PeaceHealth Overview

- PeaceHealth, based in Vancouver, Wash., is a not-for-profit Catholic health system offering care to communities in Washington, Oregon and Alaska.
- PeaceHealth features **16,000 caregivers, 1,200 providers and 10 medical centers** serving both urban and rural communities throughout the Northwest.
- In 1890, the Sisters of St. Joseph of Peace founded what has become PeaceHealth. The Sisters' focus was finding the best way to serve the unmet need for healthcare in their communities. Today, PeaceHealth is the legacy of the founding Sisters and continues with a spirit of respect, stewardship, collaboration and social justice in fulfilling its Mission.

Cultural Alignment

We carry on the healing mission of Jesus Christ by promoting personal and community health, relieving pain and suffering, and treating each person in a loving and caring way.

Every person receives safe, compassionate care; every time, every touch.
