FOUNDATION (NKF) AND NAVOS WAS RENEWED FOR TWO YEARS, WITH THE TERMS
BEING IDENTICAL WITH ONE EXCEPTION: AN INCREASE IN THE RATE NAVOS
RECEIVES FOR PROVIDING CLINICAL EDUCATION AND CONSULTATION SERVICES NAVOS
WAS GIVEN A 40% RAISE BY NKC. SPECIFICALLY, THE HOURLY COMPENSATION RATE
INCREASED FROM \$125/HOUR TO \$175/HOUR.

THE CLINICAL EDUCATION AND CONSULTATION SERVICES CONTINUE PER THE

PREVIOUS AGREEMENT (JUNE 2016-JUNE 2018). NAVOS'S CLINICAL EDUCATOR

PROVIDES A VARIETY OF TRAUMA-INFORMED EDUCATION AND CONSULTATION SERVICES

CONSISTENT WITH NKC STRATEGIC GOALS. NAVOS PROVIDED GENERAL TRAININGS,

SITE-SPECIFIC IN-SERVICES, AND SENTINEL EVENT DEBRIEFING AND OTHER

RELEVANT CONSULTATION SERVICES.

MEDICAL SPECIALISTS/PRIMARY-CARE TEAM INVOLVEMENT STARTS AT SCREENING FOR ADMISSION (REVIEWING MEDICAL STATUS OF REFERRALS AND IF WE ARE EQUIPPED TO DEAL WITH THEM). THEN UPON ADMISSION, ALL PATIENTS GET AN ADMISSION 'HISTORY AND PHYSICAL' BY THE PRIMARY CARE TEAM AND MEDICAL ISSUES ARE FOLLOWED UP AS NEEDED THROUGH THEIR ADMISSION. THEY ARE ACTIVELY INVOLVED IN TRANSFERS TO ER/DISCHARGE OF MEDICAL ADMISSION ELSEWHERE IF A PATIENT'S MEDICAL STATUS TAKES A DOWNTURN AND NEED A HIGHER LEVEL OF CARE.

AS NAVOS HOSPITAL TREATS ONLY PATIENTS IN URGENT PSYCHIATRIC DISTRESS,

MATERNAL AND CHILD VIOLENCE WILL NOT BE ADDRESSED. OTHER ORGANIZATIONS IN

OUR COMMUNITY ARE BETTER SUITED TO ADDRESS THOSE ISSUES.

SCHEDULE H, PART I, LINE 7

THE COSTING METHOD USED FOR MOST OF SCHEDULE H, PART I, LINE 7 IS THE

COST TO CHARGE RATIO. FOR COSTS OF OTHER MEANS TESTED GOVERNMENT PROGRAMS

(LINE 7C) AND SUBSIDIZED HEALTH SERVICES (LINE 7G), AN ESTIMATE OF COST

TO REVENUE RATIO WAS USED. THE USE OF A DIFFERENT METHOD IS DUE TO THE

REVENUE FOR THESE PROGRAMS AND SERVICES BEING BASED ON METRICS OTHER THAN

GROSS CHARGES. AS SUCH, THE COST TO CHARGE RATIO DOES NOT ACCURATELY

REFLECT THE COSTS ASSOCIATED WITH THESE PROGRAMS AND SERVICES. THIS IS A

CHANGE IN COSTING METHODOLOGY FOR LINES 7C AND 7G FROM WHAT HAS BEEN USED

IN YEARS PRIOR TO 2015.

ALTHOUGH NAVOS PROVIDES ABOUT HALF THE SERVICES TO CHILDREN AND FAMILIES DELIVERED UNDER THE COUNTY MENTAL HEALTH PROGRAM THROUGH A CONSORTIUM OF SPECIALTY AGENCIES, MOST OF THE CLIENTS SERVED DIRECTLY BY NAVOS ARE ADULTS AND OLDER ADULTS. IT IS NOTABLE THAT THE RATE OF PERSONS OVER AGE 65 RECEIVING CARE AT NAVOS IS DISPROPORTIONATELY HIGH AT 29%, COMPARED WITH THE GENERAL POPULATION RATE OF 11%. WE PROVIDE SPECIALIZED SERVICES FOR OLDER CLIENTS. THE NAVOS CLIENT POPULATION IS MORE ETHNICALLY DIVERSE THAN THE COUNTY POPULATION, WITH 1/3 OF OUR PATIENTS DESIGNATED AS AFRICAN AMERICANS/AFRICANS, ASIAN/PACIFIC ISLANDERS, ALASKA NATIVE/AMERICAN INDIANS, MULTI-RACIAL, OR SOME OTHER RACE. 5% OF NAVOS CLIENTS HAVE SELF-REPORTED VETERAN STATUS. IT IS LIKELY THAT THIS RATE IS ACTUALLY SOMEWHAT HIGHER. FINALLY, OUR CLIENTS WITH SERIOUS MENTAL ILLNESS ARE OF VERY LOW INCOME, WITH 97% HAVING INCOMES AT OR BELOW 200% OF POVERTY. 87% OF OUR OUTPATIENT CLIENTS HAVE INCOMES LESS

