

SUMMER 2021 playlist

Test STDs are on the rise. Schedule a confidential, nonjudgmental test for HIV/STDs and Hepatitis C.

Wrap Condoms are a small way to give you big protection from STDs. Get them for free at locations near you.

Ask PrEP is a daily pill that can keep you HIV-negative. Ask a health care provider if PrEP is right for you.

Keep up with health care. If you're living with HIV, consistent treatment keeps your viral load undetectable. Undetectable = Untransmittable (U = U). Learn more: iamnotarisk.org.

Accept and agree Consent should be clear, ongoing, and voluntary.

Play It may have been awhile since you got together. Be kind to yourself. It's okay to take things slow.

Get poked The COVID-19 vaccine is the most effective way to prevent the virus AND it's available at no cost.
