## WASHINGTON STATE SEXUAL & REPRODUCTIVE HEALTH NETWORK

Planned Parenthood of Greater Washington and North Idaho (PPGWN) receives funding devoted solely to sexual and reproductive health and related preventive health services with a focus on low-income and uninsured persons. Funding supports a variety of services, including FDA– approved birth control, STI/HIV testing, breast and pelvic exams, Pap smears and other cancer screenings, pregnancy testing and counseling, achieving pregnancy, and pre-pregnancy health. PPGWN works with Washington State Department of Health to assure quality and affordable sexual and reproductive health services at its clinics in Benton, Chelan, Franklin, Grant, Kittitas, Spokane, Walla Walla, Whitman, and Yakima Counties.

In 2023, PPGWN served 31,857 clients during 46,399 clinic visits, representing a 0.24% increase in clients and a 1% increase in clinic visits from 2023. Across the state, an estimated 79% of female clients of reproductive age served in 2024 were on some form of contraceptive method, resulting in a lower risk of unintended pregnancy, unplanned births, and abortions.