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Navos, which comprise the consolidated statements of financial position as of December 31, 2017 and 2016, and the related consolidated statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of Navos as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

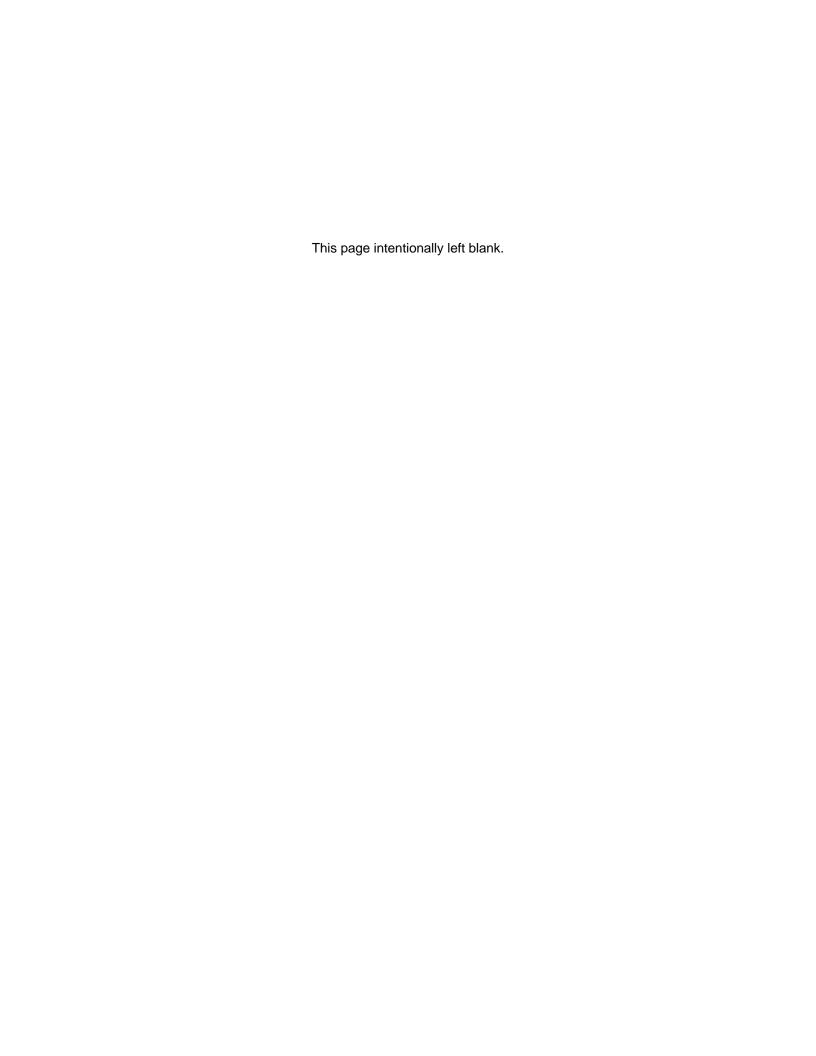

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidated schedules of functional revenues and expenses for the years ended December 31, 2017 and 2016, consolidated schedules of residential treatment and supported housing for the years ended December 31, 2017 and 2016, consolidating statement of financial position - December 31, 2017, consolidating statement of operations - year ended December 31, 2017, and consolidating statement of changes in net assets - year ended December 31, 2017, are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Organization – Navos (the Organization) is a private, nonprofit organization incorporated in the state of Washington in 1966 for the purpose of providing mental health services in the greater Seattle area. Navos is dedicated to helping individuals and families attain satisfying lives and give back to their communities despite having to cope with the challenges of serious emotional and mental illnesses. Navos has a history of developing pragmatic answers to the needs of clients who are the most challenging to serve.

