Infection Control  
Assessment and Response

**QUARTERLY METRICS SNAPSHOT**

January 1, 2021 – March 30, 2021

During the first quarter of 2021, our team added 5 new Infection Preventionists to address the growing demand by increasing our capacity to provide proactive Infection Control Assessments and Response (ICARs) in long-term care settings. As we continue to schedule ICARS, our team hopes to incorporate more onsite ICAR opportunities.
