

GET THEM READY FOR FALL: SCHEDULE A WELL CHECKUP TODAY!

A well checkup is a great tool for checking your child's **healthy growth** and **development** and can help you find **possible future problems** early.

Your health care provider can even offer support for **behavior**, **mental health**, and **wellness**.

Insured kids and teens (0–20) in Washington can get a **free** health checkup every year.

Fall means kids are back in school—so make their health part of the back-to-school routine! A well checkup or “well-child visit” offers a chance for your family to ask any health questions and get those important immunizations. Yearly visits can even help kids do better in school!
