Resource Referral Form for Children who are Deaf or Hard of Hearing

How to complete this form:

1. Discuss the resources on page 2 with the child’s parent or guardian.
2. Select which resources they would like to be referred to.
3. Complete the contact information section and **have the child’s parent or guardian sign the authorization below.**
4. Fax completed forms to the EHDDI program at **(206) 364-0074**. The EHDDI program will forward the referral to the organization(s) selected and mail the family a resource notebook, if requested.

Child’s Name:		DOB:

By signing below, I authorize the Washington State Department of Health Early Hearing Detection, Diagnosis, and Intervention (EHDDI) Program to release my **name** and **contact information** listed above and my **child’s name, date of birth, and hearing screening/diagnostic results** to the organizations selected on the next page for the purpose of obtaining resources or services.

Parent/Guardian Signature: _____ **Date:** _____

Relationship to Child: _____

Please check the box next to the resources you would like to receive.

Early Support for Infants and Toddlers (ESIT Program) – Provides early support services for eligible children (ages birth to 3). Family resources coordination, developmental screening, and evaluations to determine eligibility are provided at no cost to families. Families will be contacted by their local Family Resources Coordinator (FRC).

Washington Hands & Voices – Guide By Your Side™ (GBYS) – Provides unbiased emotional support and resources by trained Parent Guides who are parents of children who are deaf or hard of hearing. GBYS services are provided at no cost to families.

Telephone Number: 425-268-7087 **Fax Number:** 360-715-9970

Resource Notebook for Families of Children Who are Deaf or Hard of Hearing – A free notebook that includes stories from other families, information about hearing and assistive technology, communication options, and early support services.

Please mail an **English** version of this resource

Please mail a **Spanish** version of this resource

This resource is also available online at [EHDDI Handouts for Families | Washington State Department of Health](#) under the “Infants with Hearing Loss” section. A PDF version of this resource is available online in the following languages: **English, Spanish, Mandarin Chinese, Russian, and Somali.**

If you have any questions, please contact us at (206) 418-5613.

Thank you for your time,
Washington State Early Hearing Detection, Diagnosis, and Intervention (EHDDI) Program
