- Yes No If Yes, explain: RCW 18.74.500, Article IX(2) mandates the Board of Physical Therapy adopt the Physical Therapy Compact Commission rules in order for physical therapists to participate in the compact. Immediate adoption is necessary to be compliant with the compact commission’s revised rules that became effective June 27, 2023.

Purpose: Physical therapy licensure compact - Updating the reference date to the most recent physical therapy compact commission licensure rules. The Board of Physical Therapy (board) has updated WAC 246-915A-010 to comply with RCW 18.74.500, Article IX (2), which mandates that the board adopt the most recent version of the compact commission rules to participate in the compact in the state of Washington.

The purpose of the adopted amendment is to update the effective date in rule to June 27, 2023 which is the most recent version of the compact commission rules, and to update a web address that is referenced in rule. The Physical Therapy Compact Commission Rules, effective June 27, 2023 made the following minor changes to the compact rules:

1. Updates to match the model compact language.
2. Add a definition of “board administrator” to mean an individual serving as administrative staff to a member state’s physical therapy licensing board.
3. Add new rule 4.2 to make a technical correction to the citation for “active duty military” in Section 2 of the model statute.

The adopted changes to WAC 246-915A-010 complies with the statute by incorporating by reference the compact commission’s rules as of June 27, 2023 and makes a necessary update to a web address.