Effective May 1, 2017, Navos affiliated with MultiCare Health System (MultiCare), and as such, MultiCare is the sole member of Navos. Transactions related to this affiliation, including a revaluation of certain assets, are summarized in Note 14.

The accompanying consolidated financial statements include the accounts of the following commonly controlled, financially interrelated nonprofit corporations:

Navos (formerly known as Highline West Seattle Mental Health) Navos Multi-Treatment Center (NMTC)

The entities above are collectively referred to as Navos or the Organization. All significant intercompany balances have been eliminated for purposes of consolidated reporting.

NMTC is a tax-exempt, nonprofit corporation organized to support Navos by leasing and improving real estate and other assets held by or acquired on behalf of Navos. NMTC serves as the operating entity in connection with the New Markets Tax Credit financing (Note 6). Navos is the sole corporate member of NMTC.

Principles of consolidation – The consolidated financial statements include the accounts of Navos and NMTC. All intercompany amounts have been eliminated in consolidation.

Programs – The Organization serves adults with severe and persistent mental illness and children who are seriously emotionally disturbed. Navos provides a spectrum of inpatient and outpatient care to an ethnic-, age-, and gender-diverse population. Navos also serves dually diagnosed people (mental illness with chemical or alcohol dependency) and develops housing for adults with severe and persistent mental illness.

Adult services – Navos is recognized in Washington State as a pioneering agency incorporating recovery concepts in clinical programs to empower clients and partner with them. An evaluation of the client's needs is made including all aspects of present problems, family history, medical/mental health, and desired outcomes of treatment. A service plan is then developed. The plan identifies any advocacy needed and is periodically reviewed and updated by the client and clinical staff. Navos has developed a successful training program to develop peer counselors, and relies on these counselors to help clients achieve the goals they choose. Navos also provides supported employment, domestic violence, and chemical dependency programs for adults.

Older adult services – Individuals 60 and older are helped to live lives that are as satisfying and as independent as possible, despite the challenges mental illness poses. Navos serves populations in individual homes, as well as nursing homes, supported housing, and residential treatment programs.

Note 1 - Description of Organization (continued)

Child and family services – Qualified master's-level staff work with children/teens and their families to help overcome situations that harm or disrupt emotional growth (divorce, absent parents, trauma, and economic concerns). Therapists are trained to work with families from diverse cultures and ethnicities. Navos offers a range of therapies including play therapy for younger children, individual and group therapy for older children/teens, and family therapy.

Navos operates a consortium consisting of 22 subcontractors (many youth and family services agencies) to offer Medicaid-funded mental health services throughout King County.

Residential treatment and supported housing – Navos has developed and operates residential programs for children, adults, and older adults because treatment of people with severe and persistent mental illness is ineffective without safe and secure housing. Navos owns the facilities in which certain programs are operated, leases other facilities, and rents apartments from commercial landlords where appropriate. County contracts provide the principal source of funding for Navos' residential programs.

Program for Assertive Community Treatment (PACT) – Navos provides trans-disciplinary services to adults with mental illness who are transitioning from institutional care, including state and local hospitals and jails. This program offers intensive services with a strong outreach component over a broad geographic section of King County.

Expanded Community Services (ECS) – Navos provides an Intensive Community Support and Recovery Program for ECS project participants and other identified clients hospitalized on the Adult Units at Western State Hospital. Navos provides housing and comprehensive, flexible services that increase their chances of remaining in the community.

Highline Village – Constructed on the Organization's West Seattle campus, Highline Village is owned and operated to provide housing for the Organization's clients enrolled in the ECS program described above.

Burien Heights residences – In 2009, Navos developed 24 townhouse apartments adjacent to its new campus in Burien, Washington. This project was funded with a grant from the state of Washington. The apartments provide housing for clients in the PACT program and are operated under an agreement with the King County Housing Authority.

HUD apartments – Three apartment buildings are owned and operated for the purpose of providing subsidized housing for chronically mentally ill, at-risk adults who meet federal preference guidelines for housing assistance. The HUD apartments (Conbela, Lakewood, and Valleywood) operate under HUD regulations governing the change of discontinuation of use, rent charges, and operating methods.

