

## GET THEM READY FOR FALL: SCHEDULE A WELL CHECKUP TODAY!

A well checkup is valuable for checking your child's **healthy growth** and **development**, and can offer **early detection** of possible problems.

Your doctor can even offer support for **behavioral health and wellness**.

Insured children in Washington can get a **free** health checkup every year.

Fall is the perfect time to schedule your child's well checkup! A well checkup offers a chance for important immunizations and other things needed to keep them healthy.

**Schedule your child's well checkup today!**

If you need help finding a clinic near you or have trouble scheduling a visit, call your insurance company. If you need help finding coverage, go to **[wahealthplanfinder.org](https://wahealthplanfinder.org)**.
