Reproductive Health Services, 13136

Policy/Procedure

PURPOSE:
In accordance with WAC 246-320-141 and RCW 70.41.520, this document describes the reproductive health care services generally available at Seattle Children's Hospital.

POLICY:
Seattle Children's provides specific specialized reproductive health care services through the *Seattle Children's Prenatal Diagnosis and Treatment Program*; the *Adolescent Medicine Program* including its *Pediatric and Adolescent Gynecology practice*; and, as appropriate and medically necessary, in the emergency department and acute care inpatient and outpatient hospital settings. These services are listed in the *Hospital Reproductive Services form provided to the Washington State Department of Health*.

In cases where medically necessary services are not available at Seattle Children's, patients are provided with information about, and/or referrals to, facilities that may provide those services.
