Title of rule and other identifying information: (describe subject) Physical therapy licensure compact - updating the reference date to match the most recent Physical Therapy Compact Commission rules. The Board of Physical Therapy (board) is proposing to update the effective date in WAC 246-915A-010 to match the date of the most recent Physical Therapy Compact rules per RCW 18.74.500 Article IX(2). This proposed amendment will update the effective date in WAC 246-915A-010 to June 17, 2024 in rule.

Purpose of the proposal and its anticipated effects, including any changes in existing rules: The purpose of this proposal is to update the effective date in Washington Administrative Code to the date of the Physical Therapy Compact Commission rules' most recent version, June 17, 2024. The Physical Therapy Compact Commission rules are not effective in Washington unless the board approves and adopts the rules.

The Physical Therapy Compact Commission rules, effective June 17, 2024, make the following changes:

1. Clarify the expiration date of the home state license and compact privilege.
2. Change the time frame of how long a compact privilege holder must report a change in home state from 30 days to 60 days.

Reasons supporting proposal: The board is proposing amendments to comply with RCW 18.74.500 Article IX(2), which mandates that the board must update the effective date of the compact rules in WAC 246-915A-010 to participate in the compact in the state of Washington.

Statutory authority for adoption: RCW 18.74.023 and 18.74.500 Article IX(2)

- The rule is no longer necessary because of changed circumstances; or
- Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

Explanation of the reason the agency believes the expedited rule-making process is appropriate pursuant to RCW 34.05.353(4): The proposed amendments adopt by reference, without material change, the most recent version of the Physical Therapy Licensure Compact Commission rules updated on June 17, 2024. The proposed amendment updates the WAC to include the date of the most recent version of the compact.
