Washington State does not require licensing or accreditation for outpatient dialysis facilities. Each of our active facilities, however, is certified by CMS based on the applicable state guidelines, which sometimes includes accreditation through the National Dialysis Accreditation Commission ("NDAC"). In Washington State, the Department of Health Facility and Licensing Division maintains responsibility for CMS certification, and to date, the Department has certified all of FMCNA's dialysis facilities for Medicare in Washington State.

¹ Fresenius Medical Care Holdings, Inc. d/b/a Fresenius Medical Care North America, the parent company of the applicant, is also the parent company to numerous other subsidiary companies which offer a range of health care services and products in North America. For the purpose of responding to question 6, the applicant is responding to such questions with respect to dialysis clinics owned, operated or managed by Fresenius Medical Care Holdings, Inc. and its subsidiaries.

Project Description

1. Provide the name and address of the existing facility, if applicable.

The name of the existing facility related to the project is Fresenius Kidney Care Bonney Lake (“FKC Bonney Lake”).

The address of the existing facility, FKC Bonney Lake, is:

19663 State Route 410 E
Bonney Lake, Washington 98391

2. Provide the name and address of the proposed facility. If an address is not yet assigned, provide the county parcel number and the approximate timeline for assignment of the address.

FKC Bonney Lake is an existing facility. Therefore, this question is not applicable.

3. Provide a detailed description of the proposed project.

Pursuant to Washington Administrative Code (“WAC”) 246-310-806, for Nonspecial Circumstance Cycle 1, RCG is requesting CN approval to expand its current CN-approved facility, FKC Bonney Lake, by five (5) additional stations.

4. Identify any affiliates for this project, as defined in [WAC 246-310-800\(1\)](#).

This question is not applicable.

5. With the understanding that the review of a Certificate of Need application typically takes 6-9 months, provide an estimated timeline for project implementation, below:

Event	Anticipated Month, Day, and Year
Assumed Completion of CN Review	January 1, 2025
Design Complete	February 1, 2025
Construction Commenced	March 1, 2025
Construction Completed	April 1, 2025
Facility Prepared for Survey	May 1, 2025

6. Identify the Month/Day/Year the facility is expected to be operational as defined in [WAC246-310-800\(12\)](#).

Assuming uncontested CN-approval on January 1, 2025, the stations are expected to be operational by May 1, 2025.

7. Provide a detailed description of the services represented by this project. For existing facilities, this should include a discussion of existing services and how these would or would not change as a result of the project. Services can include but are not limited to: in-center hemodialysis, home hemodialysis training, peritoneal dialysis training, a late shift (after 5:00 pm), etc.

FKC Bonney Lake serves patients with end-stage renal disease. FKC Bonney Lake offers in-center hemodialysis for dialysis patients. FKC Bonney Lake also offers an evening shift, beginning after 5 pm, for dialysis patients.²

8. Fill out the table below identifying the current (if applicable) and proposed configuration of dialysis stations. Note – an exempt isolation station defined under WAC 246-310-800(9) would not be counted in the methodology, but would be included in the total count of certified in-center stations.

	Before		After	
	CMS Certified Stations	Stations Counted in the Methodology	CMS Certified Stations	Stations Counted in the Methodology
General Use In-center Stations				
Permanent Bed Stations				
Exempt Isolation Station				
Isolation Station				
Total Stations				

Bonney Lake is currently CN-approved for 3 + 1 isolation stations. If the proposed 5-station expansion is approved, then it will be CN-approved for 8 + 1 isolation stations.

9. Provide a general description of the types of patients to be served by the facility at project completion.

This project requests expansion of FKC Bonney Lake’s existing services. Therefore, FKC Bonney Lake will continue to serve patients and provide services described above in response #7 as presently.

10. Provide a copy of the letter of intent that was already submitted according to [WAC246-310-080](#).

A copy of the letter of intent is included in Exhibit 4.

² Patients have access to a bed station upon request.

11. Provide single-line drawings (approximately to scale) of the facility, both before and after project completion. Reference [WAC 246-310-800\(11\)](#) for the definition of maximum treatment area square footage. Ensure that stations are clearly labeled with their square footage identified, and specifically identify future expansion stations (if applicable)

The single line drawing and corresponding square footage tables will be provided in screening.

12. Provide the gross and net square feet of this facility. Treatment area and non- treatment area should be identified separately (see explanation above re: maximum treatment area square footage).

The single line drawing and corresponding square footage tables will be provided in screening.

13. Confirm that the facility will be certified by Medicare and Medicaid. If this application proposes the expansion of an existing facility, provide the existing facility's Medicare and Medicaid numbers.

Medicare #: 502602

Medicaid #: 2158640

Certificate of Need Review Criteria

A. Need (WAC 246-310-210)

[WAC 246-310-210](#) provides general criteria for an applicant to demonstrate need for healthcare facilities or services. [WAC 246-310-800 through WAC 246-310-833](#) provide specific criteria for kidney disease treatment center applications. Documentation provided in this section must demonstrate that the proposed facility will be needed, available, and accessible to the community it proposes to serve. Some of the questions below only apply to existing facilities proposing to expand. If this does not apply to your project, so state.

1. List all other dialysis facilities currently operating in the planning area, as defined in [WAC 246-310-800\(15\)](#).

Please see Table 1 that lists certificate of need approved stations in the Pierce 01 Dialysis Planning Area.

2. Provide utilization data for the facilities listed above, according to the most recent Northwest Renal Network / Comagine ESRD Network 16 modality report. Based on the standards in [WAC 246-310-812\(5\)](#) and [\(6\)](#), demonstrate that all facilities in the planning area either:
 - a) have met the utilization standard for the planning area;
 - b) have been in operation for three or more years; or
 - c) have not met the timeline represented in their Certificate of Need application.

Table 2 below presents the utilization reported by Pierce 01 Dialysis Planning Area provider(s) according to the most recent quarterly ESRD Network 16 modality report as of the letter of intent submission date as required in WAC 246-310-812(5)-(6).

A description of planning area providers’ conformance to standards under WAC 246-310-812(6) is provided below:

- All facilities operated at or above the 4.5 patient per station standard.

3. Complete the methodology outlined in [WAC 246-310-812](#). For reference, copies of the [ESRD Methodology](#) for every planning area are available on our website. Please note, under [WAC 246-310-812\(1\)](#), applications for new stations may only address projected station need in the planning area where the facility is to be located, unless there is no existing facility in an adjacent planning area. If this application includes an adjacent planning area, station need projections for each planning area must be calculated separately.

In-center dialysis station need was determined by applying the five-step methodology set forth in WAC 246-310-812. The specific methodology applied to the Pierce 01 Dialysis Planning Area is detailed below:

**Step (a)
 Determine the Type of Regression Analysis to be Used**

Determine the type of regression analysis to be used to project resident in-center station need by calculating the annual growth rate in the planning area using the end-of-year number of resident in-center patients for each of the previous six consecutive years, concluding with the base year.

- (i) If the planning area has experienced less than six percent growth in any of the previous five annual changes calculations, use linear regression to project station need; or*
- (ii) If the planning area has experienced six percent or greater growth in each of the previous five annual changes, use nonlinear (exponential) regression to project station need.*

Table 3 details the year-end number of in-center hemodialysis patients in the Pierce 01 Dialysis Planning Area. As Table 3 demonstrates, growth in years 2021 and 2023 were less than 6%. As such, a linear regression is to be used to project station need.

Table 3. Pierce 01 Dialysis Planning Area Year-End Resident In-Center Hemodialysis Patients and Annual Rate of Change from Prior Year.

Year	2018	2019	2020	2021	2022	2023
Number of Patients	161	171	211	191	210	214
Rate of Change from Prior Year	--	6.21%	23.39%	-9.48%	9.95%	1.90%

Source: Northwest Renal Network Modality Reports. Please see <https://doh.wa.gov/sites/default/files/2024-04/KD2024Statewide-Updated.pdf>

Step (b)

Project the Number of Resident In-Center Patients

Project the number of resident in-center patients in the projection year using the regression type determined in (a) of this subsection. When performing the regression analysis use the previous five consecutive years of end-of-year data concluding with the base year.

Per WAC, the projection year for dialysis station need is defined as the fifth year after the base year. The base year is defined as the most recent calendar year for which December 31 data is available as of the first day of the application submission period from the *Northwest Renal Network's Modality Report*. In this case, the base year is 2023 and the projection year is 2028. Accordingly, Table 4 details the number of projected in-center patients in the Pierce 01 Dialysis Planning Area in the years 2024 – 2028 using a linear regression.

Table 4. Pierce 01 Dialysis Planning Area Projected Year-End Resident In-Center Hemodialysis Patients. Linear Projection.

Year	2024	2025	2026	2027	2028
Number of Patients	225	233	242	250	259

Source: Applicant. Please see <https://doh.wa.gov/sites/default/files/2024-04/KD2024Statewide-Updated.pdf>

**Step (c)
Determine the Number of Dialysis Stations Needed**

Determine the number of dialysis stations needed to serve resident in-center patients in the planning area in the projection year by dividing the result of (b) of this subsection by the appropriate resident in-center patient per station number from subsection (3) of this section. In order to assure access, fractional numbers are rounded up to the nearest whole number.

As noted above, the projection year is 2028. For the Pierce 01 Dialysis Planning Area, the appropriate resident in-center patient per station number is 4.8. Assuming 259 patients in 2028 (step b), dividing by 4.8 and rounding up yields fifty-four (54) total stations needed in 2028.

**Step (d)
Determine Net Station Need**

To determine the net station need for a planning area, subtract the number calculated in (c) of this subsection from the total number of certificate of need approved stations located in the planning area. This number does not include the one department recognized exempt isolation station defined in WAC 246-310-800(9). For example, a kidney dialysis facility that is certificate of need approved and certified for eleven stations would subtract the one exempt isolation station and use ten stations for the methodology calculations.

Subtracting existing stations from 2028 need identifies a net station need of nine (9) stations.

Projected Need	54

Source: Applicant. Please see <https://doh.wa.gov/sites/default/files/2024-04/KD2024Statewide-Updated.pdf>

4. For existing facilities, provide the facility’s historical utilization for the last three fullcalendar years.

Total home patients	0	0	0
Total home treatments	0	0	0

*Station count excludes 1 isolation station.

5. Provide projected utilization of the proposed facility for the first three full years of operation. For existing facilities, also provide the intervening years between historical and projected. Include all assumptions used to make these projections.

Table 7. FKC Bonney Lake Utilization Forecast

	2024	Jan - Apr 2025	May - Dec 2025	2026	2027	2028

*Station count excludes 1 isolation station. Any patients included in table above requiring medically necessary isolation will have access to FKC Bonney Lake’s one isolation room.

Table 7 presents the projected utilization at FKC Bonney Lake. Given the stations are anticipated to become operational by May 2025, the first full year of operation will be 2026.

Utilization Forecast Methodology

Please see below for a description of the methodology used to construct the in-center and home patient projections.

In-Center Patients

In-center patients are projected based on the assumption that FKC Bonney Lake will serve 55% of the additional patients forecasted in the Department’s need methodology. This is calculated by taking FKC Bonney Lake’s average in-center patient census in 2023 (Table 6) and adding FKC Bonney Lake’s assumed share of the projected increase in Pierce 01 patients through the Department’s forecast. It is assumed the number of treatments per patient is 144.3 treatments per year based on CY2023 utilization.

Home Patients

FKC Bonney Lake has not historically provided home training services. Therefore, home services are excluded from projections.

6. For existing facilities, provide patient origin zip code data for the most recent full calendar year of operation.

Table 8. FKC Bonney Lake Patient Origin, 2023

Zip Code	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

7. Identify any factors in the planning area that could restrict patient access to dialysis services. [WAC 246-310-210\(1\), \(2\)](#).

Patient access is critical to improving the health and quality of life of our patients. But patient access is multi-faceted and not simply represented by the aggregate number of stations available. Patients require access to the specific treatment modality and convenient hours of operation that meet their individual clinical and personal needs. Further, continuity of care with the same physician and dialysis care team is often integral to addressing patients' care need.

Patients with limited financial means also face additional barriers to care due to the financial burden of out-of-pocket expenses. However, RCG strives to address this issue for our patients when needed by providing charity. A copy of our charity care policy is contained in Exhibit 5.

8. Identify how this project will be available and accessible to low-income persons, racial and ethnic minorities, women, mentally handicapped persons, and other under-served groups. [WAC 246-310-210\(2\)](#)

All individuals identified as needing dialysis services will continue having access to FKC Bonney Lake. FKC Bonney Lake's admission policy prohibits discrimination on the basis of race, income, ethnicity, sex or handicap. A copy of the admission policy is contained in Exhibit 6.

A copy of our charity care policy is contained in Exhibit 5.

9. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the limitations of the current site consistent with [WAC 246-310-210\(2\)](#).

The proposed project is not a partial or full relocation. Therefore, this question is not applicable.

10. If this project proposes either a partial or full relocation of an existing facility, provide a detailed discussion of the benefits associated with relocation consistent with [WAC 246-310-210\(2\)](#).

The proposed project is not a partial or full relocation. Therefore, this question is not applicable.

11. Provide a copy of the following policies:

- **Admissions policy**
- **Charity care or financial assistance policy**
- **Patient Rights and Responsibilities policy**
- **Non-discrimination policy**
- **Any other policies directly associated with patient access (example, involuntary discharge)**

Attached, please find the following exhibits applicable to the FKC Bonney Lake clinic:

- Exhibit 5. Charity Care/Indigence Policy
- Exhibit 6A. Patient Admission Policy
- Exhibit 6B. Patient Rights and Responsibilities Policy
- Exhibit 6C. Patient Rights and Responsibilities List
- Exhibit 6D. Patient Acknowledgement of Receipt of Rights and Responsibilities
- Exhibit 6E. Patient Nondiscrimination

B. Financial Feasibility ([WAC 246-310-220](#))

Financial feasibility of a dialysis project is based on the criteria in [WAC 246-310-220](#) and [WAC 246-310-815](#).

- 1. Provide documentation that demonstrates the immediate and long-range capital and operating costs of the project can be met. This should include but is not limited to:**
 - **Utilization projections.** These should be consistent with the projections provided under the Need section. Include all assumptions.
 - **Pro Forma financial projections for at least the first three full calendar years of operation.** Include all assumptions.
 - **For existing facilities proposing a station addition, provide historical revenue and expense statements, including the current year. Ensure these are in the same format as the pro forma projections. For incomplete years, identify whether the data is annualized.**

Please see Exhibit 7A for historical FKC Bonney Lake expense and revenue statements. Exhibit 7B includes the required pro forma financial statements. Exhibit 7B also provides key financial pro forma assumptions and sources of information used to prepare the revenue and expense projections, including staffing and salaries, wages, and benefits assumptions.

Utilization projections, including the assumptions used to derive the forecasts, are presented and discussed in Table 7 above and surrounding text.

- 2. Provide the following agreements/contracts:**
 - **Management agreement.**
 - **Operating agreement**
 - **Medical director agreement**
 - **Development agreement**
 - **Joint Venture agreement**

Note, all agreements above must be valid through at least the first three full years following completion or have a clause with automatic renewals. Any agreements in draft form must include a document signed by both entities committing to execute the agreement as submitted following CN approval.

The medical director agreement is included in Exhibit 8. All other agreements listed above are not applicable to the current request.

- 3. Provide documentation of site control. This could include either a deed to the site or a lease agreement for the site. If a lease agreement is provided, the terms must be for at least five years following project completion.**

Included in Exhibit 9A is a copy of the lease agreement between Renal Care Group Northwest,

Inc. (Tenant) and Market at Lake Tapps, LLC (Landlord). Exhibit 9B contains two separate property summary reports from the Pierce County Assessor’s Office. The first report is for parcel #1200249882 for the FKC Bonney Lake’s address (19663 State Route 410 E). This first report identifies that parcel #1200249882 is located on parcel #7000040012. The second report is for parcel #7000040012. The second report confirms that Market at Lake Tapps, LLC (Landlord) is the owner of the parcel where FKC Bonney Lake operates.

Pursuant to Lease Assignment Section 3.1.2, the initial term of the lease will expire on September 30, 2026. Further, Lease Section 1.3 specifies that the tenant has the right and option to renew the lease for two (2) additional periods of five (5) years each.

4. Provide county assessor information and zoning information for the site. If zoning information for the site is unclear, provide documentation or letter from the municipal authorities showing the proposed project is allowable at the identified site.

FKC Bonney Lake is an existing facility. The proposed expansion will be completed at the same site as it currently operates in. Therefore, this question is not applicable to the proposed project.

5. Complete the table below with the estimated capital expenditure associated with this project. Capital expenditure for the purposes of dialysis applications is defined under [WAC 246-310-800\(3\)](#). If you have other line items not listed below, include the definition of the line item. Include all assumptions used to create the capital expenditure estimate.

6. Identify the entity responsible for the estimated capital costs identified above. If more than one entity is responsible, provide breakdown of percentages and amounts for all.

The applicant is the sole entity responsible for the capital costs identified above.

7. Provide a non-binding contractor’s estimate for the construction costs for the project.

There is no construction proposed. Therefore, this question is not applicable.

8. Provide a detailed narrative regarding how the project would or would not impact costs and charges for services. [WAC 246-310-220](#).

This project has no impact on either charges or payment, as reimbursement for kidney dialysis services is based on a prospective composite per diem rate. In the case of government payers, reimbursement is based on CMS (Center for Medicaid and Medicare) fee schedules which have nothing to do with capital expenditures by providers such as FMCNA. In the case of private sector payers, FMCNA negotiates national, state, and regional contracts with payers. These negotiated agreements include consideration/negotiation over a number of variables, including number of covered lives being negotiated; the provider’s accessibility, including hours of operation; quality of care; the provider’s patient education and outreach; its performance measures such as morbidity and/or mortality rates; and increasingly, consideration of more broad performance/quality measures, such as the CMS Quality Incentive Program (“QIP”) Total Performance Score (“TPS”).³

FMCNA does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Bonney Lake project would have no impact on payer negotiations or levels of reimbursement. In this regard, facility-level activities, such as number of FTEs, operating expenses or capital expenditures have no effect on negotiated rates, since such negotiations do not consider facility-level operations. As such, the proposed FKC Bonney Lake project will have no effect on rates FMCNA would receive in the Pierce 01 Dialysis Planning Area.

9. Provide documentation that the costs of the project, including any construction costs, will not result in an unreasonable impact on the costs and charges for healthservices in the planning area. [WAC 246-310-220](#).

See our response above for an explanation of the basis for FMCNA reimbursement. As described above, FMCNA does not negotiate any of its contracts at the facility-level, thus, the capital costs associated with the proposed FKC Bonney Lake project will have no impact on payer negotiations or levels of reimbursement.

