Test STIs are on the rise. Schedule a confidential, nonjudgmental test for HIV/STIs and Hepatitis C.

Wrap Condoms are a small way to give you big protection from STIs. Get them for free at locations near you.

Ask PrEP is a highly effective medication that can keep you HIV-negative. Ask a health care provider if PrEP is right for you.

Keep up with health care. If you're living with HIV, consistent treatment keeps your viral load undetectable. Undetectable=Untransmittable (U=U). Learn more: <https://gettested.cdc.gov/>

Accept and agree Consent should be clear, ongoing, and voluntary.

Carry Naloxone and save a life.

Get poked The COVID-19 vaccine is the most effective way to prevent the virus.
