

COVID-19 Contact Tracing

What will they ask me?

I tested positive for COVID-19

1. Confirm your name, address, birthday, and race/ethnicity.
2. Where and when do you think you were exposed to COVID-19?
3. Where did you go when you were contagious?
4. Please provide the names and contact information for people you were in close contact with recently.

I was in contact with someone who tested positive for COVID-19

1. Confirm your name, address, birthday, and race/ethnicity.
2. Do you have COVID-19 symptoms?

The interviewer will **NOT**

- Ask for your immigration status.
- Ask for your social security number.
- Ask for financial information.
- Tell you who may have exposed you to COVID-19.

When the interview is over, the interviewer will connect you to resources and give you information about what to do next.

Note: Your participation is voluntary. All information you provide is confidential and your medical information is protected by law. Interpreters are available.