³ Please see: <http://www.cms.gov/Medicare/Quality-Initiatives-Patient-Assessment-Instruments/ESRDQIP/>

As a follow-up to this question regarding impacts on costs, charges and reimbursement, and what elements make up reimbursement, which is what the question focuses on, it should be noted that CMS has implemented QIP with the express purpose of linking payment for care directly to providers' performance on quality of care measures.⁴ Over time, all payers will adapt some or all of these same standards, and will increasingly tie reimbursement to TPS measures.

10. Provide the historical and projected payer mix by revenue and by patients using the example table below. If “other” is a category, define what is included in “other.”

Table 10. FKC Bonney Lake Dialysis Center, Payer Mix, by Revenue and by Patient

Payor Class	Mix Based on Patients	Mix based on Revenue
Medicare	33%	22%
Commercial	10%	25%
Medicaid	0%	0%

Self Pay	1%	0%
TOTAL	100%	100%

*Based on FKC Bonney Lake CY2023 actuals.

**Projected is assumed to be based on historical.

11. If this project anticipates changes in payer mix percentages from historical to project, provide a brief explanation of why the changes are anticipated and any underlying assumptions.

The project's projected payer mix is based on FKC Bonney Lake's CY2023 actuals.

12. Provide a listing of all new equipment proposed for this project. The list should include estimated costs for the equipment. If no new equipment is required, explain.

Please see Exhibit 10 for a list of new equipment.

⁴ As stated on the CMS website, referenced above, the ESRD QIP will reduce payments to ESRD facilities that do not meet or exceed certain performance standards. The maximum payment reduction CMS can apply to any facility is two percent. This reduction will apply to all payments for services performed by the facility receiving the reduction during the applicable payment year (PY). Payment reductions result when a facility's overall score on applicable measures does not meet established standards. CMS publicly reports facility ESRD QIP scores; these scores are available online on [Dialysis Facility Compare](#).

13. Identify the source(s) of financing (loan, grant, gifts, etc.) and provide supporting documentation from the source. Examples of supporting documentation include: a letter from the applicant's CFO committing to pay for the project or draft terms from a financial institution.

RCG will use existing reserves from its parent company, FMCNA, to fund this project. A letter of financial commitment will be provided in screening.

14. If this project will be debt financed through a financial institution, provide a repayment schedule showing interest and principal amount for each year over which the debt will be amortized. [WAC 246-310-220](#)

This is not applicable to the proposed project.

15. Provide the applicant's audited financial statements covering at least the most recent three years. [WAC 246-310-220](#)

Audited financial statements are included in Exhibit 11.

C. Structure and Process (Quality) of Care ([WAC 246-310-230](#))

- 1. Provide a table that shows FTEs [full time equivalents] by category for the proposed facility. If the facility is currently in operation, include at least the last three full years of operation, the current year, and the first three full years of operation following project completion. There should be no gaps in years. All staff categories should be defined.**

Historical and projected FTE staffing, by position and clinical setting, is provided below in Table 11.

- 2. Provide the assumptions used to project the number and types of FTEs identified for this project.**

Information and assumptions used to prepare Table 11 include:

- The wage and salary figures are based on FKC Bonney Lake 2023 actuals. They are held constant over the forecast period.
- It is assumed a FTE (“full time equivalent”) employee works 2,080 hours per year.
- Non-productive hours are estimated at 10% of productive hours, based on FMCNA experience.
- Benefits are calculated at 27.0% of wages and salaries based on FKC Bonney Lake’s 2023 actuals.
- FTEs for the intervening periods between historical actuals and project completion projections are based on 2023 actuals.
- The staff to patient ratio matrix below was used to construct minimum FTE counts for the projection years based on future patient counts presented in Table 7.

	Staff to Patient Ratios (FTE Staff)
PCT (1)	1:8
RN (2)	1:20
Equipment Technician (3)	1:125
Social Worker (3)	1:125
Dietician (3)	1:125
Secretary (3)	1:125
Nurse Manager (4)	1

- (1) A PCT works two shifts of patients each day, with 4 patients per shift.
(2) A RN works two shifts of patients per day, with 10 patients per shift.
(3) These FTEs are staffed based on staff-to-patient ratios identified in the table.
(4) The Center for Medicare and Medicaid (“CMS”) requires that a dialysis facility be staffed with one FTE manager, irrespective of size of the facility or number of patients.

3. Identify the salaries, wages, and employee benefits for each FTE category.

Salary and benefit information, by FTE category and clinical setting, is contained in the pro forma financials (Exhibit 7B).

4. Provide the name and professional license number of the current or proposed medical director. If not already disclosed under 210(1) identify if the medical director is an employee or under contract.

FKC Bonney Lake contracts with Maria C. Rojas Escandon, MD for medical director services. Dr. Rojas’ professional license number is MD60537348. A copy of the Medical Director agreement is included in Exhibit 8.

5. Identify key staff, if known. (nurse manager, clinical director, etc.)

FKC Bonney Lake employs Hayley Hanson as its manager/administrator.

6. For existing facilities, provide names and professional license numbers for current credentialed staff.

Please see Table 12 below.

Table 12. Names and License Numbers of Current Staff at FKC Bonney Lake

Name	License Number	License Type
Hayley Hanson	RN60765734	Registered Nurse

7. Describe your methods for staff recruitment and retention. If any barriers to staff recruitment exist in the planning area, provide a detailed description of your plan to staff this project.

FKC Bonney Lake is an operational dialysis facility, which is staffed with qualified clinical and support personnel. Table 11 provides the number of current and proposed FTEs, by type. By virtue of our geographic location, any additional staff would be expected to principally come from Pierce as well as from neighboring counties in the region. To be effective in staff recruitment and retention, RCG offers competitive wage and benefit packages. Further, to ensure that we have adequate staff across all our facilities in Washington, we have built a local float pool of WA Licensed Patient Care Techs and RN's to ensure we have coverage for patient care. FMCNA also has an internal staffing agency, Fresenius Travel, in which we can request assistance. We also have the capability of using outside staffing agencies to fill critical needs.

8. Provide a listing of proposed ancillary and support agreements for the facility. For existing facilities, provide a listing of the vendors.

Please see Table 13 below.

Table 13. List of ancillary and support agreements for FKC Bonney Lake

9. For existing facilities, provide a listing of ancillary and support service vendors already in place.

Please see our response above for a list of ancillary and support service vendors already in place.

10. For new facilities, provide a listing of ancillary and support services that will be established.

FKC Bonney Lake is an existing facility. Therefore, this question is not applicable.

11. Provide a listing of ancillary and support services that would be provided on site and those provided through a parent corporation off site.

All patient care and support services except senior management, financial, legal, planning, marketing, architectural/construction and research and development are provided on-site at each clinic.

12. Identify whether any of the existing ancillary or support agreements are expected to change as a result of this project.

There are no anticipated changes to the existing ancillary or support agreements as a result of this project.

13. If the dialysis center is currently operating, provide a listing of healthcare facilities with which the dialysis center has working relationships.

FKC Bonney Lake has a transfer/affiliation agreement with Franciscan Health System d/b/a CHI Franciscan Health (see Exhibit 12).

FKC Bonney Lake also has working relationships with MultiCare Good Samaritan Hospital.

14. For new a new facility, provide a listing of healthcare facilities that the dialysis center would establish working relationships.

FKC Bonney Lake is an existing facility. Therefore, this question is not applicable.

15. Provide a copy of the existing or proposed transfer agreement with a local hospital.

FKC Bonney Lake has a transfer/affiliation agreement with Franciscan Health System d/b/a CHI Franciscan Health (see Exhibit 12).

16. Clarify whether any of the existing working relationships would change as a result of this project.

There are no anticipated changes as a result of this project.

17. Fully describe any history in the last three calendar years of the applicant concerning the actions noted in Certificate of Need rules and regulations [WAC246-310-230\(5\)\(a\)](#). If there is such history, provide documentation that the proposed project will be operated in a manner that ensures safe and adequate care to the public to be served and in conformance with applicable federal and state requirements. This could include a corporate integrity agreement or plan of correction.

FMCNA is committed to conducting its business activities in compliance with applicable law. The company has long maintained a corporate compliance program which includes a Code of Ethics and Business Conduct, ongoing compliance related education and training for employees, a Compliance Department to support the company and its employees with compliance concerns, including a compliance line for anonymous reporting, and monitoring and auditing of business activities.

FMCNA, as one of the largest dialysis providers in the country, is routinely involved in claims, lawsuits, regulatory matters and investigations in the ordinary course of business. As for matters responsive to the application questions, FMCNA has no history of criminal convictions relating to the ownership or operation of a health care facility within the United States within the last three (3) calendar years.⁵ FMCNA also has no history of license revocations or decertifications for facilities in Washington State. In the past three (3) years, a dialysis facility located in Coeur D Alene, Idaho (Fresenius Kidney Care North Idaho) was decertified on November 22, 2019. After another survey in which there were zero deficiencies and completion of the reassurance period, the FKC North Idaho facility received accreditation by the National Dialysis Accreditation Commission on August 23, 2021. Additionally, a dialysis facility in San Francisco did not receive a license on October 21, 2021 as part of an initial survey (Fresenius Kidney Care South San Francisco) but that license was ultimately granted after additional consultation and review.

18. Identify whether any facility or practitioner associated with this application has a history of the actions listed below. If so, provide evidence that the proposed or existing facility can and will be operated in a manner that ensures safe and adequate care to the public and conforms to applicable federal and state requirements. WAC 246-310-230(3) and (5).

⁵ Fresenius Medical Care Holdings, Inc. d/b/a Fresenius Medical Care North America, the parent company of the applicant, is also the parent company to numerous other subsidiary companies which offer a range of health care services and products in North America. Please see response to question 17. Additionally, FMCNA performs background checks on all newly hired employees. FMCNA validates the professional licenses and/or certifications of certain employee categories as required by federal, state or local laws and regulations. FMCNA screens current and new employees, potential new employees, Medical Directors, attending physicians, physician extenders (e.g., NP's, PA's), independent contractors, and vendors against the Office of Inspector General's List of Excluded Individuals/Entities and the General Services Administration's List of Parties Excluded from Federal Programs, as well as state specific exclusion lists, OFAC, etc. FMCNA will not engage a person or company that is excluded from participating in federally funded health care programs such as Medicare.

Individuals or entities may be excluded for committing healthcare fraud or committing other crimes with impact on the federal government. Individuals may also be excluded for things like defaulting on federal school loans. In some situations, an individual may be reinstated from their exclusion. However, while the individual or entity is on the exclusion list, FMCNA will not hire or allow them to perform work for the company.

As of the date of this application, to the best of the applicant's knowledge, no practitioner associated with this application has a history of the actions listed above.

19. Provide documentation that the proposed project will promote continuity in the provision of health care services in the planning area, and not result in an unwarranted fragmentation of services. [WAC 246-310-230](#)

The proposed project promotes continuity of care as it seeks to continue FKC Bonney Lake's existing dialysis care services and is supported by the Department's numeric need methodology. FKC Bonney Lake also has working relationships with Franciscan Health System d/b/a CHI Franciscan Health and MultiCare Good Samaritan Hospital.

20. Provide documentation that the proposed project will have an appropriate relationship to the service area's existing health care system as required in [WAC 246-310-230](#).

As an existing facility, FKC Bonney Lake has an established relationship with the community. See Exhibit 12 for FKC Bonney Lake's transfer agreement with Franciscan Health System d/b/a CHI Franciscan Health.

D. Cost Containment ([WAC 246-310-240](#))

1. Identify all alternatives considered prior to submitting this project.

The following options evaluated in the alternatives analysis for the current nonspecial cycle include:

- Option One: Expand the existing facility by +5 stations —The Project
- Option Two: Relocate and +9 station expansion.
- Option Three: Postponing the request—Do Nothing

FMCNA’s other existing facility in the planning area, FKC Puyallup, does not have space to accommodate additional stations at this time. Therefore, a concurrent request to expand FKC Puyallup was not a feasible option.

2. Provide a comparison of the project with alternatives rejected by the applicant. Include the rationale for considering this project to be superior to the rejected alternatives. Factors to consider can include, but are not limited to: patient access to healthcare services, capital cost, legal restrictions, staffing impacts, quality of care, and cost or operation efficiency.

Please see Tables 14-17, respectively. They provide a summary of advantages and disadvantages of each of the options based on the following evaluative criteria: Promoting availability, or access to healthcare services; Promoting Quality of Care; Promoting Cost and Operating Efficiency; and Legal Restrictions.

Table 14. Alternatives Analysis: Promoting Access to Healthcare Services.

Option:	Advantages/Disadvantages:
<p>Option One +5 Station Expansion at Existing Facility — The Project</p>	<ul style="list-style-type: none"> • Adds additional dialysis stations to the Planning Area that is supported by the department’s dialysis forecast model. (Advantage (“A”)). • Residents of the Planning Area will be better able to access needed facility dialysis services and would not be forced to out-migrate to other facilities outside the planning area--improves access (A). • Compared to Option Two, does not completely address net need warranted by forecast model. (D)
<p>Option Two Relocate and +9 Station Expansion</p>	<ul style="list-style-type: none"> • Similar advantages to Option One but expands by the entire amount of dialysis stations identified in the department’s dialysis forecast model. (A)

Table 15. Alternatives Analysis: Promoting Quality of Care.

Option:	Advantages/Disadvantages:
Option One +5 Station Expansion at Existing Facility — The Project	<ul style="list-style-type: none"> • Adds additional dialysis station capacity that is supported by the station forecast model (A). • This promotes access, reduces fragmentation, thus, promotes quality (A). • Residents of Planning Area would have increased dialysis station capacity--this improves quality of care inasmuch as it improves continuity of care (A).
Option Two Relocate and +9 Station Expansion	<ul style="list-style-type: none"> • Similar advantages to Option One but expands by the entire amount of dialysis stations identified in the department’s dialysis forecast model. (A)
Option Three Do nothing	<ul style="list-style-type: none"> • Planning Area residents will need to out-migrate to receive care and do so in increasing numbers without added capacity. As such, patient care will be fragmented, which harms access and quality of care (D)

Table 16. Alternatives Analysis: Promoting Cost and Operating Efficiency.

Option:	Advantages/Disadvantages:
Option One +5 Station Expansion at Existing Facility — The Project	<ul style="list-style-type: none"> • Approval of the current project request will allow for the facility to optimize its capacity and achieve corresponding economies of scale. (A) • Would require limited re-location of supplies and equipment, minimizing impact on existing operations and capital expenditures associated with the project. (A) • Much lower cost than Option Two.
Option Two Relocate and +9 Station Expansion	<ul style="list-style-type: none"> • A new site would require significantly more capital expenditures. (D)
Option Three Do nothing	<ul style="list-style-type: none"> • Capital and operating costs would be least under this option, since there would be none (A). • Suffers from significant disadvantages by not promoting access and continuity of care. Forces patients to continue to out-migrate, which is inefficient and costly for planning area residents (D).

Table 17. Alternatives Analysis: Legal Restrictions.

Option:	Advantages/Disadvantages:
Option One +5 Station Expansion at Existing Facility — The Project	<ul style="list-style-type: none"> This option requires certificate-of-need approval. (Neutral, “N”)
Option Two Relocate and +9 Station Expansion	<ul style="list-style-type: none"> This option requires certificate-of-need approval. (N)
Option Three Do nothing	<ul style="list-style-type: none"> There are no legal implications with this option. (N)

3. For existing facilities, identify your closest two facilities as required in [WAC 246-310-827\(3\)\(a\)](#).

The closest facilities to FKC Bonney Lake include:

FKC Puyallup
702 S Hill Park Dr
Ste 105
Puyallup, WA 98373

FKC Tacoma East
1415 E 72nd St
Ste E
Tacoma, WA 98404

4. For new facilities, identify your closest three facilities as required in [WAC 246-310-827\(3\)\(b\)](#).

This question is not applicable as FKC Bonney Lake is an existing facility.

5. Do any other applications you submitted under this concurrent review cycle rely on the same facilities listed in response to questions 3 or 4? If yes, identify the applications. [WAC 246-310-827\(3\)\(c\)](#). (Note: A maximum of two applications can rely on the same three facilities.)

No, the applicant does not rely on the same three facilities for multiple applications this cycle.

- 6. Identify whether any aspects of the facility's design could lead to operational efficiency. This could include but is not limited to: LEED building, water filtration, or the methods for construction, etc. [WAC 246-310-240\(2\) and \(3\)](#).**

Any proposed changes would meet RCG and FMCNA internal standards which have been engineered and tested to ensure that they support our high quality, efficient and patient-focused standards. Our standards also meet and or exceed all applicable state and local codes, including compliance with the State Energy Code, latest edition.

Patient Admission Policy

Purpose To guide facility management on the admission process for all patients being admitted to an FKC dialysis facility.

Responsibility Medical Director, Clinical Manager or Registered Nurse, Master’s Social Worker, Registered Dietitian and Facility Secretary as defined in this policy, Patient Admission Services and Central Verification

General Policy This policy applies to In-Center, Home, Permanent Transfer, Transient and Seasonal Patients.

When medically appropriate and consistent with this policy, facilities shall admit and treat patients needing dialysis.

Each patient admitted will be followed by an attending physician on the facility's medical staff or physician who has been granted temporary privileges at the facility.

All services offered by FKC facilities are available to all patients provided:

- They are medically suitable based on the clinical assessment of the physician,
 - and the willingness of the responsible party to pay for such services.
-

Consent The patient must sign the consent for dialysis (hemodialysis or peritoneal dialysis) prior to the first treatment at the facility.

If the patient is incompetent or incapable of making healthcare decisions, refer to the block titled “Patient Appears Unable to Consent for treatment” for additional information refer to the ***Informed Consent Policy***.

The patient (or if patient has been deemed incompetent by a physician, the patient’s representative) shall designate a person to be notified in case of emergency.

Types of Admissions: Definitions

New Patient: Permanent admission of a patient who is new to dialysis who are primarily referred by physician or hospital.

Transfer: A patient who is scheduled to receive ongoing and continued treatment at a dialysis facility (permanent or seasonal). A patient may be referred by his/her physician, a hospital, another dialysis facility, or as a self-referral.

Transient: A patient who is scheduled for only 1 to 13 treatments.

Transient or Seasonal Admission Requirements The accepting physician will medically clear the patient prior to admission. (See block on medical clearance). The attending physician or physician extenders will make all the medical, laboratory and pharmaceutical decisions for the patient while under the physician's care in accordance with the standard rules and procedures of the facility.

Dialyzers and/or supplies brought by a transient or seasonal patient will only be used in the rarest of circumstances. Use of a patient-provided item, such as a specialized dialyzer or medication, must be approved by the Medical Director and the P and T Committee **PRIOR** to the patient arriving for treatment at the facility.

