the replacement of trade fixtures, furniture, inventory and other personal property and for the restoration of Tenant's improvements, alterations, and additions to the Premises. Landlord shall be named as loss payee with respect to alterations, additions, or improvements of the Premises;

(B) worker's compensation insurance in accordance with the laws of the state in which the Premises are located with employer's liability insurance in an amount not less than \$1,000,000;

(C) business interruption, loss of income and extra expense insurance covering any periods of interruption, with limits not less than one hundred percent (100%) of all charges payable by Tenant under this Lease for a period of twelve (12) months;

(D) business automobile liability insurance covering owned, hired and non-owned vehicles with limits of \$1,000,000 combined single limit per accident;

(E) commercial general liability insurance which insures against claims for bodily injury, personal injury, advertising injury, and property damage occurring in or about the Premises. Such commercial general liability insurance shall afford, at a minimum, the following limits: each occurrence: \$1,000,000; general aggregate: \$2,000,000; products/completed operations aggregate: \$1,000,000; personal and advertising injury liability: \$1,000,000; fire damage: \$50,000; fire legal liability: \$50,000. Such commercial general liability insurance shall include Landlord, its trustees, officers, directors, members, agents, and employees, Landlord's mortgagees, and Landlord's representatives, as additional insureds. This coverage shall include coverage for liability assumed in an insured contract, premises-operations and products-completed operations and shall contain an exception to any pollution exclusion which insures damage or injury arising out of heat, smoke, or fumes from a hostile fire, and provide primary coverage to Landlord (any policy issued to Landlord providing duplicate or similar coverage shall be deemed excess over Tenant's policies). Such insurance shall be written on an occurrence and not a claims-made basis and contain a standard separation of insureds provision; and

(F) umbrella/excess liability insurance, on an occurrence basis, that applies in excess of the required commercial general liability, business automobile liability, and employer's liability policies with a minimum limit of \$5,000,000 per occurrence and \$5,000,000 in the annual aggregate. These limits shall be in addition to and not including those stated for the underlying commercial general liability, business automobile liability, and employers liability insurance required herein. Such excess liability policies shall include Landlord, its trustees, officers, directors, members, agents, and employees, Landlord's mortgagees, and Landlord's representatives as additional insureds. The forgoing notwithstanding, Tenant may use any combination of primary and umbrella coverage to satisfy the total limits required herein.

(c) All policies required to be carried by Tenant hereunder shall be issued by and binding upon an insurance company licensed to do business in the state in which the Premises is located with a rating of at least "A - VIII" or better as set forth in the most current issue of Best's Insurance Reports, unless otherwise approved by Landlord in writing. Tenant shall not do or permit anything to be done that would invalidate the insurance policies required herein. Liability insurance maintained by Tenant shall be primary coverage without right of contribution by any similar insurance that may be maintained by Landlord. Certificates of insurance evidencing the existence and amount of each insurance policy required hereunder shall be delivered to Landlord prior to delivery or possession of the Premises and within ten (10) days following each renewal date. Certificates of insurance shall show that Landlord, its trustees, officers, directors, members, agents, and employees, Landlord's mortgagees, and Landlord's representatives are included as additional insureds on liability policies and that Landlord is named as loss payee on the property insurance as stated in Section 9(b)(A) above. Further, Tenant agrees not to cancel, non-renew, or materially alter any policy without at least thirty (30) days' prior written notice to Landlord.

(d) In the event that Tenant fails to comply with the foregoing insurance requirements or to timely deliver to Landlord certificates evidencing the coverage required herein, Landlord, in addition to any remedy available pursuant to this Lease or otherwise, may, but shall not be obligated to, obtain such insurance and Tenant shall pay to Landlord on demand all costs thereof, plus an administrative fee of 15% of such costs, promptly upon Landlord's delivery to Tenant of an invoice therefor.

(e) The limits of insurance required by this Lease, or as carried by Tenant, shall not limit the liability of Tenant or relieve Tenant of any obligation thereunder. Any deductibles selected by Tenant shall be the sole responsibility of Tenant.

(f) Should Tenant engage the services of any contractor to perform work in the Premises, Tenant shall ensure that such contractor carries commercial general liability (including completed operations coverage for a period of three (3) years following completion of the work), business automobile liability, umbrella/excess liability, worker's compensation and employers liability coverages in substantially the same amounts as are required of Tenant under this Lease. Such contractor shall name Landlord, its trustees, officers, directors, members, agents and employees, Landlord's mortgagees and Landlord's representatives as additional insureds on the liability policies required hereunder.

All policies required to be carried by any such contractor shall be issued by and binding upon an insurance company licensed to do business in the state in which the Premises is located with a rating of at least "A - X" or better as set forth in the most current issue of Best's Insurance Reports, unless otherwise approved by Landlord. Certificates of insurance, acceptable to Landlord, evidencing the existence and amount of each insurance policy required hereunder shall be delivered to Landlord prior to the commencement of any work in the Premises. Further, the certificates must include an endorsement for each policy whereby the insurer agrees not to cancel, non-renew, or materially alter the policy without at least thirty (30) days' prior written notice to Landlord. The above requirements shall apply equally to any subcontractor engaged by contractor.

(g) The all-risk property insurance obtained by Landlord and Tenant shall include a waiver of subrogation by the insurers and all rights based upon an assignment from its insured, against Landlord or Tenant, their officers, directors, employees, managers, agents, invitees and contractors, in connection with any loss or damage thereby insured against. The failure of a party to insure its property shall not void this waiver. Notwithstanding anything to the contrary contained herein, Tenant hereby waives and releases any claims against Landlord, and its officers, directors, employees, managers, agents, invitees and contractors for any loss or damage insured against or required to be insured against by Tenant hereunder (whether by self-insurance or otherwise), regardless of whether the negligence or fault of Landlord caused such loss. Landlord hereby waives and releases any claims against Tenant, and its officers, directors, employees, managers, agents, invitees and contractors for any loss or damage insured against by Landlord or required to be insured against hereunder to the extent insurance proceeds are received therefor, regardless of whether the negligence or fault of Tenant caused such loss; however, Landlord's waiver shall not apply to any deductible amounts maintained by Landlord under its insurance. The foregoing waivers and releases shall not apply to losses or damages in excess of actual or required policy limits, whichever is greater. The waivers set forth in this Section 9(g) shall be in addition to, and not in substitution for, any other waivers, indemnities, or exclusions of liabilities set forth in this Lease.

10. **Landlord's Repairs.** Landlord shall maintain and repair, as part of Operating Expenses, only the fire sprinklers and fire protection systems, roof, foundation piers and structural members of the exterior walls of the Building in good repair, reasonable wear and tear and uninsured losses and damages caused by Tenant, its agents, employees, contractors, licensees and invitees excluded. The term "walls" as used in this Section 10 shall not include windows, glass or plate glass, doors or overhead doors, special

store fronts, dock bumpers, dock plates or levelers, or office entries, all of which shall be maintained by Tenant. Tenant shall promptly give Landlord written notice of any repair required by Landlord pursuant to this Section 10, after which Landlord shall have a reasonable opportunity to repair such item. Landlord shall also maintain in good repair and condition the parking areas and other common areas of the Building, including, but not limited to driveways, alleys, landscape and grounds surrounding the Premises, the cost of such maintenance, repair and replacement to be paid in accordance with Section 6 hereof. Landlord shall also provide janitorial services to the Premises five (5) days per week (legal holidays excepted), the cost of which shall be included as part of the Operating Expenses.

11. **Tenant's Repairs.**

(a) Subject to Landlord's obligation in Section 10, Tenant, at its sole expense, shall repair, replace and maintain in good condition and in compliance with all Legal Requirements, except as otherwise provided in the Lease, the interior portions of the Premises and all areas, improvements and systems exclusively serving and within the Premises including, without limitation, interior plumbing, water, and sewer lines, entries, doors, door frames, ceilings, windows, window frames, interior walls, and the interior side of demising walls, and heating, ventilation and air conditioning systems, and other building and mechanical systems serving the Premises, including all heating, ventilation and air conditioning systems installed in the Building by Tenant as Tenant Work or as Tenant-Made Alterations (each as defined below), provided that Tenant shall obtain Landlord's written consent, which shall not be unreasonably withheld, prior to accessing the roof or other portions of the Building which do not form part of the Premises. Such repair and replacements include capital expenditures and repairs whose benefit may extend beyond the Lease Term. Within ten (10) days of the Commencement Date, Tenant, at Tenant's expense, shall enter into maintenance service contracts with a licensed contractor for the maintenance and repair of the heating, ventilation and air conditioning systems and other mechanical and building systems which Tenant is responsible to repair and maintain under this Lease; provided, however, at Landlord's written election (but at Tenant's expense), Landlord shall have the right (but not the obligation) to enter into such maintenance service contracts. The scope of services and contractors under such maintenance contracts shall be subject to Landlord's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed. Tenant shall provide written annual or, if requested by Landlord, quarterly reports on the maintenance of building systems which Tenant is responsible to repair and maintain under this Lease, including heating, ventilation and air conditioning systems.

(b) In the event that any repair or maintenance obligation required to be performed by Tenant hereunder may affect the structural integrity of the Building (e.g., roof, foundation, structural members of the exterior walls), prior to commencing any such repair, Tenant shall provide Landlord with written notice of the necessary repair or maintenance and a brief summary of the structural component or components of the Building that may be affected by such repair or maintenance. Within ten (10) business days after Landlord's receipt of Tenant's written notice, Landlord shall have the right, but not the obligation, to elect to cause such repair or maintenance to be performed by Landlord, or a contractor selected and engaged by Landlord, but at Tenant's sole and reasonable cost and expense.

(c) If Tenant fails to perform any repair or replacement for which it is responsible, Landlord may perform such work and Tenant shall, within ten (10) days after demand therefor, reimburse Landlord for all costs incurred in performing such work plus a fee of fifteen percent (15%) of such costs. Subject to Sections 9 and 15, Tenant shall bear the full cost of any repair or replacement to any part of the Building or Project that results from damage caused by Tenant, its agents, contractors, or invitees and any repair that benefits only the Premises.

12. **Tenant-Made Alterations and Trade Fixtures.**

(a) Tenant's initial improvements are covered in the Work Letter attached hereto as Exhibit B.

(b) Any alterations, additions, or improvements made by or on behalf of Tenant to the Premises after the Commencement Date ("**Tenant-Made Alterations**") shall be subject to Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Tenant shall cause, at its expense, all Tenant-Made Alterations to comply with insurance requirements and with Legal Requirements and shall construct at its expense any alteration or modification required by Legal Requirements as a result of any Tenant-Made Alterations.

Without the necessity of obtaining Landlord's consent, Tenant may install such counters, partitions, walls, shelving, fixtures, fittings, machinery and equipment in the Premises as Tenant deems necessary to conduct its business. Tenant shall also be permitted to make any Tenant-Made Alterations to the Premises after the Commencement Date without having to obtain Landlord's consent so long as said Alterations (a) cost less than Two Hundred Thousand Dollars (\$200,000) in each instance, (b) do not affect the structural, electrical, mechanical or life safety systems of the Building, and (c) are compliant with all applicable law, including building and zoning codes.

(c) All Tenant-Made Alterations shall be constructed in a good and workmanlike manner by contractors reasonably acceptable to Landlord and only good grades of materials shall be used. All plans and specifications for any Tenant-Made Alterations shall be submitted to Landlord for its approval, which approval shall not be unreasonably withheld, conditioned or delayed. Landlord may monitor construction of the Tenant-Made Alterations. Tenant shall reimburse Landlord for its costs in reviewing plans and specifications and in monitoring construction not to exceed five percent (5%) of the cost of such Tenant-Made Alterations. Landlord's right to review plans and specifications and to monitor construction shall be solely for its own benefit, and Landlord shall have no duty to see that such plans and specifications or construction comply with applicable laws, codes, rules and regulations.

(d) Tenant shall provide Landlord with the identities and mailing addresses of all persons performing work or supplying materials, prior to beginning such construction, and Landlord may post on and about the Premises notices of non-responsibility pursuant to applicable law. Tenant shall provide certificates of insurance for worker's compensation and other coverage in amounts and from an insurance company reasonably satisfactory to Landlord protecting Landlord against liability for personal injury or property damage during construction. Upon completion of any Tenant-Made Alterations, Tenant shall promptly deliver to Landlord final lien waivers from all contractors and subcontractors performing work or supplying materials following Landlord's written request for the same.

(e) Tenant may, prior to expiration or earlier termination of the Lease, remove any Tenant-Made Alterations without the consent of Landlord, provided that Tenant, at its sole expense, shall repair any and all damage caused by such removal and restore the portion of the Premises affected by such removal to the same condition as existed prior to the installation of such Tenant-Made Alteration.

