You are not required to have or obtain a Social Security Number to apply for or obtain a license from the Department of Health. If you do not have a Social Security Number, you are still eligible to apply for and obtain a credential if you meet the requirements. Please see the Declaration of No Social Security Number Form. This check may be through the Washington State Patrol and the Federal Bureau of Investigation (FBI). This may be required if you have lived in another state or if you have a criminal record in Washington State. This would be at your own expense.

All information should be printed clearly in blue or black ink. It is your responsibility to submit the correct required forms.

- If you have been granted certificate(s) of restoration of opportunity, please provide a certified copy of each certificate.
- Another jurisdiction means any other country, state, federal territory, or military authority.

Additional Information:
Criminal history checks are conducted for all massage license applicants. If you answered yes to any of the personal data questions, please submit the appropriate supporting documentation as indicated on the application.

- The initial license will expire on your birthday unless the license is issued within 90 days of your next birthday. See WAC 246-12-020(3).

Note: You cannot practice massage until your license is issued.

For Spouses and Registered Domestic Partners of Military Personnel Being Transferred or Stationed in Washington:
Under state law, if you are the spouse or state-registered domestic partner of a servicemember of any branch of the U.S. Military, to include Guard or Reserve, and are applying for a health care professional credential in this state, you may be eligible to have the processing of your application expedited to receive your credential more quickly.

Documents to submit with your application should include the following:
- A copy of your spouse’s or registered domestic partner’s military transfer orders to Washington State.
- One of the following:
  - A copy of your marriage certificate to show proof of marriage; or
  - A copy of a state’s declaration or registration showing you are in a state registered domestic partnership with a member of the U.S. military.
License Requirements

To avoid a delay in licensure, take the time to read and thoroughly complete the application.

All applicants must submit the following:

☐ Completed application and fee
☐ Complete the Washington State Jurisprudence Examination
☐ Verification of all credentials that you hold or have previously held.
  • You will need to submit a request for verification to all U.S. and foreign boards and jurisdictions where you have held a professional license.
    Note: We will not accept a copy of your license.
☐ Official examination score report from the National Certification Board for Therapeutic Massage and Body Work (NCBTMB) or Federation of State Massage Therapy Boards (FSMTB) must be submitted directly to the Department of Health.
☐ CPR and First Aid Card
  • Submit a photocopy, front and back, of your current Red Cross/First Aid Card and American Heart Association CPR card (or equivalent showing the expiration dates)
  • The CPR course must be in person. However, a hybrid course is also acceptable.

If you completed a Washington State Board Approved Program, you must also submit:

• A Board of Massage School Completion Form sent directly to the department from your approved program. The form needs to be stamped and signed by the registrar or authorized representative of the board approved massage or apprenticeship program.

If you did not complete a Washington State Board Approved Program, but hold an active massage license in another state or foreign jurisdiction:

If you did not complete a Washington State Board Approved Program but you hold an active massage license in another state or foreign jurisdiction, you may be eligible for licensure by endorsement. Please read carefully to determine if you meet the qualifications for licensure by endorsement and what documentation you must submit.

Be aware of the following:

• Licensure by endorsement is based on the state’s education requirements for initial licensure; not the number of hours in the program that the applicant completed.
• The board does not have authority to review individual programs.
• You must know the minimum number of hours required for initial licensure in the state where you hold an active massage license. If you do not know this information, you will need to contact the state where you hold the active massage license.
Licensure by endorsement qualifications:
A massage therapist applicant holding an active license in good standing in another state or foreign jurisdiction may be granted a Washington license, if, in the opinion of the board, the other state’s or foreign jurisdiction’s examination and educational requirements are substantially equivalent to Washington’s. (WAC 246-830-035)

Substantial equivalency means a course of study at a massage school or massage program that requires one of the following:

- A minimum of six hundred twenty-five hours of education and training, to be completed in no fewer than twenty-four weeks and approved by the equivalent licensing agency or agencies in the state, territory, or foreign jurisdiction in which it is located at the time of applicant’s graduation;

OR

- A minimum of five hundred hours of education and training, approved by the equivalent licensing agency or agencies in the state, territory, or foreign jurisdiction in which it is located at the time of applicant’s graduation, at least two years of experience, and documentation of at least twenty-four hours of continuing education within two years prior to making application.

Pathways for licensure by endorsement. Please read the following to determine which category you fall under.

1. If you are an applicant licensed in a state that requires a minimum of 625 hours you must submit the following:

- Official transcripts sent directly to the department from your educational institution. If the educational institution has closed, official transcripts will also be accepted from the entity that maintains transcripts from closed schools.

- Education Endorsement Form which must be sent directly to the department from your education program. This form can be provided with your official transcripts.

- Out-of-state license verification of an active massage therapy license in good standing in another state or jurisdiction.

2. If you are an applicant licensed in a state that requires less than 625 hours for initial licensure AND you have at least two years of experience you must submit the following:

- Official transcripts sent directly to the department from your educational institution. If the educational institution has closed, official transcripts will also be accepted from the entity that maintains transcripts from closed schools.

- Education Endorsement Form which must be sent directly to the department from your education program. This form can be provided with your official transcripts.

- Out-of-state license verification of an active massage therapy license in good standing in another state or jurisdiction.

- Indication of at least two years of experience under Section 5 of the application.

- Proof of 24 hours of continuing education completed within two years prior to submitting your application for licensure.
3. If you are an applicant licensed in a state that requires less than 625 hours for initial licensure AND you do not have two years of experience you do not qualify for licensure by endorsement.

If an applicant does not meet the requirements for licensure by endorsement, then the applicant may fulfill the remaining education and training requirements as outlined in WAC 246-830-037.

**If you completed a Washington State Board Approved Transfer Program you must also submit:**

- [x] Official transcripts sent directly to the department from your unapproved program.
- [ ] A Board of Massage School Completion Form sent directly to the department from your approved program. The form needs to be stamped and signed by the registrar or authorized representative of the board approved massage or apprenticeship program.

Have you ever been known under any other name(s)?  
- [ ] Yes  
- [ ] No

If yes, list name(s):

Will documents be received in another name?  
- [ ] Yes  
- [ ] No

If yes, list name(s):
“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disabilities, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

If you answered yes to question 1, explain:

1a. How your treatment has reduced or eliminated the limitations caused by your medical condition.

1b. How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

Note: If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain.

“Currently” means within the past two years.

“Chemical substances” include alcohol, drugs, or medications, whether taken legally or illegally.

3. Have you ever been diagnosed with, or treated for, pedophilia, exhibitionism, voyeurism or frotteurism?

4. Are you currently engaged in the illegal use of controlled substances?

“Currently” means within the past two years.

Illegal use of controlled substances is the use of controlled substances (e.g., heroin, cocaine) not obtained legally or taken according to the directions of a licensed health care practitioner.

Note: If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

5. Have you ever been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction?

Note: If you answered “yes” to question 5, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

If you have been granted certificate(s) of restoration of opportunity, please provide a certified copy of each certificate.

To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be delayed or denied.
