Agency: Department of Health – Board of Massage

Subject of possible rule making: Chapter 246-830 WAC. The Board of Massage (board), in coordination with the Department of Health (department), is considering adopting the health equity continuing education (CE) model rules, WAC 246-12-800 through 246-12-830, to comply with RCW 43.70.613. The board will also consider whether additional hours and course topics should be included.

Statutes authorizing the agency to adopt rules on this subject: RCW 18.108.025, RCW 43.70.040, RCW 43.70.613, RCW 18.130.040

Reasons why rules on this subject may be needed and what they might accomplish: By January 1, 2024, RCW 43.70.613(1) requires each health profession credentialed under RCW 18.130.040 with a CE requirement to adopt rules requiring completion of health equity CE training at least once every four years.

RCW 43.70.613(3)(b) also directed the department to create model rules establishing minimum standards for health equity CE programs. The department adopted model rules for health equity CE minimum standards in November 2022. Any rules developed by the Board of Massage must meet or exceed the minimum standards in the model rules found at WAC 246-12-800 through 246-12-830.

The goal of health equity CE training is to equip health care workers with the skills to recognize and reduce health inequities in their daily work. The content of the health equity trainings include instruction on skills to address structural factors, such as bias, racism, and poverty, which manifest as health inequities.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None.
