

Immunize WA Annual Award

What is the Immunize WA Award program?

It is an annual state award to recognize individual medical clinics/medical practices for high immunization coverage rates on childhood and adolescent vaccines.

There are three tiers for immunization rate award recognition – Gold, Silver, Bronze, and an additional award for recognizing HPV Cancer Prevention.

- **Gold** status is for 80 percent coverage rate or higher (Childhood/Adolescent)
- **Silver** level is for 70-79 percent coverage rate (Childhood/Adolescent)
- **Bronze** status is for 70 percent or higher (Childhood 4313314, Adolescent 1:1:1 series)
- **HPV Cancer Prevention** recognition for 25% or higher (HPV 1 Series)

Award winners receive formal recognition with a certificate and a window cling.

Find out your rates today! See the reverse side of this flyer for instructions on how to run the Coverage Rate Report in the Immunization Information System (IIS).

Improve your immunization coverage rates to:

- Help your practice and Washington state meet national immunization goals
 - **90%** coverage for young children
 - **80%** coverage for adolescents
- Reduce the spread of vaccine preventable diseases and keep our communities safe!

See instructions on the back - know where you stand and find out your coverage rates.
