Re: Eden Hospice at King County, LLC Letter of Intent for Providing Medicare and Medicaid Hospice Services to Hospice Eligible Patients in Pierce County

Dear Mr. Hernandez:

This letter of intent is issued on behalf of Eden Hospice at King County, LLC, an affiliate of Eden Healthcare Management, LLC. Eden Hospice at King County, LLC in accordance with WAC 246-310-080, intends to submit a certificate of need application (CN) to provide Medicare and Medicaid Eligible hospice services to residents of Pierce County.

1. Description of proposed service

Eden Healthcare Management, LLC, as Manager of Eden Hospice at King County, LLC, requests CN approval to extend the service area of Eden Hospice at King County, LLC, to provide Medicare and Medicaid hospice services to residents of Pierce County.

2. Estimated cost of the project

There are no estimated capital costs associated with the project because services are being provided through the existing Eden Hospice at King County, LLC agency location.

3. Identification of the service area

Eden Hospice at King County, LLC will extend its service area to provide Medicare and Medicaid hospice services to residents of Pierce County.
