Dear Mr. Krech:

RE: DOR 16-20-Tacoma

The Department of Health has completed its review of your exemption request regarding the establishment of an ambulatory surgery center in Tacoma, within Pierce County. Below is the information considered and the facts relied upon by the Department of Health's Certificate of Need Program in reaching its conclusion regarding your project.

INFORMATION CONSIDERED

- Ambulatory Surgery Center (ASC) exemption application received January 28, 2016
- Supplemental information obtained by the Certificate of Need Program on March 4, 2016
- Revised Code of Washington (RCW) 70.38
- Washington Administrative Code (WAC) 246-310
- Washington Secretary of State and Department of Revenue information obtained from the respective websites
- Department of Health external provider look-up
- Department of Health Integrated Licensing and Regulatory System (ILRS)
- Certificate of Need historical files

FACTS CONSIDERED

- On March 10, 2009, Aesthetic Physicians, PC established the professional corporation with the Washington Secretary of State's office.
- Aesthetic Physicians, PC is governed by three members: Eduardo Avila, chairman and director; Thomas Garrison, president, chairman, and director; and Thomas Krech, vice president, secretary, and treasurer. [source: Secretary of State website]
- Aesthetic Physicians, PC has been registered with the Washington State Department of Revenue since April 1, 2009. [source: Department of Revenue website]

- On November 8, 2013, the Certificate of Need Program issued an exemption for the establishment of an ambulatory surgery center associated with Aesthetic Physicians, PC. The surgery center is located at 3209 South 23rd Street, #170 in Tacoma [98405], within Pierce County.¹
- The November 8, 2013, exemption approval limited the services to be provided at the surgery center to ‘*office-based, awake laser assisted tumescent liposuction.*’ Aesthetic Physicians, PC proposes to expand its services to include facial rejuvenation procedures. This expansion of services requires a new exemption approval.
- The ASC will remain at the current site and be operated under the practice corporation of Aesthetic Physicians, PC.
- At this time, two physicians intend to use the ASC. Future owners or employees may have access to the ASC.² A table with specific physician credentialing information and practice association is below.

Name	Credential Status	Practice Status	Percent of Time
Esteban Marten	Active	Employee	100%
John Edward Nees	Active ³	Employee	100%

- The procedures proposed include laser assisted tumescent liposuction and facial rejuvenation.
- Aesthetic Physicians, PC contracts with a separate corporation for management services. A copy of the management agreement was provided in the application.
- The management corporation is Body Contour Centers, LLC, which is managed by Christofer M. Par of Kirkland, Washington. [source: Washington Secretary of State website]

CONCLUSION

Based on the totality of information considered, the department concludes the proposed ASC would be exempt from Certificate of Need review. This exemption is not transferable and the conclusions reached concerning this proposed ASC are based on the facts about this facility and it should not be assumed the department would reach the same conclusion in future exemption requests for other future ASCs.

If changes are made in the operation or ownership of this proposed ASC, the ASC may no longer be eligible for this exemption. In that case, prior Certificate of Need review and approval or new exemption would be required. Examples of such changes include the following. This list is not intended to be all inclusive.

¹ DOR #14-13.

² Employed physicians must be employed by Aesthetic Physicians, PC a minimum of 75% and perform their full range of services through Aesthetic Physicians, PC.

³ Department of Health data shows two closed cases [M2005-58176 and M2005-58177] related to Dr. Nees’s license #00019699.
