Policy/Procedure**

Title:	Interim policy on license renewal continuing education attestation requirements of chiropractors and chiropractic x-ray technicians	Number: 2.11.16
Contact:	Program Manager	
Effective Date:	February 11, 2016	
Approved:	Matthew Waldron, DC, Chair	

PURPOSE:

The purpose of this interim policy is to clarify continuing education attestation requirements of chiropractors and chiropractic x-ray technicians when renewing his or her license.

POLICY:

As part of their license renewal process, including the first renewal after initial licensure, chiropractors and chiropractic x-ray technicians must attest to having completed continuing education required in WAC 246-808-150 for chiropractors or WAC 246-808-215 for chiropractic x-ray technicians.

This policy is effective February 11, 2016 and remains in effect until the commission withdraws the policy, or adopts a rule which addresses this requirement.