(f) Upon surrender of the Premises, all Tenant-Made Alterations and any leasehold improvements constructed by Landlord or Tenant shall remain on the Premises as Landlord's property, provided that Tenant shall remove all trade fixtures, furniture and equipment and any Tenant-Made Alterations for which Landlord's approval was given on the condition that Tenant remove of the same upon surrender of the Premises. Notwithstanding anything to the contrary in subsection (e) above or this subsection (f), Landlord may require, either at the time of installation or at any time prior to the expiration or earlier termination of the Lease, that any heating, ventilation and air conditioning equipment installed

in the Premises or any portion of the Building as Tenant Work or Tenant-Made Alterations remain in place, and if Landlord so requires, such equipment shall be the property of Landlord at no additional cost to Landlord.

(g) Tenant, at its own cost and expense and without Landlord's prior approval, may erect such shelves, bins, machinery and trade fixtures (collectively "**Trade Fixtures**") in the ordinary course of its business provided that such items do not alter the basic character of the Premises, do not overload or damage the Premises, and may be removed without injury to the Premises, and the construction, erection, and installation thereof complies with all Legal Requirements and with Landlord's requirements set forth above. Prior to the expiration or termination of this Lease, Tenant, at its sole expense, shall remove its Trade Fixtures and shall repair any and all damage caused by such removal.

(h) Notwithstanding the foregoing, Tenant shall be permitted to install and maintain, at its sole cost and expense, an emergency generator to service the Premises in a location reasonably approved by Landlord. Tenant may also install a television or satellite antenna (the "**Antenna**") on the roof of the Premises of a size and in a location approved by Landlord, which approval shall not be unreasonably withheld or conditioned, provided that the Antenna may not materially interfere with any other communications equipment located in the Project. Landlord makes no representation or warranty whatsoever (i) concerning the condition or safety of the roof, (ii) that installation of the Antenna will be permitted under applicable laws, or (iii) that the Antenna will function as intended. If at any time Tenant's use of the roof or the Antenna ceases to be permitted under applicable laws, Tenant's rights under this Section shall terminate and be of no further force or effect. Upon termination of Tenant's rights under this Section or upon Lease termination, Tenant at its sole cost and expense shall promptly remove the Antenna and all related improvements, wiring and equipment from the Building and shall restore the Building to its condition prior to such installation. Tenant shall be solely responsible for installation and maintenance of the Antenna and all related improvements, wiring and equipment, installed by Tenant and shall ensure that installation and maintenance thereof do not void or limit any warranty Landlord may have on the roof or roof membrane. Tenant shall provide Landlord with full plans and specifications for the Antenna and any related improvements, wiring and equipment for Landlord's approval prior to installation thereof, which approval shall not be unreasonably withheld, conditioned or delayed, and such plans shall include details regarding Tenant's proposed method of installation. Prior to commencement of any work under this Section, Tenant shall obtain and deliver to Landlord all necessary governmental permits, if any.

13. **Signs.** All signs, decorations, advertising media, blinds, draperies and other window treatment or bars or other security installations visible from outside the Premises shall be subject to Landlord's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed, and shall conform in all respects to Landlord's reasonable requirements. Tenant shall not make any changes to the exterior of the Premises, install any exterior lights, decorations, balloons, flags, pennants, banners, or painting, or erect or install any signs, windows or door lettering, placards, decorations, or advertising media of any type which can be viewed from the exterior of the Premises, without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed, subject to this section. Landlord shall not be required to notify Tenant of whether it consents to any sign until it (a) has received detailed, to-scale drawings thereof specifying design, material composition, color scheme, and method of installation, and (b) has had a reasonable opportunity to review them. Upon surrender or vacation of the Premises, Tenant shall have removed all signs and repair, paint, and/or replace the building facia surface to which its signs are attached. Tenant shall obtain all applicable governmental permits and approvals for sign and exterior treatments. In accordance with the standard signage program of the Building, Landlord will, at its sole costs and expense, install Tenant's name on the directory board in the lobby of the Building and suite entry to the Premises. In addition, effective as of the Commencement Date and continuing throughout the Lease Term, Tenant shall have the right to install

one sign on the exterior of the Building in a location and of a size and dimension reasonably acceptable to Landlord.

14. **Parking.** Tenant shall be entitled to parking in an amount that is the greater of: (i) 5 spaces per 1,000 square feet of net floor area (commonly referred to as Useable square feet,) or (ii) forty-eight (48) vehicle parking spaces. Such parking shall be in common with other tenants of the Project in those areas designated by Landlord for non-reserved parking, on a first come, first served basis, subject to Tenant's obligation to comply with all Legal Requirements, the terms of this Lease and all rules and regulations which are reasonably prescribed from time to time by Landlord. Such parking shall be provided in accordance with all applicable federal, state and local laws, ordinances and regulations. At least ten percent (10%) of such stalls shall be handicap parking spaces, and Landlord shall cause at least one of such stalls to be for ambulance parking. Landlord shall use commercially reasonable efforts to cause as many of the foregoing stalls as reasonably possible to be located immediately in front of the Building. From time to time, Landlord may allocate the number of parking spaces among Tenant and other tenants in the Project at Landlord's sole and reasonable discretion. Landlord shall make commercially reasonable efforts to enforce Tenant's parking rights upon notification from Tenant that a violation of such rights exists. All motor vehicles (including all contents thereof) shall be parked in the Project's parking areas at the sole risk of Tenant, it being expressly agreed and understood Landlord has no duty to insure any of said motor vehicles (including the contents thereof), and Landlord is not responsible for the protection and security of such vehicles. Landlord reserves the right to change the location, configuration, size or other characteristic of the parking space and parking areas upon written notice to Tenant. In the event that Tenant exceeds the number of parking spaces listed above or does not otherwise strictly comply with the provisions of this Section 14 and any additional rules and regulations promulgated by Landlord, then Landlord, upon posting of twenty-four (24) hours' advance notice on any vehicles in violation of such terms, Landlord or its agents may tow such vehicles from the Project and the vehicle's owner shall be responsible for any costs associated with such removing, including towing fees, taxes and any related storage fees. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LEASE, LANDLORD SHALL HAVE NO LIABILITY WHATSOEVER FOR ANY PROPERTY DAMAGE OR LOSS WHICH MIGHT OCCUR ON THE PARKING AREAS OR AS A RESULT OF OR IN CONNECTION WITH THE PARKING OF MOTOR VEHICLES IN ANY OF THE PARKING SPACES, UNLESS DUE TO LANDLORD'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

15. **Restoration.**

(a) If at any time during the Lease Term the Premises are damaged by a fire or other casualty, Landlord shall notify Tenant within sixty (60) days after such damage as to the amount of time Landlord reasonably estimates it will take to restore the Premises. If the restoration time is estimated to exceed 180 days from the date Landlord receives all permits, approvals, and licenses required to begin reconstruction, either Landlord or Tenant may elect to terminate this Lease upon notice to the other party given no later than thirty (30) days after Landlord's notice. If neither party elects to terminate this Lease or if Landlord estimates that restoration will take 180 days or less, then, subject to receipt of sufficient insurance proceeds, Landlord shall promptly restore the Premises excluding the Tenant-Made Alterations and/or Tenant Improvements installed by Tenant or by Landlord and paid by Tenant, subject to delays arising from the collection of insurance proceeds or from Force Majeure events. Tenant at Tenant's expense shall promptly perform, subject to delays arising from the collection of insurance proceeds, or from Force Majeure events, all repairs or restoration not required to be done by Landlord and shall use diligent efforts to commence to treat patients at the Premises. Base Rent and Operating Expenses shall be abated for the period of repair and restoration in the proportion which the area of the Premises, if any, which is not usable by Tenant bears to the total area of the Premises. Notwithstanding the foregoing, either party may terminate this Lease upon thirty (30) days written notice to the other if the Premises are

damaged during the last year of the Lease Term and Landlord reasonably estimates that it will take more than thirty (30) days to repair such damage. Tenant shall pay to Landlord, within thirty (30) days following Landlord's demand therefor, the amount of the deductible under Landlord's insurance policy (which deductible shall not exceed \$25,000.00 per occurrence). If the damage involves portions of the Building other than the Premises, Tenant shall pay only a portion of the deductible based on the ratio of the costs of repairing the damage to the Premises to the total cost of repairing all of the damage to the Building.

(b) If the Premises are destroyed or substantially damaged by any peril not covered by the insurance maintained by Landlord or any Landlord's mortgagee requires that insurance proceeds be applied to the indebtedness secured by its mortgage (defined hereinafter), Landlord may terminate this Lease by delivering written notice of termination to Tenant within thirty (30) days after such destruction or damage or such requirement is made known by any such Landlord's mortgagee, as applicable, whereupon all rights and obligations hereunder shall cease and terminate, except for any liabilities of Tenant which accrued prior to Lease termination. If Landlord elects to repair or restore such damage or destruction, this Lease shall continue in full force and effect, but Base Rent and Tenant's share of Operating Expense shall be proportionately reduced as provided in Section 15(a). If Landlord elects to terminate this Lease, such termination shall be effective as of the date of the occurrence of such damage or destruction.

(c) Notwithstanding the foregoing, if the Premises or the Project are wholly or partially damaged or destroyed as a result of the negligence or willful misconduct or omission of Tenant, Tenant shall forthwith diligently undertake to repair or restore all such damage or destruction at Tenant's sole cost and expense, or Landlord may at its option undertake such repair or restoration at Tenant's sole cost and expense; provided, however, that Tenant shall be relieved of its repair and payment obligations pursuant to this Section 15(c) to the extent that insurance proceeds are collected by Landlord to repair such damage, although Tenant shall in such events pay to Landlord the full amount of the deductible under Landlord's insurance policy and any amounts not insured. This Lease shall continue in full force and effect without any abatement or reduction in Base Rent or Operating Expenses or other payments owed by Tenant.

(d) The provisions of this Section 15 shall constitute Tenant's sole and exclusive remedy in the event of damage or destruction to the Premises or Project, and Tenant waives and releases all statutory rights and remedies in favor of Tenant in the event of damage or destruction. No damages, compensation or claim shall be payable by Landlord for any inconvenience, any interruption or cessation of Tenant's business, or any annoyance, arising from any damage or destruction of all or any portion of the Premises or Project.

16. **Condemnation.** If any part of the Premises or the Project should be taken for any public or quasi-public use under governmental law, ordinance, or regulation, or by right of eminent domain, or by private purchase in lieu thereof (a "**Taking**" or "**Taken**"), and (a) the Taking would prevent or materially interfere with Tenant's use of the Premises, (b) in Landlord's reasonable judgment would materially interfere with or impair its ownership or operation of the Project or (c) as a result of such Taking, Landlord's mortgagee accelerates the payment of any indebtedness securing all or a portion of the Project, then upon written notice by Landlord this Lease shall terminate and Base Rent shall be apportioned as of said date. If part of the Premises shall be Taken, and this Lease is not terminated as provided above, the Base Rent payable hereunder during the unexpired Lease Term shall be reduced to such extent as may be fair and reasonable under the circumstances, and Landlord shall restore the Premises as near as reasonably attainable to its condition prior to the Taking; provided, however, Landlord's obligation to so restore the Premises shall be limited to the award Landlord receives in respect of such Taking that is not required to be applied to the indebtedness secured by a mortgage. In the event

of any such Taking, Landlord shall be entitled to receive the entire price or award from any such Taking without any payment to Tenant, and Tenant hereby assigns to Landlord Tenant's interest, if any, in such award, including, without limitation any award for a Taking of Tenant's leasehold interest hereunder. Tenant shall have the right, to the extent that same shall not diminish Landlord's award, to make a separate claim against the condemning authority (but not Landlord) for such compensation as may be separately awarded or recoverable by Tenant for moving expenses and damage to Tenant's Trade Fixtures, if a separate award for such items is made to Tenant. This section shall be Tenant's sole and exclusive remedy in the event of any taking and Tenant hereby waives any rights and the benefits of any statute granting Tenant specific rights in the event of a Taking which are inconsistent with the provisions of this Section.

17. **Assignment and Subletting.**

(a) Without Landlord's prior written consent, which shall not be unreasonably withheld, Tenant shall not assign this Lease or sublease the Premises or any part thereof or mortgage, pledge, or hypothecate its leasehold interest or grant any concession or license within the Premises (each being a "**Transfer**") and any attempt to do any of the foregoing shall be void and of no effect. For purposes of this Section 17, a transfer of the ownership interests controlling Tenant shall be deemed a Transfer of this Lease unless such ownership interests are publicly traded. Notwithstanding the above, Tenant may assign or sublet the Premises, or any part thereof, to any entity controlling Tenant, controlled by Tenant or under common control with Tenant (a "**Tenant Affiliate**"), without the prior written consent of Landlord; provided, however, Tenant shall provide at least ten (10) days written notice prior to assigning this Lease to, or entering into any sublease with, any Tenant Affiliate. Tenant may also, without Landlord's consent, enter into a sublease with any doctor or medical director associated with Tenant, provided that no more than ten percent (10%) of the Premises are sublet. Tenant shall reimburse Landlord for all of Landlord's reasonable out-of-pocket expenses in connection with any Transfer, other than to a Tenant Affiliate. Upon Landlord's receipt of Tenant's written notice of a desire to assign or sublet the Premises, or any part thereof (other than to a Tenant Affiliate), Landlord may, by giving written notice to Tenant within thirty (30) days after receipt of Tenant's notice, either consent to or deny Tenant's request for a Transfer. Tenant acknowledges and agrees that Landlord may withhold its consent to any proposed assignment or subletting for any reasonable basis including, but not limited to: (1) Tenant is in default of this Lease; (2) the assignee or subtenant is unwilling to assume in writing all of Tenant's obligations hereunder; (3) the assignee or subtenant has a financial condition which is reasonably unsatisfactory to Landlord or Landlord's mortgagee; (4) the Premises will be used for different purposes than those set forth in Section 3(a) or for a use requiring or generating Hazardous Materials, or (5) the proposed assignee or subtenant or an affiliate thereof is an existing tenant in the Project or is or has been in discussions with Landlord regarding space within the Project.