Behavioral Rehabilitation Services (BRS) residential program – The BRS residential program was licensed as a group home and provided residential services to children and adolescents. This program was discontinued during 2017.

Children's Long-Term Inpatient Program (CLIP) – CLIP serves 15 youth between the ages of 13 to 17 who are experiencing psychiatric symptoms.

Note 1 - Description of Organization (continued)

Inpatient services – The 24-hour, 7-day-per-week facility, located on Navos' West Seattle campus, cares for persons living with mental illness who are experiencing an acute psychiatric crisis requiring stabilization. The inpatient program is licensed for 70 beds. Thirty-four of these beds are operated as an evaluation and treatment unit under a contract with King County. Navos primarily serves those who are involuntarily committed because they are deemed to be in imminent danger of harm to themselves or others. A structured environment of individual patient evaluation, treatment, and discharge planning takes place with every patient. Along with psychiatric and stabilization services, Navos provides inpatient adjunctive therapies, including therapeutic groups, recreation and activities, art therapy, dance/movement therapy, psychodrama, poetry therapy, and psycho-social education.

Note 2 - Summary of Significant Accounting Policies

Risk management – Navos maintains claims-made insurance policies under a MultiCare risk management program that provides tail purchase options to insure against professional and general liability risks. The accompanying consolidated financial statements do not include any loss accruals for exposure to risk in excess of the coverage limits in effect.

Income taxes – The Internal Revenue Service has recognized Navos and NMTC as exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Generally accepted accounting principles require that a tax position be recognized or derecognized based on a "more-likely-than-not" threshold. This applies to positions taken or expected to be taken in a tax return. The implementation of this accounting policy had no impact on the consolidated financial statements. Navos does not believe it has any uncertain tax positions.

Standards of accounting and reporting – The consolidated financial statements have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

Use of estimates – The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and cash equivalents – The Organization considers all highly liquid debt instruments purchased with an average maturity of three months or less to be cash equivalents. Cash and cash equivalents classified as assets whose use is limited are not considered cash and cash equivalents in the consolidated statements of cash flows. Cash in bank deposits may, at times, exceed federally insured limits.

Note 2 - Summary of Significant Accounting Policies (continued)

Property, plant, and equipment – Property and equipment are recorded at cost or, if donated, at the estimated fair value at the date of donation. Navos capitalizes equipment with a value of \$1,500 or more. Depreciation is computed using the straight-line method over estimated useful lives of 3 to 40 years. Upon affiliating with MultiCare, Navos recognized a revaluation and impairment of its assets. The net impairment recognized was \$15,777,000 during 2017.

Limited use assets – Navos reports assets restricted for use by outside parties as limited use assets, which consist solely of pledges receivable and cash and cash equivalents.

Intangible assets – As part of the affiliation with MultiCare in 2017, Navos recognized intangible assets for its certificate of need and trade name. Amortization expense recognized during 2017 was \$138,000.

Net assets – Navos reports information regarding its consolidated net assets according to three classes: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Net assets of the restricted classes are created only by donor-imposed restrictions on their use. All other net assets, including assets whose use is limited under indenture agreements with governmental agencies, are reported as part of the unrestricted class.

Temporarily restricted net assets include cash and pledges receivable restricted for the future development of a new facility and for use in programs. Permanently restricted net assets consist of assets received from the beneficial interests and other contributions.

Measure of operations – The consolidated statements of operations include operating income. Changes in unrestricted net assets that are excluded from operating income include unrestricted gifts and contributions, capital project grants, and interest income.

Net patient service fees – Net patient service fees are reported at the estimated net realizable amounts from patients and third-party payors for services rendered, including estimated retroactive adjustments under contracts with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Net patient service contracts – Navos has a capitated services contract with the King County prepaid health plan (PHP) to provide comprehensive mental health services to eligible county residents. Under this capitation arrangement, Navos receives a fixed monthly payment per eligible participant.

Contributions – Navos recognizes all contributed support received as income in the period received. Contributed support is reported as unrestricted or restricted depending on the existence of donor stipulations that restrict the use of the support. However, if restrictions are fully met in the same time period in which the contribution is received, Navos reports the support as unrestricted.

Note 2 – Summary of Significant Accounting Policies (continued)

Expense allocation – For purposes of the supplementary consolidated schedule of functional revenues and expenses, expenses that are not directly identifiable to a particular program are charged ratably to all programs benefited using management's allocation method.

Total expenses for the Highline Village program, as reported in the supplementary consolidated schedule of residential treatment and supported housing, reflect all expenses directly identifiable to the program and an allocated amount for management and administration equal to 11% of gross receipts as defined by contract.

Reclassifications – Certain accounts in the prior-year consolidated financial statements have been reclassified or reallocated for comparative purposes to conform to presentation in the current-year consolidated financial statements.

Litigation – From time to time, Navos is involved in litigation arising in the ordinary course of business. Based on consultation with legal counsel, management estimates that these matters will be resolved without material adverse effect on Navos' future financial position or results of operations.

Subsequent events – Subsequent events are events or transactions that occur after the consolidated statement of financial position date but before financial statements are available to be issued. The Organization recognizes in the consolidated financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the consolidated statement of financial position, including the estimates inherent in the process of preparing the consolidated financial statements. The Organization's consolidated financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the consolidated statement of financial position but arose after the consolidated statement of financial position date and before the consolidated financial statements are issued.

The Organization has evaluated subsequent events through April 27, 2018, which is the date the consolidated financial statements were issued.

Deferred revenue – Deferred revenue, as reported in the liabilities section of the consolidated statements of financial position, includes advance rental payments received from a governmental agency acting as lessee. Deferred revenue is recognized as operating revenue ratably over the 35-year term of the agreement. The balance of deferred revenue from advance rental payments at December 31, 2017 and 2016, was \$54,085 and \$60,141, respectively. \$6,056 was recognized as earned in 2017 and 2016, and is included in rent and other revenue in the consolidated statements of operations. At December 31, 2017 and 2016, current deferred revenue also includes \$245,484 and \$377,992 related to various grants to Navos. Long-term deferred revenue at December 31, 2017 and 2016, also includes \$1,593,927 related to a deferred developer fee in connection with the New Markets Tax Credit financing (Note 6).

Note 3 – Concentrations of Economic Risk and Significant Estimates

Net patient service revenue – Navos derives a significant percentage of its operating revenue under various government-funded health care programs. The loss or reduction of any one of these government-funded provider contracts could impair Navos' ability to continue operations at current volumes.

The mix of net revenues from all sources was as follows (in percentages):

	2017	2016
King County contracts	76%	78%
Medicare	6%	5%
State Medicaid and indigent funding	14%	14%
Third-party insurance and self-pay	4%	3%
	100%	100%

Tenant subsidies, which support Navos' housing program, represent approximately 62% and 60% of total housing program revenue in 2017 and 2016, respectively.

Patient service contracts and accounts receivable – The Organization provides services to its patients, most of whom are local residents and either insured under public programs or indigent. The costs of providing health care services to indigent patients are partially offset by Navos' various contracts with King County, as well as indigent care service fees billed to the state of Washington. The mix of net receivables from contracts, third-party payors, and patients was as follows (in thousands):

	2017			2016	
King County contracts	\$	1,262	\$	1,313	
Medicare		2,225		1,681	
State Medicaid and indigent funding		3,382		2,874	
Third-party insurance and self-pay		1,620		1,492	
	\$	8,489	\$	7,360	

Allowance for doubtful accounts – Navos does not accrue interest on patient and third-party accounts receivable. Navos records an allowance for doubtful accounts on patient and third-party accounts receivable, considering several factors such as historical billing and collections data, changes in payment methodology, changes in contract, payor type, frequency of payments, level of difficulties in collections, population type, future economic conditions, and other factors. Balances are deemed delinquent after 90 days. Receivables past due 90 days or more were approximately \$3,621,000 and \$3,119,000 at December 31, 2017 and 2016, respectively. Balances that are still outstanding after reasonable and customary collection efforts are written off through a charge to the allowance for doubtful accounts and a reduction of accounts receivable.

Note 3 – Concentrations of Economic Risk and Significant Estimates (continued)

Estimated third-party payor settlement – Payments received from Medicare and other third-party payors are subject to payor review and retrospective adjustment. Separately and in addition to an allowance for doubtful accounts, management accrues estimated retroactive adjustments under contracts with third-party payors. Laws and regulations governing third-party billing and payment are extremely complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term.

