Re: Informative- Center for Disease Control and Prevention (CDC) Public Health Emergency Preparedness (PHEP) Notice of Award (NOA) Budget Period 2 (BP2) 2025-2026

Greetings Honorable Tribal Leaders, Partners, and Professionals:

In accordance with chapter [43.376 RCW](#), the [Washington State Centennial Accord of 1989](#), and [DOH Consultation and Collaboration Procedure](#), we are providing information on the allocation of Tribal Public Health Emergency Preparedness (PHEP) funds for Budget Period 2 (BP2), covering July 1, 2025, through June 30, 2026.

The Department of Health (DOH) has received a partial award from the Centers for Disease and Prevention (CDC) for Tribal PHEP funding. Accordingly, Tribes will receive an initial allocation of \$28,517.00 out of the full \$39,602.00 award. The remaining \$11,085.00 is expected later in the performance period. Once those funds are available, DOH will promptly issue an amendment to distribute the balance.

DOH is committed to transparency with our Tribal partners in hopes to maintain positive relations during this unprecedented time. We want to emphasize that this process continues to uphold the implementation of tribal consultation recommendations from the [DOH Tribal PHEP Allocation Roundtables](#). To find more information on CDC PHEP funding, please visit: [Public Health Emergency Preparedness \(PHEP\) Program and Guidance | State and Local Readiness | CDC](#).

For additional information, please contact Meileyani Winn, ORHS Contracts Supervisor, Meileyani.Winn@doh.wa.gov. Please also feel free to contact Candice Wilson, Executive Director, Office of Tribal Public Health and Relations (OTPHR), at candice.wilson@doh.wa.gov or 360-819-7626.