(b) Notwithstanding any Transfer, Tenant and any guarantor or surety of Tenant's obligations under this Lease shall at all times remain fully responsible and liable for the payment of the rent and for compliance with all of Tenant's other obligations under this Lease (regardless of whether Landlord's approval has been obtained for any such Transfer). In the event that the rent due and payable by a sublessee or assignee (or a combination of the rental payable under such sublease or assignment plus any bonus or other consideration therefor or incident thereto) exceeds the rental payable under this Lease, then Tenant shall be bound and obligated to pay Landlord as additional rent hereunder 50% of all such excess rental and other excess consideration within ten (10) days following receipt thereof by Tenant. If such Transfer is for less than all of the Premises, such excess rental and other excess consideration shall be calculated on a rentable square foot basis.

(c) If this Lease is assigned or if the Premises is subleased (whether in whole or in part) or in the event of the mortgage, pledge, or hypothecation of Tenant's leasehold interest or grant of

any concession or license within the Premises or if the Premises be occupied in whole or in part by anyone other than Tenant, then upon a default by Tenant hereunder Landlord may collect rent from the assignee, sublessee, mortgagee, pledgee, party to whom the leasehold interest was hypothecated, concessionee or licensee or other occupant and, except to the extent set forth in the preceding subsection, apply the amount collected to the next rent payable hereunder; and all such rentals collected by Tenant shall be held in trust for Landlord and immediately forwarded to Landlord. No such transaction or collection of rent or application thereof by Landlord, however, shall be deemed a waiver of these provisions or a release of Tenant from the further performance by Tenant of its covenants, duties, or obligations hereunder. Any approved assignment or sublease shall be expressly subject to the terms and conditions of this Lease. Landlord's consent to any Transfer shall not waive Landlord's rights as to any subsequent Transfers. Notwithstanding anything to the contrary contained in this Lease, if Tenant or any proposed transferee claims that Landlord has unreasonably withheld or delayed its consent under this Section 17 or otherwise has breached or acted unreasonably under this Section 17, their sole remedies shall be a declaratory judgment and an injunction for the relief sought without any monetary damages, and Tenant hereby waives all other remedies, including, without limitation, any right at law or equity to terminate this Lease, on its own behalf and, to the extent permitted under all applicable laws, on behalf of the proposed transferee.

18. **Indemnification.** Tenant agrees to indemnify, defend (with counsel reasonably acceptable to Landlord) and hold harmless Landlord, and Landlord's agents, employees and contractors, from and against any and all claims, demands, losses, liabilities, causes of action, suits, judgments, damages, costs and expenses (including attorneys' fees) (collectively, "**Claims**"), arising from any occurrence in or about the Premises, the use and occupancy of the Premises, or from any activity, work, or thing done, permitted or suffered by Tenant, its agents, employees, contractors, shareholders, partners, invitees, subtenants or assignees in or about the Premises or due to any other act or omission of Tenant, its subtenants, assignees, invitees, employees, contractors and agents, or from Tenant's failure to perform its obligations under this Lease (other than any loss arising from the gross negligence of Landlord or its agents) This indemnity provision shall survive termination or expiration of this Lease. The furnishing of insurance required hereunder shall not be deemed to limit Tenant's obligations under this Section 18.

Landlord agrees to indemnify, defend (with counsel reasonably acceptable to Landlord) and hold harmless Tenant, and Tenant's agents, employees and invitees, from and against any and all **Claims** arising from any activity, work, or thing done, permitted or suffered by Landlord, its agents, employees, or contractors, in or about the Property or due to any other act or omission of Landlord, its employees, contractors and agents, or from Landlord's failure to perform its obligations under this Lease (other than any loss arising from the negligence or willful misconduct of Tenant). This indemnity provision shall survive termination or expiration of this Lease. The furnishing of insurance required hereunder shall not be deemed to limit Landlord's obligations under this Section 18. Landlord shall not be liable to Tenant, and Tenant hereby waives all Claims against Landlord and the other indemnified parties, for any damages arising from any act, omission or neglect of any other tenant in the Project and in no event shall Landlord or any of the other indemnified parties be liable for any injury or interruption to Tenant's business or any loss of income therefrom under any circumstances, except as otherwise provided in this Lease and neither Landlord nor any of the other indemnified parties shall be liable for any indirect or consequential losses or damages suffered by Tenant. Solely for the purpose of effectuating Tenant's indemnification obligations under this Lease, and not for the benefit of any third parties (including but not limited to employees of Tenant), Tenant specifically and expressly waives any immunity that may be granted it under the Washington State Industrial Insurance Act, Title 51 of the Revised Code of Washington ("**RCW**"). Furthermore, the indemnification obligations under this Lease shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable to or for any third party under Worker Compensation Acts, Disability Benefit Acts or other employee benefit acts. The

parties acknowledge that the foregoing provisions of this section have been specifically and mutually negotiated between the parties.

19. **Inspection and Access.** So long as Landlord makes diligent efforts to minimize interference with Tenant's use of the Premises, Landlord and its agents, representatives, and contractors may enter the Premises at any reasonable time upon reasonable notice to inspect the Premises and to make such repairs as may be required or permitted pursuant to this Lease and for any other reasonable business purpose. Landlord and Landlord's representatives may enter the Premises during business hours upon reasonable for the purpose of showing the Premises to prospective purchasers or, during the last year of the Lease Term, to prospective tenants, so long as Landlord makes diligent efforts to minimize interference with Tenant's use of the Premises. Landlord may erect a suitable sign on the Premises stating the Premises are available to let or that the Project is available for sale. Landlord may grant easements, make public dedications, designate common areas and create restrictions on or about the Premises, provided that no such easement, dedication, designation or restriction materially interferes with Tenant's use or occupancy of the Premises. At Landlord's request, Tenant shall execute such commercially reasonable instruments as may be necessary for such easements, dedications or restrictions.

Landlord acknowledges that Tenant is subject to the provisions of the Health Insurance Portability and Accountability Act of 1996 and related regulations ("**HIPAA**"), and that HIPAA requires Tenant to ensure the safety and confidentiality of patient medical records. Landlord further acknowledges that, in order for Tenant to comply with HIPAA, Tenant must restrict access to the portions of the Premises where patient medical records are kept or stored. Landlord hereby agrees that, except for an emergency entry into the Premises or when accompanied by an authorized representative of Tenant, neither Landlord nor its employees, agents, representatives or contractors shall be permitted to enter those areas of the Premises designated by Tenant as locations where patient medical records are kept and/or stored.

20. **Quiet Enjoyment.** If Tenant shall perform all of the covenants and agreements herein required to be performed by Tenant, Tenant shall, subject to the terms of this Lease, any ground lease, mortgage or deed of trust now or hereafter encumbering the Premises and all matters of record, at all times during the Lease Term, have peaceful and quiet enjoyment of the Premises against any person claiming by, through or under Landlord, but not otherwise.

21. **Surrender.** No act by Landlord shall be an acceptance of a surrender of the Premises, and no agreement to accept a surrender of the Premises shall be valid unless it is in writing and signed by Landlord. Upon termination of the Lease Term or earlier termination of Tenant's right of possession, subject to Section 12 hereof with regards to Tenant-Made Alterations, Tenant shall surrender the Premises to Landlord in the same condition as received, broom clean, ordinary wear and tear and casualty loss and condemnation covered by Sections 15 and 16 excepted. Upon Landlord's written request, Tenant shall meet with Landlord for a joint inspection of the Premises at the time of vacating. In the event of Tenant's failure to participate in such joint inspection, Landlord's inspection shall be deemed conclusive for purposes of determining Tenant's responsibility for repairs and restoration. No such performance by Landlord shall create any liability on the part of Landlord whatsoever. Landlord may also elect to engage, at Tenant's cost not to exceed \$5,000.00, a third party HVAC expert to conduct an audit of building standard systems affected by any Tenant Work or Tenant-Made Alterations to determine the condition of and need for repairs or maintenance to such building standard systems. Any Trade Fixtures, Tenant-Made Alterations and property not removed by Tenant as permitted or required herein (other than any of the foregoing which Landlord elects to retain pursuant to Section 12) shall be deemed abandoned and may be stored, removed, and disposed of by Landlord at Tenant's expense, and Tenant waives all claims against Landlord for any damages resulting from Landlord's retention and disposition of such property. All obligations of Tenant hereunder not fully performed as of the termination of the Lease Term shall survive the termination of the Lease Term, including without limitation, indemnity

obligations, payment obligations with respect to Operating Expenses and all obligations concerning the condition and repair of the Premises. If Tenant fails to perform any obligation prior to the expiration or earlier termination of this Lease, Landlord may, but shall not be obligated to, perform such obligation and Tenant shall pay Landlord all costs associated therewith, plus an administrative fee of 15% of such costs, promptly upon Landlord's delivery to Tenant of an invoice therefor, and any time required by Landlord to complete such obligations shall be considered a period of holding over and the terms of Section 22 shall apply.

22. **Holding Over.** If Tenant fails to vacate the Premises after the termination of the Lease Term, Tenant shall be, at Landlord's sole election, a tenant at will or at sufferance, and Tenant shall pay, in addition to any other rent or other sums then due Landlord, base rental equal one hundred fifty percent (150%) of the Base Rent in effect on the expiration or termination date, computed on a monthly basis for each month or part thereof during such holdover, even if Landlord consents to such holdover (which consent shall be effective only if in writing). All other payments shall continue under the terms of this Lease. Tenant shall also be liable for all Operating Expenses incurred during such holdover period. In addition, Tenant shall be liable for all damages (including attorneys' fees and expenses) of whatever type (including consequential damages) incurred by Landlord as a result of such holding over. No holding over by Tenant, whether with or without consent of Landlord, shall operate to extend this Lease except as otherwise expressly provided, and this Section 22 shall not be construed as consent for Tenant to retain possession of the Premises.

23. **Events of Default.** Each of the following events shall be an event of default ("**Event of Default**") by Tenant under this Lease:

(a) Tenant shall fail to pay any installment of Base Rent or any other payment required herein when due, and such failure shall continue for a period of five (5) days from Tenant's receipt of written notice from Landlord.

(b) Tenant or any guarantor or surety of Tenant's obligations hereunder shall (1) make a general assignment for the benefit of creditors; (2) commence any case, proceeding or other action seeking to have an order for relief entered on its behalf as a debtor or to adjudicate it a bankrupt or insolvent, or seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts or seeking appointment of a receiver, trustee, custodian or other similar official for it or for all or of any substantial part of its property (collectively a "**Proceeding For Relief**"); (3) become the subject of any Proceeding For Relief which is not dismissed within sixty (60) days of its filing or entry; or (4) die or suffer a legal disability (if Tenant, guarantor, or surety is an individual) or be dissolved or otherwise fail to maintain its legal existence (if Tenant, guarantor or surety is a corporation, partnership or other entity).

(c) Any insurance required to be maintained by Tenant pursuant to this Lease shall be canceled or terminated or shall expire or shall be reduced or materially changed, except, in each case, as permitted in this Lease.

(d) Tenant shall vacate the Premises for a period of thirty (30) consecutive days or more without Landlord's consent.

(e) There shall occur any assignment, subleasing or other transfer of Tenant's interest in or with respect to this Lease except as otherwise permitted in this Lease.

(f) Tenant shall fail to discharge or bond over any lien placed upon the Premises in violation of this Lease within thirty (30) days after any such lien or encumbrance is filed against the Premises.

(g) Tenant shall fail to execute any instrument of subordination or attornment or any estoppel certificate within the time periods set forth in Sections 27 and 29 respectively following Landlord's request for the same.

(h) Tenant shall fail to comply with any provision of this Lease other than those specifically referred to in this Section 23, and except as otherwise expressly provided herein, such default shall continue for more than thirty (30) days after Landlord shall have given Tenant written notice of such default (unless such performance will, due to the nature of the obligation, require a period of time in excess of thirty (30) days, then after such period of time as is reasonably necessary, but in no event greater than sixty (60) days).