Collective bargaining agreements – At December 31, 2017, Navos had a total of approximately 589 employees. Of this total, approximately 139 are covered by a collective bargaining agreement. Navos' collective bargaining agreement expired on December 31, 2017, and a new agreement is expected to be achieved in due course.

Beneficial interests – Navos is named as a beneficiary in two trusts held for the benefit of local nonprofit organizations. The trusts, which are held in perpetuity, are administered by a financial institution and provide earnings distributions to Navos. The earnings are available for general operating purposes. Navos' interest in the trusts' agreements is included in permanently restricted net assets. Navos' interest in gains and losses of the trusts' values is recognized in the consolidated statements of changes in net assets as permanently restricted activities.

Note 4 - Fair Value Measurements

Navos applies the authoritative guidance of Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following table presents the assets that are measured at fair value on a recurring basis as of December 31, 2017 and 2016, and are categorized using the three levels of the fair value hierarchy:

	Fair Value as of December 31, 2017 (in thousands)							
	Level 1		Level 2 Leve		evel 3 Total		Total	
Assets Beneficial interest in perpetual trust	\$ - \$ - \$ 4,604 Fair Value as of December 31, 2016 (in thousand				\$ ands)	4,604		
	Lev			/el 2		evel 3		Total
Assets Beneficial interest in perpetual trust	\$		\$		\$	4,186	\$	4,186

Note 4 – Fair Value Measurements

The table below reconciles the beginning and ending balance (in thousands) for Level 3 assets for the years ended December 31, 2017 and 2016:

	rpetual Frust
January 1, 2017 Unrealized gain	\$ 4,186 418
December 31, 2017	\$ 4,604
	rpetual Frust
January 1, 2016 Unrealized gain	

The following methods and assumptions were used to estimate the value of each class of assets for which it is practicable to estimate that value.

Beneficial interest in perpetual trusts – The fair value of the underlying trusts' assets in the perpetual trusts described in Note 3 is determined using information provided by the financial institution. The fair value of Navos' beneficial interest is determined based on its proportional interest in the fair value of the underlying trusts' assets, which are invested primarily in equity and fixed income securities. Given the perpetual nature of the trusts, Navos will never have the ability to receive trust assets; therefore, it is categorized as a Level 3 fair value measurement.

Management determines the fair value measurement policies and procedures in consultation with third parties. Those policies and procedures are reassessed at least annually to determine whether the current valuation techniques are still appropriate.

The following table presents quantitative information about significant unobservable inputs used in Level 3 fair value measurements:

Dongo of

Name	,	Fair Value	Valuation Technique	Unobservable Inputs	Input Values (Weighted Average)
Perpetual trust	\$	4,604	Market value	Navos' proportionate share of the trust assets	4.30%–5.24% (4.98%)

Loan covenants – Loan agreements with U.S. Bank place limits on the incurrence of additional borrowings and require Navos to maintain its cash accounts with U.S. Bank. The agreements also require that Navos satisfy certain measures of financial performance. At December 31, 2017, Navos was out of compliance with the bank debt covenant related to the fixed charge coverage ratio, required by the agreements. Navos has received a forbearance agreement from U.S. Bank.

Line of credit – At December 31, 2017, Navos had available an open line of credit of \$3,000,000, against which there were \$0 of outstanding draws. Amounts outstanding are payable on demand and accrue interest at an annual rate equal to 0.50% plus the lender's LIBOR rate (1.38% at December 31, 2017). The interest rate will be adjusted each time the prime rate changes. The line of credit is secured by all accounts, instruments, documents, chattel paper, general intangibles, contract rights, investment property, certificates of deposit, deposit accounts, and letter-of-credit rights. The line of credit matures on July 31, 2018.

Note 6 - New Markets Tax Credit Financing

In December 2011, Navos entered into financing arrangements with U.S. Bancorp Community Development Corporation (U.S. Bancorp), KCHA New Markets Partner 20, LLC (KCHA), WNC National Community Development Fund 9, LLC (WNC), and NDC New Markets Investments LXVIII, LLC (NDC) to fund a portion of the costs of the construction of a new mental health and wellness center in Burien, Washington (the Burien Heights campus), using the New Markets Tax Credit Program (the New Markets program). The New Markets program is a program of the Community Development Financial Institutions Fund, a bureau of the United States Treasury. The New Markets program permits taxpayers to receive a credit against federal income taxes for making qualified equity investments in designated Community Development Entities (CDEs).

