Public Notice Certification Form Nitrate MCL Violation

331-248-F • January 2022

Within 10 days of notifying your customers, you are required to send this completed form and a copy of each type of notice you distributed (hand-delivered notices, press releases, newspaper articles, etc.) to the appropriate Office of Drinking Water Regional Office (see address below). This form certifies that you have met all public notification requirements. If chemical contamination remains for more than three months, you must notify your water users again and provide another Public Notice Certification Form to the Department of Health.

With this certification, you are also stating that you will meet future requirements for notifying new billing units of the violation or situation.
