Fold at solid line in the middle.

Customer Access to Employee Restrooms

I certify _____ has an eligible medical condition. Retail establishments must allow access to employee restrooms under state law.

This certification:

- Expires _____
- Does not expire

Signed: _____

Date: _____

DOH 631-008 (Rev. October 2009)

Customer Rights

State law allows customers with eligible medical conditions verified by their health care provider to use employee only restrooms when:

- The request is during normal business hours.
- The customer requests access and shows this form.
- The restroom is reasonably safe for the customer.
- Restroom access does not create a security risk to the store or its employees.
