COVID-19 Policy Changes

The Washington State Department of Health (DOH) announces new policies related to COVID-19. These changes are in response to updated recommendations from the U.S. Food and Drug Administration (FDA) and the Centers for Disease Control and Prevention (CDC).

Effective Date:

- March 1, 2023
- May 1, 2023

These changes are intended to align with the latest guidance and ensure the health and safety of our communities.
