

KEEP THE ONES YOU LOVE HEALTHY: SCHEDULE A WELL CHECKUP TODAY!

A well checkup is a great tool for checking your child's **healthy growth** and **development** and can help you find **possible future problems** early.

Your health care provider can even offer support for **behavior, mental health**, and **wellness**.

Insured kids and teens (0–20) in Washington get a **free** health checkup every year.

A health checkup or “well-child visit” offers a chance for you to ask your child’s doctor any health questions you have. This is also the time for those important immunizations and other things needed to keep them healthy for the rest of the year!

Schedule your child’s well checkup today!

For more information about well-child visits, please visit the Department of Health website here:
