**Purpose:** WAC 246-907-030 Pharmaceutical licensing fees and renewal cycle; 246-907-0301 Pharmacy assistant licensing periods-Fees and renewal cycle; and 246-907-0302 Hospital pharmacy associated clinics fees and renewal cycle. The adopted rules increase application and renewal fees for many of the pharmacy profession and pharmaceutical firm credentials to generate additional revenue to recover from the current budget deficit and align program revenue and expenditures. The adopted fees also include a few fee decreases to simplify the fee schedule, and changes to fees for duplicate credentials, verification of credentials, and late renewal penalties to align them with standards for all health professions. In addition, the adopted rules repeal WAC 246-907-0301, pharmacy assistant fees, and moves them to WAC 246-907-030 with the other pharmacy professions.
