Agency: Department of Health – Board of Hearing and Speech

Subject of possible rule making: Hearing and speech health equity continuing education. The Board of Hearing and Speech (board) is considering amendments to WAC 246-828-510 (continuing education) and creating new sections to chapter 246-828 WAC to adopt the health equity continuing education (CE) model rules, WAC 246-12-800 through 246-12-830, and to consider whether additional CE hours and course topics should be included.

Statutes authorizing the agency to adopt rules on this subject: RCW 18.35.161, RCW 43.70.040, and RCW 43.70.613.

Reasons why rules on this subject may be needed and what they might accomplish: By January 1, 2024, RCW 43.70.613(1) requires each health profession credentialed under RCW 18.130.040 with a CE requirement to adopt rules requiring completion of health equity CE training at least once every four years.

RCW 43.70.613(3)(b) also directed the Department of Health, in consultation with the health profession boards and commissions, to create model rules establishing minimum standards for health equity CE programs. The department adopted model rules for health equity CE minimum standards on November 23, 2022, under WSR 22-23-167. Any rules developed by the board must meet or exceed the minimum standards in the model rules found at WAC 246-12-800 through 246-12-830.

The goal of health equity CE training is to equip health care workers with the skills to recognize and reduce health inequities in their daily work. The content of the health equity trainings include instruction on skills to address structural factors, such as bias, racism, and poverty, which manifest as health inequities.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe) Collaborative Rule Making

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