- If approved for a specific dialyzer or medication, a seasonal/transient patient's home facility must ship the item to the transient facility following proper storage and shipment procedures.

Admission Process All admissions must be processed through Patient Admission Services (PAS). Patient Admission Services (PAS) will receive patient information and medical records from referral sources. The PAS will disseminate this information to the appropriate departments responsible for medically and financially clearing the patients. Upon receipt of the referral for admission, the facility will be notified of the pending admission by PAS to confirm placement.

Patient Admission Services will obtain medical records and collaborate with the verification office to financially clear the patient.

Patient Transfer to another FKC Facility The Clinical Manager or his/her designee must contact Patient Admission Services when the patient transfers to a different FKC facility. Patient Admission Services will initiate the transfer.

Medical Clearance A patient shall be medically cleared for treatment when dialysis treatment is deemed indicated and appropriate according to the clinical judgment of the patient's attending physician. In the case where the Medical Director determines the patient is too acutely ill or not appropriate for outpatient dialysis care, then the decision for admission to the facility shall be made by the Governing Body.

Special Circumstances Admission Requests Requests to admit a patient with an external device such as left ventricular assist device (LVAD), continuous medication infusion, or LifeVest Defibrillator or other non-routine request requires approval from the corporate Medical Office.

Staff must review the *Admission, Handling and Safe Movement of the Morbidly Obese Patient Policy* before admission to the facility to ensure the facility can safely care for a morbidly obese patient. The Governing Body will make the determination to accept or deny the patient based on special considerations outlined in the policy.

Emergency Admission - Transfer Patients may need to be transferred emergently in situations related to unplanned emergencies caused by severe weather, fire or other serious facility operating problems such as water treatment failure or other unexpected problems leading to facility closure. An emergency transfer is not expected to extend beyond 30 days and patients are expected to return to their “home” facility to continue their treatments when operations are able to resume. The emergency data entry process may be used for emergency transfers.

Non-emergent situations such as a planned closure or an individual treatment at another facility after a missed a treatment, or unplanned after-hours admissions must be handled according to the current process of admitting a patient.

Click the link for additional information on entering data in the clinical systems during any emergency: *Guidelines for Emergency Preparedness Policy*.

Medical Record Requirements Patient Admission Services will collect the required information needed to admit a patient.

At a minimum, the required documents to admit a patient include:

- History and Physical or nephrology consult note or discharge summary or the most recent physician progress note
- Hepatitis B panel (HBsAg, anti-HBs, anti-HBc)
 - If unable to obtain full panel:
 - For patients new to dialysis: at a minimum a Hepatitis B surface antigen (HBsAg) result obtained within 30 days prior to the admission date
 - For transient or transfer patients: All patients must have a documented hepatitis B antigen (HBsAg) **or** antibody

Printed copies are for reference only. Please refer to the electronic copy for the latest version.

(HBsAb) result prior to admission to the facility. HBsAg results must have been reported within 30 days of admission. If the patient has hepatitis antibodies (HBsAb), the results must have been reported within the past 12 months. Any discrepancies or questions related to admitting a patient and/or a patient's hepatitis results should be reported by the Clinical Manager to their Corporate Clinical Quality Manager.

- Current medication list and allergies
- Dialysis orders or the last treatment sheet
- For transients/travelers only: A PPD Test or Chest X-ray within **one** year.

NOTE: On occasion, admitting facilities request additional medical information over the minimum required documents listed above. Patient Admission Services will attempt to get this information. However, inability to provide this information by the referring facility will not affect the admission of the patient.

**Patients with
Prior
Behavioral
Issues**

A referred patient who has exhibited behavioral issues in the hospital, at another FKC or non-FKC facility or during the admission process and could be a threat to the health and safety of patients or staff may be denied admission to the dialysis facility.

The decision to admit a patient who has exhibited behavioral issues shall be made by the facility management in collaboration with the patient's attending physician and the Medical Director.

**Who is
Authorized to
Sign
Admission
Documents?**

Patients must have the mental capacity/competency to consent to treatment and sign admission forms for treatment to be given in the facility, except as described below. The facility staff cannot make determinations regarding mental capacity and competency and must presume competence unless a physician has declared the patient incompetent.

If a patient has been deemed by a physician to lack the mental capacity/competency to consent to treatment, a Legally Authorized Person may consent to the patient's treatment and may sign the admission forms. In the rare instance that the legally authorized person is unavailable to sign the consent in person, the documents may be mailed, emailed, or faxed to the Legally Authorized Person for signature. The patient cannot be admitted and treated until the clinic receives the signed documents. The original signed

documents must be faxed or mailed back to the facility to maintain in the patient's medical record.

In the unusual instance when in person or fax options cannot be accomplished, the facility should reach out to their Division Legal Counsel or Compliance for additional guidance.

NOTE: State laws vary on who may consent to treatment on the patient's behalf if the patient lacks capacity or competency to consent.

In some states, family members or persons permitted by state law may consent to the patient's treatment and sign the admission forms even if such persons do not hold a power of attorney for healthcare or healthcare proxy as the Law Department will determine.

For purposes of this Policy, a 'Legally Authorized Person' is as follows:

- a) The patient's legal guardian or someone who holds a valid power of attorney for healthcare/healthcare proxy or who may sign on behalf of the patient under state law as determined by the Law Department.
- b) A parent or legal guardian if the patient is a minor.

NOTE: If there is any doubt the person is authorized to sign admission forms, contact the Law Department.

**Patient
Appears
Unable to
Consent for
Treatment**

If a patient comes for his or her first treatment and does not appear to have the mental capacity/competency to sign the admitting documents, the nurse:

- must notify the patient's attending physician of the patient's perceived incapacity to understand and his/her inability to consent, and
- should seek confirmation whether a medical determination of incompetency or lack of capacity has been made in the medical record consistent with state law.
- If the patient is deemed incompetent by the physician, the staff should attempt to contact any emergency contacts listed on the patient's admission paperwork in an attempt to find a family member who can
 - Provide proof of guardianship/power of attorney for healthcare or healthcare proxy (which must be provided at the time of admission, prior to treatment being provided), or
 - Assist in providing valid consent to treatment, if permitted under state law, or who can obtain legal authority/guardianship to represent the patient.
- The patient cannot be dialyzed if:
 - The patient has been deemed by a physician to be incompetent or to lack mental capacity consistent with state law, and

Printed copies are for reference only. Please refer to the electronic copy for the latest version.

- The patient does not have an appropriate legal guardian or an agent with a valid healthcare power of attorney or healthcare proxy, and

The law department determines that state law does not permit family members to give consent.

Required Documents That Must Be Signed Prior to First Dialysis Treatment

The Clinical Manager or designee will conduct an admission interview with all new patients.

The following documents must be reviewed with and signed by the patient and/or the patient's Legally Authorized Person before or at the patient's first scheduled dialysis treatment:

- Admission Agreement
- Assignment of Benefits
- Consent for Dialysis
- Medicare Secondary Payor Questionnaire (MSPQ)
- Fresenius Rx Agent Designation form
- Consent to Receive, Use and Disclose Health Information for Treatment, Payment and Health Care Operations form
- Spectra form
- Notice of Privacy Practices/Acknowledgment of Notice of Privacy Practices

Note: Patients or their Legally Authorized Persons will not be asked to sign consent forms for services that are not being provided (ex. blood transfusion consent) until the actual service is needed. Blank consent forms should never be signed or used.

Approved Forms of Identification

Patient Admission Services will request the referring facility to provide 1 photo ID for the referral. Upon placement at the facility, staff will request 2 forms of identification. The two forms of ID must be provided within 6 treatments.

The two forms of identification can be:

- A driver's license, a state issued identification card, a passport, insurance cards or a birth certificate. (These documents will be copied and maintained in a separate folder for each patient. When the patient is discharged, they will be placed in the closed medical record.)
- If the patient does not bring in the required documents within 6 treatments, the Clinical Manager or Director of Operations must escalate to the Lead Social Worker who can review the situation and assist with obtaining the identification documents.

Printed copies are for reference only. Please refer to the electronic copy for the latest version.

Failure to produce 2 forms of identification alone is not cause for discharge. Refer to the *Routine and Involuntary Patient Discharge Policy*, *Routine and Involuntary Patient Discharge Policy Addendum* and the *Routine and Involuntary Patient Discharge Procedure* for guidance on discharging a patient.

FKC Notice of Privacy Practice A copy of the “FKC Notice of Privacy Practices (NPP)” must be given to each patient that is receiving direct care from an FKC provider prior to the patient’s first treatment (see *Privacy Notice Procedure*).

Patients have the right to review this Notice of Privacy Practices prior to signing the “Acknowledgement of Receipt of the NPP” form. The “Acknowledgement of Receipt of the NPP” form should be signed by the patient or Legally Authorized Person, prior to the patient’s first treatment from an FKC direct provider of care. This form serves as an acknowledgement of receipt of the FKC Notice of Privacy Practices.

NOTE: This form is **not** a condition for treatment. If the patient refuses to sign the acknowledgement form, the FKC staff should document the efforts that were made to obtain the patient’s or Legally Authorized Person’s signature and document that the FKC Notice of Privacy Practices was provided. This documentation should be made on the acknowledgement form and should be witnessed by another staff member. The acknowledgement form should be kept as part of the permanent active medical record.

A copy of this notice must also be posted in a clear and prominent location readily visible to patients in each FKC physical service delivery site. This notice will also be posted on the FKC web site. In addition, whenever the notice is revised, the FKC direct provider must make the notice available upon request.

Additional Information Provided During Admission and Orientation Process

All new admissions will also receive additional information if applicable per policy that includes:

- Benefit Plan Book
- Catheter Access Plan
- Consent Form
- DNR Instruction and Form
- Home Therapy Consultation Form
- Important Numbers

Advance Directive/DNR Status All new admissions to the facility will be asked if they have an Advance Directive and/or a valid state specific Do Not Resuscitate Order prior to or at their first treatment and during their comprehensive interdisciplinary assessment.

For more information, refer to the *Do Not Resuscitate Policy*.

Conditions for Coverage: Patients’ Rights The Conditions for Coverage, §494.70 Condition: Patients’ Rights require dialysis facilities to inform patients or their representatives of their rights (including their privacy rights) and responsibilities when they begin their treatment and must protect and provide for the exercise of those rights.  19. Receive written notice 30 days in advance of an involuntary discharge, if discharge is justified and not due to an immediate threat to the health and safety of others.

Policy

All patients and/or their representatives will be informed of their rights (including privacy rights) and responsibilities.

Patient rights and the ability to exercise these rights must be protected by the facility.

The FMCNA Patient Rights and Responsibilities brochure explains the rights patients can expect to have while receiving treatment at this facility. The brochure also provides guidance as to certain responsibilities that are expected of the patient.

Each patient will be informed of their rights and given a copy of the FMCNA Patient Rights and Responsibilities within the first six (6) treatments in the facility. More in-depth discussions with patients about their rights and responsibilities are expected. These discussions may occur over a longer period of time.

Facilities should ensure that this information is provided to patients in a manner they can understand. For example, providing the FMCNA Patient Rights and Responsibilities brochure in the patient's primary language or having it interpreted based on assessment of the patient's language and

reading preferences, or enlisting the aid of communication aids or interpreters for patients who are blind or have low vision, or are deaf or hard of hearing.

Dialysis facilities must prominently display a copy of the patient's rights in a visible and accessible area in the facility and must include contact information for the State survey agency and ESRD Network.

The FMCNA Patient Rights and Responsibilities brochures are available in English and Spanish. They may be purchased from the FMS Marketing Online Ordering Center. Audio versions in English and Spanish may also be ordered through the FMS Marketing Online Ordering Center.

**Policy:
Privacy
Rights**

Patients have the right to privately discuss their condition and treatment. There should be ready access to a room in the facility where patient and/or family meetings may be held in private.

Patients have the right to privacy during activities that may require the exposure of private body parts while in the dialysis facility. Privacy screens or curtains may be used to provide privacy. Blankets may also be used as long as staff are able to observe the patient's vascular access, bloodline connections, and face at all times.

Patients or their representatives must be provided unbiased education about transplantation and all dialysis treatment options regardless of whether these options are available in the current facility.

**Failure to
Protect
Patients'
Rights**

Evidence of failure to treat patients with respect and dignity, provide an opportunity for private communication, or prevent exposure of private body areas resulting in emotional discomfort for the patient, and evidence that cognizant patients/designees are not aware of their options for treatment or available grievance mechanisms could result in the facility receiving a Condition level citation.

Fresenius Kidney Care Bonney Lake
Pro Forma Assumptions

Patient Volumes

Utilization projections, including the assumptions used to derive the forecasts, are presented in the application.

It is assumed the number of treatments per patient is 144.3/year for in-center based on annualized full year 2023 actuals ("2023 actuals", "actuals").

Revenues

In-center revenues are based on FKC Bonney Lake 2023 actuals, given it is an existing facility. Payer mix statistics have also been obtained from FKC Bonney Lake actuals. Revenues are calculated by payer and treatment. Bad debt and charity care are subtracted from revenues to yield net revenue figures.

Charity Care

Calculated at 0.88% of revenue based on the experience of Fresenius' facilities in Washington State.

Bad Debt

Calculated on a per treatment basis from FKC Bonney Lake actuals.

Expenses

Unless otherwise noted, expenses have been calculated on a 50/50 blend of a per treatment and fixed basis from FKC Bonney Lake 2023 actuals, as there will be significant economies of scale anticipated from the expansion from 3 + 1 isolation to 8 + 1 isolation. Using medical supplies as an example calculation, medical supplies were \$51,433 in total in 2023 and \$22.28 per treatment in 2023. Therefore, medical supplies is calculated as $[(50\% * \$22.28 \text{ per treatment} * \text{total treatment}) + (50\% * \$51,433/12 * \# \text{ of Months})]$.

Personnel expenses are based on identified patient to staff ratios and incorporates a 10% non-productive factor. Wage figures are based on 2023 rates at FKC Bonney Lake facility.

Rent Expense estimated based on Fresenius' leasing software. The current estimated rental rate is \$11,609.49 for the October 2023 - September 2024 lease year. A 2.5% base rent increase occurs every year beginning in October. The current lease term expires September 2026. The lease renewal term rental rates are to be determined at fair market rates. In the absence of fair market rates for 2026, we assume continued 2.5% base rent during the renewal term consistent with the current lease term.

Other Property is set to 34.34% of base rent based on 2023 actuals and includes other lease related expenses such as tax, insurance, common area maintenance, etc.

Existing depreciation/amortization and interest expense are based on 2023 Bonney Lake actuals, including accounting adjustments applicable under International Financial Reporting Standards (IFRS). It is assumed that forecasted annual existing depreciation/amortization and interest will decrease at a constant rate set to approximately 10% of the 2023 depreciation/amortization and interest ($\$386,832 * 10\% = \$38,683$). Please see below for discussion of project-related depreciation.

Project-related depreciation is straight-line; assumes 15 year useful-life on for construction and A&E fees and 10 year useful-life for equipment.

Physician Compensation: based on MDA 1st Amendment Section 4. \$50,000 medical director fee in 2020 that increases by 2.5% per year.

Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Lease.

Statement of Agreement

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, each to the other paid, the receipt and sufficiency of which are hereby acknowledged, Assignor, Assignee and Landlord hereby agree as follows:

ARTICLE I

1.2 Effective as of the Effective Date, Assignee assumes the performance of and agrees to be bound by all the obligations of Assignor as tenant under the Lease arising on and after the Effective Date, including, without limitation, the obligation to pay monthly rent and other amounts provided for in the Lease, but specifically excluding any liabilities relating to any breach of the Lease prior to the Effective Date or in connection with the assignment of the Lease.

1.3 Assignor hereby indemnifies and holds harmless Assignee from and against any and all claims, losses, liabilities, obligations, damages, costs and expenses (including reasonable attorneys' fees and costs) arising or accruing under the Lease with respect to periods, events or circumstances occurring prior to the Effective Date of this Agreement or in connection with the assignment of the Lease.

1.4 Assignee hereby indemnifies and holds Assignor harmless from and against any and all claims, losses, obligations, liabilities, costs, damages and expenses (including reasonable attorneys' fees and costs) arising or accruing under the Lease and with respect to periods, events or circumstances occurring from and after the Effective Date of this Agreement, but specifically excluding any liabilities relating to any breach of the Lease prior to the Effective Date or in connection with the assignment of the Lease.

ARTICLE II

AMENDMENT OF LEASE

2.1 Effective as of the Effective Date, the Lease is hereby amended as follows:

Such policies shall not be cancelable or subject to material reduction of coverage below the minimum amounts required by this Lease or required by any lender having an interest in the Shopping Center or otherwise be subject to modification except after thirty (30) days prior written notice by Tenant to Landlord.

2.1.2 The following is hereby added to Section 10.3 of the Lease:

“Notwithstanding anything set forth in this Section 10.3, Tenant may assign this Lease or sublease the Premises in whole or in part, upon written notice to Landlord, but without the consent of Landlord to:

MEDICAL OFFICE LEASE

THIS MEDICAL OFFICE LEASE (this "Lease") is made to be effective as July 1st, 2014 ("Effective Date"), between LAKE TAPPS EQUITIES, LLC, a Washington Limited Liability Company ("Landlord"), and FRANCISCAN HEALTH SYSTEM, a Washington non-profit corporation ("Tenant").

RECITALS:

A. Subject to all the terms, provisions, and conditions of this Lease, Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, on an exclusive basis, certain premises containing approximately 5,200 Usable Square Feet (defined below) ("Premises"), as depicted on the floor plan in Exhibit A attached to and incorporated into this Lease. The Premises are located in a retail complex commonly known as The Market at Lake Tapps and located at 19420 State Route 410, Bonney Lake, WA ("Shopping Center"). The Shopping Center contains approximately 78,943 Square Feet of space and is legally described on Exhibit B attached to and incorporated into this Lease. The building in the Shopping Center in which the Premises is located is referred to herein as the "Building". The Premises are leased to Tenant on an exclusive basis, together with the non-exclusive use of, and access to, all non-reserved parking areas, rights-of-way, and easements located adjacent to or otherwise serving the Shopping Center and all common areas of the Shopping Center, including without limitation stairways, hallways, restrooms, lobbies, patios, exterior plazas, entrances, walkways, elevators, and corridors (collectively, "Common Areas"). "Usable Square Feet" shall mean the actual usable area of the Premises as computed in accordance with Retail Buildings: Standard Methods of Measurement and Calculating Rental Area (ANSI/BOMA Z65.5-2010), as promulgated by the Building Owner's and Manager's Association International.