The failure of Tenant or Tenant's employees, agents or representatives to observe or comply with any of the rules and regulations of the Project as the same may be amended from time to time, and such failure shall continue for five (5) days or more after written notice from Landlord to Tenant, or, if such failure cannot be cured within five (5) days, such longer period as is reasonably necessary to remedy such default but in no event to exceed thirty (30) days; provided, however, that if Tenant or Tenant's employees, agents or representatives shall breach the same rule or regulation more than two (2) times in any twelve (12) month period, then the third (3rd) such violation shall be deemed an Event of Default (without any notice).

Any notices to be provided by Landlord under this Section 23 shall be in lieu of, and not in addition to, any notice required under applicable Washington laws, including without limitation Title 59 RCW.

24. **Landlord's Remedies.** Upon the occurrence of any default, Landlord shall have the following rights and remedies, in addition to those allowed by law or in equity, any one or more of which may be exercised or not exercised without precluding the Landlord from exercising any other remedy provided in this Lease or otherwise allowed by law or in equity:

(a) **Termination of Lease.** Landlord may terminate this Lease and Tenant's right to possession of the Premises. If Tenant has abandoned and vacated the Premises, the mere entry of the Premises by Landlord in order to perform acts of maintenance, cure defaults, preserve the Premises or to attempt to relet the Premises, or the appointment of a receiver in order to protect the Landlord's interest under this Lease, shall not be deemed a termination of Tenant's right to possession or a termination of this Lease unless Landlord has notified Tenant in writing that this Lease is terminated. Notification of any default described in Section 23 of this Lease shall be in lieu of, and not in addition to, any notice required under applicable Washington law, including without limitation Title 59 RCW. If Landlord terminates this Lease and Tenant's right to possession of the Premises, Landlord may recover from Tenant:

(1) The worth at the time of the award of unpaid rent which had been earned at the time of termination; plus

(2) The worth at the time of the award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(3) The worth at the time of the award of the amount by which the unpaid rent for the balance of the Lease Term after the time of the award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; plus

(4) Any other amounts necessary to compensate the Landlord for all of the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including any legal expenses, brokers' commissions or finders fees (in connection with reletting the Premises and the pro rata portion of any leasing commission paid by Landlord in connection with this Lease which is applicable to the portion of the Lease Term, including option periods, which is unexpired as of the date on which this Lease terminated), the costs of repairs, cleanup, refurbishing, removal and storage or disposal of Tenant's personal property, equipment, fixtures and anything else that Tenant is required under this Lease to remove but does not remove (including those Tenant-Made alterations which Tenant is required to remove pursuant to Section 12 and Landlord actually removes), and any costs for alterations, additions and renovations incurred by Landlord in regaining possession of and getting the Premises to the condition which existed as of the Commencement Date. Tenant shall also reimburse Landlord for the pro rata portion of leasehold improvement costs paid by Landlord to install leasehold improvements on the Premises which is applicable to that portion of the Lease Term including any terminated option periods which is unexpired as of the date on which this Lease terminated, discounted to present value.

All computations of the "worth at the time of the award" of amounts recoverable by Landlord under (1) and (2) hereof shall be computed by allowing interest at the maximum lawful contract rate per annum. The "worth at the time of the award" recoverable by Landlord under (3) and the discount rate for purposes of determining any amounts recoverable under (4), if applicable, shall be computed by discounting the amount recoverable by Landlord at the discount rate of the Federal Reserve Bank, San Francisco, California, at the time of the award plus one percent (1%).

Upon termination of this Lease, whether by lapse of time or otherwise, Tenant shall immediately vacate the Premises and deliver possession to Landlord, and Landlord shall have the right to re-enter the Premises.

(b) **Lease to Remain in Effect.** Notwithstanding Landlord's right to terminate this Lease, Landlord may, at its option, even though Tenant has breached this Lease and abandoned the Premises, continue this Lease in full force and effect and not terminate Tenant's right to possession, and enforce all of Landlord's rights and remedies under this Lease. In such event, Landlord may continue the Lease in effect after Tenant's breach and abandonment and recover rent as it becomes due. Further, in such event Landlord shall be entitled to recover from Tenant all costs of maintenance and preservation of the Premises, and all costs, including attorneys' fees and receivers' fees, incurred in connection with appointment of and performance by a receiver to protect the Premises and Landlord's interest under this Lease. Neither re-entry or taking possession of the Premises by Landlord nor service of any notice permitted or required under Title 59 RCW shall be construed as an election to terminate this Lease unless a notice (signed by a duly authorized representative of Landlord) of intention to terminate this Lease is given to Tenant.

(c) **All Sums Collectible as Rent.** All sums due and owing to Landlord by Tenant under this Lease shall be collectible by Landlord as rent.

(d) **No Surrender.** No act or omission by Landlord or its agents during the Lease Term shall be an acceptance of a surrender of the Premises, and no agreement to accept a surrender of the Premises shall be valid unless made in writing and signed by a duly authorized representative of

Landlord. Landlord shall be entitled to a restraining order or injunction to prevent Tenant from defaulting under any of its obligations other than the payment of rent or other sums due hereunder.

(e) **Effect of Termination.** Neither the termination of this Lease nor the exercise of any remedy under this Lease or otherwise available at law or in equity shall affect Landlord's right of indemnification set forth in this Lease or otherwise available at law or in equity for any act or omission of Tenant, and all rights to indemnification and other obligations of Tenant intended to be performed after termination of this Lease shall survive termination of this Lease.

25. **Tenant's Remedies/Limitation of Liability.** Landlord shall not be in default hereunder unless Landlord fails to perform any of its obligations hereunder within thirty (30) days after written notice from Tenant specifying such failure (unless such performance will, due to the nature of the obligation, require a period of time in excess of thirty (30) days, then after such period of time as is reasonably necessary). All obligations of Landlord hereunder shall be construed as covenants, not conditions; and Tenant may not terminate this Lease for breach of Landlord's obligations hereunder. Tenant hereby waives the benefit of any laws granting it the right to perform Landlord's obligations or the right to terminate this Lease or withhold rent on account of any Landlord default.

All obligations of Landlord under this Lease will be binding upon Landlord only during the period of its ownership of the Premises and not thereafter. The term "Landlord" in this Lease shall mean only the owner, for the time being of the Premises, and in the event of the transfer by such owner of its interest in the Premises, such owner shall thereupon be released and discharged from all obligations of Landlord thereafter accruing, but such obligations shall be binding during the Lease Term upon each new owner for the duration of such owner's ownership. Any liability of Landlord (and its partners, shareholders or members) to Tenant (or any person or entity claiming by, through or under Tenant) for any default by Landlord under this Lease or arising out of the relationship between Landlord and Tenant shall be limited solely to Tenant's actual direct, but not consequential, damages therefor and shall be recoverable only from Landlord's equity interest in the Property, and in no event shall any personal liability be asserted against Landlord, its partners, shareholders, members, directors, employees or agents in connection with this Lease nor shall any recourse be had to any other property or assets of Landlord.

26. **Waiver of Jury Trial.** TO THE FULLEST EXTENT PERMITTED BY LAW, TENANT AND LANDLORD WAIVE ANY RIGHT TO TRIAL BY JURY OR TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE, BETWEEN LANDLORD AND TENANT ARISING OUT OF THIS LEASE OR ANY OTHER INSTRUMENT, DOCUMENT, OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS RELATED HERETO.

27. **Subordination.**

(a) This Lease and Tenant's interest and rights hereunder, including the covenant of quiet enjoyment, are and shall be subject and subordinate at all times to the lien of any deed of trust or mortgage or any ground lease, now existing or hereafter created on or against the Project or the Premises, and all amendments, restatements, renewals, modifications, consolidations, refinancing, assignments and extensions thereof, without the necessity of any further instrument or act on the part of Tenant. Tenant agrees, at the election of the holder of any such mortgage, to attorn to any such holder. The provisions of this Section 27 shall be self-operative and no further instrument shall be required to effect such subordination or attornment; however, Tenant agrees to execute, acknowledge and deliver such commercially reasonable instruments, confirming such subordination and such instruments of attornment as shall be requested by any such holder within fifteen (15) days after Tenant's receipt of such request. Tenant's obligation to furnish each such instrument requested hereunder in the time period provided is a

material inducement for Landlord's execution of this Lease and any failure of Tenant to timely deliver each instrument shall be deemed an Event of Default.

(b) Notwithstanding the foregoing, any such holder may at any time subordinate its mortgage to this Lease, without Tenant's consent, by notice in writing to Tenant, and thereupon this Lease shall be deemed prior to such mortgage without regard to their respective dates of execution, delivery or recording and in that event such holder shall have the same rights with respect to this Lease as though this Lease had been executed prior to the execution, delivery and recording of such mortgage and had been assigned to such holder. The term "mortgage" whenever used in this Lease shall be deemed to include deeds of trust, security assignments and any other encumbrances, and any reference to the "holder" of a mortgage shall be deemed to include the beneficiary under a deed of trust.

(c) Tenant shall not seek to enforce any remedy it may have for any default on the part of Landlord without first giving written notice by certified mail, return receipt requested, or via overnight courier, specifying the default in reasonable detail to any mortgage holder whose address has been given to Tenant, and affording such mortgage holder a reasonable opportunity to perform Landlord's obligations hereunder. Notwithstanding any such attornment or subordination of a mortgage to this Lease, the holder of any mortgage shall not be liable for any acts of any previous landlord, shall not be obligated to install any tenant improvements, and shall not be bound by any amendment to which it did not consent in writing nor any payment of rent made more than one month in advance.

(d) Upon mutual execution hereof, Landlord shall make commercially reasonable efforts to obtain from its lender an executed Subordination, Nondisturbance and Attornment Agreement confirming the terms of this Section 27 and provide the same to Tenant for execution.

28. **Mechanic's Liens.** Tenant has no express or implied authority to create or place any lien or encumbrance of any kind upon, or in any manner to bind the interest of Landlord or Tenant in, the Premises or to charge the rentals payable hereunder for any claim in favor of any person dealing with Tenant, including those who may furnish materials or perform labor for any construction or repairs. Tenant covenants and agrees that it will pay or cause to be paid all sums legally due and payable by it on account of any labor performed or materials furnished in connection with any work performed on the Premises on behalf of Tenant, and that it will save and hold Landlord harmless from all loss, cost or expense based on or arising out of asserted claims or liens against the leasehold estate or against the interest of Landlord in the Premises or under this Lease. Tenant shall give Landlord immediate written notice of the placing of any lien or encumbrance against the Premises and cause such lien or encumbrance to be discharged within thirty (30) days of the filing or recording thereof; provided, however, Tenant may contest such liens or encumbrances as long as such contest prevents foreclosure of the lien or encumbrance and Tenant causes such lien or encumbrance to be bonded or insured over in a manner satisfactory to Landlord within such thirty (30) day period.

29. **Estoppel Certificates.** Tenant agrees, from time to time, within fifteen (15) days after receipt of written request from Landlord, to execute and deliver to Landlord, or Landlord's designee, any estoppel certificate requested by Landlord, stating that this Lease is in full force and effect, the date to which rent has been paid, that Landlord is not in default hereunder (or specifying in detail the nature of Landlord's default), the termination date of this Lease and such other matters pertaining to this Lease as may be requested by Landlord. Tenant's obligation to furnish each estoppel certificate in a timely fashion is a material inducement for Landlord's execution of this Lease and any failure of Tenant to timely deliver each estoppel certificate shall be deemed an Event of Default. No cure or grace period provided in this Lease shall apply to Tenant's obligation to timely deliver an estoppel certificate.

30. **Environmental Requirements.**

(a) Tenant shall comply with all laws governing the use, storage, disposal or generation of any Hazardous Material (as defined below), or pertaining to Environmental Requirements (as defined below) pertaining to Tenant's occupancy and use of the Premises and concerning the proper storage, handling and disposal of any Hazardous Material introduced to the Premises, the Building or the Project by Tenant or other occupants of the Premises, or their employees, servants, agents, contractors, customers or invitees. Landlord shall comply with all Environmental Requirements applicable to the Project other than those to be complied with by Tenant pursuant to the preceding sentence. Tenant shall not generate, store, handle or dispose of any Hazardous Material in, on, or about the Project without the prior written consent of Landlord, which may be withheld in Landlord's sole discretion, except that such consent shall not be required to the extent of Hazardous Materials used in *de minimus* quantities in the ordinary course of Tenant's business or Hazardous Materials packaged and contained in office products for consumer use in general business offices in quantities for ordinary day-to-day use provided such use does not give rise to, or pose a risk of, exposure to or release of Hazardous Material. In the event that Tenant is notified of any investigation or violation of any Environmental Requirement arising from Tenant's activities at the Premises, Tenant shall immediately deliver to Landlord a copy of such notice. In such event or in the event Landlord reasonably believes that a violation of any Environmental Requirement exists, Landlord may conduct such tests and studies relating to compliance by Tenant with Environmental Requirements or the alleged presence of Hazardous Material upon the Premises as Landlord deems desirable, all of which shall be completed at Landlord's expense unless it is determined that a violation of any Environmental Requirements exists due to Tenant's actions, in which case such tests and studies shall be at Tenant's expense, provided that Tenant shall have the burden of proof that any such violation does not result from Tenant's act. Any such testing shall be done during reasonable hours and upon reasonable notice, and in a manner that does not interfere with Tenant's use of the Premises. Landlord's inspection and testing rights are for Landlord's own protection only, and Landlord has not, and shall not be deemed to have assumed any responsibility to Tenant or any other party for compliance with Environmental Requirements, as a result of the exercise, or non-exercise of such rights.

