

# SIDEE AYAY U SHAQAYSAA WA NOTIFY

Ogeysiisaya Wax-soo-saarka Washington (WA Ogeysiinta) waa aalad oo muhiim ah si looga caawiyo joojinta faafitaanka COVID-19. Sida xirashada maaskaro, fogeynta iyo talaal qaadashada, WA Ogeysiinta waa aalad wanaagsan oo lagu ilaaliyo bulshadeena.

WA Ogeysiinta waxay ku shaqeysaa taleefannada casriga ah, iyada oo aan lala wadaagin wax macluumaad shakhsii ah, si loogu digo dadka isticmaala haddii laga yaabo inay ku dhaceen COVID-19. **Gabi ahaanba waa wax gaar ah, mana garanayo ama lama socdo cidda aad tahay ama meesha aad aadeyso.**

Daraasaduhu waxay ogaadeen in inta badan dadka isticmaala ogaysiisaya soo-gaadhista, ay sii kordhayaan faa'iidadu. Moodooyinka xogta ee gobolka Washington waxay muujinayaan in xitaa tiro yar oo dad ah oo adeegsanaya WA Notify ay yareyneysa caabuqyada iyo dhimashada.

## KU DAR TELEFOONKAAGA WA NOTIFY

### Taleefanka iPhone:

1. Tag Sitinka (Settings)
2. Hoos ugu soo deg Ogeysiiska Sheega Xanuunka (Exposure Notifications)
3. Taabo Daar Ogeysiiska Sheega Xanuunka (Turn On Exposure Notifications)
4. Dooro Maraykanka
5. Dooro "Washington"

### Taleefanka Android:

1. Tag [Google Play Store](#)
2. Raadi Ogeysiiska Sheega Xanuunka ee Wa (Wa Exposure Notifications) si aad si fudud ugu hesho aabka
3. Soo dejiso aabka Ogeysiiska Sheega Xanuunka ee Washington (Washington Exposure Notifications)

## MARKII AAD KU DARSATAY WA OGAYSIIS IN AAD TELEEFONKAAGA TAHAY

Waa tan sida ay u shaqeysa si looga hortago faafitaanka COVID-19.
