Land Acknowledgement

Here in the Olympia area, Sheri and I join you from the traditional homelands of the Medicine Creek Treaty Tribes, among others. The medicine creek treaty was signed in 1854, and we recognize that these Tribes have lived on and stewarded these lands since the beginning of time and continue to do so today. We recognize that this land acknowledgement is one small step toward true allyship and commit to uplifting the voices, experiences, and histories of the Indigenous people of this land and beyond.