(b) Tenant shall indemnify, defend, and hold Landlord harmless from and against any and all losses (including, without limitation, diminution in value of the Premises or the Project and loss of rental income from the Project), claims, demands, actions, suits, damages (including, without limitation, punitive damages), expenses (including, without limitation, remediation, removal, repair, corrective action, or cleanup expenses), and costs (including, without limitation, actual attorneys' fees, consultant fees or expert fees and including, without limitation, removal or management of any asbestos brought into the Premises or disturbed in breach of the requirements of this Section 30, regardless of whether such removal or management is required by law) which are brought or recoverable against, or suffered or incurred by Landlord as a result of any release of Hazardous Materials by Tenant or any breach of the requirements under this Section 30 by Tenant, its agents, employees, contractors, subtenants, assignees or invitees, regardless of whether Tenant had knowledge of such noncompliance. The obligations of Tenant under this Section 30 shall survive any termination of this Lease.

(c) In addition to all other rights and remedies available to Landlord under this Lease or otherwise, Landlord may, in the event of a breach of the requirements of this Section 30 that is not cured within thirty (30) days following notice of such breach by Landlord, require Tenant to provide financial assurance (such as insurance, escrow of funds or third party guarantee) in an amount and form reasonably satisfactory to Landlord. The requirements of this Section 30 are in addition to and not in lieu of any other provision in the Lease.

(d) The term "**Environmental Requirements**" means all applicable present and future statutes, regulations, ordinances, rules, codes, judgments, permits, authorizations, orders, policies

or other similar requirements of any governmental authority, agency or court regulating or relating to health, safety, or environmental conditions on, under, or about the Premises or the environment, including without limitation, the following: the Comprehensive Environmental Response, Compensation and Liability Act; the Resource Conservation and Recovery Act; the Clean Air Act; the Clean Water Act; the Toxic Substances Control Act and all state and local counterparts thereto, and any common or civil law obligations including, without limitation, nuisance or trespass, and any other requirements of Sections 3 and 31 of this Lease. The term "**Hazardous Material**" means and includes any substance, material, waste, pollutant, or contaminant that is or could be regulated under any Environmental Requirement or that may adversely affect human health or the environment, including, without limitation, any solid or hazardous waste, hazardous substance, asbestos, petroleum (including crude oil or any fraction thereof, natural gas, synthetic gas, polychlorinated biphenyls (PCBs), and radioactive material). For purposes of Environmental Requirements, to the extent authorized by law, Tenant is and shall be deemed to be the responsible party, including without limitation, the "owner" and "operator" of Tenant's "facility" and the "owner" of all Hazardous Materials brought on the Premises by Tenant, its agents, employees, contractors or invitees, and the wastes, by-products, or residues generated, resulting, or produced therefrom

31. **Rules and Regulations.** Tenant shall, at all times during the Lease Term and any extension thereof, comply with all reasonable rules and regulations at any time or from time to time established by Landlord covering use of the Premises and the Project. The current rules and regulations are attached hereto. In the event of any conflict between said rules and regulations and other provisions of this Lease, the other terms and provisions of this Lease shall control. Landlord shall not have any liability or obligation for the breach of any rules or regulations by other tenants in the Project, so long as Landlord uses commercially reasonable efforts to enforce such rules and regulations.

32. **Security Service.** Tenant acknowledges and agrees that, while Landlord may (but shall not be obligated to) patrol the Project, Landlord is not providing any security services with respect to the Premises and that Landlord shall not be liable to Tenant for, and Tenant waives any claim against Landlord with respect to, any loss by theft or any other damage suffered or incurred by Tenant in connection with any unauthorized entry into the Premises by third parties or any other breach of security by third parties with respect to the Premises.

33. **Force Majeure.** Landlord and Tenant shall not be held responsible for delays in the performance of its obligations hereunder when caused by strikes, lockouts, labor disputes, acts of God, inability to obtain labor or materials or reasonable substitutes therefor, governmental restrictions, governmental regulations, governmental controls, delay in issuance of permits, enemy or hostile governmental action, civil commotion, fire or other casualty, and other causes beyond the reasonable control of either party ("**Force Majeure**"), provided, however, that Force Majeure shall not apply to Tenant's obligation to make any payments under this Lease.

34. **Entire Agreement.** This Lease constitutes the complete and entire agreement of Landlord and Tenant with respect to the subject matter hereof. No representations, inducements, promises or agreements, oral or written, have been made by Landlord or Tenant, or anyone acting on behalf of Landlord or Tenant, which are not contained herein, and any prior agreements, promises, negotiations, or representations are superseded by this Lease. This Lease may not be amended except by an instrument in writing signed by both parties hereto.

35. **Severability.** If any clause or provision of this Lease is illegal, invalid or unenforceable under present or future laws, then and in that event, it is the intention of the parties hereto that the remainder of this Lease shall not be affected thereby. It is also the intention of the parties to this Lease that in lieu of each clause or provision of this Lease that is illegal, invalid or unenforceable, there be

added, as a part of this Lease, a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.

36. **Brokers.** Landlord and Tenant represent and warrant that neither party has dealt with any broker, agent or other person in connection with this transaction and that no broker, agent or other person brought about this transaction, other than the broker, if any, set forth on the first page of this Lease, and Landlord and Tenant agrees to indemnify and hold each other harmless from and against any claims by any other broker, agent or other person claiming a commission or other form of compensation by virtue of having dealt with the other party with regard to this leasing transaction.

37. **Miscellaneous.**

(a) Any payments or charges due from Tenant to Landlord hereunder shall be considered rent for all purposes of this Lease.

(b) If and when included within the term "Tenant," as used in this instrument, there is more than one person, firm or corporation, each shall be jointly and severally liable for the obligations of Tenant.

(c) All notices required or permitted to be given under this Lease shall be in writing and shall be sent by registered or certified mail, return receipt requested, or by a reputable national overnight courier service, with proof of delivery and postage prepaid, or by hand delivery and sent to the notice address for each party listed in the Basic Lease Provisions. Either party may by notice given aforesaid change its address for all subsequent notices. Except where otherwise expressly provided to the contrary, notice shall be deemed given upon delivery.

(d) At Landlord's request from time to time Tenant shall furnish Landlord with true and complete copies of the Guarantor's most recent annual financial statements prepared by Guarantor or Guarantor's accountants. Such annual statements shall be audited by an independent certified public accountant at Tenant's sole cost and expense. Landlord shall hold such financial statements and information in confidence, and shall not disclose the same except: (1) to Landlord's lenders or potential lenders, (2) to potential purchasers of all or a portion of the Project, (3) to attorneys, accountants, consultants or other advisors, (4) otherwise as reasonably necessary for the operation of the Project or administration of Landlord's business, or (5) if disclosure is required by any judicial or administrative order or ruling.

(e) Neither this Lease nor a memorandum of lease shall be filed by or on behalf of Tenant in any public record. Landlord may prepare and file, and upon request by Landlord, Tenant will execute a memorandum of lease.

(f) Each party acknowledges that it has had the opportunity to consult counsel with respect to this Lease, and therefore, the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease or any exhibits or amendments hereto.

(g) The submission by Landlord to Tenant of this Lease shall have no binding force or effect, shall not constitute an option for the leasing of the Premises, nor confer any right or impose any obligations upon either party until execution of this Lease by both parties.

(h) Words of any gender used in this Lease shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context

otherwise requires. The captions inserted in this Lease are for convenience only and in no way define, limit or otherwise describe the scope or intent of this Lease, or any provision hereof, or in any way affect the interpretation of this Lease.

(i) Any amount not paid by Tenant within five (5) days after its due date in accordance with the terms of this Lease shall bear interest from such due date until paid in full at the lesser of the highest rate permitted by applicable law or fifteen percent (15%) per year. It is expressly the intent of Landlord and Tenant at all times to comply with applicable law governing the maximum rate or amount of any interest payable on or in connection with this Lease. If applicable law is ever judicially interpreted so as to render usurious any interest called for under this Lease, or contracted for, charged, taken, reserved, or received with respect to this Lease, then it is Landlord's and Tenant's express intent that all excess amounts theretofore collected by Landlord be credited on the applicable obligation (or, if the obligation has been or would thereby be paid in full, refunded to Tenant), and the provisions of this Lease immediately shall be deemed reformed and the amounts thereafter collectible hereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder.

(j) Construction and interpretation of this Lease shall be governed by the laws of the state in which the Project is located, excluding any principles of conflicts of laws.

(k) Time is of the essence as to the performance of Tenant's obligations under this Lease.

(l) All exhibits and addenda attached hereto are hereby incorporated into this Lease and made a part hereof. In the event of any conflict between such exhibits or addenda (other than the rules and regulations) and the terms of this Lease, such exhibits or addenda shall control. In the event of a conflict between the rules and regulations attached hereto and the terms of this Lease, the terms of this Lease shall control.

(m) In the event either party shall commence an action to enforce any provision of this Lease, the prevailing party in such action shall be entitled to receive from the other party, in addition to damages, equitable or other relief, any and all costs and expenses incurred, including reasonable attorneys' fees and court costs and the fees and costs of expert witnesses, and fees incurred to enforce any judgment obtained. This provision with respect to attorneys' fees incurred to enforce a judgment shall be severable from all other provisions of this Lease, shall survive any judgment, and shall not be deemed merged into the judgment. Tenant shall also reimburse Landlord for all costs incurred by Landlord in connection with enforcing its rights under this Lease in a bankruptcy proceeding, or other proceeding under Title 11 of the United States Code, as amended, including without limitation, legal fees, experts' fees and expenses, court costs and consulting fees.

(n) There shall be no merger of the leasehold estate hereby created with the fee estate in the Premises or any part thereof if the same person acquires or holds, directly or indirectly, this Lease or any interest in this Lease and the fee estate in the leasehold Premises or any interest in such fee estate.

(o) To the extent Tenant or its agents or employees discover any water leakage, water damage or mold in or about the Premises, Tenant shall promptly notify Landlord thereof in writing.

(p) Whenever Tenant requests Landlord to take any action not required of it hereunder or give any consent required or permitted under this Lease, Tenant will reimburse Landlord for Landlord's reasonable, out-of-pocket costs payable to third parties and incurred by Landlord in reviewing the proposed action or consent, including reasonable attorneys', engineers' or architects' fees, within 30

days after Landlord's delivery to Tenant of a statement of such costs. Tenant will be obligated to make such reimbursement without regard to whether Landlord consents to any such proposed action.

(q) Tenant and its telecommunications companies, including local exchange telecommunications companies and alternative access vendor services companies, shall have no right of access to and within the Building, for the installation and operation of telecommunications systems, including voice, video, data, Internet, and any other services provided over wire, fiber optic, microwave, wireless, and any other transmission systems ("**Telecommunications Services**"), for part or all of Tenant's telecommunications within the Building and from the Building to any other location without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. All providers of Telecommunications Services shall be required to comply with the rules and regulations of the Building, applicable Legal Requirements and Landlord's policies and practices for the Building. Tenant acknowledges that Landlord shall not be required to provide or arrange for any Telecommunications Services and that Landlord shall have no liability to any Tenant-related party in connection with the installation, operation or maintenance of Telecommunications Services or any equipment or facilities relating thereto. Tenant, at its cost and for its own account, shall be solely responsible for obtaining all Telecommunications Services.

(r) Tenant (if a corporation, partnership or other business entity) hereby represents and warrants to Landlord that Tenant is and will remain during the Term a duly formed and existing entity qualified to do business in the state in which the Premises are located, that Tenant has full right and authority to execute and deliver this Lease, that each person signing on behalf of Tenant is authorized to do so, and that Tenant's organizational identification number assigned by the Washington Secretary of State is 602 096 155. Landlord hereby represents and warrants to Tenant that Landlord is a duly formed and existing entity qualified to do business in the state in which the Premises are located, that Landlord has full right and authority to execute and deliver this Lease, and that each person signing on behalf of Landlord is authorized to do so.

(s) Landlord and Tenant agree that all administrative fees and late charges prescribed in this Lease are reasonable estimates of the costs that Landlord will incur by reason of Tenant's failure to comply with the provisions of this Lease, and the imposition of such fees and charges shall be in addition to all of Landlord's other rights and remedies hereunder or at law, and shall not be construed as a penalty.