B. Tenant intends to use the Premises for the purpose of clinical medical services and no other use without the prior written consent of Landlord ("Permitted Use").

AGREEMENT:

NOW, THEREFORE, for and in consideration of the mutual covenants, promises and agreements herein contained, Landlord does hereby demise, lease, and rent unto Tenant and Tenant does hereby rent and lease from Landlord, on an exclusive basis, the Premises, under and pursuant to the following terms and conditions:

ARTICLE I. DEMISE, TERM AND TERMINATION

1.1 Term.

(a) This Lease shall be effective upon the Effective Date. Subject to Subsection 1.1(b) below, Landlord shall deliver possession of the Premises to Tenant promptly following the date that Tenant provides Landlord the CON Notice (as defined below) (the "Possession Date"). If the Possession Date has not occurred by the date that is six (6) months after the date that is the later of (i) the date Tenant provides Landlord with written notice (the "CON Notice") that Tenant has been issued a Certificate of Need

with respect to the Premises by the State of Washington Department of Health (the "CON") that Tenant deems acceptable; or (ii) the date Tenant waives the Contingency as defined in Subsection 1.1(b) below, ("Outside Delivery Date"), then Tenant may terminate this Lease upon written notice to Landlord given no later than thirty (30) days after the Outside Delivery Date (but if the Possession Date occurs after the Outside Delivery Date but before Tenant sends a termination notice, Tenant shall have no further right to terminate this Lease under this Section 1.1).

The term of the Lease shall commence four (4) months after the Possession Date (the "Commencement Date") and shall expire (the "Termination Date") on the last day of the month that is One Hundred Twenty four (124) months after the Commencement Date ("Term") as the same may be extended, unless renewed as hereinafter provided. Each twelve (12) month period beginning on the Commencement Date or any anniversary thereof shall hereinafter be called a "Lease Year." Upon determination of the Possession Date and Commencement Date, Landlord shall execute and forward a memorandum in the form attached hereto as **Exhibit F** to Tenant for Tenant's approval and execution.

(b) This Lease is contingent upon Tenant obtaining and retaining a final unappealable CON from the State of Washington Department of Health that Tenant deems acceptable (the "Contingency"). Tenant may, at any time on or before the expiration of the twenty fourth (24th) month following the Effective Date, terminate this Lease if Tenant does not receive a CON that is reasonably acceptable to Tenant or receives a CON that is later revoked, by providing Landlord with written notice stating the reasons the CON was not reasonably acceptable to Tenant (the "Termination Notice"). Landlord may also provide Tenant with a Termination Notice if Tenant does not provide Landlord with written notice that Tenant has received a CON by the expiration of the twenty fourth (24th) month following the Effective Date. Following delivery of the Termination Notice, the parties hereto shall be released from all liability hereunder arising after the date of such notice. Tenant shall submit its application for CON in the Premises upon mutual execution of this Lease, and thereafter shall diligently pursue the application. Tenant shall promptly notify Landlord if a CON is issued to Tenant or if its application is denied but such notice shall not constitute the CON Notice unless Tenant indicates that the CON issued is acceptable to Tenant. Tenant may not terminate this Lease under this Section 1.1 until the CON is denied or is issued on terms not reasonably acceptable to Tenant. If Tenant is granted a CON (either initially or upon appeal) that is reasonably satisfactory to Tenant, Tenant shall promptly provide Landlord the CON Notice. If Tenant elects to terminate this Lease pursuant to this Section 1.1 because Tenant's initial application for a CON is denied, Tenant must provide Landlord with a Termination Notice. Upon such termination, the parties hereto shall be released from all liability hereunder accruing thereafter.

1.2 **Re-measurement.** Tenant and Landlord shall each have the right to cause the Premises to be re-measured in accordance with Retail Buildings: Standard Methods of Measurement and Calculating Rental Area. (ANSI/BOMA Z65.5-2010) ("BOMA Standards"), as promulgated by the Building Owner's and Manager's Association International. In the event Landlord and Tenant agree that the actual square footage of the Premises, as re-measured, is different than the square footage of the Premises initially set forth herein, the parties shall

execute a written modification to this Lease, acknowledging the actual square footage of the Premises, and modifying all sections of this Lease affected thereby including, but not limited to, all allowances contributed by Landlord.

1.3 Renewal Term.

(a) Renewal Term. Tenant shall have the right and option to renew this Lease for two (2) additional periods of five (5) years each (each, a "Renewal Term"), next immediately following after the expiration of the Initial Term of this Lease (or the subsequent renewal period(s), as the case may be) by notifying Landlord in writing not more than twelve (12) months and not less than nine (9) months before the expiration of the immediately preceding Initial Term or subsequent Renewal Term of this Lease of Tenant's intention to exercise its option to renew, but Tenant shall have no option to extend this Lease beyond two (2) renewal periods of five (5) years each after the Initial Term. In the event that Tenant so elects to extend this Lease, then, for such Renewal Term, all of the terms, covenants, and conditions of this Lease shall continue to be, and shall be, in full force and effect, except for the Rent which shall be adjusted in accordance with subsection (b) below. The Initial Term and each Renewal Term, as applicable, shall collectively be defined as the "Term," and, during any such Renewal Term, the date on which such Renewal Term expires shall be the Expiration Date (unless the following Renewal Term has been exercised by Tenant) for all purposes under this Lease. If Tenant is in default under this Lease, Tenant shall have no option to renew the Term of this Lease until such default is cured within the cure period set forth in this Lease for such default, if any; provided, that the period of time within which such option to renew may be exercised shall not be extended or enlarged by reason of Tenant's inability to exercise such option to renew because of a default.

(b) Renewal Term Rental Rate. In the event Tenant validly exercises its option to renew the Term of this Lease as herein provided, Base Rent shall be adjusted as of the commencement date of a Renewal Term as follows (but in no event shall it be less than the Base Rent for the month immediately prior to the commencement of the Renewal Term):

(a) Not later than six (6) months prior to the commencement of a Renewal Term, Landlord shall provide Tenant with Landlord's determination of the fair market Base Rent for such Renewal Term, including periodic increases as dictated by the current market ("Landlord's Determination of Base Rent for Renewal Term"). Tenant shall provide notice to Landlord within ten (10) days after receipt of such notice from Landlord as to whether Tenant accepts Landlord's Determination of Base Rent for Renewal Term. In the event Tenant does not agree to Landlord's Determination of Base Rent for Renewal Term, Landlord and Tenant shall attempt to agree upon Base Rent for the Premises for the Renewal Term, such rent to be the fair market Base Rent installment of rent for the Premises for the Renewal Term, as defined in Subsection (3) below. If the parties are unable to agree upon the Base Rent for the Renewal Term by the date three (3) months prior to the commencement of the Renewal Term, then within ten (10) days thereafter each party, at its own cost and by giving notice to the

other party, shall appoint a real estate appraiser with at least five (5) years full-time commercial real estate appraisal experience in the area in which the Premises are located to appraise and set Base Rent for the Renewal Term. If a party does not appoint an appraiser within ten (10) days after the other party has given notice of the name of its appraiser, the single appraiser appointed shall be the sole appraiser and shall set Base Rent for the Renewal Term. If each party shall have so appointed an appraiser, the two appraisers shall meet promptly and attempt to set the Base Rent for the Renewal Term. If the two (2) appraisers are unable to agree within thirty (30) days after the second appraiser has been appointed, they shall attempt to select a third appraiser meeting the qualifications herein stated within ten (10) days after the last day the two (2) appraisers are given to set Base Rent. If the two (2) appraisers are unable to agree on the third appraiser within such ten (10) day period, either of the parties to this Lease, by giving five (5) days' notice to the other party, may apply to the judge of the Superior Court in the county where the Premises is located for the selection of a third appraiser meeting the qualifications stated in this Section. Each of the parties shall bear one-half (1/2) of the cost of appointing the third appraiser and of paying the third appraiser's fee. The third appraiser, however selected, shall be a person who has not previously acted in any capacity for either party.

(b) The fair market Base Rent shall be fixed by the appraisers in accordance with the following procedures. Each party-appointed appraiser shall state, in writing, such appraiser's determination of the fair market Base Rent supported by the reasons therefor and shall make counterpart copies for the other party-appointed appraiser and any neutral appraiser. The party-appointed appraisers shall arrange for a simultaneous exchange of their proposed fair market Base Rent determinations. The role of any neutral appraiser shall be to select whichever of the two (2) proposed determinations of fair market Base Rent most closely approximates the neutral appraiser's own determination of fair market Base Rent. The neutral appraiser shall have no right to propose a middle ground or any modification of either of the two (2) proposed determinations of fair market Base Rent. The determination of fair market Base Rent the neutral appraiser chooses as that most closely approximating the neutral appraiser's determination of the fair market Base Rent shall constitute the decision of the appraisers and shall be final and binding upon the parties. The appraisers shall have no power to modify the provisions of this Lease.

(c) For purposes of the appraisal, the term "fair market Base Rent" shall mean the price that a ready and willing tenant would pay, as of the Renewal Term commencement date, as a base rent to a ready and willing landlord of premises comparable to the Premises, in terms of size, quality and comparable term, in their then-improved state, in the Bonney Lake, Washington market, if such premises were exposed for lease on the open market for a reasonable period of time; including any rent increases over the Renewal Term. In no event shall there be deducted from such fair market rental the value of any concessions, including without limitation, tenant improvements, commission and/or "down time."

(d) Any neutral appraiser's decision shall be made not later than thirty (30) days after the submission by the appraisers of their proposals with respect to the fair market Base Rent. The parties have included these time limits in order to expedite the proceeding, but they are not jurisdictional, and the neutral appraiser may for good cause allow reasonable extensions or delays, which shall not affect the validity of the award. Absent fraud, collusion or willful misconduct by the neutral appraiser, the award shall be final, and judgment may be entered in any court having jurisdiction thereof. The option to renew this Lease hereby granted is personal to the entity executing this Lease as tenant and is not transferable; in the event of any assignment or subletting under this Lease, the option to renew this Lease shall automatically terminate and shall thereafter be null and void.

ARTICLE II. FINANCIAL ARRANGEMENT

2.1 Rental Rate.

(a) Rent. Tenant agrees to pay and Landlord agrees to accept a base rent ("Base Rent") for the lease of the Premises for the first Lease Year (as defined in Section 1.1(a) above), which shall be \$20.00 per usable square foot, i.e., \$104,000.00 annually, payable \$8,666.67 monthly. Beginning on the first day of each Lease Year thereafter, Base Annual Rent shall increase by 2.5% over the immediately preceding Lease Year.

In addition, Tenant agrees to pay and Landlord agrees to accept the additional rent as set forth in Section 2.1(b) below ("Additional Rent"). All sums of Base Rent plus Additional Rent are sometimes herein collectively referred to as "Rent".

Notwithstanding the foregoing, until Tenant waives its contingency under Section 1.1(b) of this Lease, Tenant shall pay Landlord a monthly fee in the amount set forth below (the "Holding Fee") no later than the first day of each month following the Effective Date. The Holding Fee shall be \$2,166.67 per month for the first 6 month plus the Tenant's Pro Rata Share of monthly Operating Expenses (as defined in Section 2.1(b) below), \$4,333.33 for the next 6 month plus the Tenant's Pro Rata Share of monthly Operating Expenses until the earlier of (i) the date that Tenant provides Landlord the CON Notice; or (ii) the twelfth (12th) month following the Effective Date; or (iii) the date that Tenant terminates this Lease. In the event Tenant has not provided Landlord with the CON Notice within twelve (12) months following the Effective Date and Tenant has not terminated the Lease pursuant to Section 1.1(b) of this Lease, the Holding Fee shall be increased to the amount of \$8,666.67 per month plus Tenant's Pro Rata Share of monthly Operating Expenses until the earlier of (i) the date that Tenant provides Landlord the CON Notice; or the (ii) the date Tenant terminates this Lease. All Holding Fees shall be fully earned and nonrefundable upon payment thereof.

If Tenant fails to pay any amount due under this Lease within ten (10) days of the due date, a late charge equal to five percent (5%) of the unpaid amount shall be assessed and be immediately due and payable. In addition, interest shall accrue on the delinquent

amount at a per annum rate which is the lesser of the highest interest rate permitted by applicable law or five percent (5%) per annum above the highest prime business lending rate determined and publicly quoted from time to time by Bank of America, Seattle main branch. If Bank of America ceases to quote a prime rate or similar rate, Landlord, in its sole discretion, shall select a substitute interest rate.

(b) Additional Rent. Tenant covenants and agrees to pay to Landlord as Additional Rent, Tenant's Pro Rata Share of the Operating Expenses, as defined below. "Tenant's Pro Rata Share" is 6.587%, which is the percentage derived from dividing the Square Footage of the Premises by the Square Footage of the Shopping Center.

(i) Estimated Operating Expenses. On an annual basis, and at such other times during such calendar year as Landlord shall deem it necessary, Landlord shall provide to Tenant a written statement ("Notice of Estimate") setting forth (i) Landlord's estimate of the Operating Expenses for that calendar year ("Estimated Operating Expenses"); and (ii) the amount of each installment of Tenant's Pro Rata Share of the Estimated Operating Expenses ("Additional Rent Installments"). Tenant shall thereafter pay to Landlord in advance, with each payment of Base Rent, the Additional Rent Installments, beginning with the Base Rent due on the first day of the month immediately following the date of the Notice of Estimate.

(ii) Actual Operating Expenses. Landlord shall within a period of one hundred twenty (120) days after the close of each calendar year, notify Tenant by written itemized statement ("Notice of Comparison") of (i) the total amount Landlord actually paid or incurred (depending upon whether Landlord utilizes an accrual or cash basis accounting system) as the Operating Expenses during the calendar year covered by the Notice of Comparison ("Actual Operating Expenses"); and (ii) the difference, if any, between the Actual Operating Expense and the Estimated Operating Expenses payable by Tenant ("Additional Rent Adjustment").

(iii) Adjustment of Additional Rent. If the Notice of Comparison provides there is an Additional Rent Adjustment payable by Tenant, then Tenant shall, within thirty (30) days after Tenant receives the Notice of Comparison, pay to Landlord the amount set forth in the Notice of Comparison as the amount of the Adjustment of Additional Rent payable by Tenant. If the Notice of Comparison provides there is an Additional Rent Adjustment payable by Landlord, then Landlord shall apply any overpayment to reduce the Rent payable by Tenant during the remaining portion of the Term, and the balance, if any, shall be returned to Tenant. In no event shall Tenant be required to pay Controllable Expenses in excess of the Controllable Expense Cap. As used herein "Controllable Expenses" are those Operating Expenses for which Landlord has exclusive control over the amount of increase over such Operating Expenses, and in no event shall Controllable Expenses include insurance premiums and deductibles, utility charges, Real Property Taxes, [or] Non-Recurring Costs (as defined below). As used herein, the Controllable Expense Cap shall be an amount

equal to the amount of the Controllable Expenses for the Shopping Center during the calendar year 2015, which cap amount shall be annually increased by five percent (5%) on each January 1 thereafter. "Non-Recurring Costs" shall mean Operating Expenses that are not customarily incurred and budgeted for by owners of comparable projects in the Bonney Lake, Washington area, or are materially in excess of such customary and budgeted costs, such as costs incurred due to unusual weather (i.e. snow and ice removal, wind damage, excessive ground water), labor trouble, shortages in supplies, utility shortages or black-outs and costs that may arise in connection with a force majeure event.

(iv) Audits of Operating Expenses. So long as Tenant is not in default of this Lease, Tenant shall have the right, upon thirty (30) days written request, to review Landlord's records concerning Operating Expenses for the immediately prior calendar year, which request must be delivered within sixty (60) days after the date Landlord's annual statement of Operating Expenses is delivered to Tenant (and if Tenant fails to object in writing to specific Operating Expenses within sixty (60) days after the date Landlord's annual statement of Operating Expenses is delivered to Tenant, Tenant shall be deemed to have approved the same and to have waived the right to object to such calculations); provided, however, Tenant shall have no right to review the Operating Expenses more than one time during a calendar year. Such review shall occur during regular business hours at the site Landlord maintains such records; provided, however, if Tenant requests records with respect to a particular Operating Expense, Landlord shall electronically provide Tenant with the back-up of such particular Operating Expense if Landlord can reasonably do so at minimal expense to Landlord. Should Tenant choose to hire independent auditors, such auditors shall be paid on an hourly or lump sum basis, not on contingency of any potential refund. If Tenant questions any Operating Expenses, Landlord shall provide reasonably satisfactory evidence of the validity of Landlord's calculation (which evidence may be in summary statement (as opposed to the original invoice)) or adjust the item. Disputes which cannot be resolved after a reasonable period of good faith negotiations between the parties shall be resolved by a nationally recognized accounting firm mutually selected by Landlord and Tenant (the "CPA"), which CPA shall not then be employed by Landlord or Tenant. If such audit discloses that Tenant has overpaid Tenant's share of Operating Expenses, Landlord shall give Tenant credit on Operating Expenses with respect to such amount, or if the Lease is at the end of the Term, refund such amount to Tenant. In the event the audit discloses that Tenant has overpaid Tenant's share of Operating Expenses in excess of 5% of the actual amount due, then Landlord shall pay all costs and expenses of the audit by the CPA. Otherwise, Tenant shall pay all costs and expenses of the audit by the CPA. Tenant hereby agrees to keep the results of any such audit confidential except that Tenant may disclose such information to its accountants, legal advisors or as otherwise required by law, and to require Tenant's auditor and its employees and each of their respective attorneys and advisors likewise to keep the results of such audit in strictest confidence. If the audit results in a change in the Actual Operating Expenses, the resulting Additional Rent Adjustment shall be

paid or adjusted in accordance with the provisions of Sections 2.1(b)(iii) above and 2.1(b)(v) below.

(v) Adjustment of Additional Rent After Term. Notwithstanding the expiration of the Term, Tenant shall, within thirty (30) days after the date of a Notice of Comparison for the calendar year in which the Term terminates or expires, pay to Landlord, any Additional Rent Adjustment payable by Tenant. Conversely, if the Notice of Comparison provides there is an Additional Rent Adjustment payable by Landlord, then Landlord shall apply overpayment to reduce any unsatisfied obligations of Tenant to Landlord, and the balance, if any, shall be returned to Tenant at the address of Tenant provided to Landlord upon expiration of the Term.

(vi) Operating Expenses. "Operating Expenses" shall mean the costs or expenses paid or incurred by Landlord for operation, repair, replacement (as permitted under Subsection (vii) below), maintenance, and management of the Building and Common Areas, including, without limitation: (a) to the extent not billed to and paid by Tenant, water, sewage disposal, drainage, refuse collection, gas, electricity, light, power, or other utility services; (b) for the general maintenance, repair and replacement (as permitted under Subsection (vii) below) of the Building and other CAM Services, as hereinafter defined; (c) to the extent not paid directly by Tenant, taxes, assessments, or other impositions, which may be levied, assessed, or imposed upon or with respect to the Building or any part thereof, or personal property at any time situated thereon ("Taxes"); and (d) casualty, liability, and other insurance required to be obtained by Landlord pursuant to this Lease.

