

COVID-19 Contact Tracing

What will they ask me?

I tested positive for COVID-19.

“Please confirm your **name**, **address**, **birthday**, and **race/ethnicity**.”

“Where and when do you think you were **exposed to COVID-19?**”

“Where did you go when you were contagious?”

“Please provide **names and contact information** for people you were in close contact with recently.”

When the interview is over, the interviewer will connect you to resources and give you information about what to do next.

Note: Your participation is voluntary. All information you provide is confidential and your medical information is protected by law. Interpreters are available.

COVID-19 Contact Tracing

What will they ask me?

The interviewer will **NOT**:

Ask for your **social security number**.

XXX-XXX-XXX

Ask your **immigration status**.

Ask for your **financial information**.

Tell you who may have exposed you to **COVID-19**.

When the interview is over, the interviewer will connect you to resources and give you information about what to do next.

Note: Your participation is voluntary. All information you provide is confidential and your medical information is protected by law. Interpreters are available.
