Agency: Department of Health

Subject of possible rule making: In-home Services Agencies – Fee updates.

The Department of Health (department) is considering rule amendments to update fees for In-home Services Agencies, WAC 246-335-990. The department may also consider changes to clarify and standardize language.

Statutes authorizing the agency to adopt rules on this subject: RCW 43.70.110, 43.70.250, and 70.127.090

Reasons why rules on this subject may be needed and what they might accomplish:

The department is considering amendments to sections of rule regarding initial license and renewal fees for in-home services agencies to address funding requirements. An update may be needed to adequately fund the in-home services agencies inspection, investigation, and licensing programs to protect patients. The requirement in RCW 43.70.250 states that fees must cover regulatory program expenses which necessitates the program(s) to be self-funding and changes to rules are the only way to make fee adjustments.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None

Process for developing new rule (check all that apply):

- ☐ Negotiated rule making
- ☐ Pilot rule making
- ☐ Agency study
- ☒ Other (describe) Collaborative rulemaking

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