With respect to Subsection (vi)(c), Tenant shall be responsible for payment of its proportionate share of any Taxes assessed on the Premises or the Building during the Term of this Lease as part of Operating Expenses. To the extent Tenant obtains exemption from or a reduction in Taxes for periods covered by this Lease ("Tax Savings"), Tenant shall provide Landlord with proof of the Tax Savings, and, if applicable, Landlord shall refund to Tenant any such Tax Savings within thirty (30) days if Landlord's receipt of such refund from the applicable taxing authority.

(vii) Excluded Expenses. The term "Operating Expenses" shall not include the following, to the extent applicable to this Building: (i) repairs, restoration, or other work occasioned by fire, windstorm, or other casualty or condemnation to the extent covered by insurance or condemnation proceeds; (ii) expenses incurred in leasing or procuring tenants; (iii) leasing commissions; (iv) advertising and promotional expenses; (v) legal expenses incident to enforcement by Landlord of the terms of any lease; (vi) depreciation or amortization allowance or expense; (vii) cost of alterations, capital improvements, equipment replacements, and other items which under generally accepted accounting principles ("GAAP") are properly classified as capital expenses to the extent that such costs are not amortized over the useful life of such capital

expense (which amortization shall be made using a 8% interest factor); (viii) painting or decorating in space to be leased to tenants; (ix) any tenant work performed or alterations of space leased to tenants or occupants of the Building, whether such work or alterations are performed for the initial occupancy by such tenant or occupant or thereafter; (x) utilities for which Landlord is reimbursed by Tenant (other than as a proportionate share of Operating Expenses); (xi) any ground rent; (xii) interest on indebtedness or any costs of financing or refinancing the Building; (xiii) overtime HVAC costs or electricity costs if charged separately to other tenants or occupants of the Building; (xiv) cost of any special service provided to a tenant or occupant of the Building which is not provided generally to all tenants of the Building; (xv) any cost representing an amount paid for services or materials to a person, firm, or entity related to Landlord to the extent such amount materially exceeds the amount that would be paid for such services or materials at the then-existing market rates to an unrelated person, firm, or entity; (xvi) acquisition of art work; (xvii) late fees or penalties; (xviii) income, capital stock, succession, transfer, franchise, gift, estate or inheritance taxes of Landlord; (xix) the cost of correcting defects in the construction of the Building or violation of legal requirements in place on or before commencement; (xx) any increase in insurance premiums to the extent that such increase is caused or attributable to the use, occupancy, or act of another tenant; (xxi) the cost of any removal, treatment, or abatement of any hazardous materials in the Building except as created or generated by Tenant; (xxii) the portion of any costs that are allocable to any other properties of Landlord or any of its affiliates; (xxiii) any bad debt loss, rent loss, or reserves for bad debts or rent loss; (xxiv) costs or expenses (including fines, penalties, and legal fees) incurred due to the violation by Landlord, its employees, agents, and/or contractors, of any terms and conditions of this Lease or of the leases of other tenants in the Building; (xxv) contributions to operating expense reserves; (xxvi) compensation in the form of wages, salaries, and benefits for all employees and personnel of Landlord (except for salary of Building manager and Building engineer in excess of 3% of gross building proceeds); and (xxvii) the cost of overtime or other expense to Landlord in curing its defaults or performing work expressly provided for in this Lease.

2.2 Rental Payments. The Rent shall be payable in advance without necessity of demand or offset in equal monthly installments beginning on the Commencement Date, and thereafter on the first day of every calendar month throughout the Term. If either the Commencement Date or the Expiration Date is on a day other than the first or last day of the month, the monthly Rent for such first and/or last month of this Lease shall be prorated, based upon a thirty (30) day month. All Rent payments shall be made payable to Landlord at Landlord's address for notices set forth in the Summary of Lease Information page to this Lease, or to such other place as Landlord may from time to time designate in writing to Tenant.

2.3 Improvement Allowance. If this Lease has not been terminated pursuant to Section 1.1(b) and the Commencement Date has occurred, Tenant shall be entitled to a one-time tenant improvement allowance ("Improvement Allowance") in the amount of Twenty-Five and NO/100 Dollars (\$25.00) per usable square foot of the Premises for the costs relating to the

design, permitting and construction of Tenant's improvements ("Improvements"). Upon written request of Tenant, Landlord shall pay the Improvement Allowance to Tenant in a single disbursement, within thirty (30) days after Landlord's receipt of (a) paid invoices from the Tenant's contractors and (b) lien waivers/releases relating to the work that has been completed; provided, that so long as Tenant is in default, Landlord shall have no obligation to pay the Improvement Allowance.

ARTICLE III. LANDLORD OBLIGATIONS AND REPRESENTATIONS

3.1 **Services Furnished by Landlord.** Landlord shall furnish the following specifically described services ("CAM Services") to Tenant for the Premises:

(a) **Care and Maintenance.** Landlord shall timely clean, maintain, repair, light, operate and insure those portions of the Shopping Center and Common Areas, including improvements, space, equipment and special services, which are provided for use in common by Landlord, Tenant and any other tenants of the Shopping Center. Landlord shall maintain the Common Areas in a good condition. Landlord shall maintain the grounds, landscaping, and the parking lot in a good condition. Landlord shall provide regular and necessary snow and ice removal.

(b) **Snow Removal and Ice Treatment.** Prior to the opening of the Building, but in no event later than 7:00 a.m. to the extent commercially practicable, Landlord shall remove all snow accumulation and treat all ice in the parking areas, sidewalks, ramps, outside stairs and other Common Areas such that Tenant and its employees, agents, and invitees can reasonably park and access the Building and the Premises.

(c) **Pest or Insect Control.** On a regular basis, Landlord shall evaluate and treat the Building for infestation extermination solutions of pests or insects.

3.2 **Failure of Utilities.** Notwithstanding anything to the contrary contained in this Section, if an interruption or cessation of utilities results from the negligence or willful misconduct of Landlord and the Premises are not useable by Tenant for the conduct of Tenant's business as a result thereof and Tenant does not in fact use the Premises for three (3) consecutive business days for any purpose, then as Tenant's sole remedy commencing on the fourth (4th) consecutive business day, Base Rent and applicable Additional Rent shall be abated until the earlier to occur of the cessation of such interruption or the date Tenant resumes use of the Premises.

3.3 **Landlord Representations.** Landlord hereby represents to Tenant that Landlord is the owner in fee simple of the Premises, including the Shopping Center and all improvements thereon and has the right and authority to enter into this Lease. Landlord hereby represents to Tenant that no covenants, restrictions, or other encumbrances affecting the real property upon which the Shopping Center is constructed prohibit or materially restrict Tenant's right to use the Premises for the Permitted Use. Landlord further represents that Landlord and those signatories executing this Lease on behalf of Landlord have full power and authority to execute this Lease. Landlord shall, as of the Commencement Date, cause the Premises to be in compliance with all

applicable laws and with all applicable instruments affecting title to the Premises. Landlord further represents and warrants that it has received no notices or communications from any public authority having jurisdiction alleging violation of any laws relating to the Premises (including, without limitation, zoning laws and laws relating to handicapped accessibility, including, without limitation, the Americans with Disabilities Act (ADA) of 1990, as amended, 42 U.S.C. §§12101 *et seq.* (1990)) and has received no notices alleging violation of any title instrument that in each instance have not been cured. If at any time or from time to time any alterations, including, without limitation, structural alterations, are required in order for the Premises, the Shopping Center, or the Common Areas, including but not limited to the parking areas, to comply with any generally applicable laws from time to time applicable to the Premises, Landlord shall promptly make such alterations at its sole cost and expense, but subject to reimbursement as an Operating Expense if such alterations are required as a result of a law first enforced or first enacted after the Effective Date of this Lease, but not otherwise. If at any time or from time to time any alterations, including, without limitation, structural alterations, are required in order for the Premises to comply with any laws specifically applicable to the Premises due solely to Tenant's use of the Premises for clinical services and not due to any act by Landlord or another tenant or due to Tenant's alteration or improvements to the Premises, Tenant shall promptly make such alterations, at its sole cost and expense.

3.4 **Environmental Conditions.** Tenant shall not cause, nor permit, any hazardous or toxic substances or material ("Hazardous Materials") to be brought upon, produced, stored, used, discharged or disposed of in, on or about the Premises without the prior written consent of Landlord and then only in compliance with all applicable environmental laws. Landlord agrees to indemnify, defend, and hold harmless Tenant for any violation of federal, state, or local law, ordinance, or regulation resulting from any Hazardous Materials in or about the Premises or the Shopping Center in violation of environmental laws occurring prior to the Commencement Date of this Lease, other than any such violation caused by Tenant or its agents, contractors, or employees. Tenant, at its sole cost and expense, will comply with (and obtain all permits required under) all environmental laws, groundwater wellhead protection laws, storm water management laws, fire protection provisions, and prudent industry practice relating to the presence, storage, transportation, disposal, release or management of Hazardous Materials in, on, under or about the Shopping Center that Tenant brings upon, keeps, generates or uses on the Premises (including, without limitation, immediate remediation of any Hazardous Materials in, on, under or about the Premises that Tenant brings upon, keeps, generates or uses on the Shopping Center in compliance with environmental laws) and in no event shall Tenant allow any liens or encumbrances pertaining to Tenant's use of Hazardous Materials to attach to any portion of the Shopping Center. On or before the expiration or earlier termination of this Lease, Tenant, at its sole cost and expense, will completely remove from the Shopping Center (regardless whether any environmental law requires removal), in compliance with all environmental laws, all Hazardous Materials Tenant causes to be present in, on, under or about the Shopping Center. Tenant will not take any remedial action in response to the presence of any Hazardous Materials in on, under or about the Shopping Center, nor enter into (or commence negotiations with respect to) any settlement agreement, consent decree or other compromise with respect to any claims relating to or in any way connected with Hazardous Materials in, on, under or about the Shopping Center, without first notifying Landlord of Tenant's intention to do so and affording Landlord reasonable opportunity to investigate, appear, intervene and otherwise assert and protect Landlord's interest in the Shopping Center. Tenant will notify Landlord of any of the

following actions affecting Landlord, Tenant or the Shopping Center that result from or in any way relate to Tenant's use of the Premises immediately after receiving notice of the same: (a) any enforcement, clean-up, removal or other governmental or regulatory action instituted, completed or threatened under any environmental law; (b) any claim made or threatened by any person relating to damage, contribution, liability, cost recovery, compensation, loss or injury resulting from or claimed to result from any Hazardous Material; and (c) any reports made by any person, including Tenant, to any environmental agency relating to any Hazardous Material, including any complaints, notices, warnings or asserted violations. Tenant releases and will indemnify, defend (with counsel reasonably acceptable to Landlord), protect and hold harmless the Landlord and Landlord's agents, employees and contractors for, from and against any and all claims, liabilities, damages, losses, costs and expenses whatsoever arising or resulting, in whole or in part, directly or indirectly, from the presence, treatment, storage, transportation, disposal, release or management of Hazardous Materials in, on, under, upon or from the Shopping Center (including water tables and atmosphere) that Tenant brings upon, keeps, generates or uses on the Premises. Tenant's obligations under this section survive the expiration or earlier termination of this Lease.

ARTICLE IV. USE AND SIGNAGE

4.1 **Use of Premises.** Tenant covenants and agrees, so long as this Lease remains in force, to use the Premises for the Permitted Use.

4.2 **Signs.** Subject to obtaining all applicable governmental approvals, complying with Landlord's sign criteria attached as **Exhibit E** and the prior written consent of Landlord (which consent shall not be unreasonably withheld), Tenant shall be permitted to: (i) install prominent signage on the exterior façade of the Premises, similar in size and location as other tenants of the Shopping Center, and (ii) place a sign panel on a monument sign for the Shopping Center in such location as Landlord shall determine appropriate. At the expiration or sooner termination of this Lease, Tenant shall remove all such signage and repair all damage in connection with such removal. In no event may Tenant install any signage until Tenant has waived Tenant's right to terminate this Lease under Section 1.1.

4.3 **No Continuous Operations Requirement.** In the event that from and after the date that is nine (9) months following the Possession Date, Tenant ceases to continuously operate Tenant's business in the Premises for a period of longer than six (6) consecutive months, excluding casualty or remodeling, Landlord may terminate this Lease at any time upon up to one hundred eighty (180) days prior written notice to Tenant. During any time period in which Tenant ceases to continuously operate Tenant's business on the Premises, Tenant shall continue to pay to Landlord all Rent and all other charges due to Landlord under this Lease. If Tenant ceases to continuously operate Tenant's business in the Premises, Tenant shall give Landlord not less than thirty (30) days prior written notice of its election to cease to continuously operate Tenant's business in the Premises. Such notice shall contain: (1) the name, address and telephone number of its local representative authorized to allow access to the Premises during such vacancy, and (2) Tenant's closing date. Tenant covenants and agrees that so long as the Premises remain unoccupied, Tenant shall keep the HVAC units in the Premises operating at a minimum temperature as to protect the Premises from any external weather conditions, i.e.,

damage due to freezing/thawing water pipes, mildew on the walls due to humidity, etc., which may adversely affect the Premises or any other contiguous space. For so long as the Premises are vacant and Tenant does not have a fully executed assignment or sublease to an approved party, Tenant shall grant to Landlord the ability and unrestricted right to show the Premises to any prospective parties which may have an interest in leasing the Premises. Landlord shall give Tenant a minimum of two (2) days prior notice that Landlord desires to show the Premises. To accomplish such rights, Tenant shall direct its local representative named in the above-mentioned notice who is authorized to allow access to the Premises to use its commercially reasonable efforts to accommodate Landlord, and Landlord's agents, in showing the Premises. The foregoing notwithstanding, if Tenant's representative is a real estate agent/broker, Tenant shall be independently responsible for any brokerage fee that may be owed Tenant's agent in connection with Landlord's access and reletting. Tenant covenants and agrees to indemnify and hold Landlord harmless for the payment of such local representative in the event that Landlord's employees or agents lease the Premises.

ARTICLE V. CONDITION OF PREMISES, MAINTENANCE, AND CASUALTY

5.1 Maintenance.

(a) Tenant's Obligation. Tenant shall, throughout the Term, preserve in good working order (subject to ordinary wear and tear and damage by fire or other casualty) and maintain and perform all nonstructural repairs and routine maintenance to the Premises to keep the Premises in a reasonably safe and serviceable condition, except for those items that are stated to be Landlord's obligations. Tenant shall also repair and maintain all of the building systems that serve the Premises, including, without limitation, the HVAC system that serves the Premises (provided, however, Landlord does provide for quarterly maintenance of the HVAC systems in the Shopping Center and the cost of such quarterly maintenance is included as part of Operating Expenses). Notwithstanding the foregoing, if any capital repairs or capital replacements are required to the HVAC system that serves the Premises and the need for such capital repair or capital replacement is not due to any act or omission of Tenant or Tenant's agents, employees or contractors, then Landlord shall pay for the cost of such capital repair or capital replacement and Tenant shall reimburse Landlord for the cost of such capital repair or capital replacement on an amortized basis over the useful life of such capital repair or capital replacement (which the parties mutually agree shall be deemed 20 years using an 8 percent interest factor), which reimbursement shall be made on a monthly basis along with the payment of monthly Base Rent.

(b) Landlord's Obligation. Upon delivery of the Premises and throughout the Term, in addition to the CAM Services set forth in Section 3.1, Landlord shall repair and maintain in good condition and repair the Common Areas and the roof, foundation and structural walls of the Premises/Building as set forth herein, including, the repair and maintenance of the portions of the sewer, plumbing, water pipes and gaslines serving the Premises that are located outside of the exterior walls of the Premises.

5.2 **Disposal of Hazardous Materials or Infectious Waste.** It shall be Tenant's responsibility to dispose of any hazardous material and infectious waste (as such terms are defined by applicable federal, state, and local environmental laws and shall specifically include but not be limited to, without limitation, all radioactive materials, bulk blood, and blood products; cultures or specimens from medical, pathological, pharmaceutical, research, commercial, and industrial laboratories; human tissues, organs, body parts, secretions, blood, and body fluids removed during surgery and autopsies; the carcasses and body parts of all animals exposed to pathogens in research, used in the vivo testing of pharmaceuticals or that died of known or suspected infectious diseases; needles, syringes, and scalpel blades) from the Premises. To this end, Tenant, at Tenant's sole cost and expense, shall see to it that all such hazardous material and infectious waste are temporarily stored on the Premises in a manner consistent with applicable laws and approved by Landlord. Tenant shall not cause or permit any hazardous materials or infectious waste to be disposed on, under, or about the Shopping Center or Landlord's surrounding property. Tenant shall not place or permit to be placed any hazardous materials or infectious waste in any trash dumpster or other garbage collection bin provided by Landlord for the disposal of non-infectious waste or garbage.

5.3 **Rules and Regulations.** Tenant and Tenant's agents, employees, invitees, and visitors shall comply fully with the rules and regulations attached hereto are hereby incorporated into this Lease as **Exhibit D** ("Rules and Regulations"). The Rules and Regulations may be changed or amended by Landlord in its reasonable judgment at any time and from time to time, provided that such changes do not unreasonably diminish the right of Tenant or unreasonably increase Tenant's obligations under this Lease.

5.4 **Right of Landlord to Inspect and Repair.** Landlord and its agents, employees, and independent contractors shall have the right to enter the Premises upon at least twenty-four (24) hours prior notice (but at any time and without notice in cases of emergency) to perform its obligations under this Lease or examine the Premises only in accordance with the terms of this Lease, including, but not limited to, this Section 5.4. Landlord may perform routine maintenance and repairs during regular business hours upon reasonable prior notice to Tenant. Except in the case of an emergency, if Landlord is required to do any major repair or maintenance work that is likely to interrupt Tenant's operations at the Premises in a material respect, Landlord will use commercially reasonable efforts to perform such work after-hours. Landlord acknowledges that Tenant is required by law to protect the privacy rights of its patients pursuant to: (i) the Administrative Simplification Requirements of the Health Insurance Portability and Accountability Act of 1996, as amended ("HIPAA") and the regulations promulgated thereunder, including, the Standards for Privacy of Individually Identifiable Health Information and the Security Standards for the Protection of Electronic Protected Health Information (45 C.F.R. Parts 160 and 164); and (ii) the security and privacy provisions of the American Recovery and Reinvestment Act ("ARRA"), including the Health Information and Technology for Economic and Clinical Health Act ("HITECH"), and the regulations promulgated thereunder, as all of these may be amended from time to time. Accordingly, except in the case of an emergency, Landlord's right to enter the Premises and to make alterations, repairs, replacements, improvements, or additions to the Premises shall be subject to reasonable advance written notice to Tenant; provided, however, such advance written notice shall not be less than twenty-four (24) hours prior to entry. Tenant, in its sole discretion, may require Landlord to be accompanied by an authorized employee or agent of Tenant at all times when Landlord requires access to the

Premises to ensure such Landlord access does not interfere with Tenant's obligations to protect the privacy rights of its patients as described above; provided, that Tenant's failure to provide an authorized employee or agent of Tenant to accompany Landlord shall be deemed Tenant's waiver of such requirement. Landlord shall not make any material modifications to the Premises that would materially adversely impact Tenant's use and occupancy of the Premises without Tenant's prior written consent, such consent not to be unreasonably withheld, conditioned, or delayed.

