Re: Informative - Update on WIC's Tribal General Welfare Payment Waiver Request

Greetings Honorable Tribal Leaders, Partners, and Professionals:

In accordance with chapter [43.376 RCW](#), the [Washington State Centennial Accord of 1989](#), and [DOH Consultation and Collaboration Procedure](#), we are providing information on the status of Washington WIC's Tribal General Welfare Payment Waiver Request to USDA-FNS.

Over the past year, we worked with the American Indian Health Commission (AIHC) and Tulalip Tribes' Treaty Rights and Governmental Affairs Manager to request a waiver to exclude Tribal General Welfare (TGW) payments as part of a participant's income for eligibility for the WIC program. Currently, tribal members who receive these payments are considered over-income and not eligible to receive WIC services.

On September 27, 2024, we received a letter from USDA-FNS Policy Division Director, denying our waiver request. In collaboration with AIHC, we are developing a comprehensive engagement plan that will include avenues to pursue to bring attention to this important issue and seek resolution with tribally driven strategies.

For additional information, please contact Brittany Tybo, Office Director/WIC Director, at brittany.tybo@doh.wa.gov or 360-763-6842, or Candice Wilson, Executive Director, Office of Tribal Public Health and Relations (OTPHR), at candice.wilson@doh.wa.gov or 360-819-7626.

Respectfully,

Michele Roberts, MPH, MCHES