In connection with the financing arrangements, Navos loaned \$17,206,030 (the Leverage Loan) to the Navos NMTC Investment Fund, LLC (the Investment Fund,) a wholly owned subsidiary of U.S. Bancorp, which made the qualified investment and received the related tax credits. The note bears interest at 1.075% annually, with interest-only payments during the first 10 years of the 33-year term. The note is recorded as a note receivable in the consolidated statements of financial position as of December 31, 2017 and 2016.

Note 6 – New Markets Tax Credit Financing (continued)

On December 30, 2011, NMTC borrowed \$23,502,072 from three CDEs established for the purpose of providing funds under the New Markets program (the CDE loans). At December 31, NMTC owed the following amounts to the CDEs (in thousands):

		2017		2016	
KCHA (loans A & B) WNC (loans C & D) NDC (loans E, F & G)	\$ 9,80 7,71 5,76		\$	9,800 7,712 5,760	
	\$	23,272	\$	23,272	

Each of the CDE loans has a 33-year term and bears interest at 1.202% annually with interest-only payments for the first 10 years. The disbursement of the proceeds of loan G occurred in 2012 because construction was substantially complete. The loans are secured by NMTC's subleasehold interest in the Burien Heights campus and related clinical systems.

In 2018, U.S. Bancorp may put its interest in the Investment Fund to Navos for a put price of \$1,000. If U.S. Bancorp does not exercise its put right, Navos may call U.S. Bancorp's interest in the Investment Fund for a call price equal to the fair value of that interest.

Note 7 - Capital Lease Obligations

Navos leases office equipment under capital leases expiring in various years through 2021. The equipment had a cost of \$1,448,491 and \$1,342,182 and accumulated amortization of \$579,667 and \$702,339 at December 31, 2017 and 2016, respectively. Interest rates on capitalized leases vary from 4.8% to 18.8% and are imputed based on Navos' incremental borrowing rate at the inception of each lease. Future minimum lease payments for the years ending December 31 are as follows (in thousands):

2018 2019 2020 2021 2022	\$ 380 334 122 90 39
Total minimum lease payments Less amount representing interest	965 (46)
Present value of net minimum lease payments Less current portion	 919 (199)
	\$ 720

Leases that do not meet the criteria for capitalization are classified as operating leases with related rentals charged to operations as incurred. Rent expense incurred of \$442,010 and \$556,637 for 2017 and 2016, respectively, is included in facility expense in the consolidated statements of operations.

Note 7 - Capital Lease Obligations (continued)

The following is a schedule by year of future minimum payments required under operating leases as of December 31, 2017, that have initial or remaining noncancelable lease terms in excess of one year (in thousands):

The amount awarded, plus a proportional share of the appreciated value of the Burien Heights residences property, is payable if the property is sold, refinanced, or changes its use during or prior to the end of the 40-year performance of the contract, or if Navos is materially out of compliance with the terms and conditions of the low-income housing contract that governs the use of the property.	2,108	2,108
Nonrecourse interest-free loan, King County, with payment due October 31, 2059. The funds are to be used for the renovation of the Burien Heights residences. Deferred loan payable, City of Seattle Office of Housing, due May 23, 2055 (the maturity date), in annual installments, beginning on June 30, 2008, in an amount equal to 50% of net cash flow for the preceding calendar year, as defined in the loan agreement. Ordinary interest accrues at the rate of 1% simple interest per annum from the date of each advance of loan funds, computed on the outstanding principal balance as it exists from time to time. The outstanding principal balance shall become due in full in the event of default, as defined in the loan documents. After the initial 50-year maturity date, the loan agreement may be extended by one 25-year period, subject to all of the terms and conditions of the loan documents. Note 10 - Self Insurance

Navos began self-insuring for its health care benefits provided to its employees in April 2015. Employee medical and dental claims are paid by the Organization through third-party plan administrators. Employees file their claims with the administrators. The administrators pay the claims out and are reimbursed by the Organization. Expenses for self-insured health care benefits coverage totaled \$2,948,035 and \$2,552,543 for the years ended December 31, 2017 and 2016, respectively. The Organization accrued approximately \$226,024 and \$188,308 at December 31, 2017 and 2016, respectively, for estimated claims incurred prior to year-end and filed with the administrators after year-end.

