Outreach, Injury Prevention, and Education

The intention of this section is to demonstrate compliance with WAC [WAC 246-976-800](#) regarding outreach, injury prevention, and education. **Instructions:** If currently meeting a standard, place an "X" in the section item box to confirm compliance. If not currently meeting a standard, leave the section item box empty. For each unmet standard, briefly explain the plan of action and expected compliance date on a separate page. A brief verbal update will be due at site review. All section item action plans and expected compliance dates have a limit of 200 characters with spaces (see glossary). Bullet format responses are preferred. Upload the explanation page in the supporting documents section of the application.

Section Item 1: An orientation and training program for all levels of rehabilitation nursing personnel.

Section Item 2: Have an outreach program regarding trauma rehabilitation care, consisting of telephone and on-site consultations with physicians and other health care professionals in the community and outlying areas.

Section Item 3: A formal program of continuing trauma rehabilitation care education, both in-house and outreach, provided for nurses and allied health care professionals:

- Allied health care professional
- Community physicians
- Nurses
- Prehospital personnel
- Staff physicians

Level I Adult Designation Only:

Section Item 4: Serve as a regional referral center for patients in their geographical area needing only level II or III rehabilitative care.
