Re: Full Facility Closure Bed Banking #13-06
Prestige Care and Rehabilitation-Edmonds

Dear Mr. Henderson:

This is in response to your May 16, 2013, request to bank the 89 beds at Prestige Care and Rehabilitation-Edmonds under Revised Code of Washington (RCW) 70.38.115(13)(b) and Washington Administrative Code (WAC) 246-310-396 (full facility closure). We received your request May 17, 2013.

According to WAC 246-310-010, the “*effective date of facility closure*” is defined as (a) the date on which the facility’s license was relinquished, revoked or expired; or (b) the date the last resident leaves the facility, whichever comes first. According to information provided by you, the last resident was discharged on May 8, 2013. Therefore, the effective date of the closure is May 8, 2013. Your request received on May 17, 2013, is considered timely.

The department has confirmed that Care Center (Edmonds), Inc. was the licensee at the time of the facility’s closure. Edmonds Ventures, LLC was the building owner at the time of closure and was notified of the closure of the facility. Edmonds Ventures, LLC does not have a secured interest in the 89 beds.

Your request on behalf of Care Center (Edmonds), Inc. to bank the 89 nursing home beds pursuant to RCW 70.38.115(13)(b) and WAC 246-310-396 has been granted. As stated in RCW 70.38.115(13)(b), the licensee or any other party who has secured an interest in the beds, may reserve their interest in the beds for eight years from the date of the original bed banking.