38. **Limitation of Liability of Landlord's Partners, and Others.** Tenant agrees that any obligation or liability whatsoever of Landlord which may arise at any time under this Lease, or any obligation or liability which may be incurred by Landlord pursuant to any other instrument, transaction, or undertaking contemplated hereby, shall not be personally binding upon, nor shall resort for the enforcement thereof be had to the property of the constituent partners of Landlord or any of their respective directors, officers, representatives, employees or agents, regardless of whether such obligation or liability is in the nature of contract, tort, or otherwise.

39. **Easements; CC&Rs.** Landlord reserves to itself the right, from time to time, to grant such easements, rights and dedications that Landlord deems necessary or desirable, and to cause the recordation of parcel maps, easement agreements and covenants, conditions and restrictions, so long as such easements, rights, dedications, maps and covenants, conditions and restrictions do not unreasonably interfere with the Permitted Use by Tenant. Tenant shall sign any of the aforementioned documents within thirty (30) days after Tenant's receipt of written request of Landlord and failure to do so shall constitute a material breach of this Lease.

40. **Option to Extend.** Landlord hereby grants to Tenant two (2) consecutive options to extend the Lease Term (each, an “**Option**”), each for a period of five (5) year (each five-year period, an “**Option Term**”) commencing upon the expiration of the initial Lease Term, upon each of the following conditions and terms:

(a) Tenant shall give to Landlord, and Landlord shall actually receive, on a date which is at least nine (9) months prior to the then scheduled expiration date of the Lease Term, an irrevocable written notice of Tenant’s exercise of an Option (an “**Option Notice**”), time being of the essence. If an Option Notice is not timely so given and received, the Option, and any subsequent Option, shall automatically expire.

(b) Tenant shall have no right to exercise an Option, notwithstanding any provision hereof to the contrary, (1) during the time commencing from the date Landlord gives to Tenant a notice of default pursuant to this Lease and continuing until the noncompliance alleged in said notice of default is cured, or (2) during the period of time commencing on the day after a monetary obligation to Landlord is due from Tenant and unpaid (without any necessity for notice thereof to Tenant) and continuing until the obligation is paid, or (3) if Landlord has given to Tenant three or more notices of default under this Lease, whether or not the defaults are cured, or Tenant has been late on three or more occasions in the payment of a monetary obligation to Landlord (without any necessity for notice thereof to Tenant), during the twelve (12) month period of time immediately prior to the time that Tenant attempts to exercise the Option, or (4) if Tenant has committed any non-curable breach, or is otherwise in default of any of the terms, covenants or conditions of this Lease beyond any applicable notice and cure period.

(c) The period of time within which an Option may be exercised shall not be extended or enlarged by reason of Tenant’s inability to exercise the Option because of the provisions of Section 40(b) above.

(d) All Option rights of Tenant under this Section 40 shall terminate and be of no further force or effect, notwithstanding Tenant’s due and timely exercise of an Option, if, after such exercise, (1) Tenant fails to pay to Landlord a monetary obligation of Tenant for a period of fifteen (15) days after such obligation becomes due (without any necessity of Landlord to give notice thereof to Tenant), or (2) Tenant fails to commence to cure any other default under this Lease within ten (10) days after the date that Landlord gives notice to Tenant of such default and/or Tenant fails thereafter to diligently prosecute said cure to completion such that the default becomes an Event of Default hereunder, or (3) Tenant has committed any incurable breach, or is otherwise in default of any of the terms, covenants and conditions of this Lease.

(e) The Options granted to Tenant in this Lease are personal to the original Tenant and may be exercised only by the original Tenant, and may not be exercised or be assigned, voluntarily or involuntarily, by or to any person or entity other than Tenant. The Options herein granted to Tenant is not assignable separate and apart from this Lease, nor may the Options be separated from this Lease in any manner, either by reservation or otherwise.

(f) All of the terms and conditions of this Lease except where specifically modified by this Section 40 or as otherwise stated to be applicable only to the initial Lease Term shall apply during any extended Lease Term.

(g) The monthly Base Rent payable during any Option Term shall be equal to the then current fair market value for the highest and best use of the Premises. The then current fair market value shall be defined as the then current fair market value for space comparable to the Premises in the same market as the Project served by the utilities detailed in this this Lease that is comparable in size to

the Premises, leased for a term comparable to the Option Term, and located in buildings equivalent in quality and location to the Building and on terms substantially similar to those of the Lease (including, without limitation, those applicable to Taxes, Operating Expenses and exclusions, but also considering so-called net and triple net leases, and leases utilizing operating expense stops or base years, and making appropriate adjustment between such leases and this Lease, as described below). The then current fair market value for the highest and best use of the Premises shall be determined as of the beginning of the Option Term, as follows:

(1) Within thirty (30) days following receipt by Landlord of Tenant's Option Notice, Landlord and Tenant shall attempt to reach agreement on the Base Rent for the Option Term, which Base Rent shall be set at the then current fair market rental value for the highest and best use of the Premises. If Landlord and Tenant are able to agree on the Base Rent for the Option Term, Landlord and Tenant shall immediately execute an amendment to this Lease stating the Base Rent for the Option Term.

(2) If the parties are unable to agree on the Base Rent for the Option Term within forty-five (45) days following Landlord's receipt of an Option Notice, then each party, at its cost and by giving notice to the other party, shall have ten (10) days within which to appoint an MAI full-time commercial appraiser experienced in the area in which the Premises are located, to appraise and set the Base Rent for the Option Term at the then current fair market rental value of the Premises for a term equal to the Option Term. If a party does not appoint an appraiser within such ten (10) day period, the single appraiser appointed shall be the sole appraiser and shall set the Base Rent for the Option Term. If two appraisers are appointed by the parties as stated in this Section, they shall meet promptly and attempt to set the Base Rent for the Option Term. If they are unable to agree within forty five (45) days after the second appraiser has been appointed, they shall attempt to select a third appraiser meeting the qualifications stated in this section within ten (10) days after the last day the two appraisers are given to set the Base Rent for the Option Term. If they are unable to agree on the third appraiser, either of the parties to this Lease, by giving ten (10) days' notice to the other party, may apply to the presiding judge of the court of the County in which the Premises are located, for the selection of a third appraiser who meets the qualifications stated in this section. Each of the parties shall bear the cost of its own appraiser and one-half (1/2) of the cost of appointing the third appraiser and of paying the third appraiser's fee. The third appraiser, however selected, shall be a person who has not previously acted in any capacity for either party.

(3) Within twenty (20) days after the selection of the third appraiser, a majority of the appraisers shall set the Base Rent for the Option Term. If a majority of the appraisers are unable to agree upon the Base Rent within the stipulated period of time, the two closest appraisals shall be added together and their total divided by two, and the resulting quotient shall be the Base Rent for the Premises during such Option Term. Notwithstanding the foregoing, in no event, however, shall the Base Rent for an Option Term be less than the Base Rent payable during the immediately preceding term of this Lease.

(h) If the Base Rent for an Option Term has not been determined by the commencement date of the Option Term, then until such Base Rent is determined, Tenant shall pay Base Rent to Landlord at the rate in effect immediately preceding the Option Term, and if the actual Base Rent for the Option Term is determined to be higher, then within fifteen (15) days after the determination of such higher Base Rent, Tenant shall pay to Landlord the difference for each month of the Option Term for which Base Rent has already become due.

41. Termination Option. Landlord hereby grants Tenant the option (the “**Termination Option**”) to advance the expiration date of the Lease Term as to the entire Premises, and not less than the entire Premises, upon and subject to all of the terms, covenants and conditions set forth below. The Termination Option shall be exercisable only by written notice (“**Termination Notice**”) given by Tenant to Landlord no later than the last day of the seventy-second (72nd) month of the Lease Term. Provided that such notice is duly given and all of the terms, covenants and conditions in this Section are satisfied and performed, the Termination Option shall advance the expiration date of the Lease Term to the date which is the end of the eighty-fourth (84th) month of the Lease Term (the “**Early Termination Date**”).

(a) Termination Fee. As a condition to the effectiveness of Tenant’s exercise of the Termination Option, upon receipt of the Termination Notice, Landlord shall notify Tenant in writing of the amount of the Termination Fee (defined below), and, within thirty (30) days of Tenant’s receipt of such notification, Tenant shall pay to Landlord the Termination Fee (defined below) in immediately available funds and without any deduction or offset whatsoever. The “**Termination Fee**” shall be payable upon exercise of the Termination Option. The Termination Fee shall mean and consist of the unamortized costs of the following:

(1) the amount equal to the unamortized portion as of the Early Termination Date of all costs paid or incurred by Landlord with respect to the Premises for leasing commissions to the Brokers and the Allowance (as defined in Exhibit B) (provided, however, in no event shall the Termination Fee include any portion of the Allowance not disbursed to Tenant) in connection with this Lease plus interest thereon at the rate of eight percent (8%) per annum. For avoidance of doubt, if all of the Allowance is disbursed to Tenant, the Termination Fee shall be \$296,353.83, as further detailed on Exhibit C attached hereto.

(b) No Default. Upon the occurrence of an uncured Event of Default by Tenant under the Lease, this Termination Option shall not be available and shall automatically terminate without notice and cease to be of any force or effect, and in such event, Landlord shall have available all rights and remedies provided under the Lease without being limited in any way by the Termination Option. Further, in the event there exists an uncured Event of Default by Tenant under the Lease for any reason whatsoever prior to or after the exercise or purported exercise of the Termination Option, Landlord shall have available all rights and remedies provided under the Lease without being limited in any way by the Termination Option.

(c) Obligations Until Early Termination Date; Proration. All of the terms, covenants and conditions of the Lease shall remain in full force and effect with respect to the Premises through the Early Termination Date, except as otherwise provided in this Termination Option. In addition to payment of the Termination Fee, Tenant shall continue to pay all rents and charges (including utilities), including, without limitation, Base Rent, Tenant’s Proportionate Share of Operating Expenses, and other charges as they become due and payable under the Lease for the Premises through and including the Early Termination Date. Such rents and charges shall be prorated, billed and payable as provided under the Lease, in the same manner as if the Early Termination Date was the regularly scheduled Expiration Date of the Term. No later than 11:59 p.m. on the Early Termination Date, Tenant shall vacate and deliver to Landlord exclusive possession of the Premises pursuant to the same provisions and requirements of the Lease that apply upon the termination of the Lease Term as if the Termination Option had not been exercised.

(d) Holding Over. In the event that Tenant fails to vacate and deliver exclusive possession of the Premises to Landlord by the Early Termination Date as required under this Termination Option, then such holding over as to the Premises shall be upon and subject to all the terms, covenants and conditions of the Lease applicable to a holding over, including, without limitation, Section 22 of the Lease.

(e) No Release. Notwithstanding any provision of the foregoing to the contrary, neither the grant of this Termination Option nor the acceptance by Landlord of the surrender of the Premises shall in any way:

(1) be deemed to excuse or release Tenant from any obligation or liability with respect to the Premises (including, without limitation, any obligation or liability under provisions of the Lease to indemnify, defend and hold harmless Landlord or other parties, or with respect to any breach or breaches of the Lease by Tenant) which obligation or liability (x) first arises on or prior to the date on which Tenant delivers to Landlord possession of the Premises or (y) arises out of or is incurred in connection with events or other matters which took place on or prior to such date, or

(2) affect any obligation under the Lease which by its terms is to survive the expiration or sooner termination of the Lease.

(f) Option Personal. The Termination Option is personal to RENAL CARE GROUP NORTHWEST, INC., and may not be used by, and shall not be transferable or assignable (voluntarily or involuntarily) to any person or entity, except for a Tenant Affiliate.

42. Shared Values. As stated in the Fresenius Medical Care Code of Ethics and Business Conduct, Tenant upholds the values of quality, honesty and integrity, innovation and improvement, respect and dignity, as well as lawful conduct, especially with regard to anti-bribery and anti-corruption. Tenant upholds these values in its own operations, as well as in its relationships with business partners. Tenant's continued success and reputation depends on a common commitment to act accordingly. Landlord acknowledges that Tenant is committed to uphold these fundamental values by adherence to applicable laws and regulations.

43. Guaranty of Lease. Fresenius Medical Care Holdings, Inc., a New York corporation, shall execute the Guaranty of Lease attached hereto as Exhibit D.

4. Tenant shall not disturb the occupants of the Project or adjoining buildings by the use of any radio or musical instrument or by the making of loud or improper noises.

5. If Tenant desires telegraphic, telephonic or other electric connections in the Premises, Landlord or its agent will direct the electrician as to where and how the wires may be introduced; and, without such direction, no boring or cutting of wires will be permitted. Any such installation or connection shall be made at Tenant's expense.

