**RE: Determination of Reviewability #23-06 – Department's Decision**

Jessica Forsman:

The Department of Health has completed its review of the determination of reviewability request submitted by Olympia Orthopaedic Associates, PLLC. The request proposes exemption from Certificate of Need review for the expansion of procedures performed at an ambulatory surgery center (ASC) in Olympia, WA within Thurston County.

**BACKGROUND AND FACTS**

The following information was considered during the review process, and is recorded here for historical purposes:

- Olympia Orthopaedic Associates, PLLC is a Washington professional service corporation with the unified business identifier [UBI] 601 617 151.
- Olympia Orthopaedic Associates, PLLC is currently owned and governed by the following 17 members<sup>1</sup>:

Gregory Byrd	Zachary Abbott	Jerome Zechmann
Clyde Carpenter	Anthony Agtarap	Timothy Dumontier
Thomas Helpenstell	William Peterson	Douglas Taylor
Andrew Manista	Trent McKay	Bradley Christ
Brodie Wood	Ryan Halpin	Milan Moore
Adam Graver	Richard Lamour	

- Olympia Orthopaedic Associates, PLLC will own and operate both the clinical practice and surgery center at the following location: 3901 Capital Mall Drive SW Olympia [98502], within Thurston County.

<sup>1</sup> Washington Secretary of State [website](#)

- The use of the ASC will be limited to member or employee-physicians of Olympia Orthopaedic Associates, PLLC. Revenues or visits used to determine primary purpose have been limited to those members.
- Clinical and surgical services to be provided at Olympia Orthopaedic Associates, PLLC will be limited to orthopedics and pain management.
- The surgery center will have 1 operating rooms.<sup>2</sup>

### **RELEVANT CRITERIA**

The department reviews requests for compliance with the following:

- Applicable sections of both [chapter 70.38 RCW](#) and [chapter 246-310 WAC](#); and
- The [Washington State Department of Health's Interpretive Statement CN 01-18](#)<sup>3</sup>

### **THE PRIMARY PURPOSE OF THE FACILITY**

- The anticipated revenue from surgical services provided at the surgery center will be approximately 0.0% of the total revenue generated by the facility.<sup>4</sup>
- The anticipated patient visits for surgical services provided at the surgery center will be approximately 3.3% of the total patient visits to the facility.

### **CONCLUSION**

Based on the totality of information in the request for determination of reviewability and resulting research, the department concludes that the operation of Olympia Orthopaedic Associates, PLLC, to be located at 3901 Capital Mall Drive SW Olympia [98502], within Thurston County **does not** require a Certificate of Need at this time.

### **CHANGES THAT MAY AFFECT THIS DECISION**

A facility can make changes that may impact the primary purpose of the facility, such as if the revenues or patient visits related to surgical services begin to regularly exceed half of the facility's operations. Changes, including but not limited to the following, will likely either prompt Certificate of Need review or necessitate a new determination of reviewability:

- A change of ownership;
- Operational changes;
- Expansion of services;
- The addition of operating rooms;
- A change in location; or

---

<sup>2</sup> For certificate of need purposes, operating and procedure rooms are both defined as operating rooms.

<sup>3</sup> Approved by the Washington State Secretary of Health, John Wiesman, DrPH, MPH, effective January 19, 2018

<sup>4</sup> "Surgical revenue for the procedure room is \$0 because no surgical facility fees will be billed or received by Olympia Orthopaedic Associates for the services provided in the room." [October 17, 2022, screening responses]

- If the physicians or the use of the facility changes which results in different total revenues or visits.