5.5 **Nuisance.** Tenant shall not commit any waste, or create, maintain, or suffer or permit to be created or maintained, any nuisances in or about the Premises, including, but not limited to, loud noises, sound effects, offensive odors or chemicals, smoke, and dust. Landlord shall use commercially reasonable efforts to cause any tenant that is contiguous with the Premises from using such tenant's premises in a way in which unreasonable noises or odors emanate from such tenant's premises into the Premises.

5.6 **Parking.** Tenant and Tenant's employees and invitees shall have the non-exclusive right to park in the parking areas situated for the Shopping Center at no additional cost to Tenant. Tenant shall be entitled to the use of the parking area in accordance with a parking ratio of not less than five (5) spaces per one thousand Usable Square Feet (1,000 USF) of the Premises or such greater amount as may be required by local code (including handicapped parking spaces).

5.7 **Certain Rights Reserved To Landlord.** Landlord reserves the following rights, and the exercise of any such rights shall not be deemed to constitute an eviction or disturbance of Tenant's use or possession of the Premises and shall not give rise to any claim for set off or abatement of rent or any other claim: (a) to install, affix, and maintain any and all signs on the exterior or interior of the Shopping Center; (b) to make repairs, decorations, alterations, additions or improvements, whether structural or otherwise, in and about the Shopping Center, and for such purposes, on reasonable advance notice (except in an emergency), to enter upon the Premises in accordance with Section 5.4 of this Lease, temporarily close doors, corridors, and other areas in the Shopping Center and interrupt or temporarily suspend services or use of Common Areas, provided that Landlord shall use commercially reasonable efforts to schedule such work so as to minimize any material interference with Tenant's business; (c) to retain at all times, and to use in appropriate instances, keys to all doors within and into the Premises; provided that, except in the event of an emergency threatening injury to persons or damage to property, Landlord agrees to give Tenant reasonable prior notice of any entry into the Premises; (d) to grant to any person or to reserve unto itself the exclusive right to conduct any business or render any service in the Shopping Center subject to the access provisions of this Lease and Tenant's rights herein; (e) to show or inspect the Premises at reasonable times and, if vacated or abandoned, to prepare the Premises for re-occupancy subject to the access provisions of this Lease; and (f) to install, use, and maintain in and through the Premises, pipes, conduits, wires, and ducts serving the Shopping Center, provided that such installation, use, and maintenance does not unreasonably interfere with Tenant's use of the Premises.

**ARTICLE VI.
IMPROVEMENTS & FIXTURES**

6.1 **Alterations or Improvements.** Tenant is prohibited from making any alterations or improvements to the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, Landlord may withhold Landlord's consent in its sole discretion with respect to any alterations that affect: (a) the structure of the Building, (b) any mechanical, life safety, plumbing or electrical system, or (c) the exterior of the Premises. In the event Tenant proposes to make any alteration, Tenant shall, prior to commencing such alteration, submit to Landlord for prior written approval: (i) plans and specifications; (ii) names, addresses and copies of contracts for all contractors; (iii) all necessary permits evidencing compliance with all applicable governmental rules, regulations and requirements; and (iv) certificates of insurance in form and amounts required by Landlord. Tenant shall pay the entire cost of the alteration. Each alteration shall be performed in a good and workmanlike manner, in accordance with the plans and specifications. In addition, each alteration shall be performed in compliance with all applicable governmental and insurance company laws, regulations and requirements. Upon the completion of such alterations or improvements, Tenant shall deliver, if applicable, final "as-built" drawings to Landlord. Notwithstanding the foregoing, Tenant may make alterations of a purely non-structural, decorative nature without Landlord's prior written consent if such alterations do not (a) require the issuance of a building permit, or (b) affect the base building mechanical, electrical or plumbing systems or equipment in the Building. In no event shall Landlord charge Tenant a construction oversight supervisory fee for such alterations or improvements in excess of 3% of the cost of such alteration; provided, however, no such construction management fee shall be payable in connection with Tenant's initial improvements to the Premises.

6.2 **Improvements to Landlord's Property.** All alterations and improvements that are affixed to the Premises (but specifically excluding Tenant's personal property, trade fixtures, equipment and furniture) shall remain in place at the Premises and become property of Landlord when the Term expires.

6.3 **Removal of Trade Fixtures.** For a period of ten (10) days after the expiration or termination of this Lease, at no charge to Tenant, Tenant shall have the right to remove any trade fixtures, equipment, furniture, and fixtures, provided that within such ten (10) days period Tenant restores the Premises at Tenant's expense promptly after such removal to the condition in which it was delivered to Tenant, acts of God, Landlord, and Landlord's agents, representatives, employees, independent contractors or invitees, condemnation, ordinary wear, and tear, and events of casualty excepted. This right of removal shall not include the right to remove any plumbing, wiring, linoleum, or carpeting glued to the floor, unless the same is replaced.

6.4 **Liens.** Upon completion of any alteration that require Landlord's consent, Tenant shall promptly furnish Landlord with sworn owner's and contractors' statements and full and final waivers of lien covering all labor and materials included in such alteration. Tenant shall not permit any mechanic's lien to be filed against the Premises or the Shopping Center, or any part thereof, arising out of any alteration performed by or on behalf of Tenant. If any such lien is filed, Tenant shall within thirty (30) days thereafter have such lien released of record or deliver

to Landlord a bond or title insurance in form, amount, and issued by a surety or title insurance company reasonably satisfactory to Landlord.

**ARTICLE VII.
INDEMNITY, INSURANCE, CASUALTY, AND CONDEMNATION**

7.1 Indemnities.

(a) Tenant's General Indemnity of Landlord. Tenant agrees to defend, indemnify, and hold harmless Landlord and its agents and employees, from and against any and all liability, losses, suits, claims, demands, and actions for personal injury, including, but not limited to, death and property damage, and all costs and expenses associated therewith (including but not limited to reasonable attorneys' fees) for (i) injuries to any persons and damage to or theft, misappropriation, or loss of property occurring in, or arising out of Tenant's use and occupancy of, the Premises and (ii) any breach, violation, or non-performance of any obligation of Tenant hereunder; provided, however, that Tenant shall not indemnify Landlord or its agents or employees, from or in respect of any claim or matter to the extent resulting from the (y) negligence or the willful misconduct of Landlord or any of its shareholders, directors, officers, agents, or employees or (z) breach or default by Landlord in the performance of its obligations under this Lease.

The policy shall

insure the hazards of the Premises and Tenant's operations therein, shall include independent contractor and contractual liability coverage (covering the indemnity contained in Section 7.1(a) hereof) and shall (a) name Landlord, Landlord's managing agent and the Landlord's mortgagee under a mortgage or beneficiary under a deed of trust either having a lien against the Shopping Center (the "Lender") as an additional insured; (b) contain a cross liability provision and; (c) contain a provision that the insurance provided hereunder shall be primary and non contributing with any other insurance available to Landlord. Tenant shall furnish to Landlord, prior to Tenant's entry into the Premises and thereafter within ten (10) days prior to the expiration of each such policy, a certificate of insurance (or renewal thereof) issued by the insurance carrier of each policy of insurance carried by Tenant pursuant hereto and, upon request by Landlord, a copy of each such policy of insurance. Said certificates shall expressly provide that such policies shall not be cancelable or subject to reduction of coverage below the minimum amounts required by this Lease or required by any lender having an interest in the Shopping Center or otherwise be subject to modification except after thirty (30) days prior written notice to Landlord. No policy of insurance shall be written such that the proceeds thereof will produce less than the minimum coverage required hereunder by reason of co-insurance provisions or otherwise.

Notwithstanding anything set forth herein to the contrary, Tenant shall have the right to self-insure for the insurance required above, on the following terms and conditions and subject to: (a) "Self-insure" shall mean that Tenant is itself acting as though it were the insurance company providing the insurance required under the provisions hereof and Tenant shall pay any amounts due in lieu of insurance proceeds which would have been payable if the insurance policies had been carried, which amounts shall be treated as insurance proceeds for all purposes under this Lease; (b) all amounts which Tenant pays or is required to pay and all loss or damages resulting from risks for which Tenant has elected to self-insure shall be subject to the waiver of subrogation provisions of Section hereof and shall not limit Tenant's indemnification obligations set forth in this Lease; (c) Tenant's right to self-insure and to continue to self-insure is conditioned upon and subject to: (i) Tenant now having and hereafter maintaining a tangible net worth of at least One Hundred Million Dollars (\$100,000,000.00); (ii) Tenant providing an audited financial statement, prepared in accordance with generally accepted accounting principles, to Landlord by May 1 of every year which establishes and confirms that Tenant has the required net worth; (iii) no events occurring that make it apparent that such net worth has been diminished below the required level (such as the bankruptcy of Tenant); (iv) no change in use occurring in the Premises that would increase the risk of the operations conducted being thereon; and (v) Tenant maintaining appropriate loss reserves for the amount of its self-insurance obligations under this Lease and otherwise with are actuarially derived in accordance with accepted standards of the insurance industry and accrued (i.e., charged against earnings) or otherwise funded. In the event Tenant fails to fulfill the requirements of subsection (c), then Tenant shall immediately lose the right to self-insure and shall be required to provide the

insurance specified herein is issued by a qualifying insurance company. In the event that Tenant elects to self-insure a deductible or self-insured retention, Tenant shall provide Landlord with certificates of insurance from the primary, umbrella and excess carriers specifying the extent of self-insurance coverage hereunder and containing a waiver of subrogation and/or release of right of recovery provision reasonably satisfactory to Landlord. Any insurance coverage provided by Tenant shall be for the benefit of Tenant, Landlord and the first mortgagee, as their respective interests may appear and, shall name the mortgagee under a standard mortgage provision.

7.4 **Waiver of Subrogation.** Any all risk policy or policies of fire, extended coverage or similar casualty insurance which either party obtains in connection with the Building, the Premises or Tenant's personal property therein shall include a clause or endorsement denying the insurer any rights of subrogation against the other party to the extent rights have been waived by the insured prior to the occurrence of injury or loss. Landlord and Tenant waive any rights of recovery against the other for liability, injury or loss due to hazards covered by insurance containing such a waiver of subrogation clause or endorsement to the extent of the liability, injury or loss covered thereby.

7.5 **Casualty Event.** In the event of damage or destruction of the Premises through a casualty event which makes the Premises totally or partially unusable by Tenant for the intended purposes (a "Casualty"), then (a) if there is one (1) year or less left in the then current Term of this Lease, then either Tenant or Landlord may terminate this Lease by written notice to the other, and (b) if more than one (1) year is left on the then current Term of this Lease, then this Lease shall continue in effect provided that Landlord determines that adequate insurance proceeds will be available to rebuild the Premises and that such rebuilding can be accomplished in no more than two hundred seventy (270), otherwise this Lease shall automatically terminate as of the date of the Casualty and Base Rent and Additional Rent shall be abated as of the date of the Casualty and the parties shall have no further liability to each other under this Lease. hundred seventy (270) days from the date of the Casualty; or (ii) Landlord has not completed repairs and/or restoration within two hundred seventy (270) days of the Casualty; upon which Base Rent and Additional Rent shall be apportioned as of the date of the Casualty.

7.6 **Abatement of Rental.** In event of a Casualty, a just and proportionate part of the Rent shall abate from the date of such Casualty until the Premises have been repaired and restored.

7.7 **Condemnation.** In the event the whole or a portion of the Premises or the Shopping Center is taken as a result of the exercise of the power of eminent domain or condemnation for public or quasi-public use or sale, then Landlord shall be entitled to receive and retain the amount awarded for such taking of the Premises and for Landlord's business loss. Tenant shall be entitled to receive and retain such amounts as may be allocable to the taking of its fixtures, equipment, personal property, and furniture and its leasehold improvements which are not Landlord's property and for moving damages. Upon receipt of a notice of the eminent domain proceedings or condemnation, the party receiving such notice shall within thirty (30) days of receipt deliver a copy of such notice to the other party. Tenant and Landlord, at either party's option, upon receipt of such notice, shall have the right to terminate this Lease effective as of the date of the taking of the Premises and/or Building by giving prior written notice to the other party; provided, however, in no event may Tenant terminate this Lease if such taking does not have a material adverse effect on the operation of Tenant's business in the Premises.

8.1 **Compliance Requirements.** Landlord and Tenant acknowledge and agree to comply with the Compliance Requirements set forth below.

(a) **Compliance with CHI Standards of Conduct and Ethical and Religious Directives.** Landlord acknowledges that Catholic Health Initiatives ("CHI") is an owner of Tenant, and Tenant is subject to the "Ethical and Religious Directives for Catholic Health Care Services" ("Directives") as promulgated by the United States Conference of Catholic Bishops, and as may be revised from time to time. As of the date of the Agreement, the Directives are available at the following website: <http://www.usccb.org/about/doctrine/ethical-and-religious-directives/>. In addition, Tenant is obligated to follow the CHI Standards of Conduct and Ethics at Work publication ("CHI Standards"), a copy of which can be found on-line at: <http://www.catholichealthinitiatives.org/corporate-responsibility>. Landlord shall use commercially reasonable efforts to avoid doing anything under the terms of this Lease to cause Tenant or CHI to violate the Directives or the CHI Standards. In the event that Tenant or CHI determines in good faith that that Landlord has caused CHI to be non-compliant with its obligations pursuant to this Section and Landlord has not remedied such action within thirty (30) days following written notice thereof, CHI may cause Tenant to terminate this Lease upon written notice to Landlord

(b) Excluded Provider. Landlord hereby represents and warrants that neither Landlord nor any owner of Landlord is, or at any time has been, excluded from participation in any federally funded health care program, including Medicare and Medicaid. Landlord hereby agrees to notify Tenant immediately of any threatened, proposed, or actual exclusion of Landlord or any owner of Landlord from any federally funded health care program, including Medicare and Medicaid. In the event that Landlord or any owner of Landlord is excluded from participation in any federally funded health care program during the Term, or if at any time after the Effective Date of this Lease it is determined that Landlord or any owner of Landlord is in breach of this Section, Tenant shall, as of the effective date of such exclusion or breach, automatically terminate this Lease. Landlord shall indemnify and hold harmless Tenant against all actions, claims, demands, and liabilities and against all loss, damage, costs, and expenses, including reasonable attorneys' fees, due to the exclusion of Landlord or any owner of Landlord from a federally funded health care program, including Medicare or Medicaid or out of an actual or alleged injury to a person or to property as a result of the negligent or criminal or fraudulent act of Landlord or any of Landlord's employees, subcontractors, or agents providing services in connection with Landlord's obligations under the Lease.

(c) Compliance with Medicare Anti-Kickback, Self-Referral and Anti-Rebate Laws. To the extent the following is applicable, neither party shall engage in any activity prohibited by 42 U.S.C. §1395nn (42 Code of Federal Regulations, Part 411 (411.1 to 411.361)), 42 U.S.C. §1320a-7a and 42 U.S.C. Section 1320a-7b (42 Code of Federal Regulations, Part 1001 (1001.952(a) to 1001.1001)) or any other federal, state, or local law or regulation relating to the referral of patients, including, without limitation, anti-rebating and self-referral prohibitions and limitations, as those regulations now exist or as subsequently amended, renumbered, or revised, nor shall either party associate or engage in similar activities with respect to any third party payors, including, but not limited to, soliciting or receiving, directly or indirectly, any compensation, in cash or in kind, or offering to pay any compensation to a third person in exchange for referring an individual to a person for the furnishing of any item or service for which payment may be made in whole or in part by Medicare or Medicaid or any other state or federally funded healthcare payment program.

(d) Record Keeping. If, and to the extent that, 42 USC § 1395x(v)(1)(I) is applicable, until the expiration of four (4) years after the termination or expiration of this Lease, Landlord shall make available, upon written request by the Secretary of the Department of Health and Human Services, or upon request by the Comptroller General of the United States General Accounting Office, or any of their duly authorized representatives, a copy of this Lease and such books, documents, and records as are necessary to certify the nature and extent of the costs of the services provided by Landlord under this Lease. The provisions of this Section shall survive the termination or expiration of this Lease.

(e) Confidentiality. The parties hereto shall hold in confidence the information contained in this Lease and each of them hereby acknowledges and agrees that all information related to this Lease, not otherwise known to the public, is confidential and proprietary and is not to be disclosed to third persons without the prior

written consent of each of the parties except: (a) to the extent necessary to comply with any law, rule, or regulation or the valid order of any governmental agency or any court of competent jurisdiction; (b) as part of its normal reporting or review procedure, to its auditors, and to its attorneys; (c) to the extent necessary to obtain appropriate insurance, to its insurance agent; or (d) as necessary to enforce its rights and perform its agreements and obligations under this Lease. Landlord shall treat all non-public information obtained as part of this engagement as confidential and shall not, without written authorization from Tenant, release or share such information with any third party, except as may be required by law. Landlord agrees that, prior to reporting any actual or perceived violation of law to any governmental entity, even if required by law to do so, Landlord will first discuss any potential legal or compliance matter with Tenant's Corporate Responsibility Officer and CHI Legal Counsel and, unless otherwise required by law, provide Tenant with an opportunity to investigate and appropriately report any compliance matter brought to Tenant's attention by Landlord. The provisions of this Section shall survive the termination or expiration of this Lease.

