Re: Eden Hospice at the Inland Northwest, LLC Letter of Intent for Providing Medicare and Medicaid Hospice Services to Hospice Eligible Patients in Spokane County

Dear Mr. Hernandez:

This letter of intent is issued by Eden Hospice at the Inland Northwest, LLC, a subsidiary of EmpRes Healthcare Group, Inc. In accordance with WAC 246-310-080, Eden Hospice at the Inland Northwest, LLC proposes to provide hospice services to Medicare and Medicaid Eligible hospice patients residing in Spokane County.

1. Description of proposed service

EmpRes Healthcare Group, Inc., through Eden Hospice at the Inland Northwest, LLC requests establishing a new Medicare and Medicaid certified hospice in Spokane County.

2. Estimated cost of the project

There are no capital costs associated with the proposed project because services will be provided through the existing Eden Home Health of Spokane County agency location.

3. Identification of the service area

Eden Hospice at the Inland Northwest, LLC will provide hospice services in the Spokane County planning area, as identified in WAC 246-310-290 (3).