6. Tenant shall not install or operate any steam or gas engine or boiler, or other mechanical apparatus in the Premises, except as specifically approved in the Lease. The use of oil, gas or inflammable liquids for heating, lighting or any other purpose is expressly prohibited. Explosives or other articles deemed extra hazardous shall not be brought into the Project.

7. Parking any type of recreational vehicles is specifically prohibited on or about the Project. Except for the overnight parking of operative vehicles or as expressly permitted in the Lease, no vehicle of any type shall be stored in the parking areas at any time. In the event that a vehicle is disabled, it shall be removed within 48 hours. There shall be no "For Sale" or other advertising signs on or about any parked vehicle. All vehicles shall be parked in the designated parking areas in conformity with all signs and other markings. 12. Tenant shall give Landlord prompt notice of any defects in the water, lawn sprinkler, sewage, gas pipes, electrical lights and fixtures, heating apparatus, or any other service equipment affecting the Premises.

WORK LETTER

(TENANT BUILD)

This Work Letter Agreement (this "**Work Letter**") is attached to and made a part of that certain Lease Agreement by and between CFGI OAKESDALE LLC, a Delaware limited liability company, as Landlord, and Renal Care Group Northwest, Inc., a Delaware corporation, as Tenant, for the Premises (the "**Lease**"). Terms used but not defined herein shall have the meaning given in the Lease. For purposes of this Work Letter, references to "State" and "City" shall mean the State and City in which the Project is located.

1. AS IS Condition; Delivery.

Landlord shall deliver the Premises on or before the Commencement Date in broom clean in its current "as built" configuration with existing build-out of the tenant space, with the Premises and the Building in their AS IS condition, without any express or implied representations or warranties of any kind by Landlord, its brokers, manager or agents, or the employees of any of them; and Landlord shall not have any obligation to construct or install any tenant improvements or alterations or to pay for any such construction or installation except to the extent expressly provided in this Work Letter.

2. Landlord Work. There shall be no Landlord Work.

3. Tenant's Plans.

3.1. Description. At its expense, Tenant shall employ:

(i) one or more architects reasonably satisfactory to Landlord and licensed by the State ("**Tenant's Architect**") to prepare architectural drawings and specifications for all layout and Premises improvements not included in, or requiring any change or addition to, the AS IS condition or Landlord Work (if any);

(ii) one or more engineers reasonably satisfactory to Landlord and licensed by the State ("**Tenant's Engineers**") to prepare mechanical and electrical working drawings and specifications for all Premises improvements not included in, or requiring any change or addition to, the AS IS condition or Landlord Work (if any);

All such drawings and specifications are referred to herein as "**Tenant's Plans**". Tenant's Plans shall be in form and detail sufficient to secure all applicable governmental approvals. Tenant's Architect shall be responsible for coordination of all engineering work for Tenant's Plans and shall coordinate with any consultants of Tenant (the use of which is subject to Landlord's consent), and Landlord's space planner or architect to assure the consistency of Tenant's Plans with the base building work and Landlord Work (if any).

Tenant's Plans shall also include the following:

(a) Final Space Plan: The "Final Space Plan" for the Premises shall include a full and accurate description of room titles, floor loads, alterations to the base building or Landlord Work (if any) or requiring any change or addition to the AS IS condition, and the dimensions and location of all partitions, doors, aisles, plumbing (and furniture and equipment to the extent same

affect floor loading). The Final Space Plan shall (i) be compatible with the design, construction, systems and equipment of the base building and Landlord Work, if any; (ii) comply with all the requirements set forth in a Building standards manual, if any is made available by Landlord (collectively, (i) and (ii) may be referred to as "Building Standards"), (iii) comply with Laws, (iv) be capable of logical measurement and construction, (v) contain all such information as may be required for the preparation of the Mechanical and Electrical Working Drawings and Specifications, and (vi) shall include plans for an entrance to the Premises that is separate from other Building entrances used by other tenants of the Building.

(b) **Mechanical and Electrical Working Drawings and Specifications:** Tenant shall employ engineers approved by Landlord to prepare Mechanical and Electrical Working Drawings and Specifications showing complete plans for electrical, fire and life-safety, automation, plumbing, water, air cooling, ventilating, heating, and temperature control systems and units to serve the Premises, and with regards to HVAC systems and units, per the Functional Specification for MEP Systems: FMC Enhanced Baseline Clinic July 2015 (as further described on Exhibit B-1 attached hereto).

(c) **Issued for Construction Documents:** The "**Issued for Construction Documents**" shall consist of all drawings (1/8" scale) and specifications necessary to construct all Premises improvements including, without limitation, architectural and structural working drawings and specifications and Mechanical and Electrical Working Drawings and Specifications and all applicable governmental authorities plan check corrections.

3.2. **Approval by Landlord.** Tenant's Plans and any revisions thereof shall be subject to Landlord's approval, which approval or disapproval shall not be unreasonably withheld. If Landlord disapproves of any of Tenant's Plans, Landlord shall advise Tenant of what Landlord disapproves in reasonable detail. After being so advised by Landlord, Tenant shall submit a redesign, incorporating the revisions required by Landlord, for Landlord's approval. The approval procedure shall be repeated as necessary until Tenant's Plans are ultimately approved. Approval by Landlord shall not be deemed to be a representation or warranty by Landlord with respect to the safety, adequacy, correctness, efficiency or compliance with Laws of Tenant's Plans. Tenant shall be fully and solely responsible for the safety, adequacy, correctness and efficiency of Tenant's Plans and for the compliance of Tenant's Plans with any and all Laws.

3.3. **City Requirements.** Any changes in Tenant's Plans which are made in response to requirements of the applicable governmental authorities and/or changes which affect the base building work shall be immediately submitted to Landlord for Landlord's review and approval.

3.4 **Lender's Certificate.** Tenant shall cause Tenant's Architect to provide to Landlord's lender(s), within ten (10) days after request of Landlord, a certificate, in form and substance satisfactory to such lender(s), certifying that, as of the date of the certificate, Tenant Work and its use fully comply with all Laws in effect at the time Tenant took occupancy.

4. **Tenant Work.**

4.1. **Tenant Work Defined.** All tenant improvement work required by the Issued for Construction Documents (including, without limitation, any approved changes, additions or alterations pursuant to Section 7 below) is referred to in this Workletter as "**Tenant Work**" (and all improvements so required and resulting therefrom may sometimes in the Lease, or otherwise, be referred to as "Tenant Improvements").

4.2. Tenant to Construct. Tenant shall construct all Tenant Work pursuant to this Workletter.

4.3. Contractor. Tenant shall select one or more contractors ("**Contractor**") and one or more subcontractors ("**Subcontractors**") to perform the Tenant Work.

4.4. Performance of Tenant Work. Tenant shall not do or permit anything to be done which will materially obstruct or interfere with the rights of other tenants of the Project in the performance of the Tenant Work, and shall cause the Contractor and Subcontractor to use reasonable and diligent efforts to minimize unpleasant odors, smoke, dust, gas, noise, and vibrations. Such efforts shall include but not be limited to coordinating with Landlord to schedule after-hour or other appropriate times for work which is likely to cause unpleasant odors, smoke, dust, gas, noise, or vibrations.

4.5. Division of Landlord Work and Tenant Work. Tenant Work is defined in Section 4.1. above and Landlord Work, if any, is defined in Section 2.

5. Tenant's Expense: Allowance.

Tenant shall pay for all Tenant Work, including, without limitation, the costs of design thereof, whether or not all such costs are included in the Permanent Improvement Costs (defined below). Subject to the terms and conditions of this Workletter, Tenant shall apply the Allowance (defined below) to payment of the Permanent Improvement Costs. The term "**Permanent Improvement Costs**" shall mean the actual and reasonable costs of construction of that Tenant Work which constitutes permanent improvements to the Premises, including, but not limited to, demolition, parking lot lighting, generator, parking delivery area, actual and reasonable costs of design thereof, and costs incurred by Landlord for Tenant's architects and engineers pursuant to Section 3.1, and shall exclude costs of Tenant's FF&E (defined below). Landlord shall provide Tenant a tenant improvement allowance (the "**Allowance**") in an aggregate amount not to exceed \$443,320.00 (calculated as \$40.00 per rentable square foot of the Premises). The Allowance shall be used solely to reimburse Tenant for the Permanent Improvement Costs. If Tenant does not utilize one hundred percent (100%) of the Allowance for Permanent Improvement Costs and submit full and complete application(s) for disbursement thereof pursuant to Section 6 below, Tenant shall have no right to the unused portion of the Allowance.

Tenant shall reimburse Landlord for its costs in reviewing plans and specifications and in monitoring construction, provided that such reimbursement shall not exceed one and a half percent (1.5%) of the total hard construction costs or fifteen thousand dollars (\$15,000), whichever is less. Landlord's right to review plans and specifications and to monitor construction shall be solely for its own benefit, and Landlord shall have no duty to see that such plans and specifications or construction comply with applicable laws, codes, rules and regulations.

6. Application and Disbursement of the Allowance.

6.1. Prior to any disbursement of the Allowance by Landlord, Tenant shall pay and disburse its own funds for all that portion of the Permanent Improvement Costs equal to the sum of (i) the Permanent Improvement Costs in excess of the Allowance; plus (ii) the amount of "Landlord's Retention" (defined below). "**Landlord's Retention**" shall mean an amount equal to fifteen percent (15%) of the Allowance, which Landlord shall retain out of the Allowance and shall not be obligated to disburse unless and until after Tenant has completed the Tenant Work and complied with Section 6.4 below. No disbursement of the Allowance shall be made unless Tenant has provided Landlord with (a) bills and invoices covering all labor and material expended and used, (b) an affidavit from Tenant stating that all of such bills and invoices have either been paid in full by Tenant or are due and owing, and all such costs

qualify as Permanent Improvement Costs, (c) contractors affidavit covering all labor and materials expended and used, (d) Tenant, contractors and architectural completion affidavits (as applicable), and (e) valid mechanics' lien releases and waivers pertaining to any completed portion of the Tenant Work which shall be conditional or unconditional, as applicable, all as provided pursuant to Section 6.2 and 6.4 below.

6.2. Upon Tenant's full compliance with the provisions of this Section 6, and if Landlord determines that there are no applicable or claimed stop notices (or any other statutory or equitable liens of anyone performing any of Tenant Work or providing materials for Tenant Work) or actions thereon, Landlord shall disburse the applicable portion of the Allowance as follows:

(a) In the event of conditional releases, to the respective contractor, subcontractor, vendor, or other person who has provided labor and/or services in connection with the Tenant Work, upon the following terms and conditions: (i) such costs are included in the Budget, are Permanent Improvement Costs, are covered by the Allowance, and Tenant has completed and delivered to Landlord a written request for payment, in form reasonably approved by Landlord, setting forth the exact name of the contractor, subcontractor or vendor to whom payment is to be made and the date and amount of the bill or invoice, (ii) the request for payment is accompanied by the documentation set forth in Section 6.1; and (iii) Landlord, or Landlord's appointed agent, has inspected and approved the work for which Tenant seeks payment; or

(b) In the event of unconditional releases, directly to Tenant upon the following terms and conditions: (i) Tenant seeks reimbursement for costs of Tenant Work which have been paid by Tenant, are included in the Budget, are Permanent Improvement Costs, and are covered by the Allowance; (ii) Tenant has completed and delivered to Landlord a request for payment, in form reasonably approved by Landlord, setting forth the name of the contractor, subcontractor or vendor paid and the date of payment, (iii) the request for payment is accompanied by the documentation set forth in Section 6.1.; and (iv) Landlord, or Landlord's appointed agent, has inspected and approved the work for which Tenant seeks reimbursement.

6.3. Tenant shall provide Landlord with the aforementioned documents by the 15th of the month and payment shall be made by the 30th day of the month following the month in which such documentation is provided.

6.4. Prior to Landlord disbursing the Landlord's Retention to Tenant, Tenant shall submit to Landlord the following items within thirty (30) days after completion of the Tenant Work: (i) "As Built" drawings and specifications pursuant to Section 3.5 above, (ii) all unconditional lien releases from all general contractor(s) and subcontractor(s) performing work, (iii) a "Certificate of Completion" prepared by Tenant's Architect, and (iv) a final budget with supporting documentation detailing all costs associated with the Permanent Improvement Costs.

7. Changes, Additions or Alterations.

If Tenant desires to make any non-de minimis change, addition or alteration or desires to make any change, addition or alteration to any of the Building Systems after approval of the Issued for Construction Documents, Tenant shall prepare and submit to Landlord plans and specifications with respect to such change, addition or alteration. Any such change, addition or alteration shall be subject to Landlord's approval in accordance with the provisions of Section 3.2 of this Workletter. Tenant shall be responsible for any submission to and plan check and permit requirements of the applicable governmental authorities.

8. Miscellaneous.

8.1. Scope. Except as otherwise set forth in the Lease, this Workletter shall not apply to any space added to the Premises by Lease option or otherwise.