(f) Jeopardy. Notwithstanding anything to the contrary contained in the Lease, in the event any breach of the performance by Landlord of any term, covenant, condition, or provision of this Lease jeopardizes the licensure of Tenant or an affiliate of Tenant, its participation in or the payment or reimbursement from, Medicare, Medicaid program, Blue Cross, or other reimbursement or payment programs, or its full accreditation by the Joint Commission, as applicable, or any other state or nationally recognized accreditation organization, or the tax-exempt status of Tenant or an affiliate of Tenant, any of its property or financing (or the interest income thereon, as applicable), or will prevent or prohibit any physician, or any other health care professionals or their patients from utilizing Tenant or any of its services, or if for any other reason said performance should be in violation of any statute, ordinance, or be otherwise deemed illegal, or be deemed unethical by any recognized body, agency, or association in the medical or hospital fields, and Landlord does not commence to cure such breach within thirty (30) days after written notice from Tenant to Landlord of such breach and thereafter diligently pursue such cure to completion, then Tenant may initiate negotiations to resolve the matter through amendments to this Lease and if the parties are unable to resolve the matter within thirty (30) days thereafter, Tenant may, at its option, terminate this Lease immediately.

(g) Health Care Regulatory Requirements. To the extent the following is applicable, and to the extent Landlord or any owner of Landlord is a physician, the parties hereto acknowledge and agree that (a) the Premises leased hereunder do not exceed that which are reasonable and necessary for Tenant's legitimate business purpose and are used exclusively by Tenant during the Term; (b) the rental charges over the Term are set in advance, are consistent with fair market value, and are not determined in a manner that takes into account the volume or value of any referrals or other business generated between the parties; and (c) this arrangement would be commercially reasonable even if no referrals were made between the parties. Nothing in this Lease, whether written or oral, nor any consideration in connection herewith requires the referral of any patient. This Lease is not intended to influence the judgment of Tenant in choosing the medical facility appropriate for the proper treatment of patients. Tenant

shall not receive any compensation or remuneration in exchange for referrals. The parties hereto support a patient's right to select the medical facility of his or her choice. The parties specifically do not intend to violate the federal (or any state's versions of the) Stark Law and Anti-Kickback Statute and intend to meet the requirements of the Lease Exception set forth at 42 CFR 411.357(a), and to the extent possible, of the Lease Safe Harbor set forth at 42 CFR 1001.952(b).

(h) No Referral Obligation. To the extent applicable, and to the extent Landlord or any owner of Landlord is a physician, nothing in the Lease shall be construed to require Landlord to refer patients to Tenant or to require Tenant to refer patients to Landlord.

(i) Financial Relationship. Landlord certifies that, as of the Effective Date of the Lease, no member of his or her immediate family (or if Landlord is a corporate entity, then no principal of Landlord has a member of his or her immediate family that) has entered into a financial relationship, including an employment relationship, with Tenant or an affiliate of Tenant related to the provision of designated health services as defined in Section 1877 of the Social Security Act or that, if such relationship exists, it has been disclosed to and approved by Tenant. Landlord agrees to give Tenant five (5) business days written notice in the event such a relationship is created during the Term of the Lease. For purposes of this paragraph, "immediate family" is defined to mean spouse; natural or adoptive parent, child or sibling; stepparent, stepchild, stepbrother, stepsister; father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law; grandparent, grandchild and spouse of a grandparent or grandchild.

(j) Compliance with Environmental Laws. Tenant shall cause the Premises to comply with all applicable environmental laws and governmental requirements; provided, however, in the event the non-compliance pre-existed the date of this Lease first above written, the cost of compliance shall be Landlord's sole cost and expense, and shall not be included as part of the Operating Expenses. Tenant shall at its own cost and expense be responsible for obtaining and maintaining all environmental and other licenses and permits necessary in connection with its use of the Premises. In addition, Tenant shall furnish Landlord with a copy of any and all citations, orders, reports, subpoenas, or requests regarding the Premises from any federal, state, or local governmental authority and a copy of any and all information, documents, or reports submitted to any federal, state, or local governmental authority by or on behalf of Tenant regarding the Premises. All notices and reports shall be furnished to Landlord as soon as practical, and in no event later than five (5) days after Tenant's receipt of such notice or the occurrence of the event which triggers the reporting obligation. Nothing in this Lease shall lessen any duty imposed on Tenant by federal, state, or local laws, regulations, rules, or ordinances.

(k) Equal Employment Opportunity. By acceptance of this Lease, Landlord represents and warrants that unless exempted under the terms of these applicable laws, it will comply with the foregoing, the provisions of Executive Order 11246, as amended, and 41 C.F.R. § 60-1.4(a); the Rehabilitation Act of 1973, as amended, and 41 C.F.R. § 60-741.5(a); the Vietnam Era Veterans' Readjustment Assistance Act, as amended; and

29 C.F.R. § 60-250.5(a); and Executive Order 13496 and 29 C.F.R. Part 471, Appendix A to Subpart A.

(l) Compliance with All Laws. Each party warrants that any use of the Premises and any services to be provided hereunder, whether by either party directly or by an approved subtenant, shall fully comply with all applicable federal, state, and local statutes, laws, rules, and regulations now in effect or hereafter enacted or passed during the Term, and that it shall be deemed a material default of this Lease if either party shall fail to observe this requirement. If such a breach is not cured in accordance with this Lease, the other party may terminate this Lease without penalty and without limiting any other rights and remedies set forth in this Lease. Specifically, but not by way of limitation, each party warrants that any use of the Premises and any service to be provided hereunder shall comply with all applicable statutes, laws, rules, regulations, and accreditation standards and requirements of Medicare or Medicaid or other federal or state health programs, The Joint Commission, as applicable, the Health Insurance Portability and Accountability Act of 1996 and all regulations promulgated thereunder (“HIPAA”), the Health Information Technology for Economic and Clinical Health Act of 2010, 42 U.S.C. §§ 17921 and 17931 et. seq. (“HITECH ACT”), the National Committee for Quality Assurance, as applicable, and updates to incorporate any changes to such statutes, laws, rules, regulations, standards, and requirements.

(m) Prohibition on Child Labor and Human Trafficking. Each Party warrants and represents that it shall comply with all federal and state labor and employment laws, and executive orders as applicable and specifically those regarding child labor, procuring commercial sex, using forced labor and human trafficking. This includes but is not limited to the Trafficking Protection Act of 2000, Executive Order - Strengthening Protections Against Trafficking in Persons in Federal Contracts, Federal Acquisition Regulations (FAR), the provisions of the International Labor Organization’s (“ILO”) Minimum Age Convention (No. 138), 1973, and any other laws or regulations that prohibit any form of human trafficking, commercial sex, forced labor, child labor or other exploitation of children in the manufacturing, delivery or provision of products/devices, items or services and as each may be amended from time to time. In addition, in connection with any International Organization for Standardization (“ISO”) certification, the Parties represent and warrant that as applicable each complies with the Social Accountability Guidelines pursuant to which a Party disqualifies any site that uses unacceptable manufacturing practices, such as child labor, forced labor or unsafe or unsanitary working conditions or trafficking of persons as defined by the Trafficking Protocol (United Nations General Assembly, Protocol to Prevent Suppress and Punish Trafficking in Persons, Especially Women and Children, Supplementing the United Nations Convention Against Transnational Organized Crime, 15 November 2000, available at <http://www.unhcr.org/refworld/docid/4720706c0.html>). Landlord acknowledges CHI’s efforts on human trafficking found at <http://www.catholichealthinit.org/human-trafficking-how-you-can-help> and represents and warrants to CHI that it undertakes periodic inspections of any Subcontractor and manufacturer involved in the provision of its products/devices, items or services hereunder to ensure compliance with the foregoing. Landlord agrees upon request to provide CHI with evidence and/or recordkeeping of its compliance with this provision.

**ARTICLE IX.
DEFAULT, TERMINATION AND SURRENDER**

9.1 Tenant Default and Termination.

(a) Termination upon Default by Tenant; Landlord Reentry. Tenant shall be in default of Tenant's obligations under this Lease, and Landlord shall have the right, at Landlord's option, to terminate this Lease, or retake possession without terminating this Lease, in the event that any of the following occur (each, an "Event of Default"):

(i) Tenant fails to pay any regularly scheduled undisputed monthly payment of Rent when due and such failure continues without cure for five (5) business days after written notice by Landlord to Tenant setting forth the payment default.

(ii) Tenant fails to pay any non-regularly scheduled undisputed monthly payment of Rent (as hereinafter defined) when due and such failure continues without cure for fifteen (15) days after written notice by Landlord to Tenant setting forth the payment default.

(iii) Tenant fails in the performance of any material covenant, agreement, obligation, or condition in this Lease and such failure continues without cure for thirty (30) days after written notice by Landlord to Tenant setting forth the nature of default, or if the nature of the default is such that it cannot reasonably be cured within thirty (30) days, if Tenant fails to take prompt and diligent steps to begin to cure the default within such thirty (30) days or fails to prosecute such steps with reasonable diligence to completion; or

(iv) Tenant files bankruptcy or has an involuntary bankruptcy proceeding initiated against it (and same are not dismissed within sixty (60) days), makes an assignment for the benefit of creditors, or otherwise seeks protection under state or federal debtor relief laws.

In addition to any grace periods permitted in this Lease, Tenant may be in default of Tenant's obligations under this Lease without such default constituting an "Event of Default" no more than once in any 12-month period; provided, however, Tenant shall correct such default within five (5) business days after a second written notice from Landlord.

Upon any termination of this Lease due to an Event of Default, Tenant shall quit and surrender the Premises to Landlord. Whether or not Landlord elects to terminate this Lease, Landlord may thereafter reenter the Premises and remove all persons and property therefrom by any suitable action or proceedings at law or in equity or by force or otherwise without being liable for prosecution or in damages therefor and repossess and enjoy the Premises together with all additions, alterations, and improvements; provided, however, Tenant may elect to remove from the Premises all personal property, equipment, furniture and fixtures.

(b) Remedies for Tenant Default.

(a) Upon the occurrence of any Event of Default set forth in this Lease, in addition to any other remedies available to Landlord at law or in equity, Landlord shall have the immediate option to terminate this Lease and all rights of Tenant hereunder. In the event that Landlord shall elect to so terminate this Lease, then Landlord may recover from Tenant: (i) any unpaid rent which has been earned at the time of such termination plus interest at the rates contemplated by this Lease; plus (ii) the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided plus interest at the rates contemplated by this Lease; plus (iii) the worth at the time of award of the amount by which the unpaid rent for the balance of the Term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; plus (iv) the unamortized balance of the value of any free Rent, tenant improvement costs, commissions and any other monetary concessions provided to Tenant pursuant to this Lease, as amortized over the initial Term of this Lease; plus (v) any other amount necessary to compensate Landlord for all the damage proximately caused by Tenant's failure to perform Tenant's obligation under this Lease or which in the ordinary course of things would be likely to result therefrom, including, but not limited to, costs to restore the Premises to good condition. As used above, the "worth at the time of award" is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

(b) In the event of any such default by Tenant, Landlord shall also have the right with or without terminating this Lease, to re enter the Premises and remove all persons and property from the Premises; such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of the Tenant. No re entry or taking possession of the Premises by Landlord pursuant to this Section shall be construed as an acceptance of a surrender of the Premises or an election to terminate this Lease unless a written notice of such intention is given to Tenant or unless the termination thereof is decreed by a court of competent jurisdiction.

(c) In the event that Landlord shall elect to so relet, the rents received by Landlord from such reletting shall be applied: first to the payment of any indebtedness other than Rent due hereunder from Tenant to Landlord; second to the payment of any costs of such reletting; third, to the payment of the cost of any alterations and repairs to the Premises; fourth, to the payment of Rent due and unpaid hereunder; and the residual, if any, shall be held by Landlord and applied to payment of future Rent as the same shall become due and payable hereunder. Should that portion of such rents received from such reletting during the month which is applied to the payment of Rent be less than the Rent payable during that month by Tenant hereunder, then Tenant shall pay any such deficiency to Landlord immediately upon demand therefor by Landlord. Such deficiency shall be calculated and paid monthly. Tenant shall also pay to Landlord, as soon as is

certain, any of the costs and expenses incurred by Landlord in such reletting or in making such alterations and repairs not covered by the rents received from such reletting.

(d) All rights, options and remedies of Landlord contained in this Lease shall be construed and held to be cumulative, and no one of them shall be exclusive of the other, and Landlord shall have the right to pursue any one or all of such remedies or any other remedy or relief which may be provided by law, whether or not stated in this Lease. No waiver of any default of Tenant hereunder shall be implied from any acceptance by Landlord of any Rent or other payments due hereunder or any omission by Landlord to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect defaults other than as specified in said waiver. The consent or approval of Landlord to or of any act by Tenant requiring Landlord's consent or approval shall not be deemed to waive or render unnecessary Landlord's consent or approval to or of any subsequent similar acts by Tenant. In no event shall Tenant be liable to Landlord or any person claiming through or under Landlord for consequential, exemplary or punitive damages except with respect to any damages that Landlord may incur arising out of Tenant's failure to surrender possession of the Premises to Landlord in the surrender condition set forth in this Lease on the expiration or sooner termination of this Lease, so long as Landlord has notified Tenant at least sixty (60) days prior to such date that Landlord has executed a lease or other occupancy agreement for all or any portion of the Premises.

(c) Holding Over. If Tenant retains possession of the Premises after the Expiration Date, Tenant shall pay Base Rent during such holding over at one hundred twenty-five percent (125%) of the Base Rent in effect immediately preceding such holding over for the first month of holdover, and thereafter at one hundred twenty-five percent (125%) of Base Rent in effect immediately preceding such holding over, computed on a monthly basis for each month or prorated for each partial month that Tenant remains in possession. The provisions of this Section do not waive Landlord's right of re-entry or right to regain possession by actions at law or in equity or any other rights hereunder, and any receipt of payment by Landlord shall not be deemed a consent by Landlord to Tenant's remaining in possession or be construed as creating or renewing any lease or right of tenancy between Landlord and Tenant. If Tenant shall default in so surrendering the Premises, Tenant's occupancy subsequent to such expiration or termination shall be deemed to be that of a tenant at will, and in no event, from month to month, shall be subject to all the terms, covenants, and conditions of this Lease applicable thereto, and no extension or renewal of this Lease shall be deemed to have occurred by such holding over. Notwithstanding anything contained in this Lease to the contrary, in the event any applicable federal, state, or local law, code, or regulation, including, without limitation, applicable healthcare laws, codes, or regulations, limit the period of any such holdover, Landlord and Tenant shall comply therewith.

Notwithstanding the foregoing, if an Event of Default occurs pursuant to which Landlord enters and retakes possession of the Premises, and any Health Information or

Individually Identified Health Information (“PHI”), as defined pursuant to 45 CFR 160.103, is on the Premises at the time of such entry and retaking, Landlord shall promptly relinquish possession of all such PHI to Tenant or Tenant’s legal representative and Landlord hereby relinquishes all claims to such PHI and shall comply with the provisions of Section 8.1(l).

9.2 **Surrender.** Tenant shall surrender the Premises to Landlord at the expiration of the term or termination of this Lease in a good condition, except for ordinary wear and tear and damage by fire or other casualty.

9.3 **Landlord Default.** Landlord shall not be in default unless Landlord fails to perform its obligations under this Lease within thirty (30) days after written notice by Tenant, or if such failure is not reasonably capable of being cured within such thirty (30) day period, Landlord shall not be in default unless Landlord has failed to commence the cure and diligently pursue the cure to completion. In no event shall Tenant have the remedy to terminate this Lease except upon final adjudication of competent jurisdiction authorizing such default. In no event shall Landlord be liable to Tenant or any person claiming through or under Tenant for consequential, exemplary or punitive damages.

ARTICLE X. MISCELLANEOUS

10.1 **Non-Waiver.** Landlord shall not by receiving partial payments of Rent in arrears be deemed to have waived any rights herein for non-payment of Rent or for any other default on the part of Tenant. No waiver or failure to enforce any of the provisions, terms, conditions, or obligations herein or failure to declare a default hereunder by Landlord shall be construed as a waiver of any subsequent breach of such provisions, term, condition, or obligation, or of any other provision, term, condition, or obligation hereunder, whether the same or different in nature. No extension of time for performance of any obligations or acts shall be deemed an extension of time for performance of any other obligations or acts. In addition to all of the remedies granted Landlord herein, Landlord shall also have the right to invoke any remedy available at law or in equity to enforce Landlord’s rights hereunder, except for the right to seek consequential damages which Landlord hereby waives, as if re-entry and other remedies were not herein provided for.

10.2 **Unavoidable Delays.** If either party be delayed or prevented directly or indirectly from performing any of its obligations hereunder (other than monetary obligations or performance by such party’s contractors, subcontractors or laborers) because of fire, strikes, acts of God, or other labor troubles, or for any other reason beyond such party’s reasonable control, such party shall incur no liability to the other party as a result thereof, and the period of such delay or prevention shall be deemed added to the time herein or otherwise provided for such performance; provided, that notwithstanding anything to the contrary above, no payment of money shall be postponed, delayed or forgiven by reason of any of the foregoing events of unavoidable delay.

10.3 **Assignment and Subletting.** Tenant shall not directly or indirectly, voluntarily or by operation of law, sell, assign, or otherwise transfer all or any part of its interest in or rights with respect to the Premises or its leasehold estate (collectively, “Assignment”), or permit all or

any portion of the Premises to be occupied by anyone other than itself or sublet all or any portion of the Premises (collectively, "Sublease") without Landlord's prior written consent, such consent not to be unreasonably withheld, conditioned or delayed. Tenant shall at the time the Tenant requests the consent of Landlord, deliver to Landlord such information in writing as Landlord may reasonably require respecting the proposed assignee or subtenant including, without limitation, the name, address, nature of business, ownership, financial responsibility and standing of such proposed assignee or subtenant and Landlord shall have not less than twenty (20) business days after receipt of all required information to elect one of the following: (a) consent to such proposed assignment, encumbrance or sublease, or (b) refuse such consent, or (c) elect to terminate this Lease, in the case of a proposed assignment, or elect to terminate the Lease with respect to the portion of the Premises proposed to be subleased, as applicable. In addition, as a condition to Landlord's consent to any assignment, sublease or encumbrance of this Lease shall be the delivery to Landlord of a true copy of the fully executed instrument of assignment, transfer or encumbrance and an agreement executed by the assignee, sublessee or other transferee in form and substance satisfactory to Landlord and expressly enforceable by Landlord, whereby the assignee assumes and agrees to be bound by the terms and provisions of this Lease and perform all the obligations of Tenant hereunder with respect to the assigned or subleased portion of the Premises. No assignment or subletting by Tenant shall relieve Tenant of any obligation under this Lease, including Tenant's obligation to pay Base Rent and Additional Rent hereunder. Any purported assignment or subletting contrary to the provisions hereof without consent shall be void. The consent by Landlord to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. Tenant's sole remedy for Landlord's refusal to consent to a proposed assignee or sublessee of Tenant will be an action or proceeding for specific performance, injunction or declaratory relief. Tenant shall pay Landlord's reasonable processing costs and attorneys' fees incurred in reviewing any proposed Assignment or sublease. If pursuant to any assignment or sublease, Tenant receives rent, either initially or over the term of the assignment or sublease, in excess of the Rent called for hereunder, or in the case of this sublease of a portion of the Premises in excess of such Rent fairly allocable to such portion, after appropriate adjustments to assure that all other payments called for hereunder are appropriately taken into account, Tenant shall pay to Landlord, as Additional Rent hereunder, fifty percent (50%) of the excess of each such payment of rent received by Tenant after its receipt. Notwithstanding the foregoing, Tenant shall, without Landlord's prior consent, have the right to assign or sublease the Premises, or any portion thereof, during the Term of the Lease to entities under the common control or operation of Catholic Health Initiative, or to any affiliate of Tenant or to other entities acquiring Tenant, or any subsidiary of Catholic Health Initiative's interest in Tenant ("Permitted Transfer").

