Policy/Procedure

PURPOSE:

In accordance with WAC 246-320-141 and RCW 70.41.520, this document describes the reproductive health care services generally available at Seattle Children's Hospital.

POLICY:

Seattle Children's provides specific specialized reproductive health care services through the [Seattle Children's Prenatal Diagnosis and Treatment Program](#); the [Adolescent Medicine Program](#) including its [Pediatric and Adolescent Gynecology practice](#); and, as appropriate and medically necessary, in the emergency department and acute care inpatient and outpatient hospital settings. These services are listed in the [Hospital Reproductive Services form provided to the Washington State Department of Health](#).

In cases where medically necessary services are not available at Seattle Children's, patients are provided with information about, and/or referrals to, facilities that may provide those services.
