

PHASE 2: BEHAVIORAL HEALTH AGENCY RULEMAKING WORKSHOP (5)

Office of Community Health Systems
Facilities Program

Agenda

- Brief recap of where we left off
- Review draft WAC language
 - Confirm certification categories and standards make sense
 - Extra help in a few places
- Identify any individual services that stick out as having an inconsistent amount of regulation compared to other sections
 - Will go over at next workshop
- Confirm “nesting” of certifications is accurate

Recap 8.10

- **Inpatient and residential certifications**
 - Behavioral health residential and inpatient treatment services
 - Withdrawal Management
 - Involuntary inpatient and residential behavioral health crisis and treatment services

Recap 8.10

Residential and Inpatient Behavioral Health Certification

Option 1

Intensive inpatient services

Low intensity (recovery house) residential treatment services

Long-term residential treatment services

Residential MH

Intensive behavioral health treatment services

Voluntary triage and CSU

Option 2

Residential/ Inpatient BH

Intensive BH services

Voluntary triage and CSU

Option 2 was preferred

Recap 8.10

Withdrawal Management

Option 1

Medically managed
Medically monitored
Clinically managed

Option 2

Keep as is: Withdrawal management= 3.7 or 4.0

Option 2 was preferred, except to consider including a level 3.5 medical model w/out 24hr nursing.

Recap 8.10

Involuntary inpatient and residential behavioral health crisis and treatment services

- Crisis stabilization unit
- Involuntary triage
- Evaluation and treatment (including CLIP)
- Secure withdrawal management and stabilization

- Ended up separating out CSU and Triage

Let's take a
look!
