## WAC 246-282 Sanitary Control of Shellfish Rulemaking Timeline and Topics

Draft schedule for rulemaking meetings. There will be two meetings per month, one for tribal partners and another for the Rulemaking Advisory Committee (RAC). Dates and topics are subject to change based on conversations during the rulemaking meetings. Please come prepared to each meeting with notes, comments, and proposed ideas. We will only discuss the topics listed at each meeting to keep us on track.
