

WIC Clinic Locator Instructions

Please read these instructions before using the map:

Step 1. To find a WIC clinic near you, zoom in on the map or use one of the search options and hit enter (County, City, or Zip).

Tip! Select the exit icon on the search box to change the map back to the original view. If no locations appear when searching, try using a different search option.

Step 2. Select any map marker to see WIC clinic details, including clinic name, address, phone number, hours of operation, and special notes.

Want to hear from WIC?

Step 3. After identifying a clinic by selecting a map marker, click on the link in the instruction panel called “click here to be contacted by this clinic.”

Step 4. A WIC interest form will open in a different screen. Complete and submit the form. The selected clinic will contact you.

Note: you can also go directly to the WIC interest form with this [link](#), and choose a clinic without using the WIC Clinic Locator Map.

This institution is an equal opportunity provider. Washington WIC doesn't discriminate. To request this document in another format, call 1-800-841-1410. Deaf or hard of hearing customers, please call 711 (Washington Relay) or email wic@doh.wa.gov. DOH 965-034 June 2025