Note 11 - Employee Benefit Plans

Navos maintains a 401(k) plan open to all eligible employees. The plan provides for a 100% match of up to 2% of employee compensation.

Navos is obligated under terms of its collective bargaining agreement to make payments to a union pension fund in the amount of 1.5% of total eligible earnings, plus related surcharges resulting from the plan's underfunded status. Employees who are covered by the collective bargaining agreement may make pre-tax contributions to the Organization's 401(k) plan, but are not eligible for employer match.

The employer contribution totaled \$403,157 and \$368,876 in 2017 and 2016, respectively, and is included in staff costs in the accompanying consolidated financial statements.

Note 12 - Charity Care

Charity care, defined by the Washington State Department of Health as inpatient care provided to documented indigent patients and excluding bad debt write-offs, was \$364,463 and \$490,960 for 2017 and 2016, respectively. These amounts are excluded from net patient service fees.

Navos also measures charity care as necessary health care services rendered to medically indigent persons, to the extent that the persons are unable to pay the patient responsibility portion of insured care or are uninsured and otherwise without resources to pay for the care, excluding uncollectible amounts arising from a patient's unwillingness to pay (bad debts).

Navos estimates that the total charity care under this broader definition was as follows:

		2017	_	2016
Outpatient Inpatient	\$	168,905 17,937,672	\$	170,376 18,468,258
	<u>\$</u>	18,106,577	\$	18,638,634

The costs of providing charity care were partially offset by the Organization's various contracts with King County, including the contract for evaluation and treatment services under which the Organization was reimbursed \$8.2 million and \$7.5 million in each year for 2017 and 2016, respectively.

Note 13 - Burien Heights Campus

Navos has a 50-year land lease with the Highline School District (the School District) for the Burien Heights campus. The land lease provides that the School District may reclaim the property for use as a school in exchange for a payment equal to the fair market value of the improvements. The School District agreed to waive this right for 10 years. The financing arrangements under the New Markets program described in Note 6 include a sublease/leaseback between Navos and NMTC and, in connection with those arrangements, the School District agreed that if it reclaimed the property after the 10-year waiver, it would pay the lesser of 1) the fair market value of the improvements or 2) the CDE loans secured by the improvements. Navos guaranteed that it would reimburse the School District for any amount required to be paid in excess of the fair market value of the improvements.

Note 14 - Supplemental Cash Flow Disclosures

Interest paid (in thousands) for the years ended December 31, 2017 and 2016, was \$1,205 and \$1,149, respectively.

Change in construction (in thousands) accounts payable for the year ended December 31, 2017, was \$1.009.

As part of the affiliation as described in Note 1, Navos had a valuation performed as of May 1, 2017, which resulted in the following changes to the statement of financial position (in thousands):

Land and land improvements	\$ 5,929
Intangible assets	3,000
Impairment of depreciable fixed assets	 (24,706)
	 _
Net impairment to unrestricted net assets (deficit)	\$ (15,777)

Note 15 – HUD Apartments

Navos developed three apartment projects with financing obtained under Section 202 of the National Housing Act. As required by HUD, these projects were owned by project entities existing separately from Navos. Highline West Seattle Housing Association, Inc. was incorporated in the state of Washington in 1982 to develop and operate Conbela Apartments, a 7-unit property located in Seattle, Washington, and Lakewood Apartments, an 11-unit property located in unincorporated King County, Washington. Highline West Seattle Housing Association – South County, Inc. was incorporated in Washington in 1985 to develop and operate Valleywood Apartments, an 11-unit property located in Auburn, Washington. In April 2010, Navos refinanced the HUD 202 mortgages as part of the Series 2010 Revenue Bonds used through the Washington State Healthcare Facilities Authority. In connection with the refinance, both HUD project entities were formally dissolved by their respective boards on April 26, 2010, and all assets, liabilities, and operations were transferred to Navos.

Note 15 – HUD Apartments (continued)

The HUD apartments continue to operate under the terms of the Housing Assistance Plan (HAP) agreements with the HUD Federal Housing Administration and, as such, are subject to a variety of HUD regulations. Summary information regarding the financial position and cash flows related to the properties previously held by the HUD project entities is as follows (in thousands):
