Reasons why rules on this subject may be needed and what they might accomplish: By January 1, 2024, RCW 43.70.613(1) requires each health profession credentialed under RCW 18.130.040 with a CE requirement to adopt rules		
requiring completion of health equity CE training at least once every four years.		
RCW 43.70.613(3)(b) also directed the Department of Hea		
commissions, to create model rules establishing minimum standards for health equity CE programs. The department adopted model rules for health equity CE minimum standards on November 23, 2022, under WSR 22-23-167. Any rules		
developed by the board must meet or exceed the minimum standards in the model rules found at WAC 246-12-800

The goal of health equity CE training is to equip health care