8.2. Sprinklers. Subject to any terms, conditions and limitations set forth herein, Landlord shall provide an operative sprinkler system consisting of mains, laterals, and heads "AS IS" on the date of delivery of the Premises to Tenant. Tenant shall pay for piping distribution, drops and relocation of, or additional, sprinkler system heads and Building firehose or firehose valve cabinets, if Tenant's Plans and/or any applicable Laws necessitate such.

8.3. Work Stoppages. If any work on the Real Property other than Tenant Work is delayed, stopped or otherwise affected by construction of Tenant Work, Tenant shall immediately take those actions necessary or desirable to eliminate such delay, stoppage or effect on work on the Real Property other than Tenant Work.

8.4. Authorized Representatives. Tenant has designated Chris King to act as Tenant's representative with respect to the matters set forth in this Workletter. In the event that and for so long as more than one individual is so designated, notices or requests from Landlord shall be sufficiently given or delivered if given or delivered to either individual, each individual is hereby authorized to act individually and alone, and each shall have full authority and responsibility to act on behalf of Tenant as required in this Workletter. Tenant may add or delete authorized representatives upon five (5) business days' notice to Landlord.

9. Force and Effect.

The terms and conditions of this Workletter shall be construed to be a part of the Lease and shall be deemed incorporated in the Lease by this reference. Should any inconsistency arise between this Workletter and the Lease as to the specific matters which are the subject of this Workletter, the terms and conditions of this Workletter shall control.

GUARANTY OF LEASE

THIS GUARANTY is made as of this 10th day of April, 2020, by Fresenius Medical Care Holdings Inc., a New York corporation ("Guarantor"), in favor of CFGI Oakesdale LLC, a Delaware limited liability company ("Landlord").

RECITALS

A. On April 10, 2020, Landlord entered into a lease agreement (the "Lease") with Renal Care Group Northwest, Inc., a Delaware corporation ("Tenant"), for certain premises (the "Premises") in the business park commonly known as Oakesdale Center located in Renton, King County, Washington, as more particularly described in the Lease.

B. Guarantor desired that Landlord enter into the Lease with Tenant, but Landlord would not have entered into the Lease with Tenant unless Guarantor agreed to guarantee all obligations of Tenant under the Lease as more fully set forth below.

AGREEMENT

NOW, THEREFORE, in consideration of the execution of the Lease by Landlord, Guarantor agrees with and for the benefit of Landlord and its successors and assigns as follows:

1. Guaranty of Lease. Guarantor guarantees the full performance of each and all of the terms, covenants and conditions of the Lease to be kept and performed by Tenant, including the payment of all rentals and other charges, late charges, interest and costs of collection to accrue thereunder.

2. Lease Modifications. This agreement shall continue in favor of Landlord notwithstanding any extension, modification or alteration of the Lease entered into solely by Landlord and Tenant or their respective successors or assigns and notwithstanding any assignment of the Lease or sublease of any portion of or all of the Premises, with or without the consent of Landlord, and with or without the consent of or any notice to Guarantor.

3. Landlord's Assignments. Landlord may, without notice, sell and assign the Premises and this Guaranty in whole or in part and no assignment or transfer of the Lease or this Guaranty shall operate to extinguish or diminish the liability of Guarantor hereunder.

4. Tenant's Bankruptcy. This Guaranty shall not be impaired by any dissolution, merger, bankruptcy, reorganization or insolvency of Tenant or any successor or assignee thereof or by any disaffirmance or abandonment by a trustee of Tenant.

5. Guarantor Primarily Liable. The liability of Guarantor under this Guaranty shall be primary and in any right of action which shall accrue to Landlord under the Lease Landlord may, at its option, proceed against Guarantor without having commenced, continued or completed any action, or having obtained any judgment against, Tenant.

6. Guarantor Jointly and Severally Liable. Guarantor shall be jointly and severally liable with Tenant for all of Tenant's obligations under the Lease hereby guaranteed. If Guarantor is or

becomes comprised of more than one person, each such person shall be jointly and severally liable with the others for the performance of Guarantor's obligations herein.

7. Costs and Attorneys' Fees. In the event either party shall commence an action to enforce any provision of this Lease, the prevailing party in such action shall be entitled to receive from the other party, in addition to damages, equitable or other relief, any and all costs and expenses incurred, including reasonable attorneys' fees and court costs and the fees and costs of expert witnesses, and fees incurred to enforce any judgment obtained. Guarantor shall also reimburse Landlord for all costs incurred by Landlord in connection with enforcing its rights under the Lease in a bankruptcy proceeding, or other proceeding under Title 11 of the United States Code, as amended, including without limitation, legal fees, experts' fees and expenses, court costs and consulting fees.

8. Waiver of Notice. Guarantor waives notice of any demand by Landlord and any notice of default in the payment of rent or any other amounts due or to become due under the Lease. Any notices Landlord elects to give any one or more of the undersigned may be sent to them at Tenant's address stated in the Lease.

9. Successors. The terms and provisions of this Guaranty shall be binding upon and inure to the benefit of the respective heirs, successors and assigns of Guarantor and Landlord.

10. Entire Agreement. This Guaranty contains the entire agreement of Guarantor and supersedes any prior or contemporaneous oral or written agreements in connection herewith. No term, covenant or undertaking under this Guaranty may be waived, modified or released orally, by course of conduct or otherwise unless such waiver, modification or release is specifically set forth in a subsequent written agreement executed by Landlord.

11. Execution in Counterparts. This Guaranty may be executed in counterparts, all of which shall constitute but one and the same contract.

12. Facsimile Copy. Landlord may rely upon a facsimile of an executed copy of this Guaranty to the same extent as the original.

IN WITNESS WHEREOF, the undersigned has executed this Guaranty as of the day and year first above written.

Affiliation/Transfer Agreement

AFFILIATION AGREEMENT

This AGREEMENT made as of this ___ day of _____, _____ (“Effective Date”), between **Valley Medical Center** (hereinafter referred to as “Hospital”) and **Renal Care Group Northwest, Inc.** d/b/a Fresenius Kidney Care Cascade Peak (hereinafter referred to as “Company”).

WHEREAS, Company desires to assure the availability of the Hospital’s facilities for its patients who are in need of inpatient treatment at a hospital and those residing in the hospital’s distinct/part/skilled intermediate care unit, in compliance with 42 C.F.R. Part 494.180(g), and the Hospital is equipped and qualified to provide hospital care on an inpatient basis for such patients; and

WHEREAS, the Hospital desires to assure the availability of hemodialysis treatment for its patients who are in need of outpatient treatment, and Company is experienced and qualified to administer dialysis treatments and clinically manage patients with chronic renal failure on an outpatient basis;

1. The hospital agrees to make the facilities and personnel of its routine emergency service available for the treatment of acute life-threatening emergencies, which may occur to any of Company’s patients. If, in the opinion of a member of Company’s medical staff, any patient requires emergency hospitalization, the hospital agrees that it will provide a bed for such a patient (or in the event a bed is not available at the Hospital, to arrange for the transfer of the patient to an affiliated hospital) and furnish all necessary medical services at its facility for such patient at the patient’s expense. In the event of an emergency at Company, the responsible physician shall notify the patient’s physician of record, as indicated in Company’s files, and shall promptly notify the Emergency Room physician of the particular emergency. Company shall be responsible for arranging to have the patient transported to the Hospital and shall send appropriate interim medical records. There will be an interchange, within one working day, of medical and other information necessary or useful in the care and treatment of patients referred to the Hospital from Company, or in determining whether such patients can be adequately cared for otherwise than in either of the facilities. Admission to Hospital, and the continued treatment by Hospital, shall be provided regardless of the patient’s race, color, creed, sex, age, disability, or national origin.
2. In the event the patient must be transferred directly from Company to the Hospital, Company shall provide for the security of, and be accountable for, the patient’s personal effects during the transfer.
3. Company shall keep medical records of all treatments rendered to patients by Company. These medical records shall conform to applicable standards of professional practice. If requested by the Hospital, Company shall provide complete copies of all medical records

of a patient treated by Company who is, at the time of the request, an inpatient at the Hospital.

4. The Hospital shall accept any patient of Company referred to the Hospital for elective reasons, subject to the availability of appropriate facilities, after the Company attending physician has arranged for inpatient hospital physician coverage,
5. In addition to the services described above, the Hospital shall make the following services available to patients referred by Company either at the Hospital or at an affiliated hospital:
 - a. Availability of a surgeon capable of vascular access insertion and long-term maintenance;
 - b. Inpatient care for any patient who develops complications or renal disease-related conditions that require hospital admission;
 - c. Kidney transplantation services, where appropriate, including tissue typing and cross matching, surgical transplant capability, availability of surgeons qualified in the management of pre and post-transplant patients; and
 - d. Blood Bank services to be performed by the Hospital.
6. Company shall have no responsibility for any inpatient care rendered by the hospital. Once a patient has been referred by Company to the Hospital, Hospital agrees to indemnify Company against, and hold it harmless from any claims, expenses, or liability based upon or arising from anything done or omitted, or allegedly done or omitted, by the Hospital, its agents, or employees, in relation to the treatment or medical care rendered at the Hospital.
7. Company agrees to develop, maintain and operate, in all aspects, an outpatient hemodialysis facility, providing all physical facilities, equipment and personnel necessary to treat patients suffering from chronic renal diseases. Company shall conform to standards not less than those required by the applicable laws and regulations of any local, state or federal regulatory body, as the same may be amended from time to time. In the absence of applicable laws and regulations, Company shall conform to applicable standards of professional practice. Company shall treat such commitment as its primary responsibility and shall devote such time and effort as may be necessary to attain these objectives. Admission to Company, and the continued treatment by Company, shall be provided regardless of the patient's race, color, creed, sex, age, disability, or national origin.
8. The cost of such facilities, equipment and personnel shall be borne by Company. The location of such facilities shall be selected by Company but shall be sufficiently close to the proximity to the Hospital to facilitate the transfer of patients, and communication between the facilities.

9. Company shall engage a medical director of Company's outpatient hemodialysis facility who shall have the qualifications specified in 42 C.F.R. Part 494.140(a). This individual must be a physician properly licensed in the profession by the state in which such facility is located. In accordance with 42 C.F.R. Part 494.140(b)-(f), Company shall employ such duly qualified and licensed nurses, technicians, and other personnel as shall be necessary to administer treatment at its facility, in accordance with applicable local, state, and federal laws and regulations.
10. The Hospital, acting through its appropriate medical staff members, shall, from time to time, evaluate its patients with chronic renal failure in accordance with its standard operating procedures. With the approval of the patient, the patient's physician shall consult with the Company Medical Director. If outpatient treatment is considered appropriate by the patient's physician and the Company Medical Director, said patient may be referred to Company for outpatient treatment at a facility operated by Company which is most convenient for the patient (or, in the event space is not available, to an affiliated unit). There will be an interchange, within one working day, of the Patient Long-Term Care Program and Patient Care Plan Team, and of medical and other information necessary or useful in the care and treatment of patients referred to Company from the Hospital, or in determining whether such patients can be adequately cared for otherwise than in either of the facilities.
11. With respect to all work, duties, and obligations hereunder, it is mutually understood and agreed that the parties shall own and operate their individual facilities wholly independent of each other. All patients treated at the facilities of Hospital or Company shall be patients of that facility. Each party shall have the sole responsibility for the treatment and medical care administered to patients in their respective facilities.
12. Company and Hospital shall each maintain in full force and effect throughout the term of this Agreement, at its own expense, a policy of comprehensive general liability insurance and professional liability insurance covering it and Company's Staff and Hospital staff and physicians, respectively, each having a combined single limit of not less than \$1,000,000 per occurrence, \$3,000,000 annual aggregate for bodily injury and property damage to insure against any loss, damage or claim arising out of the performance of each party's respective obligations under this Agreement. Each will provide the other with certificates evidencing said insurance, if and as requested. Company and Hospital further agree to maintain, for a period of not less than three (3) years following the termination of this Agreement, any insurance required hereunder if underwritten on a claims-made basis. Either party may provide for the insurance coverage set forth in this Section through self-insurance.
13. Each party agrees to indemnify and hold harmless the other, their officers, directors, shareholders, agents and employees against all liability, claims, damages, suits, demands, expenses and costs (including but not limited to, court costs and reasonable attorneys' fees) of every kind arising out of or in consequence of the party's breach of this

Agreement, and of the negligent errors and omissions or willful misconduct of the indemnifying party, its agents, servants, employees and independent contractors (excluding the other party) in the performance of or conduct related to this Agreement.

14. The Parties expressly agree to comply with all applicable patient information privacy and security regulations set for in the Health Insurance Portability and Accountability Act (“HIPAA”) final regulations for Privacy of Individually Identifiable Health Information by the federal due date for compliance, as amended from time to time.
15. Whenever under the terms of this Agreement, written notice is required or permitted to be given by one party to the other, such notice shall be deemed to have been sufficiently given if delivered in hand or by registered or certified mail, return receipt requested, postage prepaid, to such party at the following address:
