Agency: Department of Health - Dental Quality Assurance Commission

Subject of possible rule making: Dental assistant registration. The Dental Quality Assurance Commission (commission) is considering amending WAC 246-817-190 to align with the Department of Labor and Industries (L&I) new WAC section number change and to define what the commission will accept as a bona fide dental assistant career training or vocational education program for minors (16- and 17-year-olds) who are seeking dental assistant registration.

Statutes authorizing the agency to adopt rules on this subject: RCW 18.32.0365 and 18.260.040

Reasons why rules on this subject may be needed and what they might accomplish:
Effective January 16, 2026, the commission adopted rule amendments to WAC 246-817-190 to align with the rule language in the L&I WAC 296-125-030, Prohibited and hazardous employment—All minors. Since then, L&I recently completed rulemaking to implement legislative bills related to youth employment, including House Bill (HB) 1722, (chapter 98, Laws of 2025) effective July 1, 2026. L&I's WAC 296-125-030 is newly numbered WAC 296-125-131 in the L&I rule project, and students who are minors and have successfully completed a bona fide health care career training or vocational education program are now listed in WAC 296-125-131(24).

On June 12, 2026, during a business meeting, the commission authorized rulemaking to amend WAC 246-817-190 to align with the L&I rule number change and to define what the commission will accept as a bona fide dental assistant career training or vocational education program for minors (16- and 17-year-olds) who are seeking dental assistant registration. Establishing clear registration requirements for minors in rule will allow the commission to enforce registration requirements and will align with L&I's employment rules for minors.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: None

Process for developing new rule (check all that apply):
- ☐ Negotiated rule making
- ☐ Pilot rule making
- ☐ Agency study
- ☒ Other: Collaborative rulemaking

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