10.4 **Other Charges.** All charges against Tenant by Landlord accruing under this Lease shall be treated as Rent due under this Lease and shall be payable at the time and in the manner specified in this Lease or in any notice from Landlord to Tenant.

10.5 **Notices.** All notices herein provided for shall be in writing and shall be deemed given when sent by registered or certified mail, postage prepaid, return receipt requested, and deposited in the mail address or by national next business day delivery service (e.g., Federal Express) (a) to Landlord at the location set forth below, or (b) to Tenant at the address of the Premises with a copy to the location set forth below.

10.7 **Waiver of Notice.** Tenant waives any and all notices required by law, other than such notices as may be specifically required in this Lease.

10.8 **Entire Agreement.** This Lease contains the entire agreement between the parties with respect to the subject matter herein and all prior written and verbal understandings and agreements are merged herein, and this Lease may not be altered, changed, or amended, except by an instrument in writing, signed by both parties hereto.

10.9 **Successors Bound.** The covenants, conditions, and agreements contained in this Lease shall be binding upon and inure to the benefit of Landlord, its successors and assigns and to Tenant, and, subject to Section 10.3, to Tenant's successors and assigns.

10.10 **Covenant of Quiet Tenant Possession.** Landlord covenants that Tenant shall have access to the Premises twenty-four (24) hours per day, three hundred sixty-five (365) days per year, and Tenant shall peacefully and quietly hold and enjoy the Premises without hindrance or interruption by Landlord or any other person or persons lawfully or equitably claiming by, through, or under Landlord for the Term of this Lease and any extensions thereof.

10.11 **Partial Invalidity.** In the event that any provision or part of a provision of this Lease is held invalid or unenforceable by any court or other lawful forum, such provision shall be ineffective only to the extent that it is in contravention of applicable laws without invalidating the remaining provision of this Lease, unless such invalidity or unenforceability would defeat an essential business purpose of this Lease.

10.12 **Marginal Captions; Construction.** The marginal captions in this Lease are for convenience only and are not intended to limit or amplify the terms and provisions of this Lease. Whenever the context admits or requires, words in the singular may be regarded as in the plural and vice versa and personal pronouns may be read as masculine, feminine, or neuter.

10.13 **Commissions, Fees.** Landlord and Tenant hereby represent and warrant to each other that this Lease has been procured and all negotiations leading to the execution and delivery of this Lease have been carried out without the intervention of any broker or third party, and

without incurring any liability for brokerage fees, commissions, or a “finder’s fee” relative to this Lease, except for The Neil Walter Company and First Western Properties – Tacoma (collectively, the “Broker”), whose commissions shall be paid by Landlord pursuant to a separate, written agreement and both Landlord and Tenant agree to indemnify, defend, and hold each other harmless from and against any assertion by any third party to such brokerage, commission, and finder’s fee.

10.14 **Survival.** Whether specifically identified or not, the obligations of the parties under this Lease which by their nature or content would continue beyond the expiration or termination of this Lease shall survive any such expiration or termination and shall remain in effect and binding upon the parties until they have fulfilled all of their obligations hereunder and the statute of limitations shall not commence to run until the time such obligations have been fulfilled.

10.15 **Governing Law.** This Lease shall be governed by the laws of the state in which the Premises is located applicable to agreements made and to be performed wholly within the state in which the Premises is located, irrespective of such state’s choice of law principles.

10.16 **Estoppel Certificate.** Tenant agrees, upon written notice by Landlord, to execute, acknowledge, and deliver to Landlord, a statement in writing addressed to Landlord or other party designated by Landlord certifying that this Lease is in full force and effect (or, if there have been modifications, that the same is in full force and effect as modified and stating the modifications), stating the actual commencement and expiration dates of the Lease, stating the dates to which rent and other charges, if any, have been paid, and stating whether or not the signor is aware of any default by either party under this Lease, without inquiry or investigation. Tenant shall deliver the statement to Landlord within such fifteen (15) days of written request of the estoppel by Landlord. Landlord shall also deliver an estoppel to Tenant, upon written request thereof, as set forth above.

10.17 **Subordination.** This Lease is and shall be expressly subject and subordinate at all times to (a) any present or future ground, underlying, or operating lease of the Shopping Center, and all amendments, renewals, and modifications to any such lease, and (b) the lien of any present or future mortgage or deed of trust encumbering fee title to the Shopping Center and/or the leasehold estate under any such lease; provided that (but not as a condition to the effectiveness of this Lease), Landlord uses commercially reasonable efforts to obtain from any existing mortgage or deed of trust holders a commercially reasonable non-disturbance agreement in which it is agreed that Tenant’s possession of the Premises will not be disturbed so long as Tenant is not in default under this Lease beyond any period given to cure such default, which agreement may contain such other provisions as such mortgage or deed of trust holders reasonably requires. If any such mortgage or deed of trust to which Tenant has subordinated is foreclosed upon request of the mortgagee or beneficiary, as the case may be, Tenant will attorn to such party. Notwithstanding anything to the contrary contained in this Lease, this Lease shall not be subordinate to any future mortgage(s), trustees under a deed of trust, or to ground lease(s), if any, until with respect to any such mortgage(s), deed of trust and/or ground lease(s) there shall have been delivered to Tenant a non-disturbance agreement in which it is agreed that Tenant’s possession of the Premises will not be disturbed so long as Tenant is not in default under this Lease beyond any period given to cure such default, which agreement may contain such other

provisions as such ground lessor or mortgagee or beneficiary reasonably requires and shall be executed by Tenant within fifteen (15) days of request therefor.

10.18 **Tenant's Financing.** Notwithstanding anything to the contrary herein, Tenant shall be permitted to finance its personal property in the Premises at any time during the Term and in connection therewith, Landlord hereby subordinates any liens, it may have, by statute or otherwise, on Tenant's personal property in the Premises to the liens granted by Tenant to any lender financing such personal property. Upon ten (10) business days' request by Tenant, Landlord shall execute appropriate lien subordination agreements in connection with financing or leasing of any personal property within the Premises by Tenant.

10.19 **OFAC.** Pursuant to United States Presidential Executive Order 13224 ("Executive Order") and related regulations of the Office of Foreign Assets Control ("OFAC") of the U.S. Department of the Treasury, U.S. persons and entities are prohibited from transacting business with persons or entities who, from time to time, are determined to have committed, or to pose a risk of committing or supporting terrorist acts, narcotics trafficking, money laundering, and related crimes. Those persons and entities are identified on a list of Specially Designated Nationals and Blocked Persons ("List"), published and regulated by OFAC. The names, including aliases, of those persons or entities on the List ("Blocked Persons") are updated frequently. In addition, OFAC enforces other Executive Orders which, from time to time, impose restrictions on transactions with, or involving, certain countries. Landlord and Tenant represent and warrant that neither party, nor to its respective knowledge, any of its respective officers, directors, shareholders, partners, members, or associates, and no other direct or indirect holder of any equity interest in such party, is acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order or the United States Treasury Department as a terrorist, a Blocked Person, or other banned or blocked person, group, entity, nation or transaction pursuant to any law, order, rule, or regulation that is enforced or administered by OFAC and that it is not engaged in this transaction, directly or indirectly, on behalf of, or instigating or facilitating this transaction, directly or indirectly, on behalf of any such person, group, entity, or nation.

10.20 **Amendments.** This Lease may be amended at any time by mutual agreement of the parties without additional consideration, provided that before any amendment shall become effective, it shall be reduced to writing and signed by each of the parties.

10.21 **Remedies Cumulative.** The various rights, options, elections, powers, and remedies of the respective parties hereto contained in, granted or reserved by this Agreement, are in addition to any others that said parties may be entitled to by law (except as expressly set forth in this Lease), shall be construed as cumulative, and no one of them is exclusive of any of the others, or of any right or priority allowed by law.

10.22 **Counterparts.** This Lease, and any addenda hereto, may be executed in several counterparts, each of which shall be deemed an original, and all of such counterparts together shall constitute one and the same instrument.

10.23 **Memorandum of Lease.** Concurrent with execution of this Lease, Landlord and Tenant will execute a recordable form of a memorandum or notice of this Lease in the form attached as **Exhibit F** (“Memorandum of Lease”). To the extent it desires to record the Memorandum of Lease, Tenant shall be responsible for the cost of recording the same. Upon Landlord’s written request, Tenant shall execute and deliver to Landlord a Release of Memorandum of Lease (“Release”), in recordable form, releasing such Memorandum of Lease, which Release shall be held in escrow by Landlord and not recorded until expiration or termination of this Lease. To the extent the Memorandum of Lease has been recorded by Tenant, Landlord shall be responsible for the cost of recording the Release.

10.24 **Limitation of Landlord Liability.** The obligations of Landlord under this Lease do not constitute personal obligations of the individual partners, directors, officers, members, employees or shareholders of Landlord or its partners, and Tenant shall look solely to the Shopping Center, and the rents and profits therefrom, for satisfaction of any liability in respect of this Lease and will not seek recourse against the individual partners, directors, officers, members, employees or shareholders of Landlord or its partners or any of their personal assets for such satisfaction.

10.25 **Attorneys’ Fees.** In the event either party requires the services of an attorney in connection with enforcing the terms of this Lease or in the event suit is brought for the recovery of any Rent due under this Lease or the breach of any covenant or condition of this Lease, or for the restitution of the Premises to Landlord and/or eviction of Tenant during the Term of this Lease, or after the expiration thereof, the substantially prevailing party will be entitled to a reasonable sum for attorneys’ fees, witness fees and other court costs, both at trial and on appeal.

10.26 **Assignment by Landlord.** In the event of a sale, conveyance, or other transfer by Landlord of the Building or portion thereof, or in the event of an assignment of this Lease by Landlord, the same shall operate to release Landlord from any further liability upon any of the covenants or conditions, express or implied, herein contained on the part of Landlord, and from any and all further liability, obligations, costs and expenses, demands, causes of action, claims or judgments arising out of this Lease from and after the effective date of said release. In such event, Tenant agrees to look solely to the successor in interest of transferor.

Affiliation/Transfer Agreement

AFFILIATION AGREEMENT

This AFFILIATION AGREEMENT (this “**Agreement**”), made as of the last date of signature by the parties hereto (the “**Effective Date**”), is between Franciscan Health System d/b/a CHI Franciscan Health (the “**Hospital**”) and Renal Care Group Northwest, Inc., which is an affiliate of Fresenius Medical Care Holdings, Inc. d/b/a Fresenius Medical Care North America, on behalf of the centers listed in Exhibit A attached hereto (the “**Company**”).

WHEREAS, the Company desires to assure the availability of the Hospital’s facilities for its patients who are in need of inpatient treatment at a hospital and those residing in the Hospital’s distinct/part/skilled intermediate care unit, if any, in compliance with 42 C.F.R. Part 494.180(g), and the Hospital is equipped and qualified to provide hospital care on an inpatient basis for such patients;

WHEREAS, the Hospital desires to assure the availability of hemodialysis treatment for its patients who are in need of outpatient treatment, and the Company is experienced and qualified to administer dialysis treatments and clinically manage patients with chronic renal failure on an outpatient basis; and

WHEREAS, the Hospital and the Company have multiple facilities, and references to the “Hospital” or the “Company” in this Agreement are meant to refer to the Hospital or the Company facility in closest proximity to the patient.

The parties agree as follows:

1. The Hospital agrees to make the facilities and personnel of its routine emergency service available for the treatment of acute life-threatening emergencies, which may occur to any of the Company’s patients. If, after evaluation by a qualified member of the Hospital’s medical staff, any patient requires emergent hospitalization, the Hospital agrees that it will provide a bed for such a patient, if an appropriate bed is available at Hospital. If a bed is not available at the Hospital, Hospital will work with Company to arrange for the transfer of the patient to an appropriate hospital at the patient’s expense. In the event of an emergency at the Company, the responsible physician shall notify the patient’s physician of record, as indicated in the Company’s files, and shall promptly notify the Emergency Room physician on duty in the Hospital of the particular emergency. The Company shall be responsible for arranging to have the patient transported to the Hospital and shall send appropriate interim medical records. There will be an interchange, within one working day, of medical and other information necessary or useful in the care and treatment of patients referred to the Hospital from the Company, or in determining whether such patients can be adequately cared for otherwise than in either Company or Hospital. Admission to the Hospital, and the continued treatment by the Hospital, shall be provided regardless of the patient’s race, color, creed, sex, age, disability, or national origin.

2. In the event the patient must be transferred directly from the Company to the Hospital, the Company shall provide for the security of, and be accountable for, the patient’s personal effects during the transfer.

3. The Company shall keep medical records of all treatments rendered to patients by the Company. These medical records shall conform to applicable standards of professional practice. If requested by the Hospital, the Company shall provide complete copies of all medical records of a patient treated by the Company who is, at the time of the request, an inpatient at the Hospital.

4. The Hospital shall accept any patient of the Company referred to the Hospital for elective reasons, if admission is in accordance with Hospital's policies and procedures, and subject to the availability of appropriate facilities, after the Company attending physician has arranged for inpatient hospital physician coverage.

5. In addition to the services described above, the Hospital shall make the following services available to patients referred by the Company either at the Hospital or at an affiliated hospital:

- a. Availability of a surgeon capable of vascular access insertion and long-term maintenance;
- b. Inpatient care for any patient who develops complications or renal disease-related conditions that require hospital admission; and
- c. Blood Bank services to be performed by the Hospital.

6. The Company shall have no responsibility for any inpatient care rendered by the Hospital. Once a patient has been admitted to the Hospital, the Hospital agrees to indemnify the Company against and hold it harmless from any claims, expenses, or liability based upon or arising from anything done or omitted, or allegedly done or omitted, by the Hospital, its agents, or employees in relation to the treatment or medical care rendered at the Hospital.

7. The Company agrees to maintain and operate, in all aspects, one or more outpatient hemodialysis facilities providing all physical facilities, equipment, medications, supplies, and personnel necessary to provide dialysis to patients suffering from chronic renal diseases. The Company shall conform to standards not less than those required by the applicable laws and regulations of any local, state or federal regulatory body, as the same may be amended from time to time. In the absence of applicable laws and regulations, the Company shall conform to applicable standards of professional practice. The Company shall treat such commitment as its primary responsibility and shall devote such time and effort as may be necessary to attain these objectives. Admission to the Company, and the continued treatment by the Company, shall be provided regardless of the patient's race, color, creed, sex, age, disability, or national origin.

8. The cost of such facilities and the equipment, medications, supplies, and personnel described in Section 7 shall be borne by the Company. The location of such facilities shall be selected by the Company, but shall be sufficiently close to the proximity to the Hospital to facilitate the transfer of patients and communication between the facilities.

9. The Company shall engage a medical director of each of the Company's outpatient hemodialysis facilities who shall have the qualifications specified in 42 C.F.R. Part 494.140(a). This individual must be a physician properly licensed in the profession by the state

in which such facility is located. In accordance with 42 C.F.R. Part 494.140(b)-(f), the Company shall employ such duly qualified and licensed nurses, technicians, and other personnel as shall be necessary to administer treatment at its facility, in accordance with applicable local, state, and federal laws and regulations.

10. The Hospital, acting through its appropriate medical staff members, shall, from time to time, evaluate its patients with chronic renal failure in accordance with its standard operating procedures. With the approval of the patient, the patient's physician shall consult with the Company Medical Director. If outpatient treatment is considered appropriate by the patient's physician and the Company Medical Director, said patient may be referred to the Company for outpatient treatment at a facility operated by the Company which is most convenient for the patient (or, in the event space is not available, to an affiliated unit), but Hospital shall be under no obligation, and nothing in this Agreement shall be construed as creating any obligation, to refer any patient to the Company. There will be an interchange, within one working day, of the Patient Long-Term Care Program and Patient Care Plan Team, and of medical and other information necessary or useful in the care and treatment of patients referred to the Company from the Hospital, or in determining whether such patients can be adequately cared for otherwise than in either of the facilities.

11. With respect to all work, duties, and obligations hereunder, it is mutually understood and agreed that the parties shall own and operate their individual facilities wholly independent of each other. All patients treated at the facilities of the Hospital or the Company shall be patients of that facility. Each party shall have the sole responsibility for the treatment and medical care administered to patients in their respective facilities.

12. The Company and the Hospital shall each maintain in full force and effect throughout the term of this Agreement, at its own expense, a policy of comprehensive general liability insurance and professional liability insurance covering it and the Company's staff and the Hospital staff and physicians, respectively, each having a combined single limit of not less than \$1,000,000 per occurrence, \$3,000,000 annual aggregate for bodily injury and property damage to insure against any loss, damage or claim arising out of the performance of each party's respective obligations under this Agreement. Each will provide the other with certificates evidencing said insurance, if and as requested. The Company and the Hospital further agree to maintain, for a period of not less than three years following the termination of this Agreement, any insurance required hereunder if underwritten on a claims-made basis. Either party may provide for the insurance coverage set forth in this Section through self-insurance.

13. Each party agrees to indemnify and hold harmless the other, their officers, directors, shareholders, agents and employees against all liability, claims, damages, suits, demands, expenses and costs (including but not limited to, court costs and reasonable attorneys' fees) of every kind arising out of or in consequence of the party's breach of this Agreement, and of the negligent errors and omissions or willful misconduct of the indemnifying party, its agents, servants, employees and independent contractors (excluding the other party) in the performance of or conduct related to this Agreement.

14. The parties expressly agree to comply with all applicable patient information privacy and security regulations set for in the Health Insurance Portability and Accountability

Act (“**HIPAA**”) final regulations for Privacy of Individually Identifiable Health Information by the federal due date for compliance, as amended from time to time.

15. Whenever under the terms of this Agreement, written notice is required or permitted to be given by one party to the other, such notice shall be deemed to have been sufficiently given if delivered in hand or by registered or certified mail, return receipt requested, postage prepaid, to such party at the following address:
